Seniors Advisory Committee
Attn: Ron Smithson Chair
Tuesday, May 01, 2012

Dear Seniors Advisor Committee

It is with regret that I tender my resignation to this committee and sub committees.

I find that my family commitments and health commitments do not allow me at this time to give you the time needed to fulfill my obligations to these committees.

It is therefore with regret that I tender this resignation.

To both the staff and members I thank you all for your friendliness and hope that at some future date our paths will cross again.

Sincerely
May Ferguson
