Subject: Demolition of Homes

Dear Vanessa and Councillor McHattie,

I wanted to send a quick note expressing my deepest displeasure in hearing of the proposed plan to demolish beautiful century homes in my Strathcona neighbourhood. My Husband Jason Leach, wrote a great article on Raise the Hammer with some fantastic and less invasive/destructive ideas on how to revitalize our great neighbourhood and York Blvd. Tearing down family owned homes with character and replacing them with ten storey condo's is not what this neighbourhood needs/wants.

Thank you
