Re: Heritage Permit Application HP2018-014
21 Mill Street North, Flamborough
Chimney removal, utility installation, and parking lot repair
By-law No. 96-34-H (Mill Street Heritage Conservation District)

Please be advised that pursuant to By-law No. 05-364, as amended by By-law No. 07-322, which delegates the power to consent to alterations to designated property under the Ontario Heritage Act to the Director of Planning and Chief Planner, Heritage Permit Application HP2018-014 is approved for the designated property at 21 Mill Street North, Flamborough, in accordance with the submitted Heritage Permit Application for the following alteration:

- Removal of chimney on north side of building. Hole in soffit and roof created by the removal of the chimney to be repaired to match existing fabric;
- Addition of a second air conditioning unit on the north side of the building;
- Removal of compromised paved surface of parking lot, replacement of material with gravel until future repaving is possible; and,
- Upgrading of electrical service and relocation of the service location from the south side of the building to the northeast corner.

Subject to the following conditions:

a) That any minor changes to the application as approved shall be submitted, to the satisfaction and approval of the Director of Planning and Chief Planner, prior to submission as part of any application for a Building Permit and / or the commencement of any alterations;
b) That the proposed alterations, in accordance with this approval, shall be completed no later than May 31, 2020. If the alteration(s) are not completed by May 31, 2020, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton;

c) That the applicant clarify the size and location of all new holes to be made into the stone masonry to facilitate the relocation of necessary services; and,

d) That the applicant clarify an approach to match patina of exposed stonework to wider masonry following the removal of the brick chimney.

Please note that this property is designated under Part IV of the *Ontario Heritage Act*, and that this permit is only for the above-noted alterations. Any departure from the approved plans and specifications is prohibited, and could result in penalties, as provided for by the *Ontario Heritage Act*. The terms and conditions of this approval may be appealed to the Conservation Review Board within 30 days of your receipt of this permit.

The issuance of this permit under the *Ontario Heritage Act* is not a waiver of any of the provisions of any By-law of the City of Hamilton, the requirements of the *Building Code Act*, the *Planning Act*, or any other applicable legislation.

We wish you success with your project, and if you have any further questions please feel free to contact Jeremy Parsons, Cultural Heritage Planner, at 905-546-2424 ext. 1214, or via email jeremy.parsons@hamilton.ca.

Re: Heritage Permit Application HP2019-027: Proposed additions at 983 Beach Boulevard (Ward 5) (By-law No. 00-135)

Please be advised that pursuant to By-law No. 05-364, as amended by By-law No. 07-322, which delegates the power to consent to alterations to designated property under the Ontario Heritage Act to the Director of Planning and Chief Planner, Heritage Permit Application HP2019-027 is approved for the designated property at 983 Beach Boulevard, in accordance with the submitted Heritage Permit Application for the following alterations:

• Renovation of existing original cottage:
  o Underpinning and structural reinforcement of existing cottage;
  o Construction of new open porch using existing vestibule;
  o Installation of new insulation;
  o Installation of new windows with slightly different proportions;
  o Re-clad existing cottage with wood siding and pebble dash cladding;
  o Re-build window sills, fascia, gutters, downspouts;
  o Installation of new metal fascia, gutters, downspouts; and,
  o Re-instate landscaping including hedges, trees, and planting beds
• Demolition of existing rear addition;
• Demolition of existing garage addition;
• Construction of new, two-storey addition at rear of existing original cottage; and,
• Construction of detached garage addition at side of existing original cottage
Subject to the following conditions:

a) That material specifications for the wood cladding intended for the original dwelling and front of the new garage and cladding for the proposed addition be consistent with the Hamilton Beach HCD guidelines and submitted for review, to the satisfaction and approval of the Director of Planning and Chief Planner, prior to submission as part of any application for a Building Permit and / or the commencement of any alterations;

b) Any minor changes to the plans and elevations following approval shall be submitted, to the satisfaction and approval of the Director of Planning and Chief Planner, prior to submission as part of any application for a Building Permit and / or the commencement of any alterations; and,

c) Implementation of the alterations, in accordance with this approval, shall be completed no later than September 30, 2021. If the alterations are not completed by September 30, 2021, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton.

Please note that this property is designated under Part V of the *Ontario Heritage Act*, and that this permit is only for the above-noted alterations. Any departure from the approved plans and specifications is prohibited, and could result in penalties, as provided for by the *Ontario Heritage Act*. The terms and conditions of this approval may be appealed to the Conservation Review Board within 30 days of your receipt of this permit.

The issuance of this permit under the *Ontario Heritage Act* is not a waiver of any of the provisions of any By-law of the City of Hamilton, the requirements of the *Building Code Act*, the *Planning Act*, or any other applicable legislation.

Present: Alissa Denham-Robinson (Acting Chair), Ann Gillespie, Janice Brown, Chuck Dimitry, Graham Carroll, Jim Charlton, Brian Kowalewicz

Regrets: Wilf Arndt

Also present: Miranda Brunton (CoH), David Addington (CoH)

Resignations Received: Ron Sinclair, Terri Wallis, Kathy Wakeman

RECOMMENDATIONS:

(C.Dimitry / A.Gillespie)
That the Inventory and Research Working Group be provided the opportunity to review and comment on the revised Cultural Heritage Assessment for the Desjardin Canal.

1. Previous Meeting Notes

None.

2. Declarations of Interest:

None.

3. Review of Working Group Mandate:

The Working Group generally reviewed the current mandate, functions and special projects of the working group.

4. Revised Cultural Heritage Assessment for the Ferguson Avenue Pumping Station
(231 Ferguson Avenue South, Hamilton, On)

The Working Group provided the following comments:

a) There is some concern that the revised report does not fully address the requested additions (equipment and interior machinery).

b) Consultant to provide a conservation plan for industrial artifacts;

c) Suggested that chain hoists and beam trolleys remain in-situ.
5. Cultural Heritage Assessment for the Desjardin Canal (Dundas, On)

The Working Group provided the following comments:

a) Due to the complexity of this designation, the consultant should provide detailed mapping (historical, contextual, etc.);

b) Additional mapping may include an overlay of modern mapping to better understand how the landscape has changed;

c) Clearly indicate the properties (locations/addresses) included in the discussion area;

d) Clearly show the boundary of the designation area to indicate the extent of property and setbacks;

e) Clearly define the uniqueness and significance of this designation (potentially the only pile driven construction of its kind in Canada) as well as its continual use and contextual value;

f) Offer local comparative examples to gain a better understanding;

g) Discuss the operation and function of the canal to get a better understanding of use (Cost, process, types of transportation accessing the canal (ex. Shallow barge), use of a tow path, use of the turning basin, etc.);

h) Recommendations for conservation and interpretation might include a marker or wayfinding system;

Recommendation: (C.Dimitry / A.Gillespie)
That the Inventory and Research Working Group be provided the opportunity to review and comment on the revised Cultural Heritage Assessment for the Desjardin Canal.

6. Administration:

(J.Charlton / G.Carroll)
