RE: Letter of Resignation from Heritage Permit Review Committee

It is after careful reflection and with much regret, that I submit my letter of resignation from the heritage permit review committee, effective immediately.

I thank my fellow committee members for allowing me to serve with them. It has been my pleasure serving with such knowledgeable and passionate individuals, and I wish them well on all their future endeavors.

I would also like to thank the Heritage Planning Section staff members for their time and dedication to the preservation of Hamilton's heritage. It is an uphill battle that is underappreciated at many levels within the bureaucracy of city hall, city development and the general citizenry of Hamilton, and I just wanted them to know that their efforts have not gone unnoticed by this tax paying citizen.

Sincerely,

*Terri Mines*
