Someone is
unhoused?

House them

Flow Chart

Housing Costs vs. Wages

% Change since 2014

What do we not do?

- Force unhoused people into living situations that are not safe for them
- Police encampments
- Pretend that advocates for unhoused people are holding parks "hostage"

What do we do?

- Build non-market housing
 - Rents are affordable due to the removal of profit from the equation
 - Money not wasted going to for-profit landlords
 - Projects pay for themselves
 - Tax revenue not lost trying to entice private developers with incentives
- Support people where they are at and make services available should they want them
