Reason(s) for delegation request: *

I wish to delegate the Planning Committee regarding our ongoing concern about a wedge of land that has been land locking my father's property and his neighbour's property since the spring of 2006, and which was brought to the City's attention in August of the same year. While the OMB addressed this issue in 2009, and made several recommendations, the issue remains unresolved. The developer who is responsible for the creation of this impasse has circumvented the Planning Committee and the process by recently appealing directly to the OMB for a decision on the rezoning of this wedge of land for residential development in contravention of the Planning Department's guidelines for residential development. In light of the Planning Committee's implicit involvement and interest with respect to this matter, I am requesting an opportunity to briefly review the extenuating details and complex implications of this situation at the February meeting so that the members of Planning Committee may be kept fully informed of our concern, despite their inability to intervene at present.
