# **Inventory & Research Working Group Meeting Notes**

Monday, September 28, 2020 (6 p.m.)  
City of Hamilton - Virtual Meeting via Webex

Present: Janice Brown (Chair); Ann Gillespie, Secretary; Alissa Denham-Robinson; Graham Carroll; Lyn Lusted; Rammy Saini; Carol Priamo  
Regrets: Joachim Brower; Brian Kowalesicz; Jim Charlton; Chuck Dimitry  
Also Present: Miranda Brunton and David Addington (City of Hamilton, Cultural Heritage Planners); Alissa Golden (Heritage Project Specialist)

**RECOMMENDATION:** See Separate Sheet. RE: Register Beasley Heritage Project, dated September 28, 2020.

## **1. Chair's Remarks:**

Janice indicated that Joachim was unable to join the meeting due to the absence of an Internet connection at home and that she would keep the meeting to a 2-hour limit.

## **2. Declarations of Interest**

None.

## **3. Review and Approval of Meeting Notes and Recommendations, 24 August 2020** (moved by Graham and seconded by Rammy).

## **4. Register Beasley Heritage Project** (presentation by Carol Priamo, Project Director, with comments from Alissa Golden)

Carol explained that part of the Beasley Neighbourhood had been recently inventoried as part of the Downtown Built Heritage Inventory pilot project but that this only encompassed buildings south of Cannon Street. The area to the north includes the many historic commercial properties on James Street North. Concerned with impending changes to the Ontario Heritage Act (Bill 108), she felt a sense of urgency in recommending properties for listing on the Heritage Register in the area to the north of Cannon. In consultation with Alissa Golden, (Central), 72 commercial buildings on the east side (Beasley) and on the west side (Central) of James Street North have been evaluated, including a Built Heritage Inventory Form, a Preliminary Evaluation and an updated photo:

Carol was commended for her excellent work evaluating the James Street North properties in the defined area. The following recommendation was made (moved

by Graham and seconded by Alissa D-R):

*That the I & R WG endorse the first batch of recommendations from the Register Beasley Heritage Project, as presented; and,*

*That the I & R WG advise the HMHC to recommend to Council that the properties of cultural heritage value or interest on James Street North located in the James Street North cultural heritage landscape and the historic neighbourhoods of Beasley and Central, as identified in the attached list presented by the Register Beasley Heritage Project, be added to the Municipal Heritage Register.*

Alissa advised that the Heritage Resource Mapping has now been updated for the 72 properties with photos and dates of construction and that letters will be sent to the owners of the affected properties. Carol and her volunteers will continue with the documentation and evaluation of residential properties in the Beasley Neighbourhood, following the current practice adopted for inventorying properties in the City of Hamilton under the direction of Alissa Golden.

The above recommendation and supporting documentation will be included as an addendum to the notes to be presented to the HMHC for approval at its next meeting, October 29, 2020.

## **5. Places of Education Update**

Janice commented that she and other members involved with this inventory work have been hindered by the lack of access to the HWDSB Educational Archives, the Local History and Archives section of the Hamilton Public Library, and other local archival facilities. Progress has nevertheless been made in certain wards and will continue or be resumed as archival facilities are opened to the public.

## **6. Places of Worship Update**

It was agreed that special meetings should be held to assess the Built Heritage Inventory and Preliminary Evaluation forms completed by members working on this project. The I & R WG has already partially completed a review of the properties assigned to Jim in Ward 4, to be completed at the first scheduled special meeting. Next to be reviewed are the pre-1967 Places of Worship in Dundas assigned to Ann.

## **7. I & R Working Group Work Plan 2020 – Discussion**

- Places of Education: See item 5.
- Places of Worship Evaluation Plan: See item 6.

- Register Beasley Heritage Project (2020): See item 4.
- Waterdown Built Heritage Inventory: Alissa G. to provide an update at the next I & R WG meeting.
- Ancaster Heritage Project: Janice to provide an update at the next I & R WG meeting.

## 8. Other Business

- *Cataract Power Company, Victoria Avenue North* – heritage sign (Jim)  
Deferred to the next meeting attended by Jim.
- *62 Concession Road 6, East Flamborough* – house and barn  
For background see item 7 of I & R WG meeting notes from 24 August 2020. Miranda will assist Lyn in completing a Preliminary Evaluation for a recommendation to add this property to the Heritage Register, to be presented at the next I & R WG meeting.
- *Juravinski Hospital, 711 Concession Street* – Mount Hamilton Hospital  
Graham expressed concern about the future of the original Mount Hamilton Hospital, which now forms part of the Juravinski Hospital building complex. This was based on a recent newspaper article, which stated that the E, M, and F wings, as well as other older parts of the hospital will be replaced by a modern tower (*The Hamilton Spectator*, 6 September 2020). The Mount Hamilton Hospital, located at the corner of Upper Sherman and Concession Streets, opened in 1917 to help care for veterans of the First World War. Overlooking the mountain brow, it now stands to the rear of the Juravinski Hospital, which replaced the former Henderson General Hospital and opened in 2010.  
(<https://www.hamiltonhealthsciences.ca/share/hamiltons-hospital-history>)  
Although there is no imminent threat of demolition, it was agreed that research for listing the original building on the Heritage Register could be started. Graham volunteered to take on this project and contact the Hamilton Mountain Heritage Society for more information.

## 9. Adjournment and Next Meeting Date

The meeting was adjourned at 7:50.

Next meeting: Monday 26 October 2020 (by Webex, at 6 p.m.)

## MEETING NOTES

Monday, October 26, 2020 (6:00 pm)

City of Hamilton – Virtual Meeting via Webex

- Present: Janice Brown (Chair); Ann Gillespie, Secretary; Alissa Denham-Robinson; Graham Carroll; Lyn Lunsted; Rammy Saini; Jim Charlton; Chuck Dimitry
- Regrets: Joachim Brower; Brian Kowalesicz
- Also present: Miranda Brunton and David Addington (City of Hamilton, Cultural Heritage Planners); Alissa Golden (Heritage Project Specialist)

**1. Chair's Remarks** welcomed all to the meeting.

### **2. Declarations of Interest**

None

### **3. Review and Approval of Meeting Notes, 28 September 2020**

The meeting notes were accepted with the revisions proposed by Alissa D-R to the Recommendation of Beasley Batch 1 to include some background from the meeting notes, as this recommendation will be forwarded as a stand-alone agenda item to be approved by the HMHC at its next meeting on October 30. Janice will forward the revised recommendation to Loren Kolar, Legislative Co-ordinator, as soon as Ann had made the approved revisions. The approved meeting notes will follow the regular schedule and go on the agenda of the following HMHC meeting on November 30 as a Consent Item.

### **4. Update on the Ancaster Inventory of pre-Confederation Buildings**

Alissa G. spoke to the progress of the Ancaster Inventory of pre-Confederation buildings in the Village core, undertaken by 20 volunteers co-ordinated by the Ancaster Village Heritage Community president Bob Maton and Shannon Kyles (President, ACO Hamilton Region Branch). A document produced by the AVHC was received, which included photographs of some of the properties inventoried to date. The final recommendations for this project will be presented by the AVHC at a future meeting.

### **5. Places of Education Updates**

There were no updates from members working on this inventory project.

## **6. Places of Worship Ward 4 Evaluations – Alissa Golden and Jim Charlton**

As Jim was late joining the meeting, this item was moved to the end of the agenda. Due to technical difficulties with his web cam, Jim was only able to communicate by e-mail. Alissa therefore took over the presentation. The I & R Working Group reviewed five properties identified as significant built heritage resources or character-defining resources. The remaining buildings will be reviewed at the special meeting on November 9<sup>th</sup>.

## **7. Former Mount Hamilton Hospital (part of the Juravinski complex), 711 Concession Street**

For background see Meeting Notes, 26 January 2020, item 8 – Juravinski Hospital. Graham had completed an Inventory Form and Preliminary Evaluation and explained his rationale for classifying the former Mount Hamilton Hospital as a significant built resource, worthy of adding to both the municipal Heritage Register the Heritage and the Designation Work Plan. He showed a number of historical and current photographs, which will be coalesced into a single background document with maps and other written or visual documentation. He will also work on a Statement of Cultural Heritage Value so that a recommendation can be approved by the I & R Working Group at its next meeting.

## **8. Next Meeting Date**

Monday November 9, 2020 (special meeting devoted to inventory projects).

# Inventory & Research Working Group

## Special Meeting for Places of Worship and Volunteer-Led Inventories

### MEETING NOTES

Monday, November 9, 2020 (1:30 pm – 4:00 pm)

City of Hamilton Webex Virtual Meeting

Present: Janice Brown (Chair); Ann Gillespie, Secretary; Alissa Denham-Robinson; Graham Carroll; Lyn Lunsted; Rammy Saini; Jim Charlton; Chuck Dimitry

Regrets: Joachim Brower; Brian Kowalesicz

Also present: Miranda Brunton (City of Hamilton, Cultural Heritage Planners)  
Alissa Golden (Heritage Project Specialist)  
Carol Priamo (director of the volunteer-led Register Beasley Heritage Project)

#### 1. Chair's Remarks

Janice welcomed all present to this special meeting to deal with various inventory projects.

#### 2. Declarations of Interest

There were none.

#### 3. Register Beasley Heritage Project: Batch 2

Carol gave a brief PowerPoint presentation to introduce the listings, which were primarily residential properties located on John and Hughson Streets north of Cannon. She explained that this batch included only buildings classified as *character-defining* or *character-supporting* recommended for listing on the Register, but that further research on certain properties might lead to an upgrade of the status of some to *significant built resource* (e.g. former Fire Hall) that may be worthy of designation under the Ontario Heritage Act.

Staff advised that the Batch 2 recommendations will proceed to HMHC at a future date, and that an I & R WG recommendation to HMHC to approve the listings is not required at this time.

The Batch 2 recommendations were received by the I & R Working Group, which was supportive of the proposed listings: [www.hamilton.ca/city-planning/heritage-properties/built-heritage-inventory-strategy#beasley](http://www.hamilton.ca/city-planning/heritage-properties/built-heritage-inventory-strategy#beasley).

#### **4. Places of Worship Review: Remaining Ward 4 Listings (Alissa G. and Jim)**

NOTE: The goal is to complete preliminary evaluations for places of worship across the City of Hamilton before compiling and summarizing the documentation and evaluations to bring back to the I & R Working Group for final recommendations.

The review of Places of Worship in Ward 4 continued from where the I & R Working Group left off at its last meeting on October 26. Alissa carried the presentation, explaining the rationale for the proposed classification of each Place of Worship. This batch included more *character-supporting* Places of Worship, several of which were elevated to the status of *character-defining*. All were recommended for listing on the Heritage Register. In addition, there were a number of *inventoried* properties for which no action was deemed to be required. The I & R Working Group supported the proposed classifications and recommendations for the last batch of properties in Ward 4 (see accompanying document).

#### **5. Places of Worship Review: Dundas Listings (Ann and Alissa G.)**

Prior to this meeting, reports containing an inventory form, written and visual documentation and a preliminary evaluation for 6 of the 8 Places of Worship in Dundas were distributed to members along with a summary sheet containing the proposed classifications and recommendations for each property. This batch does not include three churches, which are designated under the OHA as part of the Cross-Melville Heritage Conservation District: St. Augustine's Catholic Church, Knox Presbyterian Church and St. Paul's United Church. There was only sufficient time remaining for Ann to present two properties: St. James Anglican Church at 137 Melville Street and the former Church of God of Prophecy Church at 69 King Street East. She will continue with the remaining properties at the next special meeting to be scheduled in December.

#### **6. Adjournment and Next Regular Meeting**

The meeting was adjourned at 4 pm.

### Preliminary Historical/Associative Value:

The property is affiliated with the Anglican Church. The property is associated with Webb's quarry, and early quarry on the edge of the Hamilton escarpment. The original stone portion of the church is believed to be the only building still standing that was constructed with stone from Webb's quarry, with the former County Court House and Hamilton Jail having been demolished. The property yields, or has the potential to yield, information that contributes to an understanding of a community or culture. The property demonstrates or reflects the work of a potentially significant architect (Mr. Carter) and builder (Mr. Mulligan).

### Preliminary Contextual Value:

The property is important in defining the character of the area. The property is visually and historically linked to its surroundings. The property may be considered a landmark in the community.

**RECOMMENDATION**

- (a) That the revised Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes of 85 King Street East and 4 - 12 John Street North, Hamilton, attached as Appendix “A” to Report PED17167(a), be approved; and,
- (b) That the City Clerk be directed to take appropriate action to designate 85 King Street East and 4 - 12 John Street North, Hamilton under Part IV of the *Ontario Heritage Act*, in accordance with the revised Notice of Intention to Designate, attached as Appendix “B” to Report PED17167(a).

**EXECUTIVE SUMMARY**

The recommendation of Report PED17167 to designate the property at 85 King Street East and 4-12 John Street North, Hamilton (the Pagoda Building and Treble Hall) under Part IV of the *Ontario Heritage Act* was approved by City Council on October 25, 2017. As part of this approval, City Council also approved the content of the Statement of

**SUBJECT: Revisions to the Council Approved Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes and Notice of Intention to Designate for the Designation of 85 King Street East and 4 - 12 John Street North, Hamilton under Part IV of the Ontario Heritage Act (PED17167(a)) (Ward 2) - Page 2 of 6**

Cultural Heritage Value or Interest (SCHVI), Description of Heritage Attributes and the Notice of Intention to Designate (NOID) attached as Appendix “B” and “C” respectively to Report PED17167.

While the City continued to work with the Owner on the designation of the subject lands, the owner proceeded with interior renovations. The owner has no concerns with the NOID being issued. The property owner has confirmed that the following various interior heritage attributes that were included in the SCHVI and Description of Heritage Attributes, that was approved by Council on October 25, 2017, have since been removed from the property resulting from renovations to the building’s interior. These include the following interior attributes:

- The pressed metal ceiling coverings and plaster ceiling medallions;
- Moulded baseboard and architraves; and,
- Straight stairs on the interior leading directly to the second level.

As a result, staff have revised the SCHVI and Description of Heritage Attributes as well as the NOID to remove the select internal building attributes that are no longer extant to accurately reflect the existing heritage attributes of the subject property prior to the issuance of the NOID. No further changes to the recommendations or content of Report PED17167 are being proposed. Please refer to Report PED17167 for background information related to the recommendation to designate the subject property.

Legal: The designation process will follow the requirements of the *Ontario Heritage Act*, and provide for adequate notice of Council’s intention to designate the property. Formal objections may be made under the *Ontario Heritage Act*, and heard before the Conservation Review Board, prior to further consideration by Council of the designation By-law.

Designation under Part IV of the *Ontario Heritage Act* allows municipalities to recognize a property’s cultural heritage value or interest, and to conserve and manage the property through the Heritage Permit process

enabled under Sections 33 (alterations) and 34 (demolition or removal) of the Act.

Where alterations to designated properties are contemplated, a property owner is required to apply for, obtain, and comply with a Heritage Permit, for any alteration that “is likely to affect the property’s heritage attributes, as set out in the description of the property’s heritage attributes” (Sub-section 33(1)). Designation does not restrict the use of a property, prohibit alterations or additions, or restrict the sale of a property. The City of Hamilton also provides heritage grants and loan programs to assist in the continuing conservation of properties, once they are designated.

## **BACKGROUND**

Report PED17167 containing the recommendations to designate 85 King Street East and 4 - 12 John Street North, Hamilton (Pagoda Building and Treble Hall) was approved by the Hamilton Municipal Heritage Committee (HMHC) on September 28, 2017 (HMHC Report 17-007). Subsequently, Planning Committee approved the recommendations of Report PED17167 on October 17, 2017 (PC Report 17-017) and Council approved the recommendations on October 25, 2017 (Council Report 17-019).

The NOID that was included as Appendix “C” to Report PED17167 was not issued subsequent to City Council’s approval of the designation as the property owner had open Building Permits and work already underway to the interior of the property to convert the upper storey units from commercial to residential units. The issuance of the NOID renders all open Building Permits void. The property owner has completed the work to facilitate the residential reuse of the upper storey units.

Among the heritage attributes that had been identified in the 2017 SCHVI and Description of Heritage Attributes approved by City Council as part of the recommendations contained in Report PED17167, the following interior building features were identified:

- The pressed metal ceiling coverings and plaster ceiling medallions;
- Moulded baseboard and architraves; and,
- Straight stairs on the interior leading directly to the second level.

Since the initial City Council approval of the recommendations of Report PED17167 in October 25, 2017, the renovations completed to the interior of the subject property resulted in the removal of the interior heritage attributes that are noted above, as has

**SUBJECT: Revisions to the Council Approved Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes and Notice of Intention to Designate for the Designation of 85 King Street East and 4 - 12 John Street North, Hamilton under Part IV of the Ontario Heritage Act (PED17167(a)) (Ward 2) - Page 4 of 6**

---

been confirmed by the property owner. As a result, the SCHVI and Description of Heritage Attributes as well as the NOID have been revised (attached as Appendix "A" and Appendix "B" respectively to Report PED17167(a)) to accurately reflect the heritage attributes that remain on the subject property prior to the issuance of the NOID.

Background information related to the recommendation to designate the subject property is contained in Report PED17167.

### **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

The majority of heritage attributes that had been included in the initial SCHVI and Description of Heritage Attributes are on the exterior of the building and remain extant (please see the full list of heritage attributes in the SCHVI and Description of Heritage Attributes attached as Appendix "A" to Report PED17167(a)).

The only change in the revised SCHVI and Description of Heritage Attributes from the initial City Council approval on October 25, 2017 is the removal of the following interior attributes:

- The pressed metal ceiling coverings and plaster ceiling medallions;
- Moulded baseboard and architraves; and,
- Straight stairs on the interior leading directly to the second level.

The pressed metal ceiling coverings and medallions had previously been located in the south room of the most northerly ground floor commercial unit. The moulded baseboards and architraves had been extant in various sections of the second to fourth storeys while the central staircase was situated in the mid section of the John Street North frontage of Treble Hall. It has now been replaced by an elevator.

The above noted interior attributes entailed ornamental decorative architecture details that contributed to the subject property's overall design and physical value due to the craftsmanship involved in their construction. While the loss of these architectural features reduces the design value of the subject property, it does not negate the subject property's overall design and physical value to a significant extent where its cultural heritage value is lost. The subject property continues to retain much of its physical and design integrity both in terms of its structural composition and the combination of numerous decorative and structural architectural elements most visibly evident on the building's exterior façade. For the full list of the subject property's retained architectural attributes, please see the SCVHI and Description of Heritage Attributes attached as Appendix "A" to Report PED17167(a).

**SUBJECT: Revisions to the Council Approved Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes and Notice of Intention to Designate for the Designation of 85 King Street East and 4 - 12 John Street North, Hamilton under Part IV of the Ontario Heritage Act (PED17167(a)) (Ward 2) - Page 5 of 6**

---

Given that the subject property retains its architectural, historical and contextual integrity, its overall heritage value has been preserved and staff recommend the approval of the revised SCHVI and Description of Heritage Attributes and NOID to proceed with the subject property's designation and to protect its numerous remaining heritage attributes.

Please note that the revised NOID (attached as Appendix "B" to Report PED17167(a)) has also been revised to include updated staff contact information.

As part of the process to designate a property under Part IV of the *Ontario Heritage Act*, the NOID is issued to the property owner, the Ontario Heritage Trust and is also published in the newspaper that has general circulation in the municipality. The SCHVI and Description of Attributes identifies the subject property and outlines its cultural heritage value and is specifically referenced in the content of the NOID. Given that City Council approves the content of the SCHVI and Description of Heritage Attributes and NOID, revisions to the content of either document necessitates City Council's approval of the revisions as it differs from the initial City Council approval from October 25, 2017.

#### **ALTERNATIVES FOR CONSIDERATION**

Council, as advised by its Municipal Heritage Committee, may consider the following two alternatives:

#### **Decline to Approve the Revised SCHVI and Description of Heritage Attributes and NOID:**

By declining to approve the revised SCHVI and Description of Heritage Attributes and NOID as contained in Appendix "A" and Appendix "B" to Report PED17167(a) respectively, the previous City Council approved NOID that references the SCHVI and Description of Heritage Attributes, including the removed heritage attributes, would be issued. This would inaccurately reflect the existing heritage attributes of the subject property and may lead to an objection to the subject property's designation.

#### **Approve the Revised SCHVI and Description of Heritage Attributes and NOID:**

Approval of the revised SCHVI and Description of Heritage Attributes and NOID would enable the issuance of a NOID that accurately reflects the existing heritage attributes of the subject property. This alternative is recommended.

## **STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF HERITAGE ATTRIBUTES**

### **Statement of Cultural Heritage Value or Interest**

The connected commercial buildings at 85 King Street and 4-12 John Street in the City of Hamilton, are known locally as the Pagoda and Treble Hall, respectively. The Pagoda occupies the northeast corner of King Street East and John Street North, while Treble Hall fronts onto John Street North.

The combined property including the Pagoda and Treble Hall is of cultural heritage value for its design or physical value, its historic or associative value, and its contextual value. Built before 1850 the three-storey, two-part commercial block Pagoda is constructed of brick in Flemish bond and accented with a stone string course, Jack arch stone lintels on the King Street East façade, and fire wall parapets on two sides. Despite alterations in the late 20<sup>th</sup> century, its modest Georgian massing and composition —achieved through symmetrical fenestration and hipped roof— survives largely intact. For the last 50 years it has been a local landmark, not only for its historic appearance and location on the corner of two main streets, but also for its association with the Pagoda Chop Suey House, a long-running Chinese restaurant in the City and one advertised through a prominent neon sign.

Treble Hall, which shares an end wall with the Pagoda and also connected through internal doorways, was designed as a three-storey, two-part commercial block in ornate *palazzo* Italianate style by renowned Hamilton architect James Balfour for developer and barrister Henry Larkin. The ground floor store fronts follow the typical Victorian pattern of large windows interspersed by recessed entries and framed by panelled stall risers and fanlights. Corinthian Order pilasters and narrow support columns are made in cast iron, and a prominent cornice above is formed in galvanized iron. The windows on the exposed running-bond brick walls above are surrounded by panelled Tuscan Order columns, scrolled brackets and Baroque pediments, and the storeys visually separated by a string course moulded in galvanized iron. At the cornice of the gable roof with prominent brick parapets and carved stone skew corbels is a substantial frieze with prominent dentils, and closely spaced scrolled modillions, all formed in galvanized iron. At the centre of the roof is a wide brick chimney decorated with cogging and covered by a galvanized iron cartouche with 'TREBLE HALL' and the date of construction in relief, and this is flanked by large pedimented dormers. American bond and Jack arch door and window voussoirs have been used for the masonry on the rear façade and end wall of the building, which faces a courtyard and alley. The expert execution and structural strength of the building is evidenced on the interior through its massive stone and brick partition walls, and king post roof trusses with scissor braces that support the roof and frame the ceiling of the grand hall at the top storey.

Despite their age, both structures have a high level of heritage integrity and are historically connected to the public common space of Gore Park, the original commercial core of Hamilton, and the mid-to-late 19<sup>th</sup> century expansion of the City as Ontario's key industrial centre. Their contrasting style represents in a single property not only the City's urban growth over the 19<sup>th</sup> century, but also the changing architectural fashion for urban and commercial architecture over the same period. As its popular name suggests, the Pagoda is also associated with the Chinese business community in Hamilton, and for much of the 20<sup>th</sup> century the building was a local landmark for its restaurant with prominent neon sign. Through their history and continued use, the Pagoda and Treble Hall reflect the evolution of Hamilton's urban landscape over the past 170 years, and support and maintain the surrounding historic commercial architecture and public spaces of the downtown.

### **Description of Heritage Attributes**

The heritage attributes that support the design or physical, historical or associative, and contextual value of the Pagoda are its:

- Three-storey, two-part commercial block massing combining Flemish bond brick masonry and cut stone on two principal façades;
- Hip roof with substantial trusses and fire walls with parapet;
- Flat arch windows with Jack arch voussoirs on the John Street façade and stone arch lintels on the King Street façade;
- Connection to Treble Hall through interior doorways; and,
- Large and early neon sign advertising the Pagoda Chop Suey House

The heritage attributes that support the design or physical, historical or associative, and contextual value of Treble Hall are its:

- Three and a half storey, two part commercial block massing combining cast iron, galvanized iron, and brick masonry in running bond;
- Victorian store fronts with prominent cornice with roll brackets and dentils, cast iron Corinthian Order pilasters and narrow pillars, dressed stone and ceramic steps, and variety of panelled stall risers, large windows with mullions, recessed entrances with panelled doors, and fanlights;
- A central recessed entrance with large transoms and sidelights framed with Corinthian Order pilasters;
- Galvanized iron Tuscan Order and Baroque window architraves and string course and decorative tie-rod ends on the second and third level of the John Street North façade;
- Substantial galvanized iron cornice at the eaves, with closely spaced scrolled modillions and dentils, framed with carved stone skew corbels on the fire walls;
- Large central chimney on the street side façade with cogging and galvanized iron cartouche, and flanked by large pedimented dormers; and,
- Substantial construction involving course rubble foundations, coursed rubble interior partitions, brick interior partitions extended to the second level, end fire walls with tall chimneys and parapets, and thick timber roof trusses with king and queen posts and scissor braces.

CITY OF HAMILTON

## Notice of Intention to Designate

### 85 King Street East and 4-12 John Street North, Hamilton (The Pagoda and Treble Hall)

The City of Hamilton intends to designate 85 King Street East and 4 - 12 John Street North, under Section 29 of the *Ontario Heritage Act*, as being a property of cultural heritage value.

#### Statement of Cultural Heritage Value or Interest

Built before 1850, the Pagoda is reflective of early commercial development in downtown Hamilton's core. The simplicity of Georgian style is reflected in its design.

Built between 1878 and 1879, Treble Hall was designed by significant Hamilton architect James Balfour in a Palladian Italianate style for Hamilton barrister Henry Larkin.

Both buildings are historically connected to Gore Park, the original commercial core and Hamilton and the mid-to late 19<sup>th</sup> century expansion of the City as Ontario's key industrial centre.

The Statement of Cultural Heritage Value or Interest, Description of Heritage Attributes and supporting Cultural Heritage Assessment may be found online via [www.hamilton.ca](http://www.hamilton.ca) or viewed at the Office of the City Clerk, 71 Main Street West, 1st Floor, City Hall, Hamilton, Ontario, L8P 4Y5, during regular business hours.

Any person may, within 30 days after the date of the publication of the Notice, serve written notice of their objections to the proposed designation, together with a statement for the objection and relevant facts, on the City Clerk at the Office of the City Clerk.

Dated at Hamilton, this            day of            , 2020.

A. Holland  
City Clerk  
Hamilton, Ontario
