PRESTO ON DARTS DEMO:

Mobile Fare Payment Application (MFPA) for DARTS

Produced by:

Eva Balog, PM, Transit, City of Hamilton

Hamilton

What is presto?

- PRESTO is a way for HSR and DARTS customers to pay their transit fare.

All DARTS vehicles are now equipped with the ability to accept PRESTO fare. Subcontractor vehicles are in the process of getting upfitted as well.

What is the PRESTO MFPA?

The PRESTO MFPA is what you use to tap a PRESTO card and take a fare. It is:

1. A new tablet in the DARTS vehicle with the PRESTO app installed.
2. And an NFC* Card Reader attached by USB for tapping PRESTO cards.

What is the PRESTO MFPA?

Tablet with PRESTO App

NFC card reader

NOTE: The tablet, the mount and the position of the card reader for DARTS may be different than what is shown in this picture.

How do darts drivers accept a PRESTO fare?

1. Take the PRESTO card from the customer.
2. Tap and hold the PRESTO card onto the new PRESTO MFPA (tablet & card reader) until the Accepted result is displayed.
3. Return the PRESTO card to the customer.

*I am going to demonstrate in the following video, which has the audio messaging activated for the purpose of this demo, how a fare is taken using a PRESTO card.
