

**CITY OF HAMILTON  
MOTION**

**Committee Date: May 6, 2014**

**MOVED BY COUNCILLOR J. FARR.....**

**SECONDED BY COUNCILLOR.....**

**10.2 Construction Information Ground Signs**

WHEREAS the Hamilton Sign By-Law No.10-197 regulates signs, including temporary “Construction Information Ground Signs” within the City of Hamilton;

AND WHEREAS the Hamilton Sign By-Law No.10-197 restricts the height (7.5 m) and size(maximum area 18.0 m<sup>2</sup> for a single-faced or 36.0 m<sup>2</sup> for a double or multi-faced Sign) of ground mount signs, including temporary “Construction Information Ground Signs”;

AND WHEREAS there are available space challenges to locating “Construction Information Ground Signs” in the most visible and effective manner for many of the vital new developments occurring within the Downtown;

NOW THEREFORE IT IS RESOLVED:

- (a) That Planning and Economic Development Department staff be directed to review the provisions of the Hamilton Sign By-Law No.10-197 and to report back with possible alternatives to address the challenges in locating “Construction Information Ground Signs” associated with Downtown developments;
- (b) That staff be directed to use discretion in enforcing “Construction Information Ground Signs” in the Downtown area until the requested report is considered by Committee and City Council.
