RECOMMENDATION

- (a) That the Operating Agreement between the City of Hamilton and Wesley Urban Ministries for the operation of the Beasley Community Centres from September 30, 2018, to December 31, 2023 be renewed for an additional five years until December 31, 2028, with an option for one two-year extension;
- (b) That the General Manager of Healthy and Safe Communities Department or their designate be authorized and directed to execute the renewal of the Operating Agreement between the City of Hamilton and Wesley Urban Ministries for the operation of Beasley Community Centres, in a form satisfactory to the City Solicitor; and
- (c) That the funding provided to Wesley Urban Ministries by the City of Hamilton, Recreation Division as part of the Operating agreement of Beasley Community Centres increase by three percent each year as part of the annual budget cycle.

EXECUTIVE SUMMARY

Wesley Urban Ministries has been the sole operator of Beasley Community Centres since November 1, 2013, with their current agreement expiring on December 31, 2023.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Renewal of Beasley Community Centre Operating Agreement (CS13018(d)) (Ward 2) - Page 2 of 4

During this time, they have continued to meet their operating requirements for programs and services delivered.

In 2023, Wesley Urban Ministries has seen a steady increase to program hours, community rentals and participant visits and has active funding agreements for the continuation of their programs/services being provided for children, youth, and their families. Due to rising staffing costs, an annual inflationary increase to their funding amount will allow for sustainable operation for the next agreement term.

Alternatives for Consideration – See Page 4**FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

Financial: The annual funding amount provided to Wesley Urban Ministries will increase by three percent annually beginning in 2025 and be incorporated into the annual budget cycle.

HISTORICAL BACKGROUND

In 2019, City Council approved the execution of an agreement between the City of Hamilton and Wesley Urban Ministries for the operation of Beasley Community Centres (133 and 145 Wilson Street, Hamilton). The current operating agreement extension expired on December 31, 2023.

Wesley Urban Ministries has been the operator of Beasley Community Centres since November 1, 2013, with subsequent renewals approved by City Council in 2015 and 2019.

RELEVANT CONSULTATION

Staff consulted with Wesley Urban Ministries, Children's and Community Services Division, Finance, and Legal Services who are supportive of the recommendations.

SUBJECT: Renewal of Beasley Community Centre Operating Agreement (CS13018(d)) (Ward 2) - Page 3 of 4

ANALYSIS AND RATIONALE FOR RECOMMENDATION

Wesley Urban Ministries has been the sole operator of Beasley Community Centre since November 1, 2013, as approved by Committee on October 22, 2013 (CS13018(a)).

During this time, Wesley Urban Ministries has continued to meet their operating agreement requirements with the Recreation Division, including providing ongoing quarterly reports, meeting required number of operating hours, and achieving short to long range goals to ensure community feedback and engagement for programming are delivered.

Wesley Urban Ministries currently operates programming for all ages, including the EarlyON Child & Family Centre, After School Program, Youth Centre, and Summer Camp and facilitates access for community organized programs, such as Victorian Order of Nurses (VON) exercise programs and Afghan Sports taekwondo and women's groups. Wesley Urban Ministries is also the licensed childcare provider in the attached Dr. Davey school. Renewing the operating agreement with Wesley Urban Ministries supports the Hamilton Early Years Community Plan 2016-2020 in ensuring seamless access to programs through a single operator of services at a location.

Since returning from the pandemic in 2022, Wesley Urban Ministries has steadily increased their programming hours and has seen attendance in programs and community demand continue to grow. In 2023, Wesley Urban Ministries:

- Delivered 2,494 hours in Wesley-run programming;
- Met after school program enrolment targets as required by Ministry of Tourism, Culture, and Sport funding;
- Saw 18,305 visits by children and their caregivers to the EarlyON Child & Family Centre;
- Ran a low cost, summer camp program for 22 children living in the Beasley community;
- Had 2,119 visits by youth to their youth centre programming;
- Facilitated 525 hours of no-cost rentals for community organizations delivering recreation programs/services for the community; and
- Hosted 44 hours of community meetings and events.

Wesley Urban Ministries has established themselves as the known operator of Beasley Community Centre, with active funding agreements and grants to continue to operate the EarlyON Family & Children's Centre, After School Program, Summer Camp, and Youth Centre moving forward. Continuation of Wesley Urban Ministries as the operator will ensure service and program continuity for the community and allow for a sustainable, diverse funding model for the centre to ensure programs remain accessible and low cost.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

SUBJECT: Renewal of Beasley Community Centre Operating Agreement (CS13018(d)) (Ward 2) - Page 4 of 4

Wesley Urban Ministries currently receives a \$44,615 recreation grant annually to operate the Beasley Community Centre, in addition to funding amounts for daytime EarlyON programming provided by the Children's and Community Services Division. The amount provided by the Recreation Division has not increased since 2015, and as a result Wesley Urban Ministries has faced financial pressures to operate the centre due to rising staff costs. Building a three percent annual increase into the next operating agreement will assist with these pressures and align with the employee cost budget increases experienced at City of Hamilton operated community centres. This funding is anticipated to increase as below through the annual budget cycle, subject to Council approval:

- 2024 - \$44,615 (current funding amount)
- 2025 - \$45,953.45
- 2026 - \$47,332.05
- 2027 - \$48,752.01
- 2028 - \$50,214.57

ALTERNATIVES FOR CONSIDERATION

Council could direct the operation of the Beasley Community Centres to be resumed by the Recreation Division. The Recreation Division would incur unbudgeted staffing costs to operate the building in excess of the \$44,615 funding that would be retracted for Wesley Urban Ministries operation. Wesley Urban Ministries would remain the primary operator of the programs they receive external funding for onsite operations (after school program, EarlyON, youth programs, summer camp, youth centre) and any additional programs/services provided by the Recreation Division would be subject to user fees under the Council approved bylaw for programming and rentals (which is more expensive than what Wesley Urban Ministries currently charges as a non-profit organization).

TO:	Chair and Members Emergency and Community Services Committee
COMMITTEE DATE:	February 8, 2024
SUBJECT/REPORT NO:	Updates to the Emergency Plan (HSC22001(b)) (City Wide)

RECOMMENDATION

That the by-law attached as Appendix “A” to Report HSC22001(b) which amends the City of Hamilton Emergency Management Program By-law (By-law 22-005) and repeals last year’s amending by-law 23-033, and which has been prepared in a form satisfactory to the City Solicitor, be enacted and effective immediately.

EXECUTIVE SUMMARY

As mandated by the *Emergency Management and Civil Protection Act*, (R.S.O. 1990, Chapter E.9) (the *Act*), the City of Hamilton has developed, implemented, and maintained an Emergency Management Program. The Act requires that both the Emergency Management Program and the Municipal Emergency Plan be adopted by a By-law (Sections 2.1 and 3). In addition, municipalities are required to review and, if necessary, revise their Emergency Plan annually as per Section 3 (6) of the *Act*.

As part of the annual review of the City of Hamilton’s Emergency Management Program, the Emergency Plan was updated.

As a matter of updating as per regulations, and as a matter of housekeeping, staff are recommending that the By-law attached as Appendix “A” be passed to update and replace the Emergency Plan with a new updated version and to repeal the amending by-law from last year that contains the older, outdated Emergency Plan.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: N/A

Staffing: N/A

Legal: N/A

HISTORICAL BACKGROUND

In 2022, the City of Hamilton Emergency Plan was amended to reflect changes to the Hazard Identification Risk Analysis and a minor change to the Incident Management Structure with the Health and Safety Coordinator reporting to the Human Resources and Labour Relations Lead. The Emergency Plan was amended by By-Law 23-033 and was approved by Council on February 22, 2023.

At a Special GIC on January 12, 2023, the Emergency Management program presented an overview of the program to Council. At that time, Emergency Management received direction from Council to identify an approach to integrate equity into the Emergency Plan and to ensure residents made vulnerable were included. After consultation with the Emergency Social Services Control Group, the Vulnerable Sector Liaison was added to the Emergency Social Services Branch in the Operations Sections. This change was presented to Council at the July 10, 2023, GIC meeting.

The Emergency Operations Centre Council Liaison position, which was first used in the COVID-19 response structure, was formalized, and added to the Information Team. This position provides support to inquiries from Council and their staff during emergencies.

In an update to the Emergency Operations Centre Management Team, the role of Human Resources/Labour Relations Lead, previously held by the Executive Director, Human Resources is now held by the Director, Employee Health and Labour Relations. A final review of the Emergency Plan and lessons learned during the emergency exercise in the Fall of 2023 resulted in removing references to “Departmental Emergency Operations Centre(s)” and replacing this terminology with “City Services Response”. This change in terminology supports the activation of the Emergency Operations Centre within Public Health Services.

Lastly, the role of the Fire Branch has been updated to include the provision of additional information relevant to evacuations.

SUBJECT: Updates to the Emergency Plan (HSC22001(b)) (City Wide) - Page 3 of 3

As a result of these changes, staff are recommending an amendment to the By-law, specifically Schedule 1 - the Emergency Plan. The changes are captured in the By-law and Emergency Plan attached as Appendix "A".

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

Adoption of the recommendation will ensure compliance with the *Emergency Management and Civil Protection Act R.S.O. 1990, Chapter E.9*, including the standards under *Ontario Regulation 380/04* as administered by Emergency Management Ontario.

RELEVANT CONSULTATION

Legal was consulted regarding revisions to the By-law and the Emergency Plan.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

The recommendations will ensure compliance with the *Emergency Management and Civil Protection Act R.S.O. 1990, Chapter E.9* and the standards under *Ontario Regulation 380/04*. These standards are administered by Emergency Management Ontario. An annual review of the standards is completed by the Emergency Management program and submitted to the province for compliance and adherence to the regulations. By updating the Emergency Management Program By-law, the City of Hamilton will be compliant to the standards under the *Ontario Regulation 380/04*.

1. Introduction

The City of Hamilton Emergency Plan, known throughout this document as the Emergency Plan, establishes a framework for responding to incidents or emergencies that may occur in the City. Developed with key officials, agencies and departments, it is a guideline that outlines collective and individual roles and responsibilities in responding to and recovering from an emergency.

The Emergency Plan describes the framework of how the City of Hamilton will respond to, recover from, and mitigate the impact of an emergency. It describes the legal authorities, plan concept of operations, functional responsibilities of the EOC Management Team, and notification procedures.

Several procedures and guidelines (listed in Section 4) exist as supporting documents and emergency response plans for the Emergency Plan. These documents outline an integrated response for responding to and recovering from emergencies. They can be stand-alone documents or grouped depending on the nature of the emergency and response required.

1.1. Purpose

The aim of the Emergency Plan is to make provision for the efficient administration, coordination, and implementation of extraordinary arrangements and response measures taken by the City of Hamilton to protect the health, safety, and welfare of the residents of Hamilton during any emergency by:

- Identifying the governance structure for emergency response within the City of Hamilton;
- Identifying the Incident Management System (IMS) roles and responsibilities required to respond and recover from emergencies and disasters;
- Identifying standard response goals for emergency response operations and decision making; and
- Providing for a coordinated response by the municipality and partner agencies in managing emergencies.

1.2. Legal Authorities

The legislation under which the municipality and its employees are authorized to respond to an emergency are:

- The *Emergency Management and Civil Protection Act*, RSO 1990, c.E.9, as amended (the “Act”); and

- The City of Hamilton Emergency Management Program By-Law 22-005

The *Act* requires municipalities to develop, implement, and maintain an emergency management program, and adopt it with a by-law. An emergency management program must consist of:

- An emergency plan;
- Training programs and exercises for employees of municipalities and other persons with respect to the provision of required services and procedures to be followed in emergency response and recovery activities;
- Public education on risks to public safety and on public preparedness for emergencies; and
- Any other element required for municipalities in standards of emergency management programs that may be developed by the Treasury Board Secretariat.

Ontario Regulation 380/04 describes emergency management standards for municipal emergency management programs. There are a number of required elements including:

- Development of an emergency response plan which includes a municipal control group to direct the municipal response to an emergency;
- Implementation of an Emergency Operations Centre with appropriate communications systems;
- Designation of an Emergency Information Officer; and
- Designation of an Emergency Management Program Coordinator.

The City of Hamilton Emergency Management Program By-Law approves the enactment of the City of Hamilton Emergency Plan and other requirements for the City's Emergency Management Program.

The Emergency Information Officer is the Communications Manager or designated alternate.

The Emergency Management Program Coordinator(s) are the City's Emergency Management Coordinators.

The Senior Official for the purposes of the City's Emergency Management Program Committee is the City Manager, or designated alternate.

1.3. Definition of an Emergency

Emergencies are distinct from the normal daily operations carried out by municipal first response agencies and City departments.

The *Act* defines an emergency as:

‘A situation or impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise.’

1.4. Hazard Identification Risk Assessment

The Emergency Management Program has identified realistic hazards that may occur in Hamilton and assessed them in terms of probability, frequency of occurrence, magnitude of consequence or impact, and changing risk. Results of the Hazard Identification and Risk Assessment (HIRA) assist the Emergency Management Program in developing training and exercise scenarios and may initiate the development of hazard-specific plans or procedures in the event of an emergency.

As a result of the HIRA process, risks in the City of Hamilton listed below represent major incidents involving multiple locations or having a significant impact on City facilities, infrastructure, operations, or the public.

- Infectious Disease
- Fire or Explosion
- Extreme Heat
- Building or Structural Failure
- Substance Use or Overdose

1.5. Emergency Management Program Committee

The Emergency Management Program Committee (EMPC) as required by the *Act* consists of the following representatives from City departments and designated alternates:

- Mayor
- City Manager
- City Solicitor
- Chief of Police
- Medical Officer of Health
- Fire Chief
- Paramedic Chief
- General Manager, Healthy & Safe Communities
- General Manager, Corporate Services
- General Manager, Planning & Economic Development
- General Manager, Public Works
- Executive Director, Human Resources
- Community Emergency Management Coordinators
- Director of Communications & Strategic Initiatives

The City Manager, or designated alternate, is the chair of the EMPC.

This committee reviews the Emergency Management Program for the purpose of legislated compliance and implementation of program initiatives including the review and updating of the Emergency Plan. The EMPC is not activated during an emergency.

1.6. Emergency Operations Centre Management Team

In the City of Hamilton, the Emergency Operations Centre Management Team (EOC Management Team) (see Section 3.2) acts as the municipal control group as defined by Ontario Regulation 380/04. The EOC Management Team will be composed of the following municipal officials, or their designated alternates, holding the following appointments:

EOC Management Team Position	Municipal Official
Mayor	Mayor
City Manager	City Manager
EOC Director	GM Planning and Economic Development
Information Officer	Manager of Communications
Legal	City Solicitor
Human Resources and Labour Relations Lead	Director, Human Resources, Employee Health and Labour Relations
Liaison Officer	Emergency Management Coordinator
Operations Section Chief	<p>The Operations Section Chief will be chosen by the EOC Director at the time of emergency from the following designates:</p> <ul style="list-style-type: none"> • Chief of Police • Fire Chief • Paramedic Chief • Medical Officer of Health • Director, Healthy and Safe Communities • General Manager, Public Works • Director, Planning & Economic Development
Planning Section Chief	Director, Planning and Economic Development
Logistics Section Chief	Director, Human Resources, Systems and Operations
Finance and Administration Section Chief	General Manager, Corporate Services

2. Concept of Operations

There are multiple response levels to any emergency within the City of Hamilton:

Site Response: The emergency responders at the site(s) of the emergency provide tactical response to the emergency as they attempt to mitigate its effects and bring the emergency under control.

City Service Response: City services that require support to facilitate their response to the emergency may establish an Operations Centre to coordinate response activities. If response activities escalate, a request to activate the City Emergency Operations Centre (EOC) can be made through the established chain of command. Once the EOC is activated, City services will then interact with the City EOC through the appropriate Operations Branch Coordinator. In this manner, the EOC will support the City service area in obtaining the appropriate resources to respond, and will ensure alignment with the overall EOC response objectives.

Corporate Response: The EOC is a physical location where the EOC personnel gather to collectively and collaboratively support emergency response and to manage the consequences of an emergency. The EOC is utilized, where necessary, to centralize and coordinate efforts occurring at the site and by any City service.

The EOC Management Team provides for the overall management and coordination of site support activities and consequence management. The EOC Management Team acts as the City's emergency control group under the *Act*. During an emergency, the EOC Management Team are notified and asked to respond to the EOC. The EOC Management Team has responsibility for:

- Notifying response agencies and coordinating the activities of the various departments and organizations which are needed to effectively respond to and recover from the emergency;
- Providing strategic direction and support to the response including the Incident Commander, site personnel and response agencies;
- Collecting as much information as possible on the status of the emergency and vetting the information, prioritizing it, evaluating it, summarizing it, disseminating/displaying it and acting upon required needs;
- Establishing priorities based on all the information gathered and developing EOC Action Plans that complement and enhance the response;
- Obtaining, coordinating and managing payment of any additional resources (both personnel and equipment) needed to support the

response;

- Coordinating all internal and external information and communicating advisories, warnings, and emergency information to staff and the general public.

The Mayor is considered the Head of Council during an undeclared or declared emergency. There may be the need for an Acting Head of Council during any period of the Mayor's absence, inability or refusal of the Mayor to act as Head of Council or where the Office of the Mayor is vacant. The Head of Council has all the powers set out in the *Act* and Emergency Plan for purposes of an emergency and declared emergency.

The Policy Group is comprised of the Head of Council in their assigned role and authority during an emergency, or the Mayor and members of Council sitting as City Council at any regular or special meeting called during an emergency. The Policy Group may be established to receive information or reports during an emergency, and to provide any necessary policy direction to the EOC Management Team. The Policy Group does not have responsibility for emergency management during an emergency, but they do have power under the *Act* to end a declared emergency.

2.1. Reporting an Emergency

A responding agency or municipal department is likely to be the first on-site authority to an emergency. First responders will assume control at the site and assign a lead agency. If, in the judgment of the lead agency, the situation requires more support resources, or there are consequences to the community at large, the lead agency will contact their senior departmental staff to activate the EOC Management Team.

2.2. Emergency Notifications

When an emergency exists, but has not yet been declared to exist, municipal employees are authorized to take such action(s) as detailed or authorized under the Emergency Plan.

The following City of Hamilton staff or designated alternates have the authority to activate the Emergency Notification Procedure and EOC by contacting the City of Hamilton Emergency Management Coordinators and requesting a Level 1, 2 or 3 activation;

- Head of Council
- City Manager
- Chief of Police

- Medical Officer of Health
- Fire Chief
- Paramedic Chief
- General Manager, Healthy & Safe Communities
- General Manager, Corporate Services
- General Manager, Planning & Economic Development
- General Manager, Public Works
- Executive Director, Human Resources
- Emergency Management Coordinators
- Director of Communications & Strategic Initiatives
- Manager of Communications

Once notified, the Emergency Management Coordinators will activate the notification system to contact EOC responders on the Level 1 or Level 2 Notification List and instruct them to respond to the EOC. The notification system will also be used to advise of a Level 3 activation which involves notification of key EOC members and asking them to participate via virtual conference.

Level 1 activation involves the EOC Director, City Manager, Human Resources/Labour Relations Lead, Information Officer, Legal, Risk Management, Liaison Officer, all Operations Section Branch Coordinators, Logistics Chief (including the IT Branch), the Planning Chief (including Scribe/Event Board) and the Finance and Administration Chief (see Diagram 2).

Level 2 activation involves all EOC personnel and is generally used for a large-scale emergency (see Diagram 3).

Level 3 activation is a virtual activation of EOC personnel. Its membership is similar to a Level 1 activation however it is conducted virtually. Physical response to the EOC is not necessary. Adding additional members to this activation will depend on the nature of the emergency event.

2.3. Declaration of Emergency

Only the Head of Council or Acting Head of Council has the authority to make a declaration of an emergency within the boundaries of the municipality. The decision to declare an emergency will be made by the Head of Council in consultation with the EOC Management Team.

Upon making an Emergency Declaration, the Head of Council will ensure the following are notified:

- City of Hamilton Council members
- The Provincial Emergency Operations Centre

The following may also be notified of a declaration of emergency:

- Local Member(s) of Provincial Parliament (MPPs)
- Local Member(s) of Federal Parliament (MPs)
- Local media, and
- The public

2.4. Termination of Emergency

Termination of an Emergency Declaration usually comes as the result of a significant reduction in the severity of the emergency and/or the impact on the community.

The Head of Council, Council, or the Premier of Ontario have the authority to declare that an emergency has terminated.

2.5. Requests for Assistance

It is possible that assistance from other levels of government, or external partner agencies with specialized knowledge or expertise, may be required by the City of Hamilton to help successfully respond to an emergency.

Depending on the nature of the emergency and the assistance required, these agencies may be requested to attend the emergency site(s) and/or the EOC to provide assistance or provide information and advice to the EOC Management Team.

Where provincial assistance is required, which is outside of the normal departmental or service working agreements, the request will be made to the Provincial Emergency Operations Centre (PEOC) through the Liaison Officer.

Requests for personnel or resources from the Federal Government are requested through the PEOC who in turn liaises with the Federal Government Operations Centre.

3. Incident Management System

The City's Emergency Management Program adopts the principles of the Incident

Management System (IMS) based on five key functions (command, operations, logistics, planning and finance/admin) that must occur during any emergency. IMS can be used for any size or type of emergency to manage response personnel, facilities, and equipment. Principles of the IMS include the use of common terminology, modular organization, integrated communications, unified command structure, action planning, manageable span of control, and comprehensive resource management. The basic IMS response structure is outlined in Diagram 1.

Level 1 and Level 2 IMS Response Structures are outlined in Diagram 2 and 3 respectively.

Diagram 1 – Basic IMS Response Structure

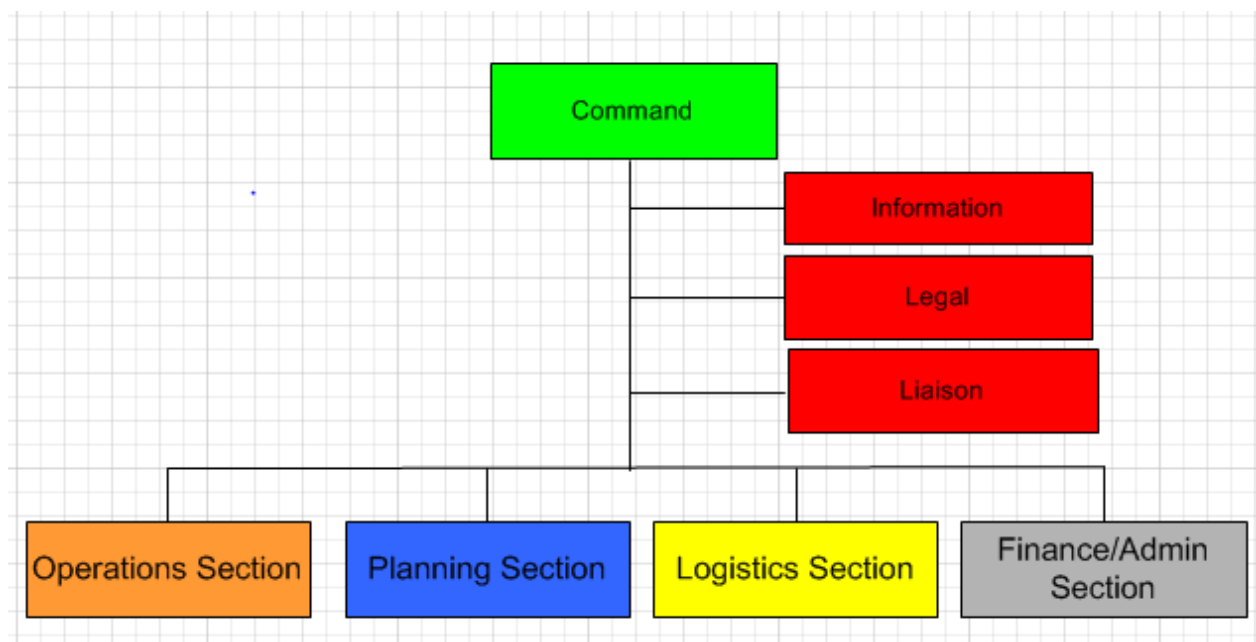

Diagram 2 – Level 1 IMS Response Structure

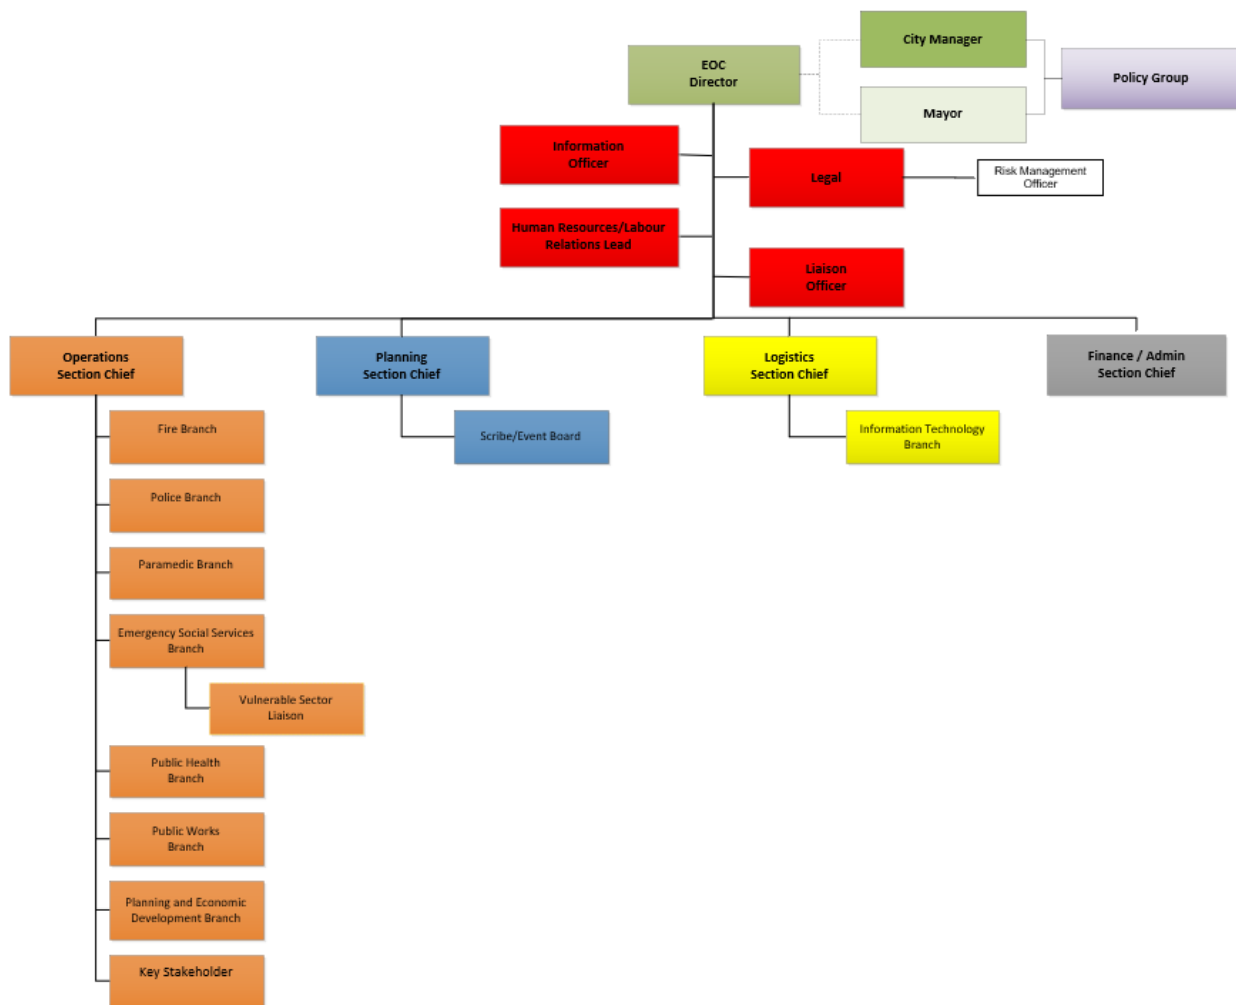

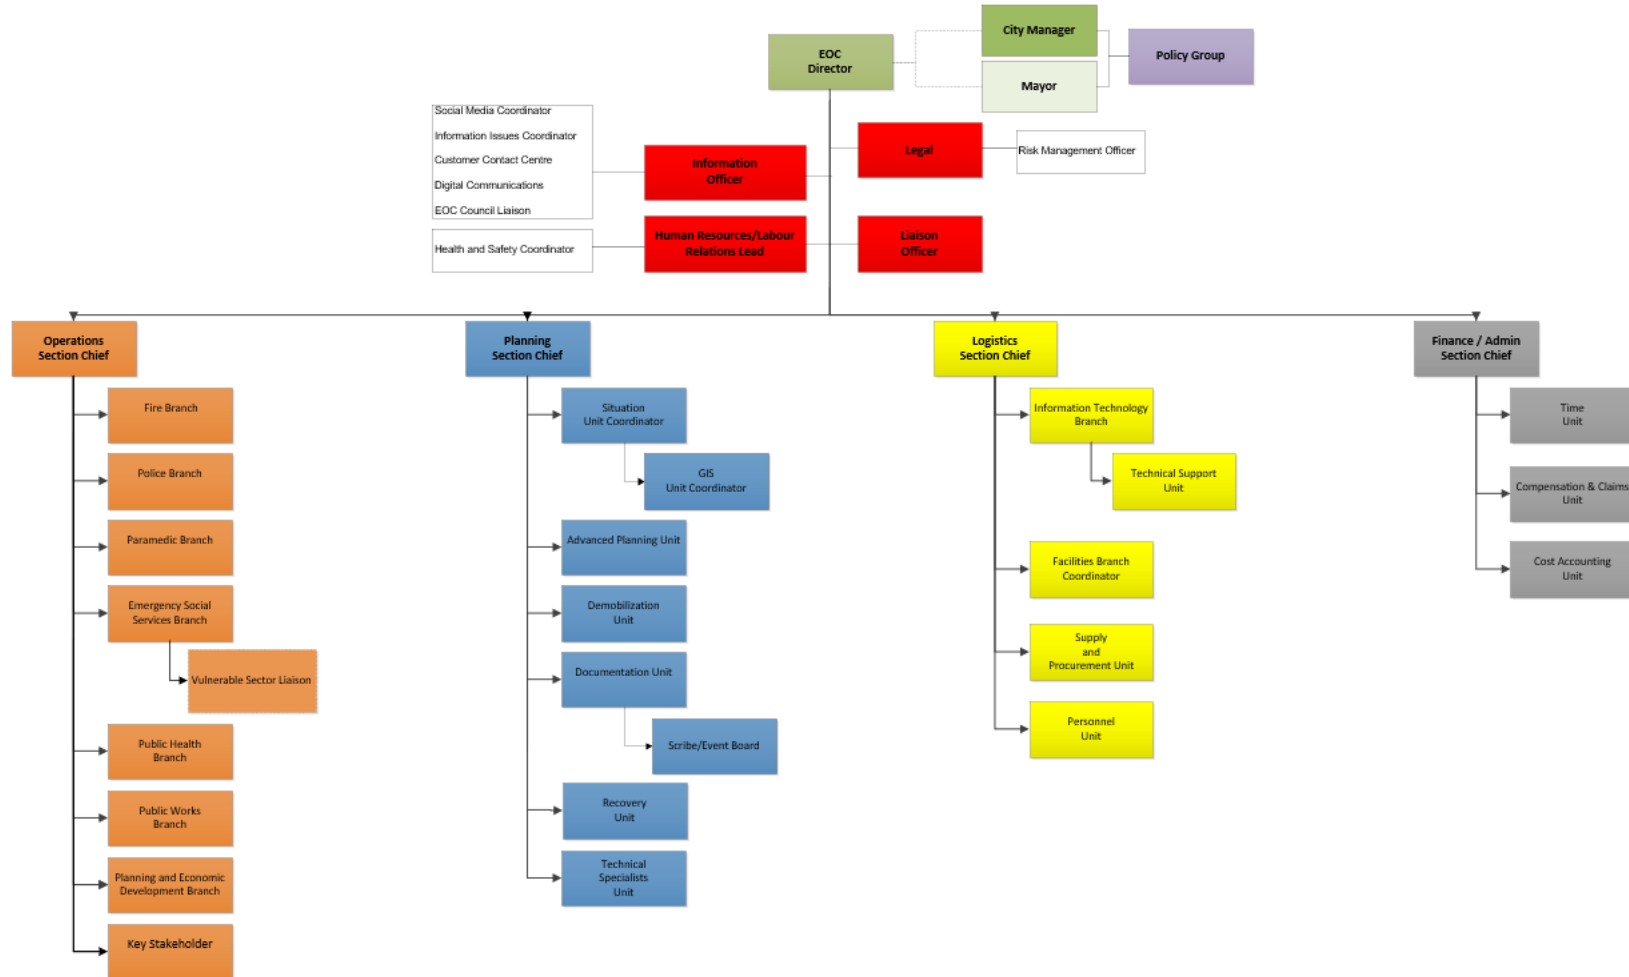

Diagram 3 – Level 2 IMS Response Structure

3.1. Response Goals

The following response goals are applied to all emergency situations. The EOC Management Team will prioritize response objectives based on these goals. In order of priority:

1. Provide for the health and safety of all responders
2. Save lives
3. Reduce suffering
4. Protect public health
5. Protect critical infrastructure
6. Protect property
7. Protect the environment
8. Reduce economic and social losses

3.2. Roles and Responsibilities

Policy Group

Responsibilities of the Policy Group include:

- Provides overall policy direction
- Changes/amends bylaws or policies
- Requests for Municipal level assistance
- Declares State of Local Emergency (Head of Council)
- Declares termination of State of Local Emergency
- Acts as an official spokesperson

EOC Management Team

The primary responsibility of the EOC Management Team is to provide for the overall management and coordination of the response and consequence management. It is the responsibility of the EOC Management Team to ensure that response priorities are established, and that planning, and response activities are coordinated, both within the EOC (i.e. between sections), between sites, and other EOCs. The EOC Management Team uses the incident action planning process to set response and recovery objectives.

During the initial stages of an EOC activation, responding staff already holding one appointment may briefly take on the role of EOC Management Team appointees pending their arrival. This is consistent with the principles of the Incident Management System. The EOC Management Team consists of the following positions:

- Mayor
- City Manager
- EOC Director
- Information Officer
- Legal
- Human Resources and Labour Relations Lead
- Liaison Officer
- Operations Section Chief

The Operations Section communicates directly with emergency site(s), field personnel, or activated Operations Centres. The function of the Operations Section is to gather situational information from site and share it with the Planning Section and other members of the EOC Management Team. The Operations Section also coordinates any resource requests from the site, supports site operations and coordinates multi-agency or multi-departmental support to the site. The Operations Chief will also direct deployment of all EOC-issued resources to the Incident Commander(s) at the site.

The Operations Section Chief will be designated at the time of the emergency by the EOC Director.

Operations Section Chief

- Staffs and manages the Operations Section, ensuring the appropriate personnel, equipment, and supplies.
- Prepares for and participates in EOC Management Team meetings.

Branch Coordinators

Branch Coordinators oversee the operations of a City department, division, section or outside agency. A Branch Coordinator is responsible for coordinating the activities of their department/agency site personnel, dispatch centre (if one exists) and Operations Centre (if one has been activated) with other Branches in the Operations Section. Additional Branch staff may be needed, dependent on the size

of the emergency event and the support required.

Branch Coordinators may include, but are not limited to:

Fire Branch Coordinator

- Liaises with the Fire Incident Commander and Fire Dispatch regarding fire suppression, hazardous materials response, rope rescue, vehicle extrication, and any other site response initiated by Fire.
- Provides site support and coordinates Fire resource requests such as arranging for mutual aid and additional equipment.

4. Emergency Plan Supporting Documents

4.1. Emergency Notification Procedure

The Emergency Notification Procedure outlines the process for notification of EOC personnel to place them on alert or request that they respond to an emergency.

4.2. Emergency Information Plan

This document outlines the flow of emergency communications from City departments and agencies to media outlets, City employees, businesses and residents. This includes the release of information to the media and public, issuing directives to the public, responding to requests for information, and monitoring media outlets and other sources of information. Methods of internal communications with City staff are also outlined.

If required, in the event of a major emergency requiring a response from other levels of government, or other municipalities, communications from the City of Hamilton will be coordinated with those entities.

4.3. Emergency Operations Centre Position Checklists

The position checklists further define the roles of EOC positions outlined in the City's Emergency Plan. They provide detailed information to enable EOC responders to fulfill their responsibilities in managing an emergency situation.

4.4. Emergency Social Services Plan

The aim of the Emergency Social Services (ESS) Plan is to make provision for the efficient administration, coordination and implementation of the extraordinary arrangements and measures taken to protect the health, safety and welfare of the residents of Hamilton during any emergency. This response includes both City staff and external partner agencies that work to provide services including, but not limited to, shelter, food, clothing, emergency first aid, registration and inquiry, personal services, and financial assistance.

4.5. Evacuation Centre Plan

This plan outlines how an evacuation centre will be opened, set up and operated in the City of Hamilton. It establishes operational responsibilities and reporting structures for City staff and community partner agencies in operating an evacuation centre to deliver emergency social services.

4.6. Public Health Emergency Plan

The purpose of this plan is to make provisions for the efficient administration, coordination and implementation of response measures by Public Health Services. This plan executed correctly aims to protect the health, safety and environment of the

Appendix “A” to Report HSC22001(b)**Page 36 of 37**

residents of Hamilton during an emergency by identifying a governance structure, roles and responsibilities, standard response goals, and coordinating the emergency response with partner agencies.

4.7. Mass Casualty Incident Response Plan

This document provides a general overview of roles and responsibilities of City departments and support agencies in response to mass casualties. The purpose of this Mass Casualty Incident Response Plan is to provide a plan of action for an efficient activation and response of agencies to a Mass Casualty Incident (MCI) where the number of patients or victims involved exceeds available resources, equipment, and facilities.

4.8. Reunification Phone Line Procedure

The purpose of the Reunification Phone Line Procedure is to provide friends/family of emergency casualties with a phone line to report information on missing persons. This information will be recorded in order to facilitate the exchange of information between health care facilities, Police Services and friends/family.

5. Emergency Plan Review and Maintenance

The Emergency Management Coordinators are responsible to develop and implement the Emergency Management Program. A function of this is to coordinate, facilitate, implement and test the Emergency Plan based on the recommendations and direction of the EMPC.

The Emergency Plan will be reviewed on an annual basis. Any proposed changes to this Emergency Plan will be submitted to the Emergency Management Coordinators. Any proposed major revisions to the Emergency Plan must be presented to the EMPC upon whose recommendation it may be presented to Council for final approval. Minor revisions may be approved by the EMPC Chair.

5.1. Plan Training

The Emergency Management Coordinators will provide annual training on the implementation of the Emergency Plan to municipal employees.

5.2. Plan Testing

The Emergency Plan will be tested a minimum of once annually through an exercise coordinated by the Emergency Management Coordinators.

5.3. Plan Distribution

The Emergency Plan will be provided electronically to the EMPC, EOC personnel, and Emergency Management Ontario. Partner agencies and other organizations can receive the Emergency Plan upon request. The Emergency Plan is also available on the City of Hamilton website.
