

THE  LUNG ASSOCIATION™

When you can't breathe, nothing else matters.

Dear Mayor Bratina and Council Members,

On October 29th, 2011 The Lung Association is hosting our second annual **Amazing Pace**. This event is similar to the TV show *The Amazing Race* except that it is confined to the streets of Hamilton. Contestants will have to race from Boston Pizza on Main St. W. to Boston Pizza on Upper James while completing several pit stop challenges along the way. All contestants will be encouraged to utilize the Public Transportation System during this event.

All proceeds from the event will go towards lung health research conducted right here in Hamilton. Thus, we would like to keep our costs to a minimum. This is the reason that we are writing to you all today. We are hoping that The City of Hamilton will provide us with 50 free bus passes for the day of October 29th. These passes will be given to race participants to use on the Hamilton Buses.

Your donations will be greatly appreciated and recognized by putting the City of Hamilton logo on the back of the passports that all contestants will receive. Please find enclosed a rough copy of a passport with some current sponsors.

Thank you for your time and consideration,

M. Mahler.
