Part 1

General Introduction, Framework, and Interpretation

This document is a Code of Conduct for members of Local Boards, both adjudicative and non-adjudicative. Local Boards, sometimes referred to as committees or tribunals, are as defined in s.223.1 of the *Municipal Act* and as identified by the municipality.

This Code of Conduct is to be given broad, liberal interpretation in accordance with applicable legislation and the definitions set out herein. Commentary in this Code is illustrative and not exhaustive.

Members shall seek to serve the public interest by upholding both the letter of the law and the spirit of the laws and policies established by the Federal parliament, Ontario legislature, and by City Council. The provisions of this Code are intended to be applied in concert with existing legislation and go beyond the minimum standards of behaviour set out in current federal and provincial statutes.

Guiding Principles

Members shall act with honesty and integrity, serving in a diligent manner, and performing their duties in a manner which promotes public confidence.

Members are expected to perform their duties as a member of the Local Board and arrange their private affairs in a manner that promotes public confidence and will bear close public scrutiny.

Members shall serve the public in a conscientious and diligent manner.

Members should be committed to performing their functions with integrity, impartiality and transparency.

There is a benefit to municipalities when Members have a broad range of knowledge and continue to be active in their own communities, whether in business, in the practice of a profession, in community associations, and otherwise.

Definitions:

“Adjudicative Board” means a Local Board that functions as a tribunal

“Council” means the Council of the City of Hamilton

“Family” includes “child”, “parent” and “spouse” as those terms are defined in the *Municipal Conflict of Interest Act*, and also includes

- step-child and grand-child;
- siblings and step-siblings;
- aunt/uncle, and niece/nephew
- in-laws, including mother/father, sister/brother, daughter/son
- any person who lives with the Member on a permanent basis.

“Local Board” means a Local Board as defined in s.223.1 of the *Municipal Act*, or s. 1 of the *Municipal Conflict of Interest Act*, and includes citizen advisory committees and other bodies established by Council whose members are appointed by Council;

“Member” means a member of a City of Hamilton Local Board;

“Staff” includes employees, seasonal and contract workers, and volunteers of the City of Hamilton and/or of a City of Hamilton Local Board;

Rule 1: Avoidance of Conflicts of Interest

In this Rule:

1. A disqualifying interest is an interest in a matter regarding which a reasonable person fully informed of the facts and circumstances would conclude that the Member could not participate impartially in the decision-making process related to the matter either because to do so would not be in compliance with the *Municipal Conflict of Interest Act*, or, because the Member’s relationship to persons or bodies involved in the matter or affected by the decision is so close, a reasonable person would conclude that the Member could not effectively carry out their public duty with impartiality.
2. A non-disqualifying interest is an interest in a matter that, by virtue of the relationship between the Member and other persons or bodies associated with the matter, is of such a nature that a reasonable person fully informed of the facts and circumstances would conclude that the Member could still participate impartially in the decision-making processes related to the matter only so long as:

The Member fully discloses the interest so as to provide transparency about the relationship; and

The Member states why the interest does not prevent the Member from making an impartial decision on the matter.

3. Members shall not participate in the decision-making processes associated with their role or position when they have a disqualifying interest in a matter. Participation includes attempting to influence an outcome, whether the decision to be made is to be made by the Local Board or a member of staff with delegated authority or operational responsibility.
4. Members may participate in the decision-making process related to a matter in which they have a non-disqualifying interest provided they file at their earliest opportunity a Transparency Disclosure in a form and manner established by the City Clerk acting in consultation with the Integrity Commissioner.
5. Members shall avoid participating in or influencing a proceeding when the member, or another person with whom the member has a close personal or professional relationship, has a financial or other private interest that may be affected by the proceeding or its outcome.
6. Members shall not appear before their Local Board on their own behalf or as a representative on behalf of any party.

7. Members shall not contract with the Local Board for the sale, rental or purchase of supplies, services, material or equipment, and shall not engage in the management of a business or otherwise profit directly or indirectly from a business that relies on an approval from the Local Board.

Commentary

Members of BIAs will frequently have an interest in common with other members of the BIA in matters that come before the Board, and as such would be exempted from the obligation to declare a disqualifying interest. Care should be taken however to recognize the existence of a disqualifying interest when the Member stands to gain or otherwise benefit in a manner that can be differentiated from others in the BIA. For example, while all members of the BIA would similarly benefit from the holding of a festival, any BIA member who supplies goods or services to the festival at a profit or loss would have a disqualifying interest in the event. The display of merchandise or the promotion of services at an event would not amount to a disqualifying interest.

Where a Member contributes to an event 'at cost', a disqualifying interest would not arise.

Rule 2: Gifts, Benefits and Hospitality

No Member shall accept any fee, gift or benefit that is connected, directly or indirectly, with the performance of the Member's duties, except as permitted by one or more of the exceptions listed below:

- compensation authorized by law;
- such gifts or benefits that can be considered incidental mementos or tokens of appreciation

Rule 3: Confidential Information

Confidential information includes any discussion that takes place between members of the Local Board when it is in a closed meeting; and includes information in the possession of, or received in confidence by, that the board or the City is either prohibited from disclosing, or is required to refuse to disclose, under the *Municipal Freedom of Information and Protection of Privacy Act* ("MFIPPA").

No Member shall disclose or release by any means to any member of the public, any confidential information acquired by virtue of their office, in either oral or written form, except when required by law, or authorized to do so by the Local Board or, if applicable, by Council.

No Member shall use confidential information for personal or private gain, or for the gain of relatives or any person or corporation, either directly or indirectly.

Rule 4: Use of City Resources

No Member should use municipal equipment , or permit the use of Local Board or City land, facilities, equipment, supplies, services, staff or other resources (for example, Local Board or City-owned materials, websites, Local Board and City transportation delivery services,) for activities other than the business of the Local Board or the City; nor should any member obtain personal financial gain from the use or sale of Local Board or City-developed information, intellectual property (for example, inventions, creative writings and drawings), computer programs, technical innovations, or other items capable of being patented, since all such property remains exclusively that of the Local Board or City.

Rule 5: Election Campaigns

No member, while identifying themselves as a member of a Local Board, shall undertake any election campaign or election-related activities or work on, fund-raise, endorse or otherwise contribute to the election campaign of any person running in the municipal election for the municipality where the member serves on the Local Board.

Commentary

This Code does not limit a person's right to participate fully in an electoral process so long as they do so without using their status as a Member of the local board for such purposes. For example, it would not be contrary to the Code for a person to:

- *Stand for Election;*
- *Contribute to an election campaign;*
- *In their own name, exhibit an intention to support one party or platform over another;*
- *While standing for election, indicate on their election material (without in any way suggesting endorsement) that they have served on a City of Hamilton local board amongst their other credentials and experiences.*

Rule 6: Improper Use of Influence

No member shall use the influence of his or her position for any purpose other than the duties as a member of the Local Board.

Rule 7: Business Relations

No member shall allow the prospect of future employment by a person or entity to affect the performance of his/her duties as a member of the Local Board.

Rule 8: Member Conduct

Members shall conduct themselves with decorum at all times.

Members shall maintain proper control over meetings demonstrating respect for everyone who is involved in the meeting.

Members are expected to attend all meetings of the Local Board. If a member misses more than three consecutive (3) meetings during their term, the Chair, after hearing and considering any explanation provided by the member, may ask the member to resign, or request that Council remove the member.

Commentary

Members recognize the importance of cooperation and shall endeavour to create an atmosphere that is conducive to solving the issues before the Board, listening to various points of view and using respectful language and behaviour in relation to all those in attendance.

Rule 9: Media Communications

Members shall accurately communicate recommendations and proceedings of their Local Board.

If a member is contacted directly by the media, the member should refer the media to the Chair, or in the absence of the Chair, to the Vice-Chair.

Commentary

A Member may state that they did not support a decision, or voted against the decision, however a Member must refrain from making disparaging comments about other Members or staff, or about the Board's processes and decisions, in doing so.

When communicating with the media, a Member should at all times refrain from speculating or reflecting upon the motives of other Members in respect of their actions on the Board.

Members who engage in social media should recognize that the rules around decorum and respect apply regardless of the communications medium used. Because social media posts attract participation by others, Members hosting such sites or accounts should consider articulating and posting their own policy of addressing how frequently they will monitor the site for the purpose of identifying and removing disparaging, abusive or hateful comments.

Rule 10: Respect for the Town By-laws and Policies

Members shall adhere to and encourage public respect for the Local Board, the municipality and its by-laws, policies and procedures.

Commentary

A Member must not encourage disobedience of a City by-law in responding to a member of the public, as this undermines confidence in the City and in the Rule of Law.

Rule 11: Respectful Workplace

Members are governed by the workplace harassment and workplace violence policies in place for staff, recognizing that integrity commissioner is responsible for the administration and investigation of complaints.

All Members have a duty to treat members of the public, one another and staff appropriately and without abuse, bullying or intimidation and to ensure that their work environment is free from discrimination and harassment.

Rule 12: Conduct Respecting Staff

Members shall be respectful of the role of staff to advise based on political neutrality.

Members shall respect the professionalism of staff, and not exert undue influence on staff.

No Member shall maliciously or falsely impugn or injure the professional or ethical reputation or the prospects or practice of staff, and all Members shall show respect for the professional capacities of the staff of the City.

Commentary

It is inappropriate for a Member to attempt to influence staff to circumvent normal processes in a matter, or overlook deficiencies in a file or application. It is also inappropriate for Members to involve themselves in matters of administration or departmental management which fall within the jurisdiction of the City Manager.

Rule 13: Reprisals and Obstructing

It is a violation of this Code of Conduct to obstruct the Integrity Commissioner in the carrying out of their responsibilities, or to engage in any activity in retaliation against any person because they made a complaint to or otherwise communicated with the Integrity Commissioner.

Rule 14: Acting on Advice of Integrity Commissioner

Any written advice given by the Integrity Commissioner to a Member binds the Integrity Commissioner in any subsequent consideration of the conduct of the Member in the same matter, as long as all the relevant facts known to the Member were disclosed to the Integrity Commissioner.

Members seeking clarification of any part of this Code should consult with the Integrity Commissioner.

Part 2

ADDITIONAL REQUIREMENTS APPLICABLE TO MEMBERS OF ADJUDICATIVE LOCAL BOARDS

Rule 15: In addition to the provisions applicable to Members of Non-adjudicative Local Boards, the following additional requirements are applicable with respect to the referenced rule:

Rule 2: Gifts, Benefits and Hospitality

Members should recuse themselves from any hearing, to avoid any perception of bias or conflict of interest which may arise as a result of a gift, benefit or hospitality which the Member may have received, from any of the parties or participants potentially affected by the decision of the Local Board.

Rule 5: Election Campaigns

Members of Adjudicative Local Boards are prohibited from fundraising for, endorsing, or otherwise contributing to the election campaign of any person running for a seat on Council.

Rule 9: Media Communications

Members of adjudicative boards should generally not comment to the media in relation to any decision made by the board or the rationale behind such decision. On the rare occasion when a comment may be appropriate, only the Chair shall serve as a media contact and all enquiries shall be referred to them.

Rule 16: Communications with Parties

Written communication to an adjudicative board shall take place only through the Secretary of the board or the appropriate municipal staff assigned to such board, and shall be copied to all parties or their representatives as appropriate. Oral communications with the adjudicative board about current proceedings shall take place only in the presence of or with the consent of all parties.

Where a party is represented by a representative, all communication between the adjudicative board and the party shall be through the representative, with the exception of notices of hearing, which shall be served upon all parties and their representatives known to the adjudicative board as appropriate.

Rule 17: Independent Nature of Adjudicative Boards

The Chairs of adjudicative boards should ensure that the actions of any member, as well as Council members and staff attending adjudicative board meetings, are consistent with the arm's-length, quasi-judicial nature of the adjudicative board. Any actions compromising this position should be immediately dealt with by the Chair or panel chair.

An adjudicative board is required by the applicable laws to operate at arm's-length from and independently of Council. Members should therefore not request members of Council to intervene on applications considered by the adjudicative board. Members should refrain from seeking advice on their roles and responsibilities from Council members. In clarifying their roles and responsibilities, members should seek advice from appropriate staff.

Part 3

COMPLAINT PROTOCOL

The Complaint Protocol contained in the Council Code of Conduct applies with necessary modifications to complaints regarding members of Local Boards.

CONSEQUENCES OF FAILURE TO ADHERE TO CODE OF CONDUCT

Members who are found by the Integrity Commissioner to have failed to comply with the Code of Conduct for Local Boards may be subject to the following sanctions:

- (a) a reprimand; or
- (b) suspension of remuneration paid to the member in respect of his or her services as a member of the Local Board (if any).

Members may also be subject to such other remedial actions recommended by the Integrity Commissioner that directly flow from the action or behaviour of the member of the Local Board.

Members are subject to removal from the Local Board, or removal as Chair of the Local Board, by Council.

Welcome

On behalf of the City of Hamilton, I would like to congratulate you on your appointment to one of the City's local boards. As a member, you play an important role in shaping City policies, by-laws, and contribute to improving the quality of life within the City of Hamilton. You'll also participate as part of a local board and as a team, working to ensure the local board's mandate and goals are advanced.

In accepting your appointment, you are committing to serving your local board to the best of your abilities. For meetings, we ask that you read and review your meeting agenda materials to ensure the discussion is informed and considers all perspectives. When your local board is working on events or special projects, a willingness to pitch in is encouraged to ensure the work is distributed equitably, and the task is set up for success.

The purpose of this guide is to provide you with an introduction to the City of Hamilton and a foundation on how local boards work. Upon that foundation, and through your experience at meetings and interactions with your fellow local board members, you will build an understanding of the City of Hamilton's governance system. In addition to the fundamentals, we'll also include links or copies of pertinent legislation or City policies/by-laws which establishes the framework in which these local boards exist.

The Office of the City Clerk is your primary contact at the City of Hamilton, and we are here to assist you throughout your experience as a resource. Please reach out if you have any questions, or concerns.

Welcome to the team! We hope you have a rewarding experience as a City of Hamilton local board member.

Thank you,

Andrea Holland
City Clerk for the City of Hamilton

City of Hamilton Land Acknowledgement

The City of Hamilton is situated upon the traditional territories of the Erie, Neutral, Huron-Wendat, Haudenosaunee and Mississaugas. This land is covered by the Dish With One Spoon Wampum Belt Covenant, which was an agreement between the Haudenosaunee and Anishinaabek to share and care for the resources around the Great Lakes. We further acknowledge that this land is covered by the Between the Lakes Purchase, 1792, between the Crown and the Mississaugas of the Credit First Nation.

Today, the City of Hamilton is home to many Indigenous people from across Turtle Island (North America) and we recognize that we must do more to learn about the rich history of this land so that we can better understand our roles as residents, neighbours, partners and caretakers.

Why is a Land Acknowledgment important?

Land acknowledgments are essential in moving forward on a path to reconciliation. Land acknowledgments are influenced by the Truth and Reconciliation Commission's 94 Calls to Action in acknowledging the first occupants of this land. Land acknowledgments are also important in educating the broader public on the significance of the relationship between Indigenous Peoples and their territories.

When do we use a Land Acknowledgment?

Land Acknowledgment's are normally used at the beginning of events, meetings, lectures and other public events. We must acknowledge the land we live, work and play on as it's essential in the path to reconciliation as well as developing respectful and meaningful relationships with the local First Nations surrounding Hamilton.

The City of Hamilton at a Glance

City of Hamilton Strategic Plan 2016 - 2025

The City of Hamilton's 2016 - 2025 Strategic Plan is a 10-year plan <https://www.hamilton.ca/city-council/plans-strategies/strategies>, approved by Council in June 2016.

The 2016-2025 Strategic Plan for the City of Hamilton guides everything we do as an organization and illustrates to the community and to our stakeholders how we will contribute to moving our city forward over the next 10-years. It includes the following components:

- Vision represents what we aspire to be
- Mission identifies why we exist as an organization
- Culture outlines how we conduct ourselves (our values)
- Priorities provide guidance on where we are focusing our efforts to meet desired outcomes

Our Vision

The City's vision "To be the best place to raise a child and age successfully" reflects the kind of city Hamiltonians want to aspire to become.

It means having an inclusive community, actively engaged in making Hamilton a better place for everyone. It is creating an accessible environment, supporting residents through all of life's stages, and one that encourages positive development of children as they grow towards becoming healthy adults and seniors.

Our Mission and Our Culture

The City's mission, "To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner", provides the context for the delivery of City services across all our priorities. Our culture guides the conduct, behaviours and actions to which we hold each other accountable.

The culture of an organization has a major impact on the performance and reputation of an organization. It reflects the City's values, drives high performance and engenders the trust and confidence of our citizens. Our culture was developed by a cross-section of employees with diverse backgrounds and experiences, from front-line to senior management and was endorsed by City Council through its adoption into the Strategic Plan. The culture revolves around five pillars:

Collective Ownership

We cooperate and collaborate; we support teamwork and breaking down silos. We build relationships across departments and divisions to achieve our objectives and bring the ideas of others forward. Each and all of us understand that what we do affects the work of others and the results we achieve. We are one City with one vision and one mission, serving our citizens and stakeholders.

Steadfast Integrity

We build trust and demonstrate integrity in our work. We are direct and truthful individuals, accountable for doing what is right. We can be trusted to perform in an accountable and respectful manner.

Courageous Change

We embrace innovation, creativity and risk taking. We support, discuss and proceed with innovative ideas and actions to continuously improve our service delivery. We make evidence-based recommendations.

Sensational Service

We are passionate about customer service and service delivery excellence. We take a citizen-centred approach to providing exceptional service in a timely and responsive manner. We communicate in an open and transparent manner, especially when mistakes occur. We take pride in our work as public servants, serving our community. Performance measurement is a cornerstone to our service delivery.

Engaged and Empowered Employees

We invest in our employees, support and empower them to improve performance and be accountable for results. We communicate clear purpose and direction, build relationships through ongoing communication, regularly invite input and feedback, and treat employees equitably. We create a work environment where there is continual development, respect and recognition. Our employees are trusted, inspired to do their best work, and would not hesitate to recommend the City of Hamilton as a great place to work.

Our Strategic Plan Priorities

Council is considering their Strategic Plan Priorities on March 24, 2023 at a Special General Issues Committee meeting, therefore, this section will be updated accordingly after that date.

Local Boards within the City's Governance Structure

Standing Committees

A standing committee is a Committee established by City Council, comprised entirely of members of City Council, to carry out duties on an ongoing basis, as specified by City Council, and that reports directly to Council.

There are six Standing Committees, which all meet bi-monthly except the Public Health Committee which meets monthly:

- General Issues Committee
- Planning Committee
- Public Works Committee
- Public Health Committee
- Audit Finance and Administration Committee
- Emergency and Community Services Committee

Sub-Committees

A sub-committee is a committee established by City Council, comprised of some members of City Council and in certain circumstances also members of organizations and/or citizen members (YOU). Sub committees report up to an assigned standing committee with members of sub-committees being appointed by City Council.

Advisory Committees

An advisory committee is established by City Council for the purpose of providing advice on matters that are related to the specific mandate of the committee, comprised of a group of appointed citizens (YOU). An advisory committee is accountable to City Council for its actions through the appropriate Standing Committee to which they report.

An advisory committee member is recruited based on their understanding of and expertise around the advisory committee's mandate and willingness to volunteer their time.

Task Forces

A task force is established by City Council for the purpose of providing advice on matters related to a specific mandate of the task force, comprised of a group of appointed citizens (YOU). A task force is accountable to Council for its actions through the appropriate Standing Committee to which they report.

A task force member is recruited based on their understanding of and expertise around the task forces' mandate and willingness to volunteer their time.

Working Groups

Advisory committees/task forces are encouraged to create working groups, if required, to enhance the efficiency of meetings or to work on a specific project/event identified in the committee's workplan. The nature of working groups are unique, given their mandate, projects and scope.

Working groups are normally comprised of advisory committee/task force members, however, when required, volunteers may be called upon for their expertise to assist a working group in completing their mandate.

Board and Shareholders

Where City Council acts as the Shareholder or the Board of Directors, or both, of a corporation, Council meets as the Shareholder or the Board of Directors as necessary to complete such business as would normally be completed by the Shareholder or Board of Directors and as required by the corporation's by-laws and resolutions and any laws that govern the corporation.

Tribunals

The City's tribunals comply with *Statutory Powers Procedure Act* and do not report to City Council, they are autonomous bodies, whereby they govern themselves.

Relationship: Council and Local Boards

The following chart illustrates the reporting relationship between City Council, Standing Committees, Boards, Shareholders, Sub-Committees, Advisory Committees/Task Forces, Working Groups:

Terms of Reference

Each local board operates within a City Council approved terms of reference document that provides a framework for the function of the local board. The most vital piece of a terms of reference is your local board's mandate. The local board's mandate sets forth the topics and areas of jurisdiction that your local board may discuss and provide advice to City Council on. Review your local board's mandate and if you have questions you may connect with your Staff Liaison, Clerk or the Chair of the local board for further clarification.

In addition to setting forth the mandate, the terms of reference provides guidance on the following areas:

- meeting frequency
- local board composition

Link to Local Board Listing page <https://www.hamilton.ca/city-council/council-committee/council-committee-meetings/committee-listing>

The Terms of Reference template is attached to this handbook as Appendix 'A'.

Professional Working Relationship

All local board members work with City Council and City staff in a professional working relationship. All partners in the relationship must demonstrate a commitment to communication and consultation among themselves and the general public and respond based upon areas of expertise.

What Advisory Committees/Task Forces Do

Advisory Committees/Task Forces

Advisory committees and task forces play an important role in providing resident input on proposed policy and City initiatives and is often used as another way to connect directly with the broader community. Advisory committees and task forces have a clearly defined terms of reference document which provides the committee's mandate and outlines parameters for committee activity.

Advisory committees/task forces review or provide advice to City Council and staff on mandated matters; assist in public consultation processes and committee work; and liaise with other advisory committees/task forces. Some advisory committees/task forces also organize and participate in community events. Being a member of an advisory committee/task force offers residents a unique chance to volunteer their highly valued skills, diversity and knowledge to strengthen our shared sense of community.

Working Groups

Advisory committees/task forces are encouraged to create working groups, if required, to enhance the efficiency of meetings or to work on a specific project/event identified in the committee's workplan.

Working group meetings are held separately as needed and operate by consensus rather than by formal motions. The advisory committee's/task forces' Staff Liaison shall not attend these meetings. A working group member present must take notes and provide them to the Chair and Staff Liaison before the next regular meeting. The working group notes are circulated to the advisory committee/task force and filed accordingly. Working groups report to the advisory committee/task force and do not make independent decisions or take action that is not agreed upon by the advisory committee/task force at a regular meeting. The chair of a working group is chosen by the majority of the working group members.

Working group membership shall be maintained at less than a quorum number of the advisory committee/task force membership (i.e. if the advisory committee's/task forces' membership is 10, their quorum is 5, therefore, all of the advisory committee's/task forces' working groups are to maintain a maximum membership of 4 members).

What Sub-Committees Do

City Council may establish a sub-committee to focus on a particular task or area, thereby, delegating City Council's many responsibilities to smaller groups, who report to their respective Standing Committee.

Applicable Municipal By-Laws and Policies

Appointment and Recruitment Process

The public appointment policy sets forth the way in which members of the public are appointed to local boards of City Council and outlines the general recruitment process.

Each local board is encouraged to complete a Roles, Responsibilities and Expectations document for review and information for all new applicants. This will help all new applicants to understand the workload and expectations when participating on the local board.

All existing members will be notified, by the Staff Liaison or Clerk, of the recruitment posting for the new term of Council.

All applicants, including those who are reapplying to serve, must submit an application and if applicable, attend an interview with the respective Standing Committee's Interview Sub-Committee.

A report from the respective Standing Committee's Interview Sub-Committee is generated by the Office of the City Clerk and provided to Council in closed session (in private) where they will make their final decision and you will be notified by the Office of the City Clerk of the outcome of your application.

Local Board Meetings

All local board meetings are considered public meetings, consistent with the City of Hamilton's Procedural By-law and the *Municipal Act*.

Meeting Frequency and Schedule

Regular meetings are held based on an established frequency and are identified in the terms of reference. On occasion it may be necessary to hold a special meeting to deal with a specific issue or meet a deadline. Should this arise your Staff Liaison will guide the local board through the process.

Meetings should start at the scheduled time and will be held at Hamilton City Hall unless an alternate location within the City of Hamilton has been agreed to by a majority of committee members. Meetings last approximately two hours.

Meetings cannot start before the time listed on the meeting agenda.

Working group meetings are held separately as needed and are not considered official meetings.

Staff Liaisons are not required to attend working group meetings.

Quorum

Quorum must be met for a scheduled meeting to proceed. Quorum is the minimum number of local board members required to be present for a committee meeting to conduct business at a meeting. Quorum for each committee is half of the membership rounded up to the nearest whole number (i.e. an advisory committee with a membership of nine, requires five members to be in attendance to achieve quorum). If quorum is not met, the meeting may be rescheduled, cancelled or continue with information sharing only, as no decisions of committee can be made without a quorum present.

The Secretary will produce a record of the meeting listing those who were in attendance and stating that quorum was not achieved; members are not required to stay if the meeting proceeds with information sharing.

Cancellation of Meetings

When a meeting must be cancelled in advance due to a lack of quorum, a lack of items and/or other special circumstances, the Staff Liaison will get the consent of the Chair, and send a Cancellation of Meeting email to the members. All local boards are required to provide at least two days notice prior to the time appointed for the meeting, when cancelling a meeting, if that notice is not provided, the meeting must be held and adjourned within the timelines in the Procedural By-Law.

Agendas

(a sample template for an agenda is attached to this handbook as Appendix 'F', for your reference)

Distribution

The Secretary prepares the agenda in consultation with the Chair and distributes the website link to the agenda to members in a timely manner via email. The agenda outlines the order of business for the meeting and ensures that notice of the proposed topics is provided to the members and to the general public.

Accommodation will be provided under AODA for anyone who requires agendas in an alternate format.

Additional Items for Agenda

Following the distribution of the agenda, any additional items may be added to the Addendum or brought forward at the meeting under "Other Business" which takes place at the end of the agenda.

Matters that are not considered time sensitive shall be listed on the agenda for the next meeting.

Working Groups

The working group member who is appointed as Secretary participates fully at the meetings and is responsible for producing and distributing agendas for working group meetings.

Minutes

(a sample template for minutes is attached to this handbook as Appendix 'G', for your reference)

Meeting minutes represent a succinct and accurate account of the business dealt with at the meeting and are not a verbatim report of dialogue during the meeting. The minutes provide a permanent and official record of all proceedings, policy and budgetary decisions made. Members are encouraged to maintain a personal set of notes identifying actions they are required to follow up with.

The Staff Liaison will distribute the minutes as the minutes of the previous meeting in the upcoming meeting's agenda. Minutes are posted on the City's website and circulated to the members. Meeting minutes are approved by motion at the next regular meeting.

Amendments to the minutes may be proposed by members, however, amendments are limited to corrections of factual errors or incomplete information only.

Citizen Committee Reports

(a sample template for a Citizen Committee Report is attached to this handbook as Appendix 'H', for your reference)

When an advisory committee requires approval for any action, other than the actions listed below, from their respective Standing Committee, the advisory committee is required to prepare a Citizen Committee Report (CCR) for their respective Standing Committee's consideration.

Actions that don't require the preparation of a CCR by an advisory committee or the consideration of their respective Standing Committee are:

- approving a member's delegation to their respective Standing Committee (a request in writing to the Clerk is required, please refer to the 'Registering as a delegation' section below);
- establishing a working group;
- requesting a presentation by an organization on matters within an advisory committee's

- mandate, at a future meeting;
- approving the use of budgeted funds on approved expenditures; and
- approving the removal of a member who has not been attending meetings as required, this must be presented to the Standing Committee in writing.

Delegations at Local Board Meetings

A delegation is a presentation to a local board made by a member of the public on their own behalf or on the behalf of a company or organization.

Persons wishing to delegate on a matter that is not listed on a Committee agenda, shall make a request in writing to the Clerk (refer to the Registering as a delegation section below) and the Staff Liaison shall list the delegation request on an upcoming agenda. The requester will be notified of the date of the meeting where their delegation will be heard following Council's ratification of the Committee's Report.

Persons wishing to delegate on a matter that is listed on the Committee agenda, shall make a request in writing (refer to the Registering as a delegation section below) to be listed as a delegation to the Clerk no later than 12:00 p.m. the business day before the meeting. If the Committee is meeting on a Monday, the deadline will be 12:00 p.m. on the Friday before.

Delegations are generally heard at the beginning of a meeting and have a maximum of five minutes to speak. Following their delegation, members may ask questions of clarification only and are not to enter into debate with the delegate.

Registering as a delegation

All delegates (appearing VIRTUALLY or IN-PERSON) shall complete the "Request to Speak to a Committee of Council" form (available on the City's website at <https://www.hamilton.ca/city-council/council-committee/council-committee-meetings/request-speak-committee-council>)

Meeting Decorum

All members must fully participate with open discussion and honest feedback.

For courtesy and efficiency, members must follow these ground rules:

- respect the authority of the Chair
- follow the procedural "rules of order" as guided by the Chair and the Staff Liaison
- raise your hand to speak and wait to be acknowledged by the Chair
- refrain from talking while another member has the floor
- work with Members and the Chair to complete the business on the agenda on time.

All members are to uphold the principles of the Code of Conduct.

Speaking and Debate

The meeting Chair is responsible for the decorum of the meeting and for supporting all members to participate in the discussion. All members should share speaking time appropriately and make sure decisions are reflective of the Committee's voting.

Meetings Open to Public

All meetings (except working group meetings) are open to the public unless it is required that a closed (in camera) meeting be held in compliance with the *Municipal Act, 2001* and the City's Procedural By-law. Your Staff Liaison can advise on the rules pertaining to closed meetings. As per Section 9.2 of the Procedural By-law, a Committee of which at least 50% of the members are also members of Council can hold a closed (in camera) meeting, therefore, a local board with a majority of citizen members (i.e. an Advisory Committee) cannot hold a closed session meeting.

A member of the public is there as an observer only and cannot participate in the discussion or ask questions.

Additional Information

The City's Procedure By-law provides excellent information on how to conduct and participate effectively in meetings. Your Staff Liaison may also provide advice and guidance on meeting procedures. Training for Chairs, Vice Chairs and Secretaries will be provided by City Staff.

Consultation on Staff Reports

City staff will attend meetings to seek feedback on reports they are preparing for standing committees. At the meeting, staff will provide background on the report, answer questions of members and request the member's feedback. The feedback received will be included in the 'Relevant Consultation' section of the staff report.

Committees may submit formal correspondence and/or a Committee member may attend the standing committee meeting to provide the committee's feedback on a staff report. A motion is required to be passed at a meeting approving the committee's submission of correspondence and/or the attendance of the committee's Chair or designate as a delegate at a standing committee meeting. The content of the correspondence and/or the speaking notes of the Chair also require the committee's approval.

Members may choose to submit their own correspondence or register to speak at a meeting separate from the committee. It must be clear that the individual's views are their own and not that of the committee.

Committee Correspondence

All correspondence for the committee's consideration that is received by the Clerk, will be forwarded to the committee's Staff Liaison for inclusion in the committee's agenda.

External Contacts

Members are not to correspond or speak to any Ministries, any outside agencies, or the media on behalf of committee.

The Chair is the official spokesperson on behalf of the committee with the Ministries, any outside agencies, or the media, as per Appendix 'E' - Standard Operating Procedure #08-001 – Communicating with any outside agencies, including other levels of Government and the media.

Use of Secondary Logos for Advisory Committees

The development of secondary logos for promotional/educational purposes by a Committee should take place in consultation with the Communications division.

The use of secondary logos for promotional/educational purposes by a Committee requires approval, subject to the following guidelines:

- (i) Requests for approval of a secondary logo developed with the assistance of Communications, is to be presented to the Governance Review Sub Committee for consideration and approval by the Committee's respective Standing Committee and Council, prior to any use.
- (ii) The secondary logo, as per the *Visual Identity and Branding Guidelines*, must be of appropriate size relative to the intended purpose and should always sit side by side with the City of Hamilton logo (City of Hamilton always to the left)
- (iii) Design costs are to be funded by the Committee.

Annual Reporting

All advisory committees are required to submit an annual progress report highlighting the committee's activities for the past year and work plan for the current year to their respective standing committee for review by November of each calendar year, in support of their budget request.

Work Plan

The work plan should include the committee's objectives/priorities for the year, descriptions for each objective, resources required to complete the objectives and expected outcomes.

Motions

A motion is a formal proposal made by a member during a meeting to express a position or authorize an action. Possible motions may include:

- approve the minutes of a previous meeting or adjourn the meeting
- defer an item until a specified date
- refer an item to a working group
- amend an item
- recess

Managing Motions

Motions should be within the scope of the committee's terms of reference and be within their mandate.

The following describes the process for managing motions during a meeting:

1. A voting member moves a motion that is stated in the positive (not the negative), which is clear, succinct and actionable, to approve, authorize, support, direct, etc. A "seconder" (or another member voicing support of the motion) is necessary.
2. The member must clearly state the motion.
3. The committee discusses the motion and can make amendments* to the wording of the motion.
4. The Chair must clearly restate the motion and call the vote once the discussion has ended with "all those in favour raise your hands" and then "all those opposed raise your hands".
5. The Chair announces the result of the vote as Carried or Defeated.
6. The secretary records any motions that are Carried or Defeated in the minutes.

Here are two examples of wording for a motion:

- That the February 9, 2022 minutes of the Advisory Committee, be approved.
- That Jane Doe be authorized to make a presentation on behalf of the Advisory Committee at the Standing Committee meeting when the climate change initiatives are to be considered.

** An amendment is considered a minor change or addition designed to improve the wording and must be relevant to the topic in the main motion i.e. a motion to "commend the President for his work with the Chapter" may not be amended by striking the word "commend" with "condemn".*

Guidelines for Voting

Motions must always be voted on following these guidelines:

- Only committee members are permitted to vote.
- All members in attendance (including the Chair) are required to vote, unless a member(s) has declared a 'disqualifying interest'.
- Failure to vote will be deemed to be a negative vote.
- When there is a tie vote, the motion is defeated.

Advisory Committee Budgets

Advisory committees are required to prepare and submit an annual budget with the assistance of the Staff Liaison which is based on the annual work plan for the upcoming year and supports the committee's mandate as outlined in the terms of reference. All advisory committee workplans that will include budget requests will go to Council for approval in the first quarter of the calendar year. Once approved by Council the Staff Liaison will advise of the final budget that has been approved.

Volunteer (Advisory) Committee Expenditures

As per the approved Financial Policies/Guidelines (Report FCS02074, Funding Process for Volunteer Committees), only the following administrative expenditures would be covered:

- Copying/printing
- Refreshments (water, juice, coffee, snacks, no meals)
- Postage/Mailing
- Advertising
- Equipment rental
- Associated seminar/workshop costs
- Supplies

These types of expenditures do not include any special event or project initiative costs that are approved as part of the Business Planning/Budget Submissions by the volunteer committees. In total, the actual expenditures should not exceed that budgeted allocation for the committee.

As per the recommended funding strategy for 2006, the volunteer committee costs and budget will remain centralized in the Legislative Department. However, with increased opportunity for accountability (through Year-in-Review (YIR) and in-year expenditure summaries and liaison with the volunteer committee), the applicable Department is ultimately responsible for the expenditures incurred by the volunteer committee. As such, any financial policies or guidelines should reflect those of the Department. For example, if a particular group desires to accept donations to assist with their mandate, existing departmental policies and procedures must be adhered to. If a policy does not exist then one should be developed (with assistance from applicable areas such as Legal).

As previously mentioned, the previous year's allocation will be the base budget for the current year. If the department realizes the need for additional funding for a particular volunteer committee, a base budget transfer could occur (permanent), a one-time funding source could be recognized (one-time) or Council could adjust the allocation during the budget process. Fundraising opportunities should always be investigated by volunteer committees. The establishment of a volunteer committee reserve may also assist future financial pressures.

Requests for Unbudgeted Expenditures

If the Advisory Committee wishes to establish a reserve account for their surplus of operating funds, they should seek advice from their Staff Liaison and Finance staff.

- Upon request by a volunteer committee, staff will transfer unused funds, for a specific year, to a volunteer committee reserve
- The reserve will be tracked for each volunteer committee
- The volunteer committee must specify a reason to transfer the unused funds to the reserve minimum of 10% of the budget must be available for transfer to the reserve
- The funds will be used by the volunteer committee to fund future events/projects or by Finance to offset unfavourable variances incurred by the volunteer committee
- Reserve transfers will be subject to an overall corporate surplus
- The maximum reserve balance per volunteer committee is double their budget allocation
- If a volunteer committee is discontinued, any reserve balance will be transferred to the operating budget
- When the volunteer committee submission is brought forward to the Standing Committee in the fall, the volunteer committee will indicate if and why they will be seeking funding from their reserve; This will eliminate the need for a separate report as the use of reserves must be approved by Council; A similar recommendation to the following should be used:
 - That for 20XX, the _____ Committee be authorized to use up to \$XXX from the Volunteer Committee Reserve for _____.
- Funds raised through fundraising activities will be treated separately and not be subject to these guidelines

Conflicts of Interest

The *Municipal Conflict of Interest Act* applies to elected officials and appointed members of advisory committees and boards. The legislation requires a member who has a ‘disqualifying interest’ or a ‘non-disqualifying interest’ with regards to any matter under consideration, to declare their interest.

A **disqualifying interest** is an interest in a matter regarding which a reasonable person fully informed of the facts and circumstances would conclude that the Member could not participate impartially in the decision-making process related to the matter either because to do so would not be in compliance with the *Municipal Conflict of Interest Act*, or, because the Member’s relationship to persons or bodies involved in the matter or affected by the decision is so close, a reasonable person would conclude that the Member could not effectively carry out their public duty with impartiality.

A **non-disqualifying interest** is an interest in a matter that, by virtue of the relationship between the Member and other persons or bodies associated with the matter, is of such a nature that a reasonable person fully informed of the facts and circumstances would conclude that the Member could still participate impartially in the decision-making processes related to the matter only so long as:

The Member fully discloses the interest so as to provide transparency about the relationship; and

The Member states why the interest does not prevent the Member from making an impartial decision on the matter.

Members who believe they have a ‘disqualifying interest’ and ‘non-disqualifying interest’ in a matter on a committee agenda shall:

- Declare the ‘disqualifying interest’ and ‘non-disqualifying interest’ at the start of the meeting.
- Refrain from discussion and voting on the matter if your declaration is a ‘disqualifying interest’
- If your declaration is a ‘non-disqualifying interest’ you may discuss and vote on the matter.
- Complete a statement of ‘disqualifying interest’ and ‘non-disqualifying interest’ and submit it to their Clerk.
- Any member seeking advice on conflicts of interest, should seek advice from the city’s Integrity Commissioner.

All declarations of ‘disqualifying interest’ and ‘non-disqualifying interest’ are recorded in the meeting minutes. The City is required to maintain a registry of all declarations of ‘disqualifying interest’ and ‘non-disqualifying interest’ made by members. As an advisory committee member, you are subject to the Municipal Conflict of Interest legislation and must follow the legislation and the City’s process:

1. Declare the ‘disqualifying interest’ and ‘non-disqualifying interest’ at the meeting for the minutes.
2. When filing a ‘disqualifying interest’ and ‘non-disqualifying interest’ declaration, use the appropriate form, as attached to this handbook as Appendix ‘I’ – Disqualifying Interest or Appendix ‘J’ – Non-Disqualifying Interest.
3. Forward the completed form to the Office of the City Clerk clerk@hamilton.ca and the committee’s Staff Liaison
4. The ‘disqualifying interest’ and ‘non-disqualifying interest’ will be posted to the <https://www.hamilton.ca/city-council/council-committee/council-committee-meetings/conflict-interest-registry>.

Records Retention

Records Held by Committee Members

During the course of conducting municipal business, a great deal of records and information is created. The City is required to manage and retain corporate records in accordance with provincial legislation (the *Municipal Act*, and the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) and municipal by-laws).

A record is defined in MFIPPA as “any record of information however recorded, whether in printed form, on film, by electronic means or otherwise.” This definition is deliberately broad to encompass new and emerging technologies. Records include, for example:

- emails including any text messaging or other forms of electronic communication
- reports, correspondence, notes, etc.
- data in databases
- office and working files
- written and post-it notes
- notebooks, day-timers, journals, etc.
- invoices, expense claims, accounting records, etc.; and
- maps, drawings, photos, audio files or video tapes, etc.

As a citizen appointed member to a Local Board, you will receive and create information on behalf of the City. Any records you create or have in your possession that relate to the business of the board or committee are considered corporate records.

They are not your personal records even if the records were sent from your personal email address. The content of the records and the fact that it relates to your participation and activities on the board or committee makes it a corporate record.

Citizen appointed members of a Local Board should keep records organized and accessible to ensure prompt availability if they are requested to disclose them.

Access to Records

The *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA) applies to all municipalities in Ontario, as well as school boards and police services. MFIPPA has two fundamental purposes:

- Every person has a right of access to a record or part of a record in the custody or under the control of the City
- Provides individuals with right to access their own personal information and requires that municipalities protect personal information in their care
- MFIPPA supports the belief that every record held by a municipal body, is subject to release. There are limited exemptions from release which are designed to:
 - protect against the unreasonable invasion of personal privacy
 - prevent unfair advantages occurring in commercial or government transactions
 - protect law enforcement activities, and
 - safeguard the business conducted by government

Personal information is defined in MFIPPA as “recorded information about an identifiable individual...” and includes anything that can identify the individual. This may include photographs, videos, audio recordings, identifying numbers like drivers’ license numbers and dates of birth, physical attributes/ biometric information, health information, financial information, their opinions or beliefs.

Citizen appointed members of the City’s Local Boards have no greater right to City records than a member of the public. The City has made significant efforts to make information available on the City’s website:

- The City of Hamilton makes all legislative information excluding and confidential information available through the City Clerk’s webpage: <https://www.hamilton.ca/city-council/council-committee/council-committee-meetings>
- City By-laws: <https://www.hamilton.ca/city-council/by-laws-enforcement/search-by-laws>
- Open data Program: <https://www.hamilton.ca/city-council/data-maps/open-data>
- Routine Disclosure and Active Dissemination (lists of information made available by City departments): <https://www.hamilton.ca/city-council/accountability-transparency/routine-disclosure-active-dissemination>

Protection of Privacy

As a committee member, representing Council and the City, you are subject to MFIPPA.

Members, who during the performance of their duties, receive access to personal information have a responsibility to protect that information, to only use it for the purpose for which it was intended and must take appropriate measures to ensure the personal information is protected and not inappropriately disclosed.

Please refrain from:

- leaving records containing personal information in your car, in your home or in areas where others may have access to it
- discussing personal information of others in open areas
- disclosing an individual’s personal information during a public meeting without their written consent

When you are creating records as a committee member, you should not consider them private, keep access in mind and ensure that personal information is protected. Any questions regarding MFIPPA should be referred to the Clerks Office.

General Introduction, Framework, and Interpretation

This document is a Code of Conduct for members of Local Boards, both adjudicative and non-adjudicative. Local Boards, sometimes referred to as committees or tribunals, are as defined in s.223.1 of the *Municipal Act* and as identified by the municipality.

This Code of Conduct is to be given broad, liberal interpretation in accordance with applicable legislation and the definitions set out herein. Commentary in this Code is illustrative and not exhaustive.

Members shall seek to serve the public interest by upholding both the letter of the law and the spirit of the laws and policies established by the Federal parliament, Ontario legislature, and by City Council. The provisions of this Code are intended to be applied in concert with existing legislation and go beyond the minimum standards of behaviour set out in current federal and provincial statutes.

Guiding Principles

Members shall act with honesty and integrity, serving in a diligent manner, and performing their duties in a manner which promotes public confidence.

Members are expected to perform their duties as a member of the Local Board and arrange their private affairs in a manner that promotes public confidence and will bear close public scrutiny.

Members shall serve the public in a conscientious and diligent manner.

Members should be committed to performing their functions with integrity, impartiality and transparency.

There is a benefit to municipalities when Members have a broad range of knowledge and continue to be active in their own communities, whether in business, in the practice of a profession, in community associations, and otherwise.

Definitions:

“Adjudicative Board” means a Local Board that functions as a tribunal

“Council” means the Council of the City of Hamilton

“Family” includes “child”, “parent” and “spouse” as those terms are defined in the *Municipal Conflict of Interest Act*, and also includes:

- step-child and grand-child;
- siblings and step-siblings;
- aunt/uncle, and niece/nephew
- in-laws, including mother/father, sister/brother, daughter/son
- any person who lives with the Member on a permanent basis.

“Local Board” means a Local Board as defined in s.223.1 of the *Municipal Act*, or s. 1 of the *Municipal Conflict of Interest Act*, and includes citizen advisory committees and other bodies established by Council whose members are appointed by Council;

“Member” means a member of a City of Hamilton Local Board;

“Staff” includes employees, seasonal and contract workers, and volunteers of the City of Hamilton and/or of a City of Hamilton Local Board;

Rule 1: Avoidance of Conflicts of Interest

In this Rule:

1. A disqualifying interest is an interest in a matter regarding which a reasonable person fully informed of the facts and circumstances would conclude that the Member could not participate impartially in the decision-making process related to the matter either because to do so would not be in compliance with the *Municipal Conflict of Interest Act*, or, because the Member’s relationship to persons or bodies involved in the matter or affected by the decision is so close, a reasonable person would conclude that the Member could not effectively carry out their public duty with impartiality.
2. A non-disqualifying interest is an interest in a matter that, by virtue of the relationship between the Member and other persons or bodies associated with the matter, is of such a nature that a reasonable person fully informed of the facts and circumstances would conclude that the Member could still participate impartially in the decision-making processes related to the matter only so long as:
 - The Member fully discloses the interest so as to provide transparency about the relationship; and
 - The Member states why the interest does not prevent the Member from making an impartial decision on the matter.
3. Members shall not participate in the decision-making processes associated with their role or position when they have a disqualifying interest in a matter. Participation includes attempting to influence an outcome, whether the decision to be made is to be made by the Local Board or a member of staff with delegated authority or operational responsibility.
4. Members may participate in the decision-making process related to a matter in which they have a non-disqualifying interest provided they file at their earliest opportunity a Transparency Disclosure in a form and manner established by the City Clerk acting in consultation with the Integrity Commissioner.
5. Members shall avoid participating in or influencing a proceeding when the member, or another person with whom the member has a close personal or professional relationship, has a financial or other private interest that may be affected by the proceeding or its outcome.
6. Members shall not appear before their Local Board on their own behalf or as a representative on behalf of any party.

7. Members shall not contract with the Local Board for the sale, rental or purchase of supplies, services, material or equipment, and shall not engage in the management of a business or otherwise profit directly or indirectly from a business that relies on an approval from the Local Board.

Commentary

Members of BIAs will frequently have an interest in common with other members of the BIA in matters that come before the Board, and as such would be exempted from the obligation to declare a disqualifying interest. Care should be taken however to recognize the existence of a disqualifying interest when the Member stands to gain or otherwise benefit in a manner that can be differentiated from others in the BIA. For example, while all members of the BIA would similarly benefit from the holding of a festival, any BIA member who supplies goods or services to the festival at a profit or loss would have a disqualifying interest in the event. The display of merchandise or the promotion of services at an event would not amount to a disqualifying interest.

Where a Member contributes to an event 'at cost', a disqualifying interest would not arise.

Rule 2: Gifts, Benefits and Hospitality

No Member shall accept any fee, gift or benefit that is connected, directly or indirectly, with the performance of the Member's duties, except as permitted by one or more of the exceptions listed below:

- compensation authorized by-law;
- such gifts or benefits that can be considered incidental mementos or tokens of appreciation

Rule 3: Confidential Information

Confidential information includes any discussion that takes place between members of the Local Board when it is in a closed meeting; and includes information in the possession of, or received in confidence by, that the board or the City is either prohibited from disclosing, or is required to refuse to disclose, under the *Municipal Freedom of Information and Protection of Privacy Act* ("MFIPPA").

No Member shall disclose or release by any means to any member of the public, any confidential information acquired by virtue of their office, in either oral or written form, except when required by law, or authorized to do so by the Local Board or, if applicable, by Council.

No Member shall use confidential information for personal or private gain, or for the gain of relatives or any person or corporation, either directly or indirectly.

Rule 4: Use of City Resources

No Member should use municipal equipment, or permit the use of Local Board or City land, facilities, equipment, supplies, services, staff or other resources (for example, Local Board or City-owned materials, websites, Local Board and City transportation delivery services,) for activities other than the business of the Local Board or the City; nor should any member obtain personal financial gain from the use or sale of Local Board or City-developed information, intellectual property (for example, inventions, creative writings and drawings), computer programs, technical innovations, or other items capable of being patented, since all such property remains exclusively that of the Local Board or City.

Rule 5: Election Campaigns

No member, while identifying themselves as a member of a Local Board, shall undertake any election campaign or election-related activities or work on, fund-raise, endorse or otherwise contribute to the election campaign of any person running in the municipal election for the municipality where the member serves on the Local Board.

Commentary

This Code does not limit a person's right to participate fully in an electoral process so long as they do so without using their status as a Member of the local board for such purposes. For example, it would not be contrary to the Code for a person to:

- *Stand for Election;*
- *Contribute to an election campaign;*
- *In their own name, exhibit an intention to support one party or platform over another;*
- *While standing for election, indicate on their election material (without in any way suggesting endorsement) that they have served on a City of Hamilton local board amongst their other credentials and experiences.*

Rule 6: Improper Use of Influence

No member shall use the influence of his or her position for any purpose other than the duties as a member of the Local Board.

Rule 7: Business Relations

No member shall allow the prospect of future employment by a person or entity to affect the performance of his/her duties as a member of the Local Board.

Rule 8: Member Conduct

Members shall conduct themselves with decorum at all times.

Members shall maintain proper control over meetings demonstrating respect for everyone who is involved in the meeting.

Members are expected to attend all meetings of the Local Board. If a member misses more than three consecutive (3) meetings during their term, the Chair, after hearing and considering any explanation provided by the member, may ask the member to resign, or request that Council remove the member.

Commentary

Members recognize the importance of cooperation and shall endeavour to create an atmosphere that is conducive to solving the issues before the Board, listening to various points of view and using respectful language and behaviour in relation to all those in attendance.

Rule 9: Media Communications

Members shall accurately communicate recommendations and proceedings of their Local Board.

If a member is contacted directly by the media, the member should refer the media to the Chair, or in the absence of the Chair, to the Vice-Chair.

Commentary

A Member may state that they did not support a decision, or voted against the decision, however a Member must refrain from making disparaging comments about other Members or staff, or about the Board's processes and decisions, in doing so.

When communicating with the media, a Member should at all times refrain from speculating or reflecting upon the motives of other Members in respect of their actions on the Board.

Members who engage in social media should recognize that the rules around decorum and respect apply regardless of the communications medium used. Because social media posts attract participation by others, Members hosting such sites or accounts should consider articulating and posting their own policy of addressing how frequently they will monitor the site for the purpose of identifying and removing disparaging, abusive or hateful comments.

Rule 10: Respect for the Town By-laws and Policies

Members shall adhere to and encourage public respect for the Local Board, the municipality and its by-laws, policies and procedures.

Commentary

A Member must not encourage disobedience of a City by-law in responding to a member of the public, as this undermines confidence in the City and in the Rule of Law.

Rule 11: Respectful Workplace

Members are governed by the workplace harassment and workplace violence policies in place for staff, recognizing that integrity commissioner is responsible for the administration and investigation of complaints.

All Members have a duty to treat members of the public, one another and staff appropriately and without abuse, bullying or intimidation and to ensure that their work environment is free from discrimination and harassment.

Rule 12: Conduct Respecting Staff

Members shall be respectful of the role of staff to advise based on political neutrality.

Members shall respect the professionalism of staff, and not exert undue influence on staff.

No Member shall maliciously or falsely impugn or injure the professional or ethical reputation or the prospects or practice of staff, and all Members shall show respect for the professional capacities of the staff of the City.

Commentary

It is inappropriate for a Member to attempt to influence staff to circumvent normal processes in a matter, or overlook deficiencies in a file or application. It is also inappropriate for Members to involve themselves in matters of administration or departmental management which fall within the jurisdiction of the City Manager.

Rule 13: Reprisals and Obstructing

It is a violation of this Code of Conduct to obstruct the Integrity Commissioner in the carrying out of their responsibilities, or to engage in any activity in retaliation against any person because they made a complaint to or otherwise communicated with the Integrity Commissioner.

Rule 14: Acting on Advice of Integrity Commissioner

Any written advice given by the Integrity Commissioner to a Member binds the Integrity Commissioner in any subsequent consideration of the conduct of the Member in the same matter, as long as all the relevant facts known to the Member were disclosed to the Integrity Commissioner.

Members seeking clarification of any part of this *Code* should consult with the Integrity Commissioner.

Part 2**ADDITIONAL REQUIREMENTS APPLICABLE TO MEMBERS OF ADJUDICATIVE LOCAL BOARDS**

Rule 15: In addition to the provisions applicable to Members of Non-adjudicative Local Boards, the following additional requirements are applicable with respect to the referenced rule:

Rule 2: Gifts, Benefits and Hospitality

Members should recuse themselves from any hearing, to avoid any perception of bias or conflict of interest which may arise as a result of a gift, benefit or hospitality which the Member may have received, from any of the parties or participants potentially affected by the decision of the Local Board.

Rule 5: Election Campaigns

Members of Adjudicative Local Boards are prohibited from fundraising for, endorsing, or otherwise contributing to the election campaign of any person running for a seat on Council.

Rule 9: Media Communications

Members of adjudicative boards should generally not comment to the media in relation to any decision made by the board or the rationale behind such decision. On the rare occasion when a comment may be appropriate, only the Chair shall serve as a media contact and all enquiries shall be referred to them.

Rule 16: Communications with Parties

Written communication to an adjudicative board shall take place only through the Secretary of the board or the appropriate municipal staff assigned to such board, and shall be copied to all parties or their representatives as appropriate. Oral communications with the adjudicative board about current proceedings shall take place only in the presence of or with the consent of all parties.

Where a party is represented by a representative, all communication between the adjudicative board and the party shall be through the representative, with the exception of notices of hearing, which shall be served upon all parties and their representatives known to the adjudicative board as appropriate.

Rule 17: Independent Nature of Adjudicative Boards

The Chairs of adjudicative boards should ensure that the actions of any member, as well as Council members and staff attending adjudicative board meetings, are consistent with the arm's-length, quasi-judicial nature of the adjudicative board. Any actions compromising this position should be immediately dealt with by the Chair or panel chair.

An adjudicative board is required by the applicable laws to operate at arm's-length from and independently of Council. Members should therefore not request members of Council to intervene on applications considered by the adjudicative board. Members should refrain from seeking advice on their roles and responsibilities from Council members. In clarifying their roles and responsibilities, members should seek advice from appropriate staff.

Part 3

COMPLAINT PROTOCOL

The Complaint Protocol contained in the Council Code of Conduct applies with necessary modifications to complaints regarding members of Local Boards.

CONSEQUENCES OF FAILURE TO ADHERE TO CODE OF CONDUCT

Members who are found by the Integrity Commissioner to have failed to comply with the Code of Conduct for Local Boards may be subject to the following sanctions:

- (a) a reprimand; or
- (b) suspension of remuneration paid to the member in respect of his or her services as a member of the Local Board (if any).

Members may also be subject to such other remedial actions recommended by the Integrity Commissioner that directly flow from the action or behaviour of the member of the Local Board.

Members are subject to removal from the Local Board, or removal as Chair of the Local Board, by Council.

To:	Chair and Members General Issues Committee
From:	_____ (Co-Chair) _____ and _____ (Co-Chair) _____ Arts Advisory Commission (to be signed by the Chair)
Date:	March 22, 2017
Re:	Transfer from reserve for Big Picture 2017 Arts Community Outreach Event (AAC-17-01) (City Wide)

Recommendation:

That an amount of up to \$13,000 be transferred from the Arts Advisory Commission Reserve (112212) to Arts Advisory Commission operating (300322) to fund the Commission’s 2017 outreach event and programs.

Background: *(Describe here what the money will be used for and why the Committee is asking for more)*

The Arts Advisory Commission (AAC) has the following mandate:

To recommend activities for the stabilization and strengthening of the arts community; to inform Council of issues and achievements in the Hamilton arts community; to liaise with and act as a point of contact for members of the arts community regarding issues affecting the arts community; to monitor and assist with the implementation of the Public Art Program; to monitor and assist with the implementation of the Arts Awards Program.

The primary focus of the Arts Advisory Commission over the last five years has been the development of a strategic arts funding model through its Arts Funding Task Force.

A new AAC was appointed in 2016. The new members of the AAC are looking to undertake a community outreach and consultation program to determine the issues important to the arts community moving forward.

Analysis/Rationale: *(In the Analysis/Rationale section, the Committee should explain why the recommendation is being put forward, benefits for the recommendation, and any another information, which Committee wishes to share with the Grants Sub-Committee to support the recommendation)*

In 2017, the Arts Advisory Commission will focus its efforts on outreach and consultation with the arts community to identify issues important to the community. It is assumed that issues such as; artists living and work space costs, sustaining and growing the arts community and promoting the arts community will be identified among others. Consultation plans include a symposium type event to bring the community together along with interviews and online surveys. The results of this work will be used to develop the AAC work plan for 2017-2018.

HAMILTON FOR ALL 2023

PAST CAMPAIGN

Hamilton For All is a campaign that was first released in 2017 with a focus on newcomers and immigrants in Hamilton.

Hamilton for All 2017 campaign used bus shelter advertisements and other physical displays to raise awareness about newcomers, immigrants and refugees.

Hamilton for All 2023 will use similar tactics but will feature more groups affected by discrimination

HAMILTON
FOR ALL
2023

WHY 'HAMILTON FOR ALL'?

There has been increased polarization and public expressions of hate since the last campaign.

Discrimination, anti-hate and exclusion are on the minds of many more people, giving the campaign a wider reach.

Discrimination in Hamilton

- 6 out of 10 immigrants and racialized minorities and 8 out of 10 Indigenous peoples reported experiencing discrimination in Hamilton
- Top places people are experiencing discrimination are: when applying for a job, in the workplace, while using public areas (such as sidewalks and parks), or while on public transit

Hate Crimes on the Rise

- Police-reported hate crimes in Canada rose 27% in 2021
- Hamilton, Ont. saw the highest rate of hate crimes in any jurisdiction in the GTA and the third highest in the country

WHAT WE HEARD FROM HAMILTONIANS

FROM CAMPAIGN COMMUNITY
CONSULTATIONS (2022)

“It's uncomfortable to talk about racism, so **we need to acknowledge it**, shine a light on it, and ask for it to be dealt with.”

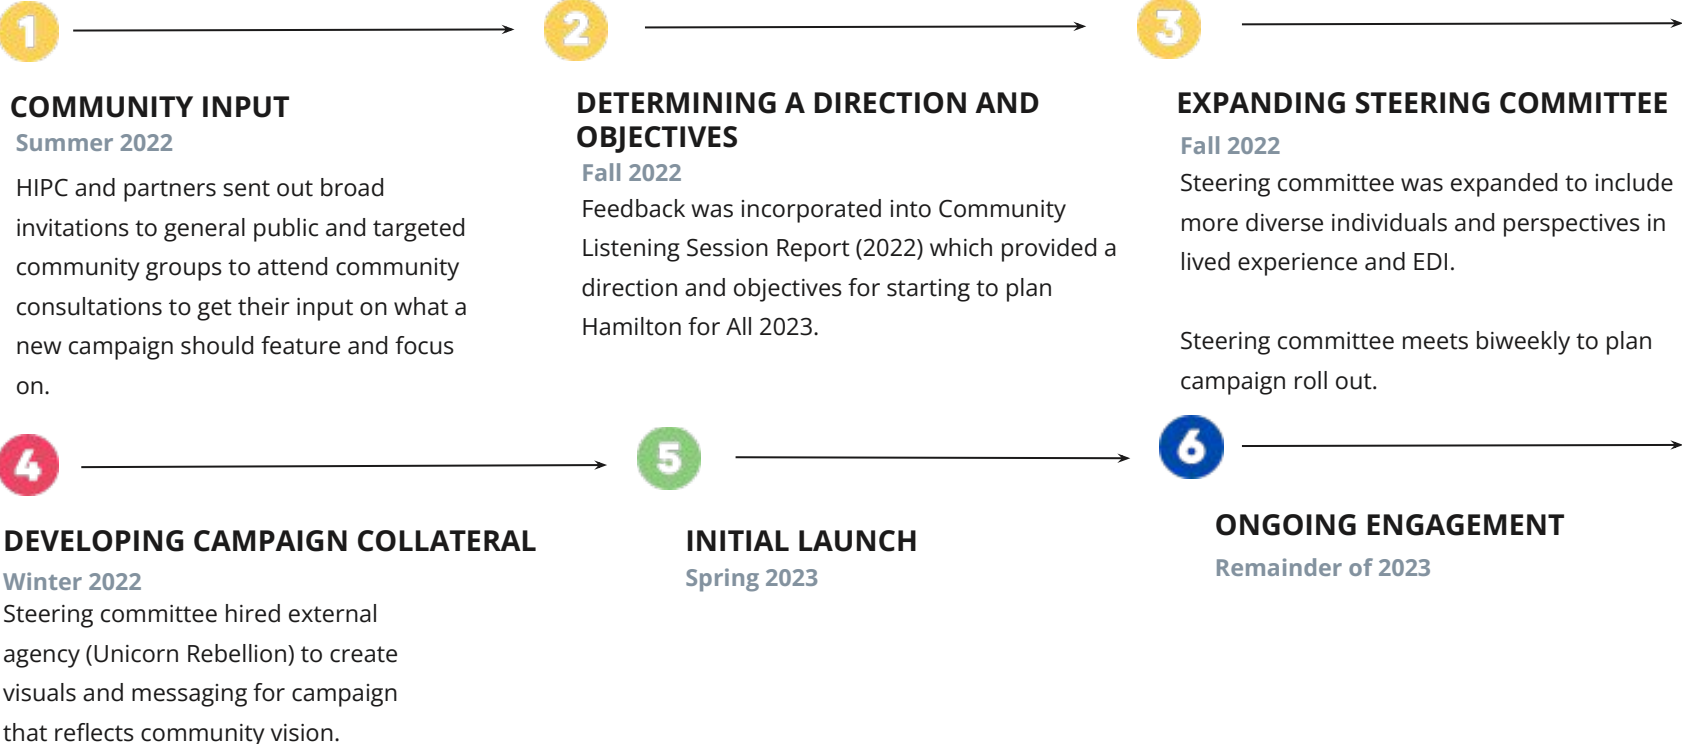

“

“Maybe someone won't sit by you or will move away on the bus but won't say anything. **We recognize the signs of being excluded.**”

“

“**It seemed progress was being made**, but now we are in 2022, and we wonder if this will ever end.”

HOW DID WE GET HERE?

WHO ARE WE FEATURING IN THE CAMPAIGN?

There are many groups in Hamilton experiencing discrimination or exclusion. This campaign is a start-off point to communicate that they are an integral and important part of Hamilton.

The groups we would like to see featured in 2023 include:

- **Newcomers, immigrants and refugees**
- **Indigenous peoples**
- **Black and racialized persons**
- **Religious minorities or those experiencing faith-based discrimination**
- **People from the 2SLGBTQ+ community**
- **People with disabilities**

CAMPAIGN OBJECTIVES

I. RAISE AWARENESS

A big undertaking of Hamilton for All is raising awareness of inclusion/exclusion in Hamilton and who is affected by these particular experiences.

We want people who see displays, marketing or advertising to be moved to learn more.

II. BUILD CAPACITY

Beyond awareness, we want to build capacity against hate and bigotry in Hamilton. Observers of this campaign should be moved to take action and understand the steps they can take to combat hate and discrimination in their communities.

EVALUATION

In order to observe the success of Hamilton for All, the team will be assigning particular metrics to both these objectives - ensuring that evaluations can support learning and future iterations of this campaign.

HAMILTON FOR
ALL 2023

I. RAISING AWARENESS

The awareness part of this campaign will be accomplished through widespread dissemination of visual displays. These displays will feature representative pictures of different groups who experience discrimination in Hamilton with the catchphrase "We are Hamilton." Displays can be altered to suitably fit in HSR ads, lawn/business signs, and social media paid advertisements.
