**Attention: Ms. Rose Caterini, City Clerk**

Dear Ms. Caterini,

**Reference: Union Gas Pipeline Project - Information Session & Preliminary Preferred Route  
Dawn Parkway System Expansion - Hamilton to Milton Section**

To serve a growing demand for clean, affordable natural gas, and to secure the continued reliable delivery of natural gas, Union Gas is proposing to expand its Dawn to Parkway natural gas pipeline system between the communities of Hamilton and Milton. The proposed project includes construction of a 48-inch diameter steel natural gas pipeline between the existing Union Gas Hamilton Valve Site located near Hwy 6 and Carlisle Rd., and the existing Union Gas Milton Gate Station located south of Derry Rd. between Ontario St. and Third Line (Hamilton to Milton). A route selection process was conducted and a Preliminary Preferred Route has been identified. Please see the attached map for the Preliminary Preferred Route. Detailed maps are available at the project webpage ([www.uniongas.com/projects](http://www.uniongas.com/projects)).

Information Sessions regarding the project are being held on April 22 and 23, 2014. Please find attached the Notice of Information Session. We hope that you can attend one of the Information Sessions. Alternatively please forward any questions or comments regarding the project or Preliminary Preferred Route to the undersigned.

Sincerely,

**STANTEC CONSULTING LTD.**

# Union Gas Pipeline Project - Information Session

## Dawn Parkway System Expansion Hamilton to Milton Section

### You are invited to attend an Information Session for the proposed Dawn Parkway System Expansion project.

To serve a growing demand for clean, affordable natural gas, and to secure the continued reliable delivery of natural gas, Union Gas is proposing to expand its Dawn to Parkway natural gas pipeline system between the communities of Hamilton and Milton.

The proposed project includes construction of a 48-inch diameter steel natural gas pipeline. A route selection process was conducted and a Preliminary Preferred Route has been identified that will travel between the existing Union Gas Hamilton Valve Site located near Hwy 6 and Carlisle Rd., and the existing Union Gas Milton Gate Station located south of Derry Rd. between Ontario St. and Third Line. If approved, construction of the pipeline could begin as early as 2016.

Union Gas is committed to consultation and engagement with landowners, municipalities, government agencies, First Nations, the Métis Nation of Ontario and other interested parties.

The Information Session will be conducted as a drop-in centre, and representatives from both Union Gas and Stantec will be available to answer questions.

**Tuesday April 22, 2014**

**5:30 pm to 9:00 pm**

Carlisle Arena  
1496 Centre Road  
Carlisle, ON

**Wednesday April 23, 2014**

**5:30 pm to 9:00 pm**

Milton Memorial Arena, Lions Club Hall  
77 Thompson Road South  
Milton, ON

If you cannot attend the Information Session but would like to learn more, please contact:
