**Rural Hamilton Official Plan  
Amendment No. █**

The following text, together with:

Appendix “A” – Rural Land Use Designations – Volume 3: Schedule D,  
Appendix “B” – Site Specific Key Map – Volume 3: Appendix A,

attached hereto, constitutes Official Plan Amendment No. █ to the Rural Hamilton Official Plan.

**1.0 Purpose and Effect:**

The purpose and effect of this Amendment is to create a new site specific policy to enable the relocation of a seasonal trailer park consisting of 100 units and ancillary uses to allow for the redistribution of units for an existing mobile home park.

**2.0 Location:**

The lands affected by this Amendment referred to as the “South Lands” are located at 58 12<sup>th</sup> Concession Road East, fronting partially on the south side of 12<sup>th</sup> Concession Road East, in the former Town of Flamborough. The lands on the north side of the 12<sup>th</sup> Concession, the “North Lands”, located at 57 12<sup>th</sup> Concession Road East, are part of the same 80 ha parcel and contain an existing trailer park called “Fernbrook Resort”, which is occupied by 150 mobile homes and 100 seasonal trailer sites. The use has existed on the property since 1969.

**3.0 Basis:**

The proposed change in designation can be supported for the following reasons:

1. The proposal would conform to the criteria provided in Policy D.4.1.1 of the Rural Hamilton Official Plan with respect to the following:
  - it would not adversely impact surrounding agricultural uses or existing farm operations (Policy 4.1.1.b);
  - it would not have a negative impact on existing wells within the nearby Rural Settlement Area of Freelton (Policy 4.1.1.c); and,

- it would be compatible with surrounding land uses (i.e. conservation lands, agriculture and adjacent open space uses) and the rural landscape (Policy 4.1.1.d).
2. The proposal would not impact Key Natural Heritage Features, and would maintain a 30 m Vegetation Protection Zone.
  3. The proposal would contribute to reduced flood-risk on the North Lands by removing the seasonal trailer sites. The changes would allow for improved ingress and egress during the 100 Year and Regional Storm events.
  4. The proposal would allow for required upgrades to the private servicing system serving the Fernbrook Resort, as well as facilitating infrastructure improvements to the mobile home park. This will contribute to the improved safety of residents and the future sustainability of the resort as a residential community and seasonal campground.
