Subject: re: Council's resolution regarding OLG share of revenues

Mary,

Thank you very much for passing on a copy of Council's resolution and staff report regarding changes to the share of OLG slot and casino facilities.

We have been in discussion with some of the municipalities which have been affected by this change and raised municipal concerns with Ministry of Finance officials in April. We trust that Hamilton has had more detailed and productive conversations with the OLG since that time.

If AMO can be of further assistance, please feel free to be in touch.

Sincerely,

Matthew Wilson
