**Subject:** PLANNING COMMITTEE DELEGATION

Hello Ida:

I understand that the proposal to build a large solar farm in the Mountsberg area by Samsung will be on the Agenda for the meeting of the Planning Committee on Tuesday, July 7. I do not know if the proposal will be discussed as a 'public meeting' as required by the Planning Act. If so, I will take advantage of that opportunity to address the proposal on behalf of the Flamborough Chamber of Commerce (FCC).

If however, it does not qualify for a 'public meeting' under the Planning Act, I would like the opportunity to address the committee on the matter on behalf of the FCC. Please accept this email as a request to do so.

Thank you.

Arend Kersten
