Subject: GLOVER road CUL DE SAC.... SAY YES !!!

Hi, I hope you read this quick note before you decide on glover road ... I have lived here for over 9 years , and picked this location because of how beautiful and quite this area is (WAS)... I am a very disappointed in the fact that we may not get a cul de sac... having this put in would again make us (all of us) feel like we are in a neighbourhood again not a industrial park !! I can't stress how much in a 1year period this area has changed.... I would like to continue to live here and raise my family , but feel if the road does not change that it is just not a safe place for small kids>>> I have a 21 year old, 4 year old and one on the way... just this morning while waiting for the bus (15 min waiting as bus had trouble with trucks turning into new construction of buildings)... I saw 17 trucks , 4 of which drove right up the street (past lg. sign that says NO TRUCKS).... please consider the cul de sac ... I am a voter and will vote against anyone who does not help us out in this situation ... thank you shawn warwick
