Modification of the Waste Collection Services Request for Proposal to Include Options for Bi-Weekly Collection of Landfill Waste (City Wide)

WHEREAS, in September 2019 City staff reported that the successful Request for Proposal for the Operations and Maintenance of the Material Recycling Facility would result in a net annual increase in cost of \$2.697 million for a total increase in cost to taxpayers of \$13.485 million over the five-year contract term;

WHEREAS, Hamilton taxpayers are facing significant municipal property tax increases in the following years and Council is dedicated to identifying savings and efficiencies in waste management;
