NO - Ward 10 Councillor Maria Pearson
NO - Ward 9 Councillor Brad Clark

(iv) List of Under-Performing HSR Routes

(Ferguson/Clark)
Staff be directed to report back during the 2020 budget process with a list of under-performing HSR routes.

Result: Motion CARRIED by a vote of 10 to 4, as follows:

NO - Ward 1 Councillor Maureen Wilson
YES - Ward 2 Councillor Jason Farr
NO - Ward 3 Councillor Nriinder Nann
YES - Ward 4 Councillor Sam Merulla
YES - Ward 5 Councillor Chad Collins
YES - Ward 6 Councillor Tom Jackson
NOT PRESENT - Ward 7 Councillor Esther Pauls
NO - Deputy Mayor - Ward 8 Councillor John-Paul Danko
NO - Mayor Fred Eisenberger
YES - Ward 15 Councillor Judi Partridge
NOT PRESENT - Ward 14 Councillor Terry Whitehead
YES - Ward 13 Councillor Arlene VanderBeek
YES - Ward 12 Councillor Lloyd Ferguson
YES - Ward 11 Councillor Brenda Johnson
YES - Ward 10 Councillor Maria Pearson
YES - Ward 9 Councillor Brad Clark

(e) DISCUSSION ITEMS (Item 7)

(i) Summary of Communications Team Functions (CM20003) (City Wide) (Item 7.1)

(Jackson/Collins)
That the Report CM20003, respecting the Summary of Communications Team Functions, be DEFERRED to the March 2, 2020 General Issues Committee budget process.

CARRIED

(f) ADJOURNMENT (Item 11)

(Ferguson/Pearson)
That, there being no further business, the General Issues Committee (Budget), be adjourned at 12:05 p.m.

CARRIED

Respectfully submitted,

Deputy Mayor J. P. Danko
Chair, General Issues Committee

Stephanie Paparella
Legislative Coordinator
Office of the City Clerk
February 11, 2020

Members of the General Issues Committee (GIC),

Re: Sidewalk Snow Removal Report PW19022(a)

While it is understood that Report PW19022(a), respecting Sidewalk Snow Removal, was written for Budget purposes, and given that “staff were asked to prepare a report that integrated an Equity, Diversity and Inclusion (EDI) framework”, the Advisory Committee for Persons with Disability (ACPD) feels that an important stakeholder (namely persons with disabilities) was forgotten in the consultation process.

Further, insufficient time was provided to request a Delegation to present at GIC when the Report was first presented.

ACPD respectfully requests that Council advise Staff to consult with ACPD regarding any further matters with respect to Sidewalk Snow Removal.

ACPD perennially discusses this matter, and feels they have much experiential knowledge and wisdom to offer.

Many thanks for considering this issue, and for your continued support.

Regards,

Members of the Advisory Committee for Persons with Disability (ACPD)

COUNCIL DIRECTION

At General Issues Committee Budget meeting January 29, 2020, Council requested a more detailed summary of roles and responsibilities within the Communications team.

INFORMATION

Communications is an enabling support to all the Divisions of the Corporation, communicating with the public and staff about City business, programs, services, and engagement opportunities through a variety of channels.

The Communications team supports all 70 of the City's services through a unique set of skills in four main categories; an organized, integrated approach to delivering services to the community and the corporation:

1. Media relations and information
2. Marketing and Social Media
3. Graphic Design and Production
4. Digital Communication Operations

Roles: The prime point of contact for all media relations, keeps the public informed through all media channels, develops & executes campaigns with operating departments, manages the City’s digital channels. Seeks out savings through media buys, use of digital tools

OUR Vision: To be the best place to raise a child and age successfully.
OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.
OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.
The City of Hamilton is a 24-hour, 7 day a week operation, as is the news cycle. The majority of staff including the Communications Officers, Social Media and Digital Communications Officers are available seven (7) days a week to provide timely public communications related to emergencies, closures, cancellations, roads and inclement weather events, urgent matters, etc. The strong media relationships that have been established through the team are very important to the City.

In the past, many of these resources were decentralized across the operating departments. Council approved Centralization of City Internal support Services (HUR17007/CM17012 /FCS170560), dated May 8, 2017, to gain consistency, efficiency, and standards across the corporation. Centralized media buying, for example, has resulted in a dramatic reduction in rates and better placements of ads in the appropriate media channel.

Many of these Communications deliverables would otherwise require contracting out to suppliers. Bringing the work in house for core projects is a cost-effective delivery method compared to outsourcing. For example, some of our operating groups used 3rd party suppliers to develop and maintain micro web sites for their Division. The Digital team developed a framework within Hamilton.ca to meet their needs and eliminate the costs for design, content management, and hosting.

Both digital and traditional media activity has continued to increase significantly in 2019, for example, there was a 42% increase in the number of campaigns and projects, continued growth across our digital platform followers, and Hamilton.ca enhancements that created $35,000 in savings.

While the team has grown modestly through centralization, the incremental FTE’s and their funding have mostly resulted from transfers of work, and in some cases people, from the operating groups. Much of this work was previously outsourced. By centralizing these resources, it has provided capacity through efficiencies that enabled additional work to be handled, and it has avoided additional staffing or outsourcing costs.

There are four (4) functional teams within the collective group, each reporting to the Director: Total current FTE = 24

<tr>
<td>2- Digital Media Administrator (1 incremental)</td>
</tr>
</tbody>
</table>

**Key Responsibilities:**
- Ensuring that the City’s suite of digital channels’ presence is strategic, professional, and effective in reaching key audiences
FTE approved by Council in 2019 budget

- Operational management of City's digital channels: Hamilton.ca, CityApp, Open Data Portal, Public Engagement Portal, Intranet/ internal communications, Google Analytics program
- Each channel has its own plan of action and implementation roadmap including: standards and policies, KPIs, business, user and legislative requirements, continuity planning, vendor management/procurement

The intentional move towards centralization and the use of digital media has resulted in a significant increase in the volume of work, and importantly, a higher level of integration of the effectiveness and approaches to communications, branding, and campaigns.
INFORMATION REPORT

TO: Chair and Members
   Planning Committee

COMMITTEE DATE: February 4, 2020

SUBJECT/REPORT NO: Parking Fee Review (PED19238(a)) (City Wide)
   (Outstanding Business List Item)

WARD(S) AFFECTED: City Wide

PREPARED BY: Allister McIlveen (905) 546-2424 Ext. 5958

SUBMITTED BY: Brian Hollingworth
   Director, Transportation Planning and Parking
   Planning and Economic Development Department

SIGNATURE:

COUNCIL DIRECTION

At the November 19, 2019, Planning Committee, staff were directed to report back to
Planning Committee on the following:

(a) That the options of a $0.25 and $0.50 increase for on-street metered parking be
   referred to local Business Improvement Areas for feedback;

(b) That staff report back to the Planning Committee with additional information
   related to increasing parking penalties to a level equal to comparator
   municipalities;

(c) That staff report back to the Planning Committee with the net budget revenues
   associated with the increasing parking permit fees by $5.00 and $10.00 per
   month;

(d) That staff report back to the Planning Committee following consultation with
   Hamilton schools and school boards regarding issues related to parking and
   stopping in front of schools; and,

(e) That staff report back to the Planning Committee with information related to
   increasing Special Event Rates in line with privately operated lots.
INFORMATION

On-Street Parking Meter Increase

As presented in Report PED19238, in 2018, parking meters in Hamilton generated approximately $2.4 M in gross revenue. It is estimated that a $0.25 cent increase in hourly meter rates would result in a net increase in revenue of $280 K per year, after accounting for a potential reduction in demand due to the price increase. A $0.50 cent increase could generate additional revenues of $560 K.

Staff met with the Business Improvement Areas’ (BIA) representatives at their regularly scheduled meeting of December 10, 2019 to discuss the direction from Planning Committee to refer the options of a $0.25 and $0.50 increase for on-street metered parking to the local BIA for feedback. The consensus from the BIA representatives was that they were not in support of an increase at this time in on-street parking meter rates but would consider an increase in conjunction with the implementation of the mobile app for Pay-by-Phone parking (scheduled for June-July 2020). At the writing of this Report, staff has received three written responses upon their request for formal feedback. The BIA written responses to date are outlined in Appendix “A” attached to this Report.

Increasing Parking Penalties to a Level Equal to Comparator Municipalities

Parking penalties are used to encourage compliance and increases in penalties can lead to greater compliance.

Staff previously indicated that in applying an average increase in parking fines of $1.00, the incremental revenue impacts were estimated at $161 K annually. As outlined in Table 1, Parking Violations, an increase in the most common parking penalties to a level equal to comparator municipalities, ranging from $1.00 to $5.00, generates a revised increase in the estimated annual revenue to $383,633.

At the Planning Committee meeting of November 19, 2019 questions were raised regarding the misuse of Accessibility Parking Permits (APP). The permits are issued by the Province and enforced by the Municipality. Clarity on eligibility requirements and rules for APP usage is outlined in Appendix “B” attached to this Report.

Hamilton’s current fine for illegally parking in an accessible space is $350. However, fraudulent use of an accessible parking permit, whether it is forged, altered, expired or somebody else’s, is a separate provincial offence, and if found to be the case, Enforcement Officers can take away the permit and charge the driver with a fine up to $5,000 and the person who the permit was issued to will no longer have access to his/her permit.

**Increasing Parking Permit fees by $5.00 and $10.00 per Month**

As indicated in Report PED19238, an increase in all monthly permit fees by $10 per month, is estimated to generate a net annual increase in revenue of $306 K based on monthly permits issued. An increase of $5.00 per month is estimated to generate a net annual increase of $153 K.

The estimated financial impact to City Departments whose employees qualify for permit parking and for City-owned vehicles for a $5.00 and $10.00 increase is $24,180 and $48,360 respectively. Table 2 – Monthly Permits, is a high-level summary of existing monthly permit holders.

**Parking and Stopping in Front of Schools**

The current City of Hamilton Parking Bylaw No. 01-218, being a bylaw to regulate on-street parking does not make any differences in the penalty amounts for stopping and parking violations that typically occur near schools, creating localized traffic congestion and safety concerns for parents and students.

Staff have requested to be put on the agendas for the Hamilton-Wentworth District School Board (HWDSB) Liaison Committee and the Hamilton-Wentworth Catholic District School Board (HWCDSB) Liaison Committee in early 2020 to discuss parking...
and stopping issues adjacent to schools, and possible solutions, including an increase in penalty amounts for stopping and parking violations.

**Special Event Rates**

Special event parking rates in City of Hamilton municipal lots are adjusted by staff based on the reservation of space, and not per regular operational hours and fees. With few exceptions, a special event fee of $10.00 is utilized.

For the most part, private parking facility owners utilize their established day, weekend or evening rates and do not adjust based upon most typical special events occurring in the downtown areas. A review, of a number, of comparable municipalities provided a range of special event fees from $5.50 to $10.00 per event. The City of Niagara Falls implements a $25.00 parking fee for their New Year’s Eve special event activities.

As this Report addresses the issue of increasing parking fees, on the Planning Committee Outstanding Business List, it is appropriate to be identified as complete and can be removed from the list.

**APPENDICES AND SCHEDULES ATTACHED**

Appendix “A” - Written Feedback from the BIAs

Appendix “B” - Eligibility Requirements and Rules for Accessibility Parking Permits Usage
Written Feedback from BIAs

International Village:

Our board met this morning and we are not in support of an increase to parking rates Unless the parking app is unveiled at the same time. It's hard enough getting people down to our BIAs to shop when they have to pay for parking, especially when the convenience of paying for that parking is non-existent.

Dundas Board of Management:

- We suggest peer municipalities in our area for comparison, other areas where our customers shop, within southern Ontario, remove out of province municipalities from the peer group comparison to give those reviewing a clearer overview;
- As small business owners we are in constant competition with big box and malls that have free parking;
- We request a preferred rate at BIA parking meters to encourage shoppers to stay longer in BIA areas;
- Removing cities from outside of Ontario lowers the parking average below $1.50;
- A $0.25 cent increase is higher than the rate of inflation over the past three years, may we have an explanation as to why the City wants to drive business out of the downtown cores into the suburbs;
- $0.25 cents is approximately a 15% increase, $0.50 cents is a 30% increase in parking, what is the justification in these increase amounts?;
- Neither increase is beneficial to us or to the people shopping in our communities;
- Keep the hours of enforcement in Dundas as they currently exist, Monday to Friday 9 a.m. to 6 p.m. free parking on Saturday and Sunday; and,
- The Dundas BIA is not in favour of raising parking fines.

Concession Street BIA:

- Parking rates were already adjusted on June 1, 2017 from $1.00 to $1.50/hour;
- As small business owners, we are in constant competition with big box, strip malls and large shopping centres that offer free parking;
- Neither the $0.25 cent or $0.50 cent increase is beneficial to the Concession BIA or to the people shopping in our area. To date, we have seen no changes or improvements with pay by app or pay by credit card implemented by the City in our BIA to justify this rate increase;
- We request a preferred rate for BIA parking meters so we can offer an advantage/perceived value to our shopping corridors. This will act not only to encourage shoppers to stay longer in BIA areas but will also attract potential new businesses to set up shop on our areas; and,
- The Concession BIA is not in favour of raising parking rates at this time without any changes to our current model or methods for customers to pay for meter parking.
Appendix “B” to Report PED19238(a)

Eligibility Requirements and Rules for Accessibility Parking Permits Usage

Eligibility

To qualify for Accessibility Parking Permits (APP), the individual must be certified by an APP program recognized health practitioner as having one or more of the following conditions:

- Cannot walk without assistance of another person or a brace, cane, crutch, a lower limb prosthetic device or similar assistive device or who requires the assistance of a wheelchair;
- Suffers from lung disease to such an extent that forced expiratory volume in one second is less than one litre;
- Portable oxygen is a medical necessity;
- Cardiovascular disease impairment classified as Class III or Class IV to standards accepted by the American Heart Association or Class III or IV according to the Canadian Cardiovascular Standard;
- Severely limited in the ability to walk due to an arthritic, neurological, musculoskeletal or orthopaedic condition;
- Visual acuity is 20/200 or poorer in the better eye with or without corrective lenses or whose greatest diameter of the field of vision in both eyes is 20 degrees or less;
- Condition(s) or functional impairment that severely limits his or her mobility; and,
- Licensed physician, chiropractor, nurse practitioner (extended class), physiotherapist or occupational therapist must certify the applicant's condition on the permit application.

A licensed physician, chiropractor, registered nurse practitioner (extended class), physiotherapist or occupational therapist, chiropodist or podiatrist must certify the applicant's condition on the permit application.

Permanent permit is valid for five years; temporary permits are issued when the disability is expected to last more than two months to a maximum of 12 months.

Permit Holder Rules

Permit must be displayed on the dashboard or sun visor of the car you are travelling in so the permit number and expiry date is clearly visible.

(P) means that the person who is the permit holder can be a passenger only.
(P/D) means that the person who is the permit holder can be a passenger or driver.

Only the person named on the permit can use it to park in an accessible parking space. The permit must be returned to a ServiceOntario centre when the person named on the permit is either deceased, the holder is no longer a person with an eligible health condition, the permit contains incorrect information, or the permit is cancelled. If another person uses the permit, it can result in fines of up to $5,000 and the permit may be seized.
