Re: 102 Ainslie

I live at 27 Yarmouth, a short walk from 102 Ainslie. My family regularly uses Alexander Park, which borders 102 Ainslie to the north.

I have often noted how out-of-place 102 Ainslie is in the neighbourhood. It creates a gap in the street and looks very ugly. While delivering brochures to this address, I noticed that the building seemed run-down and cheaply constructed.

To allow 102 Ainslie to get away with breaking the law would set a bad precedent. More housing like 102 Ainslie would drag down the entire Ainslie Wood neighbourhood, both in terms of quality of life and property value.

My family and I request that you reject the application from the owner of 102 Ainslie and insist that he obey the law.
