Good afternoon Vanessa,

Further to our public meeting on January 14th for our Fairgrounds West applications, we had requested the right to speak to our application (PED14003) prior to the final decision being made by Planning Committee. As such, we would like to formalize our request to appear as a delegation to this item which is going forward on February 4th. We would further like to appear as a delegation for the Binbrook Sanitary and Stormwater Systems Performance (BSSP) Report which is also coming forward that day. We trust that our agent (James Webb) or ourselves would be granted the right to speak to the aforementioned items. If there are any questions or concerns, please do not hesitate to contact our office.

Regards,

Fernando Puga

Project Coordinator, Land Development
