Subject: Resignation

Hi Jenny,

I appreciate your help to try to accommodate for me the time to attend to this meetings.

Thursday afternoon is difficult for me now. There is a time conflict with my job and another activities until 8:30 pm same day.

I would prefer to resign to my volunteer position as a Citizen representative and give the opportunity to another Hamiltonian to be part of this amazing committee.

Thank you for your understanding and support.

Looking forward to hearing from you.
