

## PETITION TO THE CITY OF HAMILTON

PAGE # 1 of 4

We the residents of Sanford Ave.S., Hamilton hereby solicit the City of Hamilton to take immediate action to curb the excessive speeding that we are experiencing as vehicles race to beat the traffic lights at the corner of Main St.E.

These speeders are creating very unsafe conditions on the street as well as numerous collisions at the corner of Main St. resulting in serious injuries as well as deaths.

We ask the City to install Speed Bumps and/or Rumble Strips as well as posting reduced speed signage on the street between Delaware and Main St.E. as quickly as possible
