## **RENAMING THE FORMER ST MARKS SUBMISSION**

Attention: Matt Gauthier

City of Hamilton

### **Members of the Facility Naming Sub-Committee:**

I am writing to ask that you do not accept the proposed new name Magnolia Hall for the former St Marks Church. From my point of view, the City of Hamilton Municipal Property and Building Name Policy was not followed and the Engage Hamilton **Rename St Marks** is a flawed and biased survey which dictated the outcome of the proposed new name by Tourism and Culture Division.

1. On February 23<sup>rd</sup>, 2005, the Facility Naming Sub-Committee was established by Council. Its Objectives were to develop a policy and make recommendations to the General Issues Committee respecting requests to name municipal facilities and or properties. The current City of Hamilton Municipal Property and Building Name Policy was updated and is current as of 2016.
2. Engage Hamilton is a new and interactive online space for Hamiltonians to learn about select City initiatives, share their feedback and engage with their community. Engage Hamilton is being used to gather online feedback from and engage with residents about select City of Hamilton projects, policies and initiatives. All input and ideas are compiled and sent to the relevant project manager to inform the recommendation and/or **decision making???** (**not in this case**)

The online Engage Hamilton Survey **Rename St Marks** was flawed. The Survey was biased. The Survey ignored the City of Hamilton Municipal Property and Building Name Policy specifically the intent of the Policy Statement, and Naming Criteria and Guidelines, (a) General Guidelines and (b) Priority Listing.

This survey did not solicit an honest response. Accuracy and integrity were lacking. The Survey was phrased and formatted that skewed engaged participants towards a certain answer. Examples were applied that validated the viewpoint of Engage Hamilton. Samples were one sided. Responses were swayed. The Survey examples intentionally tailored the preferred outcome. The questions were not neutral and showed preference. Rename St Marks Survey contained leading questions and double barreled questions. The Survey presented 2 alternatives, the suggested names or the opportunity to offer an alternative name but with a caveat to not include the name St Mark's. The Survey showed preference, and did not accurately reflect the opinion of the participants.

If this is indeed the body to make recommendations to General Issues Committee respecting naming of City facilities and properties, I would expect the Facility Naming Sub-Committee to respect its policies, adhere to its guidelines and more importantly question the validity of a skewed Engage Hamilton **Rename St Marks** Survey that ignored a significant population and led participants to a tailored outcome.

### RECOMMENDATION

That the 'St. Mark's Church' located at 115 Hunter Street West, Hamilton be renamed 'Magnolia Hall'.

### EXECUTIVE SUMMARY

The building formally known as St. Mark's Church has undergone a multi-year restoration and will reopen in the fall of 2024 as a cultural programming space run by the City of Hamilton's Tourism and Culture Division. Since the building has been de-sanctified as per Anglican protocol, a new name is required to reflect its new use.

In February 2024 the Tourism and Culture Division engaged in public consultation through Engage Hamilton inviting the public to provide feedback on a new name. Nature inspired themes were recommended to the public in keeping with the City of Hamilton Municipal Property and Building Naming Policy (FN-2015-001) Section 4 (a) *to give a sense of place, continuity, belonging, and celebrate the uniqueness and distinguishing characteristics of Hamilton* and adhere to many of the geographic priorities listed under Section 4 (b)(i).

---

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

From that consultation the proposed name 'Magnolia Hall' was selected to celebrate the Magnolia tree which is popularly planted within the Durand neighbourhood. One species is native to Ontario, with many North American species historically grown in Hamilton, especially in older neighbourhoods. To support the new name a selection of magnolia varieties will be planted in the garden surrounding the building, adding beauty and colour to the landscape.

The original Municipal Heritage designation plaque pertaining to the St. Mark's Church heritage designation will be displayed inside the front foyer along with an interpretive panel.

### **Alternatives for Consideration – See Page 3**

### **FINANCIAL – STAFFING – LEGAL IMPLICATIONS**

Financial: None

Staffing: None

Legal: None

### **HISTORICAL BACKGROUND**

St. Mark's Church is a municipally designated heritage building built in 1877 and located at 115 Hunter Street West behind Hamilton's City Hall. The church was originally owned by the Anglican Diocese who later sold it to the City of Hamilton in the 1990s. The building stayed empty until 2011 when stabilization and planning for an adaptive re-use began. Led by the Tourism and Culture Division, restoration was completed in early 2024. The new facility will reopen in fall 2024 as a community cultural programming space. A public consultation to inform the choice of a new name was undertaken in February of 2024. See Appendix "A" to Report PED24076 for results of the community consultation.

### **POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS**

Not Applicable.

### **RELEVANT CONSULTATION**

Staff have discussed the renaming with the Ward 2 Councillor and a Public consultation was undertaken through Engage Hamilton. See Appendix "A" to Report PED24076. The Engage Hamilton consultation was advertised by social media, in the Spectator and through staff recommendations and sharing. It drew 1.64K views and 617 participants.

## **ANALYSIS AND RATIONALE FOR RECOMMENDATION**

St. Mark's Church was originally built as an Anglican church and later sold to the City of Hamilton in 1992. Use of the site will reflect a wide range of programming activities and public use. Renaming the facility is in alignment with the City of Hamilton Municipal Property and Building Naming Policy naming criteria and guidelines and is part of the effort to make the space more inclusive. Significant site heritage and its historic name will be acknowledged within the facility through an interpretive panel and the original Municipal Heritage designation plaque.

## **ALTERNATIVES FOR CONSIDERATION**

Committee has the option to reject the proposed name and retain the original building name of St. Mark's.
