**RE: Application for Official Plan and Zoning By-Law Amendment
by 1475780 Ontario Inc. For Lands at 2555 Creekside Dr. Dundas**

Dear sir or madam:

Because we will be out of the country on May 1, 2012 we will not be able to attend the public meeting of the Planning Committee in regard to File OPA-09-014 & ZAC-09055. We nevertheless wish to register our objection to the request being made by the proponents of this application. It remains our view that the project violates the principles of sound planning and would create serious traffic problems along Creekside Dr.

In registering our objections we wish to preserve our right to receive notification of the decision of the Planning Committee, and to retain our right to appeal in accordance with the provisions of the Planning Act.

Sincerely,

Peter Ennals and Cheryl Ennals
