

PETITION

***TO RE-ESTABLISH THE
CONFEDERATION
PARK BOAT RAMP***

This Petition will be forwarded/ presented officially to the Local Regional Government Electees, The City of Hamilton, The Hamilton Regional Conservation Authority and other parties with involvement in said jurisdiction.

We the undersigned believe that additional boating access to Lake Ontario is needed in a cost effective means. This location has public access, an adjacent parking lot, and we believe the project can be opened with minimal work and cost. The end result being a free boat launch and utilizing existing facilities.

The Petition is initially being implemented by the Stelco Fishing Club Executive and is supported by the other local Fishing Clubs, including The Dofasco Fishing Club; The Golden Horseshoe Fishing Club, The Straightline Anglers.
