# INFORMATION REPORT

<b>TO:</b>	Chair and Members of the General Issues Committee
<b>COMMITTEE DATE:</b>	March 2, 2018
<b>SUBJECT/REPORT NO:</b>	Freedom of Information Requests (CL18001) (City Wide)
<b>WARD(S) AFFECTED:</b>	City Wide
<b>PREPARED BY:</b>	Lisa Barroso, Manager, Records & Freedom of Information
<b>SUBMITTED BY:</b>	Rose Caterini, City Clerk Corporate Services Department
<b>SIGNATURE:</b>	

## COUNCIL DIRECTION

At its meeting of February 16, 2018, members of the General Issues Committee requested that staff provide information respecting:

- a) the number of Freedom of Information requests identified as frivolous
- b) the percentage of requests submitted by the same person

## INFORMATION

The *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)* is provincial legislation that applies to all municipal Institutions.

A request is frivolous or vexatious if it is:

- a) part of a pattern of conduct that amounts to an abuse of the right of access or interferes with the operations of the institution;
- b) made in bad faith;
- c) made for a purpose other than to obtain access.

To establish frivolous and vexatious, an Institution must maintain detailed records of their interactions with the requester including information about the number of requests, nature and size of the requests, timing of the requests and their relationship to other events, apparent or stated purpose of the request, nature and quality of the interaction between the requester and staff.

---

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

**SUBJECT: Freedom of Information Requests (CL18001) (City Wide)- Page 2 of 2**

---

In considering whether or not a request qualifies as frivolous or vexatious an Institution must be able to demonstrate a pattern of behaviour orchestrated by the requester. A pattern of behaviour is one that would interfere with the operations of an institution or obstruct or hinder the institution's activities.

Since amalgamation in 2001, there is no record of the City of Hamilton issuing a frivolous or vexatious notice to a requester.

The provisions of *MFIPPA* do not preclude an individual or organization from filing multiple requests. The Information and Privacy Commissioner of Ontario (IPC) does not request this information from Institutions for the purpose of its Annual Report.

**Summary**

*MFIPPA* provides individuals with the right to access their own information and general records held by an Institution, unless an exemption applies, or the request is determined to be frivolous or vexatious.

The legislation prescribes that written notice be provided to the person making the request within 30 days of the Institution receiving the request.

The steady increase in the number of FOI requests filed with the City has led to the recommendation that the current temporary FTE in the Records and FOI section be made a full-time complement to manage these requests and satisfy the City's legislated obligations.

# INFORMATION REPORT

<b>TO:</b>	Mayor and Members General Issues Committee
<b>COMMITTEE DATE:</b>	March 2, 2018
<b>SUBJECT/REPORT NO:</b>	2018 Budget Drivers - Creative Industries (PED18068) (City Wide)
<b>WARD(S) AFFECTED:</b>	City Wide
<b>PREPARED BY:</b>	Anna M. Bradford (905) 546-2424 Ext. 3967
<b>SUBMITTED BY:</b>	Anna M. Bradford Director, Tourism and Culture Planning and Economic Development Department
<b>SIGNATURE:</b>	

## Council Direction:

At the General Issues Committee Budget Meeting of February 16, 2018, staff was directed to provide information as to when Creative Industries was identified as a sector for development in Hamilton.

## Information:

### 1998

In 1998, the City of Hamilton hosted “Downtown: A Marketplace for Ideas.” This workshop was facilitated by Gianni Longo, of American Communities Partnership. The ensuing report identified some strategies which involved the cultural sector.

The conclusion was that Hamilton could transform itself into a “Creative City,” using its cultural economy as a tool for economic development. The City was recognized as being positively positioned geographically, historically and culturally to begin the steps necessary to support and grow this emerging cluster.

### 2005 - 2010

In 2005, City Council adopted an Economic Development Strategy for the City of Hamilton - Hamilton’s Clusters of Innovation 2005 - 2010, which for the first time included a focus on creativity.

---

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

**SUBJECT: 2018 Budget Drivers - Creative Industries (PED18068) (City Wide) -  
Page 2 of 4**

---

<http://www.investinhamilton.ca/wp-content/uploads/2011/06/EcDevStrategyFinal2005.pdf>

The Strategy acknowledged Film and Cultural Industries as an emerging economic cluster. The strategy recommended that staff, with a view to growing the Cultural Industries in Hamilton, work with other City Departments and community stakeholders to nurture the creative businesses, organizations, and services in this sector.

The 2005 Plan identified a list of Short and Long-Term Deliverables for the **Film and Cultural Industries Cluster**.

### **2011**

December 13, 2011, Council received Report CM11018 – Corporate Organizational Changes and Sustainable Efficiencies creating the new Tourism and Culture Division, reporting to the Planning and Economic Development Department.

In addition to the functions of the former Culture Division, the responsibility for the development of the Creative Industries and Tourism is assigned to the new Division.

### **2010 - 2015**

In 2010, the Hamilton Economic Development Strategy 2010-2015 was received by Council;

<http://www.investinhamilton.ca/wp-content/uploads/2011/06/Hamilton-EcDev-Strategy2010.pdf>.

The Strategy identified the **Hamilton Creative Industries Cluster** as:

- Film/Video/Broadcasting
- Design and Digital Media
- Music
- Festivals and Events
- Performing Arts
- Visual Arts

The Hamilton Economic Development Strategy 2010-2015 identified a list of Short and Long-Term Deliverables.

[As part of the Hamilton Creative Industries Cluster deliverables, Council approved the Hamilton Music Strategy \(PED14001\) and, as part of the actions, directed staff to create a Music Office.](#)

## **2016 - 2020**

In 2016, the Economic Development Action Plan 2016-2020 was received by Council. **Creative/Cultural Industries** is identified as a key industry sector.

<http://www.investinhamilton.ca/wp-content/uploads/2017/05/Hamilton-2016-2020-Ec-Dev-Action-Plan.pdf>

The Action Plan identified six specific actions for the Creative/Cultural Industries Sector. Over the past five years, the primary focus had been on the film and the music sector. The Action Plan acknowledges that a Creative/Cultural Industries sector profile is currently under development and that the results will determine which additional Creative Industries will be in-focus on growth in Hamilton.

Currently the Hamilton Creative Industries Cluster includes:

- Film/Video/Broadcasting
- Design and Digital Media
- Music
- Festivals and Events
- Performing Arts
- Visual Arts
- Fashion

## **Terminology Changes over the years:**

### **2005 - Film and Cultural Industries Cluster**

Focus:

- Film

## **EXECUTIVE SUMMARY**

The 2018 Preliminary Tax Supported Operating Budget was submitted to the General Issues Committee (GIC) at its meeting on January 19, 2018. The Average Municipal Residential tax impact, excluding the reassessment impact, was 2.3%. Each department then provided GIC with an in-depth presentation of their 2018 budget. Boards and Agencies also presented their 2018 budgets. During this time, a few amendments were proposed, which reduced the average Municipal Residential tax impact to 2.2%. Combined with the updated reassessment / policy related tax impacts and updated growth impact, the Municipal Residential tax impact is 1.7%. The amendments are identified in Appendix “D” to Report FCS18026.

The recommendations to this Report ask Council to approve the budget as submitted in the preliminary document, including the approved amendments contained in the attached Appendix “D” to Report FCS18026. Council may approve additional changes which would then be added to this amendment list (Appendix “D”).

**Note: The average Municipal Residential tax impact of 1.7% does NOT include potential approval of any Council Referred Items or Business Cases in Recommendation (a): Appendix “A” and “B”.** Should Council wish to approve items from the Council Referred Items (Appendix “A”) or Business Cases (Appendix “B”), it may do so by motion, and these would then be added to Appendix “D” of this Report (the amendment schedule).

## CITY OF HAMILTON BUDGETED COMPLEMENT TRANSFER SCHEDULE

### STAFF COMPLEMENT CHANGE

#### Complement Transfer to another division or department <sup>(1)</sup>

ITEM #	TRANSFER FROM				TRANSFER TO			
	Department	Division	Position Title (2)	FTE	Department	Division	Position Title (2)	FTE
1.1	Public Works	Hamilton Water	Laboratory Field Technician	1.00	Public Works	Hamilton Water	Laboratory Technologist	1.00
	<b>Explanation:</b> The Technologist position will assist the Microbiologist with coordinating and scheduling work and will also run regulatory micro testing for both drinking water and wastewater samples. This position is required in order to maintain current workloads and to provide consistency across all chemistry labs, as there is currently a technologist level position in the other 2 labs (Organic and Inorganic/metals). We are anticipating that this new position will be filled internally and will leave a Lab Field Technician position vacant, which will then become redundant. The difference of between these positions of \$7,030 will be mitigated through Hamilton Water's existing budget.							
1.2	Public Works	Hamilton Water	Laboratory Field Technician	1.00	Public Works	Hamilton Water	Inorganic Chemist	1.00
	<b>Explanation:</b> The Inorganic Chemist was created as a temporary trial in order to determine whether the lab structure needed to be modified. Currently all lab technician positions (16 FTE's) report to 1 supervisor. The results of the trial concluded that in order to efficiently manage scheduling, vacation coverage, performance, and benchwork troubleshooting, there is a need for a second Inorganic Chemist. The difference between these positions of \$9,875 will be mitigated through Hamilton Water's existing budget.							
1.3	Public Works	Hamilton Water	TechI WW Capital Delivery CO-OP Student	1.00	Public Works	Hamilton Water	Technologist, Source Protection Planning	1.00
	<b>Explanation:</b> To meet the regulatory requirements of the Clean Water Act a full time permanent technologist position must be filled. The difference between these positions of \$48,260 will be mitigated through Hamilton Water's existing budget.							

**Note** - Complement transfers include the transfer of corresponding budget.

(1) - All other budgeted complement changes that require Council approval per Budgeted Complement Control Policy must be done through either separate report or the budget process (i.e. Increasing/decreasing budgeted complement).

(2) - If a position is changing, the impact of the change is within 1 pay band unless specified.

### Budget Exclusions Related to Regulation 284/09

On June 5, 2009, the Provincial Government of Ontario approved Bill 162 - *An Act Respecting the Budget Measures and Other Matters* and Schedule 18 *Municipal Act, 2001*. On July 31, 2009, Regulation 284/09 titled "*Budget Matters – Expenses*" was filed with the Ontario Registrar of Regulations.

Regulation 284/09 states that municipalities may exclude certain estimated expenses from their budget.

These excluded expenses relate to:

- Amortization expenses on tangible capital assets
- Post-employment benefits expenses
- Solid waste landfill closure and post-closure expenses

As per Public Sector Accounting Board (PSAB) standards, which follows the full accrual basis of accounting, these expenses are reported on in the City's annual financial statements. Although these expenses do not need to be budgeted for, there is a requirement under Ontario Regulation 284/09 to report on the excluded expenses before adopting a budget.

Below is summary of these excluded expenses:

**TABLE 1**  
**Excluded Expenses**

(Amounts are representative of 2016 expenses and are reported in \$millions)

1. Amortization expenses on tangible capital assets	\$185.7M
2. Increase in post-employment benefits liability	7.8M
3. Decrease in solid waste landfill closure and post closure liability	<u>(1.3)M</u>
Total	\$192.2M

The Table above outlines the expenses as reported in the City's audited 2016 financial statements. Expenses for 2017 and 2018 have not yet been determined and will be reported in the 2017 and 2018 financial statements respectively.

#### 1. Amortization Expenses on Tangible Capital Assets

Amortization expenses on tangible capital assets were recorded in the 2016 financial statements of \$185.7 million as required by PSAB standards. Amortization expenses represent the cost of tangible capital assets allocated to the financial period, based on the *original* cost of the assets when they were originally constructed or purchased.

Although the City's 2018 Budget does not include amortization expenses on tangible capital assets, provisions are made in the 2018 tax and rate Operating Budgets for transfers to capital of \$159 million and transfers to capital reserves of \$24.2 million resulting in an infrastructure funding deficit estimated at \$2.8 million when compared to the amortization expenses. However, information provided as part of the 2018 capital budget workshops estimates the infrastructure repair deficit to be approximately \$195 million, annually, in *today's* dollars. The City's tangible capital asset spending requirements, funding requirements and capital financing policies are presented annually during the budget process.

## 2. Post-Employment Benefits Expenses

The PSAB standards do not require liabilities associated with post-employment benefits to be fully funded by setting aside any portion as reserves and reserve funds. The City's 2016 consolidated financial statements report liabilities of \$356.8 million and expenses increases of \$7.8 million while the City's 2018 budget includes expenses for expected 2018 payments for retirement benefit plans, sick leave benefit plans, long-term disability plans, *Workplace Safety and Insurance Act* benefits, vacation agreements and non-OMERS pension plans.

As of the end of 2016, the City has reserves associated with these liabilities of \$66.1 million which represent 19% funding for these liabilities. The future payments for these liabilities and expenditures for transfers to reserves will continue to be included in the operating budget as these unfunded liabilities are addressed.

## 3. Solid Waste Landfill Closure and Post-Closure Expenses

The PSAB standards do not require liabilities associated with solid waste landfill closure and post-closure care activities to be fully funded by setting aside any portion as reserves and reserve funds. The City's 2016 consolidated financial statements report liabilities of \$24.5 million and reduction in expenses of \$1.3 million for landfill closure and post-closure. As of the end of 2016, the City has reserves associated with these liabilities of \$1.0 million which represent 4.1% funding for these liabilities.

To conform to the PSAB standard, future liabilities reported on the City's financial statements have been estimated. As actual work is planned and undertaken related to the City's closure and post-closure care, the associated costs will be included in the budget.

## Information:

The final 2017 net assessment growth used for 2018 taxation purposes is 1.4%, which is equivalent to approximately \$10.0 M in new tax revenue as shown in Table 1. This net assessment growth is the result of new assessment, changes in assessment due to Requests for Reconsiderations (RfR) and Appeals, as well as MPAC's proactive and ongoing reviews of key property sectors.

TABLE 1

2017 Growth (Gross / Net)		
Increases	\$ 13,164,000	1.8%
Decreases	-\$ 3,094,000	-0.4%
Total	\$ 10,069,000	1.4%

For presentation purposes and to maintain consistency with comparisons to previous years, the assessment growth of 1.4% includes a restatement of \$429.0 M in assessment that was reclassified as Exempt.

**SUBJECT: 2017 Assessment Growth (FCS18003) (City Wide) – Page 2 of 6**

The General Issues Committee (GIC) at its meeting of December 12, 2016 approved staff Report CES16061, “Municipal and Education Property Tax Exemptions for CityHousing Hamilton” which authorized the City to enter into a Municipal Capital Facilities Agreement with CityHousing Hamilton (CHH) to exempt eligible municipal properties from municipal and education taxes. This Agreement resulted in the reclassification of \$429.0 M in assessment and a \$12.6 M reduction in tax revenue which is fully offset by a reduction in the annual subsidy provided by the City to CHH. There was also a reduction of Education taxes in the amount of \$866 K which the City and CHH can now use to support capital infrastructure. Including this exemption, the final 2017 net assessment growth used for 2018 taxation purposes is a decrease of -0.2%. However, as mentioned, for presentation purposes the assessment growth has been restated to exclude the exemption resulting in growth of 1.4%.

Table 2 provides a historical look at the City’s recent assessment growth.

TABLE 2

	Assessment Growth (Net)				
	2013	2014	2015	2016	2017
<b>Total Growth</b>	<b>0.8%</b>	<b>1.3%</b>	<b>1.6%</b>	<b>0.7%</b>	<b>1.4%</b>
Residential	0.9%	1.0%	1.3%	0.6%	1.4%
Non-Residential	-1.0%	0.3%	0.3%	0.1%	0.0%

Note – 2017 has been restated to exclude CHH exemption.

It is important to note that the 1.4% growth is a net figure which takes into account both new construction / supplementary taxes (increase in assessment), as well as, write-offs / successful appeals, etc., (decrease in assessment). An existing property’s assessment can change for many reasons, some of which include: as a result of a Request for Reconsideration or Assessment Review Board decision; a change to the actual property (i.e. new structure, addition, removal of old structure); or a change in classification (i.e. property class change). In addition, MPAC conducts regular reviews of properties, both individually and at the sector level, analyzing changing market conditions and economic trends to determine any potential changes in valuation in order to ensure that assessments are up to date and are reflective of the properties’ current state.

A major factor negatively affecting the City’s growth is the assessment appeals and reductions in the Industrial class. For example, in 2017, the Municipal Property Assessment Corporation (MPAC) initiated a review of its own valuation of the properties owned by Stelco Inc. resulting in an assessment reduction of \$44 M which is equivalent to 0.2% growth.

**SUBJECT: 2017 Assessment Growth (FCS18003) (City Wide) – Page 3 of 6**

Since each property class has its own specific tax ratio, some assessment changes have a larger impact on the net growth than others. An assessment change on an Industrial property (with a 2017 tax ratio of 3.4122) has a far greater impact on the net growth than a similar assessment change on a Residential property (with a tax ratio of 1.0000). As such, assessment reductions on a few properties (particularly in the Industrial, Large Industrial, Commercial and Multi-Residential property classes) can significantly reduce the overall net assessment growth, in spite of large growth in the Residential property class.

**Assessment Growth by Class**

Table 3 breaks down the 2017 assessment growth into major property classes.

**Residential Property Class**

Continuing with the trend observed in the last several years, the Residential property tax class is the main driver of the assessment growth in the City with an increase of 1.7% from last year, which represents additional tax revenue of \$9.6 M. Wards 9, 10, 11 (Glanbrook) and 15 continue to be the areas with higher residential assessment growth in the City. The Residential property class contributed 1.3% to the total assessment growth of 1.4%.

**SUBJECT: 2017 Assessment Growth (FCS18003) (City Wide) – Page 4 of 6**

---

**Multi-Residential Property Class**

The Multi-Residential Property class had an assessment increase of \$74.0 M which is reflected in additional taxes of \$684 K or 0.1% of the City's assessment growth. The City has seen a number of rental buildings being built or renovated in the last several years which are now ready for occupancy. The most significant developments during 2017 were the building at 140 Main Street West and the rental units at 220 Dundurn Street (former National Hosiery Mills building). These new developments are classified as New Multi-Residential which have a tax ratio equal to the Residential property class. Multi-Residential growth was realized primarily in wards 1 and 2.

Some declines observed in the Multi-Residential property class are due to successful appeals and change in the use of the properties. Changing the use of the property may change the classification to one that has a lower tax ratio (from Multi-Residential of 2.6913 to Residential of 1.0000).

**Commercial Property Class**

Assessment growth in the Commercial property class is driven by new developments as well as renovations and expansions. During 2017, the Commercial property class had a net increase in assessment of \$51.6 M which represents \$1.1 M in additional tax revenue to the City, contributing 0.2% to the overall assessment growth.

This net increase is the result of both assessment increases (either expansions, previously reflected as vacant land or partial development) and assessment decreases (successful assessment appeals, partial demolitions or due to properties moving from taxable to exempt).

The most significant commercial development in 2017 was the Mountain Shopping Plaza which had an assessment increase of approximately \$27 M.

Other significant increases in the commercial property class include:

- Commercial Units at 150 Main Street West
- Canadian Tire at Rymal and Upper Centennial
- Dundas Self Storage
- Trinity Wilson Common at Wilson Street West, Ancaster (Longos, Lowe's, McDonalds)
- Fortinos at Upper Centennial Parkway
- Heritage Hill Plaza at Mud and Paramount (Winners, Home Sense, Bouclair)
- Walmart Superstore, Ancaster
- NoFrills Supermarket (Flamborough)

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

**SUBJECT: 2017 Assessment Growth (FCS18003) (City Wide) – Page 5 of 6**

---

Some notable decreases are:

- Jackson Square (change in tenants)
- Wentworth Arenas (Request for Reconsideration)
- Home Depot at Stone Church Road East (excess land adjustment / incorrect facts)

At this moment, we do not have sufficient information to analyze the impact of the closing of the three Sears stores in the City. This impact will likely be reflected for the 2019 taxation year.

Other changes in the Commercial property class are due to reclassification to tax qualifiers with lower tax rates (from fully taxable to excess) or from Industrial to Commercial (and vice versa). Additional explanations can be found later in this Report.

### Industrial Property Class

The Industrial property class had an overall assessment decrease of -\$32.2 M resulting in forgone revenue of -\$1.6 M and reducing the overall assessment growth by -0.2%. The largest reduction is due to an independent review initiated by MPAC of its own previous valuation of the properties owned by Stelco. As a result of this review, unleased lands were re-evaluated from about \$101,000 to \$100 per acre for a total assessment decrease of -\$44 M, which had a negative impact of -0.2% in the total assessment growth. MPAC also corrected its valuation of ArcelorMittal Long Products reducing it by -\$2.7 M which reduced the total assessment growth by -0.01%.

On a positive note, there is a wide variety of industries that are experiencing growth which partially mitigates the decreases in the Industrial property class assessment. Some examples include:

- Sorcast Development Corp. (Fibracast)
- Coco Paving
- Costa's Wine Country Inc.
- Canada Bread

### Changes between Industrial and Commercial Property Class

Some of the mixed-used properties (properties with more than one property class) have assessment changes with one or more property classes increasing and the remaining property classes decreasing. The total change may be either an increase or decrease to the property's total assessment as a whole. The reason for the change in assessment may be due to a successful assessment appeal, a change in class or a change in use of the property. The change for each individual class is recorded in its respective category.

**SUBJECT: 2017 Assessment Growth (FCS18003) (City Wide) – Page 6 of 6**

## Other Classes

The increase in assessment in the Other classes of \$11.4 M is mostly the result of Union Gas pipeline expansions which is partially mitigated by reduction in the Farm property class. Overall, the changes in the Other classes are not substantial and don't have a significant impact on the City's assessment growth.

- A major factor negatively affecting the City's growth is the assessment appeals and reductions in the Industrial class.

## Residential and Multi-Residential property class

- Continued reliance on the Residential class = 1.3% of total and \$9.6 M in additional taxes.
- The Multi-Residential property class had an assessment increase of 0.9% = 0.1% of total and \$684,000 in additional taxes.
- New developments include 140 Main St. West and the rental units at 220 Dundurn St. (former National Hosiery Mills building).

## Commercial property class

- Assessment growth in the Commercial property class is driven by new developments as well as renovations and expansions.
- During 2017 the Commercial property class had a net increase in assessment of 0.8% = 0.2% of the overall assessment growth which represents \$1.1 M in additional tax revenue.

# Commercial property class

- Significant developments include:
  - Canadian Tire at Rymal & Upper Centennial
  - Commercial Units at 150 Main St. West
  - Trinity Wilson Common at Wilson St. West, Ancaster
  - Dundas Self Storage
  - Fortinos at Upper Centennial Pkwy
  - Heritage Hill Plaza at Mud & Paramount
  - Walmart Superstore Ancaster
  - NoFrills Supermarket (Flamborough)

# Commercial property class

- Some notable decreases are:
  - Jackson Square
  - Wentworth Arenas
  - Home Depot @ Stone Church Rd. East

## Industrial property class

- The Industrial property class had an overall assessment decrease of 3.6% resulting in forgone revenue of -\$1.6 M and reducing the overall assessment growth by -0.2%.
- The largest reduction is due a re-evaluation of the properties owned by Stelco resulting in an assessment decrease of -\$44 M, which had a negative impact of -0.2% in the total assessment growth.
- ArcelorMittal Long Products was also re-evaluated

# Industrial property class

- Some examples of industries that are experiencing growth are:
  - Sorcast Development Corp. (Fibracast)
  - Coco Paving
  - Costa's Wine Country Inc.
  - Canada Bread

### Council Direction:

At the General Issues Committee Budget Meeting of February 16, 2018, staff was directed to provide information on attracting the conference, meeting, and sports sector to Hamilton including spending on bid fees.

### Information:

#### Importance of Tourism to Hamilton

Hamilton is a dynamic city with unique geographic and cultural attributes. Tourism is becoming increasingly important to the economic health of the City and is a platform for building further economic growth. The City attracts over 4.5 million person visits annually mainly from near-in markets, and these visitors spend an estimated \$359.5 million per year.

In 2014 the City of Hamilton's Tourism and Culture Division undertook a strategic planning process based on extensive consultation with industry and City staff. The intent of the process and this Strategy is to establish a strategic approach to the growth and development of tourism – one that is cohesive and partnership-based, designed to enhance the image and competitiveness of Hamilton as a visitor destination, grow visitation, meet visitor expectations, and generate economic and social benefits for the whole community.

**VISION**

Hamilton is a distinctive destination recognized for creativity, authentic experiences and people, and outstanding hosting capability.

**GOALS**

- Increase the appeal of Hamilton;
- Enhance Hamilton's image as a destination;
- Attract new visitors;
- Inspire visitors to stay longer and spend more money;
- Deliver authentic experiences; and,
- Excel in the provision of hospitality.

**STRATEGIC PRIORITIES**

**LEADERSHIP:**

Developing a sustainable and collaborative tourism leadership structure.

**MARKETING AND COMMUNICATIONS:**

Establishing a positive destination identity and growing Hamilton's share of the markets with the highest potential for return.

**DESTINATION DEVELOPMENT:**

Creating a great destination and enhancing Hamilton's 'welcome.'

**DEMAND GENERATORS**

## **HOW DO WE ATTRACT VISITORS**

### **Leisure Marketing:**

#### Tactics:

- Tourism Hamilton Web
- Social Media
- Advertising and Promotion such as Visit Hamilton Magazine
- Digital Marketing
- Media Relations – pitching stories – proactive and reactive by example New York Times, West Jost Magazine, Globe & Mail, Huffington Post, Toronto Star, On Route Magazine, Canadian Geographic, etc.
- Tourism Hamilton Blogs
- Fam Tours – Influencers
- Collateral materials

### **Conferences, Meeting, and Sports Market:**

#### Tactics:

- Tradeshow
- Sales Missions
- Sales Calls ( new and repeat business)
- Fam Tours
- Attendance at local events, such as those hosted by the Chamber of Commerce, to promote bringing conference, meeting and sports events to Hamilton
- Convention Building
- Collateral materials
- Tri-city bids initiatives
- Multi-year pitches

### **Bids**

Competition for securing conferences, meeting and sports events is aggressive. Many events require a confirmed bid fee for Hamilton to even be considered. Similar to a construction tender the funds for a bid fee must be identified and available. Currently, staff are bidding on events into 2024/25. Bids are sometimes due now for conferences, meeting and sports events taking place five or even ten years in the future. However, any bid fee funding identified, although not paid out now, must still be identified and secure. Therefore the Tourism reserves must be sufficient and stable.

In 2016/17 staff identified approximately \$418,216 in both bid fees pending, confirmed and paid out.

## Information:

Property Taxation is the main revenue source for the City of Hamilton to fund its operations. As such, the City must ensure that this major source of revenue is protected and monitored closely. This report shows the level of arrears as of December 31, 2017 and the steps in the collection process to protect these receivables. The tax process is a highly regulated process under the Municipal Act. This information report focusses on a five year analysis of the tax arrears and the steps taken by Taxation staff to ensure the collection of these arrears.

While the information in this report illustrates rather large tax arrears, for the most part, the City is protected in that it has priority lien status on the property and eventually will collect the property taxes, and other charges added to the tax roll, should it come down to the eventual tax sale of a property. This report will show that over the last 5 years, the City has collected 99.9% of all property tax revenues levied.

**Total Arrears<sup>1</sup>** is inclusive of current and prior years, penalty and interest charges and charges added to the tax roll (i.e. water arrears, property standards charges, etc.).

**Municipal Average<sup>2</sup>** of comparator municipalities across Canada

As identified in Table 1, 2017 saw a significant decrease in total arrears from the previous year, primarily due to significant payment of arrears received for three large industrial properties. These three large industrial properties had combined arrears of \$20.8 million as of December 31, 2016, significantly reduced to \$7.1 million as of December 31, 2017.

The percentage of Total Arrears to Current Taxes Levied also improved in 2017 (6.55% compared to 7.96% in 2016) due in part to both a decrease in total arrears and a significantly lower increase in current taxes levied.

When looking at the results of the Municipal Benchmarking Network Canada (MBNC), Hamilton continues to be well above the average of the comparator municipalities. It should be noted that MBNC splits out tax arrears between current year and prior year

tax arrears. MBNC also does not take into account penalty and interest charges added to the tax roll account as part of the arrears calculation, which, on average, can equate to an additional 1%.

---

Although the number of properties in arrears by property class is fairly consistent year to year, the reduction in overall taxes receivable is primarily as a result of the industrial property class. As shown in Table 2, while the 2017 taxes receivable has significantly dropped when compared to the previous years, the actual number of properties with an amount owing at yearend has increased.

**Penalty and Interest Analysis**

Table 3 identifies the penalty and interest charges applied to tax roll accounts for amounts not paid by the due dates. In adherence to By-law 13-136 “A By-law to Set Penalty and Interest Rates”, taxpayers are charged 1.25% per month (15% per year) for any taxes that are past due. This is the maximum allowable under the Municipal Act, and is consistent with what other Ontario municipalities charge. The high interest rate does act as a deterrent for taxpayers paying late or accumulating arrears, however, some taxpayers will continue to pay late or allow the arrears to grow.

As identified in Table 3 below, over the last five years, penalty and interest revenue has averaged approximately \$11.6 million per year. Approximately \$2.5 million of the 2016 total penalty and interest revenue was attributed to three large industrial properties that were in arrears. The significant reduction in penalty and interest revenue in 2017 is due primarily to the settling of some of the arrears for these large industrial properties.

**Table 3**

**5 Year Analysis of Penalty and Interest Charges**

	12/31/2017	12/31/2016	12/31/2015	12/31/2014	12/31/2013*
P&I charges added to the Tax Roll	\$11,368,557	\$12,534,763	\$11,904,628	\$11,748,414	\$10,477,042
<b>Increase/(Decrease) over Previous Year</b>	(\$1,166,206)	\$630,135	\$156,214	\$1,271,372	\$1,260,913
<b>% Increase/(Decrease) over Previous Year</b>	(9.30%)	5.29%	1.33%	12.13%	13.68%

\*rate increased from 1% per month to 1.25% per month as of July, 2013

Even with the reduction in arrears experienced in 2017, significant revenue continues to be generated through penalties and interest charges for late payments. This is a cost borne exclusively by taxpayers who choose to pay late. The City’s collections effort ultimately has an impact on this revenue. The more aggressive the City’s collections efforts are, the less penalty and interest revenue.

**Tax Collection Efforts**

There are a number of steps taken to ensure the City's taxes receivable are ultimately collected and protected:

- Arrears are indicated on both tax billings (Interim tax bill mailed out in early February, and Final tax bill mailed out in early June).
- Setting the penalty and interest rate at the maximum allowable under the Municipal Act (1.25% per month / 15% per year) – this rate is identified on all tax bills and remainder notices, so taxpayers are aware of the cost of falling into arrears.
- Starting in 2015, the City now issues four reminder notices per year (in March, May, July and October, being the months following each instalment due date) versus the two reminder notices mailed out previously. The additional reminder notices does have some positive effect in collections, as well as, enhances customer service by advising taxpayers earlier where a potential problem may exist (i.e. bill not received in the mail, new owner who did not get a bill from previous owner, misapplied payment to another tax roll account, etc).
- Letters mailed out to new owners of properties advising of any arrears and of upcoming instalments due. When property ownership changes, Tax staff send letters to the new owners when there is no upcoming billing or reminder notice. This avoids new owners falling into arrears where their lawyer failed to settle any arrears on closing or where new owners were not made aware of upcoming instalments.
- An annual letter is sent to all properties in 3+ years in arrears, advising the taxpayer a lien will be registered should the arrears not be dealt with. Taxpayers are made aware that should a lien be registered, that any interested parties registered on title, such as a mortgage company, will be notified of these arrears.
- For taxpayers who ignore the three years in arrears letters, liens get registered on title and notices are sent to anyone on title including mortgage holders. The approved user fee to cover the City's costs for the registration of delinquent accounts is also added to the tax roll account. Tax staff monitor all properties in 3+ years in arrears, registering liens in order of largest arrears.
- On average, the City runs two tax sales per year. This is the last step in the collection of tax arrears. For the most part, arrears are settled before the tax sale by either the property owner or their mortgage company. For properties that do go to tax sale, the arrears are generally paid by the successful bidder.

% of Properties in Arrears	9.99%	9.30%	9.55%	9.32%	9.60%

As Table 4 above illustrates, although the additional reminder notices have not yet resulted in less properties in arrears, they do assist greatly in resolving issues sooner rather than later, for such things as a missed payment, a misapplied payment, misplaced or lost tax bills, etc. There is typically an increase in reminder notices mailed out in May and October, due to taxpayers forgetting the second instalment of their interim or final tax bill. A newspaper ad is also published in the Hamilton Spectator to remind taxpayers of the upcoming instalment due date. Regardless of this collection effort, some taxpayers will continue to misplace or lose their tax bills, sell/purchase property and pay on their previous roll number in error, or simply ignore the reminder notices.

By year end, the number of taxpayers in arrears does drop off significantly. By the end of the year, approximately 10% of the total number of properties billed have not paid their taxes in full. This percentage has remained relatively steady, with a slight increase in 2017.

**Tax Registration**

Table 5 breaks down the number of properties, on a yearly basis, that are three years in arrears. The annual 3+ years in arrears letters (typically mailed out mid to late January), elicit a number of responses ranging from promises to pay, payment arrangements, payment of the minimum amount required to discharge the lien (third year in arrears only) and payment in full. Unfortunately, some taxpayers simply ignore the City's letter.

---

Taxation staff sorts and monitors these arrears into different categories (i.e. properties with payment arrangements, properties that will pay in full, properties that can only settle the third year, properties that have not contacted the City, etc.). Staff then begin to register liens on those who have ignored their arrears, starting with the largest arrears. Staff also monitor arrears of taxpayers who have made promises and move them into the registration process, if those promises are not kept. It has been the practice of Tax staff to show compassion for taxpayers in financial difficulty and will work with the taxpayer to allow them some time, within reason, to sort out their financial affairs.

The tax registration and sale of properties is regulated under Part XI of the *Municipal Act, 2001*. Once a property is eligible to be registered, an extensive title check is required to determine who is registered on title. Once the lien is registered, Taxation staff must send notices within 60 days to all parties registered on title. In many cases, Mortgage companies will take action to protect their interest and work with the taxpayer on the arrears or use their Power of Sale legislation. The full costs of this process is added to the tax roll account, as per the annual Council approved user fee by-law.

If the tax arrears are not addressed on receiving the Notice of Registration, then Final Notices must be sent after 280 days of registering a lien and a tax sale cannot take place before one year (365 days) has passed since the registration of the lien.

Table 5 identifies how many properties, per year, receive 3-years in arrears letters versus how many are actually registered.

**Table 5**

**5 Year Analysis of Tax Registration / 3 years in Arrears Letters issued**

% Registered Per Year	24.06%	31.15%	35.51%	31.17%	34.58%

The number of properties falling behind on their taxes, three or more years, continues to be a concern, as does the number of tax liens the City places on properties and the number of properties that eventually go to tax sale every year. In many cases, the taxpayers sell their properties to satisfy their debts or their mortgage companies have to get involved, either re-financing the property or going to power of sale. Tax staff typically register approximately 500 liens per year. The lower number of liens registered

in 2017 is primarily due to staff vacancies. These vacancies are expected to be filled by the end of the first quarter of 2018.

**Note** that effective 2017, the Municipal Act has been amended to now allow the registration of liens for properties in two years arrears. Doing so would increase the number of properties that could potentially be registered by over 2.5 times. For now, staff will continue to register at three years in arrears until the impacts of moving to two years can be determined. As the City is protected via the priority lien status and ultimately has collected 99.9% of the taxes levied, any proposed change to the status quo would need to balance the expected resulting reduction in total tax arrears with the added costs for additional staff resources required, potential loss of penalty and interest revenue and impacts to taxpayers in financial difficulty.

### **Tax Sale of Properties**

The actual tax sale of a property is the final step of the process and one with serious consequences. When a property goes to tax sale, a number of the properties generally get rectified by the owners and pulled from the actual sale. Every effort possible is made to allow property owners to keep their properties by paying their taxes. On many of the properties that go to sale, properties may also have large property standard charges and/or metered water charges added to the tax roll, as well as Federal and/or Provincial liens. The City also runs into a number of estate issues where no will exists. A further issue is where slivers of properties that should never have been created and have been over-valued and where the only means to rectify the problem is through the tax sale process.

Of the properties that end up going through to the final bidding process, these can have three results:

1. They sell for at least the minimum bid (taxes owing including all charges and fees) and the City recovers all that is owed.
2. They do not sell (no acceptable bids are received) and the City does not vest the property over to the City due to liability concerns. These properties are then dealt with by our process for potentially contaminated properties, or re-valued by Municipal Property Assessment Corporation (MPAC) to a reasonable value for un-buildable land and left in the current owner's name.
3. They do not sell (no acceptable bids are received) and the City then vests the property. City Real Estate staff would then attempt to sell the properties vested, at which time a report goes to Council to write-off any difference between what it sold for and the taxes owing.

Appeals of assessment value and classification have a large impact on the municipality's annual budgeted tax revenue. As property taxes are based on an assessment value multiplied by a tax rate, any reduction in the assessment value or classification (primarily a class change to a lower taxed property class) will have a negative impact on the municipality's tax revenues. Recent years have shown a continued upward trend in large commercial and industrial appeals that result in significant property tax reductions.

This report is intended to keep Committee and Council apprised of the trends over the last five years. Trends continue to show large industrial and commercial appeals that have off-set, in part, the growth in these property classes. Through the budget process, the City recognizes that assessments will be challenged and lost. As such, an annual budget is approved (2017 budget = \$7.3 million) for regular, on-going losses due to appeals. In addition to this, an allowance is set up where there is a potential for a significant loss of assessment that covers multiple years.

**SUBJECT: Annual Assessment Appeals as of December 31, 2017 (FCS18028)  
(City Wide) - Page 2 of 7**

---

As assessment appeals are not unique to the City of Hamilton, the Province has been looking at this issue and ways to strengthen the assessment end of valuations for the larger commercial and industrial type properties. The issue of the loss of commercial and industrial assessments is province-wide. As the Municipal Property Assessment Corporation (MPAC) is responsible for the property valuations, municipal tax revenues hinge on how well their valuations hold up when challenged by taxpayers and highly trained appraisal consultants. Further complicating matters is the fact that large province-wide appeals are being delayed due to their complexity and the time it is taking to be heard at the Assessment Review Board (ARB). An appeal that takes five to seven years for a decision can lead to a significant cumulative tax revenue loss, if a reduction in assessment value is warranted.

The ARB introduced new Rules of Practice and Procedure which came into effect on April 1, 2017. The new rules were developed in consultation with Board stakeholders, which included representatives from both small and large municipalities, and member of the executive of Ontario Municipal Tax and Revenue Association (OMTRA). The changes impact all parties in the process, including municipalities, and were introduced to streamline the property tax appeal process and promote fairness and efficiency. The new rules will help to ensure that appeals, both old and new, will commence within the current four year cycle and be completed on a timely basis. Under the new rules, a commencement date is assigned to each appeal. This commencement date is when work is expected to begin as the appeal proceeds through the schedule of events. This is a robust and rigid schedule that must be complied with.

During the consultations, municipal stakeholders identified that a municipality may prefer that appeals respecting “sensitive” properties be heard earlier than later in the assessment cycle (2017-2020). As a result, municipalities were asked to provide the ARB with a short list of sensitive and priority properties which the Board would consider in the scheduling process. While the Board would attempt to accommodate a municipality’s preference, a number of factors would be considered and the final determination would remain with the Board. Municipalities were able to develop their own criteria in determining what appeals they considered sensitive or priority. Taxation staff provided a list of properties to the ARB in August, 2017. When compiling the list, Taxation staff considered factors such as political sensitivity, age of appeal, quantity of appeals for a property and properties with significantly high assessment value.

Table 1 below shows the number of properties with outstanding ARB appeals by Current Value Assessment (CVA) Cycle:

**Table 1**

**Outstanding appeals by Assessment Value and Number**

# of properties by taxation year <sup>1</sup>	707	381	96	4

<sup>1</sup>a property will be identified multiple times if the appeal extends multiple taxation years

Table 1 highlights the magnitude of the number of current outstanding appeals for properties within the City of Hamilton. The assessment values in Table 1 are the cumulative property values under appeal. Some of these appeals will be withdrawn or settled for no reduction, while others may be settled anywhere from a loss of 1% to 30% of the value, leading to a loss in City tax dollars. Currently, the largest appeals are in the big box category, along with the neighbourhood shopping plaza category. Many of these appeals are province-wide appeals as to the valuation issues being challenged and are cumbersome due to the number of owners, municipalities and tenants involved.

Table 2 highlights the loss of municipal tax dollars over the last five years, as a result of successful appeals. Expected loss of property tax revenues due to challenges to assessment values is budgeted annually, with additional allowances set aside for more significant multi-year appeals. As legislation permits the challenge of a property's assessment, and as there are a number of highly trained appraisal consultants, it is inevitable that adjustments will be made to property values that inevitably reduce the City's property tax revenues. For business properties, it is common practice for their appraisal consultants to automatically file appeals, regardless of the value returned by MPAC. As the valuation of business properties is complex, with multiple variables, appraisal consultants simply need to prove the inaccuracy of one of these multiple variables, which, in most cases, may ultimately warrant some type of reduction in the value returned by MPAC. Some of these variables, which are challenged, may include external factors such as the economy and the functional obsolescence of a process.

<sup>1</sup>primarily due to City Housing properties now exempt from taxation (via Municipal Capital Facility by-law)

As can be seen from Table 2, appeal numbers can vary widely from year to year and by property class. As such, it is difficult to predict annual losses, as the loss would depend on when the appeal is ultimately settled. The longer it takes for appeals to settle, the more significant the potential loss (due to multiple years). An increase in the municipal tax revenue loss is typically experienced in the year in which significant multi-year appeals are settled. As stated previously, to account for this volatility, funds are also set aside in an allowance account where staff feel the potential for a higher than average reduction may be warranted, or where an appeal for a group of properties is on-going for a number of years.

The 2017 total loss, due to appeals identified in Table 2, is skewed due to City Housing properties being made exempt from taxation. Exclusive of the City Housing exemptions, the 2017 total municipal loss due to appeals would equate to approximately \$7.2 million, a decrease compared to 2016, however higher than 2013-2015. The five year average municipal loss due to appeals (factoring out the 2017 exemption of City Housing properties) equates to approximately \$8.9 million per year. This average annual loss represents approximately 1% of the municipal tax levy.

The more significant appeals settled in 2016 include; Max Aicher North America (for taxation years 2011-2012 and 2014-2016), various gravel pits (for taxation years 2009-2016), Lowes (for taxation years 2013-2016), Siemens (for taxation years 2013-2015), Rona (taxation years 2013-2016) and Parrish and Heimbecker (for taxation years 2011-2013). Also occurring in 2016, were non-profit long-term care homes being made exempt from taxation (Ontario Regulation 429/15). To offset the resulting

negative impact of this exemption, the City of Hamilton was provided with a one-time Provincial grant of \$972,300.

Of significance, in 2017, was the CityHousing Hamilton Municipal Housing Project Facilities Tax Exemption By-law 16-335 passed by City Council, thereby making the over 500 properties operated by CityHousing Hamilton Corporation eligible municipal capital facilities, and therefore exempt from taxation. The CityHousing property tax budget was used to fully offset the municipal tax reduction of approximately \$12.6 million in 2017, while the savings in education taxes will be re-invested for infrastructure improvements.

The more significant appeals settled in 2017 include; Max Aicher North America (for taxation year 2013), Home Depot (for taxation years 2009-2016), ArcelorMittal (for taxation year 2017), Canadian Tire (for taxation years 2009-2016) and a landfill property (for taxation years 2010-2016).

In light of the new ARB rules, the Municipal Property Assessment Office, along with the Province, are continuing to work towards setting some standard rules and procedures around assessment methodologies that hopefully will take some of the volatility out of the assessment challenges the City has seen to date. MPAC has committed to providing the larger property holders comprehensive guides that explain assessment methodology and how the methodology was applied to value their property, as well as the detailed information used to value the property. MPAC have made this data available in mid-2016, and then through consultations with those taxpayers, hopefully will have agreed upon values before issuing the final assessment roll to the City. If MPAC gets the co-operation of the other parties, future returned assessment rolls should hopefully be fairly accurate with less appeals of significant value. City staff will continue to monitor and report back to Council annually.

In light of Council's concerns with respect to the volatility of the assessment base, resources within the Taxation section have recently been realigned to dedicate more time both protecting the City's interests within ARB proceedings and holding MPAC more accountable to defend their values, as well as ensuring MPAC captures new growth within acceptable timelines.

Commencing in 2018, more staff time will be allotted to closely monitor the outstanding appeals and ensure the City is actively involved in the larger commercial and industrial appeals. Before appeals are signed off on any Minutes of Settlement, Taxation staff will continue to discuss the reasons for any reductions with MPAC to ensure there are valid reasons for the reductions. Staff also attend many of the settlement meetings between MPAC staff, property owners and/or their agents to ensure the reasons for an appeal are valid, and to challenge any potential settlements based on facts.

It should be noted that, some of the assessment reductions identified in this report may, in fact, eventually lead to potential assessment growth. In some cases, there may be losses on a property due to an appeal or demolition, only to then have growth on the same property due to development of the property reflected in supplementary assessments and taxes.

On the industrial side, while the City may experience losses due to tenants or structures at the Port Authority, gains are then realized through supplementary revenues with new tenants moving in and new buildings being built to accommodate larger tenants. Staff work closely with the Hamilton Port Authority and the Airport to ensure all tenant information is correct and picked up on a timely basis by MPAC. Taxation staff also work closely with the City's Planning and Economic Development Department and MPAC to ensure developments are picked up through MPAC's supplementary/omitted assessment process, or updated for inclusion on the assessment roll for the following tax year.

Table 3 shows the positive gains over the last five years due to supplementary/omitted billing revenues. Under the Assessment and Municipal Acts, assessments and taxes can be retroactively billed after the final roll is returned for the current year (referred to as supplementary taxes) and prior two years (referred to as omitted taxes). Taxation staff are pro-active in ensuring that large developments are picked up as quickly as possible, while also looking for areas where the tax classifications and values for new developments may be incorrect.

**Table 3  
Five Year Analysis of Supplementary/Omitted Tax Revenues**

\*Exclusive of City Housing properties exemption from property taxes in 2017 (Municipal Capital Facility by-law)

The above table shows that the City's supplementary and omitted tax revenues have, for the most part, resulted in a net positive increase in taxes. This increase is further supplemented by growth, only reflected on the year-end assessment return, which is not part of this report, and is reported yearly during the budget process.

---

The five year average for supplementary/omitted revenue is approximately \$11.1 million. Similar to the appeals, this revenue is also difficult to predict accurately. This revenue is contingent on the volume of new development, the type of development (due to the different valuation methods and tax rates depending on the property tax class), the period of construction (length of time between building permit and occupancy) and ultimately when MPAC reflects the new development on the tax roll.

In recent years, the City of Hamilton has experienced record building permit revenues which unfortunately do not always translate into increased assessments and property taxes. Some of the factors in reconciling building permits to assessment growth include:

- Construction value does not equate to assessed value – property taxes are calculated based on current value assessment (not construction value). Depending on the type of development, the difference between the two can be significant. This also does not take into account that the current value assessment determined by MPAC can then be challenged and subsequently reduced if the appeal is successful.
- Institutional/Government development may ultimately be exempt from taxation.
- Alterations, plumbing, sewage building permits that increase construction value, may not affect the assessed value.
- Demolition permits increase the over construction value, while having the opposite effect, for the most part, on assessed value.
- Timing – total construction value reported for one year (i.e. \$1,364,145,418 for 2017) will not be added all at once to the tax roll. MPAC will only pick up the development (if it affects current value) when occupancy is granted. As such, it is more of a staggered increase over a period of 1 to 3 years.

## Information:

### Executive Summary

Report FCS18012 updates Council on the savings generated from a number of projects that have been previously approved with the expectation that these savings be used to pay back the funds invested and subsequently, direct the savings to increase the reserves or to reduce the operating levy. These projects are funded from a combination of City reserves, the capital budget and various incentive programs.

Report FCS18012 identifies 29 projects approved since 2011 which required investment and an expected return. In total, the group of projects listed in Appendix "A" to Report FCS18012 "Savings Generated from Funded Projects" have a repayment requirement of about \$21.8 M, returning annual savings of about \$4.2 M (\$3.6 M in operating savings and \$600 K in reserve contribution) when completed. Of the projects completed to date, approximately \$2.9 M has been saved of which \$2.4 M has been used to reduce the levy, \$400 K has been used to offset expenditures in the Rate Budget and \$65 K has been reinvested in the energy reserve.

Other benefits are also derived from many of the projects. For example, many of these projects are part of the Corporate Energy Program and the Climate Change Action Plan that result in reduced energy usage as well as greenhouse emissions reduction. The use of new, efficient technology also brings benefits such as reduced maintenance and operating costs, service improvements, longer lifespan of the City's assets, water usage reduction and the possibility of taking advantage of provincial incentive programs such as "Save on Energy" and the "Demand Response Program" from the Ontario Power Authority.

In addition to the savings generated through the funded projects, the City has realized savings of approximately \$8.1 M through contracts negotiated and managed by the IT Division (network printers, cellular and desktops). Details of these savings can be found in Report FCS17020 "Annual Performance Reporting – Savings Generated from the Management of Information Technology Contracts".

#### Funded Projects

Appendix "A" to Report FCS18012 "Savings Generated from Funded Projects" lists the details of 29 efficiency projects that are currently being tracked. The approximate investment in all these projects is \$33.0 M. After incentives and rebates, the repayment required is \$21.8 M of which \$12.1 M has already been paid back. The balance will be paid within the next ten years (2019 to 2028).

The chart below identifies the seven projects that have been completed to date. These projects required \$9.3 M in funding and have generated about \$2.9 M in annual savings, \$2.4 M in tax operating budget savings, \$400 K in rate budget savings and \$65 K reinvested in reserves.

<b>TO:</b>	Mayor and Members Board of Health
<b>COMMITTEE DATE:</b>	November 13, 2017
<b>SUBJECT/REPORT NO:</b>	Food Advisory Committee 2018 Budget (BOH17043) (City Wide)
<b>WARD(S) AFFECTED:</b>	City Wide
<b>PREPARED BY:</b>	Claire Lechner (905) 546-2424, Ext. 4181
<b>SUBMITTED BY &amp; SIGNATURE:</b>	Kevin McDonald Acting Director, Healthy Environments Division Public Health Services Department 

**RECOMMENDATION**

- (a) That the Food Advisory Committee 2018 base budget submission attached as Appendix "A" to Report BOH17043 in the amount of \$1,500 be approved and referred to the 2018 budget process for consideration; and,
- (b) That any remaining 2017 funds be returned to the Advisory Committee reserve for consideration for use by the Food Advisory Committee in subsequent years.

**EXECUTIVE SUMMARY**

The Food Advisory Committee requests that a base budget of \$1,500 be referred to the 2018 budget process for consideration. It is anticipated that the 2017 budget will be fully spent as the committee has a 2018 planning meeting in November 2017 where they will be utilizing the remaining 2017 budget. Once the committee further develops their work plan there may be additional requests for funds in subsequent years by the committee.

***Alternatives for Consideration – See Page 2*****FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

**Financial:** There are no financial implications at this time as the Food Advisory Committee budget is to be referred to the 2018 budget process for Advisory Committees.

**Staffing:** There are no staffing implications.

**SUBJECT: Food Advisory Committee 2018 Budget (BOH17043) (City Wide)**Page 2 of 3

---

**Legal:** There are no legal implications.

**HISTORICAL BACKGROUND**

Following a review and reorganization of advisory committees across the City of Hamilton, the Food Advisory Committee was formed to ensure that one committee focused on food related matters to:

- Support and advise on the implementation of the Food Strategy.
- Identify and inform regarding innovative community food security policies and programs that align with the vision and goals of the Hamilton Food Strategy, Hamilton Food Charter, and other City strategies.
- Identify and advise on emerging issues affecting Hamilton's food system.

The complete Terms of Reference is attached as Appendix B.

**POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

No policy implications or legislated requirements.

**RELEVANT CONSULTATION**

Corporate Finance Services were consulted regarding the process and templates to use for submitting Advisory Committee budget requests.

The Food Advisory Committee provided input into the draft 2018 Food Advisory Committee budget.

**ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The Food Advisory Committee has put forward a base budget request of \$1500 to cover basic expenses. See attached budget (Appendix A - Advisory Committee Budget template).

**ALTERNATIVES FOR CONSIDERATION**

Not referring the Food Advisory Committee budget to the budget process for Advisory Committees.

**Financial:** Food Advisory Committee would not have budget to operate.

**Staffing:** There are no staffing implications.

**Legal:** There are no legal implications.

**SUBJECT: Food Advisory Committee 2018 Budget (BOH17043) (City Wide)****Page 3 of 3**

**Policy:** Community Engagement has been initiated by forming this committee in 2016 and not funding it could be seen as not adhering to community engagement plans.

**Pros:** Not funding the committee may leave additional funds in the Advisory Committee Reserve to be used by other citizen committees.

**Cons:** Not funding the committee may result in lower or inequitable engagement and potential loss of volunteer members if basic funds to support the committee such as parking reimbursement, refreshments, training/education and meeting supplies are not available. Committee will not have funds to support and advise Food Strategy implementation.

The Advisory Committee review recommendations of reforming and amalgamation of food related committees would not be followed if budget was not assigned to this newly formed committee.

## **Food Advisory Committee Terms of Reference**

### **Committee Mandate**

As a volunteer advisory committee to the Board of Health, the Food Advisory Committee will support and advise on the implementation of Hamilton's Food Strategy, and the development of inclusive and comprehensive food related policies and programs at the individual, household, and community/population level based on internationally recognized principles of healthy public policy and best practices/available evidence.

More generally, the Food Advisory Committee will:

- Identify and inform, where appropriate, innovative community food security policies and programs that align with the vision and goals of the Hamilton Food Strategy, Hamilton Food Charter, and other City strategies;
- Identify and advise on emerging issues affecting Hamilton's food system;
- Facilitate connections and share information and resources between members, the Board of Health, City staff, and as appropriate, further disseminate these lessons and resources among community organizations, businesses, citizens, and other groups that have an impact on community food security;
- Support research, monitoring, and evaluation efforts, and identify gaps and opportunities that may inform community food security policies and program modifications; and
- Facilitate the cross-promotion of community food security within existing programs, events, policies, services, and other actions.

### **Membership**

The Food Advisory Committee will be comprised of 13 to 18 voting members, striving for a balance of representation from all the components within the food system as follows:

- Food Production: 2-3 members (e.g., representation from rural and urban agriculture, including large and small scale farmers, gardeners, soil specialists, horticulturalists);
- Processing & Distribution: 2-3 members (representation from large and small scale food production and distribution, including food entrepreneurs, managers/operators of incubators, food banks, food hubs, food box delivery programs, warehousing, storage, etc.);
- Buying & Selling: 2-3 members (e.g., representation from large and small scale food retail, including grocers, restaurateurs, Farmers Markets managers, social enterprise food entrepreneurs, specialty food stores owners, street vendors, etc.);
- Consumption: 2-3 members (e.g., representation from community and neighbourhood based food programs and cultural groups, including food literacy

- educators, consumers, chefs, food enthusiasts, etc.);
- Food Waste Management: 2-3 members (representation from food waste management, including researchers/consultants, managers, operators of environmental groups, gleaning programs, experts/experienced individuals in composting/resource management, etc.);
- 3 members at large (citizens at large, local food advocates, etc.); and
- 2 City Councillors ( non-voting, one representing urban and one representing rural wards).

Committee members will be selected through the City of Hamilton's standardized application process for Advisory Committees. New members will be formally appointed by the Board of Health at the beginning of each term of Council, or as needed. Individuals who do not live in Hamilton but work in the City of Hamilton in a food-related business or organization would be eligible for membership on the Food Advisory Committee based on their ability to provide valuable expertise to advise on food policies and programs in the City.

Food Advisory Committee members are appointed based on their individual qualifications in the following areas:

- Their professional or community work reflects the values and principles within the Hamilton Food Strategy, Hamilton Food Charter, Food Advisory Committee, and Public Health Services;
- They bring skills and experience (including lived experience) in at least one aspect of community food security that allows them to contribute to progressive and innovative policy and program development within the Committee;
- They have skills, knowledge, experience, or a genuine interest in at least one area of Hamilton's food system;
- They represent at least one element of the rich diversity of the Hamilton population's food security skills, talents, and needs;
- They can help the Food Advisory Committee facilitate dialogue and partnerships with at least one distinct population grouping in Hamilton's urban, suburban, and rural communities;
- They respect the complexity and sensitivity of the Food Advisory Committee's work with diverse partners, and appreciate the need for personal and group skills, problem-solving, and "getting to yes;" and
- They are able to attend monthly meetings of the Food Advisory Committee on a regular basis and can participate in occasional working group meetings.

### **Roles & Responsibilities**

Members of the Food Advisory Committee shall endorse the Vision, Mission, Goals, and Values of the City of Hamilton Food Charter and make themselves familiar with the committee's Terms of Reference and mandate. General expectations of members include the following:

- Submit an annual progress report of the Committee's activities by November of

each calendar year to the Board of Health and consider various options to keep Council up to date on the committee's activities;

- Demonstrate a respect for governance and protocol;
- *Active participation and a commitment to attend meetings on a regular basis;*
- Be accountable to other members and to citizens;
- Work as a team and follow through with commitments;
- Communicate appropriately and be clear about which interest are represented when speaking;
- Communicate all information occurring at the Food Advisory Committee to contacts within their sector, as appropriate; and
- Bring issues/concerns and represent their sector's interests at the Committee.

### **Chair/ Co-Chair**

Members will, at the beginning of each term, elect from its membership two Co-Chairs, one of which shall be a Citizen member and one a Councillor Liaison member.

In addition to the general roles and responsibilities, Co-Chairs are expected to:

- Build the meeting agendas following the City of Hamilton template;
- Invite guests, in consultation with members and Staff Liaison;
- Preside at meetings;
- Facilitate dialogue among members between meetings;
- Liaise with City Staff Liaison and keep them informed of all Committee issues and actions; and
- Act as spokespeople on behalf of the Food Advisory Committee, as per Standard Operating Procedure #08-001.

### **Secretary**

Members will, at the beginning of each term, elect from its membership a Secretary, which shall be a Citizen member.

In addition to the general roles and responsibilities, the Secretary is expected to:

- Provide relevant information, ideas, and opinions as a participant in the meeting;
- Record without note or comment all resolutions, decisions, and other proceedings at the meeting (as per the Municipal Act, 2001);
- Keep an accurate set of minutes of each meeting;
- Keep an up-to-date membership/contact list;
- Distribute minutes to members and notifying them of upcoming meetings;
- Keep a list of all advisory committees and members;
- Help the Chair with preparing the agenda, advise on meeting procedure, and reference materials and information retrieved from the records; and
- Make meeting and physical set-up arrangements (Note: room bookings with City Facilities will be coordinated through the Advisory Committee's Staff Liaison).

### **City Staff Liaisons**

City of Hamilton staff will be assigned to this committee as non-voting members to provide technical and content expertise and support, including:

- Public Health Services: 1 - 2 with expertise in nutrition, food systems, policy, and health protection;
- Emergency and Community Services: 1 - 2 with expertise in social policy and community programs;
- Planning and Economic Development: 1 – 2 with expertise in land use planning, licensing, and economic development related to agriculture and food; and
- Public Works Department: 1 – 2 with expertise in urban agriculture and food waste management.

### **Staff Liaison Role**

The role of the Staff Liaison is to function as system experts. The City of Hamilton Public Health Services will appoint personnel with knowledge of nutrition policy, community food systems, and food security to provide support and coordination to the Food Advisory Committee.

The duties of the staff liaison include

- Coordinate, develop, and deliver the Orientation Session for the Advisory Committee;
- Liaise with Food Advisory Committee members, providing technical advice from Public Health Services for the preparation of reports, correspondence, etc.;
- Assist with the preparation of reports to the Board of Health, including an annual progress report of the Committee's activities by November of each calendar year;
- Assist with agenda preparation, review minutes, and ensure approved minutes are submitted to the Board of Health; and
- Provide background information, advice, and context for implementation of priorities.

City of Hamilton may assign staff to work on specific projects for a specific period of time.

### **Councillor Liaisons**

Two (2) members of City Council will be appointed as representatives to the Food Advisory Committee with a requirement for each Councillor to attend a minimum of (but not limited to) one (1) meeting per year. Council members who are appointed as liaisons would not count toward the committee's quorum and do not have voting privileges.

**Staff Clerk/ Other Staff Support(s)**

The duties of the staff clerk include providing procedural process advise to the Staff Liaison and Co-Chairs as needed.

**Term of Membership**

Food Advisory Committee members are appointed for four (4) year terms with the possibility of renewal. Effort will be made to stagger appointments to ensure continuity.

- Members who miss three (3) consecutive meetings without Committee approval shall be considered as resigning from the committee;
- Any member who is absent for more than fifty percent (50%) of the meetings during their term shall not be eligible for reappointment; and
- Upon appointment to the Food Advisory Committee, members are required to sign an Acknowledgement (Declaration) Form and return it to the Office of the City Clerk prior to attending the first meeting of this committee.

**Meeting Frequency**

Meetings will occur monthly, with the exception of the months of July, August, and December (minimum of five and maximum of nine times per year). At the call of the Co- Chairs, additional meetings can occur on an 'as-needed' basis.

Should the Food Advisory Committee not meet a minimum of three times during a Council term, the Committee will be automatically disbanded at the end of the Council Term.

**Decision Making**

Food Advisory Committee members value and will make every effort to reach consensus in decision making, including a full discussion of the issue, review of all relevant information, discussion of possible solutions or actions, and the formulation of a statement of general agreement/consensus, or develop a motion and vote on it. The Committee requires consensus to make formal decisions and must follow the procedural processes outlined in the Advisory Committee Procedural Handbook, May 2015.

City of Hamilton staff are non-voting members.

**Quorum**

Quorum consists of half the voting members plus one. In order to ensure a broad range of perspectives are included in discussions and decision making, this minimum threshold must include a representative from each of the food system components, plus a minimum of one member at large.

**Code of Conduct/Conflicts of Interest**

All members shall adhere to all City of Hamilton policies, including those respecting code of conduct and conflict of interest. At a minimum, it is expected that members are to

- Maintain an atmosphere of respectful discussion and professionalism;
- Respect the confidentiality of all matters before the Food Advisory Committee;
- Actively contribute their expertise, resources, and individual experiences to further the mandate of the Committee; and
- Declare a conflict of interest when it arises so it may be recorded in the minutes.

**Reports to**

- Board of Health

**Review of Terms of Reference**

- To be reviewed on an annual basis, at a minimum.

**RECOMMENDATION**

- (a) That the Keep Hamilton Clean and Green Advisory Committee's 2018 base budget submission attached as Appendix A to Report PW17098 in the amount of \$18,250, be approved and referred to the 2018 budget process for consideration;
- (b) That, in addition to the base funding, a one-time budget allocation for 2018 of \$2,000, funded by the Keep Hamilton Clean & Green Committee reserve, be approved and referred to the 2018 budget process for consideration.

**EXECUTIVE SUMMARY**

The Keep Hamilton Clean & Green Committee (KHC&G) has prepared a request for annual funding for proposed activities in 2018. With the endorsement of the Committee members, this request for funding is submitted to Public Works Committee (Appendix A to Report PW17098) for review and consideration during the 2018 budget process.

The Keep Hamilton Clean & Green Committee is requesting a \$20,250 budget for 2018. The request is consistent with previous years' base budget subsidies of \$18,250, with a request for an additional \$2,000 funded by the KHC&G Committee reserve to be directed toward enhanced support for victims of graffiti.

**FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

**Financial:** The Keep Hamilton Clean & Green Committee is requesting a 2018 budget of \$20,250 - department ID 300361. This request is consistent with previous budget allocations.

The funds will allow the committee to continue to deliver on its mandate to affect behaviours and attitudes conducive to a clean, healthy and safe community through leadership and action. Specifically, the funds will support the Committee's on-going work of engaging citizens to take greater responsibility for improving our community environments through programs and initiatives aimed at litter prevention, illegal dumping prevention, graffiti management, neighbourhood beautification, and environmental stewardship.

Expenditures in 2017 included Team Up to Clean Up supplies, the awarding of four (4) Clean & Green Neighbourhood Grants and two (2) Environmental Stewardship Grants, the Keep America Beautiful (KAB) affiliate fee and expenses associated with one volunteer committee member's attendance at the KAB National conference.

The Committee is requesting a one-time budget allocation of \$2,000 from the KHC&G Committee Volunteer Coordinating Committee Reserve to fund additional activities in 2018. The Committee's reserve balance as of December 2017 is \$36,520.00. The additional activities planned anticipated in 2018 include graffiti victim assistance measures to complement the Committee's existing beautification and graffiti prevention efforts, and will align with the graffiti victim assistance program to be developed by the City's internal Graffiti Working Group, led by Policy & Programs, Public Works.

**Staffing:** Public Works staff will continue to act as staff liaison to the KHC&G Committee. Due to its cross-program mandate, the Keep Hamilton Clean & Green Committee also includes staff representation as required from Municipal Law Enforcement, Hamilton Police Services, and various divisions of the Planning and Economic Development and Public Works departments.

**HISTORICAL BACKGROUND**

A Council-endorsed citizen volunteer group has existed since municipal amalgamation to address litter, graffiti and beautification issues across the City. The committee's name was changed in October 2013 from the Clean City Liaison Committee to the KHC&G Committee to better reflect its alignment with the vision, principles and objectives of the Clean & Green Hamilton Strategy.

The Keep Hamilton Clean & Green Committee coordinates and promotes litter and graffiti remediation and prevention programs, as well as beautification and environmental stewardship initiatives in the community. Acting as the Board of the City's Keep America Beautiful (KAB) affiliate, Keep Hamilton Clean & Green has initiated KAB

programming such as the Cigarette Litter Prevention Program and has been successful in obtaining KAB grants and other benefits as a KAB affiliate.

In the fall of each year the City's Volunteer Committees are requested to submit a proposed budget for the following operating year. The 2018 Budget Request attached to Report PW17098 as Appendix A was produced in consultation with the members of the Keep Hamilton Clean & Green Committee.

**POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

The recommendations provided in this report support the Vision and Mission of the City of Hamilton's 2016-2025 Strategic Plan and are fully aligned with the Clean and Green Priority.

The recommendations also support the three key principles of the Clean & Green Hamilton Strategy, as they:

- Contribute to an enhanced quality of life for our citizens through clean and green initiatives;
- Support community and stakeholder engagement through partnerships, collaboration and consultation;
- Contribute to the social, economic and environmental wellbeing of Hamilton.

**RELEVANT CONSULTATION**

In preparation of this report, Policy & Programs staff consulted with the members of the Keep Hamilton Clean & Green Committee. The 2018 budget request was approved at the KHC&G October 17, 2017 meeting, based on discussions from previous KHC&G committee meetings and through discussions at a working group meeting held on September 29, 2017.

**ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The Keep Hamilton Clean & Green Committee is representative of Hamilton's citizen and business community, education sector and youth. Its mandate includes providing input and advice to staff and Council on engaging citizens to take greater responsibility for improving our community environments. Keep Hamilton Clean & Green's primary focus is on effecting behaviours and attitudes conducive to a clean, healthy and safe community through leadership and action.

Keep Hamilton Clean & Green's strategic objectives are categorized under the five focus areas of the Clean & Green Hamilton Strategy: litter, illegal dumping, graffiti, beautification and environmental stewardship as follows:

**Litter**

- Lead the development and marketing of a coordinated cigarette litter prevention program.
- Lead the promotion and collaboration with community partners for the implementation of Team Up to Clean Up.

---

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

**SUBJECT: 2018 Volunteer Committee Budget - Keep Hamilton Clean and Green Committee (PW17098) (City Wide) - Page 4 of 5**

---

- Administer Keep America Beautiful's Community Appearance Index survey in 2017.
- Support and promote City and community litter remediation and prevention initiatives.

#### Illegal Dumping

- Support the development of educational and communications tools to prevent illegal dumping.

#### Graffiti

- Support stakeholder engagement strategies and victim assistance initiatives with prevention and remediation tools and programs.

#### Beautification

- Recognize volunteer contributions to beautification initiatives and projects that support the Clean & Green Hamilton Strategy.
- Support neighbourhood beautification and greening initiatives as needed.

#### Environmental Stewardship

- Support and promote the engagement of citizen volunteers in programs and initiatives that encourage ecological integrity and minimize human impact on natural habitats and ecosystems on public and private properties.

The proposed 2018 KHC&G base budget supports the strategic objectives through seed funding and subsidies for community-based clean and green initiatives. Investments in community engagement initiatives results in cost avoidance for operating groups. Seed funding for neighbourhood development projects and large scale clean-ups also contributes to neighbourhood and community social, economic and environmental renewal.

For example, in 2016 one of the Committee's citizen engagement programs, Team Up To Clean Up, resulted in over 5,000 bags of waste and 2,500 bags of recycling collected from public spaces in Hamilton through the efforts of over 27,000 volunteers.

The Keep Hamilton Clean & Green Committee also acts as the Board of Directors of the Keep America Beautiful affiliate. As such, the Board's mission is to engage citizens to take greater responsibility for improving our Hamilton community environments.

Report PW17078/PED17198, prepared for Public Works Committee November 13, 2017, provided Council with an update on the Graffiti Management Strategy and sought approval for recommendations to develop and undertake a proactive graffiti enforcement strategy and victim assistance program. As graffiti assistance initiatives fall within the KHC&G Committee's strategic objectives, the Committee is requesting \$2,000 from the Committee reserve to support the victim assistance program to be developed by the City's internal Graffiti Working Group, led by Policy & Programs.

---

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

**SUBJECT: 2018 Volunteer Committee Budget - Keep Hamilton Clean and Green Committee (PW17098) (City Wide) - Page 5 of 5**

---

**ALTERNATIVES FOR CONSIDERATION**

An alternative for consideration would be to eliminate or reduce support for the Keep Hamilton Clean & Green Committee in 2018. If the KHC&G Committee's 2018 budget requests are not approved, the Committee would have to adjust its 2018 work plans to accommodate a lower funding level. The Committee's 2018 activities would have to be reassessed and/or alternate forms of funding found for community initiatives such as the Team Up to Clean Up events, sustainability for clean and green activities, the Committee's support of beautification and greening programs, the anticipated graffiti victim assistance program and existing litter, graffiti and illegal dumping prevention programs. The continuation of grant programs for greening and beautification initiatives and for large-scale clean-up initiatives would also have to be reassessed. As the Board of the Keep Hamilton Beautiful affiliate, the Keep Hamilton Clean & Green Committee and City staff would further need to reassess the City's affiliation with the Keep America Beautiful organization.

It is the opinion of staff that the KHC&G Committee's budget request of \$18,250 plus \$2,000 from Committee reserves as an investment in grassroots neighbourhood development initiatives, environmental stewardship initiatives and behaviour modification represents good value for the City and should be approved for the purpose of including it in the 2018 budget deliberations. For these reasons, staff does not recommend eliminating or reducing support for the Keep Hamilton Clean & Green Committee in 2018.

**ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN****Community Engagement & Participation**

*Hamilton* has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

**Healthy and Safe Communities**

*Hamilton* is a safe and supportive city where people are active, healthy, and have a high quality of life.

**Clean and Green**

*Hamilton* is environmentally sustainable with a healthy balance of natural and urban spaces.

**SUBJECT: 2018 Budget Submission - Housing and Homelessness Advisory  
Committee (CES17049) (City Wide) - Page 2 of 3**

---

## **HISTORICAL BACKGROUND**

The Housing and Homelessness Advisory Committee was established by the Emergency and Community Service Committee in November 2015 (Report CES15053) with a mandate to:

- *Communicate and work to address the needs of citizens within the community for whom barriers exist to accessing safe, suitable, and affordable housing, including the supports needed to enable citizens to obtain and retain their homes, and;*
- *Support the City of Hamilton's 10-year Housing and Homelessness Action Plan by providing information, advice, and recommendations to the Emergency & Community Services Committee regarding the Action Plan's successful and implementation.*

At their November 7, 2017 meeting, the Housing and Homelessness Advisory Committee gave consideration to their 2018 budget needs. Their budget submission is attached as Appendix A to Report CES17049. This budget covers meeting costs, including meeting rooms, refreshments, photocopying, parking, printing and transportation. The committee is requesting the same budget they had in 2016 and 2017 in the amount of \$1,000.

## **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

The committee has outlined a meeting schedule for 2018, and this budget will provide them support to undertake specific activities in their workplan. This includes transportation and parking support for committee members and speakers. The committee has not yet determined all of their activities for 2018, and should additional funding be required in 2018 and be available in the Housing and Homelessness Advisory Committee reserves, requests for reserve funding will be made at the appropriate time.

## **RELEVANT CONSULTATION**

The Housing and Homelessness Advisory Committee discussed their 2018 budget needs at the November 7, 2017 meeting. After a thoughtful discussion they approved a budget submission that was consistent with their 2017 budget.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

This budget allocation will provide funding for the operation of the Housing and Homelessness Advisory Committee and enable them to fulfil their mandate. The committee is not asking for an increase to their budget.

**STRATEGIC OBJECTIVES:**

The following objectives have been established for the HHAC to facilitate its efforts in achieving the mandate.

1. Assist with the coordination and implementation of Council approved recommendations, including the City of Hamilton’s 10-year Housing and Homelessness Action Plan.
2. Ensure that recommendations regarding issues relating to people who are experiencing homelessness or who may be at risk of becoming homeless are brought forward to Council in a timely manner.
3. Devise and recommend to Council innovative and preventative measures to assist in addressing homelessness within the community;
4. Identify emerging trends, potential gaps and best practices in emergency housing needs.
5. Provide Council and staff with information, advice, and recommendations about residential

landlord and tenant issues and policies that would improve the overall well-being of tenants in Hamilton and support landlords in the provision of safe, quality, and affordable rental units.

6. Identify housing-related supports available in the community and facilitate relationship-building between community partners, citizens and government to ensure that people have the individualized supports needed to help them obtain and retain housing.

7. Regularly update Council about homelessness and affordable housing issues through the discussion and analysis that takes place at HHAC.

8. Respond to requests and direction from staff and Council.

9. Collaborate and cooperate with other City of Hamilton committees and community groups doing work around issues that impact homelessness and affordable housing to stay apprised of relevant initiatives and contribute information and advice as needed.

**RECOMMENDATION**

That the Hamilton Veterans Committee 2018 base budget submission, attached as Appendix 'A' to Report PED17212, in the amount of \$30,000, be approved and referred to the 2018 Budget process for consideration.

**EXECUTIVE SUMMARY**

The Hamilton Veterans Committee (HVC) oversees the planning and delivery of military remembrance and commemoration activities on behalf of the City of Hamilton. When directed by Council, the Committee will provide input on projects and issues that are of concern to Hamilton Veterans. The Committee also acts as a liaison between the City and its Veterans.

The Hamilton Veterans Committee is requesting the amount of \$30,000 (the same as 2017) to coordinate various Veterans' activities throughout the year. These events include but are not limited to Remembrance Day, Decoration Day ceremonies and Youth Education initiatives. Costs associated with policing these events are covered through the Tourism and Culture Division, Events Office operating budget. The remaining safety factors such as road closures, traffic warning signs and fencing for members of the public are covered through the Hamilton Veterans Committee approved budget.

---

Other expenses for the events that the Hamilton Veterans Committee coordinates include wreaths, chairs and equipment, sun protection, appropriate sound systems, program printing, and programming elements such as warbird "fly past" services.

In June 2017, Council approved the revised mandate of the Hamilton Veterans Committee to include the objective to maximize the engagement of youth in the act of Remembrance through projects and events. It is anticipated that additional funds will be required in order to meet this objective in the future.

Working with the Hamilton Veterans Committee, staff closely monitors the Advisory Committee budget to determine if future increases will be necessary as each year the Hamilton Veterans Committee is asked to support an increasing number of Remembrance and Commemoration events throughout the City of Hamilton.

**HISTORICAL BACKGROUND**

The City of Hamilton Veterans Committee was first appointed by the Council of The Corporation of the City of Hamilton in February 1972. At that time the responsibility of the Committee was to:

- i) Act as liaison for the Veterans of the City of Hamilton and the Hamilton Parks Board (re: Cenotaph); and the Hamilton Cemetery Board (re: Field of Honour, Woodland Cemetery);
- ii) Co-ordinate all parades in the City involving Veterans; and,
- iii) Deal with all other matters directly relating to or of concern to Veterans.

In July of 2015, City Council established the Hamilton Veterans Committee for the 2014-2018 Term of Council. The mandate of the Hamilton Veterans Committee continues to include overseeing the planning and delivery of military remembrance and commemoration activities on behalf of the City of Hamilton. the Committee provides input on projects and issues that are of concern to Hamilton Veterans.

Since 2001, military remembrance and commemoration activities have included organizing the City of Hamilton Remembrance ceremonies in addition to assisting with the coordination of annual ceremonies in Ancaster, Dundas, Glanbrook, Stoney Creek and Waterdown. Other annual events include the Dieppe Memorial Ceremony and Decoration Day. The Hamilton Veterans Committee also led the coordination of one-time events that included the 60<sup>th</sup> Anniversary of D-Day in 2004 and the 60<sup>th</sup> Anniversary of VE Day in 2005.

- (e) Hamilton Status of Women Committee in the amount of \$3500.00;
- (f) Committee Against Racism (includes Lincoln Alexander Day Celebration) in the amount of \$8900.00

**EXECUTIVE SUMMARY**

In accordance with the process for submission of budgets for the Volunteer Advisory Committees, the Human Resources Volunteer Advisory Committee Budgets for 2018 in the amount of \$29,284.00 are being submitted with the recommendation that they be approved. Three (3) of the budget requests are the same amounts as the 2017

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

*OUR Priorities: Community Engagement & Participation; Economic Prosperity and Growth; Healthy and Safe Communities; Clean and Green; Built Environment and Infrastructure; Culture and Diversity and Our People and Performance.*

approved budgets and three (3) of the budget requests have increased by at most 1.5% to accommodate additional events for 2018.

**Alternatives for Consideration – See Page 3**

**FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

Financial: The base budget requested for 2018 for three (3) of the advisory committees is the same as the budget requested and approved for 2017. Three (3) of the Committees have requested an increase of 1.5% to accommodate for additional events that have planned in 2018.

**HISTORICAL BACKGROUND**

At their September, October and November 2017 meetings, the Human Resources Volunteer Advisory Committees gave consideration to their budget needs for 2018. Their base budget submissions are attached as Appendices A through F to Report HUR17026 as approved.

The budget includes both incidental costs to support the Committees, as well as additional costs for specific events, programs and initiatives. The following is a summary of the request and detailed requests are attached as Appendices A to F to Report HUR17026.

Committee Name	2017 Approved	2017 Base	2018 Increase	2018 Request
Advisory Committee on Immigrant & Refugees (Appendix A)	\$3500.00	\$3500.00	-	\$3500.00
Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Advisory Committee (Appendix B)	\$3890.00	\$3890.00	\$35.00	\$3942.00
Aboriginal Advisory Committee (Appendix C)	\$3500.00	\$3500.00	\$52.00	\$3552.00
Hamilton Mundialization Committee (Includes Kids for Kaga) (Appendix D)	\$5890.00	\$5890.00	-	\$5890.00
Hamilton Status of Women Committee(Appendix E)	\$3500.00	\$3500.00	-	\$3500.00
Committee Against Racism (includes Lincoln Alexander Day Celebrations) (Appendix F)	\$8890.00	\$8890.00	\$10.00	\$8900.00

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

*OUR Priorities: Community Engagement & Participation; Economic Prosperity and Growth; Healthy and Safe Communities; Clean and Green; Built Environment and Infrastructure; Culture and Diversity and Our People and Performance.*

In accordance with the volunteer committee budget process, the budgets are recommended for approval.

## **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

The Volunteer Advisory Committees are able to put surplus funds from each year into a reserve, for future purposes and request the use of those funds, for specific activities. This provides the Committees with an opportunity to plan ahead to undertake specific projects or initiatives, in future years, while minimizing increases in their budgets. Some of the committees have not yet determined all of their activities for 2018. Should additional funding for any of the Advisory Committees be required in 2018 and be available in the volunteer advisory committee reserves, requests for reserve funding will be made at the appropriate time.

## **RELEVANT CONSULTATION**

The Volunteer Advisory Committees discussed their 2018 budget needs at their September, October and November 2017 Committee meetings.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The recommendation will provide funding for the operations of the Volunteer Advisory Committees to enable them to continue to fulfil their terms of reference. Three (3) of the Volunteer Advisory Committees are requesting an increase in their base budget.

## **ALTERNATIVES FOR CONSIDERATION**

The alternative would be not to fund the operations of the Advisory Committees. This is not recommended as they provide valuable service and advice to both Council and staff of the City, and bring voices to our deliberations that might otherwise not be heard.

## **ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN**

### **Community Engagement & Participation**

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

### **Economic Prosperity and Growth**

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

**SUBJECT: Seniors Advisory Committee 2018 Budget Submission  
(HUR17027) (City Wide)**

**Page 2 of 3**

---

## **HISTORICAL BACKGROUND**

At their September 8, 2017 meeting, the Seniors Advisory Committee gave consideration to their budget needs for 2018. Their budget submission is attached as Appendix A to Report HUR17027. The budget includes incidental costs to support the Committee. The Seniors Advisory Committee is requesting the same budget they had in 2017 in the amount of \$1,500.00.

In accordance with the volunteer committee budget process, the budget is recommended for approval.

## **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

The Volunteer Advisory Committees are able to put surplus funds from each year into a reserve, for future purposes and request the use of those funds, for specific activities. This provides the Committees with the opportunity to plan ahead to undertake specific projects or initiatives, while minimizing increases in their budgets. The Seniors Advisory Committee has not yet determined all of their activities for 2018. Should additional funding be required in 2018 and be available in the Seniors Advisory Committee reserves, requests for reserve funding will be made at the appropriate time.

## **RELEVANT CONSULTATION**

The Seniors Advisory Committee discussed their 2018 budget needs at their September 8, 2017 committee meeting.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The recommendation will provide funding for the operations of the Seniors Advisory Committee to enable them to continue to fulfil their terms of reference. The Seniors Advisory Committee is not asking for an increase in their base budget.

## **ALTERNATIVES FOR CONSIDERATION**

The alternative would be not to fund the operations of the Seniors Advisory Committee. This is not recommended as it provides valuable service and advice to both Council and staff of the City, and brings voices to our deliberations that might otherwise not be heard.

#### RECOMMENDATION

That the Arts Advisory Commission 2018 base budget submission, attached as Appendix 'A' to Report PED17209, in the amount of \$9,000, be approved and referred to the 2018 budget process for consideration.

#### EXECUTIVE SUMMARY

The 2018 budget request will enable the Arts Advisory Commission (AAC) to fulfil its mandate and is consistent with the previous years' budget requests.

#### *Alternatives for Consideration – Not Applicable*

#### FINANCIAL – STAFFING – LEGAL IMPLICATIONS:

**Financial:** For 2018, the AAC has requested a base budget of \$9,000. The 2017 base budget was \$9,000.

**Legal:** N/A

**SUBJECT: 2018 Arts Advisory Commission Annual Budget Submission  
(PED17209) (City Wide) - Page 2 of 3**

---

## **HISTORICAL BACKGROUND**

The Arts Advisory Commission has the following mandate:

To recommend activities for the stabilization and strengthening of the arts community; to inform Council of issues and achievements in the Hamilton arts community; to liaise with and act as a point of contact for members of the arts community regarding issues affecting the arts community; to monitor and assist with the implementation of the Public Art Program; to monitor and assist with the implementation of the Arts Awards Program.

In 2015-16 the AAC Mandate and Terms of Reference were reviewed and revised requiring fewer members and meetings. A new AAC was appointed in 2016 with only one member of the previous AAC returning.

In 2017, the Arts Advisory Commission undertook outreach and consultation with the arts community to identify issues important to the community. Issues such as artists living and work space costs, sustaining and growing the arts community, and promoting the arts community were identified among others. The work included a symposium type event called the Big Picture 2017 that brought the community together along with interviews and online surveys.

## **RELEVANT CONSULTATION**

- Arts Advisory Commission: The AAC Annual Advisory Committee Budget Submission is attached as Appendix 'A' to Report PED17209.
- Financial Coordinator, Financial Planning, Administration and Policy Division, Corporate Services Department: Provided reserve balance for Arts Advisory Commission.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

In 2018, the Arts Advisory Commission (AAC) will continue to work with the arts community to refine and better understand some of the issues discussed at the Big Picture 2017 outreach event. They will also be undertaking a number of initiatives, identified in the Big Picture 2017 Arts Community Consultation Report, needed for the community to grow and to continue contributing to the quality of life and economy of Hamilton.

**RECOMMENDATION**

That the Advisory Committee for People with Disabilities (ACPD) 2018 base budget submission in the amount of \$6100.00 be approved and forwarded to the 2018 budget process (General Issues Committee (GIC)).

**EXECUTIVE SUMMARY**

In accordance with the process for submission of budgets for the Volunteer Advisory Committees, the Advisory Committee for People with Disabilities budget for 2018, in the amount of \$6100.00, is being submitted for approval.

## **HISTORICAL BACKGROUND**

At their November 15, 2017 meeting, the Advisory Committee for People with Disabilities gave consideration to their budget needs for 2018. Their budget submission is attached as Appendix A to Report HUR17028. The budget includes incidental costs to support the Committee as well as additional costs for specific events, programs and initiatives. The Advisory Committee for People with Disabilities is requesting a budget increase of \$4600.00 for a 2018 budget request of \$6100.00. In 2017, the Committee requested and was approved a budget in the amount of \$1500.00, which was allocated in whole for conference participation and related travel costs. The increase of \$4600.00 has been included to cover the cost of the following:

1. \$300 for Administrative Assistance (note taking) or staff available, for special meetings
2. \$4300 for food/refreshments for the following:
  - a. Advisory Committee for People with Disabilities: \$1500.00
  - b. Built Environment Working Group: \$750.00
  - c. Transportation Working Group: \$850.00
  - d. Housing Working Group: \$600.00
  - e. Outreach Working Group: \$600.00

## **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

The Advisory Committee for People with Disabilities is able to put surplus funds from each year into a reserve, for future purposes and request the use of those funds, for specific activities. This provides the Advisory Committee for People with Disabilities to undertake future specific projects or initiatives, while minimizing increases in their budgets. The Advisory Committee for People with Disabilities has not yet determined all of their activities for 2018. Should additional funding be required and available in 2017 the Advisory Committee for People with Disabilities reserves, requests for reserve funding will be made at the appropriate time.

## **RELEVANT CONSULTATION**

The Advisory Committee for People with Disabilities discussed their 2018 budget needs at their November 15, 2017 committee meeting.

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

*OUR Priorities: Community Engagement & Participation; Economic Prosperity and Growth; Healthy and Safe Communities; Clean and Green; Built Environment and Infrastructure; Culture and Diversity and Our People and Performance.*

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The recommendation will provide funding for the operations of the Advisory Committee for People with Disabilities to enable them to continue to fulfil their terms of reference. The Advisory Committee for People with Disabilities is asking for an increase in their base budget. The Committee identified that several of their meetings are scheduled between the hours of 4:00pm-6:00pm, which is a timeframe members would be having a substantial dinner meal. Accordingly, the Committee has cited the need to have nourishment during these meeting times. In addition, the Committee has identified that their members have dietary restrictions which require accommodation to be equitable to the Committee as a whole.

## **ALTERNATIVES FOR CONSIDERATION**

1. The Committee could adjust the time of their meeting to reduce the likelihood that a conflict will exist with meal times
2. Decrease the working group meetings from two hours to 90 minutes to reduce the likelihood of nutritional issues arising
3. Fund the Committee as per the 2017 approved budget of \$1500.00 consistent with the recommended 1.5% guideline (to \$1525.00)
4. Not to fund the operations of the Advisory Committees. This is not recommended as the Committee provides valuable service and advice to both Council and staff of the City, and brings voices to our deliberations that might otherwise not be heard.

**RECOMMENDATION**

- (a) That the Hamilton Cycling Committee (HCyC) 2018 base budget submission, in the amount of ten thousand dollars (\$10,000), as described in Appendix "A" to report PW18004, be approved and referred to the 2018 budget process for consideration;
- (b) That, in addition to the base funding, a one-time budget allocation for 2018 of two thousand five hundred dollars (\$2,500), funded by the Hamilton Cycling Committee (HCyC) reserve, be approved and referred to the 2018 budget process for consideration.

**EXECUTIVE SUMMARY**

The Hamilton Cycling Committee (HCyC) has developed a request for funding, for planned activities in 2018. With the endorsement of the HCyC members, this request for funding is submitted to Public Works Committee as Appendix "A". This report presents this proposed budget to Public Works Committee for consideration as part of the 2018 budget process.

The HCyC is proposing a 2018 budget of twelve thousand five hundred dollars (\$12,500). Their proposed budget would be financed with \$10,000 from the levy and \$2,500 from their Reserve. This budget would therefore have a zero impact on the 2018 budget as their approved budget in 2017 also had ten thousand dollars (\$10,000) funded from the levy.

*OUR Vision: To be the best place to raise a child and age successfully.*

*OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.*

*OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.*

**SUBJECT: 2018 Volunteer Committee Budget Submission – Hamilton Cycling Committee (PW18004) (City Wide) - Page 2 of 4**

---

**Alternatives for Consideration – See page 3**

**FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

**Financial:** For 2018, the HCyC has requested a budget of twelve thousand five hundred dollars (\$12,500). The proposed budget will finance community educational activities plus the production of safety and promotional materials.

A comparison of the budgeted projects for 2018 versus 2017 reveals that the HCyC continues to focus on safety and cycling promotions.

Item	2017 Budget	Proposed 2018 Budget	Difference
Share the Road ad campaign	0	\$1500	+ \$1500
Cycling Safety promotions	\$3000	\$3000	0
Local Cycling promotions	\$2000	\$500	- \$1500
Special Cycling Events	\$2000	\$4000	+ \$2000
International Bike Show booth	\$1500	\$1500	0
Cycling Conferences	\$500	\$1000	+ \$500
Meeting expenses	\$1000	\$1000	0
Total	\$10,000	\$12,500	+ \$2500
Funds from levy	\$10,000	\$10,000	0
Funds from reserve	0	\$2500	+ \$2500

**Staffing:** Public Works Traffic Engineering staff will continue to act as a staff liaison to the HCyC, thus no changes to staffing.

**Legal:** N/A

**HISTORICAL BACKGROUND**

The HCyC advises the City of Hamilton on all matters related to cycling - monitoring the implementation of the Hamilton Cycling Master Plan (2009), providing input to the 2017 Cycling Master Plan update, planning for bicycling facilities (e.g. bike parking), educating citizens on matters of traffic safety, and promoting cycling both for recreation and commuting. Cycling helps to maintain personal health, thus it helps to foster a healthier community. In 2017 approximately forty thousand (40,000) bike maps were distributed and approximately sixteen kilometres (16 km) of cycling infrastructure was installed in Hamilton. The HCyC provided valuable input into these cycling projects. The HCyC's activities also help to achieve the objectives of the Transportation Master Plan.

## **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

This report strongly aligns with the City's Vision Statement, the City's Mission Statement, and the City's Priorities in the Strategic Plan; as these statements make reference to engaged citizens, children, health, safety, and sustainability. The City's Transportation Master Plan and Cycling Master Plan both advance a well-connected cycling network, the promotion of active transportation, and safety education; all supported by an engaged HCyC.

## **RELEVANT CONSULTATION**

In preparation of this report, Public Works staff consulted the HCyC and Corporate Services Finance and Administration staff.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

Feedback received by members of the HCyC ensures cycling projects are well vetted by the community, thereby improving the quality of cycling facilities - both for recreation and commuting.

The committee promotes cycling safety through their very successful distribution of "Share the Road" car magnets and stickers; and the distribution of bicycle lights at special events, to stress the message of improved visibility. They also plan to continue coordination with City staff on a broader cycling safety campaign during Bike Month in June 2018.

Committee members in conjunction with community groups promote cycling in Hamilton during events like "Bike for Mike", "Bike-to-Work Day", "Supercrawl", and other city festivals. The HCyC also proposes to grow the profile of cycling in Hamilton by promoting the "Jane's Ride: Trail of Two Cities" around Hamilton Harbour; and host an annual lecture in Hamilton, attracting an audience from across southern Ontario.

The committee members serve as volunteer staff for the HCyC booth at the Toronto International Bike Show, promoting Hamilton as a cycling destination and receiving feedback from people that cycle on Hamilton facilities – including Hamilton residents attending the show. The committee works with Tourism Hamilton to promote the city's recreational assets by distributing the City map "Bike Routes, Trails & Parks", pamphlets printed by the Hamilton Conservation Authority, and other materials.

The Committee plans to host the 2018 meeting of western Lake Ontario cycling committees, and to send a representative to one or two cycling-related conferences in 2018 to share Hamilton successes and to learn from other communities.

## **ALTERNATIVES FOR CONSIDERATION**

The Public Works Committee could choose to modify the funding level of this Volunteer Committee of Council. If the HCyC's 2018 budget request is not approved, they would have to adjust their proposed 2018 work plan to accommodate the approved funding level. The members feel that their planned budget for 2018 reflects a commitment to
