After having two previous meeting with the former Mayor and council on September 16 th 2013 and March 17 th 2014 I wanted to update the new Mayor and council on my success in ending the roach and bed bug problem in my unit , and offer my new revised system and ideas on how this can be done for all infected rental units in Hamilton. I also want to suggest a by-law idea along with a fee that would help create and fund a new method to turn infested units into pest free ones. I also have ideas on cost and resource saving methods.
