**Re: Easement Application – 1165 & 1145 Concession Road 6 West, Hamilton**

---

Dear Sir:

A.J. Clarke and Associates Ltd. has been retained by the owner for the purposes of submitting the enclosed Consent Application (Easement) for the lands known as 1165 & 1145 Concession Road 6 West, within the City of Hamilton.

Below is a summary of the materials submitted to your attention:

- One (1) electronic copy of the required filled and signed Consent Application Form;
- One (1) electronic copy of the Severance and Easement Sketch, dated June 12, 2025 prepared by A.J. Clarke and Associates Ltd;
- Payment in the sum of \$2,140.00 will be delivered with a cheque, with one (1) electronic copy submitted with this application.

The subject lands are municipally known as 1165 Concession Road 6 West, and 1145 Concession Road 6 West within the City of Hamilton.

The two independent parcels share one driveway for access due to the change in grade along Concession Road 6 West. The shared driveway condition has existed since 1973 when 1145 Concession Road 6 West was built. An existing Hydro Easement runs east-west along the properties. There are no impacts on the existing Hydro Easement as a result of this application. The purpose of this application is to facilitate an easement for reciprocal access on title to 1165 Concession Road 6 West through 1145 Concession Road W. Figure 1 below shows this existing condition.

**Figure 1:** View of the existing access at 1145 Concession Road 6 West.

The purpose of this application is to facilitate an easement to provide reciprocal legal access for both properties. The requested easement is shown on the attached severance sketch, which has a width of 8.0 metres and an approximate area of 410 m<sup>2</sup>, following the existing driveway to ensure safe access for vehicles. To date, the properties have shared a single driveway access. The purpose of the application is to formalize this access for when these lands are sold to a future buyer. The proposed easement is shown on the Severance Sketch submitted with the application materials.

Please note that a concurrently submitted Consent to Sever Application for Minor Lot Line adjustment has also been submitted to increase the lot size of 1145 Concession Road 6 West the minimum lot area for Private Servicing within the Rural Hamilton Official Plan and meet the minimum lot area requirements for a Single Detached Dwelling within the 05-200 Zoning By-law.

1165 Concession Road West has a lot area of approximately 42.6ha (105 acres), with approximately 323 metres of frontage along Concession Road 6 West. It is occupied by an existing Single Detached dwelling, accessory agricultural buildings and agricultural lands.

1145 Concession Road 6 West is a rectangular parcel with an approximate area of 0.18ha (1858 sq m) which is occupied with a single detached dwelling. The parcel of 1145 Concession Road 6 was established in 1970's when the maximum lot size for a parcel with a Single Detached Dwelling Unit on it was 100 by 200 feet, which represents its current size. However, the current policies and Zoning By-law dictate that a minimum lot area of 0.4ha (4000 sq m) is required to meet the private servicing requirements.

**Figure 2:** Subject Lands outlined in red to be added to 1145 Concession Road 6 West with approximate location of easement outlined in blue.

### Conclusion

The proposed consent should be granted as the proposed easement formalizes an existing condition and meets the requirements listed under Section 51 (24) of the *Planning Act*.

I trust that you will find the enclosed satisfactory for your purposes. Please confirm receipt of this submission. If you have any questions or require additional information, please do not hesitate to contact this office.
