  - Drive recruitment and retention of Volunteer Firefighters
  - Develop a Green Initiatives Plan

# Appendix A: 2023 Divisional Priorities

## Recreation

- Develop an implementation strategy for 10-year Recreation Master Plan including funding requirements and facility investment needs
- Attract and retain high quality employees to drive quality programming
- Implement new software to drive efficiencies and improve customer experience
- Focus on technology such as the 'Book a Court Pilot Program' for online court booking for indoor Pickleball or Badminton.

# Appendix A: 2023 Divisional Priorities

## Long Term Care

- Initiate tender for construction and redevelopment of the 'B-Wing' at Macassa Lodge, which includes 64 Long Term Care beds (44 redeveloped, 20 new)
- Complete survey process with the Commission of Accreditation of Rehabilitation Facilities (CARF) to be recognized as a high-quality service provider
- Focus on recruitment and retention of staff
- Drive consultation, stakeholder engagement, policy improvements as part of the anticipated launch of the *Fixing Long Term Care Act (2021)* - Phase 2
- Integrate environmentally friendly actions across LTC system as outlined by the Canadian Coalition for Green Health Care Plan

# Appendix A: 2023 Divisional Priorities

## Public Health Services

- Address impacts of climate change by developing a plan to establish an ongoing weather-related health event monitoring system
- Tackle mental health and substance use through continuing to implement Hamilton's Drug Strategy and focus on providing a trauma and violence informed care approach across Public Health programs
- Support child and youth healthy growth and development by prioritizing prenatal education, early identification and facilitating access to a range of community supports
- Focus on health equity including ongoing staff training, consultation with priority populations and continuing to enhance sociodemographic data collection to inform program planning
- Public Health will continue to provide enhanced service levels to address deficits of care and backlog due to COVID-19
