Dear Premier McGuinty:

Re: Slots at Racetrack Program

Please be advised that the following resolution was passed by the Township of Cavan Monaghan at its Regular Meeting held April 2, 2012:

"Whereas the horse racing industry is an integral part of the agricultural industry as it has evolved in Ontario; and

Whereas the Slots at Racetracks Program has been an effective way to aid the growth and improvement of the industry, as well as the municipalities in which they exist; and

Whereas, the Sadinsky Report provided recommendations that were supportive to the continued well-being of the industry;

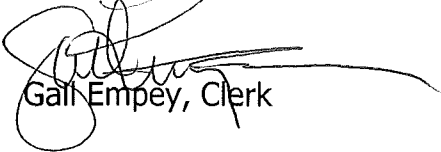

Now Therefore be it resolved that the Council for the Township of Cavan Monaghan requests that the Premier reconsider the decisions to terminate the Slots at Racetracks Program, and reach new agreements for the Program based on consultation with the impacted groups and the recommendations of the Sadinsky Panel."
