RE: Fruitland -Winona Secondary Plan

Adam Dopko & Maurice Dopko are owners of 1217 Barton St., Winona property which was purchased by their parents in the Mid 1940's and has been in the family name since then.

Being raised in the Winona Community and observing the growth that has taken place over the years we are glad and proud of the planning Committee proposals being recommended by the current planning staff to Council.that the properties 1215-1239 Barton St. be designated Residential to conform and compliment the surrounding neighbourhood.

We heartily approve the recommendations and appreciate the efforts of all concerned with bringing these amendments to Council for inclusion in the Winona-Fruitland Secondary Plan.

The information provided in the Report stating the history of how the above described properties were not designated residential along with the properties northerly of the subject lands is also appreciated.

Yours truly,

Adam Dopko & Maurice Dopko.
