

Dear Ida,

Appendix A to delegation request

Please accept this correspondence as a request to appear as a delegation at the upcoming meeting of Planning Committee on Tuesday, July 7, 2015 at which time I understand the Committee will be considering the new Rural Zoning By-law. I wish to appear on behalf of the following owners:

1. McCann Professional Dog Trainers and Mr. Marty McCann – 929 and 899 Brock Road
2. Garden Grove Nursery – 136 5th Concession Road East
3. TransAgro – 381 Highway 8
4. Coverdale Trucking – 955 Regional Road 97
5. Mr. Barry Humphrey – 735 Mud Street
6. Mr. Barry Humphrey – 5462 Upper Centennial Parkway
7. Mr. Al Bojeski – 1050 Regional Road 56
8. Mr. Ken Henderson, Freelon Truck Parts - 963 Regional Road 97
9. Cameron Motorsports – 2633 Upper James Street
10. Willow Valley Golf Course – 2907 Upper James Street and 8476 English Church Road
11. Miska Trailers – 1056 Highway 6 North

For most of these submissions, I will be informing the Committee that my client is in agreement with the site specific provisions being considered in the new By-law. In other cases, I have yet to finalize matters with staff and am uncertain of the outcome of that discussion. Closer to the time of the meeting, I will inform you if there are any outstanding matters that any of my clients on this list have with the proposed site specific provisions of the Zoning By-law.

Thank you very much.

Sincerely,

Ed Fothergill, MCIP, RPP
