Mr. Chad Collins  
City Councilor, City of Hamilton  
2nd floor - 71 Main St. West  
Hamilton, Ontario

Dear Mr. Collins,

The Hamilton Professional Fire Fighters had been in discussions with the City of Hamilton for a number of years regarding a Fallen Fire Fighter Memorial. This initiative was being spearheaded by our good friend Councilor Bernie Morelli. Unfortunately with the passing of Councilor Morelli, this project has fallen off the map.

The Hamilton Professional Fire Fighters Association would like to jumpstart these discussions once again. We would be honoured if you could take over for Councilor Morelli. We would suggest that a Committee of two Councilors and two fire fighters be formed to work on this project. If this is acceptable, be advised that President Henry Watson and myself will sit on the Committee for the fire fighters.

Thank you for your consideration, and hope to hear from you soon.

Respectfully,

Ronald L Summers  
Secretary, Hamilton Professional Fire Fighters Association
