Re: Shuttle Bus Service for the Patrons of the Hamilton Farmers' Market

- (a) That staff be directed to develop a free customer shuttle bus program, in consultation with the Hamilton Farmers' Market Stallholder Association, to provide transportation for Hamilton Farmers' Market patrons within the boundaries of downtown Hamilton;
- (b) That this pilot project be operated for a period of three months at which time a report on the results of the program be submitted to the Emergency and Community Services Committee;
- (c) That the cost of this pilot program not exceed \$14,000 to be funded from the Hamilton Farmers' Market advertising budget;
- (d) That staff be directed to follow the City of Hamilton Purchasing Policy in the procurement of this service.
