Steve Rolfe, Director of Policy and Planning at Homestead Christian Care and Co-Chair of the Domiciliary Hostel Program Review Implementation Committee and Brian Kreps, Program Manager of Emergency Shelters and Domiciliary Hostels addressed Committee with the aid of a PowerPoint presentation and copies of the hand-out were distributed.

They covered the following topics:

- Where we were
- Mission Statement
- Where we are now
- Where we are going
- Questions

On a motion, Committee received the staff presentation respecting the Domiciliary Hostel Review.

For disposition of this matter refer to Item 6.

(g) DISCUSSION

(i) Affordable Transit Pass Pilot Program Extension (CS13050) (City Wide) (Item 8.1)

1. Peter Hutton, Hamilton Poverty Roundtable Advisory Panel on Transportation, to address Item 8.1 respecting the Affordable Transit Pass Program. (Item 4.1)

Peter Hutton from the Hamilton Poverty Roundtable Advisory Panel on Transportation addressed Committee.

His comments included but were not limited to:

- Is disappointed the Report refers to a pilot project rather than a permanent program;
- It is a “six year pilot program”;
- There’s only one central location to purchase affordable pass;
- An affordable transit fare rather than an affordable monthly pass would be more economically feasible for those workers who work part-time;
- Affordable transit has become a problem throughout the Province;
- Some Regional and Municipal governments within the Province are looking to address the issue.

Peter Hutton responded to questions from Committee.

On a motion, Committee received the delegation from Peter Hutton from the Hamilton Poverty Roundtable Advisory Panel on Transportation respecting the Affordable Transit Pass Program.

2. Elizabeth Cardno, to address Item 8.1 respecting affordable Transit Pass Pilot Program Extension. (Item 4.3)

Elizabeth Cardno addressed Committee and spoke to Committee regarding her experience as an applicant for Ontario Works (OW). It took her over a year to qualify for the affordable transit pass and

it was only after meeting with an employment counsellor and convincing her that she needed it was she able to qualify.

She could have started working sooner rather than later if she had had the pass. Finding work is compromised for those who do not qualify.

She recommends strongly that an appeal process be established for people who are denied discretionary benefits. Right now the only option is to go to the social tribunal. For example, she was surprised when she was accepted to move into Hamilton Housing she did not receive any financial aid for the move despite her medical reasons for needing it. Establishing an appeal process should be a priority.

On a motion Committee received the delegation from Elizabeth Cardno respecting the Affordable Transit Pass Program.

Staff responded to questions.

On a motion, Committee approved recommendation (c) of the Report directing that staff report back in October 2014 with an update and recommendation(s) for the Affordable Transit Program.

For disposition of this item refer to Item 7.

(ii) Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program (CS13009(b)) (City Wide) (Outstanding Business List Item) (Item 8.3)

1. Elizabeth McGuire, Campaign for Adequate Welfare and Disability Benefits, to address Item 8.3 regarding Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program (Item 4.4)

Elizabeth McGuire from the Campaign of Adequate Welfare and Disability Benefits addressed Committee and read from a prepared statement, a copy of which was included in the Clerk's official record and has been uploaded on the City's website.

She emphasized the following two points:

- The hydro benefit should not be called a "benefit" as it is an indentured servitude to Hydro;
- The delivery model being used today is the same one that was established by Mike Harris with heavy surveillance on

the recipients which is very costly and the City should bring this issue forward to Toronto on Hamilton Day;

On a motion Committee received the delegation from Elizabeth McGuire from the Campaign for Adequate Welfare and Disability Benefits, regarding the Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program.

2. Trish Balardo, SAM Program representing Adult Day Programs respecting 8.3 regarding Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program (Item 4.5)

Trish Balardo from the SAM Program representing Adult Day Programs addressed Committee and read from a prepared statement, a copy of which was included in the Clerk's official record and has been uploaded onto the City's website. She also provided copies of the Guide to Hamilton's Adult Day Services which were distributed and are included in the public record.

She responded to questions from Committee indicating that although she would prefer that there were no cut backs on the discretionary benefits, she realizes that due to budget constraints the two day a week cap on the Adult Day Care Program is necessary in order to preserve the program on a long term basis. She acknowledged that there will be a domino effect on some adults who use the program.

On a motion Committee received the delegation from Trish Balardo from the SAM Program representing Adult Day Programs, regarding the Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program.

3. Margie Goold, respecting Item 8.3 regarding Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program (Item 4.6)

Margie Goold addressed Committee indicating that she is representing herself and other people on ODSP and OW. She asked that Council please continue the benefits as they help address homelessness, assist people in paying utility bills, moving expenses and the cost of eliminating bed bugs. As 50% of recipients live below the poverty line, they cannot afford these

expenses. The fact that so many depend on food banks is proof that the funds are not sufficient.

On a motion Committee received the delegation from Margie Goold regarding the Update on Efforts to Mitigate Funding Pressure to Discretionary Benefits delivered by the Special Supports Program.

Committee amended the staff recommendations by adding a subsection (d) to refer the Adult Day Care User fee subsidy to the 2014 Budget Process for an enhancement and a subsection (e) to provide interim funding for the Adult Day Care User fee subsidy at the 2013 level through Community and Emergency Services Department surplus until budget approval and by re-lettering the subsequent sub-section accordingly.

For disposition of this matter refer to Item 8.

(iii) Pressure at Emergency Shelters Serving Single Homeless Women (CS13051) (City Wide) (Item 8.4)

1. Renee Wetselaar, Social Planning and Research Council of Hamilton respecting Item 8.4 Pressure at Emergency Shelters Serving Single Homeless Women (Item 4.1)

Renee Wetselaar confirmed that she is appearing on behalf of the Women's Housing Planning Collaborative. She provided copies of a hand-out which were distributed and a copy has been retained in the Clerk's file for the public record.

Women experience homelessness differently from men. She spoke in support of the staff report and she responded to questions from Committee.

On a motion Committee received the delegation from Renee Wetselaar on behalf of the Women's Housing Planning Collaborative respecting the report regarding Pressure at Emergency Shelters Serving Single Homeless Women.

For disposition of this matter refer to Item 9.

Cairns 1044 Traditional Composite Fire Helmet Specifications

Overview

The Cairns 1044 Traditional composite Fire helmet is NFPA-1971-2000-compliant model and is constructed from a through-colored composite material that resists cracking and chipping. The Cairns 1044 Helmet provides full-brim protection, SCBA front headband adjustments, and ultra-high-temperature (TPR) edge trim that will not melt or drip. Outfitted with a Nomex chin strap, a flame and heat resistant earlap, eye protection, and a 3-position rear-ratchet height adjustment that ensures a comfortable fit for head sizes.

It is anticipated that in 2014, the Hamilton Fire Department will spend between \$60,000 to \$80,000 on replacement/new helmets.
