**(ii) Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton BOH07034(e) (City Wide) (Outstanding Business List) (Dr. C. Mackie) (Item 7.2)**

Dr. Mackie's comments included but were not limited to the following:

- Agenda
- Smoke-Free Parks
- Board of Health Direction
- Prosperity
- Examples of Complaints
- Smoking affects every part of the human body
- Healthy Benefits
- Public and Stakeholders
- Enforcement
- Enforcement: Complaint-Based Risk Management Model

- Recommendations
- Alternatives for Consideration

The following questions were asked by the Board:

- We already have problems with drinking, drugs, and sex in our parks. Shouldn't smoking in parks be lower on our priority list?
- Would it not be easier to ask the province to outlaw cigarettes?
- What is the risk associated with parents smoking in a park a distance away from the play structure?
- Do you think that this by-law will prevent people from smoking and leaving cigarette butts in parks?
- Was anyone from Ward 8 consulted regarding this report?
- For those that volunteer and smoke, how will it affect there volunteerism?
- Won't smoke still drift into the park area?
- Can you touch a bit more on what other municipalities have done regarding this matter?
- Are smokers really okay with this by-law?
- Would we be giving a mixed message by offering exemptions to festivals and special events?
- Is there a opportunity to get some feedback by way of a pilot program?
- The report indicates \$85,000 dollars towards education, is there any way these dollars can be absorbed by the department?
- Was there any evidence to suggest that people would not go to a park because of this by-law?
- How successful have smoking bans been with respect to enforcement?
- Could we confuse or see a difference in results in a pilot programme compared to fully enacting the by-law?
- Could we look to use newer, less expensive forms of media to help with education?
- Do we have many cases where private organizations own land within City parkland where this by-law could not be enforced?
- Has anyone spoken or consulted with the West Hamilton Football Association?
- Where are we intending on putting up signage at parks?
- How much staff time has gone into developing this report?
- Were there 18 groups targeted or did only 18 groups respond to the survey?

On a motion (Collins/McHattie) the presentation respecting Item 7.2 was received.

**(aa) Canadian Cancer Society – Linda Wu (Item 7.2 a)**

Linda Wu's comments included but were not limited to the following;

- Smoke free space will help to eliminate the problems associated with second hand smoke and encourage/help individuals to quit.
- Tobacco use is directly responsible for 30 per cent of all cancer deaths and 85 per cent of lung cancer deaths.
- Approximately 13,000 Ontarians will die from tobacco use.
- There is no safe level of second hand smoke.
- We know smoking is harmful, and one individual should not have the right to impact the health of those around them.
- Many communities are taking the initiative and not waiting for the federal or provincial governments to act first.

On a motion (Collins/Powers) the presentation by Linda Wu on behalf of the Canadian Cancer Society was received.

**(bb) Bruce Smith respecting Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton (Item 7.2 b)**

Bruce Smith's comments included but were not limited to the following;

- Smokers have been used as a scapegoat for healthcare problems.
- Smokers are marginalized in Ontario.

On a motion (Collins/Pearson) the presentation by Bruce Smith respecting Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton was received.

**(cc) John Norris respecting Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton.(Item 7.2 c)**

John Norris' comments included but were not limited to the following:

- Thanked staff for their work on the report and the work by the City to ban smoking in public areas.
- Smoking banned is justified in P1, P2, and P3 community parks, and City owned regional parks.
- Trail systems and other land in the City which is multi jurisdictional, which could cause confusion regarding where one can and can not smoke.

- Moving ahead with the smoking ban in P1, P2, and P3 park lands is a sound idea.
- It may be a good idea to leave open space and hazard lands exempt and think about the by-laws consistency throughout the City.
- Gore Park recently had 40 ashtrays installed. The City should work to stop the installation of more ashtrays, as they will be eliminated with the eminent by-law.

The following questions were asked by the Board:

- Has the HCA had conversation with the RGB?
- Has staff considered the issues surrounding Gore Park brought up by the presenter?
- Can staff talk with the RGB as they have with HCA?
- How could private property next to parks be affected? And could this cause a problem with enforcement?
- Will this by-law cause a certain amount of confusion with the public?
- Do cemeteries fall under the jurisdiction of parks?

On a motion (Johnson/Ferguson) the presentation by John Norris respecting Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton was received.

**(ii) Public Health Accreditation 2010 Results BOH08027(c) (City Wide) (Dr. E. Richardson) (Item 7.3)**

Prior to the presentation, Meighan Finlay, Executive Director of the Ontario Council on Community Health Accreditation presented the City's Public Health Accreditation Certificate to Mayor Bratina.

Dr. Richardson's comments included but were not limited to the following;

- Accreditation History
- OCCHA Board of Directors
- Accreditation Process
- Accreditation 2010
- Compliance Rating
- Commendations
- Continuous Quality Improvements
- Suggestions
- Recommendations
- Plans to Address
- Next Steps
- Questions

The following questions were asked by the Board:

- The Board extending their gratitude towards staff for achieving accreditation.

On a motion (Whitehead/Jackson) the presentation respecting Public Health Accreditation 2010 Results BOH08027 was received.

**(f) DISCUSSION ITEMS (Item 8)**

**(i) Legionella: Cooling Tower Registry By-law (City Wide) (Tabled January 24, 2011) (BOH0921(b)) (Item 8.2)**

On a motion (Pearson/Johnson) the report was lifted from the table.

On a motion (Whitehead/Jackson) recommendation (b) was amended by removing the word "draft".

Councillor Clark requested to be recorded as opposed to the amendment and to the motion as amended.

**(g) OUTSTANDING BUSINESS**

**(i) Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton BOH07034(e) (City Wide) (Outstanding Business List) (Dr. C. Mackie) (Item 7.2)**

On a motion (Ferguson/Whitehead) the item respecting Smoking and Second-hand Smoke in Outdoor Municipal Recreational Areas in Hamilton was identified as completed and removed from the Outstanding Business List.

**(h) ADJOURNMENT (Item 13)**
