RECOMMENDATION

That the City Clerk be directed to give notice of Council’s intention to designate 1320 Woodburn Road, Glanbrook (Edmonds House), shown in Appendix “A” attached to Report PED24090, as a property of cultural heritage value pursuant to the provisions of Part IV, Section 29 of the *Ontario Heritage Act*, in accordance with the Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes, attached as Appendix “B” to Report PED24090, subject to the following:

- (a) If no objections are received to the notice of intention to designate in accordance with the *Ontario Heritage Act*, City Council directs staff to introduce the necessary by-law to designate the property to be of cultural heritage value or interest to City Council;
- (b) If an objection to the notice of intention to designate is received in accordance with the *Ontario Heritage Act*, City Council directs staff to report back to Council to allow Council to consider the objection and decide whether or not to withdraw the notice of intention to designate the property.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe, and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

EXECUTIVE SUMMARY

This Report recommends designation of the significant built heritage resource located at 1320 Woodburn Road, Glanbrook, known historically as the Edmonds House, under Part IV of the *Ontario Heritage Act*. The subject property is currently listed on the City's Municipal Heritage Register. Staff have completed an evaluation of the subject property using Ontario Regulation 9/06 and determined that it has sufficient Cultural Heritage Value or interest to warrant designation, as per the Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes attached as Appendix "B" to Report PED24090.

Alternatives for Consideration – See Page 6

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: N/A

Staffing: N/A

Legal: The designation process will follow the requirements of the *Ontario Heritage Act* and provide for adequate notice of Council's intention to designate the property. Formal objections may be made under the *Ontario Heritage Act* and considered by Council before either withdrawing the notice of intention to designate or passing a designation by-law. Once a designation by-law has been passed, any further objection would be heard before the Ontario Land Tribunal.

Designation under Part IV of the *Ontario Heritage Act* allows municipalities to recognize a property's cultural heritage value or interest, and to conserve and manage the property through the Heritage Permit process enabled under Sections 33 (alterations) and 34 (demolition or removal) of the Act.

Where alterations to designated properties are contemplated, a property owner is required to apply for, obtain, and comply with a Heritage Permit, for any alteration that "is likely to affect the property's heritage attributes, as set out in the description of the property's heritage attributes" (Sub-section 33(1)).

The City of Hamilton also provides financial incentive programs, including development charge exemption and heritage grants and loans, to assist in the adaptive re-use and continued conservation of properties once they are designated.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe, and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

HISTORICAL BACKGROUND

The subject property located at 1320 Woodburn Road, Glanbrook, shown in Appendix “A” attached to Report PED24090, is comprised of a two-storey stone dwelling constructed circa 1870, known historically as the Edmonds House.

In 2018, the property was listed on the Municipal Heritage Register and was added to staff’s designation workplan for further research and assessment of the property. As a result of Bill 23 changes to the *Ontario Heritage Act*, the former staff workplan for designation was rescinded and replaced with a new public list of Candidates for Designation under Part IV of the *Ontario Heritage Act* (see Report PED22211(a)), at which time 1320 Woodburn Road, Glanbrook, was reprioritized for review for designation by January 1, 2025.

In a letter dated July 26, 2023, Cultural Heritage Planning staff notified the property owner of the changes to the City’s heritage designation process and the reprioritization of staff’s review of the property for designation. In a subsequent letter dated April 26, 2024, staff advised the owner of the recommendation to designate the property, provided them with a copy of the proposed Statement of Cultural Heritage Value or Interest and advised them of the Hamilton Municipal Heritage Committee meeting date that the recommendation would be considered. Staff have not received a response from the property owner to date.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENT

The Recommendations of this Report are consistent with Provincial and Municipal legislation, policy, and direction, including:

- Determining the cultural heritage value or interest of a property based on design/physical value, historical/associative value, and contextual value criteria (*Ontario Heritage Act*, Ontario Regulation 9/06);
- Ensuring significant built heritage resources are conserved (Provincial Policy Statement, 2020, Sub-section 2.6.1); and,
- Designating properties of cultural heritage value under Part IV of the *Ontario Heritage Act* (Urban Hamilton Official Plan, Section B.3.4.2.3).

SUBJECT: Recommendation to Designate 1320 Woodburn Road, Glanbrook (Edmonds House), under Part IV of the *Ontario Heritage Act* (PED24090) (Ward 11) – Page 4 of 7

In addition, Planning staff have emailed the Ward Councillor (Councillor M. Tadeson) for Ward 11 and provided an overview of the reasons for designation and the process for designating a property.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

The intent of municipal designation, under Part IV of the *Ontario Heritage Act*, is to enable a process for the management and conservation of significant cultural heritage resources. Once a property is designated, the municipality can manage change to a property through the Heritage Permit process to ensure that the significant features of the property are maintained.

Section 29(1) of the *Ontario Heritage Act* permits the Council of a municipality to designate property to be of cultural heritage value or interest where property meets two or more of the Criteria for Determining Cultural Heritage Value or Interest prescribed in Ontario Regulation 9/06, as amended by Ontario Regulation 569/22, which identifies nine criteria in three broad categories: Design / Physical Value, Historical / Associative Value; and Contextual Value. The evaluation of cultural heritage value or interest of the subject property was completed by Cultural Heritage Planning staff based on a site visit of the exterior of the property conducted on April 18, 2024 (see photographs attached as Appendix “C” to Report PED24090) and available secondary and primary research sources (attached as Appendix “D” to Report PED24090). As outlined below, based on staff’s cultural heritage evaluation, it was determined that the subject property meets five of the nine criteria contained in Ontario Regulation 9/06 in all three categories.

Design / Physical Value

1. The two-storey stone structure at 1320 Woodburn Road was constructed circa 1870. It has design and physical value as a representative example of a rural dwelling influenced by the Georgian and Italianate architectural styles and a rare example of a stone structure with brick decorative elements. Features typical of the Georgian Revival architectural style include the five-bay symmetrical front façade and low hipped roof. Features typical of the Italianate architectural style include the: paired carved wooden brackets supporting the projecting eaves; segmentally arched door and window openings with decorative brick quoins, voussoirs and window and door surrounds; and projecting single-storey side bay with brick detailing.
2. The property displays a high degree of craftsmanship, as demonstrated by the decorative paired wooden brackets and rare decorative red brick detail contrasting with stone walls, including quoins, voussoirs, and surrounds.

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe, and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

3. The property does not appear to demonstrate a high degree of technical or scientific achievement.

Historical / Associative Value

4. The property has historical value due to its association with the early-nineteenth century development of the Village of Woodburn, the Woodburn Steam Mill and former mill owner John Edmonds (1831-circa 1903). In the first half of the nineteenth century, the Village of Woodburn (or Woodbourne) was founded around the lumbering opportunities from the forests of Binbrook Township. Though Woodburn is sited along the banks of Twenty Mile Creek, there was a lack of opportunity for waterpower for early industry, which meant that the local sawmills had to be steam driven and fueled by the lumber itself. The lack of waterpower meant that Woodburn's grist mill also needed to be steam powered. A wood-burning, steam-driven flour mill was present in Woodburn as early as 1836. Steam-driven grist mills were so unusual in Upper Canada at the time, that Woodburn was often referred to as 'Steam Mill.' The Steam Mill, which was located on the subject property was powered by a twenty-five horsepower beam engine and a wood-burning water-tube boiler, which was a very unusual system for the 1830s.

The original builder of the Woodburn Steam Mill is unknown, though it was operated by a man named McMicking in the late 1830s and later by Henry Magill (fl.1850). By the early 1860s, the Woodburn Steam Mill was owned by John Edmonds. Under Edmonds, the Mill was prosperous with the 1871 Census reporting that it purchased \$16,000 worth of wheat and produced flour and meal value at \$19,200. Edmonds constructed his substantial stone house a short distance from the Steam Mill circa 1870, demonstrating this prosperity. By the mid-1880s, however, the Steam Mill was shut down. By this time, the timber resources in Binbrook Township had been exhausted, forcing the closure of the sawmills. Without the cheap fuel that the wood of the forests represented, the Steam Mill could not stay open. As these industries closed, Woodburn's population began to decline, falling from a height of one hundred and ten in 1890 to fifty in 1910, and John Edmonds was recorded as a farmer in the 1891 Census.

5. The property does not yield or have the potential to yield information that contributes to an understanding of a community or culture.
6. This property does not demonstrate or reflect the work or ideas of an architect, artist, builder, designer, or theorist who is significant to the community.

Contextual Value

7. The property is important in defining the historic character of the community of Woodburn. Though surrounded by modern development, this property is one of the few remaining nineteenth-century remnants of the historic Village of Woodburn. Built with the profits of the former Woodburn Steam Mill, this large and visually distinctive stone dwelling is a reminder of the days when Woodburn was the industrial hub of Binbrook Township.
8. The property is historically, visually, and functionally linked to the surrounding area. Situated on its original location close to several other nineteenth-century structures and near the site of the former Woodburn Steam Mill, this property is at the centre of what was previously the bustling Village of Woodburn.
9. This property is not considered to be a landmark.

Staff have determined that 1320 Woodburn Road, Glanbrook, is of cultural heritage value or interest sufficient to warrant designation under Part IV of the *Ontario Heritage Act* and recommend designation according to the Statement of Cultural Heritage Value or Interest and Description of Heritage Attributes, attached as Appendix “B” to Report PED24090.

ALTERNATIVES FOR CONSIDERATION

Under Part IV of the *Ontario Heritage Act*, the designation of property is a discretionary activity on the part of Council. Council, as advised by the Municipal Heritage Committee, may decide to designate property, or decline to designate property.

Decline to Designate

By declining to designate, the municipality would be unable to provide long-term, legal protection to this significant cultural heritage resource (designation provides protection against inappropriate alterations and demolition) and would not fulfil the expectations established by existing municipal and provincial policies.

Without designation, the property would not be eligible for the City’s financial incentives for heritage properties, including development charge exemption and grant and loan programs. Designation alone does not restrict the legal use of a property or been demonstrated to affect its resale value. However, designation does allow the municipality to manage change to the heritage attributes of a property through the Heritage Permit process. Staff does not consider declining to designate the property to be an appropriate conservation alternative.

STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF HERITAGE ATTRIBUTES

Description of Property

The 0.62 hectare property municipally-addressed as 1320 Woodburn Road is comprised of a circa 1870 two-storey stone dwelling. The property is located on the northwest side of Woodburn Road, opposite the intersection of Woodburn Road and Ridge Street in the Woodburn settlement area in the community of Glanbrook in the City of Hamilton.

Statement of Cultural Heritage Value or Interest

The circa 1870 two-storey stone structure located at 1320 Woodburn Road has design and physical value as a representative example of a rural dwelling influenced by the Georgian and Italianate architectural styles, and a rare example of a stone structure with brick decorative elements. These decorative elements also display a high degree of craftsmanship. The historical value of the property lies in its association with nineteenth-century industry in the once prosperous Village of Woodburn, specifically the Woodburn Steam Mill, and with the former owner of the mill, John Edmonds (1831-circa 1903), who the stone dwelling on the property was built for.

Contextually, this property is important in defining the historic character of the Village of Woodburn. The substantial stone dwelling is one of few remaining historic structures in the village and acts as a physical reminder of Woodburn’s industrial past. It is visually, historically, and functionally linked to its surroundings, being on its original location in the centre of the historic Village of Woodburn, a short distance from the site of the former Woodburn Steam Mill along the Twenty Mile Creek.

Description of Heritage Attributes

Key attributes that embody the physical value of the property as a representative example of a nineteenth-century stone dwelling influenced by Georgian and Italianate architectural styles, as a rare example of a stone structure with brick decorative elements, as displaying a high degree of craftsmanship, and its association with Woodburn’s historic industry and prominent mill owner John Edmonds, include:

- The front (east) and side (north and south) elevations and roofline of the two-storey circa 1870 stone building, including its:
 - Low hipped roof with projecting eaves and turned and carved paired wooden brackets below;
 - Symmetrical five-bay front façade with central entrance;
 - Dressed stone walls with brick quoining on the corners;

- Segmentally arched window and door openings with brick voussoirs, brick quoins and stone lug sills;
- Projecting single-storey bay in the south elevation with a hip roof and turned and carved wooden brackets below the projecting eaves; and,
- Stone foundation.

Key attributes that embody the contextual value of the property as a defining feature of the historical character of the Village of Woodburn include its:

- Location fronting onto Woodburn Road; and,
- Proximity to Twenty Mile Creek.

Note: This Heritage Permit HP2024-009 is an extension of Heritage Permit HP2021-033, approved by Council on October 13, 2021, with conditions and previously extended by HP2023-022 by delegated authority. The applicant has been actively working towards clearing the conditions of Heritage Permit approval and, as a result of two recent OLT cases (OLT-22-003888 and OLT-23-001076) related to the proposed development on the subject property, the applicant will not be able to satisfy all conditions by July 31, 2024. This Heritage Permit HP2024-009 will extend the permit for a one-year period based on the date of extension request, expiring on April 30, 2025.

Please be advised that pursuant to By-law No. 05-364, as amended by By-law No. 07-322, which delegates the power to consent to alterations to designated property under the *Ontario Heritage Act* to the Director of Planning and Chief Planner, Heritage Permit Application HP2024-009 is approved for the designated property at 398 Wilson Street East, Ancaster (Marr House) in accordance with the previously submitted Heritage Permit Application HP2021-033 for the following:

- To renew the previously Council-approved Heritage Permit HP2021-033 for the relocation of the rubble stone structure at 398 Wilson Street East, Ancaster, to 15 Lorne Avenue to address subsurface soil and groundwater contamination.

Subject to the following conditions:

- (i) That any minor changes to the plans and elevations following approval shall be submitted, to the satisfaction and approval of the Director of Planning and Chief Planner, prior to submission as part of any application for a Building Permit and / or the commencement of any alterations;
- (ii) That the installation of the alterations, in accordance with this approval, shall be completed no later than April 30, 2025. If the alterations are not completed by April 30, 2025, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton;
- (iii) That an Archaeological Assessment for the entirety of the site be submitted to the satisfaction of the Director of Planning and Chief Planner;
- (iv) That a full Building Condition Assessment by a qualified professional Structural Engineer with experience in heritage buildings be prepared to the satisfaction of the Director of Planning and Chief Planner;
- (v) That a revised Cultural Heritage Impact Assessment, assessing the proposal against required criteria and a new Statement of Cultural Heritage Value and Interest be submitted to the satisfaction and approval of the Director of Planning and Chief Planner;
- (vi) That the designating By-law No. 78-87 be repealed in accordance with the requirements of the *Ontario Heritage Act* at the expense of the owner;
- (vii) That a new designation By-law be prepared in accordance with the requirements of the *Ontario Heritage Act* for the building's new location at the expense of the owner;
- (viii) That a new Survey be prepared to accompany a new designation By-law indicating the boundaries to which the designation applies;
- (ix) That a Conservation Plan in accordance with the City's Guidelines for Conservation Plans be submitted to the satisfaction and approval of the Director of Planning and Chief Planner;
- (x) That the applicant enters into a Heritage Easement Agreement with the City to the satisfaction and approval of the Director of Planning and Chief Planner prior to the issuance of any Building Permit for demolition or new construction, and that this agreement is registered on title;

- (xi) That a Letter of Credit be provided to be held by the City based on the cost estimates for 100% of the total cost of securing, protecting, stabilizing, relocating, monitoring for a period of three years and the total cost of restoration. Such cost estimates shall be in a form satisfactory to the Director of Planning and Chief Planner;
- (xii) That any technical studies may be subject to Peer Review at the expense of the owner where deemed necessary;
- (xiii) That if the building is to be relocated prior to site plan approval for the redevelopment of 392, 398, 400, 402, 406 and 412 Wilson Street East and 15 Lorne Avenue, then the owner shall apply for and receive approval of a Minor Site Plan Application (MDA), and any other relevant *Planning Act* applications for the proposed relocation; and,
- (xiv) That the owner submit an Official Plan Amendment and Zoning By-law Amendment for the redevelopment of 392, 398, 400, 402, 406 and 412 Wilson Street East and 15 Lorne Avenue or alternatively the owner provide written confirmation to the Director of Planning and Chief Planner that they will be proceeding in accordance with the existing zoning in effect for these lands.

COUNCIL DIRECTION

Not applicable.

INFORMATION

On May 3, 2024, Heritage Permit HP2024-010 (attached as Appendix “A” to Report PED24105) was approved under the delegated authority of Council for the designated property located at 98 James Street South, Hamilton. HP2024-010 renews the previously approved Heritage Permit HP2023-017 for: the retention of the existing retained former church structure; salvage and reuse of the removed portions of the building; and, construction of a new building and/or addition on the remainder of the site attached to the retained portions.

The current ownership group, 98 James South (2022) Inc., acquired the property in late August 2022 and requested an initial two-year extension of the previous Heritage Permit approval in December 2022. At the time, only an initial three-month extension (HP2022-036) was granted before an additional one-year extension (HP2023-017) was granted, which expired on March 31, 2024.

On March 8, 2024, Cultural Heritage Planning staff met on site with Building staff and representatives from the ownership group, including their consultant engineers, Tacoma

OUR Vision: To be the best place to raise a child and age successfully.

OUR Mission: To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

OUR Culture: Collective Ownership, Steadfast Integrity, Courageous Change, Sensational Service, Engaged Empowered Employees.

Engineering, and heritage consultants, mcCallumSather, to discuss the condition of the subject property and the designated remnant church structure. On March 28, 2024, Cultural Heritage Planning staff received a formal request to extend Heritage Permit HP2023-017 for 98 James Street South (attached as Appendix “B” to Report PED24105) before its March 31, 2024 expiry date. As outlined in the Heritage Permit extension request letter, the ownership group have experienced several setbacks delaying the redevelopment of the site, including elevated interest rates and delays due to supply chain disruption, labour shortages and cost escalation.

The applicant recently submitted documentation to satisfy the conditions of the existing Heritage Permit HP2023-017, including:

- Providing a written update to City staff on the condition of the site and existing salvaged features which remain (as per Condition (d) of HP2023-017); and,
- Providing the outstanding monthly monitoring reports from April 2023 to March 2024 (as per Condition (c) of HP2023-017).

The monitoring reports prepared by Tacoma Engineers Inc. confirm that the structure is sound and not experiencing significant cracking or separation. The reports do note that the longer the building sits vacant, the more costly the restoration work will become, but that the structure is still sound. The Documentation and Salvage Report prepared by mcCallumSather and dated March 27, 2024, concludes that most of the salvaged items were found to be in fair condition and recommends measures to prevent further damage and deterioration until restoration and reuse is feasible, including:

- Moving the pile of salvaged stone to the interior of the church to prevent further deterioration and damage;
- Moving the window behind the stone pile to the storage room inside the church;
- Monitoring the salvaged items on a regular basis to protect them from deterioration/vandalism;
- Investigating site security, particularly from James Street, and improved upon to prevent unauthorized individuals to take refuge in the church;
- Removal of the overgrown vegetation at the rear of the church to allow for easy access to the authorized visitors;
- Providing improved access to the storage room from the building interior; and,
- Re-labelling the salvaged inventory of materials on site.

In the extension request letter, the applicant has indicated their commitment to the following remedial scopes of work to continue to show progress on satisfying the conditions of Heritage Permit approval and ensuring the retained historic structure is conserved until redevelopment and restoration work can proceed, including:

- Improved security and housekeeping / appearance of the site – immediately;
- Clean-up and tidying of the site completed by August 31, 2024;
- Commence stabilization/restoration works on the existing structure by fall 2024;
- Sales Launch Fall or Spring 2025 (depending on market conditions);
- Continued monthly monitoring for movement of the existing structure with Tacoma Engineering; and,
- Further study on heritage elements to be incorporated into the build in consultation with McCallum Sather Architects, including protection/storage of valued items.

Although the redevelopment project has experienced significant delays, staff were supportive of granting the requested one-year extension, as it would provide a means of requiring continued monthly monitoring of the site by professional engineers and commit the applicant to working towards the key deliverables outlined in their request letter. Staff have structured the Heritage Permit extension (HP2024-010 attached as Appendix “A” to Report PED24105) to include staged expiries to hold the applicant to the timing committed in the letter, including clean-up and tidying of the site by August 31, 2024 (Condition (b)) and commencing stabilization and restoration work by September 15, 2024 (Condition (c)). A condition has also been included to require the applicant to implement the recommendations outlined in the Documentation and Salvage Report by August 31, 2024 (Condition (d)).

Related Orders to Comply

In addition to the conditions of Heritage Permit HP2024-010 requiring site clean-up and stabilization of the remaining historic structure, additional site requirements have been issued by the City of Hamilton, including:

- An **Order to Comply** under Section 15.9 of the *Building Code Act* issued by Building staff on April 5, 2024. The Order requires action to confirm the structural integrity of the building by a Professional Engineer, complete all prescribed work resulting from the Professional Engineers report within 60 days and provide permanent measures to prevent unwanted entry to the building immediately. The Building Inspector continues to monitor the property and communicates with the owner to ensure compliance within the specified timelines;
- An **Order to Comply** under Property Standards By-law No. 10-221 issued by Municipal Law Enforcement staff on April 30, 2024. The Order requires action to clean the site of garbage and debris; and,
- An **Order to Comply** under Property Standards By-law No. 10-221 issued by Municipal Law Enforcement staff on May 2, 2024. The Order requires action to

secure all the door and window openings to prevent entry of vermin and birds and the entrance of unauthorized persons, repair any damage to the west exterior walls, and repair any damaged to roofing and eavestroughs.

Re: Heritage Permit Application HP2024-010: Extension of Previously Approved Heritage Permit Application HP2023-017 for the Redevelopment of 98 James Street South, Hamilton (Former James Street Baptist Church, By-law No. 90-33) (Ward 2)

Please note that Heritage Permit HP2024-010 is an extension of the previously approved Heritage Permit applications, including HP2013-058, HP2018-044, HP2020-041, HP2022-036 and HP2023-017. The current ownership group, 98 James South (2022) Inc., acquired the property in late-August 2022 and requested an initial two-year extension in December 2022. At the time, only an initial 3-month extension (HP2022-036) was granted before an additional one-year extension (HP2023-017) was granted, which expired on March 31, 2024. The applicant submitted a request for an additional one-year extension before the March 31st expiry date.

Please be advised that pursuant to By-law No. 05-364, as amended by By-law No. 07-322, which delegates the power to consent to alterations to designated property under the *Ontario Heritage Act* to the Director of Planning and Chief Planner, Heritage Permit Application HP2024-010 is approved for the designated property at 98 James Street South, Hamilton, in accordance with the materials submitted with the application for the following alterations:

- To renew previously approved Heritage Permit HP2023-017, including:
 - Retention of the existing front (east) façade and corner towers on James Street South in situ, including all existing windows, doors and other features (the “retained portions”);
 - Salvage and reuse of features and materials from the removed portions of the building (the “salvaged portions”); and,

- Construction of a new building and/or addition on the remainder of the site and attached to the retained portions (the “new building”).

Subject to the following conditions:

That the applicant be advised that Heritage Permit Application HP2024-010 is approved in accordance with the previously submitted application, subject to the following conditions:

- a) That the applicant submit, on a monthly basis, ongoing monitoring reports assessing and outlining the condition of the retained portions to City staff;
- b) That the clean-up and tidying of the site, including removing the demolition rubble and levelling and grading the rear of the site, be completed, to the satisfaction and approval of the Director of Planning and Chief Planner, by **August 31, 2024**. If the work is not completed by **August 31, 2024**, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton;
- c) That the recommendations of the Documentation and Salvage Report from mcCallumSather, dated March 27, 2024, be implemented, to the satisfaction and approval of the Director of Planning and Chief Planner, by **August 31, 2024**. If the recommendations are not implemented by **August 31, 2024**, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton;
- d) That stabilization and restoration work on the retained historic structure commence, to the satisfaction and approval of the Director of Planning and Chief Planner, by **September 15, 2024**. If the work does not commence by **September 15, 2024**, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton;
- e) That a Conservation Plan consisting of the following items shall be submitted, to the satisfaction of the Director of Planning and Chief Planner prior to the commencement of any alterations:
 - 1. Documentation of the existing building and its architectural features and finishes in situ;
 - 2. Specifications and methodology for the protection, stabilization, and restoration of the retained portions;
 - 3. Inventory of the existing architectural features and building materials and a methodology for salvaging these features and materials from the removed portions; and,

4. A plan for the storage and protection of retained and salvaged heritage elements, including the on or off site storage location(s), environmental conditions and security, a schedule of regular inspections and monitoring, and any other protection measures as appropriate. In addition:
 - i. If the storage location is to be changed, the new location and address shall be submitted to the satisfaction and approval of staff, prior to the removal of the heritage elements to a new storage facility;
 - ii. Any unsatisfactory environmental conditions or failures in the security measures shall be reported to Planning staff as soon as they are discovered and appropriate remedies shall be developed and approved by Planning staff prior to implementation, except in emergency situations; and,
 - iii. City staff shall be allowed reasonable access to inspect the heritage elements in storage, at any time.
- f) That, once the alterations are complete, the owner shall agree to appropriate amendments to the Heritage Conservation Easement agreement to reflect the altered building;
- g) That any minor changes to the plans and elevations following approval shall be submitted, to the satisfaction and approval of the Director of Planning and Chief Planner, prior to submission as part of any application for a Building Permit and / or the commencement of any alterations; and,
- h) That implementation of the alterations, in accordance with this approval, shall be completed no later than **March 31, 2025**. If the alterations are not completed by **March 31, 2025**, then this approval expires as of that date and no alterations shall be undertaken without a new approval issued by the City of Hamilton.

Please note that this property is designated under Part IV of the *Ontario Heritage Act*, and that this permit is only for the above-noted work. Any departure from the approved plans and specifications is prohibited, and could result in penalties, as provided for by the *Ontario Heritage Act*. The terms and conditions of this approval may be appealed to the Ontario Land Tribunal within 30 days of your receipt of this Notice.

The issuance of this permit under the *Ontario Heritage Act* is not a waiver of any of the provisions of any By-law of the City of Hamilton, the requirements of the *Building Code Act*, the *Planning Act*, or any other applicable legislation.

Dear Madam,

RE: 98 James Street South, Hamilton, Ontario
Request for Renewal of Heritage Permit # HP2023-017

We write to you as the owner of 98 James Street South, Hamilton, ON, with a request to renew the above-mentioned Heritage Permit for this property.

The ownership group have had several setbacks delaying the development of this project.

As you know our current marketplace is experiencing complications with elevated interest rates and delays due to supply chain disruption, labour shortages and cost escalation.

We have been working with our architect on the building mix to design a mix of products that is appropriate for today's marketplace, as larger suites have resulted in price points that are not affordable. Several options are available to us however will need more time with consultants to finalize the marketing mix. The goal is to achieve the ultimate product mix which will be saleable and create profit at the end.

We have complied with the conditions of the previous renewal, including but not limited to:

- Tidying of the site periodically
- Submitting monthly monitoring reports
- Creation of an inventory of salvaged items

Moving forward, our workplan includes the following objectives:

- Clean-up & tidying of the site completed by August 31, 2024
- Commence stabilization/restoration works on the existing structure by fall 2024
- Sales Launch Fall or Spring 2025 (depending on market conditions)
- Improved security & housekeeping / appearance of the site – immediately

- Continued monthly monitoring for movement of the existing structure with Tacoma Engineering
- Further study on heritage elements to be incorporated into the build in consultation with McCallum Sather Architects, including protection/storage of valued items

Accordingly we would like to formally request a permit extension for a duration of **12 months for the above-noted permit.**

We thank you in advance for your consideration on this matter and we look forward to commencing this wonderful project in the near future.

Yours truly,
98 JAMES SOUTH (2022) INC.
