Re: February 19, 2013 - Ontario Federation of Anglers and Hunters petition to allow gun hunting on Sundays

Dear Ms. Partridge,

Please implore our representatives to vote NO to gun hunting on Sundays in our area. In fact many people in our neighbourhood hope for an end ALL hunting on weekends in our area. We should be able to walk in our woodlots free of fear from bows or bullets! While enjoying walks along our concessions I have come across deer heads and bundles of sawed off legs. It was quite disturbing, enough to make me sick. In addition, the gun noise that we presently endure on Sunday mornings (re: Rod and Gun Club - target shooting) is quite annoying and I would like to see this restricted to afternoons only. Please vote NO to this recent request from the Ontario Federation of Anglers and Hunters.

Thank-you for your consideration of this request.

Sincerely,
Wendy Webber
