Dear Ms. Busser:

RE: Grant Award ~ 1 FTE for the Nurse Family Partnership Program

Enclosed is our cheque in the amount of \$22,869, in accordance with our email exchange of April 24, 2014, providing support as follows:

\$15,056 in support of "Proposal #1 – Support Services from NFP International to City of Hamilton, Public Health Services";

\$7,813 in support of "Proposal #2 – DANCE (Dyadic Assessment of Naturalistic Caregiver-Child Experience".

We ask that you please provide appropriate publicity for Hamilton Community Foundation related to your grant. We request this because such public acknowledgement raises awareness not only about your organization and its great project, but also about the Foundation and its work.

Our experience shows that it is these examples that attract donors to consider gifts to the Hamilton Community Foundation. As the asset base grows, more funds become available to support good projects such as these which enhance the quality of life in our community - a goal we share with the City of Hamilton.

Dianne, we are pleased to be able to provide this additional support and look forward to its significant outcomes.

Yours sincerely,

Matt Goodman
