Matt Jelly addressed Committee and read from the City of Hamilton's Zero Tolerance Policy for Violence in Recreational Properties & Facilities

He noted that all people and citizens should be held to the same standards. Council and the City Manager chose not to take action against a recent incident involving a Councillor and a member of the public who was in attendance at City Hall. If this had happened to a Councillor or a staffer there would have been consequences.

He urged Council to enact a city wide zero tolerance policy that also includes Councillors without requiring an application to the Integrity Commissioner.

(Whitehead/Duvall)

That the delegation from Matt Jelly be received.

CARRIED

(ii) David Steckham of the Hamilton Veteran's Committee wishing to speak to Item 9.2 respecting Veteran's Parking. (Added Item 4.2)

David Steckham addressed Committee and read from a prepared statement. He advised that he served in the Canadian Armed Forces for 20 years. He acknowledged that free Veteran's parking was approved with stipulations. He is looking to have the stipulations removed.

He outlined the duties of the members of the armed forces who wear the following hats:

Green Beret
Maroon Beret
Blue Beret
Air Force Wedge
Air Force Beret

He noted that all can be traded in for combat helmets.

He acknowledged there is a concern for potential abuse. In his opinion only the spouses of veterans, who have provided a support role to those serving their country, may be in a position take advantage of free parking. Hamilton is unique as it is the only city in all of Canada who has a Veteran's Committee. The City has spent tens of thousands of dollars for a war memorial for veterans who have died in combat – what about the living?
