Dear city staff and Brenda Johnson
Last time this item was tabled at the committee meeting we also corresponded with you, so thank you for once more considering a submission from us.
As members of the Trinity Canadian Reformed Church for the last 4+ years we've been actively aware of our congregation's desire to find a property on which to build a suitable church building. One of the criteria set was centrality of location. However it's become apparent that it's difficult to find land centrally located between the two communities we serve – Caledonia and Binbrook. We are also keen as a congregation to establish a location that allows us to be an active part of our communities. Given those things we ask that you consider the application before you favourably so that we may proceed with the building of a suitable church.
As a family we also want to take a moment to thank you all for your significant work of service to our community.
God bless,
Rodney & Anita Vermeulen and children
