

**APPENDIX "B"**  
**CITY OF HAMILTON**  
**PROPOSED CARRY FORWARD PROJECTS**

Projects for the 2015-16 Performance Audit work plan were selected based on an assessment of potential projects. However, there are several subject areas which should be addressed but, due to limitations in available staff hours, could not be accommodated in the 2015-16 work plan. These projects may be considered for possible completion in the current year should the 2015-16 scheduling or resources allow.

- Corporate – Learning and Development
- Transit – Rationalization of Low Performing Routes
- Fleet – Parts Management
- Parking – Alternative Methods of Enforcement
- Information Technology – Internet Usage
- POA – Collections of Outstanding Fines
- Ontario Works Recipients Holding Business Licences
