

We hereby petition the City of Hamilton to reduce the speed limit on Miles Road, Mount Hope to 60K's from English Church Road through to Haldibrook Road. This section of road sees excessive speeding. Safety is a real concern for residents living with hidden driveways, minimal shoulders force pedestrians to walk partly on the road and the site lines in high areas also creates an unsafe environment because of poor site lines. We therefore petition the City of Hamilton to change the by-law and reduce the speed limit to 60K's and post it accordingly.
