CITY COUNCIL MINUTES 23-019

9:30 a.m.
October 25, 2023
Council Chamber
Hamilton City Hall
71 Main Street West

Present: Mayor A. Horwath
Deputy Mayor M. Tadeson
Councillors J. Beattie, C. Cassar, B. Clark, J.P. Danko, M. Francis, T. Hwang, T. Jackson, C. Kroetsch, T. McMeekin, N. Nann, E. Pauls, M. Spadafora, A. Wilson, and M. Wilson

Mayor Horwath called the meeting to order and recognized that Council is meeting on the traditional territories of the Erie, Neutral, HuronWendat, Haudenosaunee and Mississaugas. This land is covered by the Dish with One Spoon Wampum Belt Covenant, which was an agreement between the Haudenosaunee and Anishinaabek to share and care for the resources around the Great Lakes. It was further acknowledged that this land is covered by the Between the Lakes Purchase, 1792, between the Crown and the Mississaugas of the Credit First Nation. The City of Hamilton is home to many Indigenous people from across Turtle Island (North America) and it was recognized that we must do more to learn about the rich history of this land so that we can better understand our roles as residents, neighbours, partners and caretakers.

MOTIONS

7.1 Requirement for Any Landfill Expansion Applications to Obtain Municipal Support

(Clark/Beattie)

WHEREAS, Bill 197 included a new *Environmental Assessment Act* section 6.0.1 in Part II which requires a private proponent of an undertaking to establish a landfilling site to obtain municipal support for the undertaking in accordance with that section; and

WHEREAS, this provision has unintentionally increased private proponent landfill expansions;

THEREFORE, BE IT RESOLVED:

That the City of Hamilton formally request an amendment to the Section 6.0.1 in Part II of the *Environmental Assessment Act*, to require private proponents to obtain municipal support for any landfill expansion applications.

7.2 Waste Collection Fees for Condominium Communities located on Cul de Sacs

(Clark/Beattie)

WHEREAS, there is a policy directing City waste vehicle staff to not reverse from cul de sacs, etc;

WHEREAS, several condo communities in Ward 9 are required to retain private waste collectors due to this policy;

WHEREAS, the City's selected private waste company, GFL, has willingly entered into private agreements with these condo communities to remove their waste enabling GFL to reverse from any cul de sac with a safety person;

WHEREAS, condo communities were denied City pick-ups due to the no reversing rule;

WHEREAS, condo communities still pay the taxes for a City waste collection service as well as paying their private contractor given that the City has denied them this service; and

WHEREAS, the City's own contractor, GFL, is willing to safely pick up waste by reversing from cul de sacs with a safety person;

THEREFORE, BE IT RESOLVED:

That staff report back to the Public Works Committee with a preferred options to either have the City compensate such condo boards for the denied service through tax credits which GFL then provides privately or to permit the City's contracted waste company, GFL, to reverse from cul de sacs with a safety person, ***but not limited to the above options.***

7.3 Request for the RCMP Investigation to Include the Decision to Expand the City of Hamilton's Urban Boundary by 2200 Hectares

(M. Wilson/Cassar)

WHEREAS the Auditor General of Ontario has stated that public trust and confidence relies on governments being able to demonstrate transparency in decision-making;

WHEREAS the Auditor General of Ontario determined that the decision-making process used by the Government of Ontario in the removal of lands from the Greenbelt in 2022 was not transparent, fair, objective or fully informed;

WHEREAS on late Friday afternoon, November 4, 2022, the same day the Government of Ontario announced that it would remove 2994 hectares in 15 different areas of the Greenbelt including the hectares from Hamilton, it also made public its decision to extend Hamilton's urban boundary by 2200 hectares

WHEREAS the unilateral decision by the Government of Ontario to extend Hamilton's urban boundary by 2200 hectares will result in the permanent loss of 1,630 to 2,190 hectares of largely prime agricultural areas, as well as impacts to natural heritage and water systems;

WHEREAS in July 2021, the City of Hamilton completed a city-wide survey of potential growth scenarios to accommodate forecasted population and employment growth and over 90% of approximately 18,000 survey respondents supported a firm urban boundary;

WHEREAS in November 2021, Hamilton City Council directed staff to implement the firm Urban Boundary scenario through official plan amendments which resulted in Official Plan Amendment No.167 to the Urban Hamilton Official Plan (“OPA 167”) and Official Plan Amendment No. 34 to the Rural Hamilton Official Plan (“OPA 34”);

WHEREAS J. David Wake, K.C. Integrity Commissioner of Ontario (Re: The Honourable Steve Clark, Minister of Municipal Affairs and Housing and Member of Provincial Parliament for Leeds– Grenville–Thousand Islands and Rideau Lakes Toronto, Ontario August 30, 2023) described the Government of Ontario’s decision to open up Greenbelt lands to development as a “rushed and flawed process” that “paints a picture of a process marked by misinterpretation, unnecessary hastiness and deception”;

WHEREAS the former Minister of Municipal Affairs and Housing’s decision which consisted of 77 modifications to the Urban Hamilton Official Plan, and 25 modifications to the Rural Hamilton Official Plan is final and not subject to appeal;

WHEREAS Integrity Commissioner Wake’s report details how a select group of lawyers and land development consultants were invited to a private meeting in Toronto and given the opportunity to sign off on the amendments to OPA 167 (and ROPA 34) but that Hamilton City staff were not consulted on the changes nor were city staff given an opportunity to review and respond to the proposed amendments;

WHEREAS the Provincial amendments to OPA 167 are not limited to OPA 167 but extend to changes never contemplated or considered by Hamilton City Council in approving OPA 167 and ROPA 34;

WHEREAS the RCMP should be taking into consideration the implications of impropriety within the Integrity Commissioner and Auditor General reports, when it refers to personal fundraising by the Minister’s family at a Stag and Doe; and

WHEREAS on October 10, 2023, the public was notified that the RCMP has launched an investigation into the Greenbelt land swap;

THEREFORE, BE IT RESOLVED:

That Hamilton City Council request that our Head of Council communicate with the Commissioner of the RCMP and any other necessary or appropriate body to request that the scope of the RCMP investigation into the Government of Ontario’s decision to open up the Greenbelt lands for development be extended to include the Government of Ontario’s decision to expand the City of Hamilton’s urban boundary by 2200 hectares.

7.5 Consideration For Non-Profit Child Care Centres To Be Exempted From Development Charges

(Hwang/Kroetsch)

WHEREAS, the Development Charges Stakeholder Sub-Committee is actively considering exemptions for the 2024 Development Charges By-Laws;

WHEREAS, non-profit child care centres that are operating under the *Child Care and Early Years Act, 2014*, are mostly dependent on outside and government funds and will typically not have built in reserves to fund development charges;

WHEREAS, many government grants and funds do not include development charges as an eligible expense;

WHEREAS, the goals of the Canada-wide Early Learning and Child Care agreement align with the City's Early Years Community plan focusing on equity, diversity, inclusion and belonging to ensure high quality, affordable and accessible child care is reflective of the children and families it serves;

WHEREAS, the Canada-wide Early Learning and Child Care agreement identified child care access as a priority and identified 1433 community-based licensed child care spaces as expansion targets for the City of Hamilton between the years 2022 to 2026;

WHEREAS, the Canada-wide Early Learning and Child Care agreement identifies an access rate goal of 37% (the ratio of child care spaces to children aged 0 to 5 years) by 2026 and current access rate for the City of Hamilton is 31%; and

WHEREAS, the Canada-wide Early Learning and Child Care funding guidelines state that municipalities are required to maintain the Ministry of Education threshold for child care spaces which is currently 80% non-profit and 20% for-profit in the City of Hamilton.

THEREFORE, BE IT RESOLVED:

That staff be directed to consider an exemption for non-profit child care centres, operating under the *Child Care and Early Years Act, 2014* in the City's 2024 Development Charges By-laws.

(Danko/Clark)

- (a) That the motion respecting the Consideration For Non-Profit Child Care Centres To Be Exempted From Development Charges (Item 7.5), be REFERRED to the next Development Charges Stakeholder Sub-Committee meeting; and
- (b) That the Development Charges Stakeholder Sub-Committee also consider exempting Non-Profit Long Term Care Homes from Development Charges at their next meeting.

7.7 Reconsideration of a decision that was approved at the May 10, 2023 Council meeting respecting Item 2 of the General Issues Committee Report 23-015, Better Homes Hamilton - Home Energy Retrofit Program (PED23106)

(Clark/McMeekin)

That Item 2 of General Issues Committee Report 23-015, respecting Better Homes Hamilton - Home Energy Retrofit Program (PED23106), which was approved by Council on May 10, 2023 and reads as follows, be reconsidered:

2. Better Homes Hamilton - Home Energy Retrofit Program (PED23106) (City Wide) (Item 8.2)

- (a) That the “Better Homes Hamilton” program, based on the terms outlined in Appendix “A” to General Issues Committee Report 23-015, and subject to minor revisions authorized by the General Manager of Planning and Economic Development, be approved as the ‘Incubation Stage’ of Hamilton’s first home energy retrofit program;
- (b) That the “Better Homes Hamilton Detailed Study Design” attached as Appendix “B” to Report PED23106 be received;
- (c) That Planning and Economic Development Staff be directed to launch the ‘Incubation Stage’ of the Better Homes Hamilton program with a target to retrofit up to 50 homes before the end of 2024;

- (d) That staff be directed to establish a loan receivable on the City's balance sheet, not exceeding \$1,000,000 to record the corresponding liabilities regarding the long-term financing for the 'Incubation Stage' of the Better Homes Hamilton program;
- (e) That the costs for program administration, including loan loss provisions for the 'Incubation Stage' of the Better Homes Hamilton program as described in Report PED23106 and in Appendix "A" to General Issues Committee Report 23-015 be funded through the Climate Change Reserve Account 108062 with an upset limit of \$275,000 over two years;
- (f) That staff be directed to prepare and bring forward for Council approval a municipal by-law authorizing the Better Homes Hamilton program including the details on eligibility and providing authority to launch the energy efficiency works on private residential property as local improvements under the program; and,
- (g) That Staff be directed to report back to the General Issues Committee within 2 years of implementation of the 'Incubation Stage' of the Better Homes Hamilton Program with results and feasibility for scaling the program in terms of number of homes and expansion into the high-rise, commercial and/or industrial sectors.

Result: Motion DEFEATED by a 2/3 majority vote of 4 to 12, as follows:

7.8 Public Notice respecting A By-Law to Authorize the Undertaking of Climate Change Mitigation and Adaptation Works on Private Residential Property as Local Improvements Under the Better Homes Hamilton Program

(Nann/M. Wilson)

WHEREAS, City of Hamilton staff have completed engagement with a variety of community organizations, citizens and subject matter experts throughout 2022 and 2023 on the development of the Better Homes Hamilton residential energy efficiency retrofit pilot program, and delegations were provided in support during General Issues Committee's May 3, 2023 meeting;

WHEREAS, the Better Homes Hamilton Pilot Program ("Program" was approved by the General Issues Committee (Report PED23106) on May 3, 2023 with a recommendation stating: "That staff be directed to prepare and bring forward for Council approval a municipal by-law authorizing the Program (the "By-law") including the details on eligibility and providing authority to launch the energy efficiency works on private residential property as local improvements under the program";

WHEREAS, Part III of Ontario Regulation 586/06, Local Improvement Charges - Priority Lien Status, enacted under the *Municipal Act, 2001*, S.O. 2001, c. 25, authorizes a municipality to pass a by-law to undertake work on private property as a local improvement for the purpose of raising all or any part of the cost of the work by imposing special charges on lots upon which all or some part of the local improvement is or will be located;

WHEREAS, Section 36.5(2) of O. Reg. 586/06 states that the by-law may authorize the undertaking of works which satisfy the requirements of a municipal program for which the municipality has given notice under Section 36.6(2)(b) O. Reg. 586/06; WHEREAS, Part VI, Section 270 (1)(4) of *Municipal Act, 2001*, S.O. 2001 gives the authority to a municipality to determine "the circumstances in which the municipality shall provide notice to the public and, if notice is to be provided, the form, manner and times notice shall be given;"

WHEREAS, the City of Hamilton's Public Notice By-law No. 07-351 Schedule A states: "Public notice required to advise of a minimum of one Committee meeting to consider the enactment of a fee or charge by-law. The notice shall specify when and where information in regard to such a by-law may be obtained;"; and further provides that the form, manner and time of the notice shall be "one notice published in a newspaper a minimum of 14 days prior to the Committee meeting";

WHEREAS, staff inadvertently recommended that the By-law be brought forward to Council for approval without first being considered by Council and Council approved this recommendation;

WHEREAS if the By-law is brought directly to Council for consideration notice cannot be provided in accordance with the requirements of By-law No. 07-351; and

WHEREAS, alternative notice can be provided because sub-clause 2(b)(iii) of Hamilton's Public Notice By-law No. 07-351 provides that Council can direct that other notice is to be given as Council considers adequate.

THEREFORE, BE IT RESOLVED:

That Council under the authority of Hamilton's Public Notice By-law No. 07-351 sub-clause 2(b)(iii) direct staff in regard to the Better Homes Hamilton by-law to publicly post notice published in a newspaper and on the City's website a minimum of 14 days prior to the Council meeting, and that this be deemed adequate.

7.10 Opposition to the Ministry of the Environment, Conservation and Parks Proposed Changes to its Approvals and Permissions Procedures for Waste Management Systems, Stormwater Management, and Water-Taking

(Nann/A. Wilson)

WHEREAS, the Ministry of the Environment, Conservation and Parks (MECP) is proposing changes to its approvals and permissions procedures for waste management systems, stormwater management, and water-taking that are anticipated to weaken its regulatory oversight on activities which have the potential to cause significant adverse impacts to the natural environment and human health;

WHEREAS, the City of Hamilton is committed partner in the protection and stewardship of the natural environment;

WHEREAS, the proposed changes are relevant to activities taking place in Hamilton such as transportation of biomedical, liquid industrial and hazardous waste. Under the proposed changes, hauling of some types of hazardous waste would be deemed a less complex activity and no longer require stricter oversight by the MECP via an Environmental Compliance Approval (ECA) and instead only require self-registration with the Environmental Activity and Sector Registry (EASR);

WHEREAS, the ECA process involves MECP review and approval; meanwhile the EASR program shifts this responsibility completely to the facility;

WHEREAS, waste facilities in Hamilton are often located in clusters so while individually they may be seen to have lower potential impact, according to a past Environmental Commissioner report “low-risk facilities still produce impacts to the environment. Indeed the cumulative impacts of several low risk facilities located closely together (as they commonly are) can be significant”;

WHEREAS, the proposed changes include increased impacts on stormwater management due to more exemptions to drainage works for roadway and railway construction projects;

WHEREAS, the proposed changes would remove certain water-taking limits for construction dewatering projects that could compromise responsible management of Hamilton’s natural waterways;

WHEREAS, the proposed changes would remove the requirement for the MECP to notify Conservation Authorities, which monitor water budget and work with City of Hamilton to protect water, of water-taking activities that could affect their conservation areas;

WHEREAS, the Canadian Environmental Law Association has stated that “having a 700% increase of allowable water-taking without permits could have serious implications to watershed sustainability”; and

WHEREAS, the proposed changes to reclassify specific permissions procedures will no longer include the right to public participation or appeals via the Environmental Bill of Rights or to public scrutiny via the Environmental Registry of Ontario;

THEREFORE, BE IT RESOLVED:

- (a) That staff be directed to submit comments to the Environmental Registry of Ontario (ERO) at permissions.modernization@ontario.ca outlining concerns, impacts of the Ministry of the Environment, Conservation and Parks' proposed changes to its approvals and permissions procedures for waste management systems, stormwater management, and water-taking (ERO 019-6951; ERO 019-6853 ERO 019-6963 and ERO 019-6928) to the City of Hamilton and Hamilton residents by October 30, 2023;
- (b) That the submission to the ERO be available on the City's website; and
- (c) That Mayor Horwath write to the Minister of the Environment, Conservation and Parks on behalf of Council to express opposition to the proposed changes to its approvals and permissions procedures for waste management systems, stormwater management, and water-taking, as they would negatively impact all residents of Hamilton.

7.13 198 First Road West Subdivision Phase 1 - Picardy Parkland Restoration Works

(Clark/Danko)

WHEREAS Paletta International (2000) Inc. is the developer of the 198 First Road West Subdivision (Phase 1) which includes an important new community amenity known as Picardy Park;

WHEREAS to advance the construction of Picardy Park, restoration works are required including the removal of excess soil, grading, and placing of No. 1 nursery sod;

WHEREAS an opportunity may exist for the City to work with the developer to expedite the restoration works and the delivery of the park, through which the developer would undertake the restoration works and the City would contribute a City share cost; and

WHEREAS the Growth Management Construction Section and Public Works Landscape Architectural Services will perform an inspection after the completion of all works to determine and confirm that all works have been completed to the satisfaction of the Director of Growth Management & Chief Development Engineer and the Director of Environmental Services;

THEREFORE, BE IT RESOLVED:

- (a) That Council authorize staff to single source Paletta International (2000) Inc, pursuant to Procurement Policy #11 – Non-competitive Procurements, to complete the City share of park restoration; and
- (b) That staff be directed to endorse and oversee the restoration works for the Picardy Park located within 198 First Road West Subdivision, Phase 1, and further, that City share costs up to a maximum amount of \$130,000.00 as related to the works be authorized to be paid to the developer, Paletta International (2000) Inc, to be funded through the S.C. Subject: Assessment of Bill 134 (Affordable Homes and Good Jobs Act)

Good afternoon,

We are writing to inform you of proposed changes to the *Development Charges Act* and the *Planning Act*, introduced through Bill 134 (*Affordable Homes and Good Jobs Act, 2023*). Bill 134 proposes to amend the definition of an “affordable residential unit” for the purpose of exempting such developments from the payment of development charges, community benefits charges, and parkland dedication.

The attached letter provides a summary of the proposed changes along with our commentary on the matter. We will also be submitting this commentary in a formal response to the Province and intend to present to the Standing Committee on Heritage, Infrastructure and Cultural Policy.

Upon receiving this, if you have any questions regarding Bill 134, we would be pleased to discuss them with you further at your convenience.

Best regards,

To Our Municipal Clients:

Re: Assessment of Bill 134, *Affordable Homes and Good Jobs Act, 2023*

On behalf of our many municipal clients, we are writing to inform you of the Ontario Legislature's proposed changes to the *Development Charges Act* (D.C.A.) and the *Planning Act*, under Bill 134 (*Affordable Homes and Good Jobs Act*). These proposed changes are with respect to the definition of an "affordable residential unit" for the purpose of exempting such developments from the payment of development charges (D.C.), community benefits charges (C.B.C.) and parkland dedication. The following comments will be included in our formal response to the Province, which we also intend to present to the Standing Committee on Heritage, Infrastructure and Cultural Policy (Standing Committee) on November 15/16, 2023.

1. Introduction

The exemptions for affordable residential units were included in the *More Homes Built Faster Act* (Bill 23), enacted by the Province on November 28, 2022. Under this legislation, affordable residential units were defined within subsection 4.1 of the D.C.A. and exemptions for D.C., C.B.C. and parkland dedication were provided in respect of this definition. While the legislation was enacted in November 2022, the ability for municipalities to implement the exemptions required the Minister of Municipal Affairs and Housing to publish an "Affordable Residential Units for the Purposes of the Development Charges Act, 1997 Bulletin." This bulletin would inform average market rent and purchase price to be used in determining which developments qualify as affordable residential units. At the time of writing, this bulletin had not been published by the Minister.

The proposed legislation was posted to the Environmental Registry of Ontario on September 28, 2023 (ERO 019-7669). The 30-day comment period closes on October 28, 2023. Bill 134 has received Second Reading in the legislature (October 4, 2023) and has been ordered referred to the Standing Committee.

2. Proposed Amendments to the D.C.A.

The definition proposed under Bill 134 modifies the affordable residential unit definition by:

- introducing an income-based test for affordable rent and purchase price; and
- increasing the threshold for the market test of affordable rent and purchase price.

The proposed amendment would provide the exemption based on the lesser of the two measures. Moreover, the rules in subsection 4.1 of the D.C.A. are unchanged with respect to:

- the tenant and purchaser transacting the affordable unit being at arm’s length;
- the intent of maintaining the affordable residential unit definition for a 25-year period, requiring an agreement with the municipality (which may be registered on title); and
- exemptions for attainable residential units and associated rules (requiring further regulations).

The following table provides a comparison of the current definitions within the D.C.A. and those being proposed in Bill 134 (underlining added for emphasis).

Item	D.C.A. Definition	Bill 134 Definition
Affordable residential unit rented (subsection 4.1 (2), para. 1)	The rent is no greater than <u>80 per cent of the average market rent</u> , as determined in accordance with subsection (5).	The rent is no greater than <u>the lesser of</u> , i. the <u>income-based affordable rent</u> for the residential unit set out in the Affordable Residential Units bulletin, as identified by the Minister of Municipal Affairs and Housing in accordance with subsection (5), and ii. the <u>average market rent</u> identified for the residential unit set out in the Affordable Residential Units bulletin.
Average market rent/rent based on income (subsection 4.1 (5)) for the purposes of subsection 4.1 (2), para. 1	the <u>average market rent for the year in which the residential unit is occupied by a tenant</u> , as identified in the bulletin entitled the “Affordable Residential Units for the Purposes of the Development Charges Act, 1997 Bulletin.”	The Minister of Municipal Affairs and Housing shall, (a) determine the <u>income of a household</u> that, in the Minister’s opinion, is <u>at the 60th percentile of gross annual incomes for renter households in the applicable local municipality</u> ; and (b) identify the <u>rent</u> that, in the Minister’s opinion, is <u>equal to 30 per cent of the income of the household</u> referred to in clause (a).

Item	D.C.A. Definition	Bill 134 Definition
Affordable residential unit ownership (subsection 4.1 (3), para. 1)	The price of the residential unit is no greater than <u>80 per cent of the average purchase price</u> , as determined in accordance with subsection (6).	The price of the residential unit is no greater than <u>the lesser of</u> , i. the <u>income-based affordable purchase price</u> for the residential unit set out in the Affordable Residential Units bulletin, as identified by the Minister of Municipal Affairs and Housing in accordance with subsection (6), and ii. <u>90 per cent of the average purchase price</u> identified for the residential unit set out in the Affordable Residential Units bulletin.
Average market purchase price/purchase price based on income (subsection 4.1 (6)) for the purposes of subsection 4.1 (3), para. 1	the <u>average purchase price for the year in which the residential unit is sold</u> , as identified in the bulletin entitled the “Affordable Residential Units for the Purposes of the Development Charges Act, 1997 Bulletin,” as it is amended from time to time, that is published by the Minister of Municipal Affairs and Housing on a website of the Government of Ontario.	the Minister of Municipal Affairs and Housing shall, (a) determine the <u>income of a household</u> that, in the Minister’s opinion, is at the <u>60th percentile of gross annual incomes for households in the applicable local municipality</u> ; and (b) identify the <u>purchase price</u> that, in the Minister’s opinion, <u>would result in annual accommodation costs equal to 30 per cent of the income of the household</u> referred to in clause (a)

3. Illustration of the Proposed Amendment

The proposed definition of an affordable residential unit is generally consistent with the 2020 Provincial Policy Statement (P.P.S.) and considers both income-based and market-price approaches to derive an affordable housing definition for both rental and ownership housing units. This is in contrast to the current D.C.A. definition implemented through Bill 23, which is solely based on the market-price approach.

The following provides an illustrative example of the two approaches and how the application of the affordable residential unit definitions would differ for rental and ownership housing. This example uses 2022 data for the Kingston regional market area. Note, this example is meant to be illustrative and uses data from the P.P.S. Housing Tables. The source of data to be used by the Province for the Affordable Residential Units bulletin, and the level of data disaggregation (by geography and unit type) has not yet been specified.

We have also provided, in an appendix, the P.P.S. Housing Tables for 2022 that may be of assistance to you in undertaking a similar analysis. The information in the appendix includes household income data for all households and renter households, as well as average resale house prices and rents.

3.1 Rental Housing Example

Applying the proposed affordable residential unit definition under Bill 134 for the Kingston regional market area:

- The average annual household income for renter households in the 60th percentile in 2022 was \$68,900.
- 30% of this annual household income is \$20,670 or \$1,720 per month.
- The average market rent is \$1,390 per month.
- 80% of the average market rent is \$1,120 per month.
- Under the proposed definition, affordable residential units with a rental rate of \$1,390 per month or less would be exempt from D.C.s. This rental threshold is 25% (or \$278/month) higher than the current D.C.A. definition, which would establish this rental threshold at \$1,112 per month.

Proposed Bill 134 D.C.A. Definition (October 2023)

Lesser of a) or b) of the following

a) the income-based affordable rent based on 60 th percentile average household income \$68,900.	\$1,720 (1)
b) average market rent identified for the residential unit.	\$1,390 (2)
Affordable Rental Unit (max. rent)	\$1,390

Current D.C.A. Definition (More Homes Built Faster Act)

Where rent is no more than 80% of the average market rent	\$1,112 (2)
---	-------------

Affordable Rental Unit (max. rent)	\$1,112
---	----------------

(2) Provincial Policy Statement Housing Table - Table 4. Average Rent by Bedroom Count

3.2 Ownership Housing Example

Applying the proposed affordable residential unit definition under Bill 134 for the Kingston regional market area:

- The average annual household income for all households in the 60th percentile in 2022 was \$108,300.
- Annual accommodation costs equal to 30% of this annual household income (\$108,300 x 0.3 /12 = \$2,708) represent the carrying cost per month derived from typical monthly mortgage costs, property taxes, and mortgage insurance costs.^[1] This calculation equates to a purchase price of \$372,500.
- 90% of the average purchase price is \$523,500 (based on an average resale house price of \$581,700).
- 80% of the average purchase price is \$465,360.
- Under the proposed definition, affordable residential units purchased at \$372,500 or less would be exempt from D.C.s. This purchase price threshold is approximately 20% (or \$92,860) lower than under the current D.C.A. definition, which would establish the purchase price at \$465,360.

Proposed Bill 134 D.C.A. Definition (October 2023)

Lesser of a) or b) of the following

a) the income-based affordable purchase price based on 60 th income percentile household income of \$108,300.	\$372,500 (1)
b) 90% of the average purchase price.	\$523,500 (2)
Affordable Ownership Unit (max. purchase price)	\$372,500

Current D.C.A. Definition (More Homes Built Faster Act)

Where the price of the unit is no more than 80% of the average purchase price.	\$465,360 (2)
Affordable Ownership Unit (max. purchase price)	\$465,360

4. Comments on the Proposed Amendment

In comparison to the current D.C.A. definition of affordable residential units, the following observations are provided:

^[1] Mortgage payments based on a 25-year mortgage at 4.79% interest rate and 5% down payment. Estimated monthly property taxes = 0.125% of house value. Canada Mortgage and Housing Corporation mortgage loan insurance premium = 4.0% of loan amount. It is not yet clear if/to what extent these align with “accommodation costs” to be considered for the purposes of the income-based test proposed in Bill 134.

- The refined definition of affordable residential units presented in Bill 134 aligns with the income-based approach utilized in the 2020 P.P.S. This, in contrast to the current market-based approach, better aligns with how a number of municipalities define affordable developments in their housing strategies. However, as provided in our comments on Bill 23, while it is an admirable goal to create additional affordable housing units, further D.C., C.B.C., and parkland exemptions will continue to provide further financial burdens on municipalities to fund these exemptions.
- Based on the P.P.S. Housing Tables provided in the appendix:
 - The rent at which a residential unit would be considered affordable is higher under the Bill 134 proposal, compared to the current D.C.A. definition. This would imply that more rental units would receive the exemption relative to the wording provided in Bill 23, providing a greater incentive for affordable rental units.
 - Based on the information contained in this data source, the income test appears to be irrelevant for rental units, as market rent is consistently lower than the affordable rent (based on 60th percentile average household income) across all regional market areas.
 - Conversely, the affordability threshold for ownership housing units, exhibited in this data source, would generally appear to be lower when applying the income-based approach. As a result, Bill 134 is anticipated to incentivize purpose-built rental units over ownership housing.
 - Moreover, this would appear to provide exemptions for ownership affordable residential units that are more aligned with household income than market value.
 - It should also be noted that, based on the provincial average in the data tables, average market purchase prices are approximately double the affordable purchase prices. Based on this observation, only very small residential units, such as studio-type condominium units, may be priced at a point where they would qualify for the affordable residential units exemption. This would mean that establishing affordability using averages across all unit types may not help address the problem of “missing middle”^[1] housing, which would typically be geared towards families.

[1] The “missing middle” describes a range of medium-density housing types between single-detached houses and apartment buildings. This includes a range of multi-unit or clustered housing types compatible in scale with single-family homes that help meet the growing demand for walkable urban living, such as duplexes, triplexes, fourplexes, rowhouses, and townhouses. Source: [https://www.evergreen.ca/downloads/pdfs/2018/What is the Missing Middle Evergreen CUI s2.pdf](https://www.evergreen.ca/downloads/pdfs/2018/What%20is%20the%20Missing%20Middle%20Evergreen%20CUI%20s2.pdf)

- The proposed definition considers local income in addition to market prices. While the definition clearly identifies that annual incomes for households within the “applicable local municipality” will be used in the income-based test, the local municipality does not appear in the average market rent/purchase price definition. Concerns about the geographic scope of the bulletin and potential implications across local municipalities due to variations in income levels still remain.
- The income level is set at the 60th percentile of gross annual income in the applicable local municipality, distinguishing between renter households and all other households. The basis for determination of gross annual income is not provided in the legislation and will be informed by the Minister’s bulletin.
- For affordable households, the rent would be established at 30% of income, and purchase price at accommodation costs equal to 30% of income. A definition of accommodation costs is not provided in the legislation and will be informed by the Minister’s bulletin. The basis for calculating accommodation costs is unclear, and carrying costs need to reflect representative costs of home ownership, including typical mortgage costs, property taxes, and property insurance, as well as condominium fees, where applicable.
- The basis for market rents and purchase prices will be required. Many municipalities utilize Canada Mortgage and Housing Corporation data for establishing average market rents in affordable housing strategies. As noted earlier, it is unclear from the legislation how the average market rents and purchase prices will be determined.
- As currently written, the legislation is unclear if market rent and purchase price will be determined using overall averages or averages disaggregated by dwelling unit type or size. Establishing average rents and purchase prices using overall averages across all dwelling unit types will provide higher average values than those established by dwelling unit type and size, which would have greater exemption implications for municipalities with a larger amount of high-density development. As noted earlier, this approach would also tend to favour smaller condominium units, which would more likely meet the affordability threshold, in contrast to larger family sized units, which would likely not qualify for D.C. exemptions.
- Subsections 4.1 (5) and (6) of the D.C.A. currently identify the market rent/purchase price in the year the unit is occupied/sold as identified in the bulletin. This would appear to indicate an annual publication of the bulletin. The proposed definition of the “affordable residential units bulletin” does not imply an annual publication. The timing for publishing the bulletin should be clarified.
- The market test proposed in the definition is increased from 80% of average market rent/purchase price under the D.C.A. currently, to average market rent and 90% of the average market purchase price.

- The D.C.A. defines “rental housing development” for the purposes of the mandatory instalment payments in section 26.1 of the D.C.A. and the discounts for rental housing development in section 26.2. Affordable residential rental units within subsection 4.1 (2) are not specifically defined as rental housing development and, therefore, it does not appear that there is a requirement for those units to be in a building or structure with four or more units.
- The introduction of the income test for affordable residential units will increase municipal administration costs of agreements and the requirement to ensure these units remain affordable over a 25-year period. These administrative burdens will be cumbersome and will need to be monitored and coordinated by both upper-tier and lower-tier municipalities. Further clarification is required with respect to:
 - The parties to the agreement (e.g., developer vs. builder vs. owner);
 - The Minister of Municipal Affairs and Housing establishing standard forms of agreement, as provided under subsection 4.1 (12); and
 - Reporting requirements and onus (i.e., should the municipality reach out to the parties of each agreement or should the parties to the agreement be required to report to the municipality?).

As summarized above, there are several concerns and areas of clarification that Watson will be advancing in our submission through the Environmental Registry of Ontario. Watson will also be seeking an opportunity to speak as a delegation to the Standing Committee to provide our concerns on behalf of our municipal clients.

We will continue to monitor the progress of Bill 134 through the legislature and will continue to keep our clients informed of any changes. If you have any questions, please do not hesitate to contact us.

Motion - Consideration for Building Faster Fund Eligibility Requirements

Moved by Mayor Shaun Collier - Ajax

WHEREAS the Building Faster Fund (BFF) was announced on August 21, 2023, to commit \$1.2 billion over three years to support housing-enabling infrastructure and other related costs that support community growth to municipalities that reach at least 80 per cent of their annual housing targets;

AND WHEREAS OBCM sees the Building Faster Fund as a housing accelerator incentive program and not a resolution to the discussion of being made whole for any municipal costs or shortfalls associated with other provincial government legislation/regulations;

AND WHEREAS the Ministry of Municipal Affairs and Housing (MMAH) has indicated that they will not count a housing start toward the target until a developer pulls the permit;

AND WHEREAS municipalities can fast track approvals, but do not build homes;

AND WHEREAS due to issues beyond the control of municipalities (high interest rates, mounting material costs, labour shortages, utilities etc.), the pulling of permits by developers may be stalled;

AND WHEREAS the ministry's method of counting housing starts will directly impact municipalities' ability to reach the housing targets required to access much needed funding;

AND WHEREAS Ontario's Big City Mayors (OBCM) have advocated for a collaborative approach to building homes;

NOW THEREFORE BE IT RESOLVED THAT

OBCM send the attached letter (ATT-1) to the Minister of Municipal Affairs and Housing, the Honourable Paul Calandra, outlining concerns about the BFF eligibility criteria and requests municipal participation in the creation of new the eligibility criteria; and that

A copy of this motion be sent to the Association of Municipalities of Ontario and all OBCM members.

The Honourable Paul Calandra

Minister of Municipal Affairs and Housing

minister.mah@ontario.ca

Dear Minister Calandra,

On behalf of Ontario's Big City Mayors (OBCM) I want to thank your government for the creation of the Building Faster Fund (BFF) to help Ontario municipalities meet our housing targets. These funds are essential for our 29 member municipalities to be able to provide the servicing and infrastructure needed to meet our housing goals by 2031.

OBCM is pleased to see the commitment of \$1.2 billion dollars over the next three years in the Building Faster Fund, but we have concerns about the eligibility criteria in place to access these funds.

The Ministry has indicated that it will not count a housing start until a developer pulls the permit. While municipalities can fast track approvals, they do not build homes. Due to issues beyond our control (high interest rates, mounting material costs, labour shortages, etc.), developers have stalled the pulling of many of these permits. This directly impacts our member municipalities' ability to reach the annual housing target required to access this much needed funding.

These issues were also the focus of the recent housing report *Working Together to Build 1.5 Million Homes* (attached to this letter), released by Dr. Mike Moffatt's the PLACE Centre in collaboration with OBCM. In this report, we ask the Province of Ontario to bring all members of the home building process together (e.g., all three levels of government, developers, builders, labour, the higher education sector, the financial services industry, and not-for-profit groups) to create a mutually agreeable plan to reach our shared goal of building 1.5 million homes. It is critical that this plan includes an accountability framework for identifying the barriers to building, and a schedule of annual meetings to allow for us to work together to find solutions for housing delays.

We have heard from our membership on this and understand that you have as well, including most recently a letter from Mayor Shaun Collier from the Town of Ajax.

We all share the same goal; to build more homes for our residents. We hope that you and the Premier, the Honourable Doug Ford, will consider this issue and include the municipal sector in discussions on changes to the eligibility criteria for the Building Faster Fund, and consider our perspective as you look at how to best support municipalities and our joint effort to move the housing portfolio forward.

— **OBCM** —
Ontario's Big City Mayors

Thank you again for your collaborative approach to getting homes built and for your recognition that local leaders are best positioned to make growth decisions for their communities.

Sincerely,

Marianne Meed Ward, Mayor of Burlington

Motion on Anti Auto Theft Program

Moved by Councillor Paul Vicente on behalf of Mayor Patrick Brown - Brampton

Whereas in Ontario, there has been a 112% increase in auto thefts over the past five years. with thefts rising 49% in 2022 alone according to the Insurance Bureau of Canada (IBC); and

Whereas thieves and criminal networks have specifically targeted Ontario's biggest cities. In a 5 year span from 2014 - 2021 auto theft increased in Toronto 171%, Ottawa 208%, Vaughan 274%, Peel Region 159% and Halton Region 200%*; and

Whereas several Ontario municipalities have addressed this issue with programs to assist their residents including the City of Brampton and the City of Vaughan who have implemented Faraday bags/pouches pilot programs to their hardest hit neighbourhoods to deter "relay attacks" using vulnerabilities in keyless FOBs to steal vehicles swiftly; and

Whereas the provincial government has committed \$51 million to fighting auto theft in May 2023 which includes the creation of an Organized Crime Towing and Auto Theft Team led by the Ontario Provincial Police (OPP), a new community safety grant that targets auto theft and the creation of a new Major Auto Theft Prosecution Response Team; and

Whereas all levels of government as well as police departments, community safety groups and auto manufacturers need to work together to tackle this auto theft crisis in Ontario and across Canada.

Therefore, be it resolved that Ontario's Big City Mayors (OBCM) call on the federal government to provide a more robust anti auto theft program that supports law enforcement agencies and municipalities in the form of funding, resources, and legislation to combat auto theft; and

That this program include more funding to the Canadian Border Service Agency to increase inspections of shipping containers at all major Canadian ports; and

That the federal government enact legislation requiring the inclusion of theft-deterrent technologies for all car manufacturers in new vehicle models in Canada; and

Be it further resolved that Ontario Big City Mayors (OBCM) call on the Ontario government to make changes to the vehicle transfer process, as recommended by the Insurance Bureau of Canada in order to take steps to minimize improper transfer of vehicles;

And that these provincial changes should introduce a physical public VIN inspection conducted by a certified mechanic as part of the safety inspection that precedes every vehicle transfer, ensuring that info/images are captured and transmitted digitally through an update to the DriveON program to prevent the falsification of paper-based documents.

Member of Parliament for Hamilton East - Stoney Creek

Oct. 23, 2023

Dear Premier Ford,

Today, I call on the Provincial Government to immediately close the GFL landfill at 65 Green Mountain Road W in Stoney Creek until the company implements measures to eliminate odours at the site.

This issue has been extremely distressful to residents in Upper Stoney Creek and East Hamilton, who have had to deal foul odours for months on end. Something must be done to rectify this situation as it is compromising people's quality of life and mental health.

The landfill was poised to close in 2019, and as you know, your government approved the expansion and continued operation for another decade, despite strong community opposition. This past summer was unbearable for Stoney Creek residents. Odours from the expanded landfill prevented residents from enjoying their properties and local parks, and many were physically affected by its operations. Residents near the facility cannot open the windows in their homes due to a pungent sewage smell coming from the landfill.

It's time for the Provincial Government to act and close the GFL landfill until this issue is resolved. Please keep me informed of what the Provincial Government plans to do to address this dire situation.

Sincerely,

Chad Collins

POLICY UPDATE

October 18, 2023

Policy Update - Social and Economic Prosperity Review

Municipalities across Ontario are facing increasingly complex challenges, such as tackling homelessness and climate change, without the financial tools to solve them. It's time for the province and municipalities to work collaboratively towards solutions for the long-term stability and sustainability of municipal finances.

[AMO has called on Premier Ford](#) to propose an update of the partnership between provincial and municipal governments to build sustainable communities, a solid foundation for economic growth and quality of life.

A [social and economic prosperity review](#) would help to create a sustainable, accountable provincial-municipal relationship where both orders of government can meet their responsibilities, grounded in:

- Affordability and fiscal sustainability for both orders of government
- Fairness for taxpayers and affordability for residents
- Coordinated and timely infrastructure investment resilient to climate realities
- Increased housing supply and affordability
- Robust health and social services supporting increased economic participation
- Long term economic development and prosperity for Ontario and its communities
- Modern, effective and streamlined service delivery

It's the right time for a province-wide conversation.

Dear Premier:

**Re: Town of Aurora Council Resolution of October 24, 2023
Motion 10.1 – Councillor Kim; Re: Cannabis Retail Applications for the Town of Aurora**

Please be advised that this matter was considered by Council at its meeting held on October 24, 2023, and in this regard, Council adopted the following resolution:

Whereas in January 2019, Council voted in favour of retail Cannabis in the Town of Aurora; and

Whereas the Alcohol and Gaming Commission of Ontario (AGCO) is the legal body overseeing Cannabis Retail; and

Whereas the Town of Aurora with geography of 7 km x 7 km and population of 64,000 currently has 13 Cannabis retail stores and 1 authorized at the AGCO; and

Whereas the long-term vision of the Town's Official Plan supports active and healthy lifestyle choices to complement a complete community; and

Whereas many cannabis stores are within close proximity to schools and daycares which are inhabited by society's most vulnerable; and

Whereas the Province of Ontario Liquor Licence and Control Act, 2019 (LLCA) in its regulation already has a precedent by limiting the number of grocery stores licensed to sell beer, wine, and cider to 450 and is currently not accepting any more applications;

- 1. Now Therefore Be It Hereby Resolved That the Town of Aurora requests that the Government of Ontario through its Alcohol and Gaming Commission of Ontario (AGCO) no longer accepts any further cannabis retail applications for the Town of Aurora; and**

- 2. Be It Further Resolved That the Town of Aurora requests that the Government of Ontario re-evaluate its “formula” on how many cannabis stores are permissible within the boundaries of a municipality, including but not limited to:
 - a. Utilizing a cap or upper limit;
 - b. Utilizing a population per capita formula;
 - c. Utilizing a distance to the next cannabis retail store formula; and**
- 3. Be It Further Resolved That should the Government of Ontario revisit the retail Cannabis formula guiding the number of cannabis retail stores permissible in a municipality, that it would extend to all existing municipalities; and**
- 4. Be It Further Resolved That a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario; the Honourable Doug Downey, Attorney General of Ontario; Dawn Gallagher Murphy, MPP Newmarket—Aurora; and the Honourable Michael Parsa, MPP Aurora—Oak Ridges—Richmond Hill; and**
- 5. Be It Further Resolved That a copy of this Motion be sent to the Association of Municipalities of Ontario (AMO) and all Ontario municipalities for their consideration.**

The above is for your consideration and any attention deemed necessary.

Yours sincerely,

31 October 2023

Dear Mr. Ford,

Ancaster Village Heritage Community (AVHC) is a citizens group focused on preserving heritage in one of Ontario's oldest communities, but as important supporting positive developments that will result in the increase in homes, we all know Ontario needs.

The combination of the Green Belt land swaps and the back door access to amendments of Official Plans in 14 communities and those amendments being employed in Ontario Land Tribunal appeals is perhaps the worst example of citizens being abused by government for a long time.

AVHC asks you to make it right. Rollbacks of changes to the Official Plans are a start, but the Ontario Land Tribunal decisions that relied on those changes must also be reversed.

For Ancaster, we ask your government to act decisively and roll back the Ontario Land Tribunal decisions made on the basis of revisions imposed by the province November 4, 2022 on the City of Hamilton Urban Official Plan.

In particular we refer to amendments to section E2.2.3.12 that permitted a density increase from 50 persons/hectare to 150 units/hectare (about 260 pers/hectare) and a height increase from 2.5 stories to up to 8 stories. These developer originated changes were not minor tweaks. **AVHC asks:**

1. Your government initiates whatever process is necessary to vacate the Ontario Land Tribunal approval for two projects in Ancaster's Village Core for two over-size developments approved under the Official Plan wording advanced by Mr. Johnston. These are OLT files 22-003888 and 22-004156.
2. Impose a full hold on these developments pending the outcome of the UHOP reversals and handling of OLT decisions to ensure construction does not start. There is a development hold on both approvals pending a revised Functional Servicing Report. However, AVHC believes developers need a crystal-clear message to stop all work today.

AVHC recognizes there is no easy path back to honest, open, transparent development decisions as a twisted mess of this magnitude is unprecedented, but we believe citizens deserve your leadership with a quick and simple move on your part.

Background

These revisions tied the hands of the Tribunal with the 2 developments in the Ancaster Community Node (Village Core) before them as they brought the Official Plan into alignment with the application, the reverse of what should have happened.

Worse still the revisions originated with a specific request from an individual with an interest in one of the developments. The province just “cut and pasted” the requested wording into the Official Plan revisions imposed on Hamilton to the benefit of the OLT appeal the individual was involved with.

AVHC sees this as a significant breakdown of integrity in your government. A quick check on active OLT appeals would have shown this.

Hamilton Ward 12 Councillor Craig Cesar in an October 27, 2023, statement said “These revelations also call into question outcomes of the OLT hearings for two appeals on Wilson Street in Ancaster (Wilson/Rousseaux St and Wilson/Academy St). The unilateral changes of the City's Official Plan undoubtedly had a significant positive impact for proponents once it was modified with input from private interests.”

Councillor Cesar is too kind by half. We do not yet know who invited Urban Solutions Planner Matt Johnston to submit a wish list for a project he was involved with to the Housing Ministry, but I believe we do know what happened:

1. Mr. Johnston advanced specific wording for amendments to the Urban Hamilton Official Plan to Steve Clark, then Minister of Housing on July 2, 2022.
2. Mr. Clark’s Chief of Staff, Ryan Amato, invited Mr. Johnston to review several planned changes to Official Plans on October 31, 2022. Mr. Johnston indicated he was comfortable with them.
3. On November 4, 2022 the Housing Ministry imposed 77 changes to the Urban Hamilton Official Plan, not appealable, with no consultation with the City including the changes suggested by Mr. Johnston which were copied word for word from his July 2 submission.
4. The behaviour by Urban Solutions and the province did much more than make a “positive impact” as Councillor Cassar says.

The changes made it impossible for the Ontario Land Tribunal to ultimately do anything but approve the development Mr. Johnston was involved with in a subsequent settlement hearing. The “cut and paste” amendments brought the development into alignment with the “new” Official Plan. The development height was 3.2 times higher, and its density was about 5 times higher than permitted in the Urban Hamilton Official Plan (UHOP) in place before the province copied Mr. Johnston’s requested wording into the November 4, 2022 Official Plan. The Development Application had been filed under the lower Official Plan provisions. AVHC believes the OLT would not have approved Official Plan amendments of this magnitude in a hearing free of outside interference.

5. Next, after his changes were incorporated into the UHOP Mr Johnston was an expert witness for the Applicant at the written Settlement Hearing for OLT 22-003888.

6. If there is any doubt of the impact of all this a short quote from Tribunal decision 22-003888, issued September 19, 2023 where Mr Johnston was an expert witness should dispel it.

Member Bitu M Rajae stated "Both Messrs. Kasprzak and Johnston attested to the Proposal's satisfaction of the City's new policies governing heights and density within the Community Node". Yes, those are the "new" policies Mr Johnson submitted on July 2.

7. Further, the Tribunal Decision states "Mr. Kasprzak and Mr. Johnston are relied upon by the Tribunal and, without objection, their opinions are qualified as expert opinion evidence in their respective fields of Urban Design and Land Use Planning".

You as the Premier can Make This Right

Citizens of Hamilton were victims of these back room politics. If the OLT decision stands the impact lasts for generations:

--A low density neighbourhood is expected to absorb a development with 5 times the density of surrounding properties.

--The sewer system this development would rely on is at capacity.

--Traffic is among the worst in the City by the City's own admission.

--A key heritage structure on the streetscape, Marr Philippo House, would likely be destroyed to allow the build

--the height and mass of the building is totally out of proportion with the surrounding structures

While there is no indication Mr Johnston was involved in OLT file 22-004156 it benefited from the revised Official Plan changes he submitted. It brings its own set of significant negative issues in its 7 stories just 100 meters east of the structure in 22-004156.

AVHC is not aware of any other Hamilton OLT decisions affected by the amendments referred to, but a full investigation by the Province and reversal of any decisions that relied on amendments to Urban Hamilton official Plan E.2.3.3.12 is essential.

We appreciate your attention to this matter and trust it is one of many steps needed to restore confidence in the development system in Ontario.

Sincerely

Dear Hon. Pablo Rodriguez,

Re: Floating Accommodations

At the meeting of October 23, 2023, the Council of the Town of Huntsville adopted the following resolution in support of the Township of Lake of Bays Resolution #B(a)/04-12-22 and Township of Georgian Bay Motion C-2022-164 and C-2023-157 on Floating Accommodations:

Motion 222-23

Moved by Monty Clouthier, seconded by Helena Renwick

WHEREAS: the Township of Georgian Bay and the Township of Lake of Bays has identified concerns with Floating Accommodations.

AND WHEREAS: the Township of Georgian Bay and the Township of Lake of Bays has requested that Transport Canada address the issue;

NOW THEREFORE, BE IT RESOLVED THAT: the Town of Huntsville supports Township of Lake of Bays Resolution #B(a)/04-12-22 and Township of Georgian Bay Motion C-2022-164 and C-2023-157;

AND FURTHER THAT: Council hereby directs staff to forward this Resolution to the Minister of Transport, the Premier of Ontario, Scott Aitchison - MP, Graydon Smith - MPP, Associations of Municipalities of Ontario (AMO) and all municipalities in Ontario (Township of Lake of Bays Resolution to be included in this correspondence).

In accordance with Council's direction, I am forwarding you a copy of the Lake of Bays resolution for your reference as well.

THE CORPORATION OF THE TOWNSHIP OF LAKE OF BAYS
Council Meeting

RESOLUTION #8(a)/04/12/22
NO.:

MOVED
BY:

DATE: April 12, 2022

SECONDED
BY:

WHEREAS floating accommodations have become a growing concern in that they will affect the environment, character, tranquillity and the overall enjoyment of Lake of Bays and regulating these floating accommodations is a top priority for the Township of Lake of Bays;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Lake of Bays hereby requests that Transport Canada amend the Canada Shipping Act 2001 by adding the following to the Act:

- All vessel greywater be discharged into a holding tank and disposed of as per Provincial regulations for new vessels; and
- All floating accommodations are required to conform to all Provincial and municipal regulations and by-laws.

AND FURTHER THAT the Council of the Corporation of the Township of Lake of Bays hereby requests that Northern Development, Mines, Natural Resources and Forestry (NDMNR) amend Ontario Regulation 161/17 to include the following:

- Post signs to restrict floating accommodation/camping on the water in southern Ontario (Muskoka ~~south~~) and that a permit from the NDMNR is required and a permit will not be granted without the consent of the local municipality;
- Camping is reduced from 21 days to 7 days;
- Not permit any camping on the water within 300m of a developed lot or within a narrow water body of 150m; and
- Should a municipality have more restrictive by-laws related to camping, these by-laws would apply.

AND FURTHER, THAT Council hereby directs the Clerk to forward this resolution to the Minister of Transport Canada, the Premier of Ontario, Scott Aitchison, MP, Norm Miller, MPP, Minister of Northern Development, Mines, Natural Resources and Forestry (NDMNR), Association of Municipalities of Ontario and all municipalities in Ontario.

Subject: Brief observations on item 11.2 on the planning committee agenda for October 31

1. The report assumes the urban boundary expansion that has been cancelled so needs to be updated before planning committee approval.
2. The process is backward. The natural heritage features should be the starting point, not an add-on after road and infrastructure locations and sizes have been decided. The report admits that our knowledge of natural heritage has not even been updated.
3. The entire AEGD vision needs to be re-examined in the light of the climate emergency and the biodiversity crisis. The AEGD originally called the "Aerotropolis" was proposed over twenty years ago as the expected central economic future of Hamilton in the strange belief that airports were already the central organizing feature of the economy, in a way similar to which ports, and then railways, and then highways were in the past. The key authors of the scheme in 2002 were the airport managers (Tradeport) and the land speculators.
4. The expected half billion in costs (construction only!) should call the whole project into question. The actually collected development charges will only cover a small portion of this.
5. The realistic employment expectations in the AEGD are mainly warehousing, and the rapid shift to robotics mean these jobs are disappearing very fast. The AEGD was falsely sold on 'high-tech jobs' that are even less likely to appear. The AEGD assumed that there were virtually no development opportunities on the Bayfront, which we now know to be false.
6. We now know that air traffic emissions must be eliminated and there isn't any clear way that can be accomplished in the AEGD in a 'net zero' future.

Subject: RETIRING OF LOCAL BUS 58

Hello all

Please let me introduce myself

My name is Linda Allen i am a resident of the village of Stoney Creek.

as well as many others who live in the village i am emailing regarding the retirement of bus 58 which went through the village (but Thanks to Andrea it no long does)

i have started a petition on line as well as paper copies we will fight to get this bus back .

i have a 194 signatures so far and more to come.

seniors especially have lost so much in the village and now they are stranded in their homes because they cant get to eastgate and surrounding areas, they depend on that bus for social interaction, banking , doctors , eye appointments and others.

I realize that there is another bus that will take people from the village to eastgate actually you have to take two buses now, here is the thing with that.

1- most important people have to cross king and centennial parkway(AKA KILLER CORNER) THIS IS A VERY DANGEROUS INTERSECTION AND FOR A SENIOR WHO CANT WALK THAT FAST THEY ARE MORE LIKELY TO GET HIT.

2- no bus shelters (winter is coming) never mind the rain every second day and blowing winds.

So instead of removing things that help out (seniors) lets take it away

That is not the answer we owe them more respect they are our mothers and fathers and grandparents and they have given us life so lets treat them like dirt.

They don't deserve to be locked up in their homes because its not in the budget.(its not in their budget to take the grocery bus on Wednesday and shop at fortinos because they cant get to giant tiger where they can afford to buy food.

Its not in their budget to go to the local hair dressers and spend \$60.00 on a haircut because they cant get to firstchoice where the same hair cut cost \$ 20.00.

They have tp take a taxi to go to the bank or doctors that taxi is not in their budget.

Do you see my point.

Bring in a small bus (old school bus) 12 seater .

ask for volunteer drivers maybe some people that are retired and want to kill a few hours a day .

JUST BRING THE BUS SERVICE BACK PLEASE.

I have the signed petitions if you want them i will send them.

Have a lovely week

looking forward to hearing back with some good news

City Clerk
City of Hamilton

Hamilton, ON L8P 4Y5

Dear Ms. Pilon:

I am writing on behalf of the Board of Directors of Royal Botanical Gardens (RBG) to seek City Council's support to update the Memorandum of Understanding (MOU) between RBG and the City in regard to the City's two appointees to RBG's Board of Directors.

Previously, MOUs were updated at the start of every new Council and the current MOU expired in November 2022.

If the City is amenable, RBG would like to propose changing the duration article of the MOU so that the MOU does not need to be updated with every new Council, but rather, as required, by either party.

Please refer to the attached Appendix for the proposed change to the duration article.

For Council's reference, I have attached the most recent signed MOU and a new Word version with the proposed changes in article 4.

There is one additional minor change in article 5 (c) to reflect the Consultation process described in article 6.

Please let me know if City Council requires any further information to consider this request.

Sincerely,

Nancy Rowland, CEO
Royal Botanical Gardens

THIS MEMORANDUM OF UNDERSTANDING DATED THE 3rd DAY OF December, 2018

BETWEEN

ROYAL BOTANICAL GARDENS

OF THE FIRST PART

AND

CITY OF HAMILTON

OF THE SECOND PART

1. DEFINITIONS

In this Memorandum of Understanding:

“**Act**” means the *Royal Botanical Gardens Act, 1989*.

“**Royal Botanical Gardens**” means the non-share capital corporation established in the Act under the name Royal Botanical Gardens.

“**Chair**” means the Chair of the Governing Board of Royal Botanical Gardens.

“**Board**” means the Board of Directors of Royal Botanical Gardens.

“**Council**” means the Council for the City of Hamilton.

“**MOU**” means this Memorandum of Understanding.

2. PURPOSE

The purpose of this MOU is to clarify the City of Hamilton’s intention regarding appointment of citizens and/or elected officials to the Board of Directors of Royal Botanical Gardens.

3. LEGISLATIVE AUTHORITY

Royal Botanical Gardens is the largest botanical garden in Canada, comprising over 2700 acres. Initiated in 1920 s by the Hamilton Board of Parks Management, a botanical garden was included in the plans for beautification of the City's northwest entrance and enlightenment of its citizens. In 1930 King George V granted a Royal Charter to the Royal Botanical Gardens which opened to the public in 1932 as Royal Botanical Gardens. Royal Botanical Gardens was incorporated through an Act of the Provincial Legislature of Ontario in 1941.

Royal Botanical Gardens is a scientific, educational, cultural and tourism institution governed by the Royal Botanical Gardens Act, 1989.

Under the Act, Royal Botanical Gardens is governed and controlled by the Board, which is composed of not more than twenty-four (24) members, of whom a maximum of six (6) persons may be appointed by the Council of the City of Hamilton which was constituted as a body corporate by the City of Hamilton Act. 1999. S.O. 1999, c.14, Schedule C, and which has every power and duty of the former Regional Municipality of Hamilton-Wentworth under any special Act, pursuant to subsection 5(3) of the said City of Hamilton Act. 1999.

4. DURATION

This MOU shall commence as of the date of its last signature and will be in effect until the expiry of the term of Council which commences on December 1, 2018.

At any point, either party (Council or Board) may request a review.

5. GUIDING PRINCIPLES

The City and Board agree that they will adhere to the following principles in their relationship:

- a) The City acknowledges that its current financial commitment to Royal Botanical Gardens is substantially less than it was when the Act was passed.
- b) In consultation with Royal Botanical Gardens, the City agrees to appoint a maximum of two members to the Board of Royal Botanical Gardens.
- c) The City may appoint elected officials and/or citizens appointees to the Board.

- 
- d) As permitted by paragraph 5 of subsection 4(1) of the Act, the Board agrees to appoint an equal number of persons in the stead of the number of persons who are not appointed by the Council of the City of Hamilton under clause (b) above, for a term to be determined by by-law.

6. CONSULTATION

The City and the Board recognize that the skills and dedication of Board members is essential to good governance. They therefore agree that:

- a) Royal Botanical Gardens will provide to the City a profile of the skills needed and commitment required of individual Board members to inform the nomination process.
- b) RBG will advise the City on the suitability of potential candidates and/or participate in the citizen appointment process as requested by the Clerk's Office.
- c) The City will inform potential candidates of the expectations of Board members prior to confirmation of appointment.

7. EXPECTATIONS OF BOARD MEMBERS

Acceptance of a nomination to the RBG Board means acceptance of the following specific responsibilities:

- a) Membership in RBG
- b) Participation in orientation to RBG
- c) Attendance at Board meetings
- d) Participation on at least one Board Committee
- e) Attendance at a reasonable number of RBG functions
- f) Support for RBG fund-raising
- g) Annual donation to RBG (appropriate to own financial resources)

8

In addition, Board members are expected to respect the principles of:

- a) Solidarity behind a Board decision once it is taken.
- b) Confidentiality of Board discussions.
- c) Support for (not direction of) staff to direct and manage RBG affairs within the policy directives of the Board, including respect for institutional structure and channels of communication.

Dear City of Hamilton,

Re: 2024 Grand River Conservation Authority Draft Budget for Consultation

Please be advised that the General Membership of the Grand River Conservation Authority (GRCA) approved the GRCA's Budget 2024 Draft #1 for consultation purposes at their meeting on October 27, 2023. The approved motion is as follows:

THAT Report Number GM-10-23-80 – Budget 2024 – Draft #1 be approved for consultation purposes, circulated to all participating municipalities, and posted to the GRCA website.

This consultation circulation is required under [Ontario Regulation 402/22: Budget and Apportionment](#) which came into effect July 1, 2023, and sets out requirements for Conservation Authority budgets and municipal apportionment starting with the 2024 budget process. This regulation replaced *O.Reg.139/96 Municipal Levies* and *O.Reg.670/00 Conservation Authority*. As a result of these changes, the format of the 2024 budget for the GRCA is different from prior years.

The attached report and draft 2024 budget outline the programs and services of the GRCA and how those programs are expected to be funded in 2024. Also attached is the municipal apportionment information.

This draft budget includes a total municipal apportionment amount of \$13,292,000 which represents a 2.5% increase over 2023. Municipal apportionment of General Operating Expenses, Category 1 Operating Expenses, and Category 2 Operating Expenses have been allocated to participating municipalities using Modified Current Value Assessment (MCVA) information in the watershed, which was provided by the Ministry of Natural Resources and Forestry (MNRF). Although not all participating municipalities have signed the Category 2 Memorandum of Understanding (MOU) at this time, the MCVA allocation for Category 2 reflects an assumption of agreement by all participating municipalities.

Under O.Reg.402/22, municipal apportionment and the budget must be approved at separate meetings. The Municipal Apportionment vote is scheduled to occur at the GRCA General Membership meeting on January 26, 2024, and the Final 2024 Budget vote is scheduled for the meeting on February 23, 2024.

Should you have any questions or feedback concerning the draft budget or municipal apportionment, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Karen Armstrong".

Report number: GM-10-23-81

Date: October 27, 2023

To: Members of the Grand River Conservation Authority

Subject: Budget 2024 – Draft #1 – Municipal Apportionment

Recommendation:

THAT Report Number GM-10-23-81 – Budget 2024 – Draft #1 – Municipal Apportionment be received as information.

Summary:

The distribution of the proposed 2024 Municipal Apportionment to participating municipalities is attached, based on the first draft of the 2024 Budget.

Report:

Ontario Regulation 402/22: Budget and Apportionment, which came into effect July 1, 2023, details the Conservation Authority (CA) budget process and municipal apportionment methods and requirements. This regulation replaced O.Reg.139/96 Municipal Levies and O.Reg.670/0 Conservation Authority Levies.

Different apportionment methodologies are available depending on the category of expense. General operating expenses are to be apportioned using Modified Current Value Assessment (MCVA). General capital expenses may be apportioned using MCVA or by agreement. Category 1 operating and capital expenses may be apportioned using MCVA or by benefit-based apportionment agreements. Category 2 operating and capital costs are to be apportioned based on the methodology agreed to in the Memorandum of Understanding (MOU). Where Category 3 operating and capital costs are apportioned to municipalities, that calculation may be determined by MCVA, MOU, or benefit-based apportionment agreement.

At the Grand River Conservation Authority, municipal apportionment is allocated to participating municipalities based on Modified Current Value Assessment information in the watershed, which the Ministry of Natural Resources and Forestry (MNRF) provided.

Using the 2023 assessment information provided, the resulting allocation of the proposed 2024 Municipal Apportionment based on the first draft of the 2024 budget is attached. The expenses are categorized separately as General Operating Expenses, Category 1 Operating Expenses, and Category 2 Operating Expenses. Although not all participating municipalities have signed the Category 2 MOU at this point, the MCVA allocation for Category 2 reflects an assumption of agreement by all participating municipalities.

Financial Implications:

The first draft of the 2024 Budget proposes a total municipal apportionment amount of \$13,292,000, representing an increase of \$324,000, or 2.5%, over 2023. After allocating this amount in accordance with O.Reg. 402/22, individual municipalities will experience increases ranging from 1.3% to 7.4% compared to 2023.

Grand River Conservation Authority

Report number: GM-10-23-80

Date: October 27, 2023

To: Members of the Grand River Conservation Authority

Subject: Budget 2024 – Draft #1

Recommendation:

THAT Report Number GM-10-23-80 - Budget 2024 - Draft #1 be approved for consultation purposes, circulated to all participating municipalities, and posted to the GRCA website.

Summary:

This report summarizes the first draft of the 2024 Budget. The final budget for 2024 will be presented for approval at the February 24, 2024 Annual General Meeting. See Attachment A “Budget 2024 Timetable” for additional details on budget timelines.

Budget 2024- Draft #1 reflects the continuation of programs and services delivered in 2023 and maintains breakeven results. Total draft expenditures for 2024 are \$34,442,188. For context, the October 2022 draft budget for 2023 included expenditures of \$33,279,188. Preliminary budget financial figures are outlined in Attachment G which includes the Statement of Operations and detailed Program and Services statements. The individual programs and services budgets have been categorized as Operating, Capital Maintenance, and Special projects.

Grand River Conservation Authority (GRCA) programs and services are funded by:

- Municipal Apportionment (in prior years referred to as Municipal General Levy)
- Municipal Funding as per Memorandum of Understandings (MOUs)
- Other Municipal Funding (by special agreements)
- Provincial and Federal Grants
- Self-Generated Revenue
- Funding from Reserves

Overall, the municipal funding request has been increased by 2.5% (or \$324,000) to \$13,292,000 in 2024. For a breakdown of municipal funding by Category 1, 2, and general operating expenses see Attachment C “Budget 2024 Municipal funding breakdown”.

As required under *O.Reg.687/21 Transition Plans and Agreements for Programs and Services Under Section 21.2.2 of the Act*, the GRCA has developed an Inventory of Programs and Services based on the categories identified in the Regulation. These categories include: (1) Mandatory, (2) Municipally requested, (3) Other (Authority determines are advisable), and General Operating Expenses.

Attachment B “Programs & Services Inventory” outlines the expenditures and funding sources applicable to each category, along with the reallocation of program surplus between programs and services.

Appendix D “Summary of Municipal Apportionment” details the municipal apportionment and MOU funding requests by participating municipalities.

TABLE A -BUDGET 2024 EXPENDITURES

	2024	2023 (Oct draft)	Increase/(decrease)
<u>EXPENDITURES</u>			
Operating Expenses	\$29,066,688	\$28,148,688	\$918,000
Capital Expenses	\$4,419,000	\$4,104,000	\$315,000
Special Projects	\$840,000	\$840,000	\$0
Funding to Reserve (hydro)	\$116,500	\$116,500	\$0
TOTAL	\$34,442,188	\$33,209,188	\$1,233,000

Note: Use of the term capital expenses for spending that is funded with municipal apportionment refers to major maintenance, water control structure studies, or water management equipment.

Report:

A. CONSERVATION AUTHORITIES ACT - NEW REGULATIONS

The Conservation Authorities Act (CA Act) outlines three categories of programs and services: (1) Mandatory, (2) Municipally requested, and (3) Other (Authority determines are advisable).

O. Reg. 402/22 - Budget and Apportionment also defines “general operating expense or capital cost” as an operating expense or capital cost that is not related to the provision of a program or service that an authority provides. The regulations require that these costs be identified separately, and municipal funding be apportioned using Modified Current Value Assessment (MCVA).

O. Reg. 402/22 requirements came into force for the 2024 budget process. See Attachment A – Budget 2024 Timetable for timeline details. This regulation outlines Four Phases to the budget process

- Phase 1: Categorizing revenue and expenses as per the categories listed above, and amounts of municipal apportionment
- Phase 2: Board approval of draft budget for consultation (vote required), distribution to participating municipalities, and posting on the GRCA’s Governance section on the website. Consultation with municipalities will occur as required.
- Phase 3: Board apportionment approval process (weighted vote required)
- Phase 4: Final budget approval process (vote required)

B. OPERATING BUDGET

In general, the 2024 budget assumes the same level of program and service delivery as provided in 2023. Any exceptions to specific program areas are included in the commentary below as applicable.

(a) Resource Planning

- Resource Planning fee revenue declined in 2023 and therefore this draft of the budget reduced revenue by \$100,000.
- Compensation and benefits costs reduced by \$50,000 to recognize vacancy and/or rate savings which have resulted historically (budget assumes no change in staffing complement).

(b) Residential Property Rental Program

- The Residential Property Rental Program is in the process of winding down. The budgeted 2023 revenue of \$110,000 assumes no decrease in occupancy during 2024.
- The budgeted net result for this program is a \$25,000 deficit.

(c) Outdoor Environmental Education

- Negotiations with school boards for 2023/24 contracts have been completed. The first draft of the budget assumes that 2023/24 school contracts will be extended for the 2024/25 school year. This draft does not include any community or day camp program delivery. Decisions regarding the future format and scope of the Outdoor Environmental Education program will be incorporated into future budget drafts as applicable.

(d) Conservation Areas

- Conservation Area 2024 budgeted revenue of \$10,500,000 is approximately \$1,000,000 less than projected revenue of \$11,500,000 for 2023.
- Operating expenses are being increased by \$350,000.
- Conservation Area program and services expenses have been expanded to include 100% of Manager of Conservation Area Operations, 50% of Luther Marsh operations, and 100% of hazard tree management in the Conservation Areas. The funding for these three additional components is being funded with surplus from other Category 3 programs.
- The Conservation Areas budget excludes any allocation for corporate services overhead expenses.
- The revenue and cost assumptions will be revisited once actuals for the full 2023 season are available. Any adjustments to operating revenue or expenses will be the transfer to/from the Conservation Areas Reserve.

(e) Investment Income

- Income increased \$50,000 due to higher interest being earned on cash balances.

(f) Section 39 Funding

- It is assumed that there will no further cutbacks in the provincial Section 39 grant for the period April 1, 2023 to March 31, 2024 and therefore the Section 39 grant amount is anticipated to remain at \$449,688.

(g) Municipal Funding

- The 2024 Budget includes \$12,275,000 of funding for Category 1 Mandatory Programs and General Operating Expenses along with \$1,017,000 for Category 2 MOU Programs for a total of \$13,292,000 which is a \$324,000 (or 2.5%) increase over the 2023 General Municipal Levy of \$12,968,000.

(h) Surplus Assumption

- The draft budget assumes a \$100,000 surplus carry forward from 2023. If additional surplus is applicable, staff will recommend that it be incorporated in the final budget and used for non-recurring expense demands (i.e. consulting, professional development, and other administrative costs).

(i) Transition Reserve (created in 2021)

- The purpose of the reserve is to fund expenditures related to the transitioning of the GRCA to new provincial regulations requirements and/or fund costs related to managing expenses impacted by COVID-19 or revenue losses due to COVID-19. As at December 31, 2022, the reserve balance is approximately \$2.0 million.
- The strategy for Budget 2024 draft #1 is to utilize the transition reserve to fund one staff position (\$100,000) to assist with some of the deliverables required by the new regulations and to fund the Outdoor Environmental Education program deficit (\$312,000).

(j) Compensation and Benefits and Staffing Comments:

- The 2024 draft budget includes a 3% increase for compensation and benefits which allows for a general wage increase, grid steps within wage scales, and benefit cost increases. In addition, one administrative position is being added to the budget.
- Non-union salary adjustments are required to be approved by the General Membership which is typically presented in November or December for the subsequent year.
- Union wage adjustments have been incorporated into the budget in accordance with the Collective Agreement which is effective until December 31, 2025.

(k) Source Protection Program

- The province has identified that this program is considered a Category 1 mandatory program that is required to be delivered by Conservation Authorities. Funding until March 2024 was secured. The province, which currently fully funds this program, has not guaranteed funding for future years, nor has it announced an end to program funding.

C. CAPITAL & MAJOR MAINTENANCE BUDGET

(a) Major Maintenance Spending Water Control Structures

- The budget is set at \$1,500,000. Any demands that arise more than that amount can be funded with the Water Control Structures reserve and/or the Land Sale Proceeds reserve. Staff continue to seek funding to repair and update the water control infrastructure from provincial and federal government. Government funding included in budget 2024 relates to provincial Water and Erosion Control Infrastructure (WECI) funding which is subject to provincial approval of projects. Changes to this budget line will not impact the request for municipal funding. Any additional spending will be funded with WECI funding or reserves.

(b) Capital Spending Conservation Areas

- The budget is set at \$2,000,000. This spending is budgeted to be funded with \$1,650,000 of fee revenue and \$350,000 from the conservation area reserve. Future budget drafts will be revised as capital projects are prioritized. Any increases in budgeted spending will be facilitated by either increased revenue or use of the conservation area reserve. Any decrease in budgeted expenses would be offset by a transfer to the conservation reserve.

(c) Water Monitoring Equipment and Flood Forecasting and Warning Expenses

- The budget is being held constant at \$300,000. The gauge reserve will be used to fund \$100,000 of total costs and the remaining costs will be funded with Category 1 Municipal Apportionment funding.

(d) Information Systems and Motor Pool

- Costs of \$379,000 for Information Systems and \$240,000 for Motor Pool represent the costs not funded through internal cost allocations to programs and services and are funded through the IS reserve and MP reserve respectively. See Attachment G 'P&S #16 - Supplemental Information – IS and MP' for detailed expense information.

D. SPECIAL PROJECTS

(a) Special projects do not rely on Municipal Apportionment funding.

(b) This draft of the budget only includes items that are known or highly likely to be undertaken and a cost can be estimated. At present, the budget includes \$840,000 in spending. By the time the 2024 budget is finalized, special project spending, along with

matching revenue, is expected to increase as projects are approved and carryover amounts are confirmed.

(c) The \$840,000 in special projects included in this draft budget are:

- \$800,000 Rural Water Quality Capital Grants
- \$40,000 Species at Risk Program

(d) New Guelph Lake Nature Centre Building

To date, the purchasing process for this project has not commenced, therefore, a reliable cost estimate is not available. The final budget draft will incorporate this project as applicable with funding to be provided via donations and potentially using GRCA reserves.

E. RESERVES

For 2024, reserves are budgeted to decrease by \$331,500. Significant budgeted drawdowns to reserves include \$350,000 for Conservation Area capital projects, \$315,000 to fund the Environmental Education deficit, \$100,000 to fund one staff position, \$379,000 for Information Systems, and \$240,000 for Motor Pool. See Attachment E 'Summary of Reserves' for details of reserve movements budgeted for 2024. The use of reserves is integral to GRCA operations. The GRCA sets aside certain funds to reserves (i.e. Land Sale Proceeds, Hydro Revenue, Interest Earned on Reserves) in order to be able to draw upon these reserves at a later date in accordance with either legislative mandates and/or board-approved use

Reserves can be viewed as:

- Planned savings set aside for future capital projects (facilitates smoothing of funding requests)
- Surpluses set aside for future operating or capital needs (i.e. Conservation Area revenue in excess of budget)
- Contingency funds for unplanned expenditures
- Legislated amounts to be used in accordance with regulations (i.e. land sale proceeds)

A detailed report on reserves will be presented at the November 24, 2023 meeting.

F. CATEGORY 2 – WATERSHED SERVICES

The programs and services included under watershed services are:

- Subwatershed Studies
- Conservation Services
- Water Quality
- Wastewater Optimization Program
- Groundwater Resources
- Watershed Services

See Attachment F 'Budget 2024 Category 2 - Watershed Services Program Breakdown'

This budget assumes that all participating municipalities will enter into a Memorandum of Agreement with the GRCA and agree to apportioning the funding requirements using MCVA, the same as Category 1 apportionment and the same method that was used in prior years.

G. MUNICIPAL APPORTIONMENT (referred to as General Municipal Levy in prior years)

Where municipal funding is applicable, namely, Category 1, 2, and General Operating Expenses, the methodology of apportionment used is Modified Current Value Assessment (MCVA) on the basis that there is a watershed benefit for all participating municipalities from the programs and services. See Attachment D 'Budget 2024 Summary of Municipal Apportionment' for details.

The methodology for calculating the MCVA and distributing apportionment is outlined *in O. Reg. 402/22 Section (7)*. Agreements with participating municipalities for Category 2 programs and services have not been finalized therefore the funding allocation is subject to change and would be communicated and agreed to accordingly if applicable.

OTHER MAJOR ASSUMPTIONS

- (a) Cottage Lot Rental Program revenue increased by 2.5% or \$57,000 in accordance with the Residential Tenancy Act.
- (b) Total Insurance expense increased by 5% or \$24,000 to reflect 2023 rate increases and projected 2024 rate increases.
- (c) Total Property Tax expense increased \$20,000.
- (d) Admin Operating expense held constant.
- (e) Other Operating expenses increased between 0% and 5% as applicable.
- (f) Motor Pool charge-out rates held constant.
- (g) Computer charge-out rates held constant.

H. SIGNIFICANT OUTSTANDING BUDGET ITEMS

- (a) Year 2023 Carry forward Adjustments
2023 Surplus carry forward - this draft of the 2024 Budget assumes a \$100,000 surplus carryover from year 2023. The actual "2023 Net Surplus" will be incorporated into the 2024 budget.
- (b) 2023 Special Projects carry forward
Any projects commenced in year 2023 and not completed by December 31, 2023 will be carried forward and added to Budget 2023 (i.e. both the funding and the expense will be added to Budget 2023 and therefore these adjustments will have no impact on the breakeven net result).
- (c) Water Control Structures Major Maintenance Expenditures
A final determination of the amount of spending to be added to the Budget 2024 (i.e. unspent amounts from 2023, new projects) will be made, including use of reserves for 2024 projects. Any decisions to increase spending should not impact the general municipal apportionment request but would be funded with reserves, WECI funding, and/or new funding sources, as applicable.
- (d) Conservation Area Revenue and Expenses
Final revenue, operating, and capital expense figures are to be determined following the year-end actuals review.
- (e) Environmental Education
Final revenue and operating expense figures are to be determined following further information on program delivery developments.

The following are attached:

- Attachment A: Budget 2024 Timetable
- Attachment B: Budget 2024 Program and Services Inventory
- Attachment C: Budget 2024 Municipal Funding Breakdown
- Attachment D: Budget 2024 Summary of Municipal Apportionment
- Attachment E: Budget 2024 Summary of Reserves
- Attachment F: Budget 2024 Category 2 - Watershed Services Program breakdown
- Attachment G: Statement of Operations & Detailed Program and Services Statements

Financial Implications:

Budgeted spending for 2024 is \$34,442,188 (2023: \$33,279,188) which includes transfers of \$116,500 to reserves. This first draft of the budget includes a municipal general levy increase of \$324,000 (or 2.5%).

The main budgetary challenges faced by the GRCA are:

- Cost pressures created by the economic environment including inflation, supply chain issues, and labour force shortages.
- Conservation Area operating revenue is impacted by fluctuations in consumer demand and weather conditions which are difficult to predict.
- An aging infrastructure in the Conservation Areas and aging Nature Centre facilities.
- Increased demands on managing passive lands (i.e. land use decisions, hazard tree management, trespassing, infrastructure).
- Keeping pace with digital innovation and technological advancements.
- Meeting new regulation reporting requirements (Conservation Area Strategy, etc.)

NOTE 3

COMMENTARY:

- NOTE 1 Total Programs & Services expenditures (includes transfers to reserves) is funded 39% by the combined total of mandatory municipal apportionment and Category 2 MOA municipal funding.
- NOTE 2 Almost 50% of total expenses is funded with self-generated revenue.
- NOTE 3 Category 3 'Property Rentals' and 'Hydro Production' generate a surplus which is allocated to Category 3 programs and General Operating expenses to achieve breakeven results for each P&S.
- NOTE 4 In 2023 General Municipal Levy funding totalled \$12,968,000. Therefore Municipal funding is increasing by \$324,000 (or 2.5%) to \$13,292,000 in 2024 compared to 2023.
General Operating Expenses include administrative expenses related to Office of the CAO, communications, capital support, finance, payroll, human resources, Health and Safety, head Office facility, and other administrative expenses that support the provision of programs and services.
- NOTE 5 **Administrative Support** include administrative expenses related to finance, communications, capital support and other administrative expenses that support category 3 programs and services.
- NOTE 6 **Administrative Support** include administrative expenses related to finance, communications, capital support and other administrative expenses that support category 3 programs and services.

**Re: Announcement Impacting Provincial Decisions on Municipal Official Plans/
Official Plan Amendments**

Dear Sir, Madam:

Since becoming the Minister of Municipal Affairs and Housing, I have made it a priority to review past decisions related to land use planning, including official plans and minister's zoning orders, to ensure that these earlier decisions support our goal of building at least 1.5 million homes in a manner that maintains and reinforces public trust.

In November 2022 and April 2023, the ministry issued decisions on official plans impacting the cities of Barrie, Belleville, Guelph, Hamilton, Ottawa and Peterborough, the regional municipalities of Halton, Niagara, Peel, Waterloo and York, and Wellington County. As a result of my review of these decisions, on October 23, 2023, I announced my intent to introduce legislation as soon as possible that would reverse the province's changes to these plans.

For clarity, the proposed legislation will, if passed, bring into effect the official plans or official plan amendments as adopted by municipal council without provincial modifications, except for any modifications that are necessary to protect matters of public health and safety, or which are required to align with legislation or regulations.

The ministry appreciates that the decisions that were made in November 2022 and April 2023 are currently in effect, and I understand that many municipalities are working to actively implement the decisions. I also appreciate that productive collaboration and coordination between the ministry and your municipality is going to be needed to ensure clarity going forward.

As stated in my announcement on October 23, 2023, we are providing 45 days for municipalities to submit information about the modifications to the official plans that were originally submitted to the Ministry, including:

1. Circumstances or projects where construction has already begun in relation to the official plan or official plan amendment decisions, particularly those projects that are directly reliant on the modifications made to the plan through the ministry's decision; and

2. If there are changes that the municipality would like to see made to the official plan, based on the modifications that the province had previously made, and which you support. Municipal feedback on the original official plan submitted to the province will be important to supporting its implementation.

We are asking mayors of impacted single and lower tier municipalities to submit this feedback, including proposed changes and updates to the official plans/official plan amendments, to ministry staff **by December 7, 2023**. Please submit feedback to the following email address: MMAHOfficialPlans@Ontario.ca.

To ensure the province receives the necessary feedback within the 45-day window, we will accept changes directly from heads of council of single and lower-tier municipalities, including to official plans that were originally submitted with council endorsements from upper tier municipalities. Heads of council may choose to seek a council endorsement of their proposed changes, but that is not required.

While I intend to introduce legislation prior to the conclusion of the 45-day period, please rest assured that municipal feedback received during the 45-day window, and through consultation on the legislation, will be carefully considered to determine the best approach for moving forward, including if further legislative steps or the use of other provincial tools are required.

We are also interested in receiving information and supporting documentation that outlines related planning costs that may have been incurred by your municipality arising out of the provincial decisions. This information can be submitted to the ministry outside of the 45-day window through municipal staff.

Official plans are an important tool for addressing Ontario's shortage of housing. To that end, as you prepare your feedback, I encourage you to ensure your proposed approach to meet your housing targets is ambitious and reflective of the serious need to get more homes built quickly. In particular, I encourage you to look for opportunities to systematically increase density and align this density with existing and planned transit within your municipality. Getting more homes built faster will help more people in your municipality find a home that meets their needs and budget and help municipalities access funding under Ontario's all-new \$1.2 billion Building Faster Fund.

If your staff have questions or concerns, ministry staff are available to discuss this matter further. Please have municipal staff contact the ministry at the email address above and we will connect you with the relevant staff in my ministry.

Thank you,

Hon. Paul Calandra
Minister of Municipal Affairs and Housing

Subject: Support changes to transit fare assist program

From: Joshua Weresch

Subject: Support changes to transit fare assist program

Dear Councillor Danko and Mayor Horwath,

Good morning. I hope this finds you well. I write as a resident in Ward 8, regarding the CBC Hamilton article written by Samantha Beattie, People with disabilities will soon have to pay Hamilton bus fare as new program slated for 2024 (2 Nov 2023 [<https://www.cbc.ca/news/canada/hamilton/hsr-fare-assist-1.7015114>]; accessed 2 Nov 2023). I ask that this letter be included on the public agenda of the Council meeting to be held on 8 November 2023.

I am appalled that the price of more transit for the poor, to which I am not at all opposed, is the disenfranchisement of low-vision users of public transit, users who are, according to advocates, members of a historically vulnerable population. The only just solution to pitting one group of vulnerable users against another group is free transit for all users, beginning with the adoption of the C.A.R.E.-free transit programme proposed by the district labour council. Moreover, I would like to know how many members of council even use public transit and what makes them more qualified to speak to and vote on how public transit is enacted than the very communities that will be deeply impacted and disenfranchised by this decision.

I have been using public transit through the week and week-end since 2011 and have seen only fares increase in the past decade. The increases at the fare-box serve only to make transit more and more unaffordable for those who most rely on it to enjoy freedom of mobility, a right guaranteed under the Canadian Charter of Rights and Freedoms. According to Hamilton Citizens at City Hall (hamiltoncatch.org), in an article published in October 2020 (see <https://hamiltoncatch.org/articles/2020/10/05/gasoline-drop-will-hit-city-1>), the city has long relied on the flawed methodology of the Association of Municipalities of Ontario to under-fund systematically public transit; under that methodology, the provincial gasoline tax revenue, all of which is to be directed to public transit directly, is siphoned off so that 90% of that revenue is directed to road maintenance and repairs and 10% to public transit. If 100% of that revenue were directed to public transit, more buses, perhaps even electric ones, and unionized drivers for them, would be on the roads decreasing wear and tear on the roads themselves and reducing the need for maintenance.

I urge you and Council as a whole to support changes to this fare-assist program so that the voluntary pay program can continue and to re-consider their decision to support the fare-assist program altogether. Please extend the voluntary pay programme so that low-income users can also ride for free and continue to pressure the province to fund fully all forms of public transit so that it can be made free for all users, a step that would certainly help address the growing problem of climate change in the city.

I look forward to your actions in these regards.

Power to the people,

Joshua Weresch

**PUBLIC WORKS COMMITTEE
REPORT 23-016**

1:30 p.m.

Monday, October 30, 2023

**THE PUBLIC WORKS COMMITTEE PRESENTS REPORT 23-016 AND
RESPECTFULLY RECOMMENDS:**

**1. Waste Management Sub-Committee Report 23-003 - September 29, 2023
(Item 9.1)**

That the Waste Management Sub-Committee report 23-003 – September 29, 2023, be received.

**2. Opportunities to Partner with Educational Institutions to Plant Trees
(PW23066) (City Wide) (Outstanding Business List Item) (Item 11.2)**

(a) That Forestry and Horticulture staff be authorized and directed to:

- (i) Pursue opportunities with representatives from Conservation Authorities and educational institutions (the “Organizations”) in the City of Hamilton to plan tree planting projects on lands which are readily accessed by the public and owned by these Organizations; and
- (ii) Present these opportunities to Ward Councillors and assist in drafting motions which detail the project(s) and which requests the use of the Area Rating Special Capital Re-Investment Discretionary Funds following Ward-Specific Funding Initiatives Procedures outlined in Report FCS18014(a).

- (b) That the General Manager, Public Works, or their designate, be authorized and directed to:
 - (i) Apply for grant funding on behalf of the City of Hamilton for forestry initiatives related to increasing tree canopy on all City of Hamilton owned lands;
 - (ii) Support grant applications initiated by collaborating Organizations, including not for profit organization by providing letters of support, and/or by assisting with the completion of applications for grants respecting forestry initiatives related to increasing tree canopy on all City of Hamilton owned lands;
 - (iii) Approve and execute any letters of support, grant applications, grant agreements or any other agreements and documentation required to give effect to the recommendations made within this report, provided they are in a form satisfactory to the City Solicitor; and
 - (iv) To accept any grant funding that supports forestry initiatives related to increasing tree canopy on all City of Hamilton owned lands.

3. MacNab Street South Lighting Enhancements (Ward 2) (Item 12.1)

WHEREAS, members of the community raised safety concerns due to inadequate street lighting conditions on MacNab Street South between Bold Street to Hurst Place;

WHEREAS, adequate street lighting enhances public safety and security which promotes the use of public spaces; and

WHEREAS, the Transportation Division conducted an assessment of existing lighting levels and determined them to be lower than required, particularly on sidewalks.

THEREFORE, BE IT RESOLVED:

- (a) That the Transportation Division be directed to upgrade the existing lighting on MacNab Street South between Bold Street and Hurst Place by replacing the existing decorative street light poles and luminaires with lighting equipment that will improve the lighting of the sidewalks and roadways to City standard; and

- (b) That all costs associated with upgrading the street lighting on MacNab Street South between Bold Street and Hurst Place be funded from the Ward 2 Capital Re-investment Reserve Account (#108052) at an upset limit, including contingency, not to exceed \$40,000.

6. A Bylaw to Regulate the Distribution and Display of Graphic Images (Item 12.1)

WHEREAS section 10 of the *Municipal Act, 2001*, S.O. 2001, c. 25, (the “Municipal Act, 2001”) as amended provides that a Municipality may pass by-laws respecting: economic, social and environmental well-being of the Municipality; health, safety and well-being of persons; and the protection of persons and property;

WHEREAS residents have expressed concerns that unsolicited non-commercial flyers showing graphic images of aborted fetuses are being delivered to properties across Hamilton;

WHEREAS these unsolicited flyers are causing harm to some recipients, including children and youth who are exposed to the flyers while collecting the mail and individuals who have experienced pregnancy loss;

WHEREAS residents have also expressed concerns with the same graphic imagery being carried, held or displayed in public spaces; and

WHEREAS residents should have an opportunity to choose whether they wish to view such images;

THEREFORE, BE IT RESOLVED:

- (a) That staff be directed to prepare a report for Planning Committee’s consideration no later than Q2 2024, on the feasibility of the City of Hamilton adopting and enforcing a by-law to regulate the distribution and display of graphic images:
 - (i) Requiring that flyers containing one or more images showing, or claiming to show, a fetus or any part of a fetus, conceal these images from view; and

- (ii) Requiring that these said flyers be fully concealed within a sealed envelope or package, and that the sealed envelope or package containing the graphic image be marked with the following notice and information:
 - (1) the name and address of the person responsible for the delivery of the graphic image(s); and
 - (2) a warning that the envelope or package contains a graphic image that may be offensive or disturbing to some people;
- (b) That the by-law to regulate the distribution and display of graphic images would not apply to:
 - (i) mail that is delivered to a residence by Canada Post; and
 - (ii) material that is delivered to the residence at the request or with the consent of the addressee
- (c) That staff also be requested to explore the feasibility of regulating or prohibiting graphic imagery that is carried, held or displayed in public spaces.

7. Appeal to the Ontario Land Tribunal (OLT) for lands located at 909 North Waterdown Drive, Waterdown, for Lack of Decision on Urban Hamilton Official Plan Amendment Application (ZAC-22-032/UHOPA-22-018) (LS23006(a)) (Ward 15) (Item 15.2)

- (a) That the directions to staff in closed session respecting Report LS23006(a) be approved;
- (b) That the directions to staff in closed session with respect to Report LS23006(a) be released to the public, following approval by Council; and,
- (c) That the balance of Report LS23006(a) and its Appendices remain confidential.

HAMILTON MUNDIALIZATION COMMITTEE

PART A: General Information

ADVISORY COMMITTEE MEMBERS:

Anthony Macaluso (Chair)	
Rosemary Baptista (Co-Chair)	
Jan Lukas	
Rein Ende	

MANDATE:

The purpose of the Hamilton Mundialization Committee shall be:

- a) to promote Hamilton as "A World (Mundialized) City" dedicated to global awareness, international cooperation, and world law
- b) to further the work of the United Nations through publicity and education and to have the United Nations flag always flown with the Canadian flag the City Hall
- c) to undertake twinning programs in international cooperation with like-minded municipalities in this and other countries to foster an understanding of the increasing interdependence of the municipalities, peoples, and countries of the world
- d) to involve Hamilton residents of different cultures, especially those from the countries of our sister communities, to share in our multicultural programs
- e) to include representatives from City Council in the Committee for implementing the above programs.

PART B: Strategic Planning

STRATEGIC OBJECTIVES:

The Hamilton Mundialization Committee’s goals and objectives include:

- Facilitating and supporting peace initiatives and the twinning relationships between Hamilton and its ten twin-cities around the world.
- Assisting Council in implementing its Mundialization resolution
- Complementing and affirming the objectives of the City’s "Strengthening Hamilton Community Initiative"
- Supporting any and all relationships with the City of Hamilton's Twin Cities

In alignment with the Committee’s mandate, key deliverables include leading the following efforts, activities, and initiatives:

- Ongoing Kaga/Hamilton events commemorating the 50+ year relationship between Kaga and Hamilton (Dundas)
- Anniversary twinning events or other twinning events as identified
- Racalmuto Regional events
- World Citizenship Award
- Photo Contest
- Hiroshima-Nagasaki Vigil

The Committee provides an ongoing review of Mundialization relationships and processes thereof. The benefit of participation is the enhancement of relationships between the residents of our twin communities, both locally and internationally, and the residents of the city of Hamilton.

City of Hamilton Flag and Sign Policy

Purpose: To provide direction with respect to Flag and Hamilton Sign etiquette and protocol, the half-staffing and the raising of flags at Hamilton City Hall and City of Hamilton-owned facilities, including the permanent flags on top of City Hall.

Scope: This protocol applies to all properties and facilities owned and operated by the City of Hamilton, as well as the locations of all City-run events, except those where the policies of another government body would take precedence.

Responsibility: The Communications and Strategic Initiatives Division is the owner of this protocol and responsible for periodically reviewing and updating this protocol. The Division is also responsible for the coordination of the raising or lowering of the flags and illumination of the sign as determined by this policy. This team will also prepare appropriate communications to inform the community of the lowering of the Flag. (i.e. social media/information on the City of Hamilton Website).

Definitions:

3D Hamilton Sign: refers to the 3D LED lightable HAMILTON sign in the City Hall forecourt

Half-Staff: refers to when a flag is flown at the half-way point on a freestanding flag pole, often referred to as half-mast.

Current Employee: refers to an individual employed by the City of Hamilton that is actively attending part-time or full-time work duties, on short term or long-term disability, or on a leave of absence from their role at the city.

Use of the Flag and Sign

The flag poles, permanent poles on City Hall, and the 3D Hamilton sign at City Hall are opportunities for the City to raise awareness and show respect for community events, causes, and major events. The City will observe major world events, commemorative dates, the passing of dignitaries and important community members, and the visitation of dignitaries via a raising or lowering of a flag or illumination of the 3D Hamilton sign. Where there are community requests for the same time, preference will be shown to the recognition of visiting dignitaries, including former and current political leaders of other Canadian and international jurisdictions.

Neither option will be used to promote hate, discrimination, oppression, political or religious factions, or other harmful causes. The City of Hamilton retains the right to make this determination on a case by case basis.

Flag Protocol:

All flag raising and lowering will be in line with Federal flag etiquette.

In recognition of the City's affiliations, flags be flown on the roof of City Hall in the following order beginning on the extreme left as viewed from the front of the building:

1. Canadian Flag
2. Provincial Flag
3. Municipal Flag
4. United Nations
5. Franco-Ontarian
6. Courtesy flags subject to change
7. Métis Nation
8. Mississauga of the Credit First Nation
9. Inuit Tapiriit-Kanatami
10. Haudenosaunee Confederacy

As a gesture of respect and friendship, the City of Hamilton will fly the appropriate flag on the occasion of a visiting dignitary, including former and current politicians from other Canadian and international jurisdictions. The flag will be flown from a courtesy flagpole at City Hall for the duration of the visit. In the event that there is a community request for a flag raising on a community pole at the same time, the visiting dignitary's flag will fly in a position of prominence. If there are no courtesy poles available to raise the dignitary's flag, a community requested flag will be lowered in deference to the visiting dignitary. The Canadian, Provincial, Municipal, and Indigenous flags will not be lowered to make space for community requests.

On days of significance, the Canadian Flag flying on the free-standing flagpole at City Hall may be changed, provided it still flies on a permanent pole on top of City Hall.

Flags are also to be flown at the five Municipal Service Centres, on their own masts, with the ability to raise and lower, in the following order:

1. Canadian Flag
2. Provincial Flag
3. Municipal Flag
4. Franco Ontarian Flag
5. Métis Nation
6. Mississauga of the Credit First Nation
7. Inuit Tapiriit-Kanatami
8. Haudenosaunee Confederacy

When there are less than eight flag poles available, preference will be shown to the Canadian, Provincial, and Municipal flag.

Flying of the Flag at Half-staff

Flags are flown at half-staff as a sign of mourning and respect upon death.

If there is more than one flag flying in unison, all flags flown together should be flown at half-staff.

Half-staffing will occur immediately upon notification of a death until sunset on the day of the funeral, or for a period of five business days if no funeral or visitation has been scheduled, for the following occasions:

1. Sovereign or a member of the Royal Family related in the first degree to the Sovereign (i.e. sibling, spouse, parent, child)
2. Governor General of Canada (current/former)
3. Lieutenant Governor of Ontario (current/former)
4. Canadian Prime Minister (current/former)
5. Ontario Premier (current/former)
6. Mayor (current/former)
7. Member of Council (current and former of Hamilton, Ancaster, Dundas, Flamborough, Stoney Creek, Glanbrook)
8. Local Member of Federal or Provincial Government (current/former)
9. All current City employees including Police, EMS and Fire Services to be lowered at the employee's immediate workplace. Should the workplace not fly flags, the flags flown at City Hall will be lowered to half-staff*.
10. A major tragic event, such event or remembrance of fatal natural disasters and mass shootings, at the discretion of the policy owner

**It would be the responsibility of the individual's people leader to notify the Communications & Strategic Initiatives team and coordinate a flag lowering.*

In the event that there are community emergencies which prevent the lowering of the flag on the dates of passing to the funeral, the City may designate a future date to acknowledge the passing with the flag at half-staff. This substitution should be communicated on City communication channels to ensure awareness for the acknowledgment. The determination of this day will be made by the policy owner in collaboration with the individuals' family/friends.

Half-staffing will also occur on events or special circumstances such as events deemed to represent a significant tragedy or a loss of life, including publicly announced Canadian Forces fatality on any Canadian or Canadian-involved mission at home or abroad.

Disposal of Flags

When a flag becomes worn, noticeably faded or otherwise unfit to be flown, it should be disposed of in a respectful manner and immediately replaced. The department of Public Works shall hold responsibility for ensuring this is done.

3D Hamilton Sign Protocol:

With respect to the 3D Hamilton Sign outside of the Hamilton City Hall, sign protocol is that the sign be illuminated in the appropriate colour to reflect commemorative dates identified by the Provincial government, and Federal government, such as

- Provincial or national celebrations
- Days of remembrance or mourning
- Significant days of diversity

Requests for sign illuminations will also be accepted from the community in accordance with the procedure below.

Annual Calendar

The Communications and Strategic Initiatives team, on an annual basis, will review the Federal and Provincial commemorative dates and schedule the appropriate sign lighting and flag raising/lowering. This calendar will be posted for public awareness.

Communications

Sign lighting schedule and flag raising and lowering information will be posted on the City's website, and/or social media channels as appropriate, to ensure community awareness.

Community Requests

In addition to the annual calendar, community members may make requests for flag raising, lowering, and sign lighting.

In general, flags raised through a community request will be raised for two business days. In the event of major awareness months, City of Hamilton staff retain the authority to raise flags for additional dates, where space allows.

The lighting of the sign by community request will be for a single night, from dusk until dawn of the following day. A maximum of two requests will be accommodated per day on a 30-minute rotating basis.

In all cases, flag and sign requests are approved on a first come first served basis, with the exception of visiting dignitaries which takes precedence over community requests.

Request Requirements:

To submit a request, the party must submit their information via webform, including

- Persons name, organizations name, and contact information
- Date and rationale of request
- Colour/flag requested
- Agree to provide a 3 foot by 5-foot flag with grommets, should the City not have the specific flag in storage
- Self-evaluation of the request against proscribed criteria.

The request must be made four weeks ahead of the requested date.

Evaluation Criteria:

Community requests will be evaluated against the following criteria.

1. The request is made by a local, provincial, or national organization
2. The request recognizes a municipally, provincially, nationally, or internationally recognized day or month of significance, cause, or initiative
3. The request does not contradict any City of Hamilton By-Laws, or Provincial or Federal statute.
4. The request does not duplicate a sign lighting/flag raising or lowering already scheduled within a calendar year.
5. The request is supportive of equity, diversity, and inclusion, and does not promote or encourage any hate, discrimination, or negative outcomes to marginalized populations
6. The request does not sponsor or promote the practice of a specific faith denomination or political ideology
7. The request does not imply any allegiance or support for a specific political movement, ideology or other statement of beliefs on behalf of the City of Hamilton
8. The request is not affiliated with any commercial, for-profit, or private entities
9. In the case of flag requests, the request aligns with the approved national days list approved by Global Affairs Canada

Evaluation Process

All requests will be reviewed by City of Hamilton staff and to ensure that they clearly adhere to the protocol criteria. Requests that do not clearly meet the criteria may be brought forward by City staff to other departments to support decision making.

Preference will be shown to the City's annual calendar of recognized days and months of significance. Following this, requests will be considered on a first come first serve basis with a maximum of two sign lightings per day (on a rotating basis).

The City of Hamilton staff have full and final authority to implement the flag raising/lowering and 3D Hamilton Sign Community Lighting Program criteria. By submitting a lighting request for the Flag raising or 3D Hamilton sign, the applicant agrees that the decisions of City staff are final.

Notification of Acceptance and Approval

Staff will endeavor to provide notification of acceptance within two weeks of the date that the request was received via webform.

Requests should not be submitted more than six months in advance.

History

The following stakeholders were consulted in the creation or revisions made to this Policy: Communications & Strategic Initiatives, Government Relations & Community Engagement, the Mayor's Office, and Facilities.

This policy replaces the former policy named the City of Hamilton Flag Protocol dated May 26, 2011.

The policy comes into force January 1, 2024

SECONDED BY COUNCILLOR N. NANN.....

Ward 2 Community Grants - Q4 2023 (Ward 2)

WHEREAS City Council approved a motion to allocate Ward 2 Community Grants on August 18, 2023;

WHEREAS the Ward 2 Community Grants program closed for Q4 on September 30, 2023 with a total of 17 applications;

WHEREAS City staff in Financial Planning, Administration and Policy and Community Engagement - Grants reviewed the recommendations from the Ward 2 Community Grants program and found that they were all eligible; and

WHEREAS the following \$28,950 in 6 individual grants is the second and final part of the fulfillment of this round of the Ward 2 Community Grants program.

THEREFORE, BE IT RESOLVED:

- (a) That up to \$5,000 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302309200) to the 272 Caroline Street South Tenant Association for assistance with costs for a building appraisal, insurance, and tenant meetings spaces for the pre-purchase process. The 272 Caroline Street South Tenant Association received \$84,000 from the City of Hamilton in 2023 through the Ward 2 Area Rating Reserve;
- (b) That up to \$5,000 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302309200) to Compass Community Health for the purchase of orthopaedic shoes for low-income seniors participating in their walking and fitness program. Compass Community Health received \$29,918.20 from the City of Hamilton in 2023 through the Welcome Baby program delivered by Public Health Services (\$24,968.20) and Ward 2 Non-Property Tax Revenue Account (\$4,950);

- (c) That up to \$5,000 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302309200) to Essential Aid and Family Services of Ontario's Infant and Toddler Food Bank for an improved storage system. Essential Aid and Family Services received \$15,000 from the City of Hamilton in 2023 through the One-Time Enhancement Grant in April 2023;
- (d) That up to \$5,000 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302309200) to Hamilton Out of the Cold for the purchase of takeout packaging for their low-barrier food programs at Christ's Church Cathedral and Trinity Lutheran Church;
- (e) That up to \$3,950 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302109200 and 3302309200) to the International Village BIA for seasonal on-street decor this fall and holiday season. The International Village BIA received \$20,970.74 (not including \$1,050 from Ward 2 Community Grants to date) in 2023 through the 2022 Christmas Grant received in January (\$1,300), 2023 Contribution to Operating Funds (\$7,308.03), and 2023 Parking Share Revenue (\$12,362.71);
- (f) That up to \$5,000 be allocated from the Ward 2 Special Capital Reinvestment Discretionary Fund (3302309200) to St. Lawrence the Martyr Church for the purchase of two Automated External Defibrillators (AEDs), a LifeVac for choking emergencies, and other first aid supplies;
- (g) That any funds allocated and distributed through the Ward 2 Community Grants Program be exempt on a one-time basis and not be counted toward any formula that restricts regular funding from the City including the City Enrichment Fund or the One-Time Enhancement Grant (e.g. the City's 30% formula); and
- (h) That the Mayor and City Clerk be authorized and directed to execute any required agreement(s) and ancillary documents, with such terms and conditions in a form satisfactory to the City Solicitor.

COMMUNICATION UPDATE

TO:	Mayor and Members City Council
DATE:	October 20, 2023
SUBJECT:	Mayor Horwath's Response to the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, Affordability Task Force's Recommendations and Ranking Chart (City Wide)
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Anita Fabac Acting Director, Planning and Chief Planner Planning and Economic Development Department
SIGNATURE:	

The purpose of this Communication Update is to provide Council with an update on the Mayor's response to the Province's Housing Affordability Task Force's Recommendations and Ranking Chart.

On September 15, 2023, the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, requested the Mayor's position with respect to the 74 Task Force Recommendations and the City's ranking of the five initiatives the City believes would have the most impact in creating additional housing. The Province requested this information be provided by no later than October 16, 2023. The request from the Province also noted that failing to return the completed chart by October 16, 2023 would disqualify the City from being eligible for the Province's new \$1.2 billion Building Faster Fund that was announced at the Association of Municipalities of Ontario conference in August 2023.

The Mayor's letter is attached as Appendix "A" and the completed chart is attached as Appendix "B". The Planning Division supported the Mayor's office with completing the chart.

Background

In February 2022, the Housing Affordability Task Force delivered its final report with recommendations to help Ontario tackle the housing supply crisis and build at least 1.5 million homes by 2031. The Task Force made 74 unique recommendations. Twenty-

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

**SUBJECT: Mayor Horwath's Response to the Honourable Paul Calandra,
Minister of Municipal Affairs and Housing Affordability Task Force's
Recommendations and Ranking Chart (City Wide) - Page 2 of 3**

three (23) recommendations have been implemented to date. The Province wants to move forward implementing further recommendations from the Task Force's report and therefore requested input on priorities from the City relative to the Task Force's report recommendations and comments on the other recommendations.

The City has provided feedback on the Province's proposed policy and legislative changes to build more homes faster such as commenting on the Housing Affordability Task Force Recommendations in March of 2022 (PED22071) and support for the Municipal Housing Pledge (PED23056).

In commenting initially on the Housing Affordability Task Force's recommendations, the City of Hamilton agreed with the overall intent of the Task Force's Report to:

- Make policy changes to prioritize growth and to allow for greater density and intensification while providing a variety of housing types;
- Investigate opportunities to reduce and streamline application processes;
- Prevent abuse of the appeal process, in particular non-decision appeals, and ensure effective case management by the Ontario Land Tribunal;
- Align efforts between all levels of government to incentivize more housing; and,
- Encourage and support more funding opportunities to both modernize technologies to improve our intake/review of applications, and to deliver the necessary municipal infrastructure (both "hard" and "soft") and services that growth requires.

Several of the Housing Affordability Task Force's recommendations have already been implemented at the Provincial and/or Municipal level. Of the remaining recommendations, the five initiatives the City believes would have the most impact in creating additional housing focus on:

- Reducing unnecessary OLT appeals would allow municipalities to focus resources on actual development applications, thereby significantly improving approval timelines (Action 26);
- Increasing the supply of new purpose built rental housing units to stabilize rapidly increasing rental rates through the provision of provincial and federal loan guarantees (Action 42);
- Creating an Affordable Housing Trust from a portion of Land Transfer Tax Revenue to in part develop/create incentives for projects serving and brought forward by Black- and Indigenous-led developers and marginalized groups (Action B-3);
- Enabling municipalities to withdraw infrastructure allocations from any permitted projects where construction has not been initiated to encourage the construction of permitted projects in a timely manner (Action 43); and,

**SUBJECT: Mayor Horwath's Response to the Honourable Paul Calandra,

Recommendations and Ranking Chart (City Wide) - Page 3 of 3**

- Improving funding and undertake multi-stakeholder consultation to increase the supply of skilled trades vitally necessary to build more homes faster (Action 45).

Next Steps

Planning staff will continue to monitor the Province's next steps. The Mayor has notified the Province that the City of Hamilton looks forward to working with the Province to secure funds under the Province's new \$1.2 billion Building Faster Fund and to working together to help address the crisis of affordability in the City.

Re: Housing Affordability Task Force's Recommendations and Ranking Chart

Dear Hon. Minister Calandra,

Please find attached the City of Hamilton's response to your request of Sept 15, 2023. We have provided our position on each of the 74 Task Force recommendations and provided our ranking of the five initiatives we believe would have the most impact in creating additional housing in Hamilton.

Thank you for your efforts in understanding the municipal perspective on these important issues.

The City of Hamilton looks forward to securing funds under the Province's new \$1.2 billion Building Faster Fund that was announced at the Association of Municipalities of Ontario conference in August, and to working together to help address the crisis of affordability in our city.

Please let me know if we can be of any further assistance and I look forward to our continued collaboration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrea Horwath".

Attachment:

10-11-2023 City of Hamilton Response to HAFT Recommendations

Attachment: List of 74 Housing Affordability Task Force (HATF) Recommendations for Response

Please identify the top 5 HATF recommendations that you support, and rationale / comments	
1.	26) Require appellants to promptly seek permission ("leave to appeal") of the OLT and demonstrate that an appeal has merit, relying on evidence and expert reports, before it is accepted." This should include requirement to demonstrate insufficiency of existing permissions in cases where an applicant is appealing a recently-approved Secondary Plan. Reducing unnecessary appeals would allow municipalities to focus resources on actual development applications, thereby significantly improving approval timelines.
2.	42) Provide provincial and federal loan guarantees for purpose-built rental, affordable rental and affordable ownership projects. This recommendation would support the creation of new purpose built rental housing units which is required to stabilize rapidly increasing rental rates.
3.	B-3) Create an Affordable Housing Trust from a portion of Land Transfer Tax Revenue (i.e., the windfall resulting from property price appreciation) to be used in partnership with developers, non-profits, and municipalities in the creation of more affordable housing units. This Trust should create incentives for projects serving and brought forward by Black- and Indigenous-led developers and marginalized groups.
4.	43) Enable municipalities, subject to adverse external economic events, to withdraw infrastructure allocations from any permitted projects where construction has not been initiated within three years of build permits being issued. This encourages the construction of permitted projects in a timely manner after receiving approval ensuring that projects to increase housing supply are actually built. Consideration should be given to extending this "revocation authority" to certain planning permissions (.e.g site specific re-zoning applications).
5.	45) Improve funding for colleges, trade schools, and apprenticeships, encourage and incentivize municipalities, unions and employers to provide more on-the-job training and 46) Undertake multi-stakeholder education program to promote skilled trades.* Lack of skilled trades is a barrier to increasing housing supply.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
1.	1) Set a goal of building 1.5 million new homes in ten years.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments February 22, 2023 Council Motion that the City “accepts the challenge of building 47,000 housing units by 2031 and continuing Council’s direction for growth through intensification within the former Urban Boundary excluding Greenbelt lands”.
2.	2) Amending the Planning Act, Provincial Policy Statement, and Growth Plans to set “growth in the full spectrum of housing supply” and “intensification within existing built-up areas” of municipalities as the most important residential housing priorities in the mandate and purpose.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments The City recognizes these as important planning / housing goals but it is important to ensure other provincial priorities are maintained (e.g. sustainability).

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
		Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments
3.	3) a) Limit exclusionary zoning in municipalities through binding provincial action: allow “as of right” residential housing up to four units and up to four storeys on a single residential lot.*	X				The City of Hamilton has implemented these ‘as of right’ permissions in existing low density zones as required by Provincial legislation. The City recognizes the benefits such as contributing to transit supportive densities in low density areas but have concerns related to servicing costs and planning for adequate infrastructure / services.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
4.	3) b) Modernize the Building Code and other policies to remove any barriers to affordable construction and to ensure meaningful implementation (e.g., allow single-staircase construction for up to four storeys, allow single egress, etc.)	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments Planning staff are generally supportive of the intent of this action but note any changes to the Ontario Building Code must prioritize safety.
5.	4) Permit “as of right” conversion of underutilized or redundant commercial properties to residential or mixed residential and commercial use.	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments The City already has permissions for mixed use and / or stand alone residential uses in our Commercial and Mixed Use Zones.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
6.	5) Permit “as of right” secondary suites, garden suites, and laneway houses province-wide.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments
						The City of Hamilton has implemented these ‘as of right’ permissions in the urban area as required by Provincial legislation. The City is working to implement these permissions in the rural area while ensuring the protection of groundwater. The City is supportive of this action but need to ensure there are necessary regulations / standards to protect tertiary septic systems on smaller lots in the rural area.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
7.	6) Permit “as of right” multi-tenant housing (renting rooms within a dwelling) province-wide.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City recently passed new low density residential zoning which has permissions for Lodging Homes. Staff support for this action is assuming appropriate OBC, fire code and licensing requirements are in place.
8.	7) Encourage and incentivize municipalities to increase density in areas with excess school capacity to benefit families with children.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments There are many changing factors such as demographics and enrollments which make this action difficult to implement and monitor.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
9.	8) Allow “as of right” zoning up to unlimited height and unlimited density in the immediate proximity of individual major transit stations within two years if municipal zoning remains insufficient to meet provincial density targets.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments
						OPA 167 provided permissions for up to 12 storeys along major transit corridors in the City of Hamilton. The City has completed a modelling exercise to determine if the provincial density targets can be achieved within our proposed MTSA's under the existing land use permissions. “unlimited” height and density permissions is not necessary to achieve provincial density targets and would have various implications related to infrastructure.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
10.	9) Allow “as of right” zoning of six to 11 storeys with no minimum parking requirements on any streets that have direct access to public transit (including streets on bus and streetcar routes).	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments There are existing permissions for up to 12 storeys along primary corridors in the City of Hamilton as implemented through OPA 167. The City is also reviewing the removal of minimum parking standards throughout lower city wards and parts of the Central Mountain along transit routes. These permissions would not be appropriate for all streets that our serviced by a bus due to large variation in level of transit service.
11.	10) Designate or rezone as mixed commercial and residential use all land along transit corridors and re-designate all Residential Apartment to mixed commercial and residential zoning in Toronto.	Already Achieved / Implemented	Support	Unclear Position	Oppose	Comments N/A – relates only to City of Toronto

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
		Already Achieved / Implemented	Support		Oppose X	Comments
12.	11) Support responsible housing growth on undeveloped land, including outside existing municipal boundaries, by building necessary infrastructure to support higher density housing and complete communities and applying the recommendations of this report to all undeveloped land.				X	As reflected in the City’s response to Bill 97 and the proposed PPS (PED23145), the City is opposed to planning infrastructure around housing outside of municipal boundaries, particularly due to the significant financial implications.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
13.	12) a) Create a more permissive land use, planning, and approvals system: Repeal or override municipal policies, zoning, or plans that prioritize the preservation of physical character of neighbourhood.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments Through OPA 167, the City modified wording of its intensification criteria (Policy B.2.4.1.4b) related to neighbourhood character to remove requirement to “maintain and enhance” established patterns and form.
14.	12 b) Exempt from site plan approval and public consultation all projects of 10 units or less that conform to the Official Plan and require only minor variances.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments
15.	12 c) Establish provincewide zoning standards, or prohibitions, for minimum lot sizes, maximum building setbacks, minimum heights, angular planes, shadow rules, front doors, building depth, landscaping, floor space index, and heritage view cones, and planes; restore pre-2006 site plan exclusions (colour, texture, and type of materials, window details, etc.) to the Planning Act and reduce or eliminate minimum parking requirements.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments There are concerns with applying a ‘one size fits all’ approach to items that are context specific.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
16.	12 d) Remove any floorplate (sic) restrictions to allow larger, more efficient high-density towers.	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments There are no floorplate restrictions in Downtown Zones.
17.	13) Limit municipalities from requesting or hosting additional public meetings beyond those that are required under the Planning Act.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments While public consultation can add time to the approval process, it is important for creating better proposals being better accepted by residents and ultimately resulting in better proposals.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
18.	14) Require that public consultations provide digital participation options.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City is already using digital means for public consultation as a result of the pandemic. The City is supportive of the continuation of digital consultation provided a hybrid option is maintained for individuals without access to technology.
19.	15) Require mandatory delegation of site plan approvals and minor variances to staff or pre-approved qualified third-party technical consultants through a simplified review and approval process, without the ability to withdraw Council’s delegation.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments There is already delegated authority for site plan approvals.

20.	16) a) Prevent abuse of the heritage preservation and designation process by: prohibiting the use of bulk listing on municipal heritage registers.*	X			X	The City is supportive of undertaking built heritage inventories to ensure heritage buildings are protected from immediate demolition through placement on a Heritage Registry; however, the Province has already amended the Heritage Act through Bill 23 that limit the length of time in which properties may be listed on municipal heritage registers.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
21.	16 b) Prohibiting reactive heritage designations after a Planning Act development application has been filed.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments The Province amended the Heritage Act to place restrictions on issuing a notice of intention to designate after certain Planning Act applications have been submitted.
22.	17) Requiring municipalities to compensate property owners for loss of property value as a result of heritage designations, based on the principle of best economic use of land.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments There are no current Ontario specific studies showing heritage designation has a negative impact on resale value. This action implies highest and best use should be based solely on economics.

23.	18) Restore the right of developers to appeal Official Plans and Municipal Comprehensive Reviews.*	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments
						It is unclear how this action will increase the supply of housing. Appeals could delay the implementation of policy changes to increase the supply of housing.

24.	19) Legislate timelines at each stage of the provincial and municipal review process, including site plan, minor variance, and provincial reviews, and deem an application approved if the legislated response time is exceeded.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	<p>Comments</p> <p>In the City's response to the Task Force Report (PED22071, the recommended approach would not account for delays in approvals caused by applicants or poor submissions. Deeming an application approved if timelines are not met due to delays by the applicant would be a major a concern. 						engineering exercise and can easily exceed timelines as a result. This approach could have significant impacts in terms of staffing levels required, which would result in significant fee increases in application fees. In addition, the recommendation would require the majority of the work to be completed upfront prior to deeming an application complete and does not allow for the municipality to work with the applicant to create a better proposal.

		Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments
25.	20) Fund the creation of “approvals facilitators” with the authority to quickly resolve conflicts among municipal and/or provincial authorities and ensure timelines are met.*			X		The City of Hamilton already has Business Facilitators that act to resolve conflicts and expediate approvals. It is not clear the role “approval facilitators” will have in the approval process or how their authority would fit within the current development review framework.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)

26.	21) Require a pre-consultation with all relevant parties at which the municipality sets out a binding list that defines what constitutes a complete application; confirms the number of consultations established in the previous recommendations; and clarifies that if a member of a regulated profession such as a professional engineer has stamped an application, the municipality has no liability and no additional stamp is needed.			X		The City already has a Formal Consultation process in place to identify requirements for a complete application. There would be issues if revisions to plans result in new requirements not previously contemplated. Additional information is necessary respecting the “no liability” component would be implemented.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
27.	22) Simplify planning legislation and policy documents.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments This recommendation can be supported provided changes to policy are comprehensively reviewed to ensure there are no unintended negative consequences.
28.	23) Create a common, province-wide definition of plan of subdivision and standard set of conditions which clarify which may be included; require the use of standard province-wide legal agreements and, where feasible, plans of subdivision.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments The City has concern with the implementation of a ‘one size fits all’ approach which may have implementation challenges.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
29.	24) Allow wood construction of up to 12 storeys.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City of Hamilton supports the ability of architects to design and specify a variety of sustainable building materials in response to climate change conditions, provided appropriate OBC, fire code and safety requirements are in place.
30.	25) Require municipalities to provide the option of pay on demand surety bonds and letters of credit.	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments The City of Hamilton adopted a Surety Bond policy in 2021.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
31.	26) Require appellants to promptly seek permission (“leave to appeal”) of the OLT and demonstrate that an appeal has merit, relying on evidence and expert reports, before it is accepted.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City is supportive of requiring appeals to pass a minimum threshold test but are unclear of the implementation of this action.
32.	27) a) Prevent abuse of process: remove right of appeal for projects with at least 30% affordable housing in which units are guaranteed affordable for 40 years.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City supports the development of affordable housing applications and currently expedites the review of affordable housing planning applications. There is uncertainty with this recommendation on how affordable would be determined and enforced.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
33.	27 b) Require a \$10,000 filing fee for third party appeals.*	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This action raises equity concerns in the ability to participate in this process.
34.	27 c) Provide discretion to adjudicators to award full costs to the successful party in any appeal brought by a third party or by a municipality where its council has overridden a recommended staff approval.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This action raises equity concerns in the ability to participate in this process.
35.	28) Encourage greater use of oral decisions issued the day of the hearing, with written reasons to follow, and allow those decisions to become binding the day that they are issued.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments Reduces administrative delay once a decision is made.
36.	29) Where it is found that a municipality has refused an application simply to avoid a deemed approval for lack of decision, allow the Tribunal to award punitive damages.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments It is unclear how this would be determined. Allowing for punitive damages is a significant departure from prior practice.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
37.	30) Provide funding to increase staffing (adjudicators and case managers), provide market-competitive salaries, outsource more matters to mediators, and set shorter time targets.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
38.	31) In clearing the existing backlog, encourage the Tribunal to prioritize projects close to the finish line that will support housing growth and intensification, as well as regional water or utility infrastructure decisions that will unlock significant housing capacity.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Accelerating approvals does not mean the project will be built in a timely manner.
39.	32) Waive development charges and parkland cash-in-lieu and charge only modest connection fees for all infill residential projects up to 10 units or for any development where no new material infrastructure will be required.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This action does not support the principle that growth should pay for growth. There may be merit in certain scenarios if there are public benefits to reducing or removing these costs.
40.	33) Waive development charges on all forms of affordable housing guaranteed to be affordable for 40 years.	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments The City already has non-statutory exemptions for qualified affordable housing development.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use)</i> <i>Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
41.	34) Prohibit interest rates on development charges higher than a municipality's borrowing rate.*	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Clarification is required as to what interest rate is proposed to be prohibited.
42.	35 a) Regarding cash in lieu of parkland, s.37, Community Benefit Charges, and development charges: Provincial review of reserve levels, collections and drawdowns annually to ensure funds are being used in a timely fashion and for the intended purpose, and, where review points to a significant concern, do not allow further collection until the situation has been corrected.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments The City already reports annually on DC reserves. It is unclear how provincial review would impact this reporting. It is likely that such a requirement would create significant administrative workload, thereby reducing staff time available to process development applications.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
43.	35 b) Except where allocated towards municipality-wide infrastructure projects, require municipalities to spend funds in the neighbourhoods where they were collected. However, where there’s a significant community need in a priority area of the City, allow for specific ward to ward allocation of unspent and unallocated reserves.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This may unintentionally increase inequity in communities. Most services are considered on a complete network basis and do not align with ward boundaries. A significant community need would need to be clearly defined.
44.	36) Recommend that the federal government and provincial governments update HST rebate to reflect current home prices and begin indexing, and that the federal government match the provincial 75% rebate and remove any clawback.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Not applicable at municipal level.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
45.	37) Align property taxes for purpose-built rental with those of condos and low-rise homes.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Does not take into consideration that valuation of condo buildings are typically higher than purpose built rental. The fiscal implications of this recommendation needs to be investigated. If it does result in a significant loss in tax revenue for the City, a stable funding source from the Province to compensate.
46.	38) Amend the Planning Act and Perpetuities Act to extend the maximum period for land leases and restrictive covenants on land to 40 or more years.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
47.	39) Eliminate or reduce tax disincentives to housing growth.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Recommendation not clear.
48.	40) Call on the Federal Government to implement an Urban, Rural and Northern Indigenous Housing Strategy.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments

49.	41) Funding for pilot projects that create innovative pathways to homeownership, for Black, Indigenous, and marginalized people and first-generation homeowners.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
50.	42) Provide provincial and federal loan guarantees for purpose-built rental, affordable rental and affordable ownership projects.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
51.	43) Enable municipalities, subject to adverse external economic events, to withdraw infrastructure allocations from any permitted projects where construction has not been initiated within three years of build permits being issued.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City recommends this action be broadened to all Planning Act approvals.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
52.	44) Work with municipalities to develop and implement a municipal services corporation utility model for water and wastewater under which the municipal corporation would borrow and amortize costs among customers instead of using development charges.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments This action could assist with necessary infrastructure upgrades to accommodate growth but does not appear to support the principle that “growth should pay for growth” and would transfer the costs from developers to existing property owners.
53.	45) Improve funding for colleges, trade schools, and apprenticeships, encourage and incentivize municipalities, unions and employers to provide more on-the-job training.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
54.	46) Undertake multi-stakeholder education program to promote skilled trades.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
55.	47) Recommend that the federal and provincial government prioritize skilled trades and adjust the immigration points system to strongly favour needed trades and expedite immigration status for these workers and encourage the federal government to increase from 9,000 to 20,000 the number of immigrants admitted through Ontario’s program.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
56.	48) The Ontario government should establish a large “Ontario Housing Delivery Fund” and encourage the federal government to match funding. This fund should reward: a) Annual housing growth that meets or exceeds provincial targets b) Reductions in total approval times for new housing c) The speedy removal of exclusionary zoning practices	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments .
57.	49) Reductions in funding to municipalities that fail to meet provincial housing growth and approval timeline targets	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments There is concern tying funding to these targets which are not always within municipal control. The City requires clarification on which funding is being reduced.
58.	50) Fund the adoption of consistent municipal e-permitting systems and encourage the federal government to match funding. Fund the development of a common data architecture standard, supported by an external expert committee, across municipalities and provincial agencies/ministries and require municipalities to provide their zoning bylaws with open data standards. Set an implementation goal of 2025 and make funding conditional on established targets.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
59.	51) Require municipalities and the provincial government to use the Ministry of Finance population projections as the basis for housing need analysis and related land use requirements.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This recommendation should be revised to utilize MOF forecasts in the absence of Provincial forecasts so municipalities are not required to redo Municipal Comprehensive Review Land Needs Assessment work.
60.	52) Resume reporting on housing data and require consistent municipal reporting, enforcing compliance as a requirement for accessing programs under the Ontario Housing Delivery Fund.*	Already Achieved / Implemented X	Support	Unclear Position	Oppose	Comments OPA 167 includes policy direction to report annually on housing data.
61.	53) Report each year at the municipal and provincial level on any gap between demand and supply by housing type and location, and make underlying data freely available to the public.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Unclear how reporting on demand will be defined.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
62.	54) Empower the Deputy Minister of Municipal Affairs and Housing to lead an all of government committee that meets weekly to ensure our remaining recommendations and any other productive ideas are implemented.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Not applicable at municipal level.
63.	55) Commit to evaluate these recommendations for the next three years with public reporting on progress.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
64.	B-1) Call upon the federal government to provide equitable affordable housing funding to Ontario.*	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
65.	B-2) Develop and legislate a clear, province-wide definition of “affordable housing” to create certainty and predictability.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
66.	B-3) Create an Affordable Housing Trust from a portion of Land Transfer Tax Revenue (i.e., the windfall resulting from property price appreciation) to be used in partnership with developers, non-profits, and municipalities in the creation of more affordable housing units. This Trust should create incentives for projects serving and brought forward by Black- and Indigenous-led developers and marginalized groups.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
67.	B-4) Amend legislation to: <ul style="list-style-type: none"> Allow cash-in-lieu payments for Inclusionary Zoning units at the discretion of the municipality. Require that municipalities utilize density bonusing or other incentives in all Inclusionary Zoning and Affordable Housing policies that apply to market housing. Permit municipalities that have not passed Inclusionary Zoning policies to offer incentives and bonuses for affordable housing units.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments Clarification is required.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
68.	B-5) Encourage government to closely monitor the effectiveness of Inclusionary Zoning policy in creating new affordable housing and to explore alternative funding methods that are predictable, consistent and transparent as a more viable alternative option to Inclusionary Zoning policies in the provision of affordable housing.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments
69.	B-6) Rebate MPAC market rate property tax assessment on below-market affordable homes.	Already Achieved / Implemented	Support	Unclear Position X	Oppose	Comments
70.	C-1) Review surplus lands and accelerate the sale and development through RFP of surplus government land and surrounding land by provincially pre-zoning for density, affordable housing, and mixed or residential use.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments Support in principle provided the pre-zoning process is public and transparent.
71.	C-2) All future government land sales, whether commercial or residential, should have an affordable housing component of at least 20%.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments Support in principle but it is unclear how this will be implemented and whether or not it applies to Crown corporations.
72.	C-3) Purposefully upzone underdeveloped or underutilized Crown property (e.g., LCBO).	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments The City is supportive of this recommendation where appropriate.

HATF Recommendation <i>(Note: Bracketed numbers are per the numbering in the original Task Force report; numbering in the first column is for Ministry use) Recommendations with an asterisk * have been implemented</i>		Support or Oppose (Mandatory Field – Please only mark with an ‘X’ as appropriate)				
73.	C-4) Sell Crown land and reoccupy as a tenant in a higher density building or relocate services outside of major population centres where land is considerably less expensive.	Already Achieved / Implemented	Support	Unclear Position	Oppose X	Comments This does not support planning for intensification within the existing urban area where infrastructure and services have been planned.
74.	C-5) The policy priority of adding to the housing supply, including affordable units, should be reflected in the way surplus land is offered for sale, allowing bidders to structure their proposals accordingly.	Already Achieved / Implemented	Support X	Unclear Position	Oppose	Comments This may provide more uncertainty and feasibility for new affordable housing projects.

COMMUNICATION UPDATE

TO:	Mayor and Members City Council
DATE:	October 23, 2023
SUBJECT:	Provincial Announcement – Reversal of Ministerial Official Plan Decisions (City Wide)
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Anita Fabac Acting Director, Planning and Chief Planner Planning and Economic Development Department
SIGNATURE:	

The purpose of this Communication Update is to inform Council of today's announcement by the Honourable Minister Calandra, attached to this Communication Update, regarding reversal of Official Plan decisions and the steps staff will be taking to respond to the Provincial announcement. In answering questions on the announcement, Minister Calandra has indicated he is reviewing past Ministry decisions to ensure they were made in a manner that maintains and reinforces public trust and that changes made to urban boundaries failed to meet that test.

Today, the Province announced its intention to reverse Provincial changes to official plans and official plan amendments, except in circumstances where construction has begun or where doing so would contravene existing provincial legislation and regulation.

The list of affected municipalities includes the City of Hamilton.

The Province is asking impacted municipalities to submit changes and updates to those official plans or official plan amendments to Ministry staff within 45 days of today (October 23, 2023), including information on projects that are already underway.

In recognition of the costs incurred by municipalities arising out of this decision, the Province will work with impacted municipalities to assist with related planning and staffing costs.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Provincial Announcement – Reversal of Ministerial Official Plan Decisions (City Wide) - Page 2 of 3

The date at which the Province will be introducing legislation on this matter is unknown at this time.

Background

On June 8, 2022, the City of Hamilton adopted Official Plan Amendment 167 to the Urban Hamilton Official Plan and Official Plan Amendment 34 to the Rural Hamilton Official Plan. These amendments were necessary to establish conformity with Provincial policies.

Official Plan Amendment 167 in particular established growth targets, intensification targets, greenfield densities and an urban boundary. In adopting the Official Plan, the Council chose no urban boundary expansions.

As Council is aware, the Province approved the Official Plans with 77 modifications to the Urban Hamilton Official Plan and 25 modifications to the Rural Hamilton Official Plan, and in particular added 2,200 hectares of urban expansion area to the Urban Hamilton Official Plan adopted by Council. This has necessitated staff doing extra work/studies to identify a new intensification target and greenfield density along with developing a Secondary Plan framework for the expansion areas. Other key Urban Hamilton Official Plan modifications were the removal of Neighbourhood Plans and specific employment lands.

Until legislation is approved and the Province approves the City's desired Urban Hamilton Official Plan and Rural Hamilton Official Plan versions, the existing Urban Hamilton Official Plan and Rural Hamilton Official Plan approved by the Province remain in force and effect with respect to development applications in process.

Next Steps

In order to meet the timeline of December 7, 2023, being 45 days from today, Planning staff will be submitting a report to Planning Committee on November 14, 2023 that will:

- Identify all the previous Provincial modifications and indicate which should remain or be removed and why;
- Identify changes that should be requested as follow up to the adopted Urban Hamilton Official Plan and Rural Hamilton Official Plan;
- Identify the costs incurred with staff time and follow up studies to address modifications to the Urban Hamilton Official Plan and Rural Hamilton Official Plan; and,
- Identify development applications in process impacted by the provincial modifications.

TORONTO — Today, Paul Calandra, Minister of Municipal Affairs and Housing, released the following statement:

“Since becoming Minister of Municipal Affairs and Housing, I have made it a priority to review past decisions, including minister’s zoning orders and official plans, to ensure that they support our goal of building at least 1.5 million homes in a manner that maintains and reinforces public trust.

In reviewing how decisions were made regarding official plans, it is now clear that they failed to meet this test. In response, as soon as I am able, I will be introducing legislation that would reverse the official plan decisions for Barrie, Belleville, Guelph, Hamilton, Ottawa and the City of Peterborough, the Regional Municipalities of Halton, Niagara, Peel, Waterloo and York, as well as Wellington County. This legislation would wind back provincial changes to official plans and official plan amendments, except in circumstances where construction has begun or where doing so would contravene existing provincial legislation and regulation. This includes winding back changes to urban boundaries.

To ensure that the reset plans match our shared ambitions to build more homes, especially now that municipalities have made their housing pledges, we will be asking impacted municipalities to submit changes and updates to those plans to ministry staff within 45 days of today, including information on projects that are already underway.

In recognition of the costs incurred by municipalities arising out of this decision, the province will work with impacted municipalities to assist with related planning and staffing costs.”

COMMUNICATION UPDATE

SUBJECT:	Chedoke Creek Remediation - MECP Order Amendment - HW.23.07
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Cari Vanderperk Director, Watershed Management Public Works Department
SIGNATURE:	

On March 14, 2023, the City of Hamilton (City) was issued an Amendment to Director's Order No.1-PE3L3 (Order) by the Ministry of the Environment, Conservation and Parks (MECP), to complete dredging activities by October 31, 2023, with the remaining activities in the approved Chedoke Creek Workplan completed by December 31, 2023.

The targeted dredging, as described in the Chedoke Creek Workplan, will remediate the impacts of the Main/King combined sewer overflow discharge that occurred between January 2014 and July 2018, which discharged 24 billion litres of combined sewage.

As a follow up to the Chedoke Creek Order Remediation Update (PW19008(u)), presented to General Issues Committee on September 20, 2023, the project team has requested an extension to the MECP Director's Order deadline.

While the dredging is currently moving along well, it has become apparent to the project team that the in-water portion of the dredging work will not be completed by the October 31, 2023 deadline. Scheduling impacts have occurred as a result of the above average rainfall in July and August, along with the dredged material causing equipment challenges.

A 1-month extension was requested under Item #6 of the MECP Order. A response to the extension request has not yet been received, however the MECP has been kept apprised of the scheduling impacts to date. The project team is confident that this extension request remains sufficient. If the extension is granted, the current project

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

pace will not change as the project team is committed to completing the in-water work as soon as possible and continues to progress through the targeted dredging which began in-water work on July 17, 2023.

Once a response is received from the MECP, the project team will advise the Mayor and Council, media outlets and the public of the outcome to the extension request via a Council Communication Update.

The purpose of this Communication Update is to provide Council with an update on the proposed amendments to the *Niagara Escarpment Planning and Development Act* as part of the *Less Red Tape, More Common Sense Act, 2023*. (Bill 139)

On October 19, 2023, the Ministry of Natural Resources and Forestry provided notice that amendments are being proposed to the *Niagara Escarpment Planning and Development Act* to improve service delivery, reduce redundancies and administrative burdens, and increase compliance tools, while respecting existing protections.

The proposed amendments can be accessed through the following link (<https://ero.ontario.ca/notice/019-7696>). The Ministry is accepting comments for 46 days, with the comment period closing on December 4, 2023.

Background

The purpose of the *Niagara Escarpment Planning and Development Act* is to provide for the maintenance of the Niagara Escarpment and land in its vicinity substantially as a continuous natural environment, and to ensure only such development occurs as is compatible with that natural environment. The *Niagara Escarpment Planning and Development Act* established the Niagara Escarpment Plan and the Niagara Escarpment Commission. The Niagara Escarpment Plan provides a framework to assess development proposals against objectives and policies aimed at the protection and the enjoyment of escarpment and the resources it supports. The Niagara

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Escarpment Commission operates at arm's length from the Ministry of Natural Resources and Forestry and oversees implementation of the Niagara Escarpment Plan.

Proposed Changes

As part of the *Less Red Tape, More Common Sense Act, 2023*, the Ministry is proposing amendments to the *Niagara Escarpment Planning and Development Act* to improve service delivery, reduce redundancies and administrative burdens, and increase compliance tools for the Niagara Escarpment Commission. By reducing delays and focusing on more complex applications and protection measures, the Ministry would be creating more efficient processes and saving time for applicants, while ensuring protection for the escarpment is maintained. The Ministry is seeking input on anticipated benefits or costs to Ontario businesses to better help the Ontario Government understand the real costs or cost savings associated with these proposed changes.

The proposed amendments, as outlined in Bill 139, would:

- Remove the requirement to publish notices in newspapers for Niagara Escarpment Plan amendment proposals and associated hearings and instead use modern consultation methods by requiring the publication of these notices on a Government of Ontario website or the Niagara Escarpment Commission website, or as determined by the Hearing Officer;
- Expand the Minister's regulation-making powers to allow broader exemptions for low-risk activities where standard conditions would provide appropriate mitigation in regulation. Examples of low-risk activities could include maintenance or repairs of existing structures where minimum setbacks from sensitive features are maintained, some routine activities carried out by conservation organizations, such as constructing footbridges on existing trails, and establishing size limits for accessory buildings; and,
- Broaden the range of compliance tools and powers to provide Niagara Escarpment Commission staff greater abilities to inspect and address non-compliant development activities, including:
 - Enabling a Niagara Escarpment Commission officer to access lands affected by the Niagara Escarpment Planning and Niagara Escarpment Planning and Development Act for inspection and compliance purposes;
 - Enabling collection of information required to conduct an inspection; and,
 - Facilitating efficient exchange of information between Niagara Escarpment Commission staff and other types of enforcement personnel (such as other provincial Ministry enforcement officers) when necessary.

Impact Analysis

If passed, and as noted by the Province, the proposed amendments could enable the streamlining of processes and lead to cost savings through efficiencies and the removal of requirements to post notices in newspapers. The proposed changes however may result in a narrower outreach to members of the public that may have an interest in Niagara Escarpment Plan amendment proposals and associated hearings.

Next Steps

Planning staff are in discussions with Niagara Escarpment Commission staff to better understand the method of engagement to be used for Niagara Escarpment Plan amendment proposals and associated hearings taking into consideration the proposed amendments to the *Niagara Escarpment Planning and Development Act*.

COMMUNICATION UPDATE

TO:	Mayor and Members City Council
DATE:	October 27, 2023
SUBJECT:	Hamilton Light Rail Transit – Building Transit Faster Act, Order-in-Council Update (City Wide)
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Abdul Shaikh Director, Hamilton LRT Project Office Planning and Economic Development Department
SIGNATURE:	

The purpose of this Communication Update is to advise Council that as of October 19, 2023, an Order-in-Council has been approved for Transit Corridor Lands Designation for the Hamilton LRT under the *Building Transit Faster Act*. The Transit Corridor Lands Designation is an important step in the delivery of the project as it provides Metrolinx the authority to undertake, where required, expedited property and permitting measures to accelerate the construction and completion of LRT.

Building Transit Faster Act (2020):

The *Building Transit Faster Act* provides the Province with tools to support accelerated completion of priority transit projects. Land which may be needed to support the construction of transit projects is designated as Transit Corridor Lands.

Designation of Hamilton LRT as a priority transit project streamlines project delivery and supports the accelerated completion of LRT by relocating utilities more efficiently, providing access to municipal services and rights-of-way, inspecting and removing physical barriers, and coordination with development or construction projects within transit corridor lands. A corridor development permit may be required from Metrolinx for anyone situated in the Transit Corridor Lands and planning to build, change or place a building, other structure or road on or under an owner's property. Some projects are deemed minor and others are exempt. A corridor development permit is in addition to

(and prior to) any required municipal permits. No application fee will be charged for permits from Metrolinx.

Landowner Notification:

Metrolinx will notify all impacted property owners by mail if the land they own or occupy is on or within 30 metres of designated transit corridor lands. There are approximately 3,700 affected properties who will receive a letter that will advise owners about the *Building Transit Faster Act* and provide contact resources.

Metrolinx will register notice of the designation on property title with the Land Registry Ontario. This process is to ensure subsequent owners have notice of the designation.

Communications and Engagement:

The LRT Project Office is working with Metrolinx to arrange information sessions with staff to discuss how this change will affect their service areas.

Additional information and changes to existing development application processes will be shared with the local development industry through the Development Industry Liaison Group.

If you require further information, please contact Farhad Shahla, Manager, LRT Technical Services and Approval Coordination by email at Farhad.Shahla@hamilton.ca or by phone at (905) 546-2424 Ext. 5360.

SUBJECT:	School Crossing Guards' Duties (City Wide)
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Brian Hollingworth Director, Transportation Planning and Parking Planning and Economic Development Department
SIGNATURE:	

The purpose of this Communication Update is to advise Council that Parking Enforcement and School Safety staff received a public query requesting to review the possibility of our School Crossing Guards assisting all pedestrians during their assigned duty times.

The Parking Enforcement and School Safety Team reviewed several neighbouring municipalities' programs and also undertook a review of the applicable legislation, namely the *Highway Traffic Act*, and Ontario Traffic Council Crossing Guard Guide.

It has been determined, that, effective October 30, 2023, our Crossing Guards will assist all pedestrians as opposed to focusing on school-age pedestrians. This will align our program with our neighbouring municipalities services without any impact to operations, staffing or resources.

If you have any questions regarding this communication, please contact James Buffett, Manager of Parking Enforcement and School Safety at (905) 546-2424 Ext. 3177 or by email at James.Buffett@hamilton.ca.

WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Rob Lalli Director, Strategic Initiatives Planning and Economic Development Department
SIGNATURE:	

The purpose of this Communication Update is to advise Council on the City of Hamilton's compliance with Ontario Regulation 73/23: Municipal Planning Data Reporting.

Under Ontario Regulation 73/23, select municipalities are required to report planning-application data on a quarterly basis and other planning-related information annually. The City of Hamilton successfully submitted the Q2 2023 report to the Province by the September 30, 2023, deadline.

As per PED23082(a), following each Ontario Regulation 73/23 quarterly and annual submission to the Province, staff will make all data available to Council that may be shared publicly in accordance with the Municipal Freedom of Information and Protection of Privacy Act. The [City of Hamilton's Q2 / 2023](#) submission to the Province is available through the City of Hamilton's Open Data catalogue.

The Q3 / 2023 report is due to the Province on December 31, 2023. This report and all future quarterly submissions to the Province will continue to be made available through the City of Hamilton's Open Data catalogue at <https://open.hamilton.ca/>.

If you require any further information on the above matter, please contact Rob Lalli, Director Strategic Initiatives by e-mail at Robert.Lalli@hamilton.ca or by phone at (905) 546-2424 Ext. 4674.

COMMUNICATION UPDATE

TO:	Mayor and Members City Council
DATE:	October 31, 2023
SUBJECT:	Chedoke Creek Remediation - MECP Order Amendment - HW.23.08
WARD(S) AFFECTED:	City Wide
SUBMITTED BY:	Cari Vanderperk Director, Watershed Management Public Works Department
SIGNATURE:	

On March 14, 2023, the City of Hamilton (City) was issued an Amendment to Director's Order No.1-PE3L3 (Order) by the Ontario Ministry of the Environment, Conservation and Parks (MECP), to complete dredging activities by October 31, 2023, with the remaining activities in the approved Chedoke Creek Workplan completed by December 31, 2023.

The targeted dredging, as described in the Chedoke Creek Workplan, will remediate the impacts of the Main/King combined sewer overflow discharge that occurred between January 2014 and July 2018, which discharged 24 billion litres of combined sewage.

As a follow up to the Chedoke Creek Order Remediation Council Communication Update (HW.23.07), on October 24, 2023, the MECP Director approved the City's requested deadline extension to complete all dredging activities by November 30, 2023, with all other items in the Order remaining in effect, and unaltered. While the City has been granted the extension, the project team is committed to completing the project as soon as possible.

The City continues to progress through the targeted dredging project which began in-water work on July 17, 2023 and will inform the various internal and external stakeholders, including the general public of this latest Amendment to the Order. The project team appreciates the patience of the community and partners while endeavouring to complete this very important project.

We would like to provide the Mayor and Members of Council with an update on the City's broader efforts to clean and make safe the escarpment. Following our previous communication updates on March 1, 2023 (ENG23001), March 29, 2023 (ENG23002), May 11, 2023 (ENG23003) and September 15, 2023 (ENG23004) regarding the ongoing erosion and slope stability concerns along the Claremont Access.

The Contractor, Rankin Construction, mobilized to the site on June 19, 2023. To date, Rankin has removed all the steel walls and completed all of the Escarpment Face clearing, grubbing and scaling. Remaining work, which includes excess material removal off site, site clean-up and some minor road rehabilitation and line repainting, is anticipated to be carried out during the week of October 30, 2023. Extension of the rock fence, removal of construction equipment and signage will commence during the week of November 6, 2023, weather permitting. The downbound lanes will remain closed until all activities have been completed and the contractor has demobilized off site. Reopening of the downbound lanes is therefore anticipated to be the end of the week of November 6, 2023.

The previous update, ENG23004 dated September 15, 2023, stated that the City expected all work to be completed by October 31, 2023. Due to inclement weather this

Bill No. 210

**CITY OF HAMILTON
BY-LAW NO. 23-**

To Authorize a Tax Exemption for the Arena Located at 101 York Boulevard for the Purposes of the Provision of Municipal Capital Facilities as defined in Section 110 of the *Municipal Act, 2001* and to Repeal By-law No. 22-054

WHEREAS pursuant to subsection 110(6) of the *Municipal Act, 2001*, S.O. 2001 c. 25, as amended, the council of a municipality may exempt from taxation for municipal and school purposes land or a portion of it on which municipal capital facilities are or will be located;

AND WHEREAS pursuant to subsection 110(20)(c) of the *Municipal Act, 2001*, S.O. 2001 c. 25, as amended, the Lieutenant Governor in Council may make regulations prescribing eligible municipal capital facilities for which municipalities may grant tax exemptions under subsection (6);

AND WHEREAS, pursuant to subsection 2(1) of Ontario Regulation 603/06, the council of a municipality may enter into an agreement under subsection 110(1) of the Act for the provision of Municipal facilities for cultural, recreational and tourist purposes;

AND WHEREAS the City of Hamilton and Hamilton Arena Company Limited Partnership (the Tenant) have entered into a lease in respect of the Arena located at 101 York Boulevard, and related to the foregoing lease, a Municipal Capital Facilities Agreement for the provision of facilities for cultural, recreational and tourist purposes;

AND WHEREAS the eligible portions of the Arena operating and intended to be operated as a sport, recreational and entertainment complex are declared to be for the purposes of the municipality and for public use.

NOW THEREFORE, The Council of the City of Hamilton enacts as follows:

1. In this By-law:

“Agreement” meant the Municipal Capital Facilities Agreement to be entered into between the City and the Tenant with respect to the provision of municipal capital facilities at the Arena;

“Arena” means the lands and premises comprising the downtown arena as described in Schedule “A” hereto;

"Clerk" means the City Clerk;

"City" means the geographical area of the City of Hamilton or the municipal corporation as the context requires;

“Eligible Portion” or “Eligible Portions” means the portion(s) of the Arena entirely occupied or used or intended to be occupied or used for cultural, recreational and tourist purposes;

“Tenant” means the Hamilton Arena Company Limited Partnership, or its permitted successors and assigns, leasing the Arena pursuant to the Lease;

“Landlord” means the city as Lessor under the Lease;

“Lease” means the lease entered into between the City and Hamilton Arena Company Limited Partnership dated [TBD] in respect of the Arena;

"Person" means any individual, company, corporation, partnership, firm, trust, sole proprietorship, government or government agency, authority or entity, however designated or constituted;

“Tax Exemption” means the exemption from taxes levied for municipal and school purposes pursuant to section 110(6) of the *Municipal Act, 2001*, S.O. 2001 c. 25, as amended; and

Municipal Capital Facility

2. This By-law exempts from taxation for municipal and school board purposes the leasehold interest of the Tenant in the Eligible Portion(s) of the Arena and shall not operate in any manner whatsoever so as to exempt from taxation for municipal and school board purposes any other leasehold interest, tenancy, sub-lease, sub-tenancy, occupancy, license, user or other interest held by any other tenant, lessee, sub-tenant, sub-lessee, occupant, licensee, user or any other Person at the Arena, save and except for the interest of any assignee resulting from an assignment made with Landlord consent pursuant to the Lease.
3. The Tax Exemption provided in this By-law shall not apply to any portion of the Arena that is not an Eligible Portion at any given time during the term of the Lease.

4. This By-law shall be deemed repealed:
 - (a) if the city ceases to be the Landlord;
 - (b) if the Tenant ceases to be the Tenant without assigning the Lease to its successor with Landlord consent;
 - (c) if the Eligible Portion(s) of the Arena permanently cease to be occupied and used or are no longer intended to be occupied and used as a sports and live entertainment complex; or
 - (d) if the Lease, or any renewal or extension of the Lease expires or is terminated.

5. The City is authorized to enter into a Municipal Capital Facilities Agreement under section 110 of the *Municipal Act, 2001*, S.O. 2001 c. 25 with the HUPEG Entity for the provision of municipal capital facilities.

6.
 - (1) Sections 1, 3, 4, 5 and 6 of this By-law shall come into force on the day that the by-law is enacted.

 - (2) Section 2 of this By-law shall come into force on the later of the following:
 - (a) the date this By-law is enacted;
 - (b) the commencement date of the Lease; or
 - (c) the date the Agreement is entered into.

7. By-law No. 22-054 is repealed on the date Section 2 of this By-law comes into force.
