- 1. Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications (PED21234) (City Wide) (Item 7.1)**

(Pearson/Farr)

That Report PED21234 respecting Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications, be received.

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
YES - Ward 8 Councillor John-Paul Danko
YES - Ward 2 Councillor Jason Farr
YES - Ward 15 Councillor Judi Partridge
YES - Ward 12 Councillor Lloyd Ferguson
YES - Ward 11 Councillor Brenda Johnson
YES - Ward 10 Councillor Maria Pearson

- 2. To Incorporate City Lands into Clappison Avenue by By-law (PED21231) (Ward 15) (Item 7.2)**

(Partridge/Ferguson)

- (a)** That the following City lands designated as Part 1 on Plan 62R-21786 and Block 6 on Plan 62M-1081 be established as a public highway to form Clappison Avenue;

- (b) That the By-law to incorporate the City lands to form part of Clappison Avenue be prepared to the satisfaction of the City Solicitor and be enacted by Council;
- (c) That the General Manager of Public Works be authorized and directed to register the By-law.

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

3. Agriculture and Rural Affairs Advisory Committee – Report 21-004 (Added Item 7.3)

(Johnson/Partridge)

That the Agriculture and Rural Affairs Advisory Committee – Report 21-004, be received.

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

4. Increase to Building Permit Fees (PED21222) (City Wide) (Item 9.1)

(Johnson/Pearson)

- (a) That the By-law, attached as Appendix “A” to Report PED21222, to amend City of Hamilton By-law No. 15-058, the Building By-law, which has been prepared in a form satisfactory to the City Solicitor, be enacted;
- (b) That the fees prescribed in the By-law, attached as Appendix “A” to Report PED21222, be included in the User Fees and Charges By-law, replacing the fees listed under the heading “Classes of Permits and Fees under the Hamilton Building By-law”; and,

(c) *That there were no public submissions received regarding this matter.*

Result: Main Motion, As Amended, CARRIED by a vote of 6 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 NOT PRESENT - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

5. Water and Wastewater Infrastructure Support Community Improvement Plan Amendment (PED21214/FCS21097) (City Wide) (Item 9.2)

(Pearson/Ferguson)

(a) That an amendment to the Water and Wastewater Infrastructure Support Community Improvement Plan (2020) to add the revised Water Leak Adjustment Program described in Report PED21214/FCS21097 be APPROVED on the following basis:

- (i) That the draft By-law attached as Appendix "A" to Report PED21214/FCS21097 which has been prepared in a form satisfactory to the City Solicitor be enacted by City Council;
- (ii) That the amended Water and Wastewater Infrastructure Support Community Improvement Plan is consistent with the Provincial Policy Statement (2020), conforms to A Place to Grow Plan (2019, as amended), conforms to the Greenbelt Plan (2017), and complies with the Urban and Rural Hamilton Official Plans.

(b) *That there were no public submissions received regarding this matter.*

Result: Main Motion, As Amended, CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

6. Application for Zoning By-law Amendment for Lands Located at 20 Reid Avenue North, 11-17 Reid Avenue South, 22-116 Lang Street and 2-24 Hayes Avenue, Hamilton (PED21216) (Ward 4) (Item 9.3)

(Farr/Danko)

(a) That Amended Zoning By-law Amendment Application ZAR-21-034, by Roxborough Park Inc., Owner, to further modify the Downtown Multiple Residential (D6, 696) Zone, for a change in zoning from the Downtown Multiple Residential (D6, 696) Zone to the Downtown Multiple Residential (D6, 696, H74) Zone, and to add the Conservation / Hazard Land (P5) Zone to portions of the lands located at 20 Reid Avenue North, 11-17 Reid Avenue South, 22-116 Lang Street and 2-24 Hayes Avenue, Hamilton, as shown on Appendix "A" attached to Report PED21216, be APPROVED on the following basis:

- (i) That the draft By-law, attached as Appendix "B" to Report PED21216, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (ii) That Schedule "D" – Holding Provisions be amended by adding the following Holding Provision:

"74. Notwithstanding Section 6.6 and Special Exception No. 696 of this By-law, within the lands zoned Downtown Multiple Residential (D6, 696) Zone identified on Map Nos. 1092 and 1141 of Schedule "A" – Zoning Maps and described as 20 Reid Avenue North, 11-17 Reid Avenue South, 22-116 Lang Street and 2-24 Hayes Avenue, development shall be restricted in accordance with the following:

- (1) For such time as the Holding Provision is in place no development exceeding the maximum height of 12.0 metres shall be permitted;
- (2) Conditions for Holding Provision Removal:
 - (a) The Holding Provision shall, upon application by the landowner, be removed by way of an amending Zoning By-law, from the lands when the following conditions have been satisfied:
 - (i) The Owner/Applicant submits and implements the following studies demonstrating that a 41.5 metre multiple dwelling complies and implements the Urban Design, Energy and Environmental Design and Health and

Public Safety Policies of the Urban Hamilton Official Plan, amongst others, to the satisfaction of the Director of Planning and Chief Planner:

- (a) Urban Design Brief;
 - (b) Visual Impact Assessment;
 - (c) Shadow Impact Study; and,
 - (d) Noise Study;
- (ii) That the Owner demonstrate that the proposed development does not exceed the maximum density of 165 units per hectare in accordance with Site Specific Policy Area UHN-25 in Volume 3 of the Urban Hamilton Official Plan and does not exceed 840 units for the lands zoned Downtown Multiple Residential (D6, 696) Zone, to the satisfaction of the Director of Planning and Chief Planner;”
- (iii) That the proposed change in zoning is consistent with the Provincial Policy Statement (2020), conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019, as amended, and complies with the Urban Hamilton Official Plan.

(b) That the public submissions were received and considered by Committee in approving the application.

Result: Main Motion, As Amended, CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

- 7. Applications for Amendments to the Urban Hamilton Official Plan, City of Hamilton Zoning By-law No. 6593, and Hamilton Zoning By-law No. 05-200, and Draft Plan of Subdivision for Lands Located at 311 and 313 Stone Church Road East, Hamilton (PED21221)(Ward 7) (Item 9.4)**

(Johnson/Partridge)

- (a) That Urban Hamilton Official Plan Amendment Application UHOPA-21-005, by UrbanSolutions Planning & Land Development Consultants Inc. (c/o Matt Johnston, Applicant) on behalf of DiCenzo Construction Company Ltd. (c/o Anthony DiCenzo, Owner) to redesignate a portion of the subject lands from “Open Space” to “Neighbourhoods” and to establish an Urban Site Specific Policy to reduce daylighting triangle requirements, to permit a minimum net residential density of 55 units per hectare, and to permit the dedication of a woodlot to the City of Hamilton as parkland dedication, on lands located at 311 and 313 Stone Church Road East, as shown on Appendix “A” attached to Report PED21221, be APPROVED on the following basis:
- (i) That the draft Official Plan Amendment attached as Appendix “B” to Report PED21221, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (ii) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended);
- (b) That Zoning By-law Amendment Application ZAC-21-009, by UrbanSolutions Planning & Land Development Consultants Inc. (c/o Matt Johnston, Applicant) on behalf of DiCenzo Construction Company Ltd. (c/o Anthony DiCenzo, Owner) for a change in zoning from the “AA” (Agricultural) District to the “C/S-1811” (Urban Protected Residential, Etc.) District, Modified (Block 1); from the “AA” (Agricultural) District to the “RT-20/S-1811” (Townhouse - Maisonette) District, Modified (Block 2); from the “AA” (Agricultural) District and the “C” (Urban Protected Residential, Etc.) District to the “RT-30/S-1811” (Street - Townhouse) District, Modified (Blocks 3 and 4); and, from the “AA” (Agricultural) District and the “C” (Urban Protected Residential, Etc.) District to the “C/S-1811” (Urban Protected Residential, Etc.) District, Modified (Blocks 5 and 6), to permit a maximum of 221 residential dwelling units consisting of a maximum of 112 block townhouse units, 80 maisonette units, 12 single detached dwellings on a private road (condominium road), five single detached dwellings on a public road, and 12 street townhouse units, on lands located at 311 and 313 Stone Church Road East, as shown on Appendix “A” attached to Report PED21221, be APPROVED on the following basis:
- (i) That the draft By-law attached as Appendix “C” to Report PED21221, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (ii) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended);

- (iii) That this By-law will comply with the Urban Hamilton Official Plan upon approval of Urban Hamilton Official Plan Amendment No. XX;
- (c) That Zoning By-law Amendment Application ZAC-21-009, by UrbanSolutions Planning & Land Development Consultants Inc. (c/o Matt Johnston, Applicant) on behalf of DiCenzo Construction Company Ltd. (c/o Anthony DiCenzo, Owner) for a change in zoning from the “AA” (Agricultural) District to the Conservation / Hazard Land (P5) Zone, in order to protect a significant woodland on lands located at 313 Stone Church Road East, as shown on Appendix “A” attached to Report PED21221, be APPROVED on the following basis:
- (i) That the draft By-law attached as Appendix “D” to Report PED21221, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (ii) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended);
 - (iii) That this By-law will comply with the Urban Hamilton Official Plan upon approval of Urban Hamilton Official Plan Amendment No. XX;
- (d) That Draft Plan of Subdivision Application 25T-202104 by UrbanSolutions Planning & Land Development Consultants Inc. (c/o Matt Johnston, Applicant) on behalf of DiCenzo Construction Company Ltd. (c/o Anthony DiCenzo, Owner) on lands located at 311 and 313 Stone Church Road East, as shown on Appendix “A” attached to Report PED21221, be APPROVED, subject to the following:
- (i) That this approval apply to the Draft Plan of Subdivision “Lavita Estates” 25T-202104, prepared by UrbanSolutions Planning & Land Development Consultants Inc., and certified by Robert McLaren, O.L.S., dated November 24, 2021, consisting of one Natural Heritage/Park block (Block 1); one block for a maximum of 12 single detached dwellings on a private condominium road (Block 2); one block for a maximum of 112 block townhouse units and 80 maisonette units (Block 3); one block for a maximum of 12 street townhouse units (Block 4); one road widening block (Block 5); one future residential block (Block 6); four 0.3 m reserve blocks (Blocks 7-10); five lots for single detached dwellings (Lots 11-15); and, three public roads (Street ‘A’ and the extensions of Crerar Drive and Cyprus Drive), attached as Appendix “G” to Report PED21221, subject to the Owner entering into a standard form subdivision agreement as approved by City Council and with Special Conditions attached as Appendix “H”, **as amended**, to Report PED21221;

1. (e) ***That the grading and storm water management plans be designed to prioritize the protection and retention of the existing boundary trees located along the edge of Block 3.***

all to the satisfaction of the Director, Growth Management Division ***and the Manager of Forestry and Horticulture.***

2. That, prior to preliminary grading, the Owner shall submit an detailed Stormwater Management Report ***using a low impact development treatment train first approach*** prepared by a qualified Professional Engineer, in accordance with the City of Hamilton Drainage Policies, City of Hamilton's Storm Drainage Policy, Comprehensive Development Guidelines, an approved Functional Servicing Report, and the MECP's storm design criteria outlined in the City's Consolidated Linear Infrastructure ECA and current Stormwater Management Planning and Design Manual, including Level 1 (Enhanced) quality treatment. Additionally, the following shall be required:
 24. That, prior to ***registration***, the Owner shall submit ***a parkland management plan developed in conjunction with the Planning Division and Hamilton Conservation Authority and*** a revised Stewardship Brochure, to the satisfaction of the Director of Planning and Chief Planner and the Hamilton Conservation Authority. The Stewardship Brochure shall be distributed to all future homeowners adjacent to the Crerar Woodland and shall describe the importance of the natural feature and its functions ***and which includes best practices and uses for pathways, including the location of pathways and ensuring it remains open to the public,*** and how the homeowner can minimize their impact on this feature.
 - (ii) Acknowledgement by the City of Hamilton of its responsibility for cost sharing with respect to this development shall be in accordance with the City's Financial Policies and will be determined at the time of development. However, the traffic signal costs at the intersections of Stone Church Road/Crerar Drive/Brigade Drive shall be one-third (1/3rd) owner's responsibility/share.
 - (iii) That there will be no payment of Cash-in-Lieu of Parkland required upon the dedication of the Natural Heritage/Park block (Block 1) to the City of Hamilton to satisfy parkland dedication requirements for

this subdivision; and, that upon the dedication of the Natural Heritage/Park block (Block 1) to the City of Hamilton there will be no parkland balance credited in favour of the owner from this subdivision;

- (e) That upon approval of Urban Hamilton Official Plan Amendment Application UHOPA-21-005, Zoning By-law Amendment Application ZAC-21-009, and Draft Plan of Subdivision Application 25T-202104, that a portion of the subject lands identified as Block 1 on the Draft Plan of Subdivision attached as Appendix "G" to Report PED21221 be re-designated from "Single and Double" to "Park and Recreation" and that a portion of the subject lands identified as Blocks 3 and 4 on the Draft Plan of Subdivision attached as Appendix "G" to Report PED21221 be re-designated from "Single and Double" to "Attached Housing" in the Crerar Neighbourhood Plan;
- (f) That the Statutory Declarations for the Official Plan Amendment and Zoning By-law Amendments not be issued until the Ontario Land Tribunal issues its decision regarding the Urban Hamilton Official Plan appeal by DiCenzo Construction Company Ltd. as it affects the lands at 311 and 313 Stone Church Road East.
- (g) ***That the public submissions were received and considered by Committee in approving the application.***

Result: Main Motion, As Amended, CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

8. Applications for Amendments to the Urban Hamilton Official Plan, Stoney Creek Zoning By-law No. 3692-92, and Hamilton Zoning By-law No. 05-200 for Lands Located at 1290 South Service Road and 5 and 23 Vince Mazza Way (Stoney Creek) (PED21223) (Ward 10) (Item 9.5)

(Pearson/Farr)

- (a) That Amended Urban Hamilton Official Plan Amendment Application UHOPA-21-004, by IBI Group (c/o Jared Marcus, Applicant) on behalf of Winona Point Joint Venture Inc (c/o Fernando Puga, Owner) to re-designate the subject lands from "District Commercial" to "Neighbourhoods" within the Urban Hamilton Official Plan, and to re-

designate the subject lands from “District Commercial” to “Medium Density Residential 2”, remove the subject lands from Area Specific Policy – Area E, and add a new Site Specific Policy within the Fruitland-Winona Secondary Plan; to permit a commercial / residential mixed use development comprised of stacked townhouse dwellings, ground floor commercial space with dwelling units above, and one single storey commercial building, for a total of 454 residential units and 2,475 m² of commercial space, on lands located at 1290 South Service Road and 5 and 23 Vince Mazza Way, as shown on Appendix “A” attached to Report PED21223, be APPROVED on the following basis:

- (i) That the draft Official Plan Amendment attached as Appendix “B” to Report PED21223, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (ii) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended).
- (b) That Amended Zoning By-law Amendment Application ZAC-21-008, by IBI Group (c/o Jared Marcus, Applicant) on behalf of Winona Point Joint Venture Inc (c/o Fernando Puga, Owner) to change the zoning from the Community Shopping Centre “SC2-8(H)” Zone, Modified, Holding to the Mixed Use Medium Density (C5, 562) Zone (Block 1) and from the District Commercial (C6, 562) Zone to the Mixed Use Medium Density (C5, 562) Zone (Block 2) to permit a mixed use development with a one-storey commercial building, five, three-storey mixed use buildings with ground floor commercial and 50 stacked townhouse units above, and 12, four-storey stacked townhouse dwellings with 404 units, for a total of 454 residential units and 2,475 m² of commercial space, with surface and underground parking and landscaped amenity areas, on lands located at 1290 South Service Road and 5 and 23 Vince Mazza Way, as shown on Appendix “A” attached to Report PED21223, be APPROVED on the following basis:
- (i) That the draft By-law attached as Appendix “C” to Report PED21223, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (i) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended);
 - (iii) That this By-law will comply with the Urban Hamilton Official Plan upon approval of Urban Hamilton Official Plan Amendment No. XX.

- (c) ***That the public submissions were received and considered by Committee in approving the application.***

Result: Main Motion, As Amended, CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

9. **Application to Deem Lands to the Rear of 65 Seabreeze Crescent, being Blocks 11 and 12, of Registered Plan No. 62M-1042, “Seabreeze Estates, Phase 2” not to be Part of a Registered Plan of Subdivision, for the Purposes of Subsection 50(3) of the *Planning Act* (Stoney Creek) (Ward 10) (PED21230) (Item 10.1)**

(Pearson/Johnson)

- (a) That approval be given to deem lands to the rear of 65 Seabreeze Crescent (Stoney Creek), being Blocks 11 and 12, inclusive, of Registered Plan No. 62M-1042, “Seabreeze Estates, Phase 2” not to be part of a Registered Plan of Subdivision for the purposes of Subsection 50(3) of the *Planning Act*, as shown on Appendix “A” to Report PED21230, on the following basis:
- (i) That the draft By-law, attached as Appendix “C” to Report PED21230, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (ii) That the application to deem Blocks 11 and 12, of “Seabreeze Estates, Phase 2” Registered Plan 62M-1042, not to be part of a registered plan of subdivision, for lands to the rear of 65 Seabreeze Crescent, is consistent with the Provincial Policy Statement (2021) and complies with the Urban Hamilton Official Plan.

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

10. Amendment to the Off-Road Vehicles By-law 21-121 (PED21110(b)) (City Wide) (Item 10.2)

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

11. Hamilton Psychiatric Lands – Request to Rescind Minister’s Zoning Order (MZO) (Added Item 11.1)

(Danko/Farr)

WHEREAS the former Hamilton Psychiatric Hospital lands at West 5th and Fennel are owned by the Province of Ontario, and the Provincial Government is intending to sell the lands for redevelopment;

WHEREAS the City's Official Plan has long-identified these lands as forming part of a Major Activity Centre to accommodate critical commercial, institutional and environmental uses which may include new long term care facilities;

WHEREAS in February 2017 in anticipation of the Provincial Government disposing of the lands, Council directed staff to undertake comprehensive due diligence and development planning for the property to confirm a holistic vision and plan for the property;

WHEREAS in the spring of 2017, staff undertook extensive community consultations including stakeholder interviews with seven major local institutional leaders, a community information meeting, and a stakeholder and community design workshop, to explore potential land use concepts for the redevelopment of the subject lands

WHEREAS in October 2017, staff presented the findings of the community consultations through Report PED16254(c) which reaffirmed and extended the City's vision for the lands as described in the City's Official Plan, including a focus on institutional uses, building heights and massing compatible with the Niagara Escarpment and the surrounding lower density residential

neighbourhoods, the adaptive reuse of Century Manor, and protecting site lines through the property to the Escarpment Brow;

WHEREAS the 2017 review confirmed that the existing I3 Zoning which permits a range of institutional, education and residential uses was appropriate to guide the redevelopment of the HPH lands based on the City's vision for these lands articulated in the City's Official Plan as a Major Activity Centre comprised of institutional, educational and supporting residential uses

WHEREAS the Provincial Government, notwithstanding the City's position, and without consultation with the City or any prior notice, approved a Ministers Zoning Order for the subject lands in August 2020 that granted drastically extended zoning permissions to allow a wide range of residential uses including, single family dwelling, semi-detached dwelling, townhouse dwelling, street townhouse dwelling and multiple dwelling development that are incompatible with the City's vision for the property.

WHEREAS in December 2021 the Office of the Auditor General released the 2021 Annual Report which concludes: "the use of and lack of transparency in issuing Minister's Zoning Orders (MZOs) is inconsistent with good land-use planning principles and the purposes of the Planning Act and Places to Grow Act, 2005, which are to provide for planning processes that are fair; encourage cooperation and co-ordination among various interests; and recognize the decision-making authority and accountability of municipal councils in planning."; and,

WHEREAS it is anticipated that the Provincial Government will soon be offering the lands for sale for redevelopment;

THEREFORE BE IT RESOLVED:

- (a) That the City of Hamilton formally requests the Provincial Government to rescind the Minister's Zoning Order issued for the former Hamilton Psychiatric Hospital lands and reinstate local planning and site-plan control prior to taking the lands to market;
- (b) That if the Provincial Government refuses to rescind the MZO, that the Province be requested to include the necessary restrictions and requirements within any offering for the former Hamilton Psychiatric Lands that will ensure that the City's vision for the lands is realized, including the adaptive reuse of Century Manor;
- (c) That the Province be requested to undertake community consultation with respect to the terms and conditions of any disposition of the former Hamilton Psychiatric Lands prior to taking the lands to market; and,

- (d) That the Mayor be authorized and directed to share the above resolution with the Premier, the Minister of Municipal Affairs and the local MPPs.

Result: Motion CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge

 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

(e) PUBLIC HEARINGS / DELEGATIONS (Item 9)

In accordance with the *Planning Act*, Chair Danko advised those viewing the virtual meeting that the public had been advised of how to pre-register to be a virtual delegate at the Public Meetings on today's agenda.

In accordance with the provisions of the *Planning Act*, Chair Danko advised that if a person or public body does not make oral submissions at a public meeting or make written submissions to the Council of the City of Hamilton before Council makes a decision regarding the proposed By-law Amendments and Development applications before the Committee today, the person or public body is not entitled to appeal the decision of the Council of the City of Hamilton to the Ontario Land Tribunal, and the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

(i) Increase to Building Permit Fees (PED21222) (City Wide) (Item 9.1)

No members of the public were registered as Delegations.

(Ferguson/Wilson)

That the public meeting be closed.

Result: Motion CARRIED by a vote of 6 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 NOT PRESENT - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson
 YES - Ward 10 Councillor Maria Pearson

(Wilson/Pearson)

- (a) That the By-law, attached as Appendix "A" to Report PED21222, to amend City of Hamilton By-law No. 15-058, the Building By-law, which has been prepared in a form satisfactory to the City Solicitor, be enacted;
- (b) That the fees prescribed in the By-law, attached as Appendix "A" to Report PED21222, be included in the User Fees and Charges By-law, replacing the fees listed under the heading "Classes of Permits and Fees under the Hamilton Building By-law"

(Wilson/Pearson)

That the recommendations in Report PED2122 be **amended** by adding the following sub-section (c):

- (c) ***That there were no public submissions received regarding this matter.***

(Farr/Danko)

- (a) That Amended Zoning By-law Amendment Application ZAR-21-034, by Roxborough Park Inc., Owner, to further modify the Downtown Multiple Residential (D6, 696) Zone, for a change in zoning from the Downtown Multiple Residential (D6, 696) Zone to the Downtown Multiple Residential (D6, 696, H74) Zone, and to add the Conservation / Hazard Land (P5) Zone to portions of the lands located at 20 Reid Avenue North, 11-17 Reid Avenue South, 22-

116 Lang Street and 2-24 Hayes Avenue, Hamilton, as shown on Appendix "A" attached to Report PED21216, be APPROVED on the following basis:

- (i) That the draft By-law, attached as Appendix "B" to Report PED21216, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (ii) That Schedule "D" – Holding Provisions be amended by adding the following Holding Provision:

"74. Notwithstanding Section 6.6 and Special Exception No. 696 of this By-law, within the lands zoned Downtown Multiple Residential (D6, 696) Zone identified on Map Nos. 1092 and 1141 of Schedule "A" – Zoning Maps and described as 20 Reid Avenue North, 11-17 Reid Avenue South, 22-116 Lang Street and 2-24 Hayes Avenue, development shall be restricted in accordance with the following:

- (1) For such time as the Holding Provision is in place no development exceeding the maximum height of 12.0 metres shall be permitted;
- (2) Conditions for Holding Provision Removal:
 - (a) The Holding Provision shall, upon application by the landowner, be removed by way of an amending Zoning By-law, from the lands when the following conditions have been satisfied:
 - (i) The Owner/Applicant submits and implements the following studies demonstrating that a 41.5 metre multiple dwelling complies and implements the Urban Design, Energy and Environmental Design and Health and Public Safety Policies of the Urban Hamilton Official Plan, amongst others, to the satisfaction of the Director of Planning and Chief Planner:
 - (a) Urban Design Brief;
 - (b) Visual Impact Assessment;

- (c) Shadow Impact Study;
and,
 - (d) Noise Study;
- (ii) That the Owner demonstrate that the proposed development does not exceed the maximum density of 165 units per hectare in accordance with Site Specific Policy Area UHN-25 in Volume 3 of the Urban Hamilton Official Plan and does not exceed 840 units for the lands zoned Downtown Multiple Residential (D6, 696) Zone, to the satisfaction of the Director of Planning and Chief Planner;”
- (iii) That the proposed change in zoning is consistent with the Provincial Policy Statement (2020), conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019, as amended, and complies with the Urban Hamilton Official Plan.

(Farr/Danko)

That the recommendations in Report PED21216 be ***amended*** by adding the following sub-section (b):

- (a) That Amended Urban Hamilton Official Plan Amendment Application UHOPA-21-004, by IBI Group (c/o Jared Marcus, Applicant) on behalf of Winona Point Joint Venture Inc (c/o Fernando Puga, Owner) to re-designate the subject lands from “District Commercial” to “Neighbourhoods” within the Urban Hamilton Official Plan, and to re-designate the subject lands from “District Commercial” to “Medium Density Residential 2”, remove the subject lands from Area Specific Policy – Area E, and add a new Site Specific Policy within the Fruitland-Winona Secondary Plan; to permit a commercial / residential mixed use development comprised of stacked townhouse dwellings, ground floor commercial space with dwelling units above, and one single storey commercial building, for a total of 454 residential units and 2,475 m² of commercial space, on lands located at 1290 South Service Road and 5 and 23 Vince Mazza Way, as shown on Appendix “A” attached to Report PED21223, be APPROVED on the following basis:
- (i) That the draft Official Plan Amendment attached as Appendix “B” to Report PED21223, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (ii) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended).

- (b) That Amended Zoning By-law Amendment Application ZAC-21-008, by IBI Group (c/o Jared Marcus, Applicant) on behalf of Winona Point Joint Venture Inc (c/o Fernando Puga, Owner) to change the zoning from the Community Shopping Centre “SC2-8(H)” Zone, Modified, Holding to the Mixed Use Medium Density (C5, 562) Zone (Block 1) and from the District Commercial (C6, 562) Zone to the Mixed Use Medium Density (C5, 562) Zone (Block 2) to permit a mixed use development with a one-storey commercial building, five, three-storey mixed use buildings with ground floor commercial and 50 stacked townhouse units above, and 12, four-storey stacked townhouse dwellings with 404 units, for a total of 454 residential units and 2,475 m² of commercial space, with surface and underground parking and landscaped amenity areas, on lands located at 1290 South Service Road and 5 and 23 Vince Mazza Way, as shown on Appendix “A” attached to Report PED21223, be APPROVED on the following basis:
- (i) That the draft By-law attached as Appendix “C” to Report PED21223, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
 - (i) That the proposed amendment is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended);
 - (iii) That this By-law will comply with the Urban Hamilton Official Plan upon approval of Urban Hamilton Official Plan Amendment No. XX.

(Pearson/Farr)

That the recommendations in Report PED21223 be **amended** by adding the following sub-section (c):

- (c) ***That the public submissions regarding this matter were received and considered by the Committee in approving the application.***

Result: Amendment CARRIED by a vote of 7 to 0, as follows:

YES - Ward 1 Councillor Maureen Wilson
 YES - Ward 8 Councillor John-Paul Danko
 YES - Ward 2 Councillor Jason Farr
 YES - Ward 15 Councillor Judi Partridge
 YES - Ward 12 Councillor Lloyd Ferguson
 YES - Ward 11 Councillor Brenda Johnson

YES - Ward 10 Councillor Maria Pearson

For disposition of this matter, refer to Item 8.

Councillor Danko relinquished the Chair to Councillor Johnson

(f) NOTICES OF MOTION (Item 12)

(i) Hamilton Psychiatric Lands – Request to Rescind Minister’s Zoning Order (MZO) (Added Item 12.1)

(Danko/Farr)

CITY OF HAMILTON
PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT
Planning Division

TO:	Chair and Members Planning Committee
COMMITTEE DATE:	January 11, 2022
SUBJECT/REPORT NO:	Applications for Official Plan Amendment and Zoning By-law Amendment for Lands Located at 125 and 129 Robert Street, Hamilton (PED20015(a)) (Ward 2) (Outstanding Business List Item)
WARD(S) AFFECTED:	Ward 2
PREPARED BY:	Shannon McKie (905) 546-2424 Ext. 1288
SUBMITTED BY:	Steve Robichaud Director, Planning and Chief Planner Planning and Economic Development Department
SIGNATURE:	

RECOMMENDATION

- (a) That **Official Plan Amendment Application UHOPA-17-033 by Vision Hamilton Inc., Owner**, for a change in designation on Schedule “M-2” of the West Harbour (Setting Sail) Secondary Plan in the former City of Hamilton Official Plan to add a Site Specific Policy Area to permit the development of a six unit, three storey multiple dwelling with a maximum residential density of 142 units per gross hectare, for lands located at 125 and 129 Robert Street, as shown on Appendix “A” attached to Report PED20015(a), be **APPROVED** as per Planning Committee direction from its meeting at January 14, 2020;
- (b) That **Amended Zoning By-law Amendment Application ZAC-17-073 by Vision Hamilton Inc., Owner**, for a change in zoning from the “D/S-378” (Urban Protected Residential – One and Two Family Dwellings) District, Modified to the “DE-2/S-1800” (Multiple Dwellings) District, Modified to permit a six unit, three storey multiple dwelling with no on-site parking on lands located at 125 and 129 Robert Street, Hamilton, as shown on Appendix “A” attached to Report PED20015(a), be **APPROVED** on the following basis:

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Applications for an Official Plan Amendment and a Zoning By-law Amendment for Lands Located at 125 and 129 Robert Street, Hamilton (PED20015(a)) (Ward 2) - Page 2 of 5

- (i) That the draft By-law, attached as Appendix “C” to Report PED20015(a), which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (c) That the revisions to the draft By-law, attached as Appendix “C” to Report PED20015(a), maintains the intent of the concept plan presented at the January 14, 2020 Planning Committee meeting, being the Statutory Public Meeting in accordance with the *Planning Act*, and the approval of the attached By-law does not require further public notice in accordance with Section 34(17) of the *Planning Act*;
- (d) That Item 21H respecting 125 – 129 Robert Street, Hamilton (Ward 2), be considered complete and removed from the Planning Committee’s Outstanding Business List.

EXECUTIVE SUMMARY

Planning Committee considered Report PED20015 for Applications for an Official Plan Amendment (UHOPA-17-033) and Zoning By-law Amendment (ZAC-17-073) at its January 14, 2020 meeting. The Applications to permit a six unit, three storey multiple dwelling (see Report PED20015) were approved by Planning Committee and staff were directed to draft the Official Plan Amendment and Zoning By-law Amendment in accordance with the plans associated with Report PED20015. In advance of Council adoption of the Official Plan Amendment and Zoning By-law Amendment, the Applicant requested that a further revision be made to the implementing Zoning By-law to accommodate the development of three, “attached duplex dwellings” occupying the same foot print of the proposed multiple dwelling however each of the duplex units will be on separate lots (see Appendix “D” attached to Report PED20015(a)).

Staff have evaluated the proposed development which maintains the general intent of the previous plan (see Report PED20015) as the proposed built form remains the same. The By-law to implement the proposal has been revised to include a provision that the subject lands be considered as one lot for the purposes of the implementing the Zoning By-law regardless of any future lot creation by registration of a Condominium Plan, Part Lot Control, or Consent (severance).

As the revision to the By-law maintains the intent of Planning Committee’s direction it has been determined that no further Public Notice is required in accordance with Section 34(17) of the *Planning Act*.

Alternatives for Consideration – See Page 4

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Applications for an Official Plan Amendment and a Zoning By-law Amendment for Lands Located at 125 and 129 Robert Street, Hamilton (PED20015(a)) (Ward 2) - Page 3 of 5

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: N/A

Staffing: N/A

Legal: Section 34(17) of the *Planning Act* allows Council to amend a By-law without a further Public Meeting or Public Notice.

HISTORICAL BACKGROUND

Applications for an Official Plan Amendment and Zoning By-law Amendment were made by IBI Group c/o John Ariens on behalf of Vision Hamilton Inc. Planning Committee considered the Applications at the January 14, 2020 meeting and recommended approval of the Applications. Staff were directed to prepare the implementing Official Plan Amendment and Zoning By-law Amendment to give effect to the concept plan which included a six unit multiple dwelling with no on-site parking (see Appendix “D” attached to Report PED20015(a)). In advance of Council’s consideration of the implementing planning instruments, the Applicant did not sign off on the planning instruments and requested that the implementing Official Plan Amendment and Zoning By-law Amendment be put on hold to consider a revision to the plan.

On April 20, 2021 the Applicant made a delegation to Planning Committee to discuss the proposed revisions to the concept plan (see Appendix “E” attached to Report PED20015(a)) which contemplates three attached duplex dwellings as opposed to one, six unit multiple dwelling. Staff were directed to review the proposed revision and determine if additional Public Notice was required. Staff have reviewed the revised concept plan and determined that the proposed lot configuration, while having the effect of creating three attached duplex dwellings, is in keeping with the applications that were presented at the public meeting on January 14, 2020. Therefore, no additional Public Notice is required.

To implement the revision, an additional regulation has been added to the draft By-law (see Appendix “C” attached to Report PED20015(a)) which will consider the lot as one regardless of any future land division. As a result of this regulation the use will be considered a multiple dwelling.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

Planning Act

The implementing Zoning By-law (attached as Appendix “C” to Report PED20015(a)) has been revised to allow for future lot creation. The proposed development (Appendix

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Applications for an Official Plan Amendment and a Zoning By-law Amendment for Lands Located at 125 and 129 Robert Street, Hamilton (PED20015(a)) (Ward 2) - Page 4 of 5

“D” attached to Report PED20015(a)) maintains the intent of Planning Committee’s direction to allow for the development of a six unit, three storey multiple dwelling with no on-site parking. No further revisions are required to the Official Plan Amendment. Therefore, no additional Public Notice is required for Council to consider the By-law as revised.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

The revised concept plan (Appendix “E” attached to Report PED20015(a)) aligns with the built form and use for the subject lands that was presented to Planning Committee in January 14, 2020 (Report PED20015). A provision has been added to the draft By-law (Appendix “C” attached to Report PED20015(a)) to consider the lot as one regardless of any future lot creation by registration of a Plan of Condominium, Part Lot Control or Consent (severance). The built proposed form remains unchanged from the proposal that was approved by Planning Committee in January 2020. A future lot creation by registration of a Plan of Condominium, Part Lot Control or Consent (severance) would not alter the intent of the proposal to allow six dwelling units on the subject lands but without the new regulation would create zoning conformity issues. The new regulation provides flexibility for both tenure and the subdivision of the subject lands. The Official Plan Amendment remains unchanged. The amended Zoning By-law Amendment meets the intent of the direction of Planning Committee and does not require additional Public Notice or a Public Meeting to consider the revisions as per section 34(17) of the *Planning Act*.

ALTERNATIVES FOR CONSIDERATION

- 1) As the public meeting occurred 23 months ago, Council could direct staff to schedule a statutory Public Meeting and give notice to consider the revisions to the Zoning By-law.
- 2) Council could direct staff to amend the By-law to reflect the concept plan (Appendix “D” attached to Report PED20015(a)) as originally presented and considered at the January 14, 2020 Planning Committee meeting.

ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN

Community Engagement and Participation

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

Economic Prosperity and Growth

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Applications for an Official Plan Amendment and a Zoning By-law Amendment for Lands Located at 125 and 129 Robert Street, Hamilton (PED20015(a)) (Ward 2) - Page 5 of 5

Healthy and Safe Communities

Hamilton is a safe and supportive City where people are active, healthy, and have a high quality of life.

Built Environment and Infrastructure

Hamilton is supported by state of the art infrastructure, transportation options, buildings and public spaces that create a dynamic City.

Amendment No. X

to the

City of Hamilton Official Plan

The following text, together with Appendix “A”, attached hereto, constitutes Official Plan Amendment No. X to the City of Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of this Amendment is to establish a Site Specific Policy Area, within the Setting Sail Secondary Plan in order to permit a three storey multiple dwelling containing six dwelling units with a density of 142 units per gross hectare for lands located at 125 and 129 Robert Street.

2.0 Location:

The lands affected by this Amendment are located at 125 and 129 Robert Street, in the City of Hamilton.

3.0 Basis:

The basis for permitting this Amendment is as follows:

- The proposal implements the Planning Principles of the West Harbour (Setting Sail) Secondary Plan by providing an opportunity for residential intensification through redevelopment that respects and enhances the character of the existing neighbourhood;
- The proposal implements the land use policies of the of the West Harbour (Setting Sail) Secondary Plan by diversifying the housing options of the neighbourhood through the proposal of a multiple dwelling; and,
- The Amendment is consistent with the Provincial Policy Statement, 2020 and the Growth Plan for the Greater Golden Horseshoe, 2019, as amended.

4.0 Changes:

4.1 Text Changes:

4.1.1 That a new Policy be added to the City of Hamilton Official Plan as Policy No. A.6.3.3.1.12.X:

“A.6.3.3.1.12.X The following shall apply to the lands known municipally as 125 and 129 Robert Street identified as Site Specific Policy

Area - X on Schedule M-2: General Land Use Map of the West Harbour (Setting Sail) Secondary Plan:

- i) Notwithstanding Policy A.6.3.3.1.12 i), the height of a building shall be a maximum of 3 storeys;
- ii) Notwithstanding Policy A.6.3.3.1.12 ii), a multiple dwelling is permitted; and,
- iii) Notwithstanding Policy A.6.3.3.1.12 iii), a maximum density of 142 units per gross hectare is permitted.”

4.2 Map/Schedule Changes:

4.2.1 That Schedule M-2: General Land Use Map, of the West Harbour (Setting Sail) Secondary Plan is amended by adding Site Specific Policy Area - X as shown on Appendix “A” to this Amendment.

5.0 Implementation:

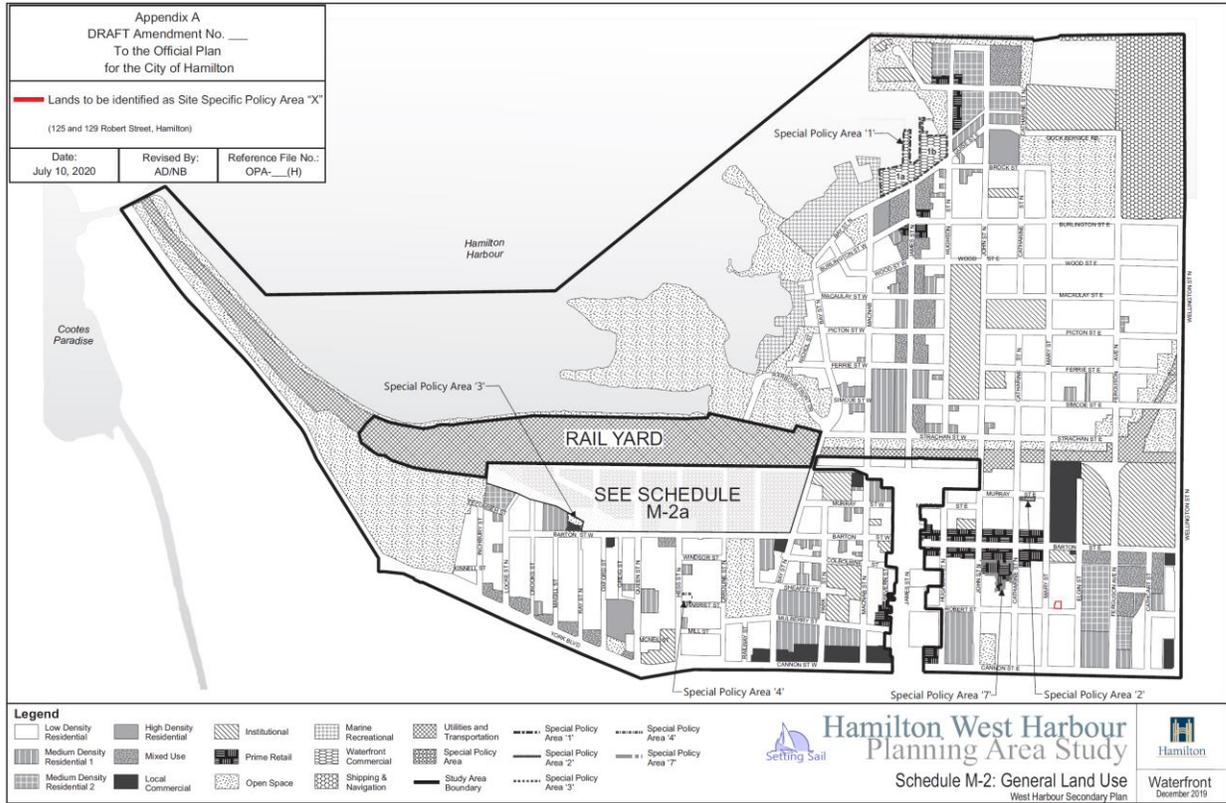

An implementing Zoning By-law Amendment will give effect to this Amendment.

This is Schedule “1” to By-law No. 22-XXX passed on the ___th day of _____, 2022.

Authority:

Bill No.

CITY OF HAMILTON

BY-LAW NO. _____

**To Amend Zoning By-law No. 6593 (Hamilton) Respecting Lands at 125 and 129
Robert Street, in the City of Hamilton**

WHEREAS the *City of Hamilton Act, 1999*; Statutes of Ontario, 1999 Chap. 14, Sch. C. did incorporate, as of January 1, 2001, the municipality “City of Hamilton”

AND WHEREAS the City of Hamilton is the successor to certain area municipalities, including the former area municipality known as “The Corporation of the City of Hamilton” and is successor to the former Regional Municipality, namely, the regional Municipality of Hamilton-Wentworth;

AND WHEREAS the City of Hamilton Act, 1999 provides that the Zoning By-laws of the former area municipalities continue in force in the City of Hamilton until subsequently amended or repealed by the Council of the City of Hamilton;

AND WHEREAS the Council of The Corporation of the City of Hamilton passed Zoning By-law No. 6593 (Hamilton) on the 25th day of July 1950, which by-law was approved by the Ontario Municipal Board by Order dated the 7th day of December 1951, (File No. P.F.C. 3821);

AND WHEREAS this By-law is in conformity with the City of Hamilton Official Plan upon adoption of the Official Plan Amendment No.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. That Sheet No. E-4 of the District maps, appended to and forming part of Zoning By-law No. 6593 (Hamilton), is amended:
 - (a) by changing from the “D/S-378” (Urban Protected Residential – One and Two Family Dwellings, Etc.) District, Modified, to the “DE-2/S-1800” (Multiple Dwellings) District, Modified.

Appendix "C" to PED20015(a)**Page 2 of 4**

2. For the purpose of the regulations contained in Hamilton Zoning By-law No. 6593, the external boundary of the lots shown on Schedule "A" shall be deemed to be the lot lines for this purpose and the regulations of the "DE-2/S-1800" (Multiple Dwellings) District, Modified including but not limited to the lot area, lot frontage, lot depth, lot coverage and building setbacks, shall be from the external boundaries these lots shown on Schedule "A" and not the individual property boundaries of any lots created by registration of a Condominium Plan, Part Lot Control, or Consent.
3. That, the "DE-2" (Multiple Dwellings) District, regulations, as contained in Section 10B of Zoning By-law No.6593, applicable to the lands known as 125 and 129 Robert Street are further modified to include the following special requirements:
 - (a) Notwithstanding 10B.(3)(i)(b) a minimum front yard setback of 1.0 metres;
 - (b) Notwithstanding Section 10B.(3)(ii)(a) a minimum side yard of 0.0 metres along the easterly and westerly lot line except the furthest westerly dwelling, the lot line shall be a minimum side yard of 1.0 metres;
 - (c) Notwithstanding Section 10B (3)(iii)(a) a minimum rear yard depth of 6.0 metres;
 - (d) Notwithstanding Section 10B.(4)(iv) a width of 20.0 metres and an area of at least 420.0 metres;
 - (e) Notwithstanding Section 10B.(6) a minimum of 25% of the lot area shall be provided as landscaped area;
 - (f) Notwithstanding Section 18.(3)(vi)(d) a roofed-over or screened but otherwise unenclosed one-storey porch at the first level, including eaves and gutters, shall be distant at least 1.0 metres from the front lot line;
 - (g) Notwithstanding Section 18.(3)(iv)(c)(i) an open stairway may encroach 2.5 metres into a required rear yard; and,
 - (h) Notwithstanding Section 18A.(1)(a) and (b) no parking spaces shall be provided.
4. No building or structure shall be erected, altered, extended or enlarged, nor shall any building or structure or part thereof be used, nor shall any land be used, except in accordance with the "DE-2/S-1800 (Multiple Dwelling) District, Modified provisions, subject to the special requirements referred to in Section 2 and 3.
5. Sheet No. E-4 of the District Maps is amended by marking the lands referred to in Section 1 of this By-law as S-1800.

Appendix "C" to PED20015(a)
Page 3 of 4

6. That Zoning By-law No. 6593 (Hamilton) is amended by adding to By-law Section 19B a Schedule S-1800.
7. That the Clerk is hereby authorized and directed to proceed with the giving of notice of passing of this by-law, in accordance with the *Planning Act*.

PASSED and ENACTED this XX day of _____, 2022.

CITY OF HAMILTON
PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT
Planning Division

TO:	Chair and Members Planning Committee
DATE:	January 11, 2022
SUBJECT/REPORT NO:	Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications (PED22008) (City Wide)
WARD(S) AFFECTED:	City Wide
PREPARED BY:	Shannah Evans (905) 546-2424 Ext. 1928
SUBMITTED BY:	Steve Robichaud Director, Planning and Chief Planner Planning and Economic Development Department
SIGNATURE:	

Council Direction:

In accordance with the June 16, 2015 Planning Committee direction, this Report provides a status of all active Zoning By-law Amendment, Official Plan Amendment and Plan of Subdivision Applications relative to the statutory timeframe provisions of the *Planning Act* for non-decision appeals. In addition, this report also includes a list and status of all appendices appealed to the Ontario Land Tribunal for non-decision.

Background:

Planning Division staff have been preparing and submitting on a monthly basis an Information Report to the Planning Committee on the status of all active Zoning By-law Amendment, Official Plan Amendment and Plan of Subdivision Applications relative to the 120 day or the 180 day statutory timeframe provisions of the *Planning Act* for non-decision appeals to the Planning Committee. The monthly report includes a table outlining the active Applications, sorted by Ward, from oldest Application to newest.

Policy Implications and Legislative Requirements – Pre Bill 108

In accordance with the *Planning Act*, prior to September 3, 2019, an Applicant had the right to appeal to the Ontario Land Tribunal an Official Plan Amendment Application after 210 days (Subsection 17 (40)), Zoning By-law Amendment Application after 150

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications (PED22008) (City Wide) - Page 2 of 5

days (Subsection 34 (11)) and a Plan of Subdivision after 180 days (Subsection 51 (34)).

In accordance with Subsection 17(40.1) of the *Planning Act*, the City of Hamilton had extended the time period of Official Plan Amendment Applications from 180 days to 270 days for Applications received after July 1, 2016 as prescribed in Bill 73 and from 210 to 300 days for Applications received after December 12, 2017 as prescribed in Bill 139. It should be noted that either the City or the Applicant were able to terminate the 90-day extension period if written notice to the other party was received prior to the expiration of the 180 day or 210 day statutory timeframes.

In addition, Zoning By-law Amendment Applications that were submitted with an Official Plan Amendment Application were subject to the 210 day statutory timeframe.

Policy Implications and Legislative Requirements – Post Bill 108

On June 6, 2019, Bill 108 received Royal Assent, which reduced the statutory timeframes for non-decision appeals to the Ontario Land Tribunal outlined in the *Planning Act* for Official Plan Amendments, Zoning By-law Amendments and Plans of Subdivision. The changes are applicable to complete Applications received on or after September 3, 2019.

In accordance with the *Planning Act*, an Applicant may appeal an Official Plan Amendment Application to the Ontario Land Tribunal for non-decision after 120 days (Subsection (40)), a Zoning By-law Amendment Application after 90 days (Subsection 34 (11)) and a Plan of Subdivision after 120 days (Subsection 51 (34)). However, Zoning By-law Amendment Applications that are submitted together with a required Official Plan Amendment Application are also subject to the statutory timeframe of 120 days. The 90-day extension previously prescribed in Bills 73 and 139 is no longer applicable.

Information:

Staff were directed to report back to Planning Committee with a reporting tool that seeks to monitor Applications where the applicable statutory timeframes apply. This reporting tool would be used to track the status of all active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications.

For the purposes of this Report, the status of active Zoning By-law Amendment, Official Plan Amendment and Plan of Subdivision Applications have been divided, relative to the statutory timeframe provisions of the *Planning Act*, that were in effect pursuant to statutory timeframes prescribed in Bill 73 and Bill 139 and new statutory timeframes prescribed in Bill 108.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications (PED22008) (City Wide) - Page 3 of 5

Applications Deemed Complete Prior to Royal Assent of Bill 139 (December 12, 2017)

Attached as Appendix “A” to Report PED22008 is a table outlining the active applications received prior to December 12, 2017 sorted by Ward, from oldest application to newest. As of December 7, 2021, there were:

- 5 active Official Plan Amendment Applications, all of which were submitted after July 1, 2016, and therefore subject to the 90 day extension to the statutory timeframe from 180 days to 270 days;
- 9 active Zoning By-law Amendment Applications; and,
- 6 active Plan of Subdivision Applications.

Within 60 to 90 days of December 7, 2021, all nine development proposals have passed the applicable 120, 180 and 270 day statutory timeframes.

Applications Deemed Complete After Royal Assent of Bill 139 (December 12, 2017)

Attached as Appendix “B” to Report PED22008 is a table outlining the active applications received after December 12, 2017, but before Royal Assent of Bill 108, sorted by Ward, from oldest Application to newest. As of December 7, 2021, there were:

- 5 active Official Plan Amendment Applications, all of which are subject to the 90 day extension to the statutory timeframe from 210 days to 300 days;
- 10 active Zoning By-law Amendment Applications; and,
- 5 active Plan of Subdivision Applications.

Within 60 to 90 days of December 7, 2021, all 11 development proposals have passed the applicable 150, 180 or 300 day statutory timeframes.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications (PED22008) (City Wide) - Page 4 of 5

Applications Deemed Complete After Royal Assent of Bill 108 (September 3, 2019)

Attached as Appendix “C” to Report PED22008 is a table outlining the active applications received after September 3, 2019, and subject to the new statutory timeframes, sorted by Ward, from oldest application to newest. As of December 7, 2021, there were:

- 28 active Official Plan Amendment Applications;
- 52 active Zoning By-law Amendment Applications; and,
- 11 active Plan of Subdivision Applications.

As of December 7, 2021, 13 development proposals are approaching the 90 or 120 day statutory timeframe and will be eligible for appeal. 44 development proposals have passed the 90 or 120 day statutory timeframe.

Planning Division Active Files

Combined to reflect property addresses, there are 77 active development proposals. Six proposals are 2022 files (8%), 30 proposals are 2021 files (39%), 18 proposals are 2020 files (23%) and 23 proposals are pre-2020 files (30%).

Staff continue to work with the AMANDA Implementation Team to add enhancements to the database that will allow for the creation of more detailed reporting. As a result, future tables will include a qualitative analysis of the status of active Applications. It is anticipated that these enhancements will be available in Q1 2022, and this information will be incorporated into the monthly report to Council. Furthermore, the long-term goal of the Planning Division is to make this information available on an interactive map accessed through the City of Hamilton website.

Current Non-Decision Appeals to the Ontario Land Tribunal

At the February 2, 2021 Planning Committee meeting, Planning Committee requested that information be reported relating to development Applications that have been appealed for non-decision to the Ontario Land Tribunal. Attached as Appendix “D” to Report PED22008 is a table outlining Development Applications, along with the applicant/agent, that have been appealed for non-decision to the Ontario Land Tribunal. There are currently 14 active appeals for non-decision. Third party appeals are not included in this information as Council has made a decision on the Application.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Active Official Plan Amendment, Zoning By-law Amendment and Plan
of Subdivision Applications (PED22008) (City Wide) - Page 5 of 5**

Appendices and Schedules Attached:

Appendix "A" - List of Active Development Applications (prior to December 12, 2017)

Appendix "B" - List of Active Development Applications (after December 12, 2017)

Appendix "C" - List of Active Development Applications (after September 3, 2019)

Appendix "D" - *Planning Act* Applications Currently Appealed for Non-Decision to the
Ontario Land Tribunal

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous
community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged
Empowered Employees.

CITY OF HAMILTON
PLANNING AND ECONOMIC DEVELOPMENT DEPARTMENT
Planning Division

TO:	Chair and Members Planning Committee
COMMITTEE DATE:	January 11, 2022
SUBJECT/REPORT NO:	Application for Removal of a Holding Provision by Fengate Hamilton Lands GP Inc. et al. for Lands Located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton (PED22024) (Ward 2)
WARD(S) AFFECTED:	Ward 2
PREPARED BY:	Shannon McKie (905) 546-2424 Ext. 1288
SUBMITTED BY:	Steve Robichaud Director, Planning and Chief Planner Planning and Economic Development Department
SIGNATURE:	

RECOMMENDATION

- (a) That in accordance with Council's decision not to appeal the Minor Variance Application, the proposal is therefore deemed to comply with the Official Plan in accordance with Section 63 of the *Planning Act*;
- (i) That the By-law, attached as Appendix "B" to Report PED22024, to remove the 'H' Holding Provision from the subject lands, which has been prepared in a form satisfactory to Corporate Counsel, be forwarded to Council for enactment;
- (ii) That Schedule "A", Map No. 952 of Zoning By-law No. 05-200 be amended by changing the zoning from the Downtown Mixed Use – Pedestrian Focus (D2, H17, H19, H20) Zone and the Downtown Central Business District (D1, H17, H19, H20) Zone, to the Downtown Mixed Use – Pedestrian Focus (D2) Zone and the Downtown Central Business District (D1) Zone;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Removal of a Holding Provision by Fengate Hamilton Lands GP Inc. et al. for Lands Located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton (PED22024) (Ward 2) Page 2 of 7

- (b) That staff be directed and authorized to include the necessary revisions in a future housekeeping amendment to the Downtown Hamilton Secondary Plan and Zoning By-law to reflect the Minor Variance Application (HM/A-21:221) approval by the Committee of Adjustment.

EXECUTIVE SUMMARY

The Applicant submitted a Zoning By-law Amendment Application (ZAD-21-035) to remove Holding Provisions H17, H19, and H20 on the subject lands. The Holding Provisions are required to be lifted prior to the submission of a complete Building Permit Application for the development of a 34 storey (108.0 metre) mixed use building containing 635 units and 1,290.0 square metres of commercial space. A Holding Provision may be removed if the provisions of the Urban Hamilton Official Plan (UHOP) can be met.

The Applicant submitted a Minor Variance Application (HM/A-21:221) and received approval on August 12, 2021 from the Committee of Adjustment for an increase in the maximum building height from 92.5 metres to 108.0 metres. The 92.5 metre building height reflects the maximum permission that aligns with the height of the Niagara Escarpment between James Street South and John Street South, as indicated on Appendix "D" attached to Report PED22024 – Niagara Escarpment Height, of the Downtown Hamilton Secondary Plan. Holding Provision H17 requires, amongst other requirements, that the Owner demonstrate that the proposed development does not exceed the height of the Niagara Escarpment. The Applicant omitted a variance to Schedule "D" – Holding Provisions to amend Holding Provision H17 as part of the Minor Variance Application.

Planning staff appealed the decision of the Committee of Adjustment to approve a maximum building height that exceeds the height of the Niagara Escarpment contrary to the policies of the Downtown Hamilton Secondary Plan. The appeal was withdrawn as a result of Council direction and the variances were deemed final and binding.

In accordance with Section 63 of the *Planning Act*, Council has the authority to deem the proposal to comply with the Official Plan in order to allow for the removal of the Holding Provision to facilitate the submission of a Building Permit Application for the development.

Alternatives for Consideration – See Page 6

OUR Vision: To be the best place to raise a child and age successfully.

HISTORICAL BACKGROUND

Downtown Zones under City of Hamilton Zoning By-law No. 05-200

On May 9, 2019, City Council passed By-law No. 18-114 respecting Downtown Zones in Zoning By-law No. 05-200. The By-law applied 'H' Holding Provisions H17, H19 and H20 to the subject lands.

The 'H' Holding Provisions shall be removed upon the fulfilment of the below noted conditions:

- “H17. The Holding Provision shall, upon Application by the landowner, be removed by way of an amending Zoning By-law, from all or part of the lands subject to this provision when the following conditions have been satisfied:
- i) That the landowner demonstrates to the satisfaction of the Director of Planning and Chief Planner, City of Hamilton, that sufficient land assembly has occurred to achieve the minimum lot area requirement and lot frontage requirement in accordance with Section 6.0 of this By-law;
 - ii) That the landowner demonstrate that the proposal conforms to the policies of the Downtown Hamilton Secondary Plan by submitting the following studies to the satisfaction of the Director of Planning, and Chief Planner, City of Hamilton:
 - 1. Shadow Impact Study;
 - 2. Pedestrian Level Wind Study;
 - 3. Visual Impact Assessment;
 - 4. Traffic Impact Study; and,
 - 5. Functional Servicing Report.
 - iii) That the landowner demonstrate that the proposed development does not exceed the height of the Niagara Escarpment to the satisfaction of the Director of Planning and Chief Planner, City of Hamilton;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Removal of a Holding Provision by Fengate Hamilton Lands GP Inc. et al. for Lands Located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton (PED22024) (Ward 2) Page 4 of 7

- iv) That conditional site plan approval be received, which shall address matters including but not limited to Design Review Panel advice, to the satisfaction of the Director of Planning and Chief Planner, City of Hamilton.
- H19. The Holding Provision shall, upon Application by the landowner, be removed by way of an amending Zoning By-law, from all or part of the lands subject to this provision when the following conditions have been satisfied:
- i) That the landowner shall be required to enter into a Section 37 Agreement to secure provision of Community Benefits to the satisfaction of the Director of Planning and Chief Planner, City of Hamilton.
- H20. The Holding Provision shall, upon Application by the landowner, be removed by way of an amending Zoning By-law, from all or part of the lands subject to this provision when the following conditions have been satisfied:
- i) That the landowner demonstrates that any development having the effect of removing all or part of rental housing comprised of three or more units will be replaced to the satisfaction of the Director of Planning and Chief Planner, City of Hamilton; and,
- ii) That the landowner enters into an Agreement with the City of Hamilton.”

Site Plan Control Application DA-19-174

Site Plan Control Application DA-19-174 was conditionally approved on April 16, 2020 for the construction of a 30 storey mixed use building with 403 residential units, 1,032 square metres of retail space, 258 square metres of office space with parking provided on the ground floor and within an underground parking structure. The site plan has since been revised and a Minor Variance Application (HM/A-21:221) was approved on August 12, 2021 to permit the proposed 34 storey mixed use building with 635 dwelling units, 390 square metres of office space and 335 parking spaces.

SUBJECT: Application for Removal of a Holding Provision by Fengate Hamilton Lands GP Inc. et al. for Lands Located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton (PED22024) (Ward 2) Page 5 of 7

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

Urban Hamilton Official Plan

The subject lands are designated “Downtown Mixed Use - Pedestrian Focus” and “Downtown Mixed Use” on Map B.6.1-1. The eastern portion of the subject site is further identified as “High-rise 1” while the western portion of the subject site is identified as “High-rise 2” on Map B.6.1-2 of the Downtown Hamilton Secondary Plan. The site is identified as a location where there may be impact to views on Appendix C – Viewshed Analysis of the Downtown Hamilton Secondary Plan.

Holding Provision H17 and the Terms of Reference for the required studies implement the Downtown Hamilton Tall Building Guidelines and the policies of the Downtown Hamilton Secondary Plan (Policy B.6.1.4.23 e)). As per recommendation (a) of Report PED22024, in accordance with Council’s decision not to proceed with the appeal to the Minor Variance Application, the proposal will be deemed to comply with the UHOP.

Holding Provision H19 implements the Section 37 Bonusing policies (Policy B.6.1.4.8) of the Downtown Hamilton Secondary Plan. Section 37 as it relates to the bonusing provisions referenced in Holding Provision H19 was repealed by the Province and is therefore not applicable.

Holding Provision H20 implements Policies B.6.1.4.10 and B.6.1.4.11 of the Downtown Hamilton Secondary Plan and Section B.3.2 – Housing Policies of Volume 1 of the UHOP related to rental housing replacement. The subject lands do not contain any rental housing units. Therefore, the requirements of H20 do not apply to the proposal.

City of Hamilton Zoning By-law No. 05-200

The subject property is zoned Downtown Mixed Use – Pedestrian Focus (D2, H17, H19, H20) Zone and Downtown Central Business District (D1, H17, H19, H20) Zone which permits the proposed mixed use building. Minor Variance Application HM/A-21:221 was approved on August 12, 2021 to permit increased setbacks from Jackson Street East and James Street South as well as the daylight triangle, increased lot coverage, increased maximum building height, reduction in ground floor, second and third floor glazing, modification to the required materials, increased small car parking spaces, and reduced parking stall width abutting a wall or column.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Removal of a Holding Provision by Fengate Hamilton Lands GP Inc. et al. for Lands Located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton (PED22024) (Ward 2) Page 6 of 7

ANALYSIS:

The following studies were submitted to address the requirements of the Holding Provisions:

- Sun and Shadow Study dated August 5, 2021 prepared by Graziani + Corazza Architects Inc. and an updated study dated August 31, 2021 prepared by R. Bouwmeester & Associates;
- Pedestrian Level Wind Study dated July 28, 2021 prepared by RWDI dated September 16, 2021;
- Visual Impact Assessment prepared by MBTW dated June 2021;
- Transportation Impact Study and TDM Option Study update prepared by Nextrans Consulting Engineers dated April 2021; and,
- Water Usage Assessment and Wastewater Generation Assessment dated April 26, 2021 and a Stormwater Management Report dated April 2021 prepared by S. Llewellyn & Associates Ltd.

The plans and studies submitted with the Site Plan Control Application are satisfactory to staff.

H19

Section 37 of the *Planning Act* as it relates to Section 37 Agreements was repealed by the Province. Therefore, Holding Provision H19 is not applicable and can be cleared.

H20

The subject lands are occupied by a surface parking lot and do not contain any rental housing units. Therefore, Holding Provision H20 is not applicable and can be cleared.

ALTERNATIVES FOR CONSIDERATION

Should Council not approve the recommendations of this report, the Holding Provisions would remain on the property.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Bill No. ____

CITY OF HAMILTON

BY-LAW NO. 21-

To Amend Zoning By-law No. 05-200

**Respecting Lands Located at 75 James Street South, 44 Hughson Street South
and 9 Jackson Street East, Hamilton**

WHEREAS the first stage of the new Zoning By-law, being By-law No. 05-200, came into force on the 25th day of May 2005; and,

WHEREAS the Council of the City of Hamilton, in adopting Section 31 of Report 06-005 of the Planning and Economic Development Committee at its meeting held on the 12th day of April, 2006, recommended that the Director of Development and Real Estate be authorized to give notice and prepare by-laws for presentation to Council, to remove the “H” Holding provision from By-laws where the conditions have been met;

AND WHEREAS the conditions of Holding Provision 17, 19 and 20 for the lands located at 75 James Street South, 44 Hughson Street South and 9 Jackson Street East, Hamilton have been satisfied;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. That Map No. 952 of Schedule “A” – Zoning Maps is amended by changing the zoning from the Downtown Mixed Use – Pedestrian Focus (D2, H17, H19, H20) Zone and Downtown Central Business District (D1, H17, H19, H20) to the Downtown Mixed Use – Pedestrian Focus (D2) Zone and Downtown Central Business District (D1) Zone for the lands identified in the Location Map attached as Schedule “A” to this By-law.
2. That Schedule “D” – Holding Provisions is amended by deleting Holding Provisions 17, 19 and 20 for the lands identified in the Location Map attached as Schedule “A” to this By-law.

RECOMMENDATION

- (a) That **Official Plan Amendment Application UHOPA-20-009 by A.J. Clarke and Associates c/o Stephen Fraser, on behalf of RUDY & Associates c/o Michelle Cutts, Owner**, to re-designate the lands from the “Low Density Residential 1” to “Low Density Residential 3” designation on Map B.2.8-1 Land Use Plan in the Ancaster Wilson Street Secondary Plan in the Urban Hamilton Official Plan, to permit ten townhouse dwelling units on a private driveway, for lands located at 281 Hamilton Drive and 356 Wilson Street West, as shown on Appendix “A” attached to Report PED22004, be **APPROVED** on the following basis:
- (i) That the draft Official Plan Amendment, attached as Appendix “B” to Report PED22004, be adopted by City Council;
 - (ii) That the proposed Official Plan Amendment is consistent with the Provincial Policy Statement (2020) and conforms to the Growth Plan for the Greater Golden Horseshoe 2019, as amended;
- (b) That amended **Zoning By-law Amendment Application ZAC-20-014 by A.J. Clarke and Associates c/o Stephen Fraser, on behalf of RUDY & Associates**

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 2 of 37

c/o Michelle Cutts, Owner, for a change in zoning from the Deferred Development “D” Zone and the Urban Commercial “C4-288” Zone to a site specific Residential Multiple “RM2” (RM2-713) Zone, Modified, in the Town of Ancaster Zoning By-law No. 87-57, to permit ten townhouse dwelling units accessed from a private driveway, for lands located at 281 Hamilton Drive and 356 Wilson Street West, as shown on Appendix “A” attached to Report PED22004, be **APPROVED** on the following basis:

- (i) That the draft By-law, attached as Appendix “C” attached to Report PED22004, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (ii) That the amending By-law attached as Appendix “C” attached to Report PED22004, be added to District Map No. 1-B of Zoning By-law No. 87-57 as “RM2-713”;
- (ii) That the proposed change in zoning is consistent with the Provincial Policy Statement (2020), conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019, as amended, and complies with the Urban Hamilton Official Plan upon the approval of Official Plan Amendment No. ____.

EXECUTIVE SUMMARY

The subject property is municipally known as 281 Hamilton Drive and 356 Wilson Street West. The Owner, 1172875 BC Ltd. c/o A.K. Sangha has applied for amendments to the Urban Hamilton Official Plan and Town of Ancaster Zoning By-law No. 87-57 to permit a total of 10 townhouse units arranged in two blocks, two parking spaces in a tandem parking arrangement per dwelling units and seven visitor parking spaces, all of which will be accessed from a private driveway. Subsequent to the submission of the Applications, the lands were sold and the ownership changed from 1172875 BC Ltd. c/o A.K. Sangha to RUDY & Associates c/o Michelle Cutts effective August 10, 2021.

The purpose of the Official Plan Amendment Application is to re-designate the lands from the “Low Density Residential 1” to “Low Density Residential 3” the Ancaster Wilson Street Secondary Plan to permit the proposed townhouse dwelling units.

The purpose of the Zoning By-law Amendment is for a change in zoning from the Deferred Development “D” Zone and Urban Commercial “C4-288” Zone to a site specific Residential Multiple “RM2-713” Zone, Modified. Modifications to the “RM2” Zone have been requested to reduce the minimum lot area, minimum lot frontage, front

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 3 of 37

yard setback, flanking side yard setback, width of a planting strip, depth of offset for a row of townhouse dwellings, and to increase the required number of visitor parking spaces.

The Applications have merit and can be supported for the following reasons:

- They are consistent with the Provincial Policy Statement (2020) (PPS);
- They conform to the Growth Plan for the Greater Golden Horseshoe, 2019, as amended (Growth Plan);
- They comply with the general intent of the Urban Hamilton Official Plan and Ancaster Wilson Street Secondary Plan; and,
- The proposed development is compatible with existing land uses in the immediate area and represents good planning by, among other things, increasing the supply of housing units, making efficient use of existing infrastructure within the urban boundary, and supporting public transit.

Alternatives for Consideration – See Page 36

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 7 of 37

Existing Land Use and Zoning:

	Existing Land Use	Existing Zoning
Subject Property:	Vacant Lot	“C4-228” (Urban Commercial) Zone and “D” (Deferred Development) Zone, Modified

Surrounding Land Uses:

North	Municipal park and Fire Station	Neighbourhood Park (P1) Zone
East	Single detached dwellings	“R3” (Residential 3) Zone
South	Single detached dwellings	“R3-302” (Residential 3) Zone, Modified
West	Block townhouse dwellings	“RM3-327” (Residential Multiple 3) Zone, Modified

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

Provincial Planning Policy Framework

The Provincial Planning Policy Framework is established through the *Planning Act* (Section 3) and the Provincial Policy Statement (2020) (PPS). The *Planning Act* requires that all municipal land use decisions affecting planning matters be consistent with the PPS. As of May 1, 2020, the policies of the PPS (2020) apply to planning decision, including:

- “1.1.3.1 *Settlement areas* shall be the focus of growth and development.
- 1.1.3.2 Land use patterns within settlement areas shall be based on densities and a mix of land uses:
 - a) Efficiently use land and resources;
 - b) Are appropriate for, and efficiently use, the infrastructure and public service facilities which are planned or available, and avoid the need for their unjustified and/or uneconomic expansion;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 8 of 37**

- e) Support active transportation; and,
- f) Are transit-supportive, where transit is planned, exists or may be development;

1.1.3.4 Appropriate development standards should be promoted which facilitate intensification, redevelopment and compact form, while avoiding or mitigating risks to public health and safety.”

The proposed development is located within a settlement area and represents a compatible form of intensification which promotes efficient use of land, existing infrastructure, and existing public transit. The proposed development is a compact form of development that is appropriate in scale for the area.

Cultural Heritage and Archaeology

The City of Hamilton Official Plan has not been updated with respect to the cultural heritage policies of the PPS. The following policies amongst others of the PPS 2020 apply.

- “2.6.1 Significant built heritage resources and significant cultural heritage landscapes shall be conserved;
- 2.6.2 Development and site alteration shall not be permitted on lands containing archaeological resources or areas of archaeological potential unless significant archaeological resources have been conserved; and,
- 2.6.3 Planning authorities shall not permit development and site alteration on adjacent lands to protected heritage property except where the proposed development and site alteration has been evaluated and it has been demonstrated that the heritage attributes of the protected heritage property will be conserved.”

The subject property meets two of the ten criteria used by the City of Hamilton and Ministry of Heritage, Sport, Tourism and Culture Industries (MHSTCI) for determining archaeological potential:

- 1) In an area of sandy soil in areas of clay or stone;
- 2) In areas of pioneer EuroCanadian Settlement; and,
- 3) Along historic transportation routes.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 9 of 37**

Notwithstanding current surface conditions the criteria define the property as having archaeological potential. Staff will require that a written caution note be added to the site plan drawings as part of a future Site Plan Control Application.

The subject property is adjacent to 285 Hamilton Drive, a property included in the City's Inventory of Buildings of Architectural and/or Historical Interest, and staff are of the opinion that the heritage value of the property could be impacted. To address the potential impact on the heritage value of the adjacent inventoried property staff required the inclusion of a planting strip / vegetative tree barrier to be established between the subject lands and the inventoried property. The proposed development incorporates a planting strip along the rear lot line between the proposed development and the adjacent inventoried property and a visual barrier fence will be required to be provided as part of the future Site Plan Control Application. Staff are satisfied the that the heritage value of the adjacent inventoried property will be protected.

Noise

The PPS provides the following policy direction:

"1.2.6.1 Major facilities and sensitive land uses should be planned to ensure they are appropriately designed, buffered and / or separated from each other to prevent or mitigate adverse effects from odour, noise and other contaminants, minimize risk to public health and safety, and to ensure the long-term viability of major facilities."

The subject lands are close to existing noise sources, primarily from the surrounding roads. An Acoustical Study was prepared by HBC Engineering dated December 18, 2019 and submitted with the Application.

The noise sources identified in the study that impact the subject lands included Wilson Street West, Hamilton Drive, and Alexander Graham Bell Parkway (403) (AGBP), which is located approximately 310m to the south. The study also noted the existing fire station, located to the north of the subject lands, as a potential source of noise.

The study identified the sound levels impacting the proposed development measured from multiple points on both buildings and the study noted that the traffic sound levels at the proposed buildings will exceed the MECP guidelines. The Noise Study by HBC Engineering has identified the required mitigation measures and noise warning clauses that will need to be implemented in order for the development to comply with MECP guidelines. Required mitigation measures include:

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 10 of 37

- Requirement for the dwelling units to be equipped with central air conditioning systems so that windows can be kept closed;
- Establishment of a sound transmission class (STC) rating of 32 for the windows and doors on the north façade of the townhouse dwelling along Wilson Street West;
- Standard Ontario Building Code (OBC) requirements for the townhouse dwelling along Hamilton Drive;
- Warning Clauses that will need to be included in all offers of purchase and sale, and property and tenancy agreements; and,
- Prior to Application of a building permit a qualified professional will review the plans to ensure that windows and building constructions are adequately designed and subsequently that a qualified professional certify that the noise control measures for the building have been properly installed.

All noise mitigation measures will need to be implemented at the Site Plan Control stage.

The Acoustical Study prepared by HBC Engineering dated December 18, 2019 was based on the original design and layout of the proposed development and does not account for the changes in the proposed revised design. While the current Acoustical study adequately demonstrates that the proposed use can be accommodated on site with adequate mitigation measures, an updated Acoustical Study or Addendum Acoustical Study will need to be undertaken and implemented as part of the future Site Plan Control Application.

Site Contamination

The PPS provides the following policy direction:

“3.2.2 Sites with contaminants in land or water shall be assessed and remediated as necessary prior to any activity on the site associated with the proposed use such that there will be no adverse effects.”

Part of the subject lands was previously used for a motor vehicle service station (gas station). On the basis of this current development proposal a Record of Site Condition (RSC) is required to determine that the subject lands are not contaminated and precluded from being developed for residential use.

The Applicant filed a Record of Site Condition with the Ministry of the Environment, Conservation and Parks on December 16, 2020, which concluded based on Phase 1 and Phase 2 Environmental Assessment and sampling that was undertaken, that there

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 11 of 37**

is no evidence of any contaminants in the soil, ground water or sediment on, in or under the RSC property that would interfere with the proposed residential use.

Given the foregoing, and subject to the recommended zoning By-law provisions, staff are of the opinion that the Applications are consistent with the PPS.

Growth Plan for the Greater Golden Horseshoe 2019, as amended

The Growth Plan directs the majority of growth to settlement areas that have access to municipal water and wastewater systems and can support the achievement of complete communities. The following policies, amongst others, apply to the proposal:

- “2.2.1.2 a) Forecasted growth to the horizon of this Plan will be allocated based on the following:
- a) The vast majority of growth will be directed to *settlement areas* that:
 - i. Have a *delineated built boundary*;
 - ii. Have existing or planned *municipal water and wastewater systems*; and,
 - iii. Can support the achievement of *complete communities*;
- 2.2.1.2 c) Within *settlement areas*, growth will be focused in:
- i. Delineated built-up areas;
 - ii. Strategic growth areas;
 - iii. locations with existing or planned transit, with a priority on higher order transit where it exists or is planned; and,
 - iv. areas with existing or planned public service facilities;
- 2.2.1.4 Applying the policies of this Plan will support the achievement of *complete communities* that:
- c) Provide a diverse range and mix of housing options, including second units and *affordable* housing, to accommodate people at all stages of life, and to accommodate the needs of all household sizes and incomes;”

The subject lands are located within the Hamilton urban area and are fully serviced by municipal water and wastewater infrastructure. The proposal contributes toward providing a diverse range and mix of housing options and makes use of existing

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 12 of 37**

municipal services. The proposal represents a form of residential intensification within the built-up area, in proximity to an existing transit route along Wilson Street West.

Based on the foregoing, the proposal conforms with the policies of the Growth Plan.

Urban Hamilton Official Plan

The subject is identified as “Neighbourhoods” on Schedule “E” – Urban Structures and designated “Neighbourhood” on Schedule “E-1” – Urban Land Use Designation in the UHOP. The following policies, amongst others, apply to the proposal.

Urban Structures

- “E.2.6.2 Neighbourhoods shall primarily consist of residential uses and complementary facilities and services intended to serve the residents. These facilities and services may include parks, schools, trails, recreation centres, places of worship, small retail stores, offices, restaurants, and personal and government services;
- E.2.6.4 The Neighbourhoods element of the urban structure shall permit and provide the opportunity for a full range of housing forms, types and tenure, including affordable housing and housing with supports; and,
- E.2.6.7 Neighbourhoods shall generally be regarded as physically stable areas with each neighbourhood having a unique scale and character. Changes compatible with the existing character or function of the neighbourhood shall be permitted. Applications for development and residential intensification within Neighbourhoods shall be reviewed in consideration of the local context and shall be permitted in accordance with Section B.2.4 – Residential Intensification, E.3.0 – Neighbourhoods Designation, E.4.0 – Commercial and Mixed Use Designation, and E.6.0 – Institutional Designation.”

The proposal is to establish a block townhouse development comprised of freehold units fronting on a condo road is a use permitted for lands identified as “Neighbourhoods”. The proposed development contributes toward providing a full range of housing forms, types and tenures. The size and scale of the proposed development is compatible with the area which consists of low density forms of development.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 13 of 37**

Neighbourhoods

- "E.3.2.1 Areas designated Neighbourhoods shall function as complete communities, including the full range of residential dwelling types and densities as well as supporting uses intended to serve the local residents;
- E.3.2.3 The following uses shall be permitted on lands designated Neighbourhoods on Schedule E-1 – Urban land Use Designations:
- a) Residential dwellings, including second dwelling units and housing with supports;
- E.3.2.4 The existing character of established Neighbourhoods designated areas shall be maintained. Residential Intensification within these areas shall enhance and be compatible with the scale and character of the existing residential neighbourhood in accordance with Section B.2.4 – Residential Intensification and other applicable policies of this Plan;
- E.3.5.2 Uses permitted in medium density residential area include multiple dwellings except street townhouses;
- E.3.5.7 For medium density residential uses, the net residential density shall be greater than 60 units per hectare and not greater than 100 units per hectare;
- E.3.5.8 For medium density residential uses, the maximum height shall be six storeys; and,
- E.3.5.9 Development within the medium density residential category shall be evaluated on the basis of the following criteria:
- a) Development should have direct access to a collector or major or minor arterial road. If direct access to such a road is not possible, the development may gain access to the collector or major or minor arterial road from a local road only if a small number of low density residential dwellings are located on that portion of the local road.
 - b) Development shall be integrated with other lands in the Neighbourhoods designation with respect to density, design and physical and functional considerations.
 - c) Development shall be comprised of sites of suitable size and provide adequate landscaping, amenity features, on-site parking, and buffering

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 14 of 37**

if required. The height, massing, and arrangement of buildings and structures shall be compatible with existing and future uses in the surrounding area;

- d) Access to the property shall be designed to minimize conflicts between traffic and pedestrians both on-site and on surrounding streets; and,
- e) The City may require studies, in accordance with Chapter F – Implementation Policies, completed to the satisfaction of the City, to demonstrate that the height, orientation, design, and massing of a building or structure shall not unduly overshadow, block light, or result in the loss of privacy of adjacent residential uses;

F.1.2.2 The individual secondary plan policies and designations are contained in Volume 2. Secondary plan designations shall be identified on the maps appended to the specific secondary plan areas. It is intended that secondary plan policies are to be read in conjunction with the policies and designations contained in Volume 1. However, should there be a discrepancy between the policies and/or designations, the policies and designations of the secondary plan shall prevail.”

The proposed development is considered to be a block townhouse house development as a result of the dwelling unit sharing a common vehicular access by way of a private driveway, and therefore in respect to the UHOP the proposed use is considered to be a multiple dwelling. Based on this, the form of development is considered to be a medium density residential development. A multiple dwelling is permitted for lands designated “Neighbourhoods.”

The proposed 10 dwelling units will result in a residential density of 37.3 units per hectare and therefore would not comply with the minimum density of 60 units per hectare for medium density. However, in accordance with F.1.2.2, where there is a discrepancy between the policies of the UHOP and the secondary plan, then the secondary plan polices shall prevail. Upon the approval of requested Official Plan Amendment to change the secondary plan designation from Low Density Residential 1 to Low Density Residential 3 the proposed density of 3.7.3 unit per hectare will comply with the density range of 20 to 60 units per hectare in the Ancaster Wilson Street Secondary Plan.

Additionally, the proposed development for block townhouse dwellings will:

- Be two and a half storey buildings, thereby complying with the maximum height provision;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 15 of 37**

- Have frontage on Wilson Street West a major arterial road and have direct vehicle access to Hamilton Drive a collector road;
- Provide a built form that is compatible with other block townhouse development in the area and a built form that is compatible with the low rise scale of development in the area in terms of height, massing and the arrangement of buildings;
- Provide adequate on-site landscaping, private amenity space, on-site parking and buffering between the proposed development and adjacent lands;
- Have separate vehicle and pedestrian accesses to the street and public sidewalk, provides a consolidate private driveway that is located at the furthest point from the existing roundabout located at the intersection of Wilson Street West and Hamilton Drive, thereby minimizing traffic conflicts and pedestrian conflicts; and,
- Sun shadow studies and study of overlook impacts were not required due to the low rise nature of the proposed block townhouse development and due to the fact that no modification for increased building height, or modification to reduce the setbacks from the adjacent lands was requested.

Residential Intensification

B.2.4.1.4 Residential intensification developments shall be evaluated based on the following criteria:

- a) A balanced evaluation of the criteria in b) through g), as follows;
- b) The relationship of the proposal to existing neighbourhood character so that it maintains, and where possible, enhances and builds upon desirable established patterns and built form;
- c) The development's contribution to maintaining and achieving a range of dwelling types and tenures;
- d) The compatible integration of the development with the surrounding area in terms of use, scale, form and character. In this regard, the City encourages the use of innovative and creative urban design techniques;
- e) The development's contribution to achieving the planned urban structure as described in Section E.2.0 – Urban Structure;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 16 of 37**

- f) Infrastructure and transportation capacity; and,
- g) the ability of the development to comply with all applicable policies;

B.2.4.2.2 When considering an Application for a residential intensification development within the Neighbourhoods designation, the following matters shall be evaluated:

- a) The matters listed in Policy B.2.4.1.4;
- b) Compatibility with adjacent land uses including matters such as shadowing, overlook, noise, lighting, traffic, and other nuisance effects;
- c) The relationship of the proposed building(s) with the height, massing, and scale of nearby residential buildings;
- d) The consideration of transitions in height and density to adjacent residential buildings;
- e) The relationship of the proposed lot(s) with the lot pattern and configuration within the neighbourhood;
- f) The provision of amenity space and the relationship to existing patterns of private and public amenity space;
- g) The ability to respect and maintain or enhance the streetscape patterns including block lengths, setbacks and building separations;
- h) The ability to complement the existing functions of the neighbourhood;
- i) The conservation of cultural heritage resources; and,
- j) Infrastructure and transportation capacity and impacts.”

The subject property is in an area dominated by low rise built form of development ranging in height from one to two storey. The proposed development seeks to establish a development that is two and a half storeys in height but will appear to be a two storey building from the front façade. The proposed block length of 36.5 metres along Hamilton Drive and 24.7 metres along Wilson Street West is compatible with the block lengths of existing townhouse building in the area which range in length from 32 metres to 55 metres. While the proposed six metre wide townhouse units are narrower than the existing eight to nine metre wide townhouse units that exist in immediate area based on the proposed building height, and building massing of the proposed buildings

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 17 of 37**

the development will maintain the establish pattern and built form of the area which will integrate with the surrounding area in accordance with the objective of the policies of the UHOP, particularly, policies B.2.4.1.4 b) and d) and B.2.4.2.2 c), and e).

The proposed block townhouse dwellings will contribute to achieving a range of dwelling types and tenures policy B.2.4.1.4 c).

As previously outlined the proposed development will comply with the planned urban structure in Section E.2.0 – Urban Structures and will complement the existing function of the neighbourhood as stated in policies B.2.4.1.4 (e) and B.2.4.2.2 (h).

There are existing municipal services available to service the subject property and adequate transportation capacity available on the abutting municipal roads, policies B.2.4.1.4 f) and B.2.4.2.2 j).

Based on the size, scale and orientation of the proposed development the proposed development will not create shadow, overlook, noise, lighting, traffic or other nuisance effects on adjacent land uses, policy B.2.4.2.2 b).

The proposed two and a half storey building height along with the proposed 2.5 metre side yard setback will establish an appropriate transition from the existing one storey building to the east on Wilson Street West and the proposed 8.4 metre rear yard setback will establish an appropriate transition form the existing one and a half storey building to the south on Wilson Street West, policy B.2.4.2.2 d).

The amenity needs of the residents will be addressed by way of a 14.2 square metre rear roof top terrace for each unit to provide adequate private amenity space policy B.2.4.2.2 f).

While a modification for a 0.8 metre front yard setback is proposed from Wilson Street West due to the irregular shape of the property and the existing turning circle, the front façade of the building fronting onto Wilson Street West will be located further south than the existing building at 352 Wilson Street West located to the east of the subject property. The front façade of the building fronting onto Hamilton Drive will project closer to the street than the façade of the existing building at 285 Hamilton Drive located to the south of the subject property, however the project will be approximately 2 metres and based on the proposed 8.4m rear yard setback will create an appropriate transition in respect to setbacks. The proposed 2.5 metre easterly side yard setback and 8.4 metre rear yard setback represent appropriate setbacks for the area. As previously noted, the block length of the proposed townhouse is compatible with the block length of other townhouse in the area. Finally, the 5.5 metre separation between the townhouse blocks is similar in scale to the separation between existing townhouse

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 18 of 37**

blocks in the area. The proposed development respects and maintains the streetscape pattern in terms of the block length, setbacks, and building separation, policy B.2.4.2.2 g).

The proposal will not remove any existing cultural heritage resource and as previously noted the heritage value of the adjacent property at 285 Hamilton Drive will be protected, policy B.2.4.2.2 i).

The proposed development will conform to the Residential Intensification policies of the UHOP.

Urban Design

“B.3.3.3.2 New development shall be designed to minimize impact on neighbouring buildings and public spaces by:

- a) Creating transitions in scale to neighbouring buildings;
- b) Ensuring adequate privacy and sunlight to neighbouring properties; and,
- c) Minimizing the impacts of shadows and wind conditions;

B.3.3.3.3 New development shall be massed to respect existing and planned street proportions.

B.3.3.3.5 Built form shall create comfortable pedestrian environments by:

- a) Locating principal facades and primary building entrances parallel to and as close to the street as possible;
- b) Including ample glazing on ground floors to create visibility to and from the public sidewalk;
- c) Including a quality landscape edge along frontages where buildings are set back from the street;
- d) Locating surface parking to the sides or rear of sites of buildings, where appropriate; and,
- e) Using design techniques, such as building step-backs, to maximize sunlight to pedestrian areas.”

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 19 of 37**

Based on the height of the proposed building and the setbacks from the adjacent property an appropriate transition from the neighbouring building will be maintained. Based on the size, scale, setback, and orientation of the proposed buildings, adequate privacy and sunlight will be provided to neighbouring properties and will not create shadow and overlook impacts that will negatively affect abutting dwellings. As a result of the height of the proposed buildings, no wind impacts will be created.

As previously outlined the proposed massing of the proposed building in respect to height and length is consistent with the existing area. The massing of the proposed development respects the existing street proportions.

The principal façade and primary entrances will be oriented to the street and be located as close to the street as possible. Ample glazing will be provided along the ground floor of the proposed development to create visibility to and from the public sidewalk. Landscaping will be provided between the front façade and the street. Surface parking areas for both residents and visitors will be located to the rear of the proposed building.

The proposed development will comply with the Urban Design policies of the UHOP.

Ancaster Wilson Street Secondary Plan

The subject property is designated “Low Density Residential 1” on Map B.2.8-1 Land Use Plan, in the Ancaster Wilson Street Secondary Plan. The subject property is located in the Gateway Residential Area in the Ancaster Wilson Street Secondary Plan.

2.8.7.2 General Residential Policies

In addition to Section B.3.2 – Housing Policies, C.3.2 – Urban Area General Provisions, and E.3.0 – Neighbourhood Designations of Volume 1, the following policies apply to all residential land use designations identified on Map B.2.8-1 – Ancaster Wilson Street Secondary Plan: Land Use Plan:

- a) Residential development or redevelopment and infill development shall maintain and enhance the character of the residential areas through architectural style that is sympathetic and complementary with the existing adjacent residential areas, heritage buildings, and uses. Further direction regarding design shall be provided in the Urban Design policies, detailed in Policy 2.8.12 of this Plan;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 20 of 37**

- b) Common element and condominium roads should be connected to the public active transportation network via sidewalks;
- c) Reverse frontage lotting patterns shall not be permitted, except where existing on the date of approval of this Secondary Plan; and,
- d) Direct access to individual dwelling units from Wilson Street and Fiddlers Green Road shall be discouraged. Alternative forms of access, such as use of shared or common access points and rear lane arrangements, shall be encouraged.

2.8.7.3 Low Density Residential Designations

- a) In addition to Section E.3.4 – Low Density Residential of Volume 1, for lands designated Low Density Residential 1 on Map B.2.8-1 – Ancaster Wilson Street Secondary Plan: Land Use Plan, the following policies shall apply:
 - i. Notwithstanding Policy E.3.4.3 of Volume 1, the permitted uses shall be limited to single detached dwellings and semi-detached dwellings;
 - ii. The conversion of residential buildings, or construction of new buildings for medial, business, personal services, or professional office uses shall not be permitted in areas designated Low Density Residential 1;
 - iii. Notwithstanding Policy E.3.4.4. of Volume 1, the net residential density range shall be 1 – 20 units per hectare; and,
 - iv. Notwithstanding Policy E.3.4.5 of Volume 1, the maximum building height shall be 2.5 storeys;
- b) In addition to Section E.3.4 – Low Density Residential of Volume 1, for lands designated Low Density Residential 3 on Map B.2.8-1 – Ancaster Wilson Street Secondary Plan: Land Use Plan, the following policies shall apply:
 - i. In addition to Policy E.3.4.3 of Volume 1, all forms of townhouses and low rise multiple dwellings shall be permitted;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 21 of 37**

- ii. Notwithstanding Policy E.3.4.4 of Volume 1, the net residential density range shall be 20 – 60 units per hectare; and,
- vi. New development or redevelopment shall ensure the height, massing, scale, and arrangement of the buildings and structures are compatible with the abutting uses.

The proposed development, with a height of 2.5 storeys, will comply with the “Low Density Residential 1” policies in the Ancaster Wilson Street Secondary Plan. A block townhouse is not a use permitted for lands designated “Low Density Residential 1” which permits only single detached and semi detached dwellings. In addition, the proposed residential density of 37.3 units per hectare exceeds the density range of 1 – 20 units per hectare permitted for lands designated “Low Density Residential 1”. Therefore, an amendment to the Ancaster Wilson Street Secondary Plan is required to change the designation of the lands to a “Low Density Residential 3” designation which would permit the proposed block townhouse form of development and the proposed residential density.

Urban Design

- 2.8.12.1 In addition to Section B.3.3 – Urban Design policies of Volume 1, the following policies shall apply to lands within the Ancaster Wilson Street Secondary Plan and Community Node areas, as identified on Map B.2.8-1 Ancaster Wilson Street Secondary Plan: Land Use and Appendix A – Character Areas and Heritage Features:
- a) Development and redevelopment shall be consistent with the Ancaster Wilson Street Secondary Plan Urban Design Guidelines, and shall be sympathetic to adjacent building styles, features and materials when adjacent to a designated or listed heritage building;
 - b) In accordance with Policy F.1.19.6 of Volume 1, an Urban Design Report may be required for development or redevelopment, demonstrating how the proposal meets the policies of this Secondary Plan and the Ancaster Wilson Street Secondary Plan Urban Design Guidelines;
 - c) For the purpose of maintaining community character and cohesive design, five Character Areas have been identified, as shown on Appendix A – Character Areas and Heritage Features. The five Character Areas shall include:

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 22 of 37**

- v) Gateway Residential, located from Todd Street to Meadowbrook Drive, which is a predominately residential area with low and medium density housing;
- d) The Ancaster Wilson Street Secondary Plan Urban Design Guidelines further describe the design objectives, function, and design character of each Character Area;
- e) New development or redevelopment shall complement the distinct character, design, style, building materials, and characteristics, which define each Character Area;
- f) Design requirements shall only apply to commercial and mixed use areas, institutional, and multi-residential developments. The Guidelines shall not apply to single detached and semi-detached dwellings;
- g) Development or redevelopment shall not negatively affect active transportation within the Ancaster Wilson Street Secondary Plan; and,
- h) Development and redevelopment shall foster streets as interactive outdoor spaces for pedestrians.

The proposed development for a medium density housing form is consistent with Gateway Residential Character Area. The proposed development is compatible with the character of the area.

As outlined in the Ancaster Wilson Street Secondary Plan – Urban Design Guidelines the proposed development is consistent with the Design Intent for the Gateway Residential design district. All vehicle access will be from Hamilton Drive and based on the scale of the development the transportation policy objectives of the Ancaster Wilson Street Secondary Plan will be maintained. The proposed development is oriented towards the street with front doors and front porches and therefore, the proposed development will foster streets as interactive outdoor spaces for pedestrians.

The proposed development is subject to the Ancaster Wilson Street Secondary Plan – Urban Design Guidelines.

3.1.1 Design Intent

The Intent of these design guidelines is to preserve the residential scale and “green” character of Wilson Street West, while enhancing the “gateway”

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 23 of 37

function of the corridor currently fulfils. Primary elements of the guidelines that achieve this include:

- Building design is flexible and accommodates / promotes individual expression;
- Building heights are limited to 3 storeys with pitched rooflines;
- Building masses are setback from the street with front yard landscaping; and,
- A strong linear parkway for pedestrian and bicycle circulation and enhances connections and the green quality of the street.

The proposed development does not exceed a height of three storeys and maintains a pitched roofline. The front façade of the proposed buildings and the landscaping provided between the front façade of the buildings and the street are generally consistent with the existing building lines along both Wilson Street West and Hamilton Drive. The proposal will include extension of the municipal sidewalks along Hamilton Drive, and the inclusion of internal walkways to facilitate pedestrian circulation. The proposal includes bicycle parking on-site to promote active transportation.

Based on the forgoing the proposed development complies with the policies of the Ancaster Wilson Street Secondary Plan, subject to approval of the Official Plan Amendment.

Town of Ancaster Zoning By-law No. 87-57

The southerly portion of the property formerly 281 Hamilton Drive is zoned Deferred Development “D” Zone and the northerly portion of the property formerly 356 Wilson Street West is zoned Urban Commercial “C4-288” Zone, neither zone permits street townhouses. To permit the proposed 10 street townhouse units a Zoning By-law amendment is required. To implement the proposed development, the Applicant is seeking to change the zoning of the subject lands from the Deferred Development “D” Zone and Urban Commercial “C4-288” Zone to a site specific Residential Multiple “RM2” (RM2-713) Zone, Modified. The site-specific modifications to accommodate the proposal are outlined in the Report Fact Sheet and discussed in detail in Appendix “E” attached to Report PED22004.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

RELEVANT CONSULTATION

Departments and Agencies		
	Comment	Staff Response
Strategic Planning Section, Public Works Department.	No Comment or concern with the proposal.	None
Ministry of the Environment, Conservation and Parks (MECP).	Based on the history of the site having been a gas station and with the proposal being to change the use to residential a Record of Site Condition needs to be completed and uploaded to the Registry in order to demonstrate that the site has been assessed, remediated in necessary, and is therefore suitable for the intended more sensitive land use.	A Record of Site Condition (RSC) was filed with the Ministry of the Environment, Conservation and Parks on December 16, 2020.
Transit Planning and Infrastructure, Public Works Department.	Installation of a sidewalk on the east side of Hamilton Drive will improve access to public transit for residents.	Installation of sidewalks along the east side of Hamilton Drive will be required as part of the Site Plan Control Application.
Healthy Environments Division, Public Health Services.	Promote making it easier to walk, cycle, or use public transit which has a positive influence on physical activity, safety, air quality, and ultimately health and quality of life. Support development to increase density and provides pedestrian oriented streetscape.	The proposed development establishes intensification of the subject lands and provides for a pedestrian oriented streetscape. Walkways to connect to the municipal sidewalk and on-site bicycle parking will be provided.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Public Consultation		
Issue	Comment	Staff Response
Building Length.	Concern that the length of the buildings is not in keeping with the character of the area.	<p>The proposed development consists of two building one consisting of six units building along Hamilton Drive that is approximately 36.5 metres in length, and the second consists of a four unit building along Wilson Street West that is approximately 24.75 metres in length. The length of the proposed townhouses do not exceed the maximum of eight per townhouse block outlined in the Zoning By-law.</p> <p>In addition, the proposed length of 36.5 metres is consistent with the length of existing townhouse building in the immediate area which have building length ranging form 32 metres to 55 metres in length.</p>
Density.	Concern that the proposed density of the development is not in keeping with the character of the area.	<p>The initial design proposed 11 dwelling units and has subsequently been reduced to 10 dwelling units.</p> <p>The subject lands will be able to accommodate the proposed 10 dwelling units while providing appropriately sized dwelling units, along with adequate parking, amenity space and landscaping, and providing for a built form in terms of massing, height and setbacks that is compatible with the area.</p> <p>Therefore, the density of the proposed development will be compatible with the area.</p>

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 30 of 37**

Public Consultation		
Issue	Comment	Staff Response
Privacy Continued.		The limited height of the building along with the orientation and setback of the buildings as outlined above, along with the provision of visual barriers and landscaping will minimize privacy overlook impacts on the adjacent lands.
Sun Shadow.	Concern that the proposed development would create shadow impacts on adjacent properties.	The proposed building will not exceed the maximum building that is currently permitted on adjacent lands, nor is any reduction in the required setbacks required from either the easterly side lot line or rear lot line. Furthermore, the proposed buildings will be setback from the adjacent properties. Therefore, the proposed development will not create negative shadow effects on the adjacent properties.
Traffic Impacts.	Concern that the proposed development would create negative traffic impacts for the area.	The proposed ten townhouse dwellings will not generate a substantial amount of traffic. Due to the limited number of trips that will be generated, there will be no measurable effect on the traffic on the surrounding road network. Therefore, the proposed development will not result in any adverse traffic impacts for the area.
Lighting Impacts.	Concern that the proposed development would create lighting impacts for the adjacent properties.	Lighting from any pole or wall mounted light fixture will be required to be contained on the subject lands as part of the Site Plan Control Application.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Ancaster (PED22004) (Ward 12) - Page 31 of 37**

Public Consultation		
Issue	Comment	Staff Response
Lighting Impacts Continued.		In respect to lighting impacts from vehicles it is noted that a visual barrier will be required to be established between the subject property and the abutting lands. Landscaping will also be required to be provided between the parking area and the adjoining lands. Therefore, the proposed development will not result in any adverse lighting impacts on the adjacent lands.
Noise Impacts.	Concern that the proposed development would create negative noise impacts for the adjacent properties.	Based on the scale of the proposed street townhouse development (10 units) and the orientation and setback of the building the proposed development will not generate noise at a level that will result in any adverse impacts on the adjacent lands.
Setbacks from the Street Line.	Concern that the setbacks of the proposed development are not compatible with character of the area.	The design of the units have been revised from the original proposal. The revised design will setback the front façade of the building along Wilson Street West to no longer project in front of the existing dwelling to the east. The revision also results in the corner of only one unit having a setback less than 1m with the remaining portions of the building façade having setbacks as large as 11.0 metres for the portion of the building closes to the easterly side lot line.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

<p>Visitor Parking Continued.</p>		<p>of a Block Townhouse development. A minimum of seven visitor parking spaces are required to be provided.</p> <p>Therefore, adequate visitor parking will be provided for the proposed development.</p>
<p>Pedestrian Sidewalk</p>	<p>Concern with respect to a lack of pedestrian sidewalks along Hamilton Drive.</p>	<p>As part of the proposed development the extension of the municipal sidewalk along the length of the Hamilton Drive frontage is required to be completed.</p> <p>Therefore, the proposed development will facilitate the extension of the pedestrian sidewalk along the east side of Hamilton Drive.</p>

PUBLIC CONSULTATION

In accordance with the provisions of the *Planning Act* and the Council approved Public Participation Policy, Notice of Complete Application and Preliminary Circulation was sent to 104 property owners within 120 m of the subject property on January 29, 2020. A Public Notice sign was posted on the property on February 11, 2020 and updated on December 8, 2021. Finally, the Notice of the Public Meeting was given on December 17, 2021 in accordance with the requirements of the *Planning Act*.

To date, 18 letters have been submitted expressing concern with the proposed development. These are attached as Appendix “F” to Report PED22004 and summarized in the table above.

Public Consultation Strategy

The Public Consultation Strategy included a mailout that was sent out on August 10, 2021 seeking public engagement and an additional mailout was sent on August 26, 2021 to members of the public who did not receive the original mailout, as discussed on page 6 of Report PED22004. The comments and concerns raised in response to the Applicant’s mailout as summarized on page 27 of Report PED22004 relate to issues of compatibility, traffic, and built form.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 35 of 37**

ANALYSIS AND RATIONALE FOR RECOMMENDATION

1. The proposal has merit and can be supported for the following reasons:
 - (i) It is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019, as amended;
 - (ii) It complies with the policies of the Urban Hamilton Official Plan, and complies with the general intent of the Ancaster Wilson Street Secondary Plan upon approval of the Official Plan Amendment; and,
 - (iii) The proposed development is compatible with existing land uses in the immediate area and represents good planning by, among other things, increasing the supply of housing units, making efficient use of land, existing infrastructure, and supporting public transit.

2. Official Plan Amendment

The proposed Official Plan Amendment seeks to change the designation of the subject lands from “Low Density Residential 1” to “Low Density Residential 3”. In the opinion of staff, the “Low Density Residential 3” designation constitutes a scale of development that is in keeping with the character of the existing neighbourhood.

As outlined in detail in the Policy Implication and Legislated Requirements section of Report PED22004 the proposed change in designation facilitates a form of development that is compatible with the scale and character of the area. The subject lands are appropriately suited for a change in designation due to the proximity of the lands to an arterial road and transit.

The proposed change in designation from “Low Density Residential 1” to “Low Density Residential 3” is appropriate as the subject lands are located at the intersection of (Wilson Street West, a major arterial road, and Hamilton Drive, a collector road). The existing transit route along Wilson Street West includes a bus stop immediately in front of the subject lands. The change in designation is being undertaken on a parcel of lands which is capable of accommodating an increase in density at a scale that is compatible with the area. The proposed development can be designed to mitigate any potential negative impacts on adjacent properties.

The proposed Official Plan Amendment has merit can be supported.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for Official Plan Amendment and Zoning By-law Amendment to the Town of Ancaster Zoning By-law No. 87-57 for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - Page 36 of 37

3. Zoning By-law Amendment

The Application for Zoning By-law Amendment is for a change in zoning from the Deferred Development “D” Zone and the Urban Commercial “C4-288” Zone to a site specific Residential “RM2” (RM2-713) Zone, Modified.

The maximum building height of the proposed Residential “RM2” Zone is consistent with the maximum building height permitted on adjacent lands. The proposed site specific Residential “RM2” (RM2-713) Zone, Modified will restrict the maximum number of dwelling units to ten units and will require a minimum of seven visitor parking spaces. The modifications are identified on page 8 of Report PED22004 and discussed in detail in Appendix “E” to Report PED22004.

Therefore, staff support the proposed amendment to the Zoning By-law.

4. A Tree Management Plan prepared by MacKinnon & Associates dated December 19, 2019 was submitted with the initial Applications and subsequently a revised Tree Management Plan prepared by Hill Design Studio Inc. dated Sept 20, 2021 was provided and reviewed. A total of 30 trees have been inventoried as part of the Tree Management Plan and of these trees 21 have been identified to be removed. The decision to retain trees is to be based upon vigour, condition, aesthetics, age and species and that there are limited opportunities to retain trees on site. To ensure that existing tree cover is maintained the City Requires 1 for 1 compensation for any trees (10 cm DBH or greater) that is proposed to be removed from private property and based on the Tree Management Plan compensation is required for 12 trees. Compensation should be provided on-site, if it cannot be accommodated on-site than cash-in-lieu is required.

Based on the forgoing the Tree Management Plan is acceptable. Details for the tree compensation will need to be provided on the Landscape Plan as part of the future Site Plan Control Application or cash-in-lieu required as a condition of Site Plan Control.

ALTERNATIVES FOR CONSIDERATION

Should the Application be denied, the subject property can be used in accordance with the Deferred Development “D” Zone and the Urban Commercial “C4-288” Zone, in the Town of Ancaster Zoning By-law No. 87-57.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Application for Official Plan Amendment and Zoning By-law
Amendment to the Town of Ancaster Zoning By-law No. 87-57 for
Lands Located at 281 Hamilton Drive and 356 Wilson Street West,
Ancaster (PED22004) (Ward 12) - Page 37 of 37**

ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN

Community Engagement and Participation

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

Economic Prosperity and Growth

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

Healthy and Safe Communities

Hamilton is a safe and supportive City where people are active, healthy, and have a high quality of life.

Clean and Green

Hamilton is environmentally sustainable with a healthy balance of natural and urban spaces.

Built Environment and Infrastructure

Hamilton is supported by state of the art infrastructure, transportation options, buildings and public spaces that create a dynamic City.

Culture and Diversity

Hamilton is a thriving, vibrant place for arts, culture, and heritage where diversity and inclusivity are embraced and celebrated.

Our People and Performance

Hamiltonians have a high level of trust and confidence in their City government.

DRAFT Urban Hamilton Official Plan Amendment No. X

The following text, together with Appendix "A" – Volume 2: Map B.2.8-1 Ancaster Wilson Street Secondary Plan – Land Use Plan, attached hereto, constitutes Official Plan Amendment No. X to the Urban Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of this Amendment is to amend the Ancaster Wilson Street Secondary Plan by redesignating the subject lands to permit the development of 10 Block Townhouse Dwellings.

2.0 Location:

The lands affected by this Amendment are known municipally as 281 Hamilton Drive and 356 Wilson Street West, in the former Town of Ancaster.

3.0 Basis:

The basis for permitting this Amendment is:

- The proposed Amendment is consistent with, and complementary to, the existing development in the immediate area, including the adjacent cultural heritage resource;
- The proposed development implements the Residential Intensification policies of the Urban Hamilton Official Plan; and;
- The Amendment is consistent with the Provincial Policy Statement, 2020 and conforms to the Growth Plan for the Greater Golden Horseshoe, 2019, as amended.

4.0 Actual Changes:

4.1 Volume 2 – Secondary Plans

Maps

4.1.1 Map

- a. That Volume 2: Map B.2.8-1 – Ancaster Wilson Street Secondary Plan – Land Use Plan be amended by redesignating the subject lands from "Low Density Residential 1" to "Low Density Residential 3", as shown on Appendix "A", attached to this Amendment.

5.0 Implementation:

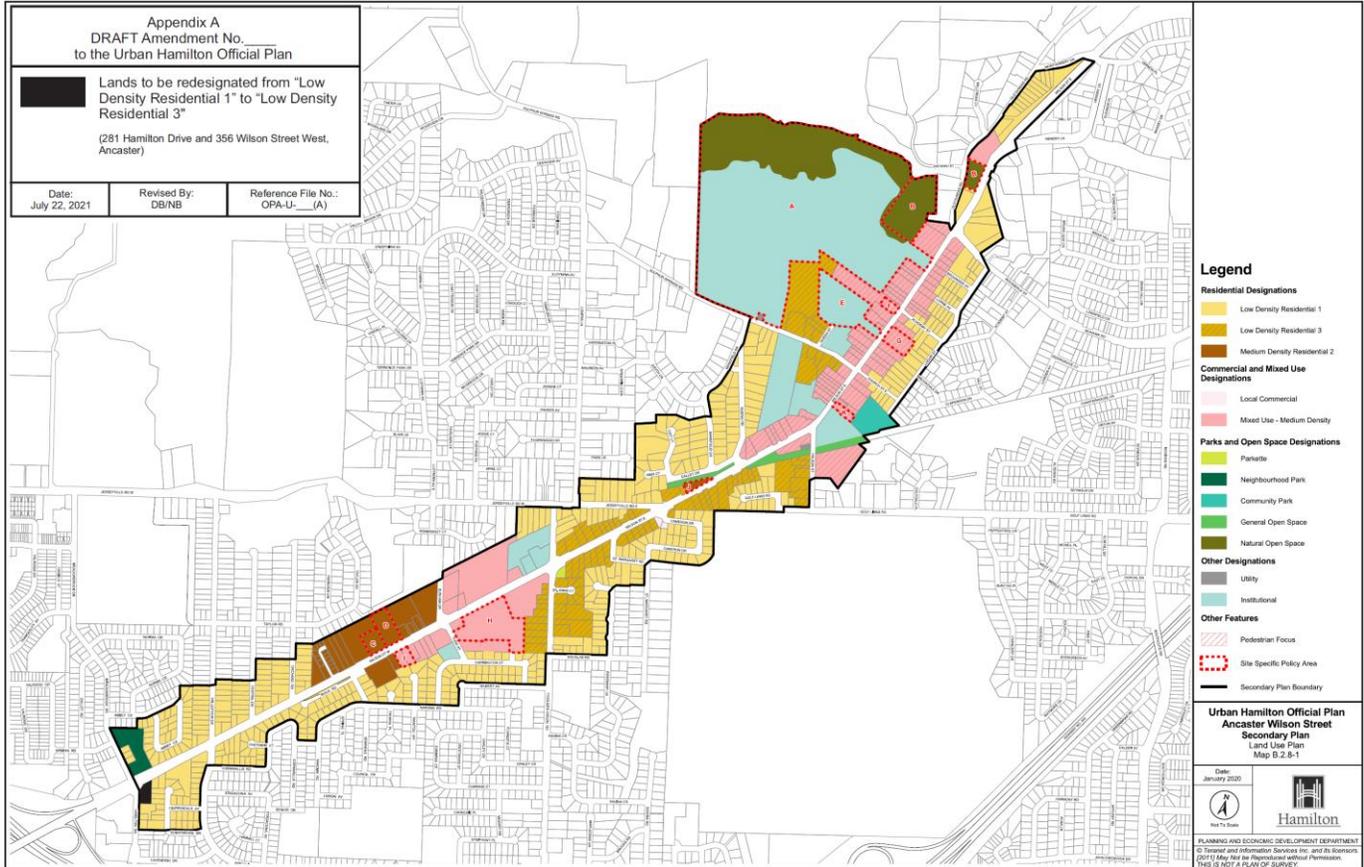

An implementing Zoning By-Law Amendment and Site Plan will give effect to the intended uses on the subject lands.

This Official Plan Amendment is Schedule "1" to By-law No. _____ passed on the ___th day of __, 2022.

**The
City of Hamilton**

Bill No. XXX

CITY OF HAMILTON

BY-LAW NO. 22-XXX

**To Amend Zoning By-law No. 87-57
Respecting Lands Located at 281 Hamilton Drive and 356 Wilson Street West**

WHEREAS the *City of Hamilton Act, 1999*, Statutes of Ontario, 1999 Chap. 14, Sch. C. did incorporate, as of January 1, 2001, the municipality “City of Hamilton”;

AND WHEREAS the City of Hamilton is the successor to certain area municipalities, including the former municipality known as the “The Corporation of the City of Hamilton” and is the successor to the former regional municipality, namely, “The Regional Municipality of Hamilton-Wentworth”;

AND WHEREAS the *City of Hamilton Act, 1999* provides that the Zoning By-laws of the former area municipalities continue in force in the City of Hamilton until subsequently amended or repealed by the Council of the City of Hamilton;

AND WHEREAS Zoning By-law No. 87-57 (Ancaster) was enacted on the 22nd day of June, 1987, and approved by the Ontario Municipal Board on the 23rd day of January, 1989;

AND WHEREAS the Council of the City of Hamilton, in adopting Section _____ of Report 20-_____ of the Planning Committee at its meeting held on the XX day of XXXXXX 2022, recommended that Zoning By-law No. 87-57 (Ancaster), be amended as hereinafter provided; and,

AND WHEREAS this By-law will be in conformity with the Urban Hamilton Official Plan upon adoption of UHOPA No. XX.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. That Map No. 1-B of Schedule “A”, appended to and forming part of Zoning By-law No. 87-57 (Ancaster) be amended by changing the zoning from the Deferred Development “D” Zone and the Urban Commercial “C4-288” Zone to a site specific Residential Multiple “RM2-713” Zone, Modified, on the lands the extent and boundaries of which are shown on the plan hereto annexed as Schedule “A”.

 Respecting Lands Located at 281 Hamilton Drive and 356 Wilson Street West
 (Ancaster)

2. That Section 34: Exceptions, to Zoning By-law No. 87-57 (Ancaster), as amended, is hereby further amended by adding the following Sub-sections:

“RM2-713”

That notwithstanding the provisions of Section 15.1, 15.2 (a), (b), (e), (f), (j), and (k) (ii), Section 7.12 (c) and (d), and Section 7.14 (b) (i) (A), the following special provisions shall apply to the lands zoned “RM2-713”:

REGULATIONS

- | | | |
|-----|----------------------------------|--|
| (a) | Maximum Number of Dwelling Units | 10 street townhouse dwelling units. |
| (b) | Minimum Lot Area | 2,600 square metres of total parcel area. |
| (c) | Minimum Lot Frontage | 50 metres of total parcel frontage, 6.0 metres per dwelling unit, and 6.2 metres for a dwelling end unit. |
| (d) | Minimum Front Yard | 0.8 metres. |
| (e) | Minimum Side Yard | i) 2.5 metres for a dwelling end unit which does not abut a flanking street, and 2.5 metres for a dwelling unit abutting a flanking street; except,

ii) 3.0 metres for a dwelling end unit abutting a flanking street; and,

iii) 2.3 metres for the westerly end unit of the building along Wilson Street West from the flanking street line measuring 20.3 metre. |
| (f) | Planting Strip | Notwithstanding the other provisions of this Subsection, where the boundary of a Residential Multiple “RM2” Zone adjoins lands zoned Existing Residential “ER” or Residential “R1”, “R2” or “R3”, a planting strip of minimum 2.5 metre width along the easterly side lot line and 1.4 metres along the southerly rear lot line shall be provided.

Bicycle parking shall be permitted within the 1.4 metre wide planting strip along the southerly rear lot line. |

Appendix “C” to Report PED22004

 (Ancaster)

- | | | |
|-----|---|--|
| (g) | Dwelling Unit Placement | Not more than four attached dwelling units shall be erected in a row without offsetting or staggering the front face or wall of the dwelling a minimum 0.5 metre or without varying the exterior design and materials of the front face or wall of the dwelling. |
| (h) | Yard Encroachment for open stairway | 0 metres from a front lot line and flanking side lot line. |
| (i) | Yard Encroachment for unenclosed porch | 0 metres from a front lot line and 1.0 metres from a flanking side lot line. |
| (j) | Required Parking for a street townhouse | 2 plus 0.66 visitor parking spaces |
3. That no building or structure shall be erected, altered, extended, or enlarged, nor shall any building or structure or part thereof be used, nor shall any land be used, except in accordance with the Residential Multiple “RM2” Zone provisions, subject to the special requirements referred to in Section 2 of this By-law.
4. That the Clerk is hereby authorized and directed to proceed with the giving of notice of the passing of this By-law in accordance with the *Planning Act*.

PASSED this ____ day of _____, 2022.

Zoning By-law Site Specific Modifications – Residential Multiple “RM2” (H-RM2-713) Zone

Provision	Required	Requested Amendment	Analysis
Section 7: General Provisions			
<p>(12) (c) Yard Encroachment for open stairways.</p> <p>(12) (d) Yard Encroachment for unenclosed porch</p> <p><i>** Applicant Requested Modification</i></p>	<p>Open Stairway that project into any front yard a distance of not more than 1.5 metres.</p> <p>Unenclosed porches that project into any minimum front yard a distance of not more than 1.5 metres.</p>	<p>Open Stairway shall be setback 0 metres from a front lot line or flanking side lot line.</p> <p>Unenclosed porches shall be setback 0 metres from a front lot line or 1.0 metres from a flanking side lot line.</p>	<p>The proposed modification for a 0 metre setback for porches and stairways from the front lot line as a result of the irregular angle of the front lot line which results in the north west corner of the porch of one of the proposed units being setback 0 metres from the front lot line. The setback of the porch increases towards the east end of the proposed building along Wilson Street West and will be setback further from the front lot line at the east end of the building than the existing building located to the east.</p> <p>The proposed modification for a 0 metre setback for stairways and 1.0 metres for a porch from a flanking side lot line is due to a required road widening dedication of 3.0 metres along Hamilton Drive which results in the flanking side lot line being 0 metres from the proposed stairway and 1.0 metres from the proposed porch. The modification will accommodate a porch that is approximately 1.5 metres in depth with front stairs that project to the ultimate widened lot line along Hamilton Drive, and which represents an appropriate sized front porch and stairway. While the front façade of the building along Hamilton Drive along with the proposed porch and stairs will project closer to the street than the existing building to the south the projection will not be significantly inconsistent with the existing setbacks of other properties in the area and as the building will be setback 8.4 metres from the southerly rear lot line there will be an appropriately transitioned between the existing building and the proposed building.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 7: General Provisions			
(14) (b) (i) (A) Required Parking <i>** Staff Recommended Modification</i>	A minimum of two parking spaces per street townhouse dwelling unit.	A minimum of 2 plus 0.66 visitor parking spaces per street townhouse dwelling units.	As on-street parking is not available along either Hamilton Drive or Wilson Street West the visitor parking needs of the proposed development cannot be accommodated on the street which is typically the way in which visitor parking is addressed in most of the street townhouses. Therefore, a modification is being included to expand the required minimum required parking for the subject lands in order to require that the visitor parking for the proposed development be provided on-site. The proposed minimum of 0.66 visitor parking spaces per street townhouse dwelling unit, which for the ten proposed street townhouse dwellings will translate to a minimum of seven visitor parking spaces be provided on the subject lands. Therefore, the proposed modification can be supported.
Section 15: Residential Multiple "RM2" Zone			
(1) Restriction to Permit Use <i>** Staff Recommended Modification</i>	A street townhouse dwelling is permitted in the "RM2" Zone with no restriction on the number of dwelling units. A multiple dwelling is permitted in the "E-1" District with no restriction on the maximum number of dwelling units.	To restrict the number of street townhouse dwellings to a maximum of ten units.	The evaluation of the proposed development with respect to compatibility to the surrounding lands is based on a street townhouse development that has a maximum of ten units. The application has not been evaluated with respect to compatibility for a development with greater than ten street townhouse dwelling units. Therefore, a modification to restrict the maximum number of dwelling units to ten is being included in the site specific By-law. Therefore, the proposed modification can be supported.

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
(2) (a) Minimum Lot Area <i>** Applicant Requested Modification</i>	Minimum Lot Area of 1,850 square metres of total parcel area per dwelling and 280 square metres per dwelling unit.	To require a Minimum Lot Area of 2,600 square metres with no required minimum lot area per dwelling unit.	<p>The proposed 2,600 square metres overall lot area of the townhouse development exceeds the minimum 1,850 square metre required overall lot area for a street townhouse development in the RM2 Zone.</p> <p>A modification respecting lot area is required to facilitate the future Condominium Application. As the overall lot area is 2,600 square metres a total of 10 townhouse dwellings cannot comply with a minimum per unit lot area of 280 square metres per dwelling unit and at most could provide 260 square metres per dwelling unit if the lands were divided up equally. Based on the layout of the lands it is not possible to establish the 10 townhouse dwelling units with an equal share of the lands and furthermore, given that portions of the land are to be utilized as common element areas and given the limited scope of the future condominium units which will be largely restricted to the unit itself, a minimum 260 square metres for each unit cannot be provided.</p> <p>Therefore, a modification to require a minimum overall lot area of 2,600 square metres but to not require a minimum lot area per dwelling unit is recommended and has merit.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
<p>(2) (b) Lot Frontage</p> <p><i>** Applicant Requested Modification</i></p>	<p>Minimum Lot Frontage of 50 metres of total parcel frontage per dwelling and 9 metres per dwelling unit except:</p> <p>A minimum 17 metres for a dwelling end unit adjacent to the flanking street.</p> <p>A minimum 11.5 metre for a dwelling end unit which does not abut a flanking street.</p>	<p>To require a minimum lot frontage of 50 metres of total parcel frontage per dwelling and 6 metres per dwelling unit except:</p> <p>For a dwelling end unit a minimum lot frontage shall be 6.2 metres.</p>	<p>The overall parcel of land has sufficient frontage along the street to comply with the minimum 50 metre lot frontage, the proposed modification is to reduce the minimum lot frontage per dwelling unit to accommodate street townhouse dwellings that are 6.0 metres wide for interior units and 6.2 metres wide for end units.</p> <p>A street townhouse with an interior unit width of 6.0 metres represents an appropriate size width for street townhouses. In addition, while the street townhouse will front onto the public street, the proposed garage for each townhouse dwelling will be located at the rear of the building, and as a result will reduce the visual impact of the reduced unit width along the street.</p> <p>The proposed 6.0 metre wide interior units and 6.2 metre wide end units will be located within two street townhouse buildings that will be approximately 24.7 metres wide along Wilson Street West and approximately 36.5 metres wide along Hamilton Drive. The width of these buildings is consistent with the width of existing townhouse buildings in the area which range in width from approximately 32.0 metres to 55.0 metres in width.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
(2) (e) Front Yard Setback <i>** Applicant Requested Modification</i>	Minimum Front Yard setback of 7.5 metres plus any applicable distance as specified in Schedule "C".	Minimum Front Yard Setback of 0.8 metres.	<p>The easterly end of the proposed townhouse building along Wilson Street West will have a setback of 11.0 metres from the lot line along Wilson Street West and will be located behind the front façade of the existing single detached dwelling to the east at 352 Wilson Street West. The proposed modification for a 0.8 metre front yard setback is with respect to the north west corner of the unit identified as unit 8 on the concept plan shown on Appendix "D" to Report PED21XXX. The front façade of unit 7 located to the west of unit 8 will be stepped back approximately 6.0 metres and thereby increasing the setback from the Wilson Street West lot line of unit 7. The front façade of the proposed townhouse building along Wilson Street will represent a compatible building line with respect to the existing building to the east.</p> <p>The majority of the building will maintain a sufficient sized front yard depth to provide adequate front yard landscaping, furthermore as all vehicle access and parking is provided from the rear of the building there will be no front yard driveways which would reduce the potential for front yard landscaping. Therefore, while the reduction in the front yard setback for the north west corner of unit 8 will reduce the availability of landscaping in front of this particular unit, it will not negatively impact the ability to provide sufficient landscaping in front of the overall building.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
(2) (f) Side Yard Setback	Minimum Side Yard setback of 2.5 metres for a dwelling end unit which does not abut a flanking street and 7.5 metres plus any applicable distance as specified in Schedule "C" for a dwelling end unit abutting a flanking street.	<p>Minimum Side Yard setback of 2.5 metres for a dwelling end unit which does not abut a flanking street.</p> <p>Minimum Side Yard setback of 2.5 metres for a dwelling unit abutting a flanking street except:</p> <p>Minimum Side Yard setback of 3.0 metres for a dwelling end unit abutting a flanking street.</p> <p>Minimum Side Yard setback of 2.3m for the westerly end unit of the building along Wilson Street West from the flanking street line measuring 20.3 metre.</p>	<p>No modification is proposed with respect to the existing requirement for a 2.5 metre side yard setback that does not abut a flanking.</p> <p>A modification is proposed to reduce the side yard setback for a dwelling unit abutting a flanking street. The proposed modification is for 2.5 metre setback for interior townhouse dwelling units and 3.0 metres for end townhouse dwelling units. The proposed building along Hamilton Drive is setback approximately 5.5 metres for the interior units and 6.0 metres for the end units from the existing Hamilton Drive street line but are being reduced to 2.5 metres and 3.0 metres respectively due to the requirement to dedicate an approximately 3.0 metres wide road widening dedication. The front façade of the proposed townhouse building along Hamilton Drive while projecting slightly in front of the existing building located to the south at 285 Hamilton Drive but will represent a façade that is generally consistent with the existing building line along Hamilton Drive located to the south. In addition, the building along Hamilton Drive will be setback 8.4 metres from the southerly lot line with the end unit have a slightly increased setback, which will provide an appropriate transition between the setback of the building to the south and the proposed building along Hamilton Drive.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
(2) (f) Side Yard Setback Continued			<p>The terraces proposed at the front of the units along Hamilton Drive have been limited in scope to maximize the amount of space available for front yard landscaping. In addition, as all vehicle access and parking is to be provided from the rear of the building there will be no front yard driveway which would reduce the potential for landscaping in front of the units along Hamilton Drive. Therefore, the proposed reduction in the setback of a building from a flanking street will not negatively impact the ability to provide sufficient landscaping between the building and the flanking street.</p> <p>The proposed minimum 2.3 metres setback for the westerly end unit of the building along Wilson Street West is to permit the north west corner of the end unit to be 2.3 metres from the street line which is curved to accommodate the roundabout at the intersection of Wilson Street West and Hamilton Drive. The balance of the end unit will maintain a stepback greater than 3.0 metres and given the location and design of the end unit a reduced setback from this lot line will not negatively impact streetscape character and transition from the adjacent lands and will be sufficient to ensure the end unit is adequately distinctive from that of the interior units.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
<p>(2) (j) Planting Strip</p> <p><i>** Applicant Requested Modification</i></p>	<p>A planting strip with a minimum width of 3.0 metres along the boundary of lands zoned Existing Residential "ER" or Residential "R1", "R2", or "R3".</p>	<p>A planting strip with a minimum width of 2.5 metres along the easterly side lot line.</p> <p>A planting strip with a minimum width of 1.4 metres along the southerly rear lot line.</p> <p>Bicycle Parking shall be permitted within the 1.4 metre wide planting strip along the southerly rear lot line.</p>	<p>The proposed modification for a 2.5 metre wide planting strip along the easterly side lot line is only for the portion of the site containing the proposed townhouse building along Wilson Street West for the balance of the easterly side lot line a planting strip of 3.0 metres or larger will be provided. The 2.5 metre wide planting strip will provide an adequate buffer between the proposed development and the adjacent lands to the east.</p> <p>The proposed modification for a 1.4 metre wide planting strip along the southerly rear lot line is to facilitate the establishment of an access driveway that maintains the greatest distance from the roundabout at the intersection of Wilson Street West and Hamilton Drive while maintain a planting strip of an adequate width to provide a buffer between the proposed development and the adjacent land to the south.</p> <p>The proposed modification to permit the short term bicycle parking area to encroach into the required 1.4 metre wide planting strip represent an encroachment that impacts a small area of the overall rear planting strip and is not expect to negatively impact the function of the planting strip to serve as a buffer between the proposed development and the adjacent land to the south.</p> <p>Therefore, the proposed modification can be supported.</p>

Provision	Required	Requested Amendment	Analysis
Section 15: Residential Multiple "RM2" Zone			
(2) (k) (ii) Dwelling Unit Placement <i>** Applicant Requested Modification</i>	Not more than four attached dwelling units shall be erected in a row without offsetting or staggering the front face or wall of the dwelling a minimum of 1.0 metres or without varying the exterior design and materials of the front face or wall of the dwelling.	Not more than four attached dwelling unit shall be erected in a row without offsetting or staggering the front face or wall of the dwelling a minimum of 0.5 metres or without varying the exterior design and materials of the front face or wall or the dwelling.	<p>The By-law provision to require that for townhouse row greater than four units in length to be staggered or include variations in design and material is to break up large buildings. The proposal modification to reduce the minimum depth of staggering the front face 0.5 metres instead of 1.0 metres. The end units of the proposed building along Hamilton Drive are proposed to be staggered back 0.5 metres in addition to changes in colour of the proposed brick material. The proposed 0.5 metre staggered end units and the change in material, and colour adequately frame the ends of the proposed building along Hamilton Drive and help to break up the building mass.</p> <p>Therefore, the proposed modification can be supported.</p>

City of Hamilton

RE: UHOPA – 20 – 009 and ZAC – 20 – 014, 281 Hamilton Drive and 356 Wilson Street, Ancaster.

I am writing you today with our opposition to the above mentioned Urban Hamilton Official Plan Amendment and Zoning By-Law Amendment that backs onto our property at : in Ancaster. We are opposing the application to re-zone the one residential lot and the one commercial lot.

This proposal to have these two properties re-zoned to a multi dwelling property with eleven, three storey townhouses will not fit in with the existing residential structures. Just the height of this will eliminate the privacy of all existing homes backing onto this property as well any natural sunlight from the sun. The private road will be entering into the rear of our property with all vehicle headlights casting onto all homes.

Where there were only 2 lots, this request will incur the use of 22 plus vehicles and visitors as well as the increase of extra occupancy. To us who have owned this property for 29 years and been bordered by single residency lots, this application is unacceptable. This will greatly increase the traffic noise, as well as the general volume of neighbourhood noise levels. The private road will diminish the privacy of my rear yard and that of my neighbours. This means having a lighted parking lot will cast unnecessary lights into all backyards and windows. Not to mention the shading of our backyards as these tall structures will block any sunlight onto the neighbouring properties. The height of the proposed properties will tower over all existing residential homes in the area and it is not acceptable. A three-storey elevation is higher than the current level in the general area which has 2 storey and bungalow style homes. To build a 3 storey high development does not suit the established neighbourhood. And the private road will be in behind the proposed dwellings and not off the main road, so this means that there will be increased vehicles coming and going into our backyards with increased noise, garbage and pollution.

We are against this proposal and zoning amendment.

Please keep my personal information private. Do not publish my name or address on your public website and please keep me informed on all decisions and meetings regarding this proposal.

Thank you,

Mr. Barnett,

Please find attached my letter of objection with regards to the re-zoning application of the properties situated at Hamilton Dr and Wilson St W Ancaster.

Can you please acknowledge receipt of this email with my attached letter.

Mr. Ferguson, and Mrs. Bishop,

Please be advised that I have had communication with Mr. Barnett and now have formally made my concerns known by the attached letter regarding the re-zoning application of the properties situated at Hamilton Dr and Wilson St W Ancaster.

I am strongly opposed to this request, as noted in my letter and objections.

Please respect my request for confidentiality of my personal information.

Sincerely,

.....

File: UHOPA-20-009
ZAC-20-014

Dear Mr. Daniel Barnett

I am writing to express my **objection** to the two applications for Official Plan Amendment and Zoning By-Law Amendment for Lands located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster. I request that the City of Hamilton remove any of my personal information from any public publication, website or other form of communication that may provide my name, address, and phone number to ensure my privacy, due to my occupation. Thank you.

As I have expressed, and I am in **objection** to the two noted applications for rezoning of the stated properties.

I have been a physical resident at _____, Ancaster since December 1992, having purchased a lot in 1991 and with my family built a custom dream home at this location. For 29 years I have had a vested interest in the development of my Ancaster community. In 1991 to the west of my property there existed a car garage/gas station at 356 Wilson St. W, and a single family residential home at 281 Hamilton Drive. Over time, the garage and residence were demolished and someone purchased the properties on investment speculation leaving it as a vacant green space for a number of years. I am not in objection to a positive development of two residential properties on the properties that fit in with the existing neighbourhood that has been developed since the early 1990s.

My objections and concerns are the following:

1. to the dwelling heights being proposed and the lack of privacy being imposed by this height. There will be 11 terraces, patio doors, 22 bedroom windows that will be overlooking my backyard, which will result in a loss of any privacy to my rear yard, which is unacceptable. The height of the proposed townhouses, are not in characteristic of the neighbourhood, will also have an impact on the landscape of Wilson Street and Hamilton Drive.
2. to the configuration of the townhouse complex with concerns with respect to the running of a road along fence and property lines of existing established residences –there are no other currently existing developments in Ancaster with a road of this nature.

Appendix "F" to Report PED22004**Page 4 of 24**

3. to the area of congregation of common mailboxes, vehicle parking and visitor parking to an already congested complex at the rear backyards of existing residences.
4. to with the lighting intensity and number of lights to the private road that will be provided for public safety, such lighting will fill my backyard and my existing neighbours. These lights will be a permanent structure that will always be 'on' to ensure visibility to the complex.
5. to the increased noise pollution that this proposed rezoning to a higher density than what has been permitted for this land, adding 11 units with various numbers of occupancy and vehicles will tax the noise pollution of this established community.
6. to with maintenance of the townhouse road, in particular garbage pick up, snow removal and residence discarded trash in common areas.
7. to the volume of vehicular traffic that will strain the infrastructure with the increased traffic flow directly onto Hamilton Drive, which will stream into the 40km zone or into the roundabout which already does not accommodate for pedestrian traffic, and at any given time is already overburdened by the detour of the Hwy403 EDR.
8. to the zoning development not in keeping with the existing established characteristics of single family residential area.

Please include my concern and objections from the above eight points in your staff report for Council consideration, and I will also be forwarding my concerns and objection to Mr. L Ferguson, that this request for rezoning would fundamentally alter the characteristics of my neighbourhood, changing the height and density it is essentially like placing a monster townhouse complex in a preexisting single family residential zone that already has an existing problem with speed and congestion.

Sincerely,

Appendix “F” to Report PED22004
Page 5 of 24

One of the attractions of living in the Town of Ancaster is the unique aspect of the community. The City of Hamilton recognized and attempted to preserve this uniqueness by developing the “Ancaster: Wilson Street Secondary Plan Area; Urban Design Guidelines” in February 2012. Section 1.3 ‘Goals and Objectives’, states that *“The overriding strategy is to preserve the unique identity of Ancaster through the application of “local” character-based design guidelines that ensure a compatible built form, an enhanced public realm and promote sustainability.”*

The plan identifies five specific and different areas along the Wilson Street corridor including the Gateway Residential which begins at the Meadowbrook/Hamilton Dr. traffic circle and continues down Wilson St. to about Todd St. Analysis of the Gateway Residential states on page eight that *“The Gateway Residential Character Area’s low density form of residential development is the primary character that should be preserved.”* The plan further states on page eleven that *“As a continuous promenade, the West Greenway enhances arrival to Ancaster from Highway 403 and promotes the “green” landscape character of Gateway Residential Design District”*

In Section 3.1.1 the plan states *“The Residential Gateway Design District defines arrival to Ancaster from the west. The area is characterized by single family homes setback from the street and located on large lots. In some locations, fenced rear yards front Wilson Street West. **There is a strong green quality to the corridor that is created by large street trees and well landscaped residential properties.** The corridor is surrounded by residential neighborhoods to the north and south. A recently developed traffic circle at Meadowbrook Drive creates a sense of arrival to Ancaster.”*

It further states *“The intent of these design guidelines is to preserve the residential scale and “green” character of Wilson Street West, while enhancing the “gateway” function the corridor currently fulfills. Primary elements of the guidelines that achieve this include:*

- *Building design is flexible and accommodates/promotes individual expression*
- *Building heights are limited to 3 storeys with pitched rooflines*
- ***Building masses are setback from the street with front yard landscaping***
- *A strong linear parkway for pedestrian and bicycle circulation enhances connections and the green quality of the street”*

The two lots (281 Hamilton Dr. and 356 Wilson St.) which are the subject of the rezoning application are located in the Residential Gateway Area directly at the traffic circle. It would appear that the proponent was either unaware of, or chose to deliberately ignore the Wilson St. Secondary plan in developing the application for rezoning. How else could one explain a plan that consists of a massive building

Appendix “F” to Report PED22004
Page 6 of 24

approximately 30 m long by 12.8 m high, set back from the Wilson St. lot line a mere 0.42 m and another building approximately 30 m long by 12.8 m high, set back from the Hamilton Dr. lot line by 1.2 m. To suggest that this development satisfies the intent of the secondary plan for Wilson St. stretches the imagination to the breaking point.

The proponent has asked for major variances from virtually all of the requirements in the Ancaster Zoning By-Law for Residential Multiple “RM2” Zone including

- Minimum front yard setback – 0.425 m vs 7.5 m
- Minimum flanking setback – 1.2 m vs 7.0 m
- Minimum side yard – 2.0 m vs 3.0 m
- Area per unit – delete 280 sq m per unit completely (280 x 11 units = 3080 sq m, lot is only 2678 sq m)
- Maximum height – 12.8 m vs 10.5 m

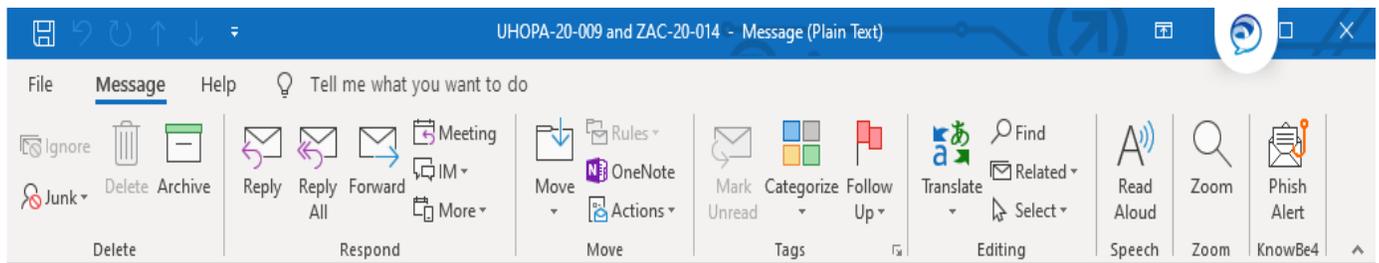

One has only to drive down Wilson St. to Todd St. and it becomes blatantly apparent there are no other developments within this Residential Gateway Area that even remotely resemble what is proposed by the proponent.

It is understood that RM2 zoning does not include a specific requirement for visitor parking however, experience of the residents in the existing townhouse complex on the opposite side of Hamilton Dr. suggests that four spaces in the proposed plan are inadequate and the overflow will simply park in the visitor’s lots of 286 or 320 Hamilton Dr. Street townhouses typically rely on street parking to accommodate overflow but the traffic situation on Hamilton Dr. is becoming extremely congested and dangerous at times. The situation at the traffic circle and on Hamilton Dr. will be further impacted by the additional traffic from the proposed development.

Apart from the ugliness of the proposed structure and the disregard for maintaining the unique character of Ancaster, another major concern of the local residents is that this proposal is not necessarily what the developer really wants but is just a way to establish an unrealistic high bar for future negotiations with the city. One scenario is that if the planning department rejects these variances, the developer comes back and offers to reduce the number of units to eight or nine, increase setbacks to 3 or 4 m, maybe lower the height from 12.8 to 12 m and then suggests that since he has been so accommodating in lowering his demands the city should do likewise and allow the new variances. If the city accepts this approach, we the residents, are still left with a totally inappropriate building complex that dominates the appearance of the Gateway to Ancaster in total non-compliance with the intent of the secondary plan.

If the city is serious about implementing the Wilson St. Secondary Plan to preserve the uniqueness of Ancaster, they should reject this application in totality and make it known that plans which do not address this plan and conform, in principle, to the Ancaster Zoning By-Law are unacceptable.

Dear Mr. Barnett:

RE: Urban Hamilton Official Plan Amendment (File No. UHOPA-20-009)
 Zoning By-Law Amendment (File No. ZAC-20-014)

We are property owners in this neighbourhood for over 34 years and have the following concerns and we do not accept these plans for development as proposed.

- The property noted C4-228 (356) was once a gas station and our concern is the soil testing, results and the soil disposal.
- The request to have 11, three-storey townhouses is not conducive to our neighbourhood. We are surrounded by two-storey townhouses, bungalows and two-storey homes.
 The proposed development will look too dense and too high in height. This project will add to the already busy Hamilton Drive roundabout.

- Will the dwelling on 281 Hamilton Drive at be demolished in favour of these amendments?
- Where exactly would the private entrance be located?
- What will be the set back from the sidewalks?
- Would these homes be backing up to Wilson and Hamilton Drive or facing the road?

We feel more discussion and planning should take place.

Re: Notice of Complete Applicant and Preliminary Circulation for Applications by Official Plan Amendment and Zoning By-law Amendment for Official Plan Amendment and Zoning By-law Amendment for Lands Located at 281 Hamilton Drive and 356 Wilson Street, Ancaster (Ward 12).

I specifically request that the city remove my personal information from any entry on the City's website based on my comments and opinions, herein.

Comments and Opinions on the proposal for the zoning designation change required to allow the construction of up to eleven three-storey townhouse units accessed from an internal road.

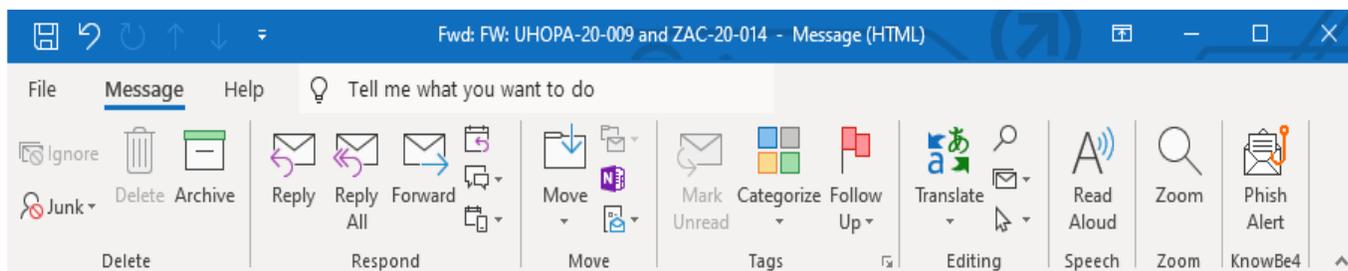

Three-storey units (the maximum height is not stated) would not be in keeping with the existing structures in the immediate area, which are a maximum of two-storey. They would significantly change the character of the area.

The site is adjacent to a single-lane roundabout with it's pedestrian cross-walks. This is a busy roundabout, perhaps the busiest single-lane roundabout in Ancaster. It is part of a general route to and from the 403 highway – two exits and two entrance ramps to the highway. Although the number of units is not large, the additional traffic caused by them could increase congestion at the roundabout; the location of the access road to the units, would be important in this regard.

I am told that the site was once the location of a gas station. I understand that there are specific requirements for land that previously had a gas station and gas storage tanks, but I am not aware of the details. I have some concern over the digging and construction of footings and foundations for three-storey units in this, presumably, contaminated ground.

I specifically request that the city remove my personal information from any entry on the City's website based on my comments and opinions, herein.

Dear Mr. Barnett,

I reside at [redacted], Ancaster ON, which unit is part of the same condo. complex as [redacted].

Due to ongoing health issues in our household I have not been able to respond to the proposed development sooner but trust that the fact [redacted] met the February 12th deadline you will accept my comments as well.

Please be advised that I endorse completely the comments of my neighbours [redacted] but would add a precautionary note that subject property (281 Hamilton Drive / 356 Wilson Street) was, I believe, at one time a gas bar hence the likelihood of soil contamination may be very real. I put forward this information as an extension of the final sentence of para. 3 of [redacted] e-mail of 5:22 PM February 13th 2020.

Thank you for considering all of our comments. We trust they will be helpful.

Sincerely,

----- Forwarded message -----

To Barnett, Daniel

Cc

To Mr. Barnett:

I have had a chance to also look at the information provided in my mailbox and have similar concerns in regards to the proposed development across the street. The last thing anyone wants in this area is increased traffic and gridlock around the traffic circle mentioned in the letter; there are already significant backups leading right back to the highway (403) ramps at Wilson St., during busier times like rush hour, etc. This will only add to the congestion. Of great concern here to me, is the fact that the Fire Hall (which would be across from this new development) would be negatively impacted in the event of emergency deployment of trucks; seconds might make all the difference, and at the very least it should be specified clearly (along with studies being made of the current congestion and what would be the projected impact of so many new units using the circle) what impacts this would have on the Fire Hall's ability to deploy quickly. Surely, the only impacts here would be negative, as more and more vehicles would be using the circle.

As also mentioned in the letter, a house or two (semi-detached or two smaller single homes) would only mean one or two more sets of vehicles etc. – how many units are being initially proposed here, and how many will actually be built when ground breaks?

Along the same lines, I would be less concerned from an aesthetic point of view, if approved buildings were limited not only in the amount of units, but also the projected height; there is nothing else in the immediate area that exceeds two stories. Is there a reason these are projected for three (are these proposed units not going to have basements)? If so, why not? Are there concerns about the stability of the ground? Further, is the soil quality suitable or are there issues with this, that could affect the health of future owners there?

I do implore you to look into all of these issues; over the past year Hamilton Drive has been negatively impacted by poor planning, which resulted in increased traffic flow, reduced access to Hamilton Drive from our own driveway, and huge backlogs of traffic along the Drive. One only needs to be reminded of the decisions made when roadwork was being done along Garner Road, in between Hamilton Drive and Shaver Road in 2019....drivers were ignoring the signage suggesting local traffic only, and using Hamilton Drive as a throughway to get to the 403 ramps. The result was months of traffic jams and delays. Now, you in the City are considering approving this development, and one further south as Hamilton Drive makes a turn (as mentioned in the letter below). Surely all this increased traffic will mean more issues, accidents, delays.

Landowners do have the right to ask for changes to zoning, in attempts to increase potential financial gain, but in my opinion, not to the detriment of the surrounding area, other landowners and essential services such as fire prevention efficiency, in so many ways. Please consider the opinions of those from whom you have sought out this input, before making your decision.

Respectfully,

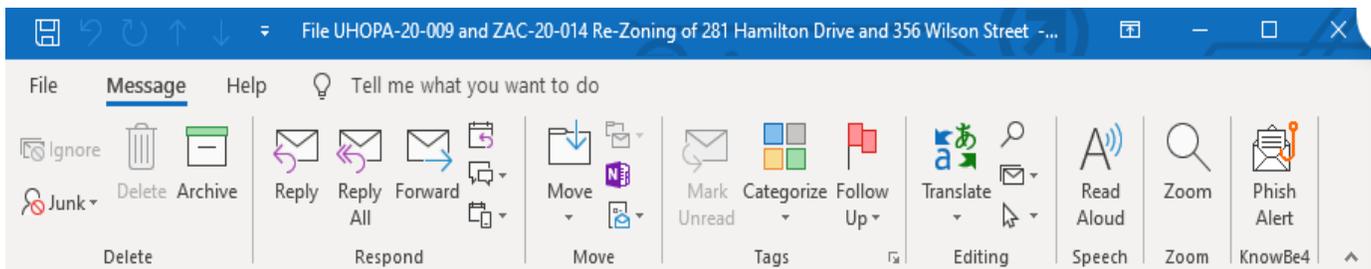

Appendix "F" to Report PED22004
Page 12 of 24

Re: File UHOPA-20-009 and ZAC-20-014

The following comments are from [REDACTED]

1. It is difficult to assess the impact of the proposed townhouse development on the area since the attached location plan is inaccurate. It does not show either the traffic circle at Wilson St. and Hamilton Dr., nor the location of the entrance to the "internal private road". This is concerning since the traffic circle has been in existence for at least ten years.
2. An exit from the proposed multi-unit development onto either Hamilton Dr. or Wilson St. will essentially have to be right at the traffic circle, which is already extremely busy and will have a significant impact on the local traffic situation. This problem will be further aggravated by the increased traffic from the proposed development further south on the east side of Hamilton Dr.
3. It is difficult to understand what the fundamental purposes of the Urban Hamilton Official Plan or the Zoning By-Law are. The lands in question are designated as Low Density Residential and zoned as Deferred Development. One would assume there was a reason for this designation in the official plan. What valid reason is there now to change this designation other than to allow the land owner to build 11 residential units as opposed to 2 single family homes and increase the profit from the site?
4. There is a serious concern in Hamilton that initial zoning changes and in fact, initial approvals for construction, are merely a "foot in the door" and once that initial approval is in place, the developers can then move forward to apply for more amendments until they achieve what they really wanted in the first place. Based on ongoing controversies in downtown Hamilton it would appear that there is no guarantee that if the proponent in this case was granted the amendment, he could not turn around and apply for an amendment to allow for the construction of a 4-story apartment condominium with 50 or 60 units.

File UHOPA-20-009 and ZAC-20-014 Re-Zoning of 281 Hamilton Drive and 356 Wilson Street

To Barnett, Daniel
Cc Ferguson, Lloyd

Comments from

One of the attractions of living in the Town of Ancaster is the unique aspect of the community. The City of Hamilton recognized and attempted to preserve this uniqueness by developing the “Ancaster: Wilson Street Secondary Plan Area; Urban Design Guidelines” in February 2012. Section 1.3 ‘Goals and Objectives’, states that *“The overriding strategy is to preserve the unique identity of Ancaster through the application of “local” character-based design guidelines that ensure a compatible built form, an enhanced public realm and promote sustainability.”*

The plan identifies five specific and different areas along the Wilson Street corridor including the Gateway Residential which begins at the Meadowbrook/Hamilton Dr. traffic circle and continues down Wilson St. to about Todd St. Analysis of the Gateway Residential states on page eight that *“The Gateway Residential Character Area’s low density form of residential development is the primary character that should be preserved.”* The plan further states on page eleven that *“As a continuous promenade, the West Greenway enhances arrival to Ancaster from Highway 403 and promotes the “green” landscape character of Gateway Residential Design District”*

In Section 3.1.1 the plan states *“The Residential Gateway Design District defines arrival to Ancaster from the west. The area is characterized by single family homes setback from the street and located on large lots. In some locations, fenced rear yards front Wilson Street West. **There is a strong green quality to the corridor that is created by large street trees and well landscaped residential properties.** The corridor is surrounded by residential neighborhoods to the north and south. A recently developed traffic circle at Meadowbrook Drive creates a sense of arrival to Ancaster.”*

It further states *“The intent of these design guidelines is to preserve the residential scale and “green” character of Wilson Street West, while enhancing the “gateway” function the corridor currently fulfills. Primary elements of the guidelines that achieve this include:*

- *Building design is flexible and accommodates/ promotes individual expression*
- *Building heights are limited to 3 storeys with pitched rooflines*
- ***Building masses are setback from the street with front yard landscaping***
- *A strong linear parkway for pedestrian and bicycle circulation enhances connections and the green quality of the street”*

The two lots (281 Hamilton Dr. and 356 Wilson St.) which are the subject of the rezoning application are located in the Residential Gateway Area directly at the traffic circle. It would appear that the proponent was either unaware of, or chose to deliberately ignore the Wilson St. Secondary plan in developing the application for rezoning. How else could one explain a plan that consists of two buildings, one approximately 30 m long by 12.8 m high, set back from the Wilson St. lot line a mere 0.42 m and the second, approximately 30 m long by 12.8 m high, set back from the Hamilton Dr. lot line by 1.2 m, which together, completely dominate the traffic circle. To suggest that this development satisfies the intent of the secondary plan for Wilson St. stretches the imagination to the breaking point.

Appendix “F” to Report PED22004
Page 14 of 24

The proponent has asked for major variances from virtually all of the requirements in the Ancaster Zoning By-Law for Residential Multiple “RM2” Zone including

- Minimum front yard setback – 0.425 m vs 7.5 m
- Minimum flanking setback – 1.2 m vs 7.0 m
- Minimum side yard – 2.0 m vs 3.0 m
- Area per unit – delete 280 sq m per unit completely (280 x 11 units = 3080 sq m, lot is only 2678 sq m)
- Maximum height – 12.8 m vs 10.5 m

One has only to drive down Wilson St. to Todd St. and it becomes blatantly apparent there are no other developments within this Residential Gateway Area that even remotely resemble what is proposed by the proponent.

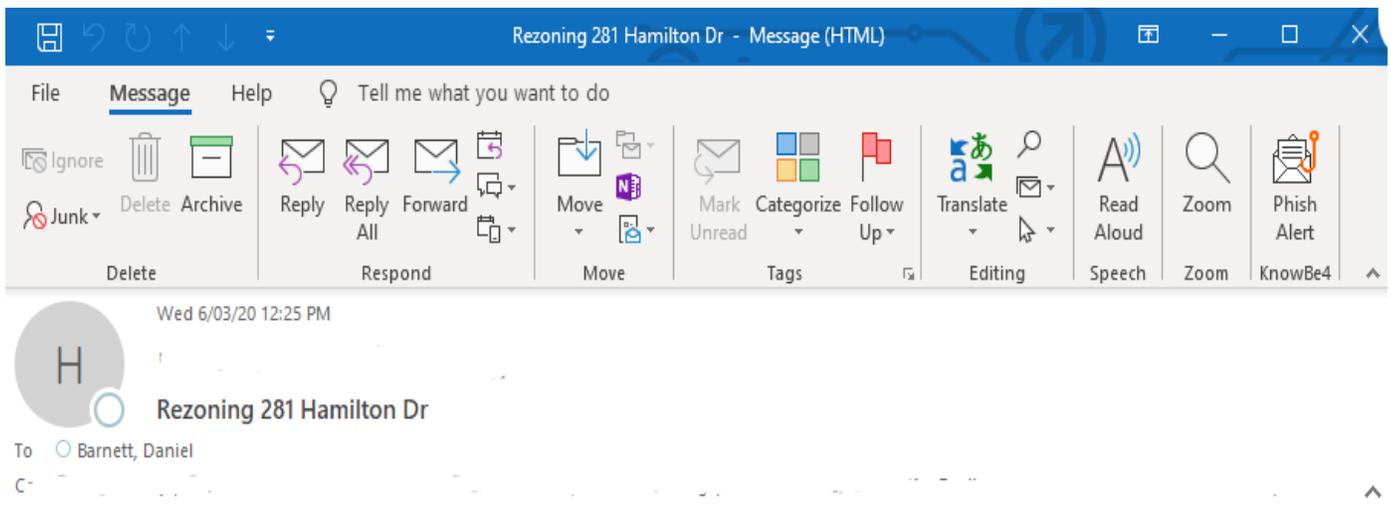

It is understood that RM2 zoning does not include a specific requirement for visitor parking however, experience of the residents in the existing townhouse complex on the opposite side of Hamilton Dr. suggests that four spaces in the proposed plan are inadequate and the overflow will simply park in the visitor’s lots of 286 or 320 Hamilton Dr. Street townhouses typically rely on street parking to accommodate overflow but the traffic situation on Hamilton Dr. is becoming extremely congested and dangerous at times. The situation at the traffic circle and on Hamilton Dr. will be further impacted by the additional traffic from the proposed development.

Apart from the ugliness of the proposed structure and the disregard for maintaining the unique character of Ancaster, another major concern of the local residents is that this proposal is not necessarily what the developer really wants but is just a way to establish an unrealistic high bar for future negotiations with the city. One scenario is that if the planning department rejects these variances, the developer comes back and offers to reduce the number of units to eight or nine, increase setbacks to 3 or 4 m, maybe lower the height from 12.8 to 12 m and then suggests that since he has been so accommodating in lowering his demands the city should do likewise and allow the new variances. If the city accepts this approach, we the residents, are still left with a totally inappropriate building complex that dominates the appearance of the Gateway to Ancaster in total non-compliance with the intent of the secondary plan.

If the city is serious about implementing the Wilson St. Secondary Plan to preserve the uniqueness of Ancaster, they should reject this application in totality and make it known that plans which do not address this plan and conform, in principle, to the Ancaster Zoning By-Law are unacceptable.

Appendix "F" to Report PED22004

Page 15 of 24

Hi Daniel:

Thanks for the update on the latest concept plan for 281 Hamilton Drive. Although you did not specifically say, I assume the applicant is still pursuing an "RM2" Zone modified and this is the basis of my comments.

The changes in the amended plan do not address the primary issue in my previous letter in that the size, density and placement of the proposed development is NOT consistent with the intent of the "Ancaster: Wilson Street Secondary Plan Area: Urban Design Guidelines" nor are there any similar developments within this Residential Gateway Area. This is not an anti-development position; it is simply one of "appropriate" development which could be satisfied with two single family residences which would be consistent with the secondary plan.

If this densification project is going to be forced on the residents of Ancaster, it would seem that the City should, as a minimum, insist that the developer comply with all of the regulations for RM2 Zoning. RM2 requires 280 sq m per unit which requires a total area of 2800 sq m for 10 units while the property is only 2678.5 sq m. There is simply not enough area for this many units. The net result is that while RM2 zoning requires minimum front yard setbacks of 7.5 m, in the existing plan one terrace actually touches the property line, one is set back 0.53 m, the corner of one unit is set back 0.83 m and only the most eastern unit in Block B actually achieves the 7.5 m setback. Maintaining the minimum area per unit would reduce the number of units and provide space to reorient the buildings such that the required setbacks could be achieved.

RM2 Zoning is classified as Street Condos and there is no minimum requirement for visitor parking in the complex as it is assumed that street parking will be used to accommodate visitors. If this project goes ahead in the current form there will be no street parking on Hamilton Drive or Wilson Ave and there are no other residential streets in close proximity. The inevitable outcome will be that visitor parking will overflow into the visitor lots in the condos at 286 and 320 Hamilton Dr. If the project was classified as Block Condos the minimum number of visitor spaces would be 0.67 per unit or 7 spaces. There is not enough parking within the project given the lack of other alternatives.

To date, I have not heard any discussion of how the City Traffic Department intends to deal with additional traffic entering Hamilton Dr in close proximity to the traffic circle and directly opposite to the existing exit from 286 Hamilton Dr.

In summary, the "Ancaster: Wilson Street Secondary Plan" was developed for a number of reasons; some of them intangible but all of them related to the desirability of living in that area. To forfeit those qualities simply to maximize the economic payback to one developer makes the whole planning process appear pointless, when economic development of the property could easily be done within the constraints of the Wilson Street Plan by rezoning to two single family residences.

Sincerely,

Hello Mr Barnett

First, we are expressly requesting that all personal information be removed if our comments below are made available to the public or appear on the City's website. Thank you

Ancaster

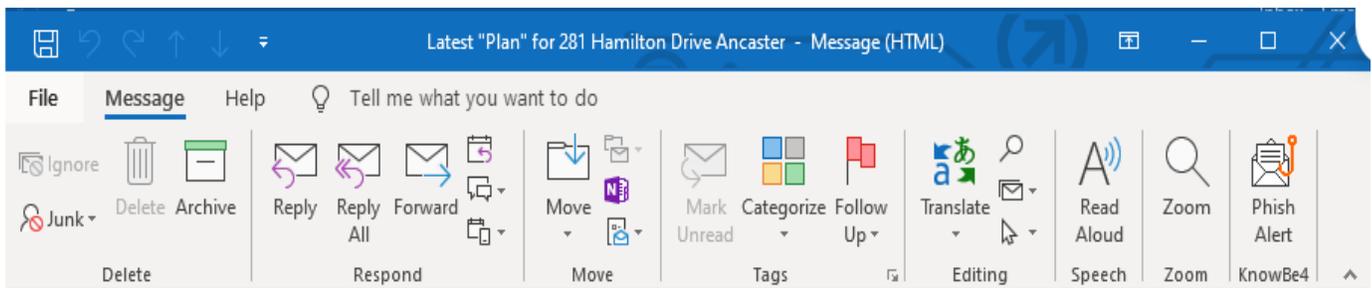

Regarding the applications for Urban Hamilton Official Plan Amendment (File No. UHOPA-20-009) and Zoning By-law Amendment (File No. ZAC-20-014)

While we do not have objection to townhouses per se on the land at 281 Hamilton Drive and 356 Wilson Street, we do have objection to 3 storey townhouses. Within the immediate vicinity, all residences, both single detached and townhouses are either one or two stories. There are no 3 storey buildings within a 1 kilometer radius of the proposed site. A large 3 storey building on that corner would be very much out of place and not in keeping with the general neighbourhood. ...just like the monster homes in other parts of Ancaster.

Since there is no information yet about the actual buildings or site plan we reserve opinion regarding the density but wonder how eleven units will fit without the loss of all the existing trees around the edge of the properties.. It should be noted that existing townhouse complexes on two of the other corners and even the fire station on the third corner are buffered from the road by trees, grass/greenery covered berms and some fencing. Will there be room for this kind of neighbourhood friendly, ascetically pleasant aspect or is the proposal for a 3 storey wall of brick and windows near the edge of the sidewalk. Or perhaps just more pavement next to the sidewalk for the private driveway and parking? In these scenarios we would be very strongly opposed.

....

Latest "Plan" for 281 Hamilton Drive Ancaster

To Barnett, Daniel

Cc Ferguson, Lloyd

Hi Daniel and Lloyd

I just saw the latest "concept plan" for 281 Hamilton Drive development and re-zoning - forwarded to me by my neighbour ... He made quite a few points that I know you will take into consideration. I would however like to make some comments.

First, I do not consider this to be either a second plan or a compromise. The so called first plan was so over the top, contravening so many zoning regulations by wide margins that any reasonable person could only conclude it was a tactic by the developer to be able to appear flexible when making "concessions" on a second submission. The initial submission in my opinion indicated a complete lack of respect for the city, for local zoning, for local residents and for the entire neighborhood.

I'm sure this is not the first time the city has seen this kind of cynical behaviour by a developer. I ask that you and the city please review this request for re-zoning very, very carefully. Is RM2 appropriate for this location - on the traffic circle with no real street parking available? Is this density appropriate for this parcel of land at this particular location? I also don't consider the revised concept plan as flexibility on the part of the developer because the first submission was so unreasonable it was hard to take seriously.

Please be assured, I am not anti-development and I am not against some increased density per se. There are many good developers who add to a community in a positive, constructive manner while at the same time earning a fair and deserved profit.

We all know about the travesty that just recently occurred with the demolition of Brandon House at the corner of Wilson and Rousseaux. Please consider carefully what is in the best interests of the entire town when it comes to developing this parcel of land at the other end of Wilson Street, because once it's done there is no going back. I only ask for thoughtful and creative development on this parcel of land at "The Gateway to Ancaster",

Thanks

....

We are writing in response to the notice received regarding zoning change applications for 281 Hamilton Drive and 356 Wilson Street.

We have concerns about this plan:

- land remediation that has occurred / soil safety
- additional traffic impact at a busy roundabout as well as the impact of this increase for traffic on Wilson, especially at the corner of Wilson and Amberley, where it is near impossible to make a safe left turn anymore
- height of the townhouses planned; these fit in better in newer surveys with similar buildings and would appear an eyesore in the given surroundings
- lack of consideration of age friendly housing (bungalofs, condos or 2 storey homes would be more appropriate)

We are interested in further information and would oppose reasoning until concerns are addressed.

Please remove all of our personal information when sharing / posting these comments on the City website.

Thank you,

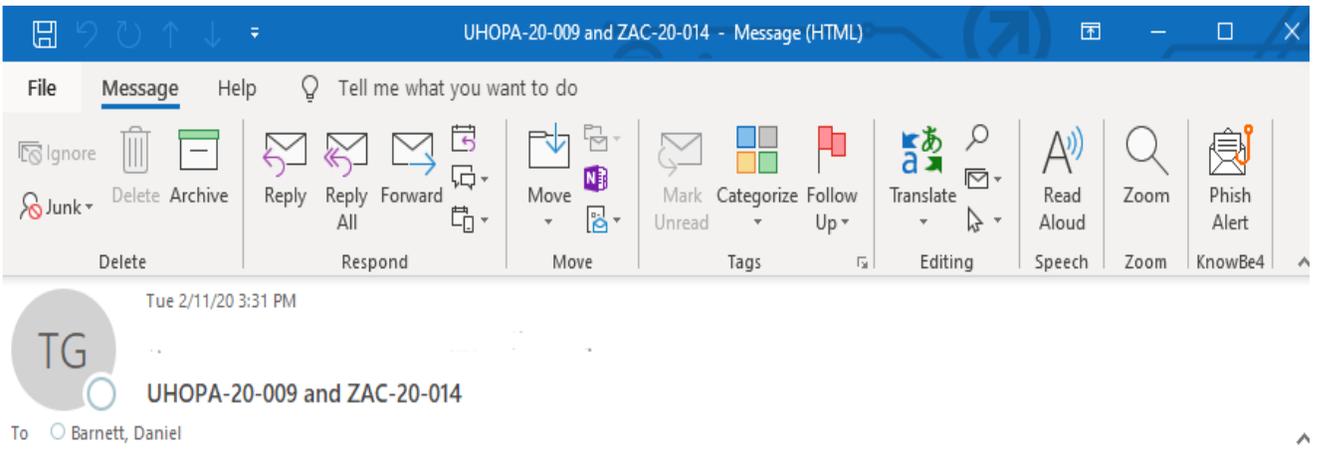

Appendix "F" to Report PED22004

 Proposed Development Comments and Objections

To

Scan 1 of 2.pdf .pdf File Scan 2 of 2.pdf .pdf File

Sincere greeting,

On Thursday August 12th I received a letter, which I believe everyone in our immediate community received, from a Miles Weekes who represents A.J. Clarke & Associates, the planners, surveyors and engineers in relation to the "*proposed development*" to be built on the empty lot across the street from the entrance to 286 Hamilton Dr. The letter contains the proposed site plan and requests comments.

I have included the contents of the letter as two attachments.

These people represent, and are acting in the best interests of the developer. As such, I believe myself and my community may be better served to write or email our comments and any objections we may have, to yourself.

I personally object to the proposed rezoning and proposed site plan.

Here are my reasons:

The single entry/exit to the proposed development is slightly north of the entry/exit to the residences located at 286 Hamilton Dr. This is a safety hazard:

1-The probability of car accidents will be much greater;

The majority of people work during the day.

Vehicles exiting 286 Hamilton Dr. to travel north to the roundabout, and vehicles exiting the proposed development to travel south on Hamilton Dr., will have to cross over each other's lanes in very close proximity to each other.

Further, traffic travelling on to Hamilton Dr. from the roundabout, and north on Hamilton Dr to enter the roundabout will have to stop during this process which will cause stoppage of traffic in the roundabout and on Hamilton Dr.

2-The proposed development, due to its proposed density, proposes only one entrance/exit. This directs all traffic to and from the proposed development site on to Hamilton Drive. The site plan eliminates the 2nd entry/exit presently located on the south side of Wilson St., at the north-east corner of the proposed development site. This 2nd entry/exit could allow vehicles in the proposed development a 2nd exit from the proposed development site to travel eastbound on Wilson St., by simply turning right onto Wilson St. eastbound when exiting the proposed development. It could also potentially allow for a second entry point into the proposed development. Instead, with the proposed development site plan, this 2nd exit/entry is eliminated (ironically, due to the density) and all vehicles exiting from this proposed development, must exit on to Hamilton Dr.

Appendix "F" to Report PED22004
Page 22 of 24

3-The probability that parking will be eliminated on Hamilton Dr. is almost 100% due to the proposed development having the only one exit on to Hamilton Dr.

ALL the residents currently living on Hamilton Dr. require the parking that is presently available on Hamilton Dr. There simply aren't enough parking spaces for visitors. This proposed development proposes 7 visitor parking spaces of which 1 parking space is reserved for disabled parking, and rightly so. But that does not even accommodate 1 visitor per household unless the residents of the proposed development do not have 2 cars/household. We all know that there is never enough visitor parking so visitors park on Hamilton Dr.

4-The probability of pedestrians being hit by cars increases. Based on #'s 1, 2 and 3 above.

5-The density of the proposed development (that consists of 10 townhomes) does not conform with the density of the immediate community. This includes our townhome residences (286 and 320 Hamilton Dr.) located directly across the street from the proposed development.

The east side of Hamilton Dr. has always consisted of single family dwellings. The east side of Hamilton Dr. should remain as such, if residences are built.

The present zoning should remain the same. The present zoning allows low density residential and/or commercial development and there is no reason to change the present zoning.

Sincerely,

**Appendix "F" to Report PED22004

Proposed Development Across from Hamilton Dr.

To Barnett, Daniel

We removed extra line breaks from this message.

Daniel Barnett,

I personally object to the proposed rezoning and proposed site plan.

Here are my reasons:

The single entry/exit to proposed development is slightly north of the entry/exit to the residence located at 286 Hamilton Dr. This is a safety hazard:

- 1-The probability of car accidents will be much greater; The majority of people work during the day. Vehicles exiting 286 Hamilton Dr. to travel north to the roundabout, and vehicles exiting the proposed development to travel south on Hamilton Dr., will have to cross over each other's lanes in very close proximity to each other. Further,, traffic travelling on to Hamilton Dr. from the roundabout, and north on Hamilton Dr. to enter the roundabout will have to stop during this process which will cause stoppage of traffic in the roundabout and on Hamilton Drive.
- 2-The proposed development, due to with proposed density, proposes only one entrance/exit. This directs all traffic to and from the proposed development side onto Hamilton Drive. The site plan eliminates the 2nd entry/exit presently located on the south side of Wilson St., at the north-east corner of the proposed development site. This 2nd entry/exit could allow vehicles in the proposed development a second exit from the proposed development site to travel eastbound on Wilson St., by simply turning right onto Wilson St. eastbound when exiting the proposed development. It could also potentially allow for a second entry point into the proposed development. Instead, with the proposed development site plan,this second exit entry is eliminated (ironically, due to the density) and all vehicles exiting from this proposed development, must exit onto Hamilton Dr.
- 3-The probability that parking will be eliminated on Hamilton Dr. is almost 100% due to the proposed development having the only one exit onto Hamilton Dr. ALL the residents currently living on Hamilton Dr. require the parking that is presently available on Hamilton Dr. There's simply aren't enough parking spaces for visitors. This proposed development proposes 7 visitor parking spaces which 1 parking space is reserved for disabled parking, and rightly so. But that does not even accommodate 1 visitor per household unless the residence of the proposed development do not have two cars/household. We all know that there is never enough visitor parking so visitors park on Hamilton Dr.
- 4-The probability of pedestrians being hit by car increases. Based on #'s 1, 2 and 3 above.
- 5-The density of the proposed development (that consists of 10 townhouses) does not conform with the density of the immediate community. This includes our townhouse residence () located directly across the street from the proposed development.

The east side of Hamilton Dr. has always consisted of single-family dwellings. The east side of Hamilton Dr. should remain as such, if residences are built.

The present zoning should remain the same. The present zoning allows low density residential and or commercial development and there's no reason to change the present zoning.

Sincerely,

Appendix "F" to Report PED22004 Page 24 of 24

Re: 281 Hamilton Drive and 356 Wilson Street West, Ancaster
(ZAC-20-014 & UHOPA-20-009)

We already sent our comments and feedback regarding the by-law amendment on February 6, 2020 of last year to Daniel Barnett at the City of Hamilton, Planning and Economic Development Department, and Lloyd Ferguson, Hamilton City Council, as of yet we have not received any feedback from any parties.

In my email and letter we stated:

"We are property owners in this neighbourhood for over 34 years and have the following concerns and do not accept these plans for development as proposed.

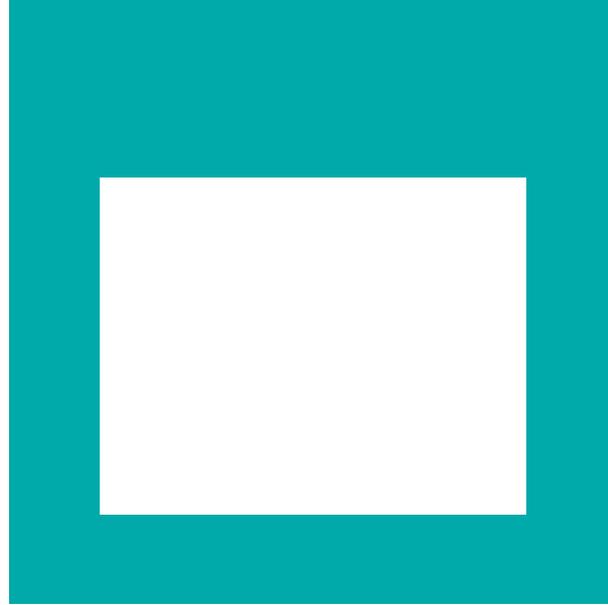

The property on Wilson Street was once a gas station and our concern is the soil testing and results and the soil disposal."

Originally, the request was to have 11, 3 story townhouses built in this space.
The new amendment has been reduced to 10, 2 story townhouses. However we still feel it is not conducive to our neighbourhood.

"The proposed development will look too dense and built up for an already busy Hamilton Drive roundabout."

We await your prompt response.

cc: Lloyd Ferguson, Hamilton City Councillor

Subject: Zoning By-law Amendment (File No ZAC-20-014)

Good morning

We have received notice of the above noted Zoning amendment, and would like to make comments as residents of ## Hamilton Drive, Ancaster, ON.

Should the zoning amendment be approved, our concerns are as follows:

- The access to our residence will be restricted due to construction vehicles which will no doubt be lined up along Hamilton Drive during construction.
- Access to the new residences will be restrictive as both Hamilton Drive and Wilson Street are busy streets particularly coming into and out of a traffic circle. The proposed driveway/private access road will restrict traffic and cause much congestion at this corner.
- Ten 2.5 story houses on this lot seems excessive and will potentially effect utilities into and out of our already existing residences. Utilities at our complex are frequently interrupted (cable, internet, hydro, etc.) and connecting 10 more houses into this stream would potentially cause further interruptions.
- In the current state of pandemic, the possibility of infection would be higher as the virus has been proven to be airborne and we are adding more people into the immediate area causing higher risk of infection. How are we to be assured that the workers will be tested, isolation protocols be followed?

Further, there is no notation on the documentation as to when the construction would potentially begin or how long it would take to completion.

We would absolutely appreciate being notified of the decision of the City of Hamilton on the proposed Official Plan Amendment.

Thank you for your consideration in this matter.

Regards
Kathleen and Andrew Sackett

Subject: Zoning By-law Amendment (File No ZAC-20-014)

We objection to the construction of Townhouse units at the proposed site because it would make a traffic situation worse and more dangerous.

The townhouse units would be located at the around about which has traffic going east and west on Wilson St. which has exits on and off for the 403 east and west near by. If there is an accident on 403, Wilson St. is used as a by-past. To make matters worst, Wilson St is only a two lane st. plus there is a high volume of traffic on Hamilton Drive and Meadowbrook Dr. because of power centers located close by.

Yours truly,

Valerie Chevannes

Subject: Support for 281 Hamilton Dr. and 356 Wilson St. W Ancaster

Regarding agenda item 9.1- Applications for Official Plan Amendment and Zoning By-law Amendment for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - File No ZAC-20-014

Good afternoon Lisa,

If it's not too late and you're the right person, please include my letter on the agenda for the planning meeting on Jan 11, 2022 for item 9.1 or let me know the correct person to email.

I am writing to express my **support** for the townhouse project proposed for this site. I am an Ancaster resident and am in full support of building more housing within our urban boundary. Ancaster is famously lacking in density and I would welcome having more residents in this part of Hamilton. Although I appreciate the neighbours' concerns as this would be a new type of development for their neighbourhood, I hope to allay some fears with my letter. I myself am the owner of a townhome in a recently built community in Ancaster and I wish to reassure the committee (and neighbours) of the following:

-the vehicle lights of my neighbours do not cause a disturbance at night.

-although I have literally dozens and dozens of neighbours all around me in this dense community, very rarely do I ever meet another vehicle on the roads within the complex

-again dozens of neighbours live here but I rarely bump into one at the communal mailbox so 'congregating' in that area is not a concern.

-the garbage and recycling in my townhouse complex is picked up efficiently and tidily by a private firm.

-I believe that the "character" of Ancaster is to be found in the small area making up the quaint village area but besides that, Ancaster is much like any other residential neighbourhood in Hamilton. The carbon copy standard Walmart and Canadian Tire just down the street is a case in point.

If we are to preserve our farmland, wetlands and habitat on the mountain, we must end our fixation with single family zoning. Mixed use and higher densities are needed to mitigate the effects of the changing climate, keep our taxes in check, and make better use of existing infrastructure and underutilized space in the urban boundary. We must build within our urban footprint and these townhomes fit the bill. They are tastefully designed and will fit nicely into that empty space.

Thank you
Nancy Hurst

Subject: Regarding agenda item 9.1- Applications for Official Plan Amendment and Zoning By-law Amendment for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - File No ZAC-20-014

Hello Lisa,

I was informed that you might be the right person to contact regarding submitting a letter on the agenda for the planning meeting on Jan 11, 2022 for item 9.1. If this is incorrect can you please direct this to the correct person?

I am a resident of Ancaster and I support the proposed building of the townhouse complex on this site. I believe that it is crucial for any new development to be within our urban boundary if we are to circumvent climate change and we need to save all of our natural areas, farmlands and wetlands.

I understand that residents will present some concerns with this development regarding the inconveniences it will bring them but these are short sighted and short term. People need affordable homes and single detached homes have become too expensive for the average family to afford. Residents need to look at the long term gains of intensifying our community. We can build beautiful, thriving, walkable communities with a variety of housing options rivalling the beautiful cities and towns people love to visit in Europe. This idea of growing our cities with sprawl consisting of only single detached homes has been ingrained in our brains but only creates unaffordable homes, higher taxes, more cars, higher traffic, and it eats away at crucial farmland and natural features. This is not sustainable, the supply of land is not infinite. People are afraid of change but we cannot repeat history by continuing to create urban sprawl. Eating away and paving over our environmentally significant resources will create negative long term affects for our fight against Climate change and ultimately our own health and well being.

One of the biggest concerns I hear from residents is the fear that there will be increased traffic especially in the core of the town. When I went to McMaster University I lived on Main St W just before the border with Ancaster. I lived in one of the many apartment buildings that lined the street. Some were very tall like mine but they came in various heights and the street was dotted with some retail buildings and food establishments all on the edge of a suburb. There was never any traffic even at the busiest times of the day. Plus I was able to walk to get groceries and a bite to eat and due to the densification of the area the bus came often and regularly. Densification does not mean more traffic.

Densifying Ancaster is the solution to our housing shortage and solving our Climate Crisis and building these townhouses is a step in the right direction.

Thank you,

Anka Cassar

Subject: Jan 11, 2022 Meeting - Agenda Item 9.1

Hello Lisa,

I am writing regarding agenda item 9.1- Applications for Official Plan Amendment and Zoning By-law Amendment for Lands Located at 281 Hamilton Drive and 356 Wilson Street West, Ancaster (PED22004) (Ward 12) - File No ZAC-20-014.

If still possible, I'd like my input to be included on the January 11 agenda.

I would like to express my support of the proposal to build townhouses on the empty lot at the intersection of Hamilton Dr and Wilson St. This is exactly the kind of development we need to pursue so we can accommodate a growing population without continuing to sprawl. Since Council voted in November 2021 to freeze the urban boundary development, new housing like what is being proposed in agenda item 9.1 is critical.

Some residents will object because of increased traffic, but this should not be a concern. The amount of traffic from a small number of new residents will be negligible and have next to zero impact on the neighborhood. I would suggest that the City look for ways to help residents address such fears by taking the time to share knowledge and experience. Using data from previous development of this nature to demonstrate that their fears are unfounded would be good for all parties involved.

It's natural for people to be averse to change, but the only constant is change itself. If we are all to pull together and build a liveable, resilient community over the coming years and decades, change management will be an important and necessary tool. We can't have residents unnecessarily fearful of change, and at the same time we cannot slow down or stop the work that needs to be done because some are afraid of what change will bring.

Thank you
Craig Cassar

Subject: Urban Hamilton Official Plan Amendment (File no. UHOPA-20-009)

Please be advised that I wish to be notified of the decision of the City of Hamilton on the proposed zoning by-law amendment and the proposed Official Plan Amendment.

I have reviewed the staff report to Council regarding the proposed changes to the zoning by-law amendment and the Official Plan Amendment. Overall, I am extremely disappointed in the approach that has been taken by the Planning Department. The Developer requests a change in zoning to allow for multiple dwellings i.e., increased profit. In order to allow the number of units requested under RM2, the developer also requests multiple variances from the RM2 criteria. With the exception of reducing the height to the allowable level and reducing the number of units from 11 to 10, the rest of the variances have been dealt with in a manner that can only be described as window dressing. The changes are insignificant, represent no added cost to the developer, provide no additional benefit to the surrounding community and in every single case the staff response is "the proposed modification can be supported". This gives the appearance of the developer being open to change but actually nothing is accomplished and the profit margins are not impacted. Again, this is the typical "bait and switch" approach; ask for something ridiculous and when denied show how flexible you are by agreeing to what you wanted in the first place, even though that is still not consistent with the zoning requirements.

The most egregious example of the planning department being "developer biased" is the absolute lack of rationale for excluding the requirement for any "minimum area per dwelling unit" as specified in RM2 requirements. In Appendix E to Report PED22004, page 52, the issue of minimum lot area is discussed. The analysis states that in the RM2 Zone, a minimum of 280 sq m per unit is required for a total of $10 \times 280 = 2800$ sq m. Since the area in question consists of only 2600 sq m in total, then 10 units cannot be accommodated under RM2 Zoning. This would result in 260 sq m per unit which is 7% lower than the minimum allowed. The analysis then goes on to state that even the 260 sq m per unit cannot be met because the space cannot be evenly divided between all 10 units due to a variety of issues. The final conclusion is "a minimum of 260 square metres for each unit cannot be provided". Since the 260 is already 7% below the minimum required by RM2, the logical next step would be to conclude that there is not enough room for 10 units but the planning analysis concludes that the way to solve this problem is to simply remove any minimum lot area per dwelling. In effect, the planning department is saying we agree with rezoning to RM2 but we can't meet the requirements of that zone so we will simply ignore those aspects in order to ensure that the developer can still build 10 units. There is zero discussion of the fact that reducing the number of units to 9 would solve all of these issues. In my 48 years of practising civil engineering, I have never seen such convoluted, biased and totally unprofessional logic used to arrive at a predetermined conclusion.

In view of this, I would respectfully request that Council deny this application until the number of units has been reduced to a maximum of 9 so that the planning process can at least appear to have considered both public input and the specifications of our zoning by-laws as approved by Council.

Sincerely,
H. W. Campbell

Subject: File: UHOPA-20-009 ZAC-20-014

Good Morning,

We do not agree with the amendments for the proposed development.

Do not the two complexes on the other corners have the height and set back according to the existing zoning by-laws? We see no reason to change this.

The "density" for the proposed development does not allow for adequate parking. There are only 7 proposed visitor parking spots - "4 of which are parallel parking". How realistic is this?

Hamilton Drive is already experiencing traffic congestion due to parking on a 2 lane street from the existing townhouse complex. Hamilton Drive has become a major thoroughfare.

This proposal may look fine on paper but in reality it is 10 more units (20 cars). What is going to happen when the southern end of Hamilton Drive gets developed?

There is no serious traffic calming for this busy street. By the way, where are the workers all going to park for this proposed development?

This is a "crammed" development which is not acceptable to the neighbourhood.

It will definitely not be a "gateway" attribute into Ancaster (this is how the traffic circle was first advertised when being built).

Sincerely,
Jane and John De Zoete

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 2 of 25

Dwellings, Lodges, Clubs, etc.) District, Modified and “D/S-881”, “D/S-881a” (Urban Protected Residential - One and Two Family Dwellings, etc.) District, Modified to the “E/S-1812” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified the extent and boundaries of which are shown on a plan hereto annexed as Schedule “A” of Appendix “B” attached to Report PED22007 to permit a three storey, 31 unit multiple dwelling, for the lands located at 315 Robert Street and a portion of the lands located at 225 East Avenue, as shown on Appendix “A” attached to Report PED22007, be **APPROVED** on the following basis:

- (i) That the draft By-law, attached as Appendix “C” to Report PED22007, which has been prepared in a form satisfactory to the City Solicitor, be enacted by City Council;
- (ii) That the proposed change in zoning is consistent with the Provincial Policy Statement (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe 2019, as amended and will comply with the Urban Hamilton Official Plan upon finalization of the Official Plan Amendment No. XX.

EXECUTIVE SUMMARY

The Owner, Indwell Community Homes has applied for an Urban Hamilton Official Plan Amendment (UHOPA-21-013) and Zoning By-law Amendment (ZAC-21-028). The purpose and effect of the Urban Hamilton Official Plan Amendment Application is to create a Urban Site Specific Policy Area to increase the maximum density on the entire site 315 Robert Street and 219, 225 and 247 East Avenue North for all phases to 284 units per hectare whereas the Urban Hamilton Official Plan (UHOP) currently identifies the maximum density at 200 units per hectare to allow for the comprehensive development of the entire site.

The purpose and effect of the Zoning By-law Amendment is for a change in zoning from the “E/-881”, “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified and the “D/S-881” and “D/S-881a” (Urban Protected Residential – One and Two Family Dwellings, etc.) District, Modified to a site specific “E/S-1812” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified to permit a three storey multiple dwelling with 31 residential units on the southerly portion of the site (see Appendix “C” attached to Report PED22007).

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 3 of 25

The subject lands are part of a three phase residential development (see Appendix “E” attached to Report PED22007) which includes demolishing the existing industrial building (Royal Oak Dairy) to accommodate:

- The construction of one, five storey multiple dwelling and one, three storey multiple dwelling (Phase 1);
- The adaptive reuse of the existing stable with a third storey addition to accommodate a multiple dwelling with 13 units (Phase 2); and,
- The construction of a three storey multiple dwelling with 31 residential units (Phase 3).

Phase 1 and 2 of the development were subject to Site Plan Control Application (DA-20-001) which received final approval on January 8, 2021 (Phase 1) and March 26, 2021 (Phase 2).

The proposal has merit and can be supported for the following reasons:

- It is consistent with the Provincial Policy Statement (2020) (PPS);
- It conforms to the Growth Plan for the Greater Golden Horseshoe, 2019, as amended (Growth Plan);
- It complies with the general intent of the Urban Hamilton Official Plan upon adoption of the Official Plan Amendment No. ____; and,
- The proposed development is compatible with existing land uses in the immediate area and represents good planning by, among other things, increasing the supply of housing units, making efficient use of existing infrastructure within the urban boundary, and supporting public transit.

Alternatives for Consideration – See Page 23

Processing Time:	211 days.

Background

The subject lands are a part of a multi-phase redevelopment proposal for the former Royal Oak Dairy site and vacant lands (315 Robert Street and 219, 225 and 247 East Avenue North). Phase 1 and 2 were subject to Site Plan Control Application (DA-20-001) and Minor Variance Application (HM/A-19:457).

The Applicants have submitted the Urban Hamilton Official Plan Amendment to address the density of the overall site development. The properties have been merged on title and the proposed amendment will have regard for the site in its entirety, whereas the previous approvals reflected the individual properties. As a result, the overall density needs to be increased from the permitted 200 units per hectare to 284 units per hectare to allow for the comprehensive development of the site.

The Zoning By-law Amendment Application is to allow for the development of a three storey, 31 unit multiple dwelling for Phase 3 being the vacant lands located at 315 Robert Street and a portion of 225 East Avenue North (see Appendix “E” attached to Report PED22007).

Information about the previous Site Plan Control Application for the site can be found in the following table:

Application Number	Proposal	Total Units	Final approval date
DA-20-001 (Phase 1)	One new five storey residential multiple dwelling and one new three storey residential multiple dwelling.	95	January 8, 2021
DA-20-001 (Phase 2)	The adaptive reuse of the existing building to be developed as a three storey multiple dwelling.	13	March 26, 2021

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 7 of 25

Existing Land Use and Zoning:

	Existing Land Use	Existing Zoning
Subject Property:	Multiple dwellings currently under construction.	“D/S-881” and “D/S-881a” (Urban Protected Residential – One and Two Family Dwellings, etc.) District, Modified, and “E/S-881” and “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified.

Surrounding Land Uses:

North	Single detached dwellings.	“E” (Multiple Dwellings, Lodges, Clubs, Etc.) District.
East	Single detached dwellings.	“D” (Urban Protected Residential – One and Two Family Dwellings, etc.) District.
South	Single detached dwellings.	“D” (Urban Protected Residential – One and Two Family Dwellings, etc.) District.
West	Single detached dwellings, commercial parking lot and industrial uses.	“D” (Urban Protected Residential – One and Two Family Dwellings, etc.) District and “E/S-881” and “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

Provincial Planning Policy Framework

The Provincial Planning Policy framework is established through the *Planning Act* (Section 3), the Provincial Policy Statement (PPS) (2020), and A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019, as amended. The *Planning Act* requires that all municipal land use decisions affecting planning matters be consistent with the

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 8 of 25

PPS. The *Places to Grow Act* requires that all municipal land use decisions made under the *Planning Act* conform to the Growth Plan. The following policies amongst others applies:

- “1.1.3.1 Settlement areas shall be the focus of growth and development;
- 1.1.3.2 Land use patterns within settlement areas shall be based on densities and a mix of land uses:
 - a) Efficiently use land and resources;
 - b) Are appropriate for, and efficiently use, the infrastructure and public service facilities which are planned or available, and avoid the need for their unjustified and/or uneconomic expansion;
 - e) Support active transportation; and,
 - f) Are transit-supportive, where transit is planned, exists or may be development;
- 1.1.3.4 Appropriate development standards should be promoted which facilitate intensification, redevelopment and compact form, while avoiding or mitigating risks to public health and safety.”

The proposed development is located within a settlement area and represents a compatible form of intensification that efficiently uses land, existing infrastructure and is supported by existing public transit. The proposed development facilitates intensification and redevelopment and is a compact form of development that is appropriate in scale for the area.

Cultural Heritage and Archaeology

The City of Hamilton Official Plan has not been updated with respect to the cultural heritage policies of the PPS. The following policies, amongst others, of the PPS 2020 apply.

- “2.6.1 Significant built heritage resources and significant cultural heritage landscapes shall be conserved;

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 9 of 25

- 2.6.2 Development and site alteration shall not be permitted on lands containing archaeological resources or areas of archaeological potential unless significant archaeological resources have been conserved; and,
- 2.6.3 Planning authorities shall not permit development and site alteration on adjacent lands to protected heritage property except where the proposed development and site alteration has been evaluated and it has been demonstrated that the heritage attributes of the protected heritage property will be conserved.”

The subject property meets two of the ten criteria used by the City of Hamilton and Ministry of Heritage, Sport, Tourism and Culture Industries for determining archaeological potential:

- 1) In areas of pioneer EuroCanadian settlement; and,
- 2) Along historic transportation routes.

These criteria define the property as having archaeological potential. Accordingly, Section 2 (d) of the *Planning Act* and Section 2.6.2 of the Provincial Policy Statement apply to the subject Application. If this site plan is approved, Staff require that a written caution be added to the site plan as follows:

“Caution: Notwithstanding current surface conditions, the property has been determined to be an area of archaeological potential. Although an archaeological assessment is not required by the City of Hamilton, the proponent is cautioned that during development activities, should deeply buried archaeological materials be found on the property the Ontario Ministry of Heritage, Sport, Tourism and Culture Industries (MHSTCI) should be notified immediately (416-212-8886). In the event that human remains are encountered during construction, the proponent should immediately contact both MHSTCI and the Registrar or Deputy Registrar of the Cemeteries Regulation Unit of the Ministry of Government and Consumer Services (416-212-7499).”

The appropriate notes will be incorporated at the Site Plan Control stage.

Urban Hamilton Official Plan

The subject property is identified as “Neighbourhoods” on Schedule “E” – Urban Structure and is designated “Neighbourhoods” on Schedule “E-1” – Urban Land Use Designations of the UHOP. The following policies, among others, apply to the proposal.

Residential Uses – General Policies

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 10 of 25

“E.3.3.2 Development or redevelopment adjacent to areas of lower density shall ensure the height, massing, and arrangement of buildings and structures are compatible with existing and future uses in the surrounding area;

High Density Residential

E.3.6.4 High density residential uses shall be located within safe and convenient walking distance of existing or planned community facilities/services, including public transit, schools, and active or passive recreational facilities;

E.3.6.6 In high density residential areas, the permitted net residential densities, identified on Appendix G – Boundaries Map shall be:

- b) Greater than 100 units per hectare and not greater than 200 units per hectare in all other Neighbourhoods designation areas.

E.3.6.7 Development within the high density residential category shall be evaluated on the basis of the following criteria:

- a) Development should have direct access to a collector or major or minor arterial road. If direct access to such a road is not possible, the development may be permitted indirect access to a collector or major or minor arterial roads from a local road upon which only a small number of low density residential dwellings are fronting on the local road. (OPA 109);
- d) Development shall:
 - i) Provide adequate landscaping, amenity features, on-site parking, and buffering where required;
 - ii) Be compatible with existing and future uses in the surrounding area in terms of heights, massing, and an arrangement of buildings and structures; and,
 - iii) Provide adequate access to the property, designed to minimize conflicts between traffic and pedestrians both on-site and on surrounding streets;
- e) In accordance with the policies of Section B.3.3 – Urban Design Policies, development shall contribute to an attractive public realm by minimizing the view of the following elements from the abutting public streets (excluding public alleys):

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 11 of 25

- i) Surface parking areas;
- iii) Utility and service structures such as garbage enclosures; and,
- iv) Expanses of blank walls;
- f) The City may require studies, in accordance with Chapter F - Implementation Policies, completed to the satisfaction of the City, to demonstrate that the height, orientation, design and massing of a building or structure shall not unduly overshadow, block light, or result in the loss of privacy of adjacent residential uses;

Urban Design Policies

B.3.3.2.6 Where it has been determined through the policies of this Plan that compatibility with the surrounding areas is desirable, new development and redevelopment should enhance the character of the existing environment by:

- a) Complementing and animating existing surroundings through building design and placement as well as through placement of pedestrian amenities;
- d) Complementing the existing massing patterns, rhythm, character, colour, and surrounding context; and,
- e) Encouraging a harmonious and compatible approach to infilling by minimizing the impacts of shadowing and maximizing light to adjacent properties and the public realm;

B.3.3.3.2 New development shall be designed to minimize impact on neighbouring buildings and public spaces by:

- a) Creating transitions in scale to neighbouring buildings;
- b) Ensuring adequate privacy and sunlight to neighbouring properties; and,
- c) Minimizing the impacts of shadows and wind conditions;

B.3.3.3.3 New development shall be massed to respect existing and planned street proportions;

B.3.3.3.4 New development shall define the street through consistent setbacks and building elevations. Design directions for setbacks and heights are found in Chapter E – Urban Systems and Designations and in the Zoning By-law; and,

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 12 of 25

OUR Vision: To be the best place to raise a child and age successfully.
OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.
OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 13 of 25

B.3.3.3.5 Built form shall create comfortable pedestrian environments by:

- a) locating principal façades and primary building entrances parallel to and as close to the street as possible; and,
- d) locating surface parking to the sides or rear of sites or buildings, where appropriate.”

The proposed three storey multiple dwelling is located at the periphery of the Lansdale neighbourhood and is close to both Victoria Avenue North, which is identified as a major arterial and Barton Street East, which is identified as a minor arterial. The proposed development will have access to Victoria Avenue North by passing four low density residential developments (Policy E.3.6.7 a)).

As part of the Urban Hamilton Official Plan Amendment and Zoning By-law Amendment submission, the Applicant was required to submit a concept plan, preliminary elevations, preliminary Landscape Plan and Urban Design Brief. The documents were reviewed, and staff are satisfied that the proposed development provides appropriate landscaping, amenity area and on-site parking for the proposed development while minimizing impacts shadow and wind on adjacent residential uses and the public realm (Policy E.3.6.7 f)).

The residential area is characterized by existing single detached dwellings ranging from one to two storeys in height and located close to the street line. As part of previous approvals for the subject lands, a five storey multiple dwelling and three storey multiple dwelling were approved on the north side of the subject lands. The buildings are currently under construction. The proposed residential building, as part of the final phase of the consolidated development, is three storeys (9.2 metres) in height. The proposed building provides transition between the approved five storey building to the north and to the existing low density residential to the south of the subject lands (E.3.3.2 and B.3.3.3.2 a)). The single detached dwellings to the west are separated from the subject lands by an existing public laneway. The development includes a 1.5 metres setback in addition to the laneway width which provides the appropriate distance separation to reduce impacts of privacy, overlook and shadow impacts for a three storey building (Policies B.3.3.3.3, B.3.3.2.6 a) and e), B.3.3.3.2 b) and c) and E.3.6.7 d) ii)).

The proposed three storey (9.2 metre) building maintains the appropriate proportions when considering the 20.0 metre right of way width for both East Avenue North and Robert Street. The proposed building creates a comfortable street wall which includes principle entrances to the units exiting onto a communal exterior staircase along the

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 14 of 25

street facing facades, further animating the public realm (Policies B.3.3.3.4, B.3.3.2.6 a) and B.3.3.3.5 a) and d)).

The preliminary elevations have been reviewed which includes windows and door openings along the façade along Robert Street and East Avenue North in order for the façade to not be a blank wall. Minor modifications and final reviews of the proposed elevations (including material and landscaping) will be addressed at the Site Plan Control stage but the preliminary plans are appropriate. The surface parking area is located behind the proposed “L” shaped building and cannot be seen from the sidewalk and the waste enclosure area was previously approved as part of the application (Policy E.3.6.7 e) and B.3.3.3.5 d)).

The subject property is close to Downtown Hamilton and a number of amenities including St Patrick Catholic elementary school, JC Beemer Park and various commercial uses along Barton Street East and Cannon Street East. The proposal includes an outdoor play area on the subject lands at the rear of the building. The outdoor play area is in addition to the landscaping previously approved on-site through the site plan application DA-20-001. The subject property is also serviced by HSR bus route Nos. 2, 3 and 12 (Policy E.3.6.4 and E.3.6.7 d) i)).

The property is not located within Central Hamilton and does not front onto an arterial road. Therefore, the maximum density for the site is 200 units per hectare. The Applicant is proposing 284 units per hectare (Policy E.3.6.6). Therefore, an Official Plan Amendment is required for the proposal.

Residential Intensification

“B.2.4.1.4 Residential intensification developments shall be evaluated based on the following criteria:

- a) A balanced evaluation of the criteria in b) through g), as follows;
- b) The relationship of the proposal to existing neighbourhood character so that it maintains, and where possible, enhances and builds upon desirable established patterns and built form;
- c) The development’s contribution to maintaining and achieving a range of dwelling types and tenures;
- d) The compatible integration of the development with the surrounding area in terms of use, scale, form and character. In this regard, the City

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 15 of 25

encourages the use of innovative and creative urban design techniques; and,

- e) The development's contribution to achieving the planned urban structure as described in Section E.2.0 – Urban Structure; f) infrastructure and transportation capacity; and, g) the ability of the development to comply with all applicable policies;

B.2.4.2.2 When considering an application for a residential intensification development within the Neighbourhoods designation, the following matters shall be evaluated:

- a) The matters listed in Policy B.2.4.1.4;
- b) Compatibility with adjacent land uses including matters such as shadowing, overlook, noise, lighting, traffic, and other nuisance effects;
- c) The relationship of the proposed building(s) with the height, massing, and scale of nearby residential buildings;
- d) The consideration of transitions in height and density to adjacent residential buildings;
- e) The relationship of the proposed lot(s) with the lot pattern and configuration within the neighbourhood;
- f) The provision of amenity space and the relationship to existing patterns of private and public amenity space;
- g) The ability to respect and maintain or enhance the streetscape patterns including block lengths, setbacks and building separations;
- h) The ability to complement the existing functions of the neighbourhood;
- i) The conservation of cultural heritage resources; and,
- j) infrastructure and transportation capacity and impacts.”

The proposed multiple dwelling contributes to the range of dwelling types and tenures and makes efficient use of an underutilized site with an appropriately scaled residential

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 16 of 25

building (Policies B.2.4.1.4 b) and c)). The proposal complements the existing function of the neighbourhood by providing a compact, mid-rise built form development in proximity to transit and Downtown Urban Growth Centre (Policy B.2.4.2.2 h)).

As per Policies B.2.4.2.2 c) and d), the proposed three storey multiple dwelling provides a transition between the low rise residential uses to the south of the site and the five storey building (Phase 1) of the subject lands. The proposed three storey building provides a continuous, animated street wall along East Avenue North and Robert Street. The proposed three storey development will not cause negative impacts on the street level wind conditions or adverse shadow impacts on the adjacent residential uses or within the public realm. The development does not directly abut residential amenity areas on adjacent properties minimizing impacts on overlook and privacy (Policy B.2.4.2.2 b)).

Adequate outdoor amenity space has been provided for the entire development including a common playground area and outdoor amenity area. The proposed outdoor amenity will complement the existing public parks within walking distance of the subject site, including Beemer Park located approximately 450 metres to the south (Policy B.2.4.2.2 f)).

The proposed building has been brought up to the street line and incorporates primary entrances at grade to enhance the streetscape (Policy B.2.4.2.2 g)). In addition, the landscaping within the interior of the site will be reviewed at the Site Plan Control stage.

With respect to Policies B.2.4.1.4 f) and B.2.4.2.2 j), the subject site is serviced by municipal water, sewer and stormwater infrastructure. Staff did not request a Transportation Impact Study for the proposal as the size of the development does not raise concerns from a transportation capacity perspective.

With respect to Policy B.2.4.2.2 i) previous approvals for Phase 1 and Phase 2 incorporated the adaptive reuse of an existing stable as a three storey multiple dwelling and a commemorative plaque that was included under previous approvals to recognize the historical significance of the previous Royal Oak Dairy use. Given that this site will be comprehensively developed those measures to protect and memorialize the cultural heritage value of the site will be incorporated into the overall development of the site.

Based on the foregoing, the proposal complies with Policies B.2.4.2.2 and B.2.4.1.4.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 17 of 25

Noise

“B.3.6.3.7 A noise feasibility study, or detailed noise study, or both, shall be submitted as determined by the City prior to or at the time of application submission, for development of residential or other noise sensitive land uses on lands in the following locations:

- b) 400 metres of a major arterial road, as identified on Schedule C – Functional Road Classification;”

The proposed development is located within 400 metres of a major arterial road (Victoria Avenue). A Noise Impact Study was completed and approved for previous phases of residential development on the subject lands.

The Noise Impact Study identified the following warning clauses for the residential developments:

- “Purchasers/tenants are advised that despite the inclusion of noise control features in the development and within the building units, sound levels due to increasing road traffic may on occasion interfere with some activities of the dwelling occupants as the count levels exceed the sound level limits of the Municipality and the Ministry of Environment, Conservation and Parks;
- This dwelling unit has been supplied with a central air condition system which will allow windows and exterior doors to remain closed, thereby ensuring that the indoor sound levels are within the sound level limits of the City of Hamilton and the Ministry of Environment Conservation and Parks; and,
- Purchasers/tenants are advised that due to the proximity of the industrial/commercial facilities nearby, sound from these facilities may at time be audible and the operations may change in the future.”

Staff will request the Applicants to provide an updated Noise Study at the Site Plan Control stage to confirm if there are any additional requirements for the final phase of the residential development.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 18 of 25

Neighbourhood Plan

The following policy related to Neighbourhood Plans, amongst others, applies:

“F.1.2.7 Neighbourhood plans are policies adopted by council resolution and do not form part of the Official Plan. Any proposal for development or redevelopment must conform to the designations, and policies in the Neighbourhood Plan; and,

F.1.2.8 Any amendment to the Neighbourhood Plan must be evaluated using the provisions of Policies F.1.1.3 and F.1.1.4 and shall require a formal Council decision to enact the amendment.”

Lansdale Neighbourhood Plan Policies

3. “The nature of residential uses should remain largely in the present state of 1 ow density, and further conversions of existing structures to create more dwelling units shall be prohibited. However, apartment development shall be permitted and encouraged in certain appropriate locations, particularly in the southerly portions of the neighbourhood adjacent to major roads, or in such locations as may facilitate the redevelopment of industrial uses.”

A portion of the subject lands fronting onto both Robert Street and East Avenue North are designated “Single and Double” and the balance of the property which only has frontage on East Avenue North are designated “Medium Density Apartment” in the Lansdale Neighbourhood Plan. The Lansdale Neighbourhood Plan also identifies that the subject lands permit a Dairy Office / Storage Use and Ancillary Parking. To recognize the comprehensive development of the site, staff recommend the Neighbourhood Plan be amended to designate the lands “Medium Density Apartments” for the portion of the property currently designated as “Single and Double”.

The proposed residential development is located in close proximity to a major arterial road (Victoria Avenue North). As stated above, the Lansdale Neighbourhood Plan identifies locations within the neighborhood where an apartment development shall be permitted and encouraged. Staff have reviewed the policy and are satisfied that the proposed development meets the general intent and location requirements for apartment developments within the Lansdale Neighbourhood Plan.

Based on the foregoing, staff are of the opinion that the proposal complies with the policies of the UHOP.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 19 of 25

City of Hamilton Zoning By-law No. 6593

The subject property is currently zoned “D/S-881” and “D/S-881a” (Urban Protected Residential – One and Two Family Dwellings, etc.) District, Modified and “E/S-881” and “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified in Zoning By-law No. 6593 which permits a two family dwelling, a lodging house, multiple dwelling on a portion of the lands, three family dwelling with accommodation for not more than three lodgers, in addition to other uses.

The proposed Zoning By-law Amendment is for a change in zoning from “D/S-881” and “D/S-881a” (Urban Protected Residential – One and Two Family Dwellings, etc.) District, Modified and “E/S-881” and “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified to “E/S-1812” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified. The zoning change only applies to the area identified on a portion of the subject lands identified as Phase 3 on the Concept Plan (See Appendix “E” attached to Report PED22007). Modifications to the zoning boundaries and the “E” (Multiple Dwellings, Lodges, Clubs, etc.) District are also required to facilitate the development and are summarized in the Report Fact Sheet above and discussed in greater detail in Appendix “D” attached to Report PED22007.

PUBLIC CONSULTATION

In accordance with the provisions of the *Planning Act* and the Council Approved Public Participation Policy, Notice of Complete Application and Preliminary Circulation was sent to residents within 120 metres of the subject lands on July 15, 2021. A Public Notice sign was posted on the property on July 26, 2021 and updated with the Public

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 22 of 25

Meeting date on December 8, 2021. A Notice of Public Meeting was sent to property owners within 120 metres of the site on December 17, 2021, in accordance with the requirements of the *Planning Act*.

Public Consultation Strategy

In addition to the requirements of the *Planning Act*, as part of the Planning Justification Report the Applicant stated that a public newsletter dated June 14, 2021 was delivered to the neighbors within 120 metres to give information of Indwell's Official Plan and Zoning By-law Amendment Applications to facilitate Phase 3 and two community meetings were to be scheduled for Summer and Fall 2021. A Notice was sent advising of a Neighbourhood Meeting on August 5, 2021. The agents advised that there was no neighbourhood interest in the virtual meeting so they did not host the community meeting.

To date, no public submissions have been received in response to the Public Notice.

ANALYSIS AND RATIONALE FOR RECOMMENDATIONS

1. The proposed Urban Hamilton Official Plan Amendment and Zoning By-law Amendment has merit and can be supported for the following reasons:
 - (i) It is consistent with the PPS (2020) and conforms to A Place to Grow: Growth Plan for the Greater Golden Horseshoe 2019, as amended;
 - (ii) It complies with the UHOP as it provides for a range of housing types within the development area upon finalization of the Official Plan Amendment No. XX; and,
 - (iii) The proposal represents good planning by providing for the development of a complete community, making efficient use of existing infrastructure and supporting public transit.
2. Official Plan Amendment

The subject lands are currently designated as "Neighbourhoods" on Schedule E-1 – Urban Land Use Designations in the UHOP. The requested amendment to the UHOP is to add an Urban Site Specific Policy Area to increase the maximum density of the site from 200 units per hectare to 284 units per hectare. The requested Official Plan Amendment review has been summarized below:

OUR Vision: To be the best place to raise a child and age successfully.
 OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.
 OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 23 of 25

- The proposed development provides an appropriate amount of landscaping, amenity area and on-site parking for the proposed development while minimizing shadow, wind and privacy impacts on adjacent low density residential uses;
- The proposed surface parking spaces are screened from the public realm by locating the parking spaces at the rear of the “L” shaped building;
- The proposed building height is proportionate with the existing right-of-way width of both East Avenue North and Robert Street and establishes an appropriate street wall;
- The proposal activates the public realm by locating primary entrances to the units that exit onto a communal exterior staircase along the street; and,
- The proposed development provides an appropriate transition from the approved five storey building on the north portion of the subject lands to the low density residential uses to the south.

Based on the foregoing, staff are satisfied that the intent of the UHOP has been met and the proposed Official Plan Amendment can be supported.

3. Zoning By-law Amendment

The subject lands are zoned “E”, “E/-881”, “E/S-881a” (Multiple Dwellings) District, Modified and “D/S-881”, “D/S-881a” (Urban Protected One and Two Family) District, Modified in Zoning By-law No. 6593 which permits a two family dwelling, a lodging house, multiple dwelling on a portion of the lands, three family dwelling with accommodation for not more than three lodgers, in addition to other uses. The Zoning By-law Amendment application proposes to change the zoning to “E/S-1812” (Multiple Dwellings) District, Modified. Modifications to the Downtown Multiple Residential (D6, 696) Zone are proposed, including:

- To reduce the Minimum Front Yard setback from 3.0 metres to 0 metres;
- To reduce the Minimum Side Yard setback from 3.0 metres to 0 metres;
- To reduce the Minimum Rear Yard setback from 3.0 metres to 1.5 metres;
- To reduce the minimum required number of parking spaces from 1.25 spaces per unit to 0.3 spaces per unit;
- Where the application of the parking standards above results in a numeric fraction, fractions shall be rounded down to the nearest whole number;

SUBJECT: Application for an Urban Hamilton Official Plan Amendment and Zoning By-law Amendment for Lands Located at 315 Robert Street and 315 Robert Street and 219, 225 and 247 East Avenue North, Hamilton (PED22007) (Ward 3) - Page 24 of 25

- To reduce the parking stall size from a minimum size of 2.7 metres by 6.0 metres to 2.8 metres by 5.8 metres; and,
- To reduce the required loading space from 1 space to 0 spaces.

Staff are satisfied the proposal meets the intent of the high density residential Neighbourhood policies and applicable intensification policies in the Urban Hamilton Official Plan upon finalization of the proposed amendment. In addition, the proposed amendments meet the intent of the Zoning By-law. An analysis of the requested modifications is provided in Appendix “E” attached to Report PED22007.

Therefore, staff support the proposed Zoning By-law Amendment.

ALTERNATIVES FOR CONSIDERATION

Should the Urban Hamilton Official Plan Amendment and Zoning By-law Amendment Applications be denied, development could proceed in accordance with the existing development standards and use permission of the “E/S-881” and “E/S-881a” (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified and “D/S-881” and “D/S-881a” (Urban Protected Residential – One and Two Family Dwellings, etc.) District, Modified which permits a two family dwelling, a lodging house, multiple dwelling on a portion of the lands, three family dwelling with accommodation for not more than three lodgers, in addition to other uses.

ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN

Community Engagement and Participation

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

Economic Prosperity and Growth

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

Healthy and Safe Communities

Hamilton is a safe and supportive City where people are active, healthy, and have a high quality of life.

Built Environment and Infrastructure

Hamilton is supported by state of the art infrastructure, transportation options, buildings and public spaces that create a dynamic City.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

DRAFT Urban Hamilton Official Plan Amendment No. X

The following text, together with Appendix "A" – Volume 3: Map 2a – Urban Site Specific Key Map (Lower City) attached hereto, constitutes Official Plan Amendment No. "X" to the Urban Hamilton Official Plan.

1.0 **Purpose and Effect:**

The purpose and effect of this Amendment is to add a new site specific policy to increase the maximum density of high density residential uses to permit the development of multiple dwellings with a density of 284 units per hectare.

2.0 **Location:**

The lands affected by this Amendment are known municipally as 219, 225 and 247 East Avenue and 315 Robert Street, in the former City of Hamilton.

3.0 **Basis:**

The basis for permitting this Amendment is:

- The proposed development complies with the function, scale and design of the High Density Residential Use category of the Neighbourhoods designation;
- The proposed development implements the Residential Intensification policies of the Urban Hamilton Official Plan; and,
- The Amendment is consistent with the Provincial Policy Statement, 2020 and conforms to the Growth Plan for the Greater Golden Horseshoe, 2019, as amended.

4.0 **Actual Changes:**

4.1 **Volume 3 – Special Policy Areas, Area Specific Policies, and Site Specific Policies**

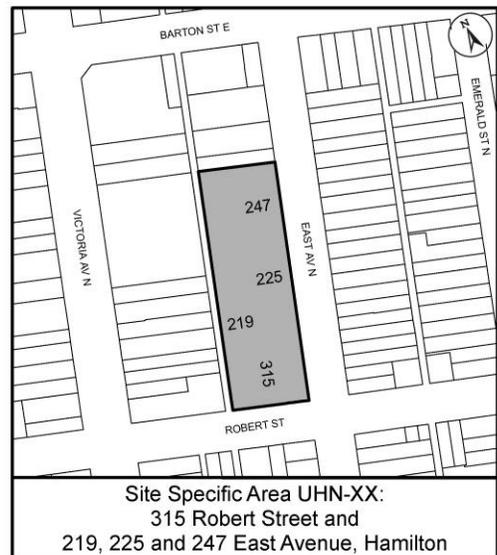

Text

4.1.1 Chapter C – Urban Site Specific Policies

- a. That Volume 3: Chapter C – Hamilton Urban Site Specific Policies be amended by adding a new Site Specific Policy, as follows:

"UHN-XX 315 Robert Street and 219, 225 and 247 East Avenue North, former City of Hamilton

- 1.0 Notwithstanding, Policy E.3.6.6 b) —of Volume 1, for the lands designated "Neighbourhoods", located at 315 Robert Street and 219, 225 and 247 East Avenue North, the maximum *net residential density* for high density residential uses shall be 284 units per hectare."

Maps and Appendices

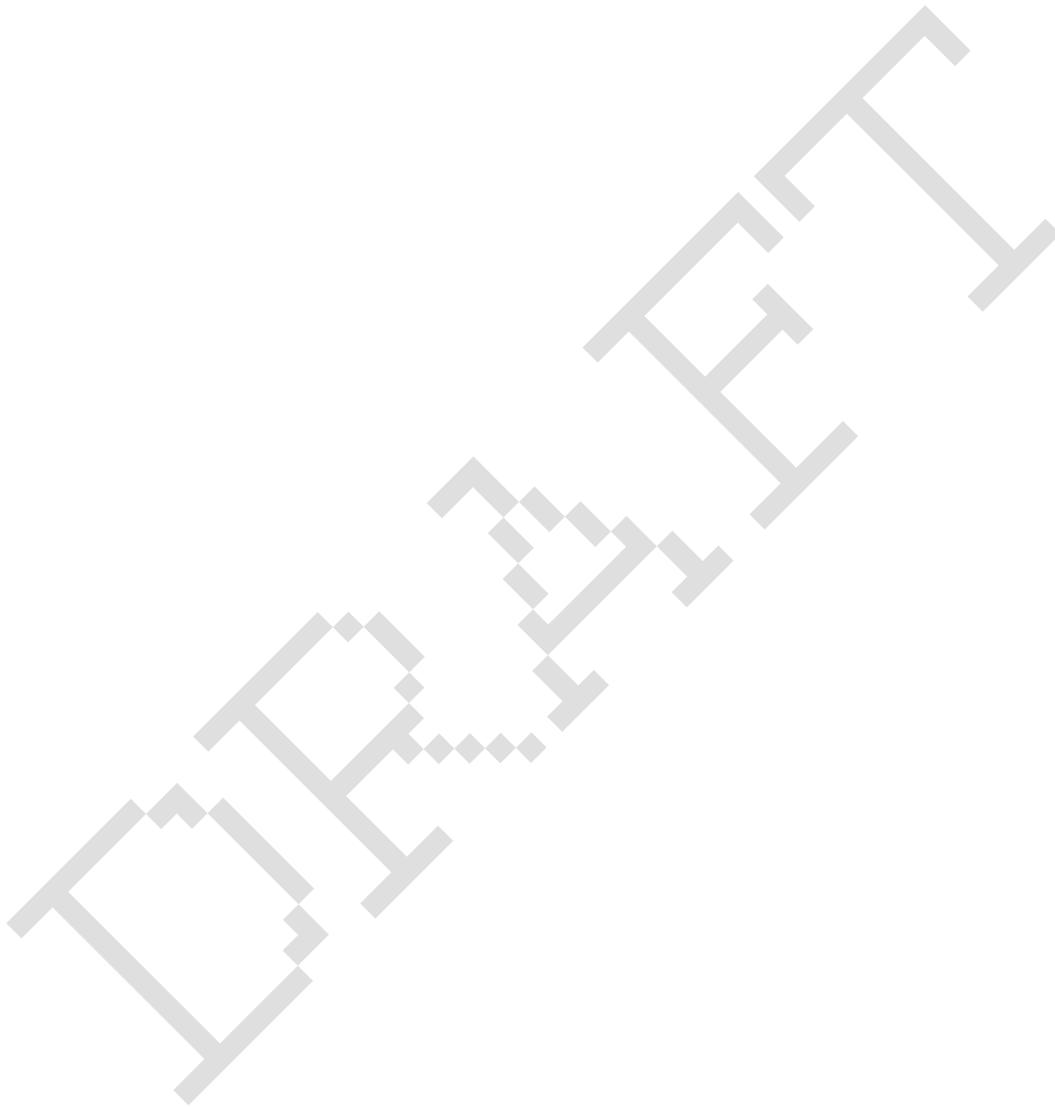

4.1.2 Map

- a. That Volume 3: Map 2a – Urban Site Specific Key Map (Lower City) be amended by identifying the subject lands as UHN-X, as shown on Appendix "A", attached to this Amendment.

5.0 Implementation:

An implementing Zoning By-Law Amendment and Site Plan will give effect to the intended uses on the subject lands.

This Official Plan Amendment is Schedule "1" to By-law No. _____ passed on the ___th day of __, 2022.

Bill No. XXX

CITY OF HAMILTON
BY-LAW NO. 22-XXX

To Amend Zoning By-law No. 6593 (Hamilton) Respecting lands located at 315 Robert Street and Part of 225 East Avenue (Hamilton)

WHEREAS the City of Hamilton Act, 1999, Statutes of Ontario, 1999 Chap. 14, Schedule C. did incorporate, as of January 1, 2001, the municipality "City of Hamilton";

AND WHEREAS the City of Hamilton is the successor to certain area municipalities, including the former municipality known as the "The Corporation of the City of Hamilton" and is the successor to the former regional municipality, namely, "The Regional Municipality of Hamilton-Wentworth";

AND WHEREAS the City of Hamilton Act, 1999 provides that the Zoning By-laws and Official Plans of the former area municipalities and the Official Plan of the former regional municipality continue in full force in the City of Hamilton until subsequently amended or repealed by the Council of the City of Hamilton;

AND WHEREAS the Council of The Corporation of the City of Hamilton passed Zoning By-law No. 6593 (Hamilton) on the 25th day of July 1950, which by-law was approved by the Ontario Municipal Board by Order dated the 7th day of December 1951 (File No. P.F.C. 3821);

AND WHEREAS the Council of the City of Hamilton, in adopting Item of Report 21 - of the Planning Committee, at its meeting held on the day of , 2021, recommended that Zoning By-law No. 6593 (Hamilton), be amended as hereinafter provided;

AND WHEREAS this By-law is in conformity with the City of Hamilton Official Plan upon adoption of the Official Plan Amendment No. _____;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. That Sheet No. E3 of the District Maps, appended to and forming part of Zoning By-law No. 6593 (Hamilton), is amended by changing the zoning from the "E/S-881", "E/S-881a" (Multiple Dwellings, Lodges, Clubs, etc.) District, Modified and "D/S-881", "D/S-881a" (Urban Protected Residential - One and Two Family Dwellings, etc.) District, Modified to "E/S-1812" (Multiple Dwellings, Lodges, Clubs,

Appendix “C” to Report PED22007

etc.) District, Modified the extent and boundaries of which are shown on a plan hereto annexed as Schedule “A”;

2. That the “E” (Multiple Dwellings, Lodges, Clubs, Etc.) District provisions as contained in Section 11 of Zoning By-law No. 6593, applicable to the subject lands, be modified to include the following requirements:
 - a) That notwithstanding Section 11(3)(i)(b), a minimum front yard setback of 0 metres shall be required;
 - b) That notwithstanding Section 11(3)(ii)(b), a minimum side yard setback of 0 metres to Robert Street shall be required;
 - c) That notwithstanding Section 11(3)(ii)(b), a minimum rear yard of 1.5 metres shall be required;
 - d) That notwithstanding Section 18A(6), where the application of the parking standards results in numeric fraction, fractions shall be rounded down to the nearest whole number;
 - e) That notwithstanding Section 18A(7), a parking space shall have dimensions not less than 2.8 metres by 5.8 metres;
 - f) That notwithstanding Section 18A(1)(a), 18A(1)(b), 18A Table 1, and 18A Table 2, multiple dwellings shall require 0.3 spaces per class A dwelling unit; and,
 - g) That notwithstanding Section 18A(1)(c), and 18A Table 3, no loading space shall be required;
3. That no building or structure shall be erected, altered, extended, or enlarged, nor shall any building or structure or part thereof be used, nor shall any land be used, except in accordance with the “E/S-1812” District provisions, subject to the special requirements in Section 2 of this By-law;
4. That By-law No 6593 is amended by adding this By-law to Section 19B as Schedule S-1812;
5. That Sheet No. E3 of the District maps is amended by making the lands referred to in Section 1 of this By-law as Schedule S-1812;
6. That the Clerk is hereby authorized and directed to proceed with the giving of notice of the passing of this By-law, in accordance with the *Planning Act*;

Site Specific Modifications to “E/S-1812” (Multiple Dwellings, Lodges, Clubs etc.) District, Modified

Regulation	Required	Modification	Analysis
Section 11(3)(i)(b) Front Yard Setback.	3.0 metres.	0 metres.	<p>The requested modification can be supported because the proposed building façade provides a continuous streetscape and the three storey (9.2 metre) multiple dwelling is proportionate with the existing right of way, being 20 metres. In addition, the proposal is compatible in height and setbacks from the street with the existing two storey dwellings located on East Avenue North and will have minimal impacts on shadowing and wind effects on the public realm.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>
Section 11(3)(ii)(b) Side Yard Setback.	3.0 metres.	0 metres.	<p>The requested modification allows for the creation of a continuous streetscape with a building brought up to the street line. The building also incorporates primary entrances along the street line to further animate the streetscape. Additionally, the three storey (9.2 metre) building height is proportionate to the existing 20 metre right of way width and will not cause negative impacts on the public realm as it relates to shadow and wind.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>
Section 11(3)(iii)(b) Rear Yard Setback.	3.0 metres.	1.5 metres.	<p>The intent of the regulation is to ensure that adequate amenity area and special separation are provided. The requested modification can be supported as the existing low density residential dwellings fronting on Victoria Avenue North are separated by the existing 3.5 metre public laneway in addition to the proposed 1.5 metre setback. The rear yard functions more as a side yard in this context and the total 5.0 metre separation is adequate to mitigate issues related to wind, shadow and overlook. Further, amenity area and parking is provided internal to the site.</p> <p>In addition, the applicant is proposing to add some landscaping to the rear of the subject lands which will be finalized at the site plan control stage. The landscaping would act as an additional natural buffer between the two developments.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>

Regulation	Required	Modification	Analysis
Section 18A(1)(a), 18A(1)(b), 18A Table 1, and 18A Table 2, Minimum Number of Parking Spaces.	1.25 spaces per unit.	0.3 spaces per unit.	<p>The modification can be supported because a Transportation Impact Study was submitted through previous applications for earlier phases showing that the anticipated parking demand on the site is 0.22 spaces. As the proposed development forms part of a multi-phase development the parking area will be consolidated and will function together with Phase 1 and Phase 2. The additional eight parking spaces will contribute to the available parking for the whole site.</p> <p>In addition, Staff are satisfied that given the location of the subject site to Downtown Hamilton, the reduction in parking can be supplemented by utilizing public transit and active transportation.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>
Section 18A(6) Modification to Rounding for the number of Parking and Loading Spaces.	Requires that the next higher whole number is taken.	Requires the next lowest whole number is taken.	<p>The modification can be supported as the request aligns with the regulations of Zoning By-law No. 05-200.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>
Section 18A(6) Parking Stall Size.	2.7 metres by 6.0 metres.	2.8 metres by 5.8 metres.	<p>The modification can be supported as the request aligns with the regulations of Zoning By-law No. 05-200.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>
Section 18A(1)(c) Minimum number of Loading Spaces.	1 space.	0 spaces.	<p>The proposed modification can be supported as loading for the comprehensive site was established through Site Plan application DA-20-001 which includes layby spaces in the municipal right-of-way on East Avenue North to accommodate loading activities for entire the site.</p> <p>Based on the foregoing, the modification can be supported by staff.</p>

Regarding;

Official Plan Amendment Application UHOPA-21-013 and

Zoning By-law Amendment (File No. ZAC-21-028) and

Applications under the Planning Act variance (HM/A-19:457)

We the undersigned residing less than 60 meters from the subject property, object to the applications, in total. We would also like to present an oral and written submission at the public meeting

The main cause of concern is the lack of parking for the project. The developers have already had a great number of parking spaces lowered for Phase One and Two. For those 108 units, there should have been allotted 152 parking spaces. Instead, 42 spaces have been allowed. The reason argued by the developer was that their clientele, were unlikely to own a car. Now, the developers are requesting the same parking space reduction for the Phase Three units AND using six spaces from the other two Phases. The developers have told local residents, that their clients will have assistance from them in many facets of rehabilitation, physical and mental health, as well as, help in general living. These care workers need somewhere to park. The needs of the 108 units, where common areas are to be used for group meetings and communal gatherings, will require extra staff for training, leadership and cleaning. Assigning this "extra" parking to Phase Three is unacceptable.

In Phase Three, the 31 apartments are one, two and three bedroom units. These units will need a normal amount of parking. They could, possibly, have two working parents and driving age children and would be more prone to having visitors. Further, as no loading areas have been set aside and all the 139 units will require garbage and maintenance, there should be parking and turn around areas for trucks.

Our area already has an enormous demand for street parking which, we assume our city planners know about. It is the combined pressure from workers and visitors going to the General hospital, who do not or cannot afford the City's and Hamilton Health Science's exorbitant parking fees. This pressure increased

by the number of illegal multiple unit dwellings, in the neighbourhood, as well as, the Victoria Gardens Nursing Home, with its own workers and visitors.

We would suggest to the committee, that the developers returned to their plans, reduce the number of units for Phase Three and increase the number of parking spaces to meet those required.. A possible solution might, include, a four storey building with parking at ground level.

Sincerely

Jan Hall and Bruce McLeod

RE: Files UHOPA-21-013, ZAC-21-028 and HM/A-21:414

InDwell at Robert + East

Dear Councillors and planners,

It is with dismay that we observe that it seems to be standard procedure to approve a major project such as the InDwell development on East Ave North, and then to nibble away at its integrity with many applications for exceptions to bylaws. This seems an abuse of process, perhaps hoping no one notices incremental changes. Added up, these amendments become quite significant and an abuse of bylaws that were in place for solid reasons. As residents of East Ave, literally facing the proposed next phase of building across the street from our front door, we are alarmed at the gradual erosion of the street's amenities and the impact this development will have – not just on the quality of life for longtime residents but for our new neighbours-to-be as well.

We are not opposed to social housing. It's an appropriate site for it given the city's needs and heritage, and for the greater good.

We ARE opposed to the proposed removal of green space in the form of the "front yard" and "side yard" setbacks from the road and removal of parking spots while simultaneously increasing density. Nor have we been provided an elevation view of the proposed building, which is disappointing and a disservice to inclusivity and public input.

Please remember parking reductions were already asked for in one of the prior amendments in Phase 1 and 2. Now, .3 of 284 unites is 85 parking spots, but the paperwork sent does not clarify where these are to be located. Will the parking spots shown on the included site plan remain? We don't know – since the loading space is to be taken away entirely. How are people, some no doubt disabled, supposed to get deliveries, get in an uber, move in and out, have short-term visitors—given that

parkade use in the other building is awkward and far away and limited? Our street already suffers from lack of parking due to hospital staff and visitors, so people will predictably park and double-park in the street. Please preserve the outdoor parking spots.

To encourage less car dependence, you could add bike racks. We also urge you to wire all parkade spaces and at least one exterior guest space for electric vehicle charging.

Another application—HM/A-21:414, for 315 Robert St—confuses the matter by proposing differing specs for parking spaces and green space. But it too reduces green space.

The front and side yard 3-meter strips, which are to go to zero, are VERY important because that is where the trees are. Currently several trees stand – trees of the perfect age, still young but mature enough to have presence. They are healthy and help make the street liveable. Many studies support the science of the importance of urban forests and the health benefits of trees, not to mention the aesthetics—this is why you have City staff who specialize in that field. All along we have communicated the need for preserving the few trees left (and protest the removal of the others that already occurred), in earlier letters to you and to InDwell. Please preserve the trees and plant more. Additionally, the 3-meter green space should be landscaped with low-maintenance, eco-friendly native plants to support local biodiversity.

This space also would give the street needed breathing room between the new façade (presumably quite flat and blank given the look of Phase 1) and the older residents' front doors and windows. Zero setback brings the walls and windows much closer to the facing houses and creates a streetscape that is more commercial-looking than residential (it would be extremely bleak without trees), not to mention that not lining up with the rest of the development, which has a bit of yard, disrupts the spatial integrity of the design and sightlines up and down the street.

The variance application of January 2021 (HM/A-20:273) mentions that E District is supposed to have 25% landscaping, 50% of which should be unpaved. Please stick to it.

Summary:

- Respect the bylaws
- Keep the outdoor parking

- Keep 3 meter yards, with trees intact
- Add native plants, bike racks, electric vehicle station
- Give residents the full specs of the development so we can give our most informed input

Sincerely,

Jaleen Grove and Bryan Gee

RECOMMENDATION

- (a) That the proposed amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan be received and that Planning staff be directed and authorized to engage in public consultation with Indigenous communities, stakeholders, and residents on the proposed amendments to the Urban Hamilton Official Plan Amendment and Rural Hamilton Official Plan, attached as Appendices “A” and “B” to Report PED21067(a);
- (b) That Planning staff be directed and authorized to submit the proposed Urban Hamilton Official Plan Amendment, attached as Appendix “A” to Report PED21067(a), to the Minister of Municipal Affairs and Housing for review and comment, in accordance with the requirements of the *Planning Act*;
- (c) That Planning staff be directed and authorized to submit the proposed Rural Hamilton Official Plan Amendment, attached as Appendix “B” to Report PED21067(a), to the Minister of Municipal Affairs and Housing for review and comment, in accordance with the requirements of the *Planning Act*;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 2 of 20

- (d) That Planning staff be authorized to prepare the necessary implementing Zoning By-law Amendments to the Zoning By-laws of the Former Communities, for lands outside of Secondary Plan areas, as well as for low density residential areas within Secondary Plan Areas, to give effect to the proposed Urban Hamilton Official Plan Amendment and that Planning staff present the proposed Zoning By-law Amendments at the statutory public meeting to consider the proposed Official Plan Amendments;
- (e) That Planning staff be directed and authorized to:
- (i) Schedule and give notice of a statutory public meeting to consider the draft Official Plan Amendment(s) and Zoning By-law Amendments, in accordance with the *Planning Act*;
 - (ii) Report back on the results of the consultation and any proposed changes to the draft Official Plan Amendment(s) and Zoning By-law Amendments, based on feedback, at the statutory public meeting;
 - (iii) Provide a Communications Update to Council upon receipt of the comments from the Minister of Municipal Affairs and Housing on the proposed amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan;
 - (iv) That the statutory public meeting be held no later than May 3, 2022.

EXECUTIVE SUMMARY

A Municipal Comprehensive Review (MCR) is a requirement of the Growth Plan for the Greater Golden Horseshoe to comprehensively apply the policies of the plan and implement any required revisions through the necessary amendments to the City's Official Plans. Revisions to the Urban Hamilton Official Plan (UHOP) and Rural Hamilton Official Plan (RHOP) are also required to implement recent changes to the Provincial Policy Statement, as well as updates to the Niagara Escarpment Plan and Greenbelt Plan, following the "Co-ordinated Provincial Plan Review" in 2017. Staff have conducted a detailed review of the current provincial policy framework and have identified a series of updates to the City's Official Plans.

The GRIDS 2 process is the City's long term growth strategy to manage and plan for forecasted population and employment growth to the year 2051. A population of 820,000 people and employment of 360,000 jobs by the year 2051 is forecast for Hamilton.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 3 of 20

In November 2021, Council approved a No Urban Boundary Expansion growth option to accommodate the City's forecasted population and employment growth within the existing urban area to the year 2051. Council also directed staff to: prepare a draft Official Plan Amendment (OPA) which implements the Council direction for No Urban Boundary Expansion; to present and seek approval of the draft OPA to Council by no later than January 2022; and, to send the draft OPA to the Province for review, as required by the *Planning Act*.

Several amendments to the Urban and Rural Hamilton Official Plans are proposed in this report. These amendments address the following matters:

- Urban Hamilton Official Plan Conformity Review – These amendments identify existing Official Plan Policies that do not fully reflect the breadth of provincial policies or conflict with new provincial policies. The proposed UHOP Amendment (Conformity Amendment) is attached as Appendix “A” to Report PED21067(a); and,
- No Urban Boundary Expansion – Changes to the Urban and Rural Hamilton Official Plans are required to implement the Council direction for the No Urban Boundary Expansion growth option, as part of the GRIDS 2 process and the Council decision to accommodate all forecasted growth within the existing urban area. The focus of these changes is to remove the current policies and mapping that would allow for consideration of an urban boundary expansion as part of this Municipal Comprehensive Review. Therefore, proposed UHOP Amendment, attached as Appendix “A” to Report PED21067(a), and proposed RHOP Amendment, attached as Appendix “B” to Report PED21067(a), would provide for the implementation of Council direction to plan for and manage growth within the existing urban area.

The Minister of Municipal Affairs and Housing is the approval authority for these Official Plan Amendments. It is a requirement of the *Planning Act* to provide the Province with draft Official Plan Amendments 90 days prior to the statutory open house and public meeting to provide the Province with sufficient time to review and provide comments on the proposed Official Plan Amendments and to ensure the requirements of provincial plans and policy are met. Recommendations (b) and (c) of Report PED21067(a) direct staff to submit the draft Urban Hamilton OPA and Rural Hamilton OPA to the Province for its review and comment, in accordance with this 90 day review requirement. The submission deadline for approval of the MCR Official Plan Amendment to the Province is July 1, 2022.

Based on the approved workplan for the MCR/GRIDS2, it is proposed to schedule a statutory public meeting of the Planning Committee to consider the proposed

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 4 of 20

amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan in May 2022. This will enable staff and Council with an opportunity to engage with the broader community in advance of the July 1, 2022 deadline and make any changes to the proposed OPAs based on stakeholder feedback.

Furthermore, as the zoning by-law is the primary mechanism for the implementation of the Official Plan, it is proposed to present the necessary changes to the Zoning By-laws of the former Communities to implement Council's growth management strategy predicated on promoting intensification and redevelopment and maintaining the existing urban boundary at the same May/June 2022 statutory meeting.

Staff are requesting approval to consult with Indigenous communities, stakeholders and residents to obtain feedback and public input on the proposed Official Plan amendments prior to the May/June 2022 statutory open house, public meeting and to submit the draft Official Plan Amendments to the Province for its review and comment, in accordance with the 90 day review requirement.

Alternatives for Consideration – See Page 18

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: N/A

Staffing: N/A

Legal: In the preparation of an Official Plan Amendment to implement a Municipal Comprehensive Review, Section 17 of the *Planning Act* requires municipalities to consult with the approval authority (i.e. the Ministry of Municipal Affairs and Housing) and to provide the draft official plan amendment, supporting documentation and any other prescribed materials to the approval authority for review and comment at least 90 days prior to the giving of notice of the statutory open houses and/or public meeting to consider the amendment.

HISTORICAL BACKGROUND

1.0 Planning Act Requirements and Provincial Plan Updates

Provincial requirements and good land use planning practice dictate that municipalities review their Official Plans on a regular basis to ensure they remain up-to-date, reflect current provincial policy and represent the long term vision of the municipality. Section 26 of the *Planning Act* requires that municipalities undertake and review of Official Plan

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 5 of 20

at least every 10 years and make the necessary amendments to ensure that the Official Plan conforms or does not conflict with current provincial plans, matters of provincial interest and the Provincial Policy Statement (PPS). Following the Co-ordinated Provincial Plan Review in 2016-17, revisions to the Growth Plan for the Greater Golden Horseshoe, the Greenbelt Plan, the Niagara Escarpment Plan, on May 16, 2017. Subsequently, the Growth Plan for the Greater Golden Horseshoe was revised in May 2019 and August 2020. The current PPS came into effect on May 1, 2020.

The Official Plan review is being conducted in phases. This report is part of the first phase of the City's review, which is the Municipal Comprehensive Review Conformity Review to ensure the UHOP is updated to reflect the PPS, the Growth Plan for the Greater Golden Horseshoe, the Greenbelt Plan, and the Niagara Escarpment Plan.

2.0 GRIDS 2 / MCR

GRIDS 2 is the update to the City's Growth Related Integrated Development Strategy (GRIDS) to plan for the City's population and employment growth forecasts to the year 2051. This review is being undertaken concurrently with the MCR.

The No Urban Boundary Expansion growth option has been adopted by Council. This option plans for all forecasted population (236,000 people) and employment (122,000 jobs) growth to the year 2051 to be accommodated within the current urban boundary. The proposed UHOP Amendment, attached as Appendix "A" to Report PED2067(a) and the proposed RHOP Amendment, attached as Appendix "B" to Report PED21067(a), have been prepared to implement Council's direction regarding no urban boundary expansion.

3.0 Official Plan Amendments – Requirements and Schedule

Under Section 26 of the *Planning Act*, MCR amendments to Official Plans are approved by the Minister of Municipal Affairs and Housing. The Province has set July 1, 2022 as the date by which municipalities must submit to the Minister of Municipal Affairs and Housing the necessary Official Plan Amendment(s) that address conformity matters as part of the MCR.

It is also a requirement to provide the Province with draft Official Plan Amendments 90 days prior to Council adoption to provide the Province with sufficient opportunity to review and provide comment on the proposed Official Plan Amendment(s).

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 6 of 20

3.1 MCR / Official Plan Review OPA Schedule (Topic Based)

Staff has taken a topic-based approach to the identification of policy and mapping updates to the review of the Urban and Rural Hamilton Official Plans, resulting from provincial land use policy changes and the implementation of the Council direction. The following table presents a revised timeline of when and how Urban Hamilton Official Plan Amendments (UHOPA) and Rural Hamilton Official Plan Amendments (RHOPA) will be addressed.

Municipal Comprehensive Review (MCR) / Official Plan (OP) Review – List / Phasing of Official Plan Amendments (UHOPA/RHOPA)

OPA	Topic Areas	Timing
Phase 1: MCR UHOPA and RHOPA	<p>MCR UHOPA: All UHOP conformity matters related to the Provincial Policy Statement, Growth Plan, Greenbelt Plan, and Niagara Escarpment Plan:</p> <ul style="list-style-type: none"> • Firm Urban Boundary and removal of Urban Boundary Expansion policies (implementation of Council direction); • Growth Management (Forecasts, Targets); • Cultural Heritage; • Employment (including implementation of Employment Land Review recommendations); • Infrastructure; • Climate-Related; • Housing; • Transportation; • Neighbourhoods – Residential Densities; and, • Glossary. <p>RHOPA: RHOP matters related to implementation of Council direction:</p> <ul style="list-style-type: none"> • RHOP policy update regarding the removal / redesignation of Agriculture / Rural lands to implement Council direction of No Urban Boundary Expansion: • Removal of Special Policy Area – B from Volume 3 text and mapping. 	<p>January 2022 – Draft UHOPA – Conformity Amendment and RHOPA – Firm Urban Boundary Amendment to MMAH</p> <p>May 2022 – June 2022 – Statutory public meeting and Final Council- Adopted UHOPA / RHOPA to MMAH</p>

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 7 of 20

OPA	Topic Areas	Timing
Phase 2: MCR – RHOPA – Conformity Amendment	All RHOP conformity matters related to the Provincial Policy Statement, Niagara Escarpment Plan, Growth Plan, and Greenbelt Plan: <ul style="list-style-type: none"> • Agricultural System Mapping refinements; • Natural Heritage Mapping refinements; • Prime Agriculture and Open Space Policy updates; and, • Complementary RHOP updates, as per UHOP updates above. 	Q1 2023
Phase 3: Local Context OPA (OP Review) – RHOPA and UHOPA	All matters not related to Provincial Conformity (local community updates): <ul style="list-style-type: none"> • Parks and Recreation, Urban Design, Waste Management, Neighbourhoods, etc.; • Updates tied to the Residential Zoning Project and implementation of No Urban Boundary Expansion growth strategy, including updates to Secondary Plans; and, • May be combined with Major Transit Station Area (MTSA) OPA depending on timing of Light Rail Transit work. 	Q2 2023
Phase 4: MTSA UHOPA	<ul style="list-style-type: none"> • Delineation of all Major Transit Station Areas (MTSAs); • Density Targets – MTSAs along Priority Transit Corridor (B-Line); and, • Possibility of Inclusionary Zoning policies. 	Q2 2023

As indicated above, the first phase of the implementing Official Plan Amendments focus on the broader strategic issues related to growth management, followed by the second phase that will include a review of the RHOP to reflect the changes to the PPS, Greenbelt Plan, and Niagara Escarpment Plan that have come into force since the adoption and approval of the RHOP. The third phase will address local community issues and a detailed review of policies and designations to facilitate residential intensification. The fourth and final phase will focus on Major Transit Station Areas (MTSAs) and the Light Rail Transit (LRT) Corridor.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 8 of 20

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

1.0 Provincial Policy Framework

1.1 Provincial Policy Statement (2020)

The Provincial Planning Policy Framework is established through the *Planning Act* (Section 3) and the Provincial Policy Statement (PPS 2020). Notable revisions to the Provincial Policy Statement that pertain to the UHOP include: the addition of policies concerning settlement area boundary adjustments outside a comprehensive review; compatibility between employment and sensitive uses; provincially significant employment zones; transit-supportive development and the optimization of transit investments; the introduction of policies concerning green infrastructure; preparing for impacts due to a changing climate; and, a shift from consultation to engagement with Indigenous communities.

Appendices “C” to “C8”, “D” and “E” attached to Report PED21067(a) identify required policy, glossary and mapping updates to the UHOP to address the PPS, 2020 requirements.

1.2 A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2019, as amended)

The Growth Plan for the Greater Golden Horseshoe (Growth Plan) provides an additional layer of provincial policy to which the UHOP must conform. Like the PPS, changes to the Growth Plan that impact the UHOP include: revised population and employment forecasts; revised minimum intensification and density targets; the introduction of provincially significant employment zones; land use compatibility between employment and sensitive land uses; settlement area boundary adjustments / expansions in advance of a comprehensive review; and, enhanced policies to co-ordinate planning processes with the engagement of Indigenous communities.

Appendices “C” to “C8”, “D” and “E” attached to Report PED21067(a) identify required policy, glossary and mapping updates to the UHOP to address the Growth Plan.

1.3 Niagara Escarpment Plan (2017)

The Niagara Escarpment transects the urban area and the Niagara Escarpment Plan (NEP) provides a landscape approach to land use planning within its jurisdiction. Most lands within the UHOP that are subject to the NEP are designated “Urban Area” and are subject to the policies of municipal official plans. One proposed UHOP policy change that is present in the draft UHOPA is the addition of a new policy (C.5.1.3) which

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 9 of 20

prohibits the extension of municipal water and wastewater services to lands within the NEP Area that are designated “Escarpment Natural Area” and “Escarpment Protection Area”, included in Appendix “C3” attached to Report PED21067(a).

As indicated above, the bulk of the natural heritage system topic area review will take place in the next phase of the MCR, and additional policy changes to the Rural Hamilton Official Plan are anticipated to be reflective of changes to the NEP.

1.4 Greenbelt Plan (2017)

The Greenbelt Plan, together with the Niagara Escarpment Plan and the Growth Plan, establishes a land use planning framework for the Greater Golden Horseshoe by identifying where urban growth can and cannot occur. In 2017, the mapping of the Greenbelt Protected Countryside was revised to remove lands already within the urban area within Stoney Creek that were subject to Area Specific Policy Area – Area H of the Fruitland-Winona Secondary Plan. In order to ensure the UHOP’s conformity with the Greenbelt Plan, text and mapping changes are required to reflect the removal of these lands from the Greenbelt Plan Protected Countryside, as identified in Appendices “C3” and “E” attached to PED21067(a).

All other conformity matters pertaining to the Greenbelt will be addressed through the future MCR conformity amendment to the RHOP.

RELEVANT CONSULTATION

City Staff

The proposed changes have been circulated to relevant City staff to provide input on the proposed changes. A detailed breakdown of Departments circulated by thematic area is contained within Appendix “F” attached to Report PED21067(a).

Indigenous Communities

Staff have circulated the proposed Cultural Heritage Topic Area updates to 11 Indigenous community contacts, including the Mississaugas of the Credit First Nation, Six Nations Haudenosaunee Confederacy Chiefs Council, Haudenosaunee Development Institute, Six Nations of the Grand River Territory, Huron-Wendat, and Metis Nation of Ontario. The circulation was expanded to an additional 15 Indigenous communities based on advice from the Province. In addition, local Hamilton organizations serving the Indigenous community were also circulated.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 10 of 20

The Mississaugas of the Credit First Nation requested additional information and materials associated with the proposed updates and provided contact information for Planning staff to engage with further.

Six Nations of the Grand River acknowledged receipt of the correspondence but has not provided a formal response as of the date of the writing of this report.

The Huron-Wendat Nation Council had indicated they had no objections or issues with the proposed updates to Cultural Heritage policies and the inclusion of the Land Acknowledgement.

Other Indigenous communities did not respond to either the original circulation or follow up email correspondence.

It is noted that many Indigenous communities included on the Province's list responded by directing Planning staff to Indigenous communities possessing Treaty Rights within the municipal boundary, and staff ensured that these communities were on the original consultation list of Indigenous communities.

Additional engagement with Indigenous communities will occur, as well as consultation with stakeholders and the public, as outlined in the proposed Public Consultation Strategy below.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

1.0 Topic-Based Approach

Staff incorporated a topic-based approach to reviewing the Provincial Policy Statement, 2020 and Growth Plan for the Greater Golden Horseshoe, 2019 (as Amended), identifying UHOP policies that are in conformity with provincial policies and those UHOP policies that require updating to conform to provincial policies. UHOP policies requiring updating to conform to the Niagara Escarpment Plan were identified by Niagara Escarpment Commission staff directly. Key changes to UHOP policies to implement the revised provincial policies are identified by topic area, below.

Topic Area	Key Changes to Provincial Policies
Growth Management	<ul style="list-style-type: none"> • Updated references to Our Future Hamilton community vision and GRIDS 2 10 Directions; • Updated population and employment growth targets as per Growth Plan Schedule 3; • Addition of a new policy to address Growth Plan policy 2.2.8.4 which permits adjustments to the

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 11 of 20

Topic Area	Key Changes to Provincial Policies
Growth Management (continued)	<p>urban boundary provided there is no net increase in land area within the urban boundary, only at the time of a municipal comprehensive review;</p> <ul style="list-style-type: none"> • Addition of a new policy to clarify that expansions to the urban boundary in accordance with Growth Plan policies 2.2.8.5 and 2.2.8.6 will not be permitted; • Updated annual intensification target to 80%; and, • Updated density targets (employment areas, designated greenfield areas, urban growth centre, sub-regional and community nodes).
Employment	<ul style="list-style-type: none"> • Provincially Significant Employment Zone policies and associated mapping; • Identification of minimum Employment Density targets; • Compatibility policies between employment and sensitive land uses; • Policies to encourage intensification of employment areas; and, • Reduction in minimum size threshold for 'Major Office' to 4,000 sq m (from 10,000 sq m).
Cultural Heritage	<ul style="list-style-type: none"> • Inclusion of land acknowledgement within UHOP; • Engagement with Indigenous communities, when identifying, protecting and managing cultural heritage and archaeological resources; and, • Spiritual aspect of cultural heritage landscapes.
Provincial Plans	<ul style="list-style-type: none"> • Updated references to PPS, 2020 and Niagara Escarpment Plan; and, • Growth Plan, 2019, as Amended, added.
Housing	<ul style="list-style-type: none"> • Housing policies and targets for rental and affordable housing to be consistent with City's Housing and Homelessness Action Plan; and, • Intensification criteria needed to address access to public service facilities, access to active transportation. • Multiple dwellings to provide a mix of unit sizes (e.g., number of bedrooms).
Climate-Related	<ul style="list-style-type: none"> • Preparing for the impacts of a changing climate; • Assessment of infrastructure risks, vulnerabilities, and impacts of extreme weather; • Reducing greenhouse gas emissions;

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 12 of 20

Topic Area	Key Changes to Provincial Policies
Climate-Related (continued)	<ul style="list-style-type: none"> • Energy conservation of municipally owned facilities; • Low impact development techniques; • Hazardous Forest Types for Wildland Fires; and, • Updated targets for Greenhouse Gas Emission reductions.
Urban Structure	<ul style="list-style-type: none"> • Introduction of Major Transit Station Areas as new Urban Structure element (further MTSA policy updates to be added through future amendment); • Intensification, redevelopment and compact form encouraged throughout the urban area in accordance with appropriate development standards to implement No Urban Boundary Expansion growth model; • Added permission for multiple dwellings to a maximum of six units within low density residential areas; and, • Clarity that maximum density permissions for residential uses in Neighbourhoods designation are for the purpose of Secondary Plans / Master Plans only.
Infrastructure	<ul style="list-style-type: none"> • New green infrastructure policies; • Optimizing existing infrastructure and community services/facilities and promoting their adaptive reuse; and, • Prohibition of extension of municipal water and wastewater services to certain lands within the NEP.
Transportation	<ul style="list-style-type: none"> • Active transportation encompassing more modes; and, • Complete streets approach to safety of all users.
Glossary	<ul style="list-style-type: none"> • Definitions and legislative references updated; • New definitions to be added include (amongst others): <ul style="list-style-type: none"> - Agri-food network; - Complete streets; - Green infrastructure; - Hazardous forest types; - Impacts of a changing climate; - Low impact development, and, - Priority transit corridor.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 13 of 20

2.0 Conformity Update to UHOP

Proposed updates to the UHOP, identified in Appendices “C” to “C8”, “D” and “E” attached to Report PED21067(a), are focussed on policy, glossary, and mapping revisions required to ensure the UHOP is brought into conformity with the PPS, Growth Plan, NEP and Greenbelt Plan. Future amendments to the UHOP are anticipated to address local community matters, including potential policy updates aligned with the new Residential Zoning project, and more robust policy updates respecting Major Transit Station Areas in association with LRT construction.

In advance of the Residential Zoning project completion, staff will be undertaking an evaluation of the existing Zoning By-laws to align permissions with the proposed Urban Hamilton Official Plan Amendment, attached as Appendix “A” to Report PED21067(a), as it relates to Low Density Residential uses. The proposed Zoning Amendments will align with the intent to provide more opportunities for intensification in the City’s low density areas, by allowing a wider range of permitted uses, including semi-detached dwellings, triplexes, fourplexes and street townhouse dwellings, in addition to single detached dwellings. Allowing greater diversification of building forms in low density residential areas will contribute to small scale intensification opportunities; make use of existing infrastructure and services, by accommodating the conversion of existing structures; and, will implement more sustainable infill opportunities throughout the Neighbourhoods designation.

The scope of the amendments to Hamilton Zoning By-law No. 6593, Ancaster Zoning By-law No. 87-57, Dundas Zoning By-law No. 3581-86, Glanbrook Zoning By-law No. 464, and Stoney Creek Zoning By-law No. 3692-92 have been identified in Appendix “I” attached to Report PED21067(a) and will be fully evaluated through the proposed consultation strategy. Staff will bring forward draft Zoning By-law Amendments for Council consideration in conjunction with the draft Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan. The initial scope of the proposed zoning by-law amendments will be on all lands designated Neighbourhoods and/or Low Density Residential and lands that comply with the Medium Density and High Density performance stands not within a Secondary Plan area (eg on or in near proximity to an arterial road). This is because many of the Secondary Plans have neighbourhood specific density provisions that were developed after extensive community consultation and engagement. It is proposed that these designations and policies will be reviewed as part of the broader City-wide residential intensification review.

The proposed Urban Hamilton Official Plan Amendment, attached as Appendix “A” to Report PED21067(a), has been prepared to address the necessary conformity updates as identified by staff.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 14 of 20

3.0 Growth Management Strategy Update

Council's decision to accommodate the planned population and household growth within the existing urban area and not to expand the urban boundary translates into the need for policy updates to the Urban Hamilton Official Plan to ensure that there is alignment between the Official Plan and Council's direction on how to manage growth to 2051. Policy changes to implement the No Urban Boundary Expansion growth management strategy include:

- Policy changes to Section B.2 of Volume 1 direct that the City shall maintain a firm urban boundary, with all planned growth to 2051 being accommodated through development of the City's existing designated *greenfield area* and intensification throughout the *Urban Area*, and a limited amount of infill development within *Rural Hamilton*;
- Existing policies in Section B.2 which identify criteria to be considered prior to the expansion of the urban boundary are proposed to be deleted;
- New policies are proposed to be added which clarify that applications to expand the urban boundary will not be permitted in advance of a municipal comprehensive review; and,
- Updated intensification and density targets in keeping with the No Urban Boundary Expansion growth management strategy.

Corresponding changes to the Rural Hamilton Official Plan include:

- Reference to a firm urban boundary in Policy B.2.1 a) of Volume 1;
- Prohibiting the redesignation of Specialty Crop and Rural lands for non-agricultural uses; and,
- The removal of Special Policy Area B (Elfrida growth area) from Volume 3.

The proposed updates to the RHOP are included in Appendices "G" and "H" attached to Report PED21067(a).

4.0 Proposed Consultation Strategy

4.1 Statutory and Non-Statutory Engagement and Timing of Consultation

Planning staff propose the commencement of 'non-statutory' engagement regarding the draft OPAs and proposed Zoning By-law Amendments during the months of February and March 2022 simultaneous with the review of the proposed OPAs by the Province. This will allow staff to receive initial feedback and concerns from Indigenous communities, the public and stakeholders, which may be addressed prior to the 'statutory' engagement.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 15 of 20

Following the Province’s 90-day review period of the OPAs, Planning staff will undertake the ‘statutory’ engagement for the draft OPAs, including the formal open house and public meeting, as per the *Planning Act*. These statutory engagements are expected to occur in Q1, 2022 and Q2, 2022.

Section 17 of the *Planning Act* requires municipalities to provide adequate information and material, including a copy of the draft official plan amendment, to the public at least 20 days prior to the statutory public meeting, and that the public is given an opportunity to make representations in respect of the proposed amendment at the statutory public meeting.

As noted above, Planning staff will continue to correspond with Indigenous communities and will continue to engage in further dialogue, as a component of the public consultation strategy with Indigenous communities.

To ensure that all stakeholders have full and complete information, and to ensure transparency of process, it is proposed that Planning staff be directed to prepare and release a Communications Update upon receipt of comments from the Province of Ontario on the proposed Official Plan Amendments. Based on the proposed timing, it is anticipated that these comments will be received a minimum of two weeks in advance of the Statutory public meeting on the proposed Official Plan Amendments.

4.2 *Format of Public Consultation*

Due to COVID-19 restrictions, staff propose a consultation strategy that relies on virtual consultation and engagement processes, including the posting of the project on the Engage Hamilton portal, email correspondence, and virtual open houses (should public health restrictions change and in person engagement be permitted, staff will revise the public consultation strategy accordingly). Focused virtual stakeholder meetings will also be held. Information will be presented in a user-friendly manner, likely in the format of topic-based approach, and will focus on policy changes to align the UHOP with provincial policies. Since proposed updates directly relate to provincial conformity matters, staff anticipate the consultation will be targeted and informative.

Opportunities for involvement will include:

- Open Houses;
- Website updates with interactive content;
- Social media releases;
- Infographics and maps;
- Stakeholder consultation; and,
- Engagement with Indigenous communities.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 16 of 20

The following table/graphic summarizes the proposed consultation strategy, which aims to extend beyond those individuals and / or groups that traditionally engage in the planning process:

Consultation/Engagement Method	Targeted Audience
City of Hamilton Webpages: GRIDS 2 / MCR, OP Review, banner on Homepage	Residents, developers, environmental groups, community interest groups, stakeholders, neighbourhood associations, business owners, Home Builders Association, Chambers of Commerce, Business Improvement Areas, etc.
Engage Hamilton Page	Residents, developers, environmental groups, community interest groups, stakeholders, neighbourhood associations, business owners, Home Builders Association, Chambers of Commerce, Business Improvement Areas, etc.
Virtual Open Houses	Residents, developers, environmental groups, community interest groups, stakeholders, neighbourhood associations, business owners, Home Builders Association, Chambers of Commerce, Business Improvement Areas, etc.
Instagram, LinkedIn, Facebook (Meta)	Youth, tech-savvy individuals, professionals
Email blasts to GRIDS 2 / MCR email distribution list	Residents, developers, environmental groups, community interest groups, stakeholders, neighbourhood associations, business owners, Home Builders Association, Chambers of Commerce, Business Improvement Areas, etc.
Targeted meetings	Indigenous communities, stakeholders

Based on the consultation and engagement methods identified above, additional technical and graphic support will be required from the City's Creative Services Team.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 17 of 20

5.0 Outstanding Matters – Employment Land Review and Waterdown 5 ha Expansion Evaluation

There are two outstanding matters that must be addressed through the GRIDS 2 / MCR process prior to the finalization of the draft OPAs. These matters include recommendations on deferred employment land conversion requests through the Employment Land Review, and urban boundary expansion requests in the vicinity of Waterdown.

Council directed staff to report back with a final recommendation regarding the six remaining Employment Land conversion requests which were deferred at the August 4, 2021 General Issues Committee meeting. The six deferred employment conversion requests total an area of approximately 101.8 ha. Following a final decision from Council on the deferred requests for conversion, there will be a requirement to confirm the Employment Area land need calculations to ensure that the City maintains the appropriate supply of employment land over the course of the planning horizon to 2051. A report to GIC regarding the deferred employment conversion requests and confirmation of the Employment Area land need will be presented in early 2022 prior to the statutory public meeting on the draft OPAs.

Council directed staff to evaluate urban boundary expansion requests concerning lands in the vicinity of Waterdown (up to a maximum of 5 ha, of which 50% may be for residential uses), using the Screening Criteria and Evaluation Tool (Waterdown) which was presented in August 2021 through Report PED17010(I). Staff are to report back with the results of the evaluation analysis and the results of this analysis will be included in the statutory public meeting.

6.0 Next Steps

Following the submission of the proposed OPAs to the Province and with Council's approval, Planning staff will commence the public consultation strategy to inform and engage the public on the proposed updates to the UHOP, RHOP and Zoning By-laws for the Former Communities. The statutory open house and public meeting will be held in late April and early May 2022, with Council adoption targeted for late May / early June 2022, followed by the final Conformity Amendment submission to the Minister of Municipal Affairs and Housing prior to the July 1, 2022 deadline. The following table presents key dates in the consultation strategy:

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 18 of 20

Action / Item	Date
Council endorsement of consultation on proposed Urban Hamilton Official Plan Amendment and Rural Hamilton Official Plan Amendment and Consultation Strategy	January 19, 2022
Proposed Official Plan Amendments and Supplementary Materials sent to MMAH	January 19, 2022
Open Houses/Non-Statutory Public Consultation	February – March 2022
End of Ministerial 90-Day Review Period / Provide Notice of Open House and Statutory Public Meeting	April 19, 2022
Statutory Open House	Late April, 2022
Statutory Public Meeting (Planning Committee)	Early May, 2022
Submission of Adopted Urban Hamilton Official Plan Amendment to MMAH for Approval	Late May / Early June 2022

ALTERNATIVES FOR CONSIDERATION

Council could choose not to endorse releasing the Draft Urban Hamilton Official Plan Amendment and / or Rural Hamilton Official Plan Amendment for consultation. This alternative is not recommended as it

would result in the risk of delaying the GRIDS 2 / MCR process and failure to meet the provincial timelines set out in the *Planning Act*.

Council could direct staff not to proceed with the proposed zoning by-law changes and instead require proponents to make either an application for a rezoning or for a Minor Variance which would result in increased cost, timelines and uncertainty for proponents attempting to advance residential intensification projects resulting in a lower rate of growth.

ALIGNMENT TO THE 2016 – 2025 STRATEGIC PLAN

Community Engagement and Participation

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community

Economic Prosperity and Growth

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan and Rural Hamilton Official Plan (PED21067(a)) (City Wide) - Page 19 of 20

Healthy and Safe Communities

Hamilton is a safe and supportive City where people are active, healthy, and have a high quality of life.

Clean and Green

Hamilton is environmentally sustainable with a healthy balance of natural and urban spaces.

Built Environment and Infrastructure

Hamilton is supported by state-of-the-art infrastructure, transportation options, buildings and public spaces that create a dynamic City.

Culture and Diversity

Hamilton is a thriving, vibrant place for arts, culture, and heritage where diversity and inclusivity are embraced and celebrated.

Our People and Performance

Hamiltonians have a high level of trust and confidence in their City government.

attached hereto, constitutes Official Plan Amendment No. “X” to the Urban Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of this Amendment is to amend, add, and delete policies and definitions to reflect the updated provincial policy framework and to implement Council direction for the No Urban Boundary Expansion growth strategy to accommodate population and job growth to the year 2051, as part of the City of Hamilton’s Municipal Comprehensive Review.

2.0 Location:

The lands affected by this Amendment are located within the Urban Area of the City of Hamilton.

3.0 Basis:

The basis for permitting this Amendment is:

- To update the Urban Hamilton Official Plan to conform to the Provincial Policy Statement, 2020, the Growth Plan for the Greater Golden Horseshoe, 2019, as amended, the Greenbelt Plan, 2017, and the Niagara Escarpment Plan, 2017.
- To update the Urban Hamilton Official Plan and Rural Hamilton Official Plan to implement Council direction for the No Urban Boundary Expansion growth management strategy.

4.0 Actual Changes:

4.1 Volume 1 – Parent Plan

Text

4.1.1 Chapter A – Introduction

a. That the following policies of Volume 1: Chapter A – Introduction be amended, added or deleted, as outlined in Appendix “A”, attached to this Amendment:

- | | | | |
|----------------|----------------------|------------------------|-----------|
| • Introduction | • A.2.1 | • A.2.3.3.1 (Existing) | • A.2.4 |
| • A.1.1 | • A.2.3 | • A.2.3.3.2 | • A.2.5.1 |
| • A.1.2 | • A.2.3.1 | • A.2.3.3.3 (Existing) | • A.2.5.2 |
| • A.1.3 | • A.2.3.2 (New) | • A.2.3.3.4 (Existing) | • A.2.5.5 |
| • A.1.4 | • A.2.3.2 (Existing) | • A.2.3.3.5 (New) | |
| • A.1.6 | | | |

4.1.2 Chapter B – Communities

a. That the following policies of Volume 1: Chapter B – Communities be amended, added or deleted, as outlined in Appendix “B”, attached to this Amendment:

- | | | | |
|-------------------------------|-----------------|-------------------|-------------------------|
| • B.1.0 | • B.3.2.2 | • B.3.4.2.14 | • B.3.6.2 |

4.1.6 Chapter G – Glossary

- a. That Volume 1: Chapter G – Glossary be amended by revising, adding or deleting definitions, as outlined in Appendix "F".

Schedules and Appendices

4.1.7 Schedules

- a. That Volume 1: Schedule A – Provincial Plans be amended, as shown on Appendix "G", attached to this Amendment.
- b. That Volume 1: Schedule E – Urban Structure be amended, as shown on Appendix "H", attached to this Amendment.
- c. That Volume 1: Schedule E-1 – Urban Land Use Designations be amended, as shown on Appendix "I", attached to this Amendment.
- d. That Volume 1: Schedule "X" – Provincially Significant Employment Zones be added, as shown on Appendix "J", attached to this Amendment.

4.1.8 Appendices

- a. That Volume 1: Appendix B – Major Transportation Facilities and Routes be amended, as shown on Appendix "K", attached to this Amendment.

4.2 Volume 2 – Secondary Plans

Text

4.2.1 Chapter B – Secondary Plans

- a. That Volume 2: Chapter B – Secondary Plans be amended to revise, add or delete policies, as outlined in Appendix "L", attached to this Amendment:
 - B.6.4.3.1 e) • B.6.7.18.1 • B.6.7.18.8 • B.7.4.18.8
 - B.3.7.13 g) • B.6.7.18.4 • B.6.718.X (New)

Maps

4.2.2 Map

- a. That Volume 2: Map B.6.7-1 – Centennial Neighbourhoods Secondary Plan – Land Use Plan be amended, as shown on Appendix "M", attached to this Amendment.

- b. That Volume 2: Map B.6.7-2 – Centennial Neighbourhoods Secondary Plan – Maximum Building Heights in the Node be amended, as shown on Appendix “N”, attached to this Amendment.
- c. That Volume 2: Map B.6.7-3 – Centennial Neighbourhoods Secondary Plan – Transportation and Connections be amended, as shown on Appendix “O”, attached to this Amendment.
- d. That Volume 2: Map B.6.7-4 – Centennial Neighbourhoods Secondary Plan – Area and Site Specific Policy Areas be amended, as shown on Appendix “P”, attached to this Amendment.
- e. That Volume 2: Appendix A– Centennial Neighbourhoods Secondary Plan – Transition Areas be amended, as shown on Appendix “Q”, attached to this Amendment.
- f. That Volume 2: Map B.7.4-1 – Fruitland-Winona Secondary Plan – Land Use Plan be amended, as shown on Appendix “R”, attached to this Amendment.

4.3 Volume 3 – Special Policy Areas, Area Specific Policies, and Site Specific Policies

Text

4.3.1 Chapter B – Urban Area Specific Policies

- a. That Volume 3: Chapter B – Urban Area Specific Policies be amended to revise policies, as outlined in Appendix “S”, attached to this Amendment:

- UH-“X” (New) • UH-“Y” (New) • UH-“Z” (New) • UH-“XX” (New)

4.3.2 Chapter C – Urban Site Specific Policies

- a. That Volume 3: Chapter C – Urban Site Specific Policies be amended to revise or add policies, as outlined in Appendix “T”, attached to this Amendment:

- UHN-“X” (New) • UHN-“Z” (New) • UHC-“X” (New)
- UHN-“Y” (New) • UHN-“XX” (New) • UHSCC-“X”

Maps and Appendices

4.3.3 Maps

- a. That Volume 3: Map 1 – Area Specific Policies Key Map be amended, as shown on Appendix “U”, attached to this Amendment.

- b. That Volume 3: Map H-1 – Hamilton Area Specific Policies be amended, as shown on Appendix “V”, attached to this Amendment.
- c. That Volume 3: Map H-“X” – Hamilton Area Specific Policies (New) be added, as shown on Appendix “W”, attached to this Amendment.
- d. That Volume 3: Map H-“Y” – Hamilton Area Specific Policies (New) be added, as shown on Appendix “X”, attached to this Amendment.
- e. That Volume 3: Map H-“Z” – Hamilton Area Specific Policies (New) be added, as shown on Appendix “Y”, attached to this Amendment.
- f. That Volume 3: Map 2 – Site Specific Policies Key Map be amended, as shown on Appendix “Z”, attached to this Amendment.
- g. That Volume 3: Map 2a – Site Specific Policies Key Map (Lower City) be amended, as shown on Appendix “AA”, attached to this Amendment.

5.0 Implementation:

An implementing Zoning By-Law Amendment will give effect to the intended uses on the subject lands.

This Official Plan Amendment is Schedule "1" to By-law No. _____ passed on the ____th day of ____, 2022.

**The
City of Hamilton**

F. Eisenberger

An Official Plan is a guiding document – its goals and policies move the City towards achieving its visions for the future – visions that are expressed both through Our Future Hamilton and the City’s Strategic Plan. ... This Plan and the policies contained herein implement many of the principles in Our Future Hamilton and the City’s Strategic Plan.</p>
<p>A.1.1 The City of Hamilton is situated upon the traditional territories of the Erie, Neutral, Huron-Wendat, Haudenosaunee and Mississaugas. This land is covered by the Dish With One Spoon Wampum Belt Covenant, which was an agreement between the Haudenosaunee and Anishinaabek to share and care for the resources around the Great Lakes. This land is covered by the Between the Lakes Purchase, 1792, between the Crown and the Mississaugas of the Credit First Nation. The City of Hamilton is home to many Indigenous people from across Turtle Island (North America) and we recognize that we must do more to learn about the rich history of this land so that we can better understand our roles as residents, neighbours, partners and caretakers. Hamilton is a dynamic city with unique geographic attributes. Its varied landscape includes an urban area which is the centre for employment uses, community services, and residential dwellings. ...</p>	<p>A.1.1 The City of Hamilton is situated upon the traditional territories of the Erie, Neutral, Huron-Wendat, Haudenosaunee and Mississaugas. <p>changes over the lifetime of this Plan. Change brings energy and opportunities. To effect positive change the City must harness that energy, take advantage of the opportunities, and manage any undesirable impacts.</p> <p>Responding to the <i>impacts of a changing climate</i> is an urgent challenge the City must face now and over the next 30 years. The City has declared a Climate Emergency and established a goal to achieve net zero carbon emissions by 2050. The implications of not responding to the Climate Emergency are dire. It is predicted that the number of very hot days per year (above 30 degree Celsius) will increase from an average of 16 between 1976 – 2005 to an average of 37 per year. In a high emissions scenario, the Province of Ontario would be anticipated to see an average annual temperature rise of 5.1 degrees Celsius, and Hamilton would be anticipated to see an average annual precipitation increase of 66.7 mm in the 2050s.</p> <p>These potentially severe consequences of climate change reinforce that actions to reduce and respond to the <i>impacts of a changing climate</i> will be required across all City departments, and will include both corporate and community initiatives. A climate change lens must be applied to all planning decisions going forward, as per the City’s Corporate Goals and Areas of Focus for Climate Change Mitigation and Adaptation, to plan for a City that is resilient to the <i>impacts of a changing climate</i>.</p> <p>Our location in the Golden Horseshoe, as well as the City’s strengthening relationship with the Greater Toronto Area (GTA) municipalities, provide both benefits and challenges. Hamilton has become an attractive place to live because of its the amenities and reasonable housing prices relative to other cities in the region. However, many of our residents are commuting commute to jobs outside Hamilton. One of the City’s key priorities is to increase employment opportunities within our boundaries. Another challenge is that our strong social service network serves populations both within and outside the City and reside both within and outside the City.</p>	<p>lifetime of this Plan. These plans will require, where possible, incentivize and encourage environmental sustainability including reducing GHG emissions and improving climate resiliency.
<p>A.2.1 Vision 2020 Our Future Hamilton The City has long been a leader in the area of community sustainability. In 1992, the former Region of Hamilton-Wentworth adopted Vision 2020. In 2002, the City undertook a review of the Vision in light of many changes that had taken place within the previous 10 years. The ‘Building a Strong Foundation’ public consultation process renewed not only the City’s commitment, but also the community’s commitment to making informed decisions based on environmental, economic and social considerations. The updated vision was adopted by City Council in September, 2003. Adopted by Council in 2016, Our Future Hamilton provides a 25-year community vision that builds on the legacy of Vision 2020, and reflects the values and aspirations of the nearly 55,000 residents who participated in the visioning process.</p> <p>Hamilton’s Vision 2020 As citizens, businesses and government of the City of Hamilton we accept responsibility for making decisions that lead to a healthy, sustainable future. We celebrate our strengths as a vibrant, diverse City of natural beauty nestled around the Niagara Escarpment and Hamilton Harbour. We are able to achieve our full potential through safe access to clean air and water, food, shelter, education, satisfying employment, spirituality and culture. We weigh social/health, economic and environmental costs, benefits and risks equally when making</p>	<p>A.2.1 Our Future Hamilton The City has long been a leader in the area of community sustainability. <p>A.2.4 Growth Management - Hamilton In May 2006, City Council adopted the City’s first Growth Management Strategy. The Growth Related Integrated Development Strategy (GRIDS) identified the broad land use structure, associated infrastructure and major transportation networks to be in place for Hamilton by 2031. In November 2021, through the update to GRIDS known as GRIDS 2, City Council endorsed a No Urban Boundary Expansion growth scenario to plan for the City’s growth to 2051. The No Urban Boundary Expansion scenario accommodates the City’s growth to 2051 within the existing Urban Area through intensification and development of existing designated greenfield lands, and a limited amount of infill development within <i>Rural Hamilton</i>. The City will be required to accommodate 109,880 new housing units within the existing Urban Area, of which 88,280 will be within the <i>built-up area</i> and 21,600 will be within the <i>greenfield area</i>. An additional 440 housing units will be developed through limited infill within <i>Rural Hamilton</i>. The recommended growth options were developed in accordance with the provincial growth forecasts. The land use recommendations from GRIDS form the basis of many policies within this Plan.</p>	<p>A.2.4 Growth Management - Hamilton In May 2006, City Council adopted the City’s first Growth Management Strategy. The Growth Related Integrated Development Strategy (GRIDS) identified the broad land use structure, associated infrastructure and major transportation networks to be in place for Hamilton by 2031. In November 2021, through the update to GRIDS known as GRIDS 2, City Council endorsed a No Urban Boundary Expansion growth scenario to plan for the City’s growth to 2051. The No Urban Boundary Expansion scenario accommodates the City’s growth to 2051 within the existing Urban Area through intensification and development of existing designated greenfield lands, and a limited amount of infill development within <i>Rural Hamilton</i>. The City will be required to accommodate 109,880 new housing units within the existing Urban Area, of which 88,280 will be within the <i>built-up area</i> and 21,600 will be within the <i>greenfield area</i>. An additional 440 housing units will be developed through limited infill within <i>Rural Hamilton</i>.</p>

<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>Delete Section B.2.3 Heading in its entirety. B.2.3 Future Airport Employment Growth District</p>	
<p>Delete Policy B.2.3.1 in its entirety. B.2.3.1 The City shall undertake a municipally initiated comprehensive review and secondary plan for the lands identified in Policy B.2.2.1 a) above. The City shall undertake a <i>municipally initiated comprehensive review</i> and secondary plan for an Airport Employment Growth District, identified as Special Policy Area C in the Rural Hamilton Official Plan, generally bounded by the existing <i>urban boundary</i> adjacent to Upper James Street to the east, White Church and Fiddler’s Green Roads on the south, Garner Road on the west and Glancaster Road, and Twenty Road West on the north [Mod 5(b)].</p>	
<p>Delete Policy B.2.3.2 in its entirety. B.2.3.2 Upon completion of the secondary plan, including the phasing of <i>development</i> for the future Airport Employment Growth District, the City shall initiate an Official Plan amendment: a) to include specific lands within the <i>urban boundary</i>; b) to add new parent and secondary plan policies and mapping for the lands identified in Policy B.2.2.1 a) B.2.3.1 [Mod 5(c)]; and, c) to protect and reserve any additional lands deemed necessary for future employment growth. [Mod 5 (d)]</p>	
<p>Delete Policy B.2.3.3 in its entirety. B.2.3.3 The City recognizes the long-term economic importance of the John C. Munro International Airport and associated highway infrastructure for its unique role as a catalyst for airport related and other employment uses. These future employment lands shall be subject to Policies B.2.2.1 to B.2.2.4 – Urban Boundary Expansions. Lands in the vicinity of the John C. Munro International Airport should be designated for employment purposes that rely on this infrastructure [Mod 5(d)].</p>	
<p>B.2.1.4.4 <i>Residential intensification</i> shall be encouraged throughout the entire <i>built-up area</i> as shown on Appendix G in accordance with the policies of Chapter E – Urban Systems and Designations and Chapter F- Implementation</p>	<p>B.2.1.4.4 <i>Residential intensification</i> shall be encouraged throughout the entire <i>built-up area</i> as shown on Appendix G in accordance with the policies of Chapter E – Urban Systems and Designations and Chapter F- Implementation</p>

<p>C.4.7.1.1 The City shall encourage <i>heavy rail</i> connections to rapid higher order transit and/or potential <i>light rail transit</i> corridors where feasible to increase the connectivity between modes.</p>	<p>C.4.7.1.1 The City shall encourage <i>heavy rail</i> connections to <i>higher order transit</i> and/or potential <i>light rail transit</i> corridors where feasible to increase the connectivity between modes.</p>
<p>Add new preamble to section C.5: C.5.0 Infrastructure Planning for the city’s existing and future infrastructure requires addressing needs relating to water, wastewater, stormwater management, and waste management facilities. The objective of this plan is to ensure that planning for new or expanded infrastructure will occur in an integrated manner, including evaluations of long-range land use, environmental and financial planning, and will be supported by infrastructure master plans, asset management plans, and other required plans and studies. In planning for existing and planned infrastructure, there is a need to respond to the <i>impacts of a changing climate</i> and consider both ‘traditional’ hard infrastructure such as sewers, watermains and pumping stations, as well as ‘green infrastructure’ including natural heritage features, parkland, street trees and green roof. To increase the resiliency of our communities, comprehensive stormwater management planning, including the use of appropriate low impact development and green infrastructure, must consider risks and vulnerabilities arising from increased extreme weather events.</p>	<p>C.5.0 Infrastructure Planning for the city’s existing and future infrastructure requires addressing needs relating to water, wastewater, stormwater management, and waste management facilities. The objective of this plan is to ensure that planning for new or expanded infrastructure will occur in an integrated manner, including evaluations of long-range land use, environmental and financial planning, and will be supported by infrastructure master plans, asset management plans, and other required plans and studies. In planning for existing and planned infrastructure, there is a need to respond to the <i>impacts of a changing climate</i> and consider both ‘traditional’ hard infrastructure such as sewers, watermains and pumping stations, as well as ‘green infrastructure’ including natural heritage features, parkland, street trees and green roof. To increase the resiliency of our communities, comprehensive stormwater management planning, including the use of appropriate low impact development and green infrastructure, must consider risks and vulnerabilities arising from increased extreme weather events.</p>
<p>Add new Policy C.5.3.3 and renumber subsequent policies accordingly. C.5.3.3 Policy C.5.3.2 shall not apply to lands that are designated Escarpment Natural, Escarpment Protection or Escarpment Rural in the Niagara Escarpment Plan.</p>	<p>C.5.3.3 Policy C.5.3.2 shall not apply to lands that are designated Escarpment Natural, Escarpment Protection or Escarpment Rural in the Niagara Escarpment Plan.</p>
<p>Separate existing Policy C.5.3.9 into separate policies and renumber subsequent policies accordingly. C.5.3.9 The nature or concentrations of wastewater from non-residential sources will be regulated by the City through the Sewer Use By-law, which may be periodically amended by Council. The City shall maintain and update a Water and Wastewater Master Plan which is supported by the policies of this Plan, providing direction for planning and staging of improvements to the City’s water and sewer facilities and guides the operation of the City’s day-to-day water and sewer programs.</p>	<p>C.5.3.9 The nature or concentrations of wastewater from non-residential sources will be regulated by the City through the Sewer Use By-law, which may be periodically amended by Council.</p>
<p>Insert new Policy C.5.3.10 and renumber</p>	<p>C.5.3.10 The City shall maintain and update a)</p>

Proposed Change	Proposed New / Revised Policy
<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>subsequent policies accordingly. C.5.3.10 The City shall maintain and update a Water and Wastewater Master Plan which is supported by the policies of this Plan, providing direction for: a) planning and staging of improvements to the City’s water and sewer facilities; b) guidance on the operation of the City’s day-to-day water and sewer programs; c) ensuring that the City’s water and sewer systems are prepared for the <i>impacts of a changing climate</i> including increased flooding, extreme temperatures and weather events; d) demonstrates that the effluent discharges and water takings associated with the system will not negatively impact the quality and quantity of water; and, e) protection of human health and safety and the natural environment.</p>	<p>Water and Wastewater Master Plan which is supported by the policies of this Plan, providing direction for: a) planning and staging of improvements to the City’s water and sewer facilities; b) guidance on the operation of the City’s day-to-day water and sewer programs; c) ensuring that the City’s water and sewer systems are prepared for the <i>impacts of a changing climate</i> including increased flooding, extreme temperatures and weather events; d) demonstrates that the effluent discharges and water takings associated with the system will not negatively impact the quality and quantity of water; and, e) protection of human health and safety and the natural environment.</p>
<p>C.5.3.1112 The City shall ensure that any change in density can be accommodated within the municipal water and wastewater system, and that investments into the system will support the achievement of the intensification and density targets provided in Section E.2.0 – Urban Structure.</p>	<p>C.5.3.12The City shall ensure that any change in density can be accommodated within the municipal water and wastewater system, and that investments into the system will support the achievement of the intensification and density targets provided in Section E.2.0 – Urban Structure.</p>
<p>Insert new Policy C.5.3.17, as follows: C.5.3.17 The City shall implement actions and strategies that will reduce greenhouse gas emissions and address climate change adaptation goals, including but not limited to: a) assessing <i>infrastructure</i> risks and vulnerabilities and identify actions and investments to address these challenges; and, b) undertaking stormwater management monitoring, analysis and planning that assess the <i>impacts of a changing climate</i> and incorporate the appropriate actions, which may include <i>green infrastructure</i> and <i>low impact development</i>.</p>	<p>C.5.3.17 The City shall implement actions and strategies that will reduce greenhouse gas emissions and address climate change adaptation goals, including but not limited to: a) assessing <i>infrastructure</i> risks and vulnerabilities and identify actions and investments to address these challenges; and, b) undertaking stormwater management monitoring, analysis and planning that assess the <i>impacts of a changing climate</i> and incorporate the appropriate actions, which may include <i>green infrastructure</i> and <i>low impact development</i>.</p>
<p>Insert new Policy C.5.4.1 and renumber subsequent policies. C.5.4.1 The City shall maintain and update a Stormwater Master Plan, which is informed by the policies of Section C.2.8 – Watershed Planning, and provides direction for: a) protecting the <i>quality and quantity of water</i> by assessing existing stormwater facilities and systems; b) characterizing existing environmental conditions; c) examining the cumulative environmental impacts of stormwater from existing and</p>	<p>C.5.4.1 The City shall maintain and update a Stormwater Master Plan, which is informed by the policies of Section C.2.8 – Watershed Planning, and provides direction for: a) protecting the <i>quality and quantity of water</i> by assessing existing stormwater facilities and systems; b) characterizing existing environmental conditions; c) examining the cumulative environmental impacts of stormwater from existing and planned development, including an assessment of how extreme weather events will exacerbate these</p>

E.1.0 c) Develop Accommodate growth through the development of compact, mixed use urban environments that support existing or planned transit, including <i>higher order transit</i> , and <i>active transportation</i> .	E.1.0 c) Accommodate growth through the development of compact, mixed use urban environments that support existing or planned transit, including <i>higher order transit</i> , and <i>active transportation</i> .
E.1.0 g) Promote and support appropriate <i>residential intensification</i> throughout the <i>urban area</i> with and focused attention to development in the <i>strategic growth areas of the Urban Nodes, and Urban Corridors and Major Transit Station Areas</i> .	E.1.0 g) Promote and support appropriate <i>residential intensification</i> throughout the <i>urban area</i> with focused attention to development in the <i>strategic growth areas of the Urban Nodes, Urban Corridors and Major Transit Station Areas</i> .
E.1.0 h) Recognize that Hamilton’s neighbourhoods will evolve over time to accommodate projected household growth, changing demographics, and respond to the changing needs of complete communities are stable, not static.	E.1.0 h) Recognize that Hamilton’s neighbourhoods will evolve over time to accommodate projected household growth, changing demographics, and respond to the changing needs of complete communities.
E.2.1 a) <i>Urban Nodes, and Urban corridors and delineated Major Transit Station Areas</i> are shall be the focus of <i>intensification</i> and reurbanization activities (i.e. population growth, private and public <i>redevelopment</i> , and infrastructure investment).	E.2.1 a) <i>Urban Nodes, Urban corridors</i> and delineated <i>Major Transit Station Areas</i> shall be the focus of <i>intensification</i> and reurbanization activities (i.e. population growth, private and public <i>redevelopment</i> , and infrastructure investment).
E.2.1 e) Nodes and corridors evolve with higher residential densities and mixed use <i>developments</i> to achieve their planned functions and support existing and planned transit, including <i>higher order transit</i> .	E.2.1 e) Nodes and corridors evolve with higher residential densities and mixed use <i>developments</i> to achieve their planned functions and support existing and planned transit, including <i>higher order transit</i> .
E.2.2.1 In order to most efficiently use land and resources, the City has developed an Hamilton’s urban structure, is identified on Schedule E – Urban Structure, and that includes the following structural elements:	E.2.2.1 In order to most efficiently use land and resources, the City has developed an urban structure, identified on Schedule E – Urban Structure, that includes the following structural elements:
Insert new Policy E.2.2.1 c) and renumber subsequent policies accordingly. E.2.2.1 c) <i>Major Transit Station Areas</i>;	E.2.2.1 c) <i>Major Transit Station Areas</i> ;
Insert new Policy E.2.2.5, as follows: E.2.2.5 The <i>Urban Nodes, Urban Corridors, and delineated Major Transit Station Areas</i> referenced in Policy E.2.2.1 are <i>strategic growth areas and intensification</i> and higher-density mixed uses in a <i>transit-supportive and compact built form</i> shall be encouraged and promoted in these areas.	E.2.2.5 The <i>Urban Nodes, Urban Corridors, and delineated Major Transit Station Areas</i> referenced in Policy E.2.2.1 are <i>strategic growth areas and intensification</i> and higher-density mixed uses in a <i>transit-supportive and compact built form</i> shall be encouraged and promoted in these areas.
Insert new Policy E.2.2.6, as follows: E.2.2.6 <i>Intensification, redevelopment and compact form</i> will be encouraged generally throughout the <i>built-up area</i> in accordance with appropriate development standards.	E.2.2.6 <i>Intensification, redevelopment and compact form</i> will be encouraged generally throughout the <i>built-up area</i> in accordance with appropriate development standards.

Proposed Change	Proposed New / Revised Policy
<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>E.2.3.1.4 The <i>Downtown Urban Growth Centre</i> shall function as a major employment centre for the City. <i>Major office space</i> for business, professional, and government offices services shall be directed to the <i>Downtown Urban Growth Centre</i>.</p>	<p>E.2.3.1.4 The <i>Downtown Urban Growth Centre</i> shall function as a major employment centre for the City. <i>Major office</i> space for business, professional, and government services shall be directed to the <i>Downtown Urban Growth Centre</i>.</p>
<p>E.2.3.1.9 The <i>Downtown Urban Growth Centre</i> shall generally have the higher highest aggregate density within the City with a minimum overall target density of 250 500 persons and jobs per hectare. The <i>Downtown Urban Growth Centre</i> may evolve over time to a higher density without an amendment to this Plan. Overall density in excess of this target may be achievable and warranted. Increases to this density target shall be considered as part of a review of the Downtown Hamilton Secondary Plan. The density targets shall be evaluated based, in part, on the results of the Downtown Office Strategy and the impacts on existing infrastructure and transportation networks.</p>	<p>E.2.3.1.9 The <i>Downtown Urban Growth Centre</i> shall generally have the highest aggregate density within the City with a minimum target density of 500 persons and jobs per hectare. The <i>Downtown Urban Growth Centre</i> may evolve over time to a higher density without an amendment to this Plan.</p>
<p>E.2.3.1.10 It is anticipated that the <i>Downtown Urban Growth Centre</i> will accommodate a Approximately 20 30% of the City-wide <i>residential intensification</i> over the time period of this Plan which equates to a range of 5,000 to 6,000 approximately 30,000 new dwelling units will be accommodated within the <i>Downtown Urban Growth Centre</i>.</p>	<p>E.2.3.1.10 Approximately 30% of the City-wide <i>residential intensification</i> over the time period of this Plan which equates to approximately 30,000 new dwelling units will be accommodated within the <i>Downtown Urban Growth Centre</i>.</p>
<p>E.2.3.1.14 The <i>Downtown Urban Growth Centre</i> shall be designed to accommodate all modes of transportation with a focus on transit higher order transit and <i>active transportation</i> including pedestrian and cycling trips within the Downtown and between the Downtown and the surrounding Neighbourhoods.</p>	<p>E.2.3.1.14 The <i>Downtown Urban Growth Centre</i> shall be designed to accommodate all modes of transportation with a focus on <i>higher order transit</i> and <i>active transportation</i> including pedestrian and cycling trips within the Downtown and between the Downtown and the surrounding Neighbourhoods.</p>
<p>E.2.3.2.7 Sub-Regional Service Nodes shall generally have some of the higher densities within the City with be planned to achieve a target density of 100 to 150 to 200 persons and jobs per hectare measured across each node.</p>	<p>E.2.3.2.7 Sub-Regional Service Nodes shall generally be planned to achieve a target density of 150 to 200 persons and jobs per hectare measured across each node.</p>
<p>E.2.3.2.11 Detailed secondary plans shall be undertaken for the Sub-Regional Service Nodes to provide greater direction on mix of uses, heights, densities, built form, and design, and shall be coordinated with rapid higher order transit planning projects. Pending the completion of secondary plans for the Sub-Regional Service Nodes, the land use designations and policies set out in Chapter E – Urban Systems and Designations shall provide direction for <i>development</i> proposals.</p>	<p>E.2.3.2.11 Detailed secondary plans shall be undertaken for the Sub-Regional Service Nodes to provide greater direction on mix of uses, heights, densities, built form, and design, and shall be coordinated with <i>higher order transit</i> planning projects. Pending the completion of secondary plans for the Sub-Regional Service Nodes, the land use designations and policies set out in Chapter E – Urban Systems and Designations shall provide direction for <i>development</i> proposals.</p>

Proposed Change	Proposed New / Revised Policy

E.2.3.3.6 Community Nodes shall be linked to the <i>higher order transit</i> system through connecting conventional transit or by rapid higher order transit , where possible. Where possible, the City shall direct local routes through the Community Nodes.	E.2.3.3.6 Community Nodes shall be linked to the <i>higher order transit</i> system through connecting conventional transit or by <i>higher order transit</i> , where possible. Where possible, the City shall direct local routes through the Community Nodes.
E.2.3.3.7 Community Nodes shall generally be planned to achieve a target density of a 100 to 150 persons and jobs per hectare measured across each node .	E.2.3.3.7 Community Nodes shall generally be planned to achieve a target density of 100 to 150 persons and jobs per hectare measured across each node.
E.2.3.3.12 Notwithstanding Policy E.2.3.3.7, some through the preparation of a Secondary plan, a lower density target for a Community Nodes may be established where the Secondary Plan process determines it is developed as lower intensity nodes appropriate to based on the character of their adjacent Neighbourhoods, other infrastructure, or transportation constraints as follows: a) For the Ancaster Community Node, a target density in the range of 50 persons and jobs per hectare shall apply, Due due to transportation constraints and the existing character of the adjacent neighbourhoods, a target density in the range 50 persons and jobs per hectare shall apply to the Ancaster Community Node. This target may be adjusted through the development of a secondary plan. b) Intensification shall not be permitted in the Waterdown Community Node until infrastructure and transportation constraints have been alleviated.	E.2.3.3.12 Notwithstanding Policy E.2.3.3.7, some Community Nodes may be developed as lower intensity nodes appropriate to the character of their adjacent Neighbourhoods, other infrastructure, or transportation constraints as follows: a) For the Ancaster Community Node, a target density in the range of 50 persons and jobs per hectare shall apply due to transportation constraints and the existing character of the adjacent neighbourhoods.
E.2.4.1 P Priority transit corridor, P primary C corridors and S secondary C corridors are identified on Schedule E – Urban Structure.	E.2.4.1 <i>Priority transit corridor</i> , primary corridors and secondary corridors are identified on Schedule E – Urban Structure.
Insert new Section E.2.5 and renumber subsequent Sections accordingly. E.2.5 Major Transit Station Areas	E.2.5 Major Transit Station Areas
Insert new Policy E.2.5.1, as follows: E.2.5.1 A Major Transit Station Area is the area including and around any existing or planned higher order transit station or stop. Within the City, Major Transit Station Areas will include the Hamilton Centre and West Harbour GO Stations, the future Centennial GO Station and future higher order transit station areas.	E.2.5.1 A <i>Major Transit Station Area</i> is the area including and around any existing or planned <i>higher order transit</i> station or stop. Within the City, Major Transit Station Areas will include the Hamilton Centre and West Harbour GO Stations, the future Centennial GO Station and future <i>higher order transit</i> station areas.

Proposed Change	Proposed New / Revised Policy
<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>Insert new Policy E.2.5.2, as follows: E.2.5.2 Major Transit Station Areas, including future higher order transit station areas along the City’s priority transit corridor, will be delineated through a future Amendment to this Plan, following the completion of detailed design review of the City’s preferred higher order transit option. The priority transit corridor is identified on Schedule E – Urban Structure and Appendix B – Major Transportation Facilities and Routes.</p>	<p>E.2.5.2 <i>Major Transit Station Areas</i>, including future <i>higher order transit</i> station areas along the City’s <i>priority transit corridor</i>, will be delineated through a future Amendment to this Plan, following the completion of detailed design review of the City’s preferred <i>higher order transit</i> option. The <i>priority transit corridor</i> is identified on Schedule E – Urban Structure and Appendix B – Major Transportation Facilities and Routes.</p>
<p>Insert new Policy E.2.5.3, as follows: E.2.5.3 Planned densities of future Major Transit Station Areas on the priority transit corridor shall be a minimum of 160 residents and jobs combined per hectare, or a lower target as approved by the Province, to be identified through a future Amendment to this Plan.</p>	<p>E.2.5.3 Planned densities of future <i>Major Transit Station Areas</i> on the <i>priority transit corridor</i> shall be a minimum of 160 residents and jobs combined per hectare, or a lower target as approved by the Province, to be identified through a future Amendment to this Plan.</p>
<p>Insert new Policy E.2.5.4, as follows: E.2.5.4 Major Transit Station Areas that are not on the priority transit corridor shall be planned to achieve a mix of uses and densities which are supportive of higher order transit.</p>	<p>E.2.5.4 <i>Major Transit Station Areas</i> that are not on the <i>priority transit corridor</i> shall be planned to achieve a mix of uses and densities which are supportive of <i>higher order transit</i>.</p>
<p>E.2.7.7 <i>Employment Areas</i> shall be planned and designed to maximize access to major goods movement facilities and corridors to ensure efficiency of goods movement within the <i>Employment Areas</i>. Goods movement includes maximizing access to the highway network, the port, and the airport.</p>	<p>E.2.7.7 <i>Employment Areas</i> shall be planned and designed to maximize access to <i>major goods movement facilities and corridors</i> to ensure efficiency of goods movement within the <i>Employment Areas</i>. Goods movement includes maximizing access to the highway network, the port, and the airport.</p>
<p>E.3.4.3 Uses permitted in low density residential areas: a) shall include single-detached, semi-detached, duplex, triplex, fourplex, and street townhouse dwellings; and, b) may include multiple dwellings containing a maximum of 6 units for lots in proximity to collector roads or arterial roads.</p>	<p>E.3.4.3 Uses permitted in low density residential areas: a) shall include single-detached, semi-detached, duplex, triplex, fourplex, and street townhouse dwellings; and, b) may include <i>multiple dwellings</i> containing a maximum of 6 units for lots in proximity to collector roads or arterial roads.</p>
<p>E.3.4.4 For low density residential areas, the maximum <i>net residential density for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans</i>, shall be 60 units per hectare.</p>	<p>E.3.4.4 For low density residential areas, the maximum <i>net residential density for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans</i>, shall be 60 units per hectare.</p>
<p>E.3.5.2 Uses permitted in medium density residential areas shall include all forms of multiple dwellings except street townhouses.</p>	<p>E.3.5.2 Uses permitted in medium density residential areas shall include all forms of <i>multiple dwellings</i>.</p>

Proposed Change	Proposed New / Revised Policy
<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>E.3.5.3 Notwithstanding Policy E.3.5.2, street townhouses shall be permitted:</p> <p>a) for lands in Central Hamilton, identified on Appendix G – Boundaries Map;</p> <p>b) by secondary plan designations and policies in Central Hamilton, identified on Appendix G – Boundaries Map; and,</p> <p>c) by secondary plan designations and policies existing at the date of adoption of this Plan.</p>	<p>E.3.5.3 Notwithstanding Policy E.3.5.2, street townhouses shall be permitted:</p> <p>a) for lands in Central Hamilton, identified on Appendix G – Boundaries Map;</p> <p>b) by secondary plan designations and policies in Central Hamilton, identified on Appendix G – Boundaries Map; and,</p> <p>c) by secondary plan designations and policies.</p>
<p>E.3.5.4 Local commercial uses may be permitted on the ground floor of buildings containing <i>multiple dwellings</i>, subject to provided the provisions of Section E.3.8 – Local Commercial are satisfied.</p>	<p>E.3.5.4 Local commercial uses may be permitted on the ground floor of buildings containing <i>multiple dwellings</i>, subject to the provisions of Section E.3.8 – Local Commercial.</p>
<p>E.3.5.7 For medium density residential uses, the <i>net residential density</i> for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans, shall be greater than 60 units per hectare and not greater than 100 units per hectare.</p>	<p>E.3.5.7 For medium density residential uses, the <i>net residential density</i> for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans, shall be greater than 60 units per hectare and not greater than 100 units per hectare.</p>
<p>E.3.5.8 For medium density residential uses, the maximum height shall be six storeys, but the height may be increased to 11 storeys without an amendment to this Plan, provided the applicant demonstrates:</p> <p>a) unduly overshadow, or block light on adjacent sensitive land uses, the public realm and outdoor private amenity areas;</p> <p>b) buildings are progressively stepped back from adjacent areas designated Neighbourhoods. The Zoning by-law may include an angular plane requirement to set out an appropriate transition and stepping back of heights; and,</p> <p>c) buildings are stepped back from the street to minimize the height appearance from the street, where necessary.</p>	<p>E.3.5.8 For medium density residential uses, the maximum height shall be six storeys, but the height may be increased to 11 storeys without an amendment to this Plan, provided the applicant demonstrates:</p> <p>a) there are no adverse shadow impacts created on existing residential uses within adjacent lands designated Neighbourhoods;</p> <p>b) buildings are progressively stepped back from adjacent areas designated Neighbourhoods. The Zoning by-law may include an angular plane requirement to set out an appropriate transition and stepping back of heights; and,</p> <p>c) buildings are stepped back from the street to minimize the height appearance from the street, where necessary.</p>
<p>E.3.6.6 In high density residential areas, for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans, the permitted <i>net residential densities</i> identified on Appendix G – Boundaries Map shall be:</p> <p>a) greater than 100 units per hectare and not greater than 500 units per hectare in Central Hamilton; and,</p> <p>b) greater than 100 units per hectare and not greater than 200 units per hectare in all other Neighbourhoods designation areas.</p>	<p>E.3.6.6 In high density residential areas, for the purpose of estimating unit yield and/or population growth, as part of the preparation of Secondary Plans, Special Policy Areas, Infrastructure Master Plans and Community Plans, the <i>permitted net residential densities</i> identified on Appendix G – Boundaries Map shall be:</p> <p>a) greater than 100 units per hectare and not greater than 500 units per hectare in Central Hamilton; and,</p> <p>b) greater than 100 units per hectare and not greater than 200 units per hectare in all other</p>

<p>25 percent of either <i>affordable</i> ownership or <i>affordable</i> rental housing. For the purposes of the policies of this Plan, <i>affordable</i> housing developments may include a mix of <i>affordable</i> and market rate units, both ownership and rental.</p>	<p>c) in the case of housing developments, at least 25 percent of either <i>affordable</i> ownership or <i>affordable</i> rental housing. For the purposes of the policies of this Plan, <i>affordable</i> housing developments may include a mix of <i>affordable</i> and market rate units, both ownership and rental.</p>
<p>Add definition of Agri-food Network to Chapter G – Glossary.</p>	<p>Agri-food Network: Within the <i>Agricultural System</i>, a network that includes elements important to the viability of the agri-food sector such as regional <i>infrastructure</i> and transportation networks; on-farm buildings and <i>infrastructure</i>; agricultural services, farm markets, distributors, and primary processing; and vibrant, agriculture-supportive communities. (Greenbelt Plan, 2017)</p>
<p>Add definition of Agricultural System to Chapter G – Glossary.</p>	<p>Agricultural System: A system comprised of a group of inter-connected elements that collectively create a viable, thriving agricultural sector. It has two components: a) An agricultural land base comprised of <i>prime agricultural areas</i>, including <i>specialty crop areas</i>, and <i>rural lands</i> that together create a continuous productive land base for agriculture; and b) An <i>agri-food network</i> which includes <i>infrastructure</i>, services, and assets important to the viability of the agri-food sector. (PPS, 2020)</p>
<p>Alternative Energy Systems: means sources of energy or energy conversion processes that significantly reduce the amount of harmful emissions to the environment (air, earth and water) when compared to conventional energy systems. Alternative Energy Systems undertakings do not include renewable energy undertakings as defined in the <u>Green Energy and Green Economy Act, 2009</u>. means a system that uses sources of energy or energy conversion processes to produce power, heat and/or cooling that significantly reduces the amount of harmful emissions to the environment (air, earth and water) when compared to conventional energy systems (PPS, 2020).</p>	<p>Alternative energy system: means a system that uses sources of energy or energy conversion processes to produce power, heat and/or cooling that significantly reduces the amount of harmful emissions to the environment (air, earth and water) when compared to conventional energy systems (PPS, 2020).</p>

Add definition of Low Impact Development to Chapter G – Glossary.	<p>Low Impact Development: An approach to stormwater management that seeks to manage rain and other precipitation as close as possible to where it falls to mitigate the impacts of increased runoff and stormwater pollution. It typically includes a set of site design strategies and distributed, small-scale structural practices to mimic the natural hydrology to the greatest extent possible through infiltration, evapotranspiration, harvesting, filtration, and detention of stormwater. Low impact development can include, for example: bio-swales, vegetated areas at the edge of paved surfaces, permeable pavement, rain gardens, green roofs, and exfiltration systems. Low impact development often employs vegetation and soil in its design, however, that does not always have to be the case and the specific form may vary considering local conditions and community character (Growth Plan, 2019, as amended).</p>

PROPOSED Rural Hamilton Official Plan Amendment No. X

The following text, together with:

Volume 1

Appendix "A" Chapter B – Communities

Appendix "B" Chapter D – Rural Systems, Designations and Resources

Volume 3

Appendix "C" Chapter A – Rural Special Policy Areas

Appendix "D" Map A – Special Policy Areas

attached hereto, constitutes Official Plan Amendment No. "X" to the Rural Hamilton Official Plan.

1.0 Purpose and Effect:

The purpose and effect of this Amendment is to amend, add, and delete policies to implement Council direction for the No Urban Boundary Expansion growth scenario to accommodate population and job growth to the year 2051 as part of the City of Hamilton's Municipal Comprehensive Review.

2.0 Location:

The lands affected by this Amendment are located within the Rural Area of the City of Hamilton.

3.0 Basis:

The basis for permitting this Amendment is:

- To update the Urban Hamilton Official Plan and Rural Hamilton Official Plan to implement Council direction for the No Urban Boundary Expansion growth management strategy.

4.0 Actual Changes:

4.1 Volume 1 – Parent Plan

Text

4.1.1 Chapter B – Communities

- a. That Policy B.2.1 of Volume 1: Chapter B – Communities be amended, as outlined in Appendix "A", attached to this Amendment.

4.1.2 Chapter D – Rural Systems

- a. That Volume 1: Chapter D – Rural Systems, Designations and Resources be amended by adding two new policies, Policies D.3.2.1 and D.4.2.1, as outlined in Appendix "B", attached to this Amendment.

4.2 Volume 3 – Special Policy and Site Specific Areas

Text

4.2.1 Chapter A – Rural Special Policy Areas

- a. That Policy A.2.0 of Volume 3: Chapter A – Rural Special Policy Areas be deleted in its entirety, as outlined in Appendix "C", attached to this Amendment.

Schedules and Appendices

4.2.2 Map

- a. That Volume 3: Map A – Rural Special Policy Areas be amended, as shown on Appendix "D", attached to this Amendment.

5.0 Implementation:

An implementing Zoning By-Law Amendment will give effect to the intended uses on the subject lands.

This Official Plan Amendment is Schedule "1" to By-law No. ____ passed on the _____th of _____, 2022.

**The
City of Hamilton**

F. Eisenberger
MAYOR

A. Holland
CITY CLERK

Appendix “C” – Volume 3: Chapter A – Rural Special Policy Areas

Proposed Change	Proposed New / Revised Policy
<p>Grey highlighted strikethrough text = text to be deleted</p>	<p>Bolded text = text to be added</p>
<p>Delete Special Policy Area B in its entirety.</p> <p>A.2.0 SPA B – FUTURE URBAN GROWTH DISTRICT</p> <p>The lands identified as Special Policy Area B on Map A – Special Policy Areas, are generally bounded by Mud Street, Second Road and Hendershot Road on the east, Golf Club Road on the south, Trinity Church Road on the west and the existing urban boundary (west side of Centennial Parkway) on the north. Following a comprehensive growth management study known as GRIDS (Growth Related Integrated Development Strategy), Council has approved SPA B to be the preferred location of a future transit oriented urban community integrated with the existing land uses and servicing infrastructure of urban communities in the present Urban Area boundaries to the west and north.</p> <p>2.1 The lands identified as SPA B are designated on Schedule D – Rural Land Use Designations, as Agriculture and Rural by this Plan and are subject to all relevant policies pertaining to agriculture and rural uses at this time. They shall not be construed to be within the Urban Area until such time as a comprehensive amendment has been developed by the City of Hamilton and approved to permit urban uses in part or all of such lands.</p> <p>2.2 The City shall not accept nor approve a privately initiated amendment to this Plan pertaining to SPA B prior to consideration of the municipally initiated studies as set out below and the preparation and final approval of a municipally initiated comprehensive amendment to permit urban uses in part or all of SPA B.</p> <p>As part of the comprehensive amendment process, the City will complete background studies and conduct community planning and public consultation processes including the establishment of a Community Liaison Committee. The background studies and consultation processes shall assist in identifying the layout of future land uses, determining land supply and infrastructure requirements, and developing community growth management policies and designations. More specifically, the background studies shall include the following:</p> <p>a) A comprehensive review and land budget analysis to determine the need for an urban boundary expansion which includes an assessment</p>	

Proposed Change	Proposed New / Revised Policy

A.2.1	<p>A.2.1 Vision 2020 Our Future Hamilton The City has long been a leader in the area of community sustainability. In 1992, the former Region of Hamilton-Wentworth adopted Vision 2020. In 2002, the City undertook a review of the Vision in light of many changes that had taken place within the previous 10 years. The ‘Building a Strong Foundation’ public consultation process renewed not only the City’s commitment, but also the community’s commitment to making informed decisions based on environmental, economic and social considerations. The updated vision was adopted by City Council in September, 2003. Adopted by Council in 2016, Our Future Hamilton provides a 25-year community vision that builds on the legacy of Vision 2020, and reflects the values and aspirations of the nearly 55,000 residents who participated in the visioning process. Hamilton’s Vision 2020 As citizens, businesses and government of the City of Hamilton we accept responsibility for making decisions that lead to a healthy, sustainable future. We celebrate our strengths as a vibrant, diverse City of natural beauty nestled around the Niagara Escarpment and Hamilton Harbour. We are able to achieve our full potential through safe access to clean air and water, food, shelter, education, satisfying employment,</p>	<p>A.2.1 Our Future Hamilton The City has long been a leader in the area of community sustainability. Volume 1, Chapter A - Introduction				
A.1.2	<p>Over the next 30 years By 2051, the City is expected to grow to achieve a population of 660,000 820,000 and 300,000 360,000 jobs. The shape, look and feel of the City will change - influenced not only by physical growth but by economic, and demographic and climate change, as well. An aging population, a declining number of people per household, the effects of the global economy on local companies, increasing pressures on community services, the impacts of a changing climate, and urban pressure on rural resources will result in change – physical, economic and social. The City will experience many changes over the lifetime of this Plan. Change brings energy and opportunities. To effect positive change the City must harness that energy, take advantage of the opportunities, and manage any undesirable impacts.</p> <p>Responding to the impacts of a changing climate is an urgent</p>	<p>By 2051, the City is expected to grow to achieve a population of 820,000 and 360,000 jobs. The shape, look and feel of the City will change - influenced not only by physical growth but by economic, demographic and climate change, as well. An aging population, a declining number of people per household, the effects of the global economy on local companies, increasing pressures on community services, <i>the impacts of a changing climate</i>, and urban pressure on rural resources will result in change – physical, economic and social. The City will experience many changes over the lifetime of this Plan. Change brings energy and opportunities. To effect positive change the City must harness that energy, take advantage of the opportunities, and manage any undesirable impacts.</p> <p>Responding to the <i>impacts of a changing climate</i> is an urgent challenge</p>		<p>Update to current 2051 population and job forecasts.</p> <p>Acknowledge City climate emergency.</p>

	<p>challenge the City must face now and over the next 30 years. The City has declared a Climate Emergency and established a goal to achieve net zero carbon emissions by 2050. The implications of not responding to the Climate Emergency are dire. It is predicted that the number of very hot days per year (above 30 degree Celsius) will increase from an average of 16 per year between 1976 – 2005 to an average of 37 per year. In a high emissions scenario, the Province of Ontario would be anticipated to see an average annual temperature rise of 5.1 degrees Celsius, and Hamilton would be anticipated to see an average annual precipitation increase of 66.7 mm in the 2050s.</p> <p>These potentially severe consequences of climate change reinforce that actions to reduce and respond to the <i>impacts of a changing climate</i> will be required across all City departments, and will include both corporate and community initiatives. A climate change lens must be applied to all planning decisions going forward, as per the City’s Corporate Goals and Areas of Focus for Climate Change Mitigation and Adaptation, to plan for a City that is resilient to the <i>impacts of a changing climate</i>.</p> <p>...</p>	<p>the City must face now and over the next 30 years. Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
		mostly shrubs and herbs (Greenbelt Plan, 2005).	
Archaeological resources: includes artifacts, archaeological sites, marine archaeological sites, as defined under the <i>Ontario Heritage Act</i> . The identification and evaluation of such resources are based upon archaeological fieldwork undertaken in accordance with the <i>Ontario Heritage Act</i> .	Archaeological resources: includes artifacts, archaeological sites, marine archaeological sites, as defined under the <i>Ontario Heritage Act</i> . The identification and evaluation of such resources are based upon archaeological fieldwork undertaken in accordance with the <i>Ontario Heritage Act</i> . (PPS, 2020)	Archaeological Resources: Include artifacts, archaeological sites and marine archaeological sites. The identification and evaluation of such resources are based upon archaeological fieldwork undertaken in accordance with the <i>Ontario Heritage Act</i> (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.
Areas of archaeological potential: means areas with the likelihood to contain <i>archaeological resources</i> . Criteria to identify archaeological potential are established by the Province. The <i>Ontario Heritage Act</i> requires archaeological potential to be confirmed by a licensed archaeologist through archaeological assessment and/or fieldwork.	No equivalent definition.	Area of Archaeological Potential: A defined geographical area with the potential to contain <i>archaeological resources</i> . Criteria for determining archaeological potential are established by the Province, this Plan and the City's Archaeological Management Plan. Archaeological potential is confirmed through archaeological fieldwork undertaken in accordance with the <i>Ontario Heritage Act</i> (PPS, 2005, amended).	Maintain UHOP definition but update reference to PPS, 2020, amended. Existing UHOP definition includes reference to the City's plans in determining archaeological potential.
Areas of natural and scientific interest (ANSI): means areas of land and water containing natural landscapes or features that have been identified as having life science or earth science values related to protection, scientific study or education. Significant: means	No equivalent definition.	Significant Areas of Natural and Scientific Interest: means an area identified as provincially significant by the Ontario Ministry of Natural Resources using evaluation procedures established by the Province, as amended from time to time.	Update UHOP definition to reference Ministry of Natural Resources and Forestry.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
c) in regard to other features and areas in policy 2.1, ecologically important in terms of features, functions, representation or amount, and contributing to the quality and diversity of an identifiable geographic area or natural heritage system;			
Built heritage resource: means a building, structure, monument, installation or any manufactured or constructed part or remnant that contributes to a property’s cultural heritage value or interest as identified by a community, including an Indigenous community. Built heritage resources are located on property that has been designated under Parts IV or V of the <i>Ontario Heritage Act</i> , or that may be included on local, provincial, federal and/or international registers.	Built Heritage Resource: A building, structure, monument, installation or any manufactured remnant that contributes to a property’s cultural heritage value or interest as identified by a community, including an Aboriginal community. <i>Built heritage resources</i> are generally located on property that has been designated under Parts IV or V of the <i>Ontario Heritage Act</i> , or included on local, provincial and/or federal registers. (PPS, 2020)	Built Heritage Resources: means one or more <i>significant</i> buildings, structures, monuments, installations or remains associated with architectural, cultural, social, political, economic or military history and identified as being important to a community (PPS, 2005). These resources may be identified through inclusion in the City’s Register of Property of Cultural Heritage Value or Interest, designation or heritage conservation easement under the <i>Ontario Heritage Act</i> , and/or listed by local, provincial or federal jurisdictions.	Update UHOP definition based on revisions below from Tourism & Culture staff: Built Heritage Resources: means one or more <i>significant</i> buildings, structures, monuments, installations or remains associated with architectural, cultural, social, political, economic or military history and identified as being important to a community, including an Indigenous community (PPS, 2020). These resources may be identified through inclusion in the City’s Municipal Heritage Register of Property of Cultural Heritage Value or Interest, designation or heritage conservation easement under the <i>Ontario Heritage Act</i> , and/or listed by local, provincial or federal jurisdictions.
Coastal wetland: means a) any wetland that is located on one of the Great Lakes or their connecting channels (Lake St. Clair, St. Marys, St. Clair, Detroit, Niagara and St. Lawrence Rivers); or b) any other wetland that is on a tributary to any of the above-specified	No equivalent definition.	Coastal Wetland: means a) any wetland that is located on one of the Great Lakes or their connecting channels (Lake St. Clair, St. Mary’s, St. Clair, Detroit, Niagara, and St. Lawrence Rivers); or b) any other wetland that is on a tributary to any of the above-specified water bodies and lies, either wholly or in part, downstream of a line located 2	Maintain UHOP definition but update reference to PPS, 2020.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
water bodies and lies, either wholly or in part, downstream of a line located 2 kilometres upstream of the 1:100 year floodline (plus wave run-up) of the large water body to which the tributary is connected.		kilometres upstream of the 1:100 year floodline (plus wave run-up) of the large water body to which the tributary is connected. (PPS, 2005)	
No equivalent definition.	Compact Built Form: A land use pattern that encourages the efficient use of land, walkable neighbourhoods, mixed land uses (residential, retail, workplace, and institutional) all within one neighbourhood, proximity to transit and reduced need for <i>infrastructure</i> . <i>Compact built form</i> can include detached and semi-detached houses on small lots as well as townhouses and walk-up apartments, multi-storey commercial developments, and apartments or offices above retail. Walkable neighbourhoods can be characterized by roads laid out in a well-connected network, destinations that are easily accessible by transit and <i>active transportation</i> , sidewalks with minimal interruptions for vehicle access, and a pedestrian-friendly environment along roads to encourage active transportation.	Compact Urban Form: means a land-use pattern that encourages efficient use of land, walkable neighbourhoods, mixed land uses (residential, retail, workplace and institutional all within one neighbourhood), proximity to transit and reduced need for infrastructure. Compact urban form can include detached and semi-detached houses on small lots as well as townhouses and walk-up apartments, multi-storey commercial developments, and apartments or offices above retail (Growth Plan, 2006).	Replace UHOP definition with Growth Plan, 2019 definition. (include reference to walkable neighbourhoods description and active transportation, etc.).

(PPS, 2005)	Maintain UHOP definition but update reference to PPS, 2020.
No equivalent definition.	See Strategic Growth Areas	Intensification Areas: means lands identified by municipalities or the Province within a settlement area that are to be the focus for accommodating <i>intensification</i> . <i>Intensification areas</i> include urban growth centres, <i>intensification</i> corridors, major transit station areas, and other major opportunities that may include infill, <i>redevelopment</i> , brownfield sites, the	Delete Intensification Areas definition from the UHOP. “Intensification Areas” was a term referenced in the Growth Plan, 2005 and has been replaced with “Strategic Growth Areas” in the Growth Plan, 2017 and 2019. Add new definition of Strategic Growth Areas (see below).

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
		expansion or conversion of existing buildings and greyfields (Growth Plan, 2006, amended).	
No equivalent definition.	Intermittent Streams: Stream-related watercourses that contain water or are dry at times of the year that are more or less predictable, generally flowing during wet seasons of the year but not the entire year, and where the water table is above the stream bottom during parts of the year. (Greenbelt Plan)	Intermittent Streams: means stream-related watercourses that contain water or are dry at times of the year and are more or less predictable, generally flowing during wet seasons of the year but not the entire year, and where the water table is above the stream bottom during parts of the year (Greenbelt Plan, 2005).	Maintain UHOP definition but update reference to Greenbelt Plan, 2017.
No equivalent definition.	Key Natural Heritage Features: <i>Habitat of endangered species and threatened species; fish habitat; wetlands; life science areas of natural and scientific interest (ANSIs), significant valleylands, significant woodlands; significant wildlife habitat (including habitat of special concern species); sand barrens, savannahs, and tallgrass prairies; and alvars.</i>	Key Natural Heritage Features: means the following: a) Significant habitat of endangered and threatened species b) Fish habitat; c) Wetlands; d) Life Science Areas of Natural and Scientific Interest (ANSIs) e) Significant valleylands; f) Significant wildlife habitat; g) Sand barrens, savannahs, and tallgrass prairies; and i) Alvars	Update UHOP definition to include significant woodlands.
No equivalent definition.	No equivalent definition.	Lake: means any inland body of standing water usually fresh water larger than a pool or pond or a body of water filling a	Maintain UHOP definition but update reference to Greenbelt Plan, 2017.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
		depression in the earth’s surface (Greenbelt Plan, 2005).	
See Areas of Natural and Scientific Interest	Life Science Areas of Natural and Scientific Interest (ANSIs): An area that has been identified as having life science values related to protection, scientific study, or education; and further identified by the Ministry of Natural Resources and Forestry using evaluation procedures established by that Ministry, as amended from time to time. (Greenbelt Plan)	Life Science Areas of Natural and Scientific Interest (ANSIs): means lands and waters containing natural landscapes or features that are important for natural heritage protection, appreciation, scientific study, or education. Life Science ANSIs are identified by the Ministry of Natural Resources using evaluation procedures established by that Ministry, as amended from time to time (Greenbelt Plan, 2005).	Maintain UHOP definition but update reference to Greenbelt Plan, 2017 and Ministry of Natural Resources and Forestry.
Low and moderate income households: means a) in the case of ownership housing, households with incomes in the lowest 60 percent of the income distribution for the <i>regional market area</i> ; or b) in the case of rental housing, households with incomes in the lowest 60 percent of the income distribution for renter households for the <i>regional market area</i> .	No equivalent definition.	Low and Moderate Income Households: means: a) in the case of ownership housing, households with incomes in the lowest 60 percent of the income distribution for the City of Hamilton; or, b) in the case of rental housing, households with incomes in the lowest 60 percent of the income distribution for renter households for the City of Hamilton. (PPS, 2005, amended)	Maintain UHOP definition but update reference to PPS, 2020.
No equivalent definition.	Low Impact Development: An approach to stormwater management that seeks to manage rain and other precipitation as close as possible to where it falls to mitigate the impacts of increased runoff and stormwater pollution. It typically includes a set of	No definition in UHOP.	Add new UHOP definition to reflect Growth Plan, 2019.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
	<p>site design strategies and distributed, small-scale structural practices to mimic the natural hydrology to the greatest extent possible through infiltration, evapotranspiration, harvesting, filtration, and detention of stormwater. Low impact development can include, for example: bio-swales, vegetated areas at the edge of paved surfaces, permeable pavement, rain gardens, green roofs, and exfiltration systems. Low impact development often employs vegetation and soil in its design, however, that does not always have to be the case and the specific form may vary considering local conditions and community character.</p>		
<p>Major goods movement facilities and corridors: means transportation facilities and corridors associated with the inter- and intra-provincial movement of goods. Examples include: inter-modal facilities, ports, <i>airports, rail facilities</i>, truck terminals, freight corridors, freight facilities, and haul routes and primary transportation corridors used for the movement of goods. Approaches that are freight-supportive may be recommended in guidelines developed by the Province or based on municipal approaches that achieve the same objectives.</p>	<p>Major goods movement facilities and corridors: The transportation facilities and corridors associated with the inter- and intra-provincial movement of goods. Examples include: inter-modal facilities, ports, airports, truck terminals, freight corridors, freight facilities, and haul routes and primary transportation corridors used for the movement of goods. Approaches that are freight-supportive may be recommended in guidelines developed by the Province or based on municipal approaches that achieve the same objectives. (PPS, 2020)</p>	<p>No definition</p>	<p>Add “Major goods movement facilities and corridors” definition to UHOP consistent with PPS definition.</p> <p>PPS changed terminology between 2005 and 2014.</p> <p>Existing definition of Transportation Corridor partially complies with this new definition, but does not mention inter-modal, ports, airports, or truck terminals.</p>

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
No equivalent definition.	Major Office: Freestanding office buildings of approximately 4,000 square metres of floor space or greater, or with approximately 200 jobs or more.	Major Office: Major office is generally defined as freestanding office buildings of 10,000 m ² or greater or with 500 jobs or more (Growth Plan, 2006).	Update UHOP definition to conform to Growth Plan, 2019 definition.
No equivalent definition.	Major Transit Station Area: The area including and around any existing or planned higher order transit station or stop within a settlement area; or the area including and around a major bus depot in an urban core. Major transit station areas generally are defined as the area within an approximate 500 to 800 metre radius of a transit station, representing about a 10-minute walk.	Major Transit Station Area: The area including and around any existing or planned higher order transit station within a settlement/urban area; or the area including and around a major bus depot in an urban core. Station areas generally are defined as the area within an approximate 500m radius of a transit station, representing about a 10-minute walk (Growth Plan, 2006).	Update UHOP definition to be consistent with Growth Plan, 2019. Recognize increased radius of up to 800 metres, representing a 10 min walk
No equivalent definition.	Major trip generators: Origins and destinations with high population densities or concentrated activities which generate many trips (e.g., urban growth centres and other downtowns, major office and office parks, major retail, employment areas, community hubs, large parks and recreational destinations, post-secondary institutions and other public service facilities, and other mixed-use areas).	Major Transit Generator: means a facility or area which generates significant volumes of passenger and/or goods/services trips to/from residential, commercial and/or industrial land uses (Metrolinx, 2008).	Revise existing “Major Transit Generator” definition in UHOP with new “Major Trip Generator” definition, consistent with Growth Plan, 2019. Major transit generator is not the same as Major Trip Generator – as it is defined in the context of transit service. Major trip generator considers all modes of transportation and generate trips in different modes.
Minimum distance separation formulae: means formulae and guidelines developed by the Province, as amended from time to time, to separate uses so as to reduce incompatibility concerns about odour from livestock facilities.	Minimum Distance Separation Formulae: Formulae and guidelines developed by the Province, as amended from time to time, to separate uses so as to reduce incompatibility concerns about odour from livestock facilities. (PPS, 2020)	Minimum Distance Separation (MDS) Formulae: means formulae developed by the Province to separate uses so as to reduce incompatibility concerns about odour from livestock and manure storage facilities (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
Multimodal: means a transportation system which may include several forms of transportation such as automobiles, walking, trucks, cycling, buses, rapid transit, rail (such as commuter and freight), air and marine.	Multimodal: Relating to the availability or use of more than one form of transportation, such as automobiles, walking, cycling, buses, rapid transit, rail (such as commuter and freight), trucks, air, and marine. (Based on the PPS, 2020 and modified for this Plan)	Multi-Modal [transportation]: The availability or use of more than one form of transportation, such as automobiles, walking, cycling, buses, rapid transit, rail (such as commuter and freight), trucks, air and marine (Growth Plan, 2006).	Maintain UHOP definition but update reference to Growth Plan, 2019.
No equivalent definition.	No equivalent definition.	Multiple Dwelling: means a building or part thereof containing three or more dwelling units but shall not include a street townhouse dwelling. Examples of such dwellings include block townhouse dwellings, stacked townhouse dwellings, and apartment dwellings.	Revise UHOP Definition to reference five (5) or more units and include street townhouse units that front onto a condominium road.
See Comprehensive Review , above	Municipal Comprehensive Review: A new official plan, or an official plan amendment, initiated by an upper- or single-tier municipality under section 26 of the Planning Act that comprehensively applies the policies and schedules of this Plan.	Municipally Initiated Comprehensive Review: means a plan, undertaken by the City, which comprehensively applies the policies and schedules of the Growth Plan for the Greater Golden Horseshoe, the Provincial Policy Statement and the Official Plan. It can be undertaken on specific land use components, such as residential, employment, or undertaken as one comprehensive plan.	Maintain UHOP definition but update reference to Growth Plan, 2019. Current UHOP definition remains under appeal.
No equivalent definition.	Natural Self-Sustaining Vegetation: Vegetation dominated by native plant species that can grow and persist without direct human management, protection, or tending. (Greenbelt Plan)	Natural Self-Sustaining Vegetation: means vegetation dominated by native plant species that can grow and persist without direct human management protection, or tending (Greenbelt Plan, 2005).	Maintain UHOP definition but update reference to Greenbelt Plan, 2017.
Negative impacts: means a) in regard to policy 1.6.6.4 and 1.6.6.5, potential risks to human	Negative Impact: a. In regard to water, degradation to the quality or quantity of surface or	Negative Impacts: means a) In regard to water, degradation to the <i>quality or quantity of surface or</i>	Maintain UHOP definition but update reference to Growth Plan, 2019.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>health and safety and degradation to the <i>quality and quantity of water, sensitive surface water features and sensitive ground water features</i>, and their related <i>hydrologic functions</i>, due to single, multiple or successive <i>development</i>. <i>Negative impacts</i> should be assessed through environmental studies including hydrogeological or water quality impact assessments, in accordance with provincial standards;</p> <p>b) in regard to policy 2.2, degradation to the <i>quality and quantity of water, sensitive surface water features and sensitive ground water features</i>, and their related <i>hydrologic functions</i>, due to single, multiple or successive <i>development or site alteration</i> activities;</p> <p>c) in regard to fish habitat, any permanent alteration to, or destruction of <i>fish habitat</i>, except where, in conjunction with the appropriate authorities, it has been authorized under the <i>Fisheries Act</i>; and</p> <p>d) in regard to other <i>natural heritage features and areas</i>, degradation that threatens the health and integrity of the natural features or <i>ecological functions</i> for which an</p>	<p>groundwater, <i>key hydrologic features</i> or vulnerable areas and their related <i>hydrologic functions</i> due to single, multiple or successive <i>development or site alteration</i> activities;</p> <p>b. In regard to <i>fish habitat</i>, any permanent alteration to or destruction of <i>fish habitat</i>, except where, in conjunction with the appropriate authorities, it has been authorized under the <i>Fisheries Act</i>; and</p> <p>c. In regard to other <i>natural heritage features and areas</i>, degradation that threatens the health and integrity of the natural features or <i>ecological functions</i> for which an area is identified due to single, multiple or successive <i>development or site alteration</i> activities.</p>	<p><i>ground water, key hydrologic features or vulnerable areas</i>, and their related <i>hydrologic functions</i>, due to single, multiple or successive <i>development or site alteration</i> activities;</p> <p>b) In regard to <i>fish habitat</i>, the harmful alteration, disruption, or destruction of fish habitat, except where, in conjunction with the appropriate authorities, it has been authorized under the <i>Fisheries Act</i>, using the guiding principle of no net loss of productive capacity; and,</p> <p>c) In regard to other <i>natural heritage features and areas</i>, degradation that threatens the health and integrity of the natural features or <i>ecological functions</i> for which an area is identified due to single, multiple, or successive <i>development or site alteration</i> activities. (PPS, 2005)</p>	

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
area is identified due to single, multiple or successive <i>development</i> or <i>site alteration</i> activities.			
No equivalent definition.	No equivalent definition. Permanent stream is one of the features included in definition of “Key Hydrologic Features”	Permanent Stream: means a stream that continually flows in an average year (Greenbelt Plan, 2005).	Maintain UHOP definition but update reference to Greenbelt, 2017.
Planned corridors: means corridors or future corridors which are required to meet projected needs, and are identified through <i>provincial plans</i> , preferred alignment(s) determined through the <i>Environmental Assessment Act</i> process, or identified through planning studies where the Ontario Ministry of Transportation , Metrolinx, Ontario Ministry of Energy, Northern Development and Mines or Independent Electricity System Operator (IESO) or any successor to those ministries or entities is actively pursuing the identification of a corridor. Approaches for the protection of planned corridors may be recommended in guidelines developed by the Province.	Planned Corridors: Corridors or future corridors which are required to meet projected needs, and are identified through this Plan, preferred alignment(s) determined through the Environmental Assessment Act process, or identified through planning studies where the Ministry of Transportation, Ministry of Energy, Northern Development and Mines, Metrolinx, or Independent Electricity System Operator (IESO) or any successor to those Ministries or entities, is actively pursuing the identification of a corridor. Approaches for the protection of <i>planned corridors</i> may be recommended in guidelines developed by the Province. (Based on PPS, 2020 and modified for this Plan)	Planned Corridors: means corridors identified through provincial plans or preferred alignment(s) determined through the <u>Environmental Assessment Act</u> process which are required to meet projected needs (PPS, 2005).	Revise UHOP definition to reflect PPS, 2020 definition.
No equivalent definition.	Priority Transit Corridors: Transit corridors shown in Schedule 5 or as further identified by the Province for the purpose of implementing this Plan.	No definition in UHOP. However, term is italicized in Downtown Hamilton Secondary Plan policies for Rapid Transit.	Add new UHOP definition as per Growth Plan, 2019 definition.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>Protected Heritage Property: means property designated under Parts IV, V, or VI of the <i>Ontario Heritage Act</i>; property subject to a heritage conservation easement under Parts II or IV of the <i>Ontario Heritage Act</i>; property identified by the Province and prescribed public bodies as provincial heritage property under the Standards and Guidelines for Conservation of Provincial Heritage Properties; property protected under federal legislation, and UNESCO World Heritage Sites.</p>	<p>No equivalent definition.</p>	<p>Protected Heritage Property: means real property designated under Parts IV, V or VI of the <i>Ontario Heritage Act</i>; heritage conservation easement property under Parts II or IV of the <i>Ontario Heritage Act</i>; and property that is the subject of a covenant or agreement between the owner of a property and a conservation body or level of government, registered on title and executed with the primary purpose of preserving, conserving and maintaining a cultural heritage feature or resource, or preventing its destruction, demolition or loss (PPS, 2005).</p>	<p>Revise UHOP definition to reflect PPS, 2020 definition.</p>
<p>No equivalent definition.</p>	<p>Provincially Significant Employment Zones: Areas defined by the Minister in consultation with affected municipalities for the purpose of long-term planning for job creation and economic development. Provincially significant employment zones can consist of employment areas as well as mixed-use areas that contain a significant number of jobs.</p>	<p>No definition in UHOP for PSEZs</p>	<p>Add new definition to UHOP consistent with Growth Plan, 2019 definition.</p>
<p>Quality and quantity of water: Is measured by indicators associated with hydrologic function such as minimum base flow, depth to water table, aquifer pressure, oxygen levels, suspended solids, temperature, bacteria, nutrients and hazardous contaminants, and hydrologic regime.</p>	<p>Quality and Quantity of Water: Measured by indicators associated with <i>hydrologic function</i> such as minimum base flow, depth to water table, aquifer pressure, oxygen levels, suspended solids, temperature, bacteria, nutrients and hazardous contaminants, and hydrologic regime. (PPS, 2020)</p>	<p>Quality and Quantity of Water: is measured by indicators such as minimum base flow, depth to water table, aquifer pressure, oxygen levels, suspended soils, temperature bacteria, nutrients and hazardous contaminants, and hydrological regime (PPS, 2005).</p>	<p>Update UHOP definition to be consistent with PPS, 2020 definition.</p>

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
No equivalent definition.	No equivalent definition.	Rapid Transit: Transit service separated partially or completely from general vehicular traffic and therefore able to maintain higher levels of speed, reliability and vehicle productivity than can be achieved by transit vehicles operating in mixed traffic. Rapid transit can include <i>light rail transit</i> and/or bus rapid transit (adapted from Metrolinx, 2008).	Delete Rapid Transit definition from UHOP. The existing Rapid Transit definition has been replaced by Higher Order Transit.
Redevelopment: means the creation of new units, uses or lots on previously developed land in existing communities, including <i>brownfield sites</i> .	Redevelopment: The creation of new units, uses or lots on previously developed land in existing communities, including <i>brownfield sites</i> . (PPS, 2020)	Redevelopment: means the creation of new units, uses or lots on previously developed land in existing communities, including <i>brownfield sites</i> (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.
Renewable energy system: means a system that generates electricity, heat and/or cooling from a <i>renewable energy source</i> .	Renewable Energy System: A system that generates electricity, heat and/or cooling from a renewable energy source. For the purposes of this definition: A renewable energy source is an energy source that is renewed by natural processes and includes wind, water, biomass, biogas, biofuel, solar energy, geothermal energy and tidal forces. (PPS, 2020)	Renewable Energy Systems: means the production of electrical power from an energy source that is renewed by natural processes including, but not limited to, wind, water, a biomass resource or product, or solar and geothermal energy. These systems have the same meaning as a renewable energy undertaking under the <u>Green Energy and Green Economy Act, 2009</u> .	Update UHOP definition to reflect Growth Plan 2019, as Amended.
Residential intensification: means intensification of a property, site or area which results in a net increase in residential units or accommodation and includes: a) redevelopment, including the redevelopment of <i>brownfield sites</i> ;	No equivalent definition.	Residential Intensification: <i>Intensification</i> of a property, site or area which results in a net increase in residential units or accommodation and includes: a) redevelopment, including the redevelopment of brownfield sites;	Maintain UHOP definition but update reference to PPS, 2020, as amended.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>b) the development of vacant or underutilized lots within previously developed areas;</p> <p>c) infill development;</p> <p>d) development and introduction of new <i>housing options</i> within previously developed areas</p> <p>e) the conversion or expansion of existing industrial, commercial and institutional buildings for residential use; and</p> <p>f) the conversion or expansion of existing residential buildings to create new residential units or accommodation, including accessory apartments, additional residential units, rooming houses, and other <i>housing options</i></p>		<p>b) the <i>development</i> of vacant or underutilized lots within previously developed areas;</p> <p>c) infill <i>development</i>;</p> <p>d) the conversion or expansion of existing industrial, commercial and institutional buildings for residential use; and,</p> <p>e) the conversion or expansion of existing residential buildings to create new residential units or accommodation, including accessory apartments, secondary suites and rooming houses. (PPS, 2005)</p>	
No equivalent definition.	<p>Savannah: Land (not including land that is being used for agricultural purposes or no longer exhibits <i>savannah</i> characteristics) that:</p> <p>a) has vegetation with a significant component of non-woody plants, including <i>tallgrass prairie</i> species that are maintained by seasonal drought, periodic disturbances such as fire, or both;</p> <p>b) has from 25 per cent to 60 per cent tree cover;</p>	<p>Savannah: means land (not including land that is being used for agricultural purposes or no longer exhibits <i>savannah</i> characteristics) that:</p> <p>a) has vegetation with a significant component of non-woody plants, including tallgrass prairie species that are maintained by seasonal drought, periodic disturbances including fire, or both;</p> <p>b) has from 25 per cent to 60 per cent tree cover;</p>	Maintain UHOP definition but update reference to Greenbelt Plan, 2017.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
	c) has mineral soils; and d) has been further identified, by the Ministry of Natural Resources and Forestry or by any other person, according to evaluation procedures established by the Ministry of Natural Resources and Forestry, as amended from time to time. (Greenbelt Plan)	c) has mineral soils; and, d) has been further identified, by the Ministry of Natural Resources or by any other person according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time. (Greenbelt Plan, 2005)	
No equivalent definition.	Seepage Areas and Springs: Sites of emergence of groundwater where the water table is present at the ground surface. (Greenbelt Plan)	Seepage Areas and Springs: means sites of emergence of groundwater where the water table is present at the ground surface (Greenbelt Plan, 2005).	Maintain UHOP definition but update reference to Greenbelt Plan, 2017.
Sensitive: in regard to <i>surface water features and ground water features</i> , means areas that are particularly susceptible to impacts from activities or events including, but not limited to, water withdrawals, and additions of pollutants.	No equivalent definition.	Sensitive: in regard to surface water feature and ground water feature, means areas that are particularly susceptible to impacts from activities or events including, but not limited to, water withdrawals, and additions of pollutants (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.
Significant: means ... e) in regard to cultural heritage and archaeology, resources that have been determined to have cultural heritage value or interest. Processes and criteria for determining cultural heritage value or interest are established by the Province under the authority of the <i>Ontario Heritage Act</i> .	No equivalent definition.	Significant: In regard to cultural heritage and archaeology, means cultural heritage resources that are valued for the important contribution they make to our understanding of the history of a place, an event, or a people (PPS, 2005).	Update UHOP definition to reflect PPS, 2020 definition, as below: Significant: In regard to cultural heritage and archaeology, means cultural heritage resources that have been determined to have cultural heritage value or interest. Processes and criteria for determining cultural heritage value or interest are established by the Province under the authority of the Ontario Heritage Act. are valued for the important contribution they make to our understanding of

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>Criteria for determining significance for the resources identified in sections (c)-(e) are recommended by the Province, but municipal approaches that achieve or exceed the same objective may also be used.</p> <p>While some significant resources may already be identified and inventoried by official sources, the significance of others can only be determined after evaluation.</p>			<p>the history of a place, an event, or a people (PPS, 2020 05).</p>
<p>Significant: means</p> <p>a) in regard to <i>wetlands, coastal wetlands and areas of natural and scientific interest</i>, an area identified as provincially significant by the Ontario Ministry of Natural Resources and Forestry using evaluation procedures established by the Province, as amended from time to time;</p>	<p>Significant wetland: A wetland that has been identified as provincially significant by the Province. (Based on PPS, 2020 and modified for this Plan)</p>	<p>Significant Wetlands: means an area identified as provincially significant by the Province using evaluation procedures established by the Province, as amended from time to time (PPS, 2005).</p> <p>Significant Coastal Wetlands: means a coastal wetland identified as provincially significant by the Ontario Ministry of Natural Resources using evaluation procedures established by the Province, as amended from time to time (PPS, 2005).</p> <p>Areas of Natural and Scientific Interest (ANSI): means areas of land and water containing natural landscapes or features that have been identified as having life science or earth science values related to protection, scientific study or education (PPS, 2005).</p>	<p>Maintain UHOP definition but update reference to PPS, 2020 and update reference to Ministry of Natural Resources and Forestry.</p>
<p>Significant: means</p>	<p>Significant groundwater recharge area: An area that has been identified:</p>	<p>Significant Valleylands: means a natural area that occurs in a valley or other landform depression that has water</p>	<p>Maintain UHOP definition but update reference to PPS, 2020.</p>

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>c) in regard to other features and areas in policy 2.1, ecologically important in terms of features, functions, representation or amount, and contributing to the quality and diversity of an identifiable geographic area or <i>natural heritage system</i>;</p> <p>Criteria for determining significance for the resources identified in sections (c)-(d) are recommended by the Province, but municipal approaches that achieve or exceed the same objective may also be used.</p> <p>While some significant resources may already be identified and inventoried by official sources, the significance of others can only be determined after evaluation.</p>	<p>a) as a significant groundwater recharge area by any public body for the purposes of implementing the PPS, 2020;</p> <p>b) as a significant groundwater recharge area in the assessment report required under the Clean Water Act, 2006; or</p> <p>c) as an ecologically significant groundwater recharge area delineated in a subwatershed plan or equivalent in accordance with provincial guidelines.</p> <p>For the purposes of this definition, ecologically significant groundwater recharge areas are areas of land that are responsible for replenishing groundwater systems that directly support sensitive areas like cold water streams and wetlands. (Greenbelt Plan)</p> <p>Significant surface water contribution areas: Areas, generally associated with headwater catchments, that contribute to baseflow volumes which are significant to the overall surface water flow volumes within a watershed. (Greenbelt Plan)</p> <p>Significant wildlife habitat: A wildlife habitat that is ecologically important in terms of features, functions, representation or amount, and contributing to the quality and diversity</p>	<p>flowing through or standing for some period of the year which is ecologically important in terms of features, functions, representation or amount and contributing to the quality and diversity of an identifiable geographic area or natural heritage system (PPS, 2005, amended).</p> <p>Significant Wildlife Habitat: means wildlife habitat areas which are ecologically important in terms of features, functions, representation or amount, and contributing to the quality and diversity of an identifiable geographic area or natural heritage system. Significant Wildlife Habitat will be identified based on criteria established by the Province. (PPS, 2005)</p> <p>Significant Habitat of Threatened or Endangered Species: means that habitat, as approved by the Ministry of Natural Resources, that is necessary for the maintenance survival and/or recovery of naturally occurring or reintroduced populations of species at risk and where those areas of occurrence are occupied or habitually occupied by the species during all or any part(s) of its life cycle. To identify which species are threatened or endangered, the City will refer to the Species at Risk in Ontario list that is prepared and updated by the Ministry of Natural Resources. The City may collaborate with the Province during the early stages of the planning process, to ensure that the significant habitat of threatened or endangered species on</p>	

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
	<p>of an identifiable geographic area or natural heritage system. These are to be identified using criteria established by the Province. (Based on PPS, 2020 and modified for this Plan)</p> <p>Significant valleyland: A valleyland which is ecologically important in terms of features, functions, representation or amount, and contributing to the quality and diversity of an identifiable geographic area or natural heritage system. These are to be identified using criteria established by the Province. (Based on PPS, 2020 and modified for this Plan)</p>	lands affected by or contiguous to any proposed <i>development</i> or <i>site alteration</i> is properly evaluated and identified.	
<p>Site Alteration: means activities, such as grading, excavation and the placement of fill that would change the landform and natural vegetative characteristics of a site.</p> <p>For the purposes of policy 2.1.4(a), <i>site alteration</i> does not include underground or surface mining of <i>minerals</i> or advanced exploration on mining lands in <i>significant areas of mineral potential</i> in Ecoregion 5E, where advanced exploration has the same meaning as in the <i>Mining Act</i>. Instead, those matters shall be subject to policy 2.1.5(a).</p>	<p>Site Alteration: Activities, such as grading, excavation and the placement of fill that would change the landform and natural vegetative characteristics of a site. (PPS, 2020)</p>	<p>Site Alteration: means activities, such as grading, excavation, and the placement of fill that would change the landform and natural vegetative characteristics of a site (PPS, 2005, amended).</p>	<p>Maintain UHOP definition but update reference to PPS, 2020.</p>
<p>Special Policy Area: means an area within a community that has historically existed in the <i>flood plain</i> and where site-specific policies,</p>	No equivalent definition.	<p>Special Policy Area: With respect to <i>Hazard Lands</i>, means an area within a community that has historically existed in the flood plain and where site-specific</p>	<p>Maintain UHOP definition but update reference to PPS, 2020.</p>

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
<p>approved by both the Ministers of Natural Resources and Forestry and Municipal Affairs and Housing, are intended to provide for the continued viability of existing uses (which are generally on a small scale) and address the significant social and economic hardships to the community that would result from strict adherence to provincial policies concerning <i>development</i>. The criteria and procedures for approval are established by the Province.</p> <p>A <i>Special Policy Area</i> is not intended to allow for new or intensified <i>development</i> and <i>site alteration</i>, if a community has feasible opportunities for <i>development</i> outside the <i>flood plain</i>.</p>		<p>policies, approved by both the Ministers of Natural Resources and Municipal Affairs and Housing, are intended to provide for the continued viability of existing uses (which are generally on a small scale) and address the significant social and economic hardships to the community that would result from the strict adherence to provincial policies concerning <i>development</i>. The criteria and procedures for approval are established by the Province (PPS, 2005).</p>	
<p>No equivalent definition.</p>	<p>Strategic Growth Areas: Within <i>settlement areas</i>, nodes, corridors, and other areas that have been identified by municipalities or the Province to be the focus for accommodating intensification and higher-density mixed uses in a more <i>compact built form</i>. <i>Strategic growth areas</i> include <i>urban growth centres</i>, <i>major transit station areas</i>, and other major opportunities that may include <i>infill</i>, <i>redevelopment</i>, <i>brownfield sites</i>, the expansion or conversion of existing buildings, or <i>greyfields</i>. Lands along major roads, arterials, or other areas with existing or planned <i>frequent transit service</i> or <i>higher order transit</i></p>	<p>No definition.</p>	<p>Add new definition of “Strategic Growth Areas” to UHOP based on Growth Plan, 2019.</p> <p>Existing definition of Intensification Areas to be deleted.</p>

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
	<i>corridors may also be identified as strategic growth areas.</i>		
Surface water feature: means water-related features on the earth’s surface, including headwaters, rivers, stream channels, inland lakes, seepage areas, recharge/discharge areas, springs, wetlands, and associated riparian lands that can be defined by their soil moisture, soil type, vegetation or topographic characteristics.	Surface water feature: means water-related features on the earth’s surface, including headwaters, rivers, stream channels, inland lakes, seepage areas, recharge/discharge areas, springs, wetlands, and associated riparian lands that can be defined by their soil moisture, soil type, vegetation or topographic characteristics. (PPS, 2020)	Surface Water Feature: refers to water-related features on the earth’s surface, including headwaters, rivers, stream channels, inland lakes, seepage areas, recharge/discharge areas, springs, wetlands, and associated riparian lands that can be defined by their soil moisture, soil associated riparian lands that can be defined by their soil moisture, soil type, vegetation or topographic characterises (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.
No equivalent definition.	Tallgrass Prairies: Land (not including land that is being used for agricultural purposes or no longer exhibits <i>tallgrass prairie</i> characteristics) that: <ul style="list-style-type: none"> a) has vegetation dominated by non-woody plants, including tallgrass prairie species that are maintained by seasonal drought, periodic disturbances such as fire, or both; b) has less than 25 per cent tree cover; c) has mineral soils; and d) has been further identified, by the Minister of Natural Resources and Forestry or by any other person, according to evaluation procedures established by the Ministry of Natural Resources and Forestry, 	Tallgrass Prairies: means land (not including land that is being used for agricultural purposes or no longer exhibits <i>tallgrass prairie</i> characteristics) that: <ul style="list-style-type: none"> a) has vegetation dominated by non-woody plants, including tallgrass prairie species that are maintained by seasonal drought, periodic disturbances such as fire, or both; b) has less than 25 percent tree cover; c) has mineral soils; and, d) has been further identified, by the Minister of Natural Resources or by any other person, according to evaluation procedures established by the Ministry of Natural Resources, as amended from time to time. (Greenbelt Plan, 2005) 	Maintain UHOP definition but update reference to Greenbelt Plan, 2017 and Ministry of Natural Resources and Forestry.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
	as amended from time to time. (Greenbelt Plan)		
Transit-supportive: in regard to land use patterns, means development that makes transit viable, optimizes investments in transit infrastructure, and improves the quality of the experience of using transit. It often refers to compact, mixed-use development that has a high level of employment and residential densities, including air rights development, in proximity to transit stations, corridors and associated elements within the <i>transportation system</i> . Approaches may be recommended in guidelines developed by the Province or based on municipal approaches that achieve the same objectives.	Transit-supportive: Relating to development that makes transit viable and improves the quality of the experience of using transit. It often refers to compact, mixed-use development that has a high level of employment and residential densities. Transit-supportive development will be consistent with Ontario’s Transit Supportive Guidelines.	Transit-Supportive: Makes transit viable and improves the quality of the experience of using transit. When used in reference to development, it often refers to compact, mixed use development that has a high level of employment and residential densities to support frequent transit service. When used in reference to urban design, it often refers to design principles that make development more accessible for transit users, such as roads laid out in a grid network rather than a discontinuous network; pedestrian-friendly built environment along roads to encourage walking to transit; reduced setbacks and placing parking at the sides/rear of buildings; and improved access between arterial roads and interior blocks in residential areas (Growth Plan, 2006).	Update definition to remove reference to “Growth Plan 2006”, otherwise maintain current definition.
Transportation demand management: means a set of strategies that result in more efficient use of the <i>transportation system</i> by influencing travel behaviour by mode, time of day, frequency, trip length, regulation, route, or cost.	Transportation Demand Management: A set of strategies that result in more efficient use of the transportation system by influencing travel behaviour by mode, time of day, frequency, trip length, regulation, route, or cost. (PPS, 2020)	Transportation Demand Management: a program of incentives which influence whether, when, where and how people travel, and encourage them to make more efficient use of the transportation system (Metrolinx, 2008).	Update UHOP definition to reflect PPS 2020 and Growth Plan 2019 definition.
Transportation system: means a system consisting of facilities, corridors and rights-of-way for the movement of people and goods, and associated transportation facilities including transit stops and stations,	Transportation system: A system consisting of facilities, corridors and rights-of-way for the movement of people and goods, and associated transportation facilities including transit stops and stations, sidewalks, cycle	Transportation System: A system consisting of corridors and rights-of-way for the movement of people and goods, and associated transportation facilities including transit stops and stations, cycle lanes, bus lanes, high occupancy vehicle	Update UHOP definition to reflect PPS, 2020 definition.

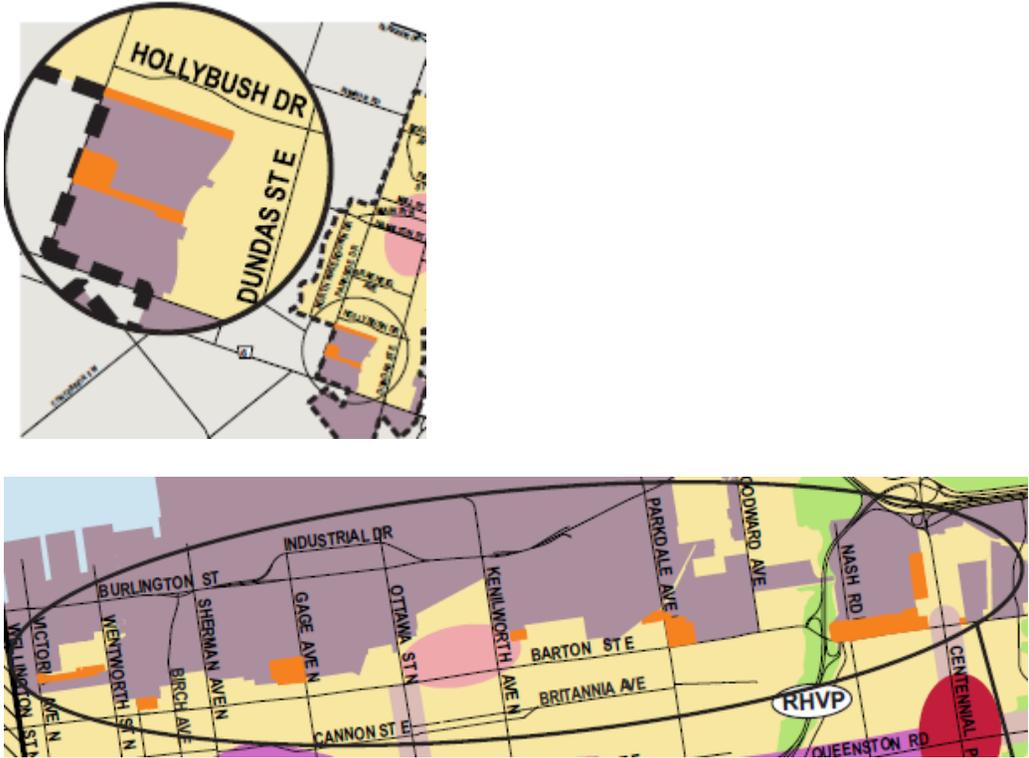

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
sidewalks, cycle lanes, bus lanes, high occupancy vehicle lanes, rail facilities, parking facilities, park’n’ride lots, service centres, rest stops, vehicle inspection stations, inter-modal facilities, harbours, airports, marine facilities, ferries, canals and associated facilities such as storage and maintenance.	lanes, bus lanes, high occupancy vehicle lanes, rail facilities, parking facilities, park-and-ride lots, service centres, rest stops, vehicle inspection stations, inter-modal facilities, harbours, airports, marine facilities, ferries, canals and associated facilities such as storage and maintenance. (PPS, 2020)	lanes, rail facilities, parkland-ride lots, service centres, rest stops, vehicle inspection stations, inter-modal terminals, harbours, and associated facilities such as storage and maintenance (PPS, 2005).	Minor wording change.
Valleylands: means a natural area that occurs in a valley or other landform depression that has water flowing through or standing for some period of the year.	Valleylands: A natural area that occurs in a valley or other landform depression that has water flowing through or standing for some period of the year. (PPS, 2020)	Valley Lands: means a natural area that occurs in a valley or other landform depression that has water flowing through or standing for some period of the year (PPS, 2005).	Maintain UHOP definition but update reference to PPS, 2020.
No equivalent definition.	No equivalent definition.	Warmwater Watercourse: means a watercourse, whether permanent, intermittent, or ephemeral, which supports or contributes to the support of <i>fish habitat</i> or species associated with warmwater such as carp, bass, warmwater benthic invertebrates, or have thermal characteristics of a warmwater stream such as designated by the Ministry of Natural Resources. Warmwater species that are best adapted to prefer or usually occur at water temperatures greater than 25 degrees Celsius.	Maintain UHOP definition but update reference to Ministry of Natural Resources and Forestry.
Waste management system: means sites and facilities to accommodate solid waste from one or more municipalities and includes recycling facilities, transfer stations, processing sites and disposal sites.	No equivalent definition.	Waste Management System: means sites and facilities to accommodate solid waste from one or more municipalities and includes landfill sites, recycling facilities, transfer stations, processing	Update UHOP definition to be consistent with PPS, 2020.

Provincial Policy Statement, 2020	Growth Plan, 2019, as Amended / Greenbelt Plan, 2017	Existing Urban Hamilton Official Plan Definition	Recommended Change to Urban Hamilton Official Plan:
		sites and hazardous waste depot (PPS, 2005).	
Watershed: means an area that is drained by a river and its tributaries.	Watershed: An area that is drained by a river and its tributaries. (PPS, 2020)	Watershed: means an area that is drained by a river and its tributaries.	Maintain UHOP definition but update reference to PPS, 2020.
Wildlife habitat: means areas where plants, animals and other organisms live, and find adequate amounts of food, water, shelter and space needed to sustain their populations. Specific wildlife habitats of concern may include areas where species concentrate at a vulnerable point in their annual or life cycle; and areas which are important to migratory or non-migratory species.	Wildlife Habitat Areas: where plants, animals and other organisms live, and find adequate amounts of food, water, shelter and space needed to sustain their populations. Specific <i>wildlife habitats</i> of concern may include areas where species concentrate at a vulnerable point in their annual or life cycle; and areas which are important to migratory or non-migratory species. (PPS, 2020)	Wildlife Habitat: means areas where plants, animals, and other organisms live, and find adequate amounts of food, water, shelter, and space needed to sustain their populations. Specific wildlife habitats of concern may include areas where species concentrate at a vulnerable point in their annual or life cycle; and areas which are important to migratory or non-migratory species. (PPS, 2005)	Maintain UHOP definition but update reference to PPS, 2020.
Wildland fire assessment and mitigation standards: means the combination of risk assessment tools and environmentally appropriate mitigation measures identified by the Ontario Ministry of Natural Resources and Forestry to be incorporated into the design, construction and/or modification of buildings, structures, properties and/or communities to reduce the risk to public safety, infrastructure and property from wildland fire.	No equivalent definition.	No UHOP definition.	Include new definition in UHOP/ RHOP consistent with PPS 2020. There are areas of moderate and high risk in both the Urban and Rural Areas.

Proposed Amendments to Urban Hamilton Official Plan Schedules, Appendices & Maps – Municipal Comprehensive Review

Schedule / Map Number	Proposed Changes	Why Change is Required	Conformity Related
Volume 1: Schedule A – Provincial Plans	<p>Update all schedules and appendices to correct the Urban Boundary and Niagara Escarpment boundary, by identifying lands located at 340 Mountain Brow Road, 2000 Waterdown Road, a portion of 342, 344, and 348 Mountain Brow Road, and a large municipal road allowance (all in Flamborough) as being within the Rural Area.</p> 	<p>Lands were inadvertently omitted from Municipal and Niagara Escarpment Plan Boundary. Rural Hamilton Official Plan Amendment No. 18 (By-law No. 18-222) corrected these boundaries for the Rural Hamilton Official Plan, confirming the lands are subject to the Rural Hamilton Official Plan. Corresponding must now be made to the Urban Hamilton Official Plan.</p>	<p style="text-align: center;">√ Niagara Escarpment Plan</p>

WELCOME TO THE CITY OF HAMILTON

PLANNING COMMITTEE

January 11, 2022

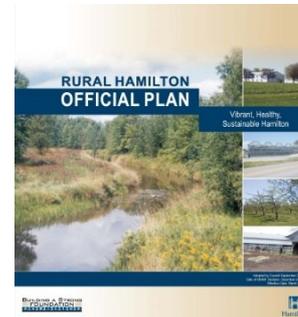

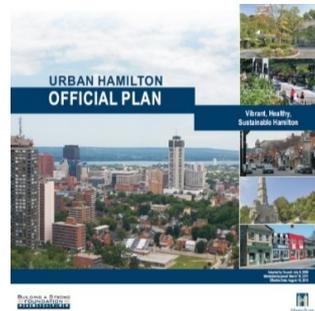

PED21067(a) – Municipal Comprehensive Review / Official Plan Review – Proposed Amendments to the Urban Hamilton Official Plan (UHOP) and Rural Hamilton Official Plan (RHOP)

- Proposed conformity amendments to the Urban and Rural Hamilton Official Plans
- Proposed amendments to the UHOP/RHOP to implement direction for No Urban Boundary Expansion growth scenario
- Proposed amendments to the Zoning By-laws of the Former Communities for lands outside Secondary Plan areas
- Proposed Consultation Strategy

Presented by: Delia McPhail

Background

- Municipal Comprehensive Review (MCR)
 - Requirement of the Growth Plan for the Greater Golden Horseshoe
 - Updates to Official Plans to ensure conformity with Provincial land use policies
 - Ministerial Approval of Official Plan Amendments

Background

- No Urban Boundary Expansion growth scenario approved by Council November 2021
- Forecasted population and employment growth to the year 2051 is to be accommodated within the existing Urban Area, as part of this Municipal Comprehensive Review.

PED21067(a)Phases of Official Plan
Review**Phases of Official Plan Review**

Phase	Official Plan Amendment	Timing
1	Municipal Comprehensive Review – UHOPA Conformity Amendment and RHOPA implementing Council Direction	January 2022 – June 2022
2	Municipal Comprehensive Review – RHOPA Conformity Amendment	Q1 2023
3	Local Context OPAs (OP Review) – UHOPA and RHOPA	Q2 2023
4	Major Transit Station Areas (MTSA) – UHOPA	Q2 2023

Urban Hamilton Official Plan Conformity Amendment

PED21067(a) Conformity Amendment

Topic-Based Approach

- Urban Hamilton Official Plan updates to address provincial land use policy changes were identified on a topic basis.

Topic Area (Appendix)	
Growth Management (C)	Climate-Related (C5)
Employment (C1)	Urban Structure (C6)
Cultural Heritage (C2)	Infrastructure (C7)
Provincial Plans (C3)	Transportation (C8)
Housing (C4)	Glossary (D)

Amendments to Implement No Urban Boundary Expansion Growth Scenario

Key Policy Updates

Urban Hamilton Official Plan:

- Increased intensification and density targets;
- Deletion of urban boundary expansion policies;
- Addition of policy prohibiting urban boundary expansions in advance of next MCR; and,
- Amendments to Chapter E.3.0 – Neighbourhoods to permit a broader range of uses in low density residential areas and added flexibility to residential density categories.

Rural Hamilton Official Plan:

- Reference to a firm urban boundary;
- Prohibition of redesignation of Specialty Crop and Rural Lands for non-agricultural purposes; and,
- Deletion of Special Policy Area B (Elfrida growth area)

Amendments to Implement No Urban Boundary Expansion Growth Scenario

Zoning By-law Updates

- Amendments to Zoning By-laws for the Former Communities are necessary to implement the changing Official Plan policy updates
- Zoning By-Law Amendments for consideration are the addition of semi-detached, triplexes, fourplexes and street townhouses to all Low Density Zones of the Former Communities that don't currently permit these built forms.

Official Plan Review Workplan

PED21067(a)
Workplan

To meet the Provincial conformity deadline of July 1, 2022, staff have developed the following workplan:

Action / Item	Date
Planning Committee Meeting and Draft Proposed Official Plan Amendments sent to MMAH	January 11, 2022
Council endorsement of consultation on proposed Urban Hamilton Official Plan Amendment and Rural Hamilton Official Plan Amendment and Consultation Strategy	January 19, 2022
Council-endorsed Proposed Official Plan	January 19, 2022
Open Houses/Non-Statutory Public Consultation	February – March 2022
End of Ministerial 90-Day Review Period / Provide Notice of Open House and Statutory Public Meeting	April 19, 2022
Statutory Open House	Late April, 2022
Statutory Public Meeting (Planning Committee)	Early May, 2022
Submission of Council Adopted Official Plan Amendments to MMAH for Approval	Late May / Early June 2022

Proposed Consultation Strategy

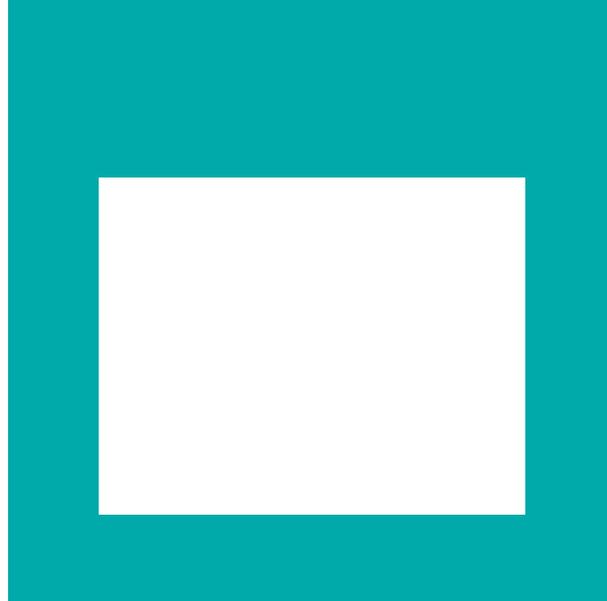

Municipal Comprehensive Review

PED21067(a)

Proposed Consultation Strategy

Non-Statutory and Statutory Engagement

- Non-statutory engagement will commence following Council endorsement of the proposed UHOP and RHOP updates.
 - Virtual Open Houses (Engage Hamilton);
 - Website updates (GRIDS2/MCR, OP Review, banner on Homepage);
 - Social media releases (Instagram, LinkedIn, Facebook (Meta)); and,
 - Targeted meetings with stakeholders, Indigenous communities, and others.
- Following Province's 90-day review period of the OPAs, staff will host statutory Open House and Public Meeting, as per *Planning Act* requirements.

THANK YOU FOR ATTENDING

Amend By-law 17-225, a By-law to Establish a System of Administrative Penalties”, attached as Appendix “B” to Report FCS22003/LS22006/PED22018, which has been prepared in a form satisfactory to the City Solicitor; and,

- (c) That the contents of Appendix “C” to Report FCS22003/LS22006/PED22018, remain confidential.

EXECUTIVE SUMMARY

In advance of the 2022 Municipal and Provincial Elections, Staff is recommending that amendments to the Hamilton Sign By-law, being By-law No. 10-197 (the “Sign By-law”) be enacted to establish a separate Schedule respecting Election Signs, providing greater clarity and accessibility for candidates, third party advertisers and members of the public. While most of the provisions related to election signs are unchanged, the proposed amendments to the Sign By-law include language clarifying permissible displays, enhancements to relevant definitions, regulations pertaining to third party advertising, and regulations respecting vehicle signs.

Alternatives for Consideration – Not Applicable

FINANCIAL – STAFFING – LEGAL IMPLICATIONS (for recommendation(s) only)

Financial: None

Staffing: None

Legal: Please see Appendix “C” to Report FCS22003/LS22006– Confidential Legal Opinion.

HISTORICAL BACKGROUND (Chronology of events)

The City of Hamilton enacted By-law 02-368, being a By-law to regulate Election Signs in the City of Hamilton, on December 11, 2002. This by-law was introduced to consolidate existing by-laws regulating Election Signs under the newly amalgamated City of Hamilton. The by-law was subsequently amended in 2004 in response to the 2003 municipal election, with amendments largely focusing on refining roles and responsibilities and clarifying notification and infraction procedures.

In 2006, By-law 02-368 was repealed and provisions for elections signs were included under a broader Sign By-law No. 06-243, being A By-Law Respecting Signs and Other Advertising Devices Within the City of Hamilton. Following a comprehensive review, By-law 06-243 was repealed in August 2010 and replaced by the Sign By-law.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Election Sign By-Law (FCS22003/LS22006/PED22018) (City Wide) -
Page 3 of 5**

Elections signs are currently governed under section 5.9 of the Sign By-law. Section 5.9 also incorporates the General Prohibitions and Regulations set out in section 4.1 and Prohibited Signs set out in section 5.1. While there have been minor modifications and housekeeping amendments since its enactment in 2010, the section pertaining to elections signs has remained unchanged.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

The City of Hamilton is authorized to pass by-laws respecting signs pursuant to paragraph 10 of subsection 10(2) of the *Municipal Act, 2001*.

Signs, including Election Signs, are a form of expression protected under section 2(b) of the *Canadian Charter of Rights and Freedoms* (the “*Charter*”). Section 1 of the *Charter* permits the imposition of “reasonable limits” on the rights and freedoms guaranteed under the *Charter*. Attached as Appendix “C” to this Report is a confidential appendix outlining *Charter* considerations.

Enactment of the proposed By-law To Amend By-law No. 10-197, the Hamilton Sign By-Law, respecting Election Signs will require the amendment of By-law No. 17-225, the By-law to Establish a System of Administrative Penalties.

RELEVANT CONSULTATION

Internal Staff from By-Law Services, Financial Services and Transportation Planning and Parking have been consulted in the review of the By-law.

Additionally, staff consulted externally with municipal counterparts through the Municipal Elections Working Group and assessed Election Sign By-laws from municipalities across the province.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

In advance of each municipal election, staff review and consider existing policies and procedures related to elections to ensure clarity, effectiveness, and alignment to legislation, and also to identify potential areas for improvement or enhancement. Through recent review, staff have identified the Sign By-law as it pertains to election signage, as a key document requiring updating in advance of the 2022 Provincial and Municipal Elections.

Since the enactment of the Sign By-law there have been changes to the *Municipal Elections Act, 1996* (the “*MEA*”), including the regulation of third-party advertisers and enhancements to the types and mediums of signs used within municipal campaigns. While the majority of the content in the Sign By-law, as it pertains to Election Signs, remains static and relevant, this has resulted in a need to update aspects of the existing

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Election Sign By-Law (FCS22003/LS22006/PED22018) (City Wide) -
Page 4 of 5**

Sign By-law to modernize the content and ensure that the by-law aligns with rights guaranteed under the Charter.

In the proposed By-Law To Amend By-law No. 10-197, the Hamilton Sign By-Law, respecting Election Signs, regulations respecting Election Signs have been separated from the main body of the Sign By-law and included as a Schedule to the Sign By-law. While these proposed amendments to the Sign By-law maintain many of the regulations from the existing Sign By-law, a separate, stand-alone Schedule would provide greater clarity to, and ease of reference for, members of the public, candidates and third-party advertisers throughout the campaign period, while maintaining connection to the existing Sign By-law and avoiding duplication.

While retaining the general prohibition against Election Signs on City Property, apart from posterage in designated areas, the draft By-law Amendment contains additional language permitting the holding of a hand-held Election Sign; the display of an Election Vehicle Sign while affixed to a vehicle that is in use on any street, roadway, or authorized parking space; and the display of an Election Sign on commercial advertising space owned or operated by the City or one of its agencies, boards or commissions.

The draft By-law provides further clarification surrounding Third Party requirements for signage. Amendments to the *Municipal Elections Act* created a regulatory framework for Third Party advertising including requirements for contact information to be included on Third Party advertisements. These proposed amendments incorporate this requirement to enhance the ability of staff to identify and contact sign owners should there be a violation of the By-law.

Efforts have additionally been made to enhance the Sign By-law respecting Election Signs to consider additional signage and mediums that were not specifically identified in the current Sign By-law. The definition of Election Sign has been expanded to consider more mediums and approaches including election vehicle signs, which have been specifically addressed within the draft by-law amendment; and election bumper stickers which have been excluded from application of the By-law. By specifically enhancing the definition of election sign and addressing alternate forms of election signage, these amendments intend to limit grey areas and provide greater clarity.

ALTERNATIVES FOR CONSIDERATION

Bill No.**CITY OF HAMILTON****BY-LAW NO.****To Amend By-law No. 10-197, the Hamilton Sign By-law respecting Election Signs**

WHEREAS Council enacted By-law 10-197, a By-Law repealing and replacing By-law No. 06-243 respecting Signs within the City of Hamilton (the “Hamilton Sign By-law”);

AND WHEREAS to provide clarity and ease of reference, Council for the City of Hamilton has determined that it is desirable to amend the Hamilton Sign By-law by deleting provisions related to Election Signs from the main body of the By-law and inserting Schedule 1 which pertains to Election Signs;

AND WHEREAS Council for the City of Hamilton recognizes the importance of the right to freedom of expression and recognizes that Election Signs are a protected form of expression under the Canadian Charter of Rights and Freedoms;

AND WHEREAS the Council for the City of Hamilton seeks to protect the constitutional right to freedom of expression, subject only to such reasonable limits prescribed by law as can be demonstrably justified in a free and democratic society;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. The amendments in this By-law include any necessary indexing, grammatical, numbering and lettering changes.
2. The definition of “Election Sign” as set forth in Section 1.1 of this By-law is hereby deleted.
3. Section 4.1(d)(i) of this By-law is hereby amended by deleting the words “or Election Sign”.
4. Sections 5.9.1 and 5.9.2 of this By-law are deleted in their entirety and replaced with the following:

“5.9.1. The Regulations pertaining to Election Signs shall be as set forth in Schedule 1 of this By-law.”

Appendix "A" to Report FSC22003/LS22006/PED22018

5. Schedule 1 attached hereto is inserted following Part 11 of this By-law.
6. This By-law comes into force on the day it is passed.
7. All prosecutions and other enforcement processes with respect to Election Signs commenced under Part 7.0 of the Hamilton Sign By-law, as amended, which have not been completed as of the day this By-law comes into force shall be completed under the Hamilton Sign By-law, as amended, as it read prior to this By-law coming into force.

PASSED this _____ , 2022.

Mayor

Andrea Holland
City Clerk

Schedule 1

Election Signs

DEFINITIONS

1. In this Schedule:

"Advance Voting Day" means one or more days that are designated for electors to cast ballots prior to Voting Day;

"Campaign Office" means a building or structure, or part of a building or structure, used by a Candidate or an agent of a Candidate or by a Registered Third Party or an agent of a Registered Third Party as part of an Election campaign;

"Campaign Office Election Sign" means a sign displayed at a Campaign Office which displays the name of a Candidate in a municipal or school board Election, or the name of a Candidate and/or the name and/or logo of a political party in a federal or provincial Election, or the name of a Registered Third Party and the location of a Candidate's or Registered Third Party's Campaign Office in any Election;

"Candidate" means a person whose nomination to run in a Municipal, Provincial or Federal election, including school board elections, has been certified or confirmed by the necessary Election official as required by the governing legislation;

"City Clerk" means the City Clerk for the City of Hamilton or their designate;

"City Property" means property owned by or under the control of the City, and its agencies, boards or commissions;

"Director" means the City's Director of Licensing and By-law Services and/or their designate;

"Election" means a federal or provincial election or by-election, a municipal election or by-election, a school board election or by-election, a federal, provincial or municipal referendum and any question submitted to the electors by a federal, provincial or municipal government;

"Election Bumper Sticker" means a label or sticker measuring not more than 7.62 centimetres (3 inches) by 29.21 centimetres (11.5 inches) which is affixed to a Vehicle and used for the purposes of advertising, promoting, opposing or taking a position with respect to any Candidate, Election or political party, or influencing electors to vote for or against an issue associated with any Candidate, Election or political party, or influencing electors to vote for or against any Candidate or political party or position;

Appendix “A” to Report FSC22003/LS22006/PED22018**Page 4 of 9**

“Election Sign” means any object, entity, thing, surface, structure, display and any other component parts which are used as a visual medium or display for the purposes of advertising, promoting, opposing or taking a position with respect to any Candidate, Election or political party, or influencing electors to vote for or against an issue associated with a Candidate, Election or political party, or influencing electors to vote for or against any Candidate or political party or position in any Election. An Election Sign can take any form but does not include Election campaign literature (e.g. pamphlets and brochures) or an Election Bumper Sticker;

“Election Vehicle Sign” means any form of Election Sign, displayed in or on a Vehicle, excluding an Election Bumper Sticker;

“Municipal Elections Act” means the *Municipal Elections Act, 1996*, S.O. 1996, c.32, Sched, as amended, and any Regulations thereunder;

“Parks By-law” means the City of Hamilton By-law 01-219, as amended or any successor by-law thereto;

“Private Property” means any land or real property other than City Property and includes property owned or under the control of the Provincial or Federal Government and their respective agencies, boards or commissions;

“Registered Third Party” means:

(a) one of the following whose notice of registration has been certified by the City Clerk pursuant to section 88.6 of the *Municipal Elections Act*: (i) an individual who is normally a resident in Ontario; or (ii) a corporation that carries on business in Ontario; or (iii) a Trade Union that holds bargaining rights for employees in Ontario;

(b) an individual, corporation or other entity that complies with the requirements set forth in section 37 of the *Election Finances Act* and has been registered by the Chief Electoral Officer pursuant to the *Election Finances Act*, where that Act requires; or

(c) an individual, corporation or group that complies with the requirements set forth in section 353 of the *Canada Elections Act* and has been registered by the Chief Electoral Officer pursuant to the *Canada Election Act*, where that Act requires,

And a “Third Party Advertiser” has the same meaning

“Third Party Advertisement” means a sign or advertisement in any broadcast, print, electronic or other medium that has the purpose of promoting, supporting or opposing a Candidate in an Election, or intended to influence persons to vote for or against any Candidate or any question submitted to the electors, and which has been displayed without the authorization, direction or involvement of a Candidate;

“Trade Union” means a trade union as defined in the *Labour Relations Act, 1995* or the *Canada Labour Code* (Canada) and includes a central, regional or district labour council in Ontario.

Appendix “A” to Report FSC22003/LS22006/PED22018**Page 5 of 9**

“**Vehicle**” means a vehicle as defined in the *Highway Traffic Act*, R.S.O. 1990, c. H8 as amended;

“**Voting Day**” means the day on which the final vote is to be taken in an Election;
and

“**Voting Place**” means the location(s) where electors cast their ballots as established and approved by the federal, provincial or municipal Election officials and includes the entire property and all the boundaries associated with it, including any abutting streets, when such Voting Place is located within a City Property or Private Property and shall also include the common elements when the Voting Place is located within a Private Property.

2. Terms used in this Schedule and not defined herein shall have the same meaning as given to those terms in Part 1.0 the By-law.

SCOPE

3. This Schedule applies to and regulates all Election Signs displayed on property within the City. Where a provision of this Schedule conflicts with a provision of any federal or provincial statute or regulation or any By-law, the provision that establishes the higher standard to protect the health, safety and welfare of the general public shall prevail.
4. This Schedule shall not apply to signs displayed by the City or the provincial or federal governments to provide information concerning an Election or any part of an Election process.
5. This Schedule shall not apply to any right of way under the jurisdiction of the Ministry of Transportation.

INTENT

6. In addition to the purposes listed in Section 2.3 of this By-law, the intent of this Schedule is to regulate Election Signs in the City in a manner that recognizes the importance of the constitutional right to freedom of expression and protects and promotes that right, subject only to minimal and reasonable limits, with the intent of authorizing signs that provide members of the public and others with pertinent information relating to upcoming Elections.

ADMINISTRATION

7. The City Clerk shall be responsible for the administration of this Schedule and the Director shall be responsible for the enforcement of this Schedule.

ELECTION SIGNS

8. No person shall display or permit the display of an Election Sign except in accordance with:
 - (a) section 4.1 of this By-law (General Prohibitions and Regulations);
 - (b) section 5.1 of this By-law (Prohibited Signs); and
 - (c) the specific regulations set forth in this Schedule.
9. A person shall be deemed to be displaying an Election Sign if that person has custody of, or control over, the sign or the property on which the Election Sign is located.

TIMING

10. No person shall display or permit the display of an Election Sign associated with a federal or provincial Election, prior to the date the writ of election is issued.
11. No person shall display or permit the display of an Election Sign associated with a municipal Election before 28 days in advance of Voting Day.
12. Notwithstanding section 11 of this Schedule, Campaign Office Election Signs for Candidates may be displayed once a Candidate has filed their nomination papers and paid the required filing fee or a Third Party Advertiser has registered with the City Clerk.
13. Notwithstanding section 11 of this Schedule, Election Vehicle Signs may be displayed once a Candidate has filed their nomination papers and paid the required filing fee or a Third Party Advertiser has registered with the City Clerk.

SIZE

14. No person shall display or permit the display of an Election Sign with a sign area greater than 1.5 square meters when it is located on a property used for residential purposes including:
 - (a) a Single Detached Dwelling;
 - (b) a Semi Detached Dwelling;
 - (c) a Duplex;
 - (d) a Triplex;
 - (e) a Fourplex or Quadruplex;
 - (f) a Street Townhouse;
 - (g) a Mobile Home;
 - (h) a Residential Care Facility for 6 or less residents;

Appendix "A" to Report FSC22003/LS22006/PED22018**Page 7 of 9**

- (i) a Lodging House for 6 or less lodgers;
- (j) a Retirement Home for 6 or less residents; or
- (k) an Emergency Shelter for 6 or less residents.

15. An Election Sign with a sign area larger than 1.5 square meters that is displayed on a property with a use other than as described in section 14 (a)-(k) inclusive of this Schedule, shall comply with all applicable regulations under Part 5 of this By-law provided that no permit, except any permit required under the *Building Code Act, 1992*, S.O. 1992, c. 23, as amended, if applicable, is required.

CONTENT

16. Third Party Advertisements, including any Election Signs, shall contain valid and current contact information including the name of the Registered Third Party, the municipality where the Registered Third Party is registered (if applicable), and a telephone number, mailing address or email address at which the Registered Third Party may be contacted. This contact information shall be displayed using a minimum font size of 24.

17. No person shall display an Election Sign with electronic message display.

18. Except for a sign displayed by the City in accordance with section 4 of this Schedule, no person shall reproduce the City's logo, the logo of the Hamilton Street Railway, the logo of the Hamilton Police Service, the City's municipal election logo, or any other logo in which the City holds an interest, or the City's crest or seal, in whole or in part, on any Election Sign, or materials. For the purposes of this section, any reference to "City" includes the City's agencies, boards and commissions.

19. No person shall display an Election Sign unless it contains all information required by applicable federal, provincial or municipal law, or any regulation thereunder.

LOCATION**City Property**

20. Except as permitted by section 21 of this Schedule, no person shall display or permit the display of an Election Sign on City Property.

21. The following Election Signs are permitted on City Property:

- (a) the holding of a hand-held Election Sign;
- (b) the display of a Poster in accordance with the regulations set forth in section 5.8.2(f) of this By-law;

Appendix "A" to Report FSC22003/LS22006/PED22018**Page 8 of 9**

- (c) an Election Vehicle Sign while affixed to a Vehicle that is in use on any street in the City in accordance with all applicable laws and by-laws, or while in use on any roadway as defined in the Parks By-law, or while parked in any municipal parking lot, authorized on street parking space, or public parking area or parking space as defined by the Parks By-law; and
- (d) the display of an Election Sign on commercial advertising space owned or operated by the City or one of its agencies, boards or commissions where the advertising has been approved by the City or one of its agencies, boards or commissions.

Private Property

- 22. No person shall display or permit the display of an Election Sign on Private Property or display or permit the display of an Election Vehicle Sign on a Vehicle except with the permission of the owner of the Private Property or owner of the Vehicle as the case may be.
- 23. In accordance with section 88.2 of the *Municipal Elections Act, 1996*, owners of, or tenants in, an apartment building, condominium building, non-profit housing co-operative or a gated community may display Election Signs on the premises that they own or lease subject to any reasonable restrictions on the size or type of Election Sign that may be established by the landlord, property manager, co-operative or condominium corporation.

ON VOTING DAY OR ADVANCE VOTING DAY

- 24. No person shall display or permit the display of an Election Sign:
 - (a) at a property used as a Voting Place on Voting Day or on an Advance Voting Day;
 - (b) at a property used for the administration of Election processes on Voting Day or on an Advance Voting Day; or
 - (c) within 100 metres of any Voting Place on Voting Day or on an Advance Voting Day.
- 25. For certainty, section 24 of this Schedule applies to Election Vehicle Signs.

REMOVAL

- 26. Candidates and Registered Third Parties shall remove all Election Signs no later than seventy-two (72) hours following 11:59 p.m. on Voting Day of the Election for which the Election Sign was displayed.

Appendix "A" to Report FSC22003/LS22006/PED22018

Page 9 of 9

27. Notwithstanding section 26 of this Schedule, where an Election Sign has been displayed on Private Property, the owner or occupant of the property shall ensure that the Election Sign is removed within the time frame set out in section 26 of this Schedule.

28. No person shall dispose of an Election Sign on City Property except in receptacles designated for waste or recycling.

Bill No.**CITY OF HAMILTON****BY-LAW NO.****To Amend By-law 17-225, a By-law to Establish a System of Administrative Penalties**

WHEREAS Council enacted a By-law to Establish a System of Administrative Penalties, being By-law No. 17-225; and

WHEREAS this By-law amends By-law No, 17-225.

NOW THEREFORE the Council of the City of Hamilton enacts as follows:

1. The amendments in this By-law include any necessary grammatical, numbering and lettering changes.
2. Schedule A of By-law No. 17-225 is amended by deleting the words “/election sign” from Table 16, Item No. 14.
3. Schedule A of By-law No. 17-225 is amended by deleting the Heading “Election Signs” and Items 221-236 from Table 16.
4. Schedule A of By-law No. 17-225 is amended by adding a new heading following Item 326 of Table 16 which reads: “Schedule 1- Election Signs”.
5. Schedule A of By-law No. 17-225 is amended by adding the following items following the heading “Schedule 1- Election Signs” to Table 16:

Item	Column 1 Designated By-law & Section		Column 2 Short Form Wording	Column 3 Set Penalty
327	10-197 Schedule 1	10	display/permit display of Election Sign associated with Federal/Provincial Election before writ of election is issued	\$50.00
328	10-197 Schedule 1	11	display/permit display of Election Sign associated with Municipal Election	\$50.00
