Subject: Decision for Glover Rd. cul-de-sac

Just received your letter that the staff is recommending a narrowing of Glover Rd. rather than a cul-de-sac.

We are very pleased with this decision and hope it will stand as written. We agree that the EMS response will be unaffected and hopefully our wonderful snow remover service, and the mail service, school bus service will continue as in the past.

thank you

Irene & Gerry DiCarlo
resident of Glover Rd.
