## NOTICE OF MOTION

Public Works Committee: September 16, 2019

**MOVED BY COUNCILLOR J. FARR.....**

### **Central Park Remediation Project (Ward 2)**

WHEREAS, in 2014, the City of Hamilton’s Waste Management Division retained SNC Lavalin Inc. (SNC) under a Roster Contract to undertake Central Park Phase I and Phase II Environmental Site Assessment (ESA) investigations. These reports were finalized in 2014 and 2018, respectively;

WHEREAS, in 2018, the Waterfront Development Office retained SNC, under the Procurement By-Law 17-064 Policy 11, to prepare the Central Park Remedial Action Plan (RAP), Risk Assessment (RA), Risk Management Measures (RMM), and Voluntary Abatement Program (VAP) necessary to start soil remediation of the park as part of the planned park redevelopment project in 2020; the total value of this assignment being \$249,000;

WHEREAS, SNC has completed their scope of work, they identified an opportunity to fine tune each RMM through additional design of underground infrastructure, testing, and implementation support that will reduce future risk, extraneous work and the overall cost of soil remediation;

WHEREAS, staff intends to undertake this additional work; however staff’s authority to assign any more of the work to SNC has reached the threshold set by the Procurement By-Law (Policy 11) of \$250,000;

WHEREAS, if SNC is retained for any additional work on this project, it must be through a RFP process or approved directly by Council as a single source; and,

WHEREAS, SNC is best suited to expedite this technical work in order that the City can maintain its 2020 construction schedule; at significant risk if undertaking a normal RFP process;

THEREFORE, BE IT RESOLVED:

- (a) That staff be authorized and directed to negotiate with SNC Lavalin Inc. a price (estimated at \$375,000) to carry-out supplemental site assessments, detailed design of underground infrastructure, and additional implementation support for the Central Park Remediation Project; and,
- (b) That, should an acceptable Engineering Fee with SNC Lavalin Inc. be agreed upon for the Central Park Remediation Project, staff be authorized and directed
