Dear Sir/Madam:

**Re: Application for validation of title - Our Client's Property: 48 Humphrey Street Hamilton, Ontario (the "Property")**  
**Legal Description: PT BLOCK 181, PLAN 62M1157 BEING PT 26 ON 62R19441; SUBJECT TO AN EASEMENT IN GROSS AS IN WE767448; SUBJECT TO AN EASEMENT FOR ENTRY AS IN WE820254; SUBJECT TO AN EASEMENT FOR ENTRY AS IN WE894463; CITY OF HAMILTON; being all PIN 17501 – 0474 (LT)**

We are the lawyers for, Yongbum Park and Sungshin Lim, the registered and beneficial owners of the lands, municipally known as 48 Humphrey Street Hamilton, Ontario.

It recently came to our clients' attention that the Property was conveyed to them and subsequently mortgaged by them in contravention of section 50 of the *Planning Act*, R.S.O. 1990, c. P.13, as amended (the "*Planning Act*"). Subsection 50(21) of the *Planning Act* provides that any transfer, mortgage, or charge granted in contravention of section 50 does not "create or convey any interest in land". As a result of this discovery, our clients have instructed us to submit the enclosed application for a Certificate of Validation in order to validate their interest in the Property.

The following provides some additional background as to the basis and justification for the application: The following provides some additional background:

- The Property is one of eight townhouse dwellings shown as parts 21 to 30, inclusive, undeposited, Reference Plan 62R19441;
- The Property is designated as Part 26 on Reference Plan 62R-19441;
- On April 10, 2013, the City of Hamilton issued bylaw number 13-091 being a bylaw to designate certain lands as not being subject to part lot control (the "Bylaw");
- The Bylaw specified a two-year period of validity commencing from April 10, 2013, and expiring on April 10, 2015;
- The conveyance of the Property to our clients on May 16, 2016, by Transfer WE1119469 (the "Transfer") was approximately 11 months after the expiry of the Bylaw. Furthermore, the Transferor continued to own abutting lands as of May 16, 2016, namely the adjacent lands comprising PIN 17501- 0473 (LT);
- Accordingly, the Transfer to our clients was legally ineffective due to a violation of subdivision control provisions, a Charge granted by our client to B2B Bank on May

16, 2016, registered as WE1119470. That charge (the "Charge") is similarly legally ineffective.

In our submission, it is fair and appropriate that the Committee of Adjustment for the City of Hamilton issue the requested Certificate of Validation in respect of the Property to validate the Transfer, the Charge, and all subsequent dealings with the Property. In this regard, we would note that:

- The Property was recently developed in conjunction with the City's approval of the site plan and the issuance of the Bylaw, all of which was considered and approved in conformity with the Town's Official Plan, applicable zoning, and good land use planning principles. No new development is proposed as part of this application.
- The Property conforms with the same criteria that apply to the granting of consents under section 53 of the *Planning Act*.

The requested Certificate of Validation would retroactively cure the *Planning Act* contravention and validate the Transfer and Charge and all subsequent dealings with the Property, by providing that section 50 of the *Planning Act* does not have and shall be deemed never to have had the effect of preventing the conveyance of or creation of any interest in the Property.

The applicants have entered into an Agreement of Purchase and Sale with respect to the Property which is scheduled to close by July 31<sup>st</sup>, which is the outside extended Closing Date pursuant to an Extension Agreement between the applicant and the purchasers. As such, this matter is of some urgency. Your cooperation in expediting this matter would be greatly appreciated.

In support of the within application, we hereby enclose:

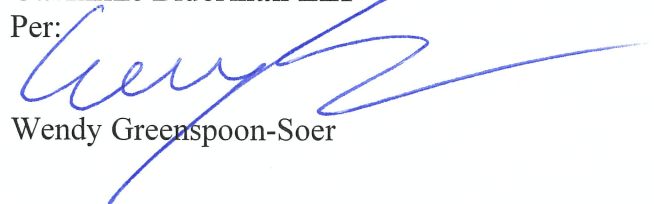

1. Completed Application for Consent/Validation of Title;;
2. Parcel register for the property being PIN 17501-0474;
3. Parcel register for abutting lands PIN 17501-0473;
4. Property Index Map;
5. Transfer WE1119469 registered May 16, 2016;
6. Charge WE1119470 registered May 16, 2016;
7. Reference Plan 62R19441;
8. Site Plan 62M1157; and
9. Our cheque payable to the City of Hamilton in the amount of \$545.00 (to follow by mail) in satisfaction of the application fee.

Should you require anything further in regard to the foregoing, please advise us at your earliest opportunity.

Yours very truly,

## Development Planning:

### Background

The purpose of Consent Application B-25:036 is to validate the title of a parcel of land under the provisions of Section 57(1) of the *Planning Act*, correcting a *Planning Act* infraction that occurred during a past real estate transaction on the subject property.

Staff note that the subject property is one of eight townhouse dwellings shown as Parts 21 to 30, inclusive in Reference Plan 62R-19441, being Part 26 specifically. The subject property was deemed not subject to Part Lot Control with the approval of By-law No. 13-091 on April 10, 2013, with the certification period expiring on April 10, 2015.

The subject property was conveyed on May 16, 2016, by Transfer WE1119469. The Transferor continued to own abutting lands as of May 16, 2016. This transfer occurred outside of the certification period and thus violated subdivision control protocols.

### Analysis

#### Urban Hamilton Official Plan

The subject lands are identified as “Neighbourhoods” on Schedule E – Urban Structure and are designated “Neighbourhoods” on Schedule E-1 – Urban Land Use Designations of the Urban Hamilton Official Plan. Policies E.3.2.3 and E.3.4.3, amongst others, are applicable and permits the existing street townhouse dwelling.

#### Waterdown South Secondary Plan

The subject lands are designated “Medium Density Residential 2” on Map B.4.3-1 – Land Use Plan of the Waterdown South Secondary Plan. Policy B.4.3.3.7, amongst others, is applicable and permits the existing street townhouse dwelling.

#### Former Town of Flamborough Zoning By-law No. 6593

The subject lands are zoned Medium Density Residential (R6-19) Zone, Modified in Former Town of Flamborough Zoning By-law No. 90-145-Z. Street townhouses are a permitted use.

The validation of title is necessary to correct a *Planning Act* violation that occurred during a real estate transaction. The use of the lands meets the general intent and purpose of the Urban Hamilton Official Plan and Zoning By-law. Therefore, **staff recommend the proposed validation of title be approved.**
