To whom it may concern:

I attended the meeting on July 25<sup>th</sup> 2012 at the Stoney Creek Dairy and I would like to express some of the concerns that I have with the development of this retirement facility.

I appreciate some of the changes that have been made to the proposal however I still have concerns regarding the height of the building, the parking, and the green space.

I will not be able to attend the Public Meeting at the Council Chambers on July 10<sup>th</sup> 2012 due to employment commitments. I would however like to be informed about all further notices and meetings in writing.

Best Regards,
